INFORMATION TO BE INCLUDED IN THIS REPORT

Explanatory Note: On January 30, 2012, Titan International (the “Company”) filed a Current Report on Form 8-K (the “Form 8-K”) with the Securities and Exchange Commission (“SEC”) to report that the Company had dismissed PricewaterhouseCoopers LLP (“PwC”) as its independent registered public accounting firm effective upon completion by PwC of its procedures on the financial statements of the Company as of and for the year ended December 31, 2011, and the filing of the related Form 10-K. This Current Report on Form 8-K/A (the “Form 8-K/A”) amends the Form 8-K to update the disclosures provided in the Form 8-K, and except as set forth herein, no other amendments to the Form 8-K are made by this Form 8-K/A.

Item 4.01 CHANGES IN REGISTRANT’S CERTIFYING ACCOUNTANT

The Company filed its Annual Report on Form 10-K for the year ended December 31, 2011 (the “Annual Report”) with the SEC on February 23, 2012. Effective upon such filing, PwC completed its audit of the Company’s consolidated financial statements for the year ended December 31, 2011 and was dismissed as the Company’s independent registered public accounting firm.

The report of PwC for the year ended December 31, 2011 did not contain an adverse opinion or disclaimer of opinion nor was such report qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audit of the Company’s financial statements for the year ended December 31, 2011, for the period January 31, 2012 through February 23, 2012, there were no disagreements between the Company and PwC on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in their report. Additionally, during the year ended December 31, 2011, for the period January 31, 2012 through February 23, 2012, there have been no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K, that were discussed with the Company’s Audit Committee.

A letter from PwC addressed to the Securities and Exchange Commission stating that it agrees with the above statements is filed herewith as Exhibit 16.1.

On January 30, 2012, the Company also indicated in the Form 8-K that it had selected Grant Thornton LLP as the Company’s independent registered public accounting firm for its fiscal year 2012 audit. The Company will request shareholder ratification of the appointment of

Grant Thornton LLP as the Company's independent registered public accounting firm at its 2012 annual meeting of shareholders. During the year ended December 31, 2011, as well as through February 23, 2012, neither the Company nor anyone acting on its behalf consulted Grant Thornton LLP regarding any of the matters described in Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-K.

We will not hold a meeting of our shareholders for a vote, nor will we solicit further written consents from our shareholders, because BioTime, as the holder of the majority of our outstanding Common Stock, has already executed the Written Consent. No other votes or consents of shareholders are required or necessary. In accordance with our Bylaws and the California Corporations Code, we are providing you with notice of the Shareholder Approval because your consent was not solicited. Only holders of record of our Common Stock at the close of business on the Record Date are entitled to notice of the Shareholder Approval by written consent.

No Dissenters' Rights of Appraisal

Shareholders do not have any dissenters' rights or appraisal rights in connection with the approval of the issuance of Warrant Shares upon exercise of the Warrants. Accordingly, shareholders will not have the opportunity to dissent from the Shareholder Approval and to receive an agreed or judicially appraised value for their shares of Common Stock.

Costs of the Information Statement

We are mailing this Information Statement to our shareholders who were holders of record of Common Stock as of the Record Date, and we will bear the costs associated therewith. We will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending the Information Statement to beneficial owners of our Common Stock.

THE OFFERING

The following is a summary of the two substantially similar forms of Securities Purchase Agreement, which we refer to collectively as the Purchase Agreement, dated August 29, 2016, by and between us and each of several institutional and accredited individual investors listed therein, or the Purchasers, who purchased units of Common Stock and Warrants in the Offering. The following descriptions of the Purchase Agreement and the Warrants do not purport to be complete and are qualified in their entirety by the full text of such documents, which are filed as Exhibits 4.1, 10.1 and 10.2, respectively, to our Current Report on Form 8-K filed with the Securities and Exchange Commission on August 29, 2016.

Purchase Agreement

On August 29, 2016, we sold an aggregate of 3,246,153 immediately separable units, with each unit consisting of one share of our Common Stock and one Warrant to purchase one share of Common Stock, at a price of \$3.25 per unit. The sales were made pursuant to the terms and conditions of the Purchase Agreement. The Purchasers included certain of our existing shareholders and we received gross proceeds of approximately \$10.5 million from the Offering.

Pursuant to the Purchase Agreement, we agreed to file by October 28, 2016 a resale registration statement on Form S-1, which we refer to as the Resale Registration Statement, with the Securities and Exchange Commission, or SEC, registering for sale under the Securities Act of 1933, as amended, or the Securities Act, the shares of Common Stock sold in the Offering and the Warrant Shares that may be issued if the Warrants are exercised. We agreed to use commercially reasonable efforts to cause the Resale Registration Statement to become effective by November 28, 2016 and to maintain the effectiveness of the Resale Registration Statement under the Securities Act until the earlier of (i) the date that all shares of Common Stock covered by the Resale Registration Statement have been sold or can be sold publicly without restriction or limitation under Rule 144 (including, without limitation, the requirement to be in compliance with Rule 144(c)(1)), or (ii) August 29, 2018. We will pay all fees and expenses incident to the registration of the Common Stock through the Resale Registration Statement but each Purchaser who sells shares of Common Stock or Warrant Shares under the Resale Registration Statement will bear any underwriting discounts and commissions and fees of brokers or dealers in connection with the sale.

