Item 4. Purpose of Transaction

ITEM 4 is hereby amended by adding the following paragraph (b.1) after existing paragraph (b) thereof, and deleting existing paragraph (b) as of the Telenor Effective Date (as defined below):

In each case, these agreements are effective as of the effective date of the Telenor Transaction (the "Telenor Effective Date").

Item 5. Interest in Securities of the Issuer

Item 5 is hereby amended by deleting the entire text therein and replacing it with the following:

(a) (i) As of August 19, 2003, as disclosed to the Reporting Parties by Golden Telecom, there are an aggregate of 27,795,065 shares of Common Stock outstanding. As of the date hereof, CIPEF beneficially owns 2,166,405 shares of Common Stock, representing approximately 7.8% of the outstanding shares of Common Stock.

Due to their relationship with CIPEF (see Item 2), as of the date hereof, Capital International, Capital Investments and CGII may be deemed to beneficially own 2,166,405 shares of Common Stock. Based on an aggregate of 27,795,065 outstanding shares of Common Stock, this represents approximately 7.8% of the outstanding shares of Common Stock. Each of Capital Investments, Capital International and CGII disclaims beneficial ownership of all Common Stock beneficially owned by CIPEF.

Golden Telecom, OAO Rostelecom, a company organized in the Russian Federation ("RTK"), Alfa Telecom Limited, a company incorporated in the British Virgin Islands ("Alfa Telecom"), Telenor, CIPEF, and Cavendish Nominees Limited, a limited liability company organized and registered under the laws of Guernsey ("Cavendish"), and First NIS Regional Fund SICAV, a private institutional fund organized and registered under the laws of Luxembourg ("First NIS Fund" and, together with Cavendish, "Barings") entered into a Shareholders Agreement dated as of August 19, 2003 (the "Successor Shareholders Agreement") which is intended to supersede the Shareholders Agreement dated as of September 5, 2002 (the "Prior Shareholders Agreement"), a Standstill Agreement dated as of August 19, 2003 (the "Successor Standstill Agreement") which is intended to supersede the Standstill Agreement dated as of September 5, 2002 (the "Prior Standstill Agreement"), and a Registration Rights Agreement dated as of August 19, 2003 (the "Successor Registration Rights Agreement"), which is intended to supersede the prior registration rights agreements with Golden Telecom entered into by the parties to the Successor Registration Rights Agreement. Each of the Successor Shareholders Agreement, the Successor Standstill Agreement and the Successor Registration Rights Agreement is intended to be effective, and supersede the existing agreements cited above, as of the Telenor Effective Date.

Reference is made to such statements on Schedule 13D or Schedule 13G as have been or may be filed with the Securities and Exchange Commission by each of RTK, Alfa Telecom, Telenor, Cavendish and First NIS Fund for information regarding such entities, their respective beneficial ownership of shares of Common Stock and any changes to such respective beneficial ownership of shares of Common Stock. To the best of the Reporting Parties' knowledge, as of August 19, 2003, each of RTK, Alfa Telecom, Cavendish, and First NIS Fund, respectively, may be deemed to beneficially own the

Edgar Filing: GOLDEN TELECOM INC - Form SC 13D/A

following numbers and percentages of the outstanding shares of Common Stock: RTK - 4,024,067 (14.5%); Alfa Telecom - 10,840,647 (39.0%); Cavendish - 1,845,769 (6.6%) and First NIS Fund - 723,907 (2.6%). To the best of the Reporting Parties' knowledge, as of August 19, 2003, RTK, Alfa Telecom, Cavendish, First NIS Fund and CIPEF, in the aggregate, but not individually, may be deemed to beneficially own 19,600,795 shares of Common Stock (70.5%). Each of the Reporting Parties disclaims beneficial ownership of all shares of Common Stock beneficially owned by RTK, Alfa Telecom, Cavendish and First NIS Fund, and the filing of this Statement shall not be construed as an admission that any of the Reporting Parties or any other person named in Item 2 hereof forms a "group" with (as such term is used in Section 13(d)(3) of the Securities Exchange Act of 1934 and Rule 13d-5 under such Act), or is the beneficial owner of any shares of Common Stock beneficially owned by, RTK, Alfa Telecom, Cavendish or First NIS Fund.

