Compliance with Section 16 of the Exchange Act

Section 16(a) of the Securities Exchange Act, as amended (the Exchange Act) requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Executive officers, directors and persons who beneficially own more than ten percent of our common stock are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of reporting forms furnished to us, we believe that all filing requirements under Section 16(a) of the Securities Exchange Act of 1934 applicable to our directors, officers and any persons holding 10% or more of our common stock with respect to our fiscal year ended January 31, 2006 were satisfied on a timely basis.

Audit Committee

Our board of directors has an audit committee comprised of Gilles Richard, Serge Beaudet and Dick Driggs. The audit committee makes recommendations to our board of directors regarding the independent auditors for our company, approves the scope of the annual audit activities of our independent auditors, review audit results and will have general responsibility for all of our auditing related matters.

The purpose of the Audit Committee is to assist our board of directors in the oversight of the integrity of the consolidated financial statements of our company, our company's compliance with legal and regulatory matters, the independent auditor's qualifications and independence, and the performance of our company's independent auditors. The primary responsibilities of the Audit Committee are set forth in its charter, and include various matters with respect to the oversight of our company's accounting and financial reporting process and audits of the consolidated financial statements of our company on behalf of our board of directors. The Audit Committee also selects the independent certified public accountants to conduct the annual audit of the consolidated financial statements of our company; reviews the proposed scope of such audit; reviews accounting and financial controls of our company with the independent public accountants and our financial accounting staff; and reviews and approves transactions between us and our directors, officers, and their affiliates.

Accordingly, the Audit Committee discusses with Schwartz Levitsky Feldman, our auditors, our audited financial statements, including among other things the quality of our accounting principles, the methodologies and accounting principles applied to significant transactions, the underlying processes and estimates used by our management in our financial statements and the basis for the auditor's conclusions regarding the reasonableness of those estimates, in addition to the auditor's independence.

Audit Committee Financial Expert

The Board of Directors has determined that Serge Beaudet qualifies as our financial expert under SEC rules. Mr. Beaudet is also independent under SEC rules.

Nominating Committee

We do not have a nominating committee of our Board of Directors, or a nominating committee charter. NASDAQ Marketplace Rule 4350(a)(1) permits foreign private issuers to follow home country practices in regards to certain requirements, including the requirement to adopt a nominating committee charter or Board resolution regarding nominations, as well as, the requirement to employ a nominating committee or independent directors in selecting and approving director nominees. We currently select and approve director nominees by vote of our entire Board of

Directors of which a majority of directors are independent, as is permitted under Canadian rules and regulations. Specifically, we are in compliance with applicable requirements under Canadian National Policy 58-201 *Corporate Governance Guidelines* in that we disclose on an annual basis and in prescribed form, in our management information circulation disseminated in connection with our annual shareholder meeting, the corporate governance practices that we have adopted, and such disclosure addresses matters relating in part to the composition and functioning of the Board and its committees.

Code of Ethics

Our board of directors adopted a Code of Ethics that covers all executive officers of our company and its subsidiaries. The Code of Ethics requires that senior management avoid conflicts of interest; maintain the confidentiality of information relating to our company; engage in transactions in shares of our common stock only in compliance with applicable laws and regulations and the requirements set forth in the Code of Ethics; and comply with other requirements which are intended to ensure that such officers conduct business in an honest and ethical manner and otherwise act with integrity and in the best interest of our company.

Any amendment of our Code of Ethics or waiver thereof applicable to any of our principal executive officer, principal financial officer and controller, principal accounting officer or persons performing similar functions will be disclosed on our website (www.dectron.com) within 5 days of the date of such amendment or waiver. In the case of a waiver, the nature of the waiver, the name of the person to whom the waiver was granted and the date of the waiver will also be disclosed. A copy of our Code of Ethics is attached hereto as Exhibit 14 to the Form 10K filed for the fiscal year ended January 31, 2004 and is incorporated herein by reference. Furthermore copies of our code of ethics are available at no charge from the Corporate Secretary upon written request to our head office.

Indemnification of Officers and Directors

Our Bylaws provide that we shall indemnify to the fullest extent permitted by Canadian law our directors and officers (and former officers and directors). Such indemnification includes all costs and expenses and charges reasonably incurred in connection with the defense of any civil, criminal or administrative action or proceeding to which such person is made a party by reason of being or having been our officer or director if such person was substantially successful on the merits in his or her defense of the action and he or she acted honestly and in good faith with a view to our best interests, and if a criminal or administrative action that is enforced by a monetary penalty, such person had reasonable grounds to believe his or her conduct was lawful.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted, our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses, incurred or paid by one of our directors, officers or controlling persons in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person, we will, unless our counsel opines that the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by us is against public policy as expressed in the Securities Act of 1933, as amended, and we will be governed by the final adjudication of such issue.