Upon the occurrence of certain events, including our failure to file the Resale Registration Statement or have it declared effective by the SEC in accordance with the terms of the Purchase Agreement as described above, we will be obligated pay to the Purchasers, as liquidated damages, one percent (1.0%) of the aggregate purchase price of the shares of Common Stock and Warrant Shares then held by Purchasers on a monthly, pro-rated basis, until the earlier to occur of: (i) the event triggering such payment is cured; or (ii) the total payments to Purchasers equal six percent (6%) of the aggregate purchase price of the shares of Common Stock and Warrant Shares. Interest on any unpaid liquidated damages will accrue at the rate of one percent (1.0%) per month, pro-rated for partial months, until paid in full.

Warrants

The Warrants have an exercise price of \$3.25 per Warrant Share, will become exercisable on the earlier of November 28, 2016 or the effective date of the Shareholder Approval, and may be exercised for five years from the date they become exercisable. Any exercise of the Warrants prior to Shareholder Approval may only be “net” settled by cash payment. We have agreed to use reasonable best efforts to obtain the Shareholder Approval, including preparing, filing, and mailing this Information Statement. The Warrants may be exercised on a net “cashless exercise” basis, meaning that the value of a portion of Warrant Shares may be used to pay the exercise price (rather than payment in cash), in certain circumstances, including if the Resale Registration Statement is not effective when and as required by the Purchase Agreement. The exercise price and the number of Warrant Shares will be adjusted to account for certain transactions, including stock splits, dividends paid in Common Stock, combinations or reverse splits of Common Stock, or reclassifications of Common Stock.

Purpose of the Offering

We conducted the Offering for the purpose of raising equity capital that we need to continue conducting our business operations, including research and development of our proposed cancer diagnostic tests, establishing and seeking required regulatory certification of a diagnostic testing laboratory for our proposed cancer diagnostic tests, and to provide funds for working capital and general corporate purposes. We raised approximately \$10.5 million of gross proceeds through the sale of Common Stock and Warrants in the Offering. If the Warrants are exercised for cash in full, we would receive approximately an additional \$10.5 million upon receipt of payment of the exercise price.

The exercise of the Warrants will be at the discretion of the holders of the Warrants. Whether any particular holder determines to exercise the Warrants will depend upon a variety of factors that may be considered by the Warrant holder, including the differential between the market price of our Common Stock and the exercise price of the Warrants, the liquidity of the market for our Common Stock, the results of our research and development efforts, our ability to commercialize any cancer diagnostic tests that we may develop, the results of our operations generally, conditions in the equity markets, and our business prospects as determined by the Warrant holder, as well as the investment strategies, tax objectives and other matters particular to the Warrant holder. Accordingly, there is no certainty as to when or whether the Warrants will be exercised in whole or in part.

Effect of the Warrants on the Price of Our Common Stock

The issuance of a significant number of Warrant Shares upon the exercise of the Warrants may result in significant dilution to our shareholders and would result in our shareholders having a smaller percentage interest in the voting power, equity value, liquidation value, and aggregate book value of OncoCyte.

In connection with the Offering, we have agreed to file the Resale Registration Statement to register the Common Stock sold in the units and the Warrant Shares for resale to the public under the Securities Act. The influx of a substantial number of shares of Common Stock into the public market, including through sales by Warrant holders, could have a significant depressing effect on the market price of our Common Stock and the value of OncoCyte as a whole.

While the Warrants remain outstanding and unexercised, the potential of the future exercise of the Warrants and resale of the Warrant Shares may have an “overhang” effect on the market for our Common Stock, which could depress or have a limiting impact on the price at which our Common Stock will trade in the public market and the price at which we may be able to sell additional shares of Common Stock, or other securities exchangeable or convertible into Common Stock, in the future to meet our capital needs.

INTERESTS OF CERTAIN PERSONS ON MATTERS TO BE ACTED UPON

Except as provided below, none of our directors or executive officers, other than in his or her role as director or executive officer, had any substantial interest, direct or indirect, by security holdings or otherwise, in the Offering, which, to the extent such director, executive officer or associate of such director or executive officer is a stockholder of OncoCyte, is not shared by all other shareholders pro rata and in accordance with their respective stock ownership interests.

Don Bailey directly participated in the Offering by purchasing 230,769 units for \$750,000 in cash under the terms of a Purchase Agreement. Following completion of the Offering, Don Bailey joined our Board of Directors.
