**NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
To Be Held December 11, 2006**

TO THE SHAREHOLDERS:

Edgar Filing: FLEXSTEEL INDUSTRIES INC - Form DEF 14A

The Annual Meeting of Shareholders of Flexsteel Industries, Inc. will be held at the Hilton Minneapolis, 1001 Marquette Avenue, Minneapolis, Minnesota 55403, on Monday, December 11, 2006 at 2:00 p.m. for the following purposes:

1. To elect four (4) Class II Directors to serve until the year 2009 Annual Meeting and until their successors have been elected and qualified or until their earlier resignation, removal or termination (Proposal I).
2. To consider and act upon a proposal to approve the 2006 Stock Option Plan (Proposal II).
3. To consider and act upon a proposal to amend Subsection A of Article V of the 1983 Restated Articles of Incorporation, as amended, to increase the minimum number of directors to seven (7) and the maximum number of directors to thirteen (13) (Proposal III).
4. To transact such other business as may properly come before the meeting or any adjournments or postponements of the meeting.

October 18, 2006 has been fixed as the record date for the determination of common shareholders entitled to notice of and to vote at the meeting, and only holders of record at the close of business on that date will be entitled to vote at the meeting or any adjournments or postponements of the meeting.

Whether or not you plan to attend the meeting, please mark, date and sign the accompanying proxy and return it promptly in the enclosed envelope which requires no additional postage if mailed in the United States. If you attend the meeting, you may vote your shares in person even though you have previously signed and returned your proxy. Voting by ballot at the meeting cancels any proxy previously returned.

BY ORDER OF THE BOARD OF DIRECTORS

TIMOTHY E. HALL
Secretary

November 1, 2006

PLEASE SIGN AND RETURN THE ENCLOSED PROXY PROMPTLY

PROXIES AND VOTING

This proxy statement and the accompanying proxy is solicited on behalf of the Board of Directors (the **Board**) of Flexsteel Industries, Inc. (the **Company** or **Flexsteel**) to be used at the Annual Meeting of Shareholders to be held on Monday, December 11, 2006, and any adjournments or postponements of the meeting, for the purposes set forth in the notice of meeting. Each shareholder who signs and returns a proxy in the form enclosed with this proxy statement has the unconditional right to revoke the proxy at any time prior to its use at the meeting. A shareholder can change his or her proxy or vote in one of three ways:

send a signed notice of revocation to our Secretary to revoke the previously given proxy;

send a completed proxy card bearing a later date than the previously given proxy to our Secretary indicating the change in your vote; or

attend the meeting and vote in person, which will automatically cancel any proxy previously given, or the shareholder may revoke his or her proxy in person, but a shareholder's attendance at the meeting alone will not revoke any proxy that the shareholder has previously given.

If a shareholder chooses either of the first two methods, the shareholder must take the described action no later than the beginning of the meeting. Once voting on a particular matter is completed at the meeting, a shareholder will not be able to revoke his or her proxy or to change his or her vote as to that matter. Unless a shareholder's proxy is so revoked or changed, the shares of common stock represented by each proxy received by the Company will be voted at the meeting and at any adjournments or postponements of the meeting. If a shareholder's shares of common stock are held in street name by a broker, bank or other financial institution, such shareholder must contact them to change his or her vote. Execution of the proxy will in no way affect a shareholder's right to attend the meeting and vote in person. If a shareholder specifies how the proxy is to be voted on any business to come before the meeting, it will be voted in accordance with such specification. If no specification is made, it will be voted **FOR** the election of James R. Richardson, Patrick M. Crahan, Robert E. Deignan and Mary C. Bottie as Class II Directors (Proposal I), **FOR** the approval of the 2006 Stock Option Plan (Proposal II) and **FOR** the amendment of the 1983 Restated Articles of Incorporation (Proposal III). Each of the above named director nominees has been previously elected by the shareholders, except Mary C. Bottie who was appointed to the Board on December 8, 2003.

As of the close of business on October 18, 2006, the record date for determining shareholders entitled to notice of, and to vote at, the meeting, the Company had 6,566,340

1

outstanding shares of common stock, par value \$1.00 per share, which is the only class of the Company's capital stock entitled to vote at the meeting. Each share of common stock issued and outstanding as of the record date is entitled to one vote upon each matter to be presented at the meeting, and cumulative voting for directors is not permitted. A quorum, consisting of a majority of the outstanding shares of common stock entitled to vote at the meeting, must be present in person or represented by proxy before action may be taken at the meeting.