(ii) As of the Telenor Effective Date, based on the outstanding shares of Common Stock as of August 19, 2003 as disclosed to the Reporting Persons by Golden Telecom, and assuming no changes other than the issuance of shares under the Share Exchange Agreement occur to the aggregate number of shares of Common Stock outstanding, there will be an aggregate of 34,528,031 shares of Common Stock outstanding. As of the Telenor Effective Date, and assuming no other changes occur to the number of shares of Common Stock beneficially owned by CIPEF, CIPEF will beneficially own 2,166,405 shares of Common Stock, representing approximately 6.3% of the outstanding shares of Common Stock.

Reference is made to such statements on Schedule 13D or Schedule 13G as have been or may be filed with the Securities and Exchange Commission by each of RTK, Alfa Telecom, Telenor, Cavendish and First NIS Fund for information regarding such entities, their respective beneficial ownership of shares of Common Stock and any changes to such respective beneficial ownership of shares of Common Stock. To the best of the Reporting Parties' knowledge, as of the Telenor Effective Date, and assuming no changes occur, other than the issuance of shares of Common Stock to Telenor on the Telenor Effective Date, (i) to the outstanding number of shares of Common Stock or (ii) to the shares of Common Stock held by RTK, Alfa Telecom, Telenor, Cavendish or First NIS Fund, each of RTK, Alfa Telecom, Telenor, Cavendish, and First NIS Fund, respectively, may be deemed to beneficially own the following numbers and percentages of the outstanding shares of Common Stock: RTK - 4,024,067 (11.7%); Alfa Telecom - 10,840,647 (31.4%); Telenor - 6,732,966 (19.5%); Cavendish - 1,845,769 (5.3%) and First NIS Fund - 723,907 (2.1%). To the best of the Reporting Parties' knowledge, as of the Telenor Effective Date, RTK, Alfa Telecom, Telenor, Cavendish, First NIS Fund and CIPEF, in the aggregate, but not individually, may be deemed to beneficially own 26,333,671 shares of Common Stock (76.3%). Each of the Reporting Parties disclaims beneficial ownership of all shares of Common Stock beneficially owned by RTK, Alfa Telecom, Telenor, Cavendish and First NIS Fund, and the filing of this Statement shall not be construed as an admission that any of the Reporting Parties or any other person named in Item 2 hereof forms a "group" with (as such term is used in Section 13(d)(3) of the Securities Exchange Act of 1934 and Rule 13d-5 under such Act), or is the beneficial owner of any shares of Common Stock beneficially owned by, RTK, Alfa Telecom, Telenor, Cavendish or First NIS Fund.

Except as set forth herein, to the knowledge of the Reporting Parties, none of the persons listed on Schedule I hereto beneficially owns any shares of Common Stock.

(b) CIPEF may be deemed to have sole power to vote or direct the voting of, and to dispose or direct the disposition of, the 2,166,405 shares of Common Stock beneficially owned by CIPEF. As noted above, each of Capital International, Capital Investments and CGII disclaims beneficial

Edgar Filing: GOLDEN TELECOM INC - Form SC 13D/A

ownership of all shares beneficially owned by CIPEF.

Under the Prior Shareholders Agreement, and under the Successor Shareholders Agreement, when effective, CIPEF has agreed to take all action (including without limitation the voting of shares, the execution of written consents, the calling of special meetings, the removal of directors, the filling of vacancies on the Board of Directors, the waiving of notice and attendance at meetings, the amendment of Golden Telecom's by-laws and the like) necessary from time to time to maintain the composition of the Board of Directors specified in Section 3 of the Prior Shareholders Agreement and Section 3 of the Successor Shareholders Agreement in accordance with the terms of such provisions. As noted above, each of the Reporting Parties disclaims beneficial ownership of all shares of Common Stock beneficially owned by RTK, Alfa Telecom, Telenor, Cavendish and First NIS Fund.

