institutional buyers, and outside the United States only to non-U.S. investors.

Chesapeake intends to use the net proceeds of the offering, together with proceeds from a concurrent offering of common stock, to fund its previously announced \$590 million of pending acquisitions of Bravo Natural Resources, Inc. and Legend Natural Gas, L.P., along with the completed acquisition of Tilford Pinson Exploration, Inc. The Bravo acquisition is expected to close August 2, 2004, and the Legend acquisition is expected to close August 31, 2004. Both acquisitions are subject to satisfaction of customary closing conditions. If one or both of these acquisitions do not close, excess net proceeds from the offering will be used for general corporate purposes, including repayment of debt or possible future acquisitions.

The notes being offered have not been registered under the Securities Act of 1933 or applicable state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws. This announcement shall not constitute an offer to sell or a solicitation of an offer to buy the notes.