Votes cast by proxy or in person will be counted by the inspector of election appointed for the meeting who will be present at the meeting. The affirmative vote of a plurality of the shares of common stock present in person or represented by proxy at the meeting is required for the election of the director nominees named in this proxy statement. Adoption of the proposal to approve the 2006 Stock Option Plan requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the meeting. Adoption of the proposal to approve the amendment to Subsection A of Article V of the Company's 1983 Restated Articles of Incorporation, as amended, to increase the minimum number of directors to seven (7) and the maximum number of directors to thirteen (13) requires the affirmative vote of two-thirds (2/3rds) of the shares of common stock issued and outstanding on the record date for the meeting. The inspector of election will treat abstentions as shares that are present and entitled to vote for purposes of determining a quorum, but abstentions and broker non-votes shall not be counted as votes for or against the proposal being voted on.

While the Board knows of no other matter to be presented at the meeting or any adjournment or postponement of the meeting, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxies.

The mailing address of the corporate office and principal executive office of the Company is P.O. Box 877, Dubuque, IA 52004-0877. The approximate date on which this proxy statement and accompanying proxy card are first being mailed to shareholders is November 1, 2006.

2

EXPENSE OF SOLICITATION

The cost of the solicitation of proxies on behalf of the Board will be paid by the Company. Solicitation of proxies will be principally by mail. In addition, the officers or employees of the Company and others may solicit proxies, either personally, by telephone, by special letter, or by other forms of communication. The Company will also make arrangements with banks, brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals and will reimburse them for reasonable expenses in so doing. Officers and employees of the Company will not receive additional compensation in connection with the solicitation of proxies.

PROPOSAL I

ELECTION OF DIRECTORS

The Board currently consists of eleven persons divided into three classes. At each Annual Meeting the terms of one class of Directors expire and persons are elected to that class for terms of three years or until their respective successors are duly qualified and elected or until their earlier resignation, removal or termination.

The Board of the Company has nominated James R. Richardson, Patrick M. Crahan, Robert E. Deignan and Mary C. Bottie for election as Class II Directors of the Company. The Class II Directors' next term expires at the time of the year 2009 Annual Meeting and until their respective successors have been elected and qualified or until their earlier resignation, removal or termination. It is the intention of the proxies named herein to vote FOR these nominees unless otherwise directed in the proxy. All of the nominees have been previously elected by the shareholders, except Mary C. Bottie who was appointed to the Board on December 8, 2003.

All nominees named above have consented to serve as Directors if elected. In the event that any of the nominees should fail to stand for election, the persons named as proxy in the enclosed form of proxy intend to vote for substitute nominees as may be selected by the Board. The proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

THE BOARD RECOMMENDS A VOTE FOR ITS DIRECTOR NOMINEES NAMED IN THIS PROXY STATEMENT. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

CERTAIN INFORMATION CONCERNING BOARD AND OUTSIDE DIRECTORS' COMPENSATION

During the fiscal year ended June 30, 2006, four meetings of the Board were held. All of the directors of the Company attended no less than 75% of the meetings of the Board and the committees on which they served. The Company does not have a formal policy regarding attendance by Board members at the Company's annual meetings, but the Board encourages all its members to attend the annual meeting of shareholders. All members attended the prior year's annual meeting.

The Board has determined that Ms. Bottie and Messrs. Boylen, Davis, Deignan, Holloran and Rangen are independent directors as defined by The Nasdaq Stock Market listing standards. The independent directors meet periodically in executive session without the Chief Executive Officer present. The Chairman of the Audit and Ethics Committee presides at these meetings.

Each Director who is not an employee of the Company is paid a retainer at the rate of \$12,000 per year. In addition, each is paid a fee of \$3,000 for each Board meeting each attends. The Chairman of the Board is paid a retainer of \$20,800 per year and a fee of \$5,200 for each Board meeting attended. For attending a committee meeting each is paid a fee of \$1,300. The Chairman of each Committee is paid \$1,500 for each meeting attended. The Company pays no additional remuneration to employees of the Company who are Directors.

Each Director who is not an employee of the Company receives on the first business day after each annual meeting a non-discretionary, non-qualified stock option grant for 2,500 shares valued at fair market value on the date of grant, exercisable for 10 years. Each person who becomes for the first time a non-employee member of the Board, including by reason of election, appointment or lapse of three (3) years since employment by the Company, will receive an immediate one-time option grant for 2,500 shares.

The Company has a long standing agreement with Thomas E. Holloran pursuant to which the Company will pay to him, or his beneficiaries, \$20,000 after he ceases to be a Director as additional compensation in recognition of Director services rendered.

5

COMMITTEES OF THE BOARD

The Board has established two standing committees of the Board. The names of the committees and the principal duties are as follows:

FLEXSTEEL INDUSTRIES, INC.