(c) The disclosure set forth in Item 6 of this statement is specifically incorporated by reference into this Item 5 in its entirety. Except as set forth herein, none of the Reporting Parties or, to the knowledge of the Reporting Parties, none of the persons named in Schedule I hereto beneficially owns any shares of Common Stock or has effected any transactions in shares of Common Stock during the preceding 60 days.

(d) The partners of CIPEF have the right to receive dividends from, or proceeds from the sale of, all of the shares of Common Stock owned of record by CIPEF.

(e) Not applicable.

ITEM 6. Contracts, Arrangements, Understandings or Relationships With

Respect to Securities of the Issuer

Item 6 is hereby further amended by adding the following paragraphs (b.1), (c.1) and (d) after existing paragraphs (b) and (c) respectively and deleting existing paragraphs (b) and (c) as of the Telenor Effective Date:

"(b.1) Successor Standstill Agreement. As disclosed in Item 5 above, Golden Telecom, RTK, Alfa Telecom, Telenor, CIPEF, Cavendish and First NIS Fund have entered into the Successor Standstill Agreement effective as of the Telenor Effective Date, pursuant to which each of them agreed, among other things, not to (i) acquire shares of voting stock of Golden Telecom in excess of specified levels (subject to certain exceptions) or (ii) engage in proxy contests in respect of shares of voting stock of Golden Telecom, in each case for a period of eighteen months following the date of the Successor Standstill Agreement. The Successor Standstill Agreement expires upon the occurrence of any of the following: (i) the mutual agreement of the parties thereto, (ii) the voluntary or involuntary filing of a petition in bankruptcy by or against Golden Telecom, (iii) an event of insolvency affecting Golden Telecom, or the appointment of a receiver for Golden Telecom, (iv) the date on which any person owns, individually or collectively with its affiliates, 50% or more of the Golden Telecom voting stock, or (v) the date eighteen months following the effectiveness of the Successor Standstill Agreement. Any party to the Successor Standstill Agreement who, together with its affiliates, having once attained ownership of at least 3% or more of the Golden Telecom voting stock, thereafter ceases to own, together with its affiliates, at least 3% of the Golden Telecom voting stock, shall cease to be a party thereto and shall cease to have any rights or obligations thereunder. A copy of the Successor Standstill Agreement, which is intended to supersede the Prior Standstill Agreement as of the Telenor Effective Date, is included as Exhibit 99.12 to

Edgar Filing: GOLDEN TELECOM INC - Form SC 13D/A

this statement and qualifies the disclosure set forth herein in its entirety.

(c.1) Successor Shareholders Agreement. Golden Telecom, RTK, Alfa Telecom, Telenor, CIPEF, Cavendish and First NIS Fund have entered into the Successor Shareholders Agreement effective as of the Telenor Effective Date. The Successor Shareholders Agreement provides for certain tag-along rights exercisable by CIPEF, RTK and Barings in the event that Alfa Telecom proposes to transfer shares to a third party who will own, directly or indirectly, not less than one-third of Golden Telecom's Common Stock or capital stock (as adjusted for capital changes) immediately after such transfer. Upon the exercise by CIPEF, RTK or Barings of such right, the exercising party may sell to the third party its pro rata portion of the shares covered by the third party offer.

The Successor Shareholders Agreement also provides each of Alfa Telecom and Telenor (i) the right to participate on a pro rata basis in a transfer of Golden Telecom shares when either party receives a bona fide offer for Golden Telecom shares and (ii) the right to participate on an equal basis in an offer to purchase the Golden Telecom shares held by Barings or CIPEF. The Successor Shareholders Agreement also provides Alfa Telecom, Telenor and RTK with a right of first offer in the event that a significant shareholder proposes to transfer any Golden Telecom shares to another person. In addition, the Successor Shareholders Agreement grants to each of RTK, Alfa Telecom, Telenor, CIPEF, Cavendish and First NIS Fund a limited pre-emptive right to acquire its pro rata share of new securities (on a fully diluted basis) issued by Golden Telecom from time to time during the term of the Successor Shareholders Agreement.