Audit and Ethics Committee:

Confers with the independent registered public accounting firm on various matters, including the scope and results of the audit; authorizes special reviews or audits; reviews internal auditing procedures and the adequacy of internal controls; and reviews policies and practices respecting compliance with laws, conflicts of interest and ethical standards of the Company. The Committee held four regular meetings during the fiscal year ended June 30, 2006. The Committee members are Thomas E. Holloran, Mary C. Bottie, Lynn J. Davis, Robert E. Deignan and Eric S. Rangen. The Board has adopted a written charter for the Audit and Ethics Committee. The Board believes all Audit and Ethics Committee members are independent as defined by The Nasdaq Stock Market listing standards. The Board has determined that at least one member of the Audit and Ethics Committee qualifies as an audit committee financial expert within the meaning of the Securities Exchange Act of 1934, as amended (the **1934 Act**), and has designated Eric S. Rangen as the audit committee financial expert.

Nominating and Compensation Committee:

Makes recommendations regarding Board compensation, reviews performance and compensation of all executive officers, determines stock option grants, and advises regarding employee benefit plans. Reviews timely proposed nominations received from any source including nominations by shareholders and makes recommendations to the Board regarding all director nominees.

The Nominating and Compensation Committee will consider each candidate's general business and industry experience, his or her ability to act on behalf of shareholders, overall Board diversity, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board nominees. If the Nominating and Compensation Committee approves a candidate for further review following an initial screening, the Nominating and Compensation Committee will establish an interview process for the candidate. Generally, the candidate will meet with the members of the Nominating and Compensation Committee, along with our Chief Executive Officer. Contemporaneously with the interview process, the Nominating and Compensation Committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The Nominating and Compensation Committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The Nominating and Compensation

Committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to us and concern for our success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

Recommendations for candidates to be considered for election to the Board at our annual shareholder meetings may be submitted to the Nominating and Compensation Committee by our shareholders. Candidates recommended by our shareholders will be considered under the same standards as candidates that are identified by the Nominating and Compensation Committee. Nominations by shareholders must be received by the Secretary of the Company at least 18 days before the annual meeting and set forth nominee information as required by the Company's 1983 Restated Articles of Incorporation, as amended, which are available upon request to the Secretary of the Company. To enable the committee to evaluate the candidate's qualifications, shareholder recommendations must include the following information:

The name, age, business address and if known, residence address of each nominee proposed in such notice;

The principal occupation or employment of each such nominee; and

The number of shares of stock of the Company, which are beneficially owned by each such nominee.

The Board has adopted a written charter for the Nominating and Compensation Committee. The Board believes all Nominating and Compensation Committee members are independent as defined by The Nasdaq Stock Market listing standards. The Committee held two meetings during the fiscal year ended June 30, 2006. The Committee members are Robert E. Deignan, Lynn J. Davis and Thomas E. Holloran.

Subject to applicable law and regulatory requirements, the Board may establish additional or different committees from time to time. The charters of the Audit and Ethics Committee and Nominating and Compensation Committee are available at www.flexsteel.com. The charter of the Audit and Ethics Committee is attached to this proxy statement as Appendix A and the charter of the Nominating and Compensation Committee is attached to this proxy statement as Appendix B. The Audit and Ethics Committee charter was adopted by the Board on December 7, 2003 and was most recently re-approved by the Audit and Ethics Committee on June 5, 2006. The Nominating and Compensation Committee charter was adopted by the Board on September 13, 2004 and was most recently re-approved by the Nominating and Compensation Committee on June 4, 2006.

NOMINATING AND COMPENSATION COMMITTEE REPORT CONCERNING FLEXSTEEL S EXECUTIVE COMPENSATION POLICY

The Nominating and Compensation Committee of the Board is responsible for the establishing of the Company s policy for compensating executive officers. The Committee is comprised of independent directors as defined in The Nasdaq Stock Market listing standards.

Compensation Philosophy The fundamental objective of Flexsteel s executive compensation program is to support the achievement of the Company s business objectives and, thereby, the creation of shareholder value. As such, the Company s philosophy is that executive compensation policy and practice should be designed to achieve the following objectives:

Align the interests of executives with those of the Company and its shareholders by providing a significant portion of compensation in Company stock.

Provide an incentive to executives by tying a meaningful portion of compensation to the achievement of Company financial objectives.

13

Enable the Company to attract and retain key executives whose skills and capabilities are needed for the continued growth and success of Flexsteel by offering competitive total compensation opportunities and providing attractive career opportunities.

In compensating executive officers for their performance, total compensation is influenced by return on equity and stock price. At the executive level, overall Company performance is emphasized in an effort to encourage teamwork and cooperation.

While a significant portion of compensation fluctuates with annual results, the total program is structured to emphasize longer-term performance and sustained growth in shareholder value.

Competitive Positioning The Committee regularly reviews executive compensation levels to ensure that the Company will be able to attract and retain the caliber of executives needed to run the Company and that pay for

executives is reasonable and appropriate relative to market practice. In making these evaluations, the Committee annually reviews the result of surveys of executive salary and annual bonus levels among durable goods manufacturers of comparable size. The Committee periodically completes an in-depth analysis of salary, annual bonus, and long-term incentive opportunities among specific competitors assisted by an independent compensation consulting firm. The surveyed companies are included in the Household Furniture Index used as the peer group for purposes of the performance graph. While the pay of an individual executive may vary, the Company's Policy is to target aggregate compensation for executive officers at average competitive levels, provided commensurate performance.

Components of Executive Compensation The principal components of Flexsteel's executive compensation program include base salaries, annual cash bonuses, and longer-term incentives using Company stock.

Base Salary An individual executive's base salary is based upon the executive's level of responsibility and performance within the Company, as well as competitive rates of pay. The Committee reviews each executive officer's salary annually and makes adjustments, as appropriate, in light of any change in the executive's responsibility, changes in competitive salary levels, and the Company's performance.

Annual Incentive The purpose of the Company's annual incentive program is to provide a direct monetary incentive to executives in the form of annual cash bonus tied to the achievement of performance objectives. For executive officers, the Committee annually sets targeted financial objectives for the coming year, from which minimum and maximum levels are determined. Corresponding incentive award levels, expressed as a percentage of salary, also are set based primarily on an individual's responsibility level. If minimum performance

14

levels are not met, no bonus award is made. After the completion of the year, the Committee ratifies cash bonuses as awarded based principally on the extent to which targeted return on equity has been achieved.

Long-Term Incentives Longer-term incentive compensation involves the use of stock under two types of awards: Long-term incentive awards and stock options. Both types of awards are intended to focus executives' attention on the achievement of the Company's longer term performance objectives, to align the executive officers' interests with those of shareholders and to facilitate executives' accumulations of sustained holding of Company stock. The level of award opportunities, as combined under both plans, are intended to be consistent with typical levels of comparable companies and reflect an individual's level of responsibility and performance.

Long-term incentive awards are paid under the shareholder approved Management Incentive Plan. Awards give executives the opportunity to earn shares of Company stock to the extent that the three-year average return on financial objectives are achieved. As with annual incentives, various levels of performance goals and corresponding compensation amounts are established, with no awards earned if a minimum level is not achieved. Two-thirds of any earned shares are subject to forfeiture provisions tied to the executive's continued service with the Company. This provision is intended to enhance the Company's ability to retain key executives and provide a longer-term performance focus.

Stock options, as awarded under shareholder approved plans, give executives the opportunity to purchase Flexsteel common stock for a term not to exceed ten years and at a price of no less than the fair market value of Company stock on the date of grant. Executives benefit from stock options only to the extent stock price appreciates after the grant of

the option.

Compensation of the Chief Executive Officer The total compensation for Flexsteel's CEO in fiscal year 2006 was established in accordance with the policies discussed above. Mr. Lauritsen's base salary increase reflects market movements in executive salaries. Mr. Lauritsen did not receive an annual cash bonus or long-term incentive award for fiscal year 2006, as the Company's minimum level for return on equity was not achieved. Mr. Lauritsen's stock option award was consistent with prior awards and those to other senior executives.

The Company's current levels of compensation are less than the \$1,000,000 level of non-deductibility with respect to Section 162(m) of the Internal Revenue Code.

PROPOSAL II

APPROVAL OF 2006 STOCK OPTION PLAN

The Nominating and Compensation Committee, recognizing that insufficient shares are available to provide further grants of stock options under the existing 2002 Stock Option Plan, advised the Board that it is in the interest of the Company to continue its longstanding practice of making stock options available to those employees responsible for significant contributions to the Company's business. The Nominating and Compensation Committee believes that the

equity stake in the growth and success of the Company afforded by stock options provides such key employees with an incentive to continue to energetically apply their talents within the Company. Accordingly, on October 3, 2006, the Board, acting on the recommendation of the Nominating and Compensation Committee, unanimously approved the 2006 Stock Option Plan (the **Plan**) and directed that it be submitted for consideration and action at the meeting of shareholders.