In addition, the Successor Shareholders Agreement provides for the nomination and removal of directors of Golden Telecom for two years after its effective date. Subject to certain conditions, Alfa Telecom generally has the right to designate three directors and Telenor has the right to designate two directors. CIPEF and Barings each has the right to designate one director, both of whom shall be independent. RTK has the right to designate two directors, one of whom shall be independent. One independent director (who shall also be a financial expert in the event that no other director is a financial expert) shall be designated by the Board of Directors of Golden Telecom. If RTK owns less than 10% but more than 3% of the issued and outstanding Golden Telecom voting stock, the number of directors designated by RTK will be reduced to one. If RTK owns less than 3% of the issued and outstanding Golden Telecom voting stock, the number of directors designated by RTK will be reduced to zero. If CIPEF or Barings own less than 3% of the issued and outstanding Golden Telecom voting stock, the number of directors designated by CIPEF or Barings, as the case may be, will be reduced to zero. The Successor Shareholders Agreement also provides for a reduction in the number of directors to be designated by a shareholder, including Alfa Telecom and Telenor, upon other specified reductions in its ownership threshold levels relating to the issued and outstanding Golden Telecom voting stock. Golden Telecom and each of RTK, Alfa Telecom, Telenor, Barings and CIPEF have agreed that so long as the agreement set forth in Section 3 of the Successor Shareholders Agreement remains in effect, each of them will take all action (including without limitation the voting of shares, the execution of written consents, the calling of special meetings, the removal of directors, the filling of vacancies on the Board of Directors, the waiving of notice and attendance at meetings, the amendment of Golden Telecom's by-laws and the like) necessary from time to time to maintain the composition of the Board of Directors specified in Section 3 of the Successor Shareholders Agreement in accordance with the terms of such provision.

The Successor Shareholders Agreement also contains procedures relating

Edgar Filing: GOLDEN TELECOM INC - Form SC 13D/A

to the approval of special transactions which involve, directly or indirectly, a value exceeding 5% of the total consolidated assets of Golden Telecom and its subsidiaries and include provisions relating to the proposal of special transactions by directors as well as the retention in certain cases of an independent special consultant to review the special transaction. Furthermore, the Successor Shareholders Agreement restricts business combinations with Golden Telecom by the parties thereto without the prior approval of the Board of Directors of Golden Telecom (including approval by a majority of the disinterested directors as defined therein).

In addition, the Successor Shareholders Agreement prohibits any party thereto from acquiring beneficial ownership of any shares of Golden Telecom voting stock if after such acquisition such shareholder would beneficially own in aggregate 50% or more of the Golden Telecom voting stock, unless such acquisition is made pursuant to a tender offer. Any person who acquires 10% or more of the Golden Telecom voting stock from a party to the Successor Shareholders Agreement is required to execute an endorsement and be bound by this tender offer requirement.

A copy of the Successor Shareholders Agreement, which is intended to supersede the Prior Shareholders Agreement as of the Telenor Effective Date, is included as Exhibit 99.11 to this statement and qualifies the disclosure set forth herein in its entirety.

(d) Successor Registration Rights Agreement. Golden Telecom, RTK, Alfa Telecom, Telenor, CIPEF, Cavendish and First NIS Fund have entered into the Successor Registration Rights Agreement effective as of the Telenor Effective Date. The Successor Registration Rights Agreement provides the parties thereto with the right to request that Golden Telecom effect a registration under the U.S. Securities Act of 1933, as amended, with respect to all or a part of the shares of Common Stock held by the parties thereto on the effective date of the agreement as well as certain additional shares acquired thereafter, provided, however, that at least 500,000 shares of Common Stock are requested to be registered by such shareholder or shareholders. The Successor Registration Rights Agreement also allows the other parties thereto to have all or part of the shares of Common Stock held by them on the effective date of the Successor Registration Rights Agreement (as well as certain additional shares acquired thereafter) included in the registration. Alfa Telecom, RTK and Telenor are each entitled to two demand registration requests and Barings and CIPEF are each entitled to one demand registration request. A copy of the Successor Registration Rights Agreement, which is intended to supersede the prior registration rights agreements between Golden Telecom and Alfa Telecom, RTK, CIPEF, Cavendish and First NIS Fund, is included as Exhibit 99.13 to this statement and qualifies the disclosure set forth herein in its entirety."