The following is a brief but not comprehensive summary of the Plan which continues a practice that began at the Company in 1969. The complete text is attached as Appendix C and reference is made to such Appendix for a complete statement of the provisions of the Plan. The Plan provides for the granting of options to purchase up to 500,000 shares of the Company's common stock, to be drawn from authorized but unissued shares and/or from shares acquired by the Company, including on the open market. The number and kind of shares subject to the Plan would be appropriately adjusted in the event of any change in the capital structure of the Company. Shareholders would have no preemptive rights with regard to shares allotted to the Plan. The Plan would be administered by the Company's Nominating and Compensation Committee which is composed of two or more directors who are not employees of the Company. Each member of the Nominating and Compensation Committee must be a Non-Employee Director within the meaning of Rule 16b-3 of the General Rules and Regulations under the 1934 Act. No member of the Nominating and Compensation Committee is eligible to receive options under the Plan except automatic formula grants as a director. Participants would be selected by the Nominating and Compensation Committee from among key employees of the Company, a group consisting of approximately 20 persons. Optionees would be selected on the basis of demonstrated ability to contribute substantially to the effective management of the Company. The Nominating and Compensation Committee would determine both the number of optionees and the number of shares to be optioned to any individual under the Plan. The Board would be able to amend the Plan without further approval by the shareholders, except insofar as such approval is required by law.

Under the Plan, nonstatutory stock options are automatically granted to non-employee directors of the Company. Each person who is a non-employee director is granted a

20

nonstatutory 2,500-share option the day after the annual meeting of shareholders of the Company, at an exercise price equal to the fair market value (as defined in the Plan) of the common stock on the date of the grant. The option is immediately vested.

The Plan would enable the Company to grant either non-qualified options or incentive stock options. No options could be granted under the Plan later than December 1, 2016. Options could have an exercise period of up to ten years as determined by the Committee. In the event of termination of employment due to death, disability or retirement, the period of time for exercise varies from two (2) to five (5) years. The options would not be transferable, except in the event of death. The exercise price per share for each option would be not less than the fair market value on the date of grant. It is provided that payment for the exercise may be made in stock or cash. The aggregate fair market value (determined as of the time such option is granted) of the common stock for which any employee may have incentive stock options vest in any calendar year may not exceed \$100,000. Proceeds received from optioned shares will be used for general corporate purposes.

Under currently applicable provisions of the Internal Revenue Code an optionee will not be deemed to receive any income for Federal tax purposes upon the grant of an option under the Plan, nor will the Company be entitled to a tax deduction at that time. However, upon the exercise of an option the tax consequences are as follows:

1. Upon the exercise of a non-qualified option, the optionee will be deemed to have received ordinary income in an amount equal to the difference between the option price and the market price of the shares on the exercise date. The Company will be allowed an income tax deduction equal to the excess of market value of the shares on the date of exercise over the cost of such shares to optionee.

2. Upon the exercise of an incentive stock option, there is no income recognized by the optionee at the time of exercise. If the stock is held at least one year following the exercise date and at least two years from the date of grant of the option, the optionee will realize a long-term capital gain or loss upon sale, measured as the difference between the option exercise price and the sale price. If either of these holding period requirements are not satisfied, ordinary income tax treatment will apply to the amount of gain at sale or exercise, whichever is less. No income tax deduction will be allowed the Company with respect to shares purchased by an optionee upon the exercise of an incentive stock option, provided such shares are held for the required periods as described above.

Under the Internal Revenue Code, an option will generally be disqualified from receiving incentive stock option treatment if it is exercised more than three months following termination of employment. However, if the optionee is disabled, such statutory treatment is

21

available for one year following termination. If the optionee dies while employed by the Company or within three months thereafter, the statutory time limit is waived altogether. In no event do these statutory provisions extend the rights to exercise an option beyond those provided by its terms.

The closing sale price of the Company's common stock on October 18, 2006 as reported by The Nasdaq Stock Market was \$12.99 per share.

The affirmative vote of the holders of a majority of the outstanding shares of common stock present in person or represented by proxy and entitled to vote at the meeting will be required for approval of the Plan.

The Board recommends a vote FOR the proposal to approve the 2006 Stock Option Plan. Unless otherwise specified, the proxies solicited by the Board will be voted FOR the proposal.

PROPOSAL III

AMENDMENT OF 1983 RESTATED ARTICLES OF INCORPORATION

On October 3, 2006 the Board of Directors voted, subject to shareholder approval, to adopt the following amendment to Subsection A of Article V of the Company's 1983 Restated Articles of Incorporation, as amended (the **Restated Articles**), to increase the minimum number of directorships from three (3) to seven (7) and the maximum number of directorships from eleven (11) to thirteen (13) as follows:

The first paragraph of Subsection A of Article V of the Company's 1983 Restated Articles of Incorporation, as amended, is hereby deleted in its entirety and replaced with the following paragraph: The number of directors shall be set by the Board but shall not be less than seven (7) nor more than thirteen (13). The Board to be elected at the 2006 Annual Meeting of Shareholders shall consist of eleven (11) directors. Thereafter, the number of directors may be increased or decreased only by the affirmative vote of a majority of Directors then in office at the time of the vote but

subject to the above stated minimum of seven (7) and maximum of thirteen (13) directors.

Under the Restated Articles, the number of directors of the Company may be increased or decreased only by the affirmative vote of a majority of directors then in office at the time of the vote subject to the minimum and maximum number of directors set forth in Subsection A of Article V. The Board has set the number of directors at the current maximum number permitted under the Restated Articles which is eleven (11). The Board believes that the current minimum number of directors is too low given The Nasdaq Stock Market listing

22

standards relating to composition of the Board of Directors. In addition, while there are no immediate plans to expand the size of the Board to thirteen (13) members, the Board believes it is in the best interest of the shareholders to allow for at least two additional directorships as the Company plans for its future.

The Board recommends a vote FOR the proposal to amend the Restated Articles to increase the minimum number of directors to seven (7) and the maximum number of directors to thirteen (13). Unless otherwise specified, the proxies solicited by the Board will be voted FOR the proposal.

- (f) The Committee, in its discretion, shall set the length of the time during which each Option may be exercised, except for Non-employee director grants, but in no event shall it be longer than ten years after the date of grant.

SECTION 3

ADMINISTRATION:

- (a) Subject to such orders and resolutions not inconsistent with the provisions of the Plan as may from time to time be issued or adopted by the Board of Directors, the Plan shall be administered by, or only in accordance with the recommendation of, a Committee of two or more persons having full authority to act in the matter, all of the members of which

C-2

Committee are Non-Employee Directors within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended.

- (1) The Committee shall administer the Plan and accordingly, it shall have full power to grant Options, construe and interpret the Plan, amend and adjust terms of then existing options subject to restrictions of this Plan, establish rules and regulations and perform all other acts, including the delegation of administrative responsibilities, it believes reasonable and proper.

(2) The determination of those eligible to receive Options, and the amount, type and timing of each Option and the terms and conditions of the respective Option Agreements shall rest in the sole discretion of the Committee, subject to the provisions of the Plan.

(3) The Committee may cancel any Options awarded under the Plan if an Optionee conducts himself in a manner which the Committee determines to be inimical to the best interests of the Company and/or accepts employment with a competitor. This provision does not apply to Non-employee director Options.

(4) The Board, or the Committee, may correct any defect, supply any omission or reconcile any inconsistency in the Plan, or in any granted Option, in the manner and to the extent it shall deem necessary to carry it into effect.

None of the Committee members are eligible to receive Options under the Plan while a member of the Committee, except pursuant to Section 5(e).

(b) All determinations by the Committee shall be made by the affirmative vote of a majority of its members by written consent or by a majority vote, in person or otherwise, of its members at a meeting called for that purpose.

(c) Each Option shall be evidenced by an Agreement which shall contain the terms and conditions and shall be signed by an Officer of the Company and the Optionee. As a minimum, the Agreement shall state the number of shares of stock under Option, the Option price and the duration of the Option.

(d) All decisions made by the Committee pursuant to provisions of the Plan or related orders or resolutions of the Board of Directors shall be final, conclusive and binding on all parties, including the Company, shareholders, employees and Optionees.

C-3

SECTION 4

SHARES SUBJECT TO THE PLAN:

(a) Shares to be delivered upon exercise of an Option under the Plan shall be made available at the discretion of the Board of Directors either from authorized but unissued shares of the Company's Common Stock or shares acquired by the Company, including shares purchased in the open market.

(b) In the event of merger, reorganization, consolidation, recapitalization, stock dividend, stock split, or other change in corporation structure affecting the Company's Common Stock the number of shares of Common Stock available for Options and subject to outstanding Options shall be adjusted proportionately. Similarly, the Option price per share of outstanding Options shall be appropriately adjusted. However, fractional shares may be rounded to the nearest whole share.

SECTION 5

ELIGIBILITY AND PARTICIPATION:

(a) The persons eligible for participation in the Plan shall be full-time managerial, administrative or professional employees of the Company, Non-employee directors and those other employees who are key to the Company's

success. This includes officers, whether or not Directors of the Company. Participation in the Plan shall not be automatic except for Non-employee directors who shall be granted Options in amounts and pursuant to the terms only as provided by Section 5(e) herein and not otherwise.

(b) Subject to the limitations of the Plan, the Committee shall select the persons to participate in the Plan, determine the number and Option price of shares subject to each Option, and determine the date when each Option shall be granted and the date when each Option shall expire. The date the employee becomes an Optionee is the date of his Agreement with the Company. More than one Option may be granted to the same Optionee and an Optionee may enter into more than one Agreement with the Company.

(c) No Incentive Stock Option shall be granted to anyone who, immediately after such Option would otherwise be granted, would own stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company.

(d) An Option granted to an Optionee under this Plan shall in all events lapse upon expiration of the Option period, if not exercised, lapsed, canceled or otherwise terminated prior thereto. If an Option granted hereunder is not exercised but is canceled, terminated or

C-4

lapsed, the shares covered by such Option shall become again available for grant by the Committee under this Plan.

(e) Each person who becomes for the first time a Non-employee director, including by reason of election, appointment or lapse of three (3) years since employment by the Company (whether or not that person is standing for re-election that year), will receive an immediate one-time Option grant for 2,500 shares. Each Non-employee director will receive an Option grant for 2,500 shares on the first business day following each annual meeting. The following terms and conditions are applicable to each Option. The Option price per share will be equal to one hundred percent (100%) of the fair market value on the date of the Option grant. The Options will have terms of ten years measured from the date of the Option grant. In the event the Optionee ceases to serve as a director the Option may be exercised for a period of five (5) years after the date of cessation unless cessation is caused by reason of disability or death in which case the option may be exercised for a period of two (2) years. In the case of death the Option may be exercised within such period by the estate or heirs of the Optionee. The above exercise periods do not extend the option period as established at time of grant.

SECTION 6

TERM OF THE PLAN AND OPTION PERIOD:

(a) The Plan shall automatically terminate on December 1, 2016, which is within ten years from the Date of Adoption. No Options shall be granted after the date of such termination. However, the Plan shall remain in effect as to all outstanding Options until the outstanding Options are exercised, canceled, terminated or lapsed.

(b) Such termination shall not adversely affect Options previously granted.

(c) Subject to the provisions of the Plan with respect to death, disability, retirement, termination of employment, or otherwise, the maximum period during which each Option shall be exercised shall be fixed by the Committee, except for Non-employee directors, at the time each such Option is granted, but in no event shall it exceed ten years from the

date of such grant.

SECTION 7

OTHER PROVISIONS:

The Committee may grant either Incentive Stock Options or Nonqualified Stock Options to employees. Where an Incentive Stock Option and a Nonqualified Stock Option are

C-5

awarded by the Committee, such Options shall constitute separate grants and shall clearly be identified as such. In no event will the exercise of one such Option affect the right to exercise the other such Option. If an Incentive Stock Option is awarded, absolutely all terms and conditions making it so must be complied with by the Company and the Optionee.

(a) **OPTION PRICE:** The Option price for shares of Common Stock of the Company shall be one hundred percent (100%) of the fair market value of such Common Stock on the date the Option is granted. For the purposes of this Plan, such fair market value shall be determined (i) in case the Common Stock shall not then be listed and traded upon a recognized securities exchange, upon the basis of the mean between the bid and asked quotations for such stock on the date of grant (as reported by a recognized stock quotation service) or, in the event that there shall be no bid or asked quotations on the date of grant, then upon the basis of preceding the date of grant, or (ii) in the case the Common Stock shall then be listed and traded upon a recognized securities exchange, upon the basis of the mean between the highest and lowest selling prices at which shares of the Common Stock were traded on such recognized securities exchange on the date of grant or, if the Common Stock was not traded on said date, upon the basis of the mean of such prices on the date nearest preceding the date of grant, and upon any other factors which the Committee shall deem appropriate.

(b) **MAXIMUM OPTION GRANTS:** The aggregate fair market value (determined at the time the Option is granted) of the stock with respect to which Incentive Stock Options are exercisable for the first time by such individual during any calendar year (under all such plans of the Company and its parent and subsidiary corporations, if any) shall not exceed \$100,000. Options granted in excess of the applicable statutory limit shall be treated as Nonqualified Stock Options. No Optionee may be granted Options in any fiscal year to purchase an aggregate number of shares in excess of 25,000 Common Shares per Optionee.

(c) **EXERCISE OF OPTIONS:** Each Option granted under the Plan shall be exercisable at the Option price set forth in the Agreement, on such date or dates during such Option Period (not exceeding ten years from the date of such grant) and for such number of shares as determined by the Committee and as is set forth in the Agreement with respect to such Option. However, no Option granted hereunder to any employee may be exercised except in the case of death, disability or retirement pursuant to any pension or retirement plan of the Company, until two years of continued employment with the Company has elapsed. Any Optionee desiring to exercise any Option hereunder shall give written notice to the designated financial officer of the Company and include therein full payment for the shares supporting such Option. Full payment of the exercise

C-6

price including any tax due is to be made in cash, with the stock of the Company or with a combination of both. Notice is only valid when full payment is included therewith.

(d) **TRANSFERABILITY OF OPTIONS:** An Option granted under the Plan may not be transferred except by will or the laws of descent and distribution, and during the lifetime of the Optionee shall only be exercisable by the Optionee. The Optionee shall have no interest in the stock subject to Options and shall have no rights until the shares are fully paid for and certificates for such stock are issued to the Optionee.

(e) **PAYMENT FOR SHARES:** No shares shall be issued to any Optionee until notice, as defined in Section 7(c) has been given to the Company. Within 45 days after the receipt of said notice to exercise the Option, the Company shall deliver to the Optionee certificates representing all stock purchased thereunder.

(f) **RESTRICTION ON SALE OF SHARES:** Any stock received pursuant to the exercise of an Incentive Stock Option which is sold within either: 1) two years from the effective date of the Option grant, or 2) within one year of the effective date of exercise, shall not be afforded the tax treatment of Incentive Stock Options. However, if any Optionee disposes of shares of Common Stock of the Company acquired on the exercise of an Incentive Stock Option by sale or exchange, either: 1) within two years after the date of the Option grant of the Incentive Stock Option under which the stock was acquired, or 2) within one year after the acquisition of such shares, the Optionee shall notify the Company of such disposition and of the amount realized upon such disposition.

(g) If any Option is not granted, exercised or held pursuant to the provisions of this Section, it will be considered to be a Nonqualified Stock Option to the extent that any or all of the Option grant or exercise is in conflict with the above restrictions.

SECTION 8

DEATH, RETIREMENT AND TERMINATION OF EMPLOYMENT:

Any Option granted to an employee, the period of which has not lapsed or expired, shall terminate at the time of the death of the Optionee to whom the Option was granted or on the retirement or termination for any reason of such Optionee's employment with the Company, and no shares may thereafter be delivered pursuant to such Option, except that:

(a) within two years after the date of the Optionee's death, during which two year period the Option may be exercised by the Optionee's estate, legal representative, or legatee or such other person designated by an appropriate court as the person entitled to

C-7

exercise such Option but only to the extent the Optionee was entitled to exercise it at the time of death. The Option must be exercised in the manner provided for in Section 7(c).

(b) within five years after termination of employment by reason of retirement pursuant to any pension or

retirement plan of the Company or cessation of serving as a non-employee Director and to the extent the Optionee would have been able to exercise it at the time of such termination or cessation. The Option must be exercised in the manner provided for in Section 7(c).

(c) within two years after termination of employment by reason of disability to the extent the Optionee would have been able to exercise it at the time of such termination. The Option must be exercised in the manner provided for in Section 7(c).

Nothing in this Section 8 shall extend the option period as established at time of grant.

SECTION 9

AMENDMENT OF THE PLAN:

The Board of Directors may amend, suspend or discontinue the Plan, but may not, without the approval of the Company's shareholders, make any amendment which would:

(a) abolish the Committee, change the qualifications of its members, or withdraw the administration of the Plan from its supervision, or permit any person while a member of the Committee to become eligible to participate in the Plan subject to Section 5(e);

(b) make any material change in the class of eligible employees as defined in the Plan;

(c) increase the aggregate number of shares for which Options may be granted under the Plan;

(d) extend the term of the Plan or the maximum Option Period; or

(e) change the right of any Non-employee director to receive automatic non-discretionary grants of Options under this Plan. The Plan provisions relating to grants to Non-employee directors shall not be amended more than once every six months, other than to comport with changes in the Internal Revenue Code, the Employee Retirement Income Security Act, or the rules thereunder.

C-8

REQUIREMENTS OF LAW:

(a) **WITHHOLDING TAXES:** The Company shall have the right to deduct from all payments under this Plan, in cash, or deduct from payroll wages, an amount necessary to satisfy any federal, state or local withholding tax requirements or otherwise.

(b) **GOVERNING LAW:** The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Minnesota.

(c) **AGREEMENT TO COMPLY WITH SECURITIES LAWS AND THE INTERNAL REVENUE CODE:** Before the Company delivers any stock purchased, the following written statement may be required from the Optionee:

I agree not to dispose of the shares purchased by me pursuant to the Flexsteel Industries, Inc. 2006 Stock Option Plan, otherwise than in compliance with the Securities Act of 1933, as amended, and rules and regulations promulgated thereunder and all other laws, rules and regulations applicable.

(d) If any term in this Plan pertaining to Incentive Stock Options does not conform to Section 422 of the Internal Revenue Code of 1986, as amended, those terms will be invalid and taken out of the Plan. However, removal of any invalid terms will not affect the remaining terms of the Plan.
