Item 2.05. Costs Associated with Exit or Disposal Activities

Edgar Filing: CONAGRA FOODS INC /DE/ - Form 8-K/A

ConAgra Foods previously filed a Form 8-K dated February 2, 2006 on its plan, authorized by its board of directors, providing for (a) the divestment of most of its refrigerated meat businesses, including the Armour, Butterball and Eckrich brands, and (b) changes designed to streamline its operating structure, including moving its Grocery Foods headquarters from Irvine, California to Naperville, Illinois and further centralizing its shared services. The company is filing this amendment to the Form 8-K to provide its estimates of accounting charges it will take in connection with the plan.

In connection with the changes designed to streamline its operating structure, including moving its Grocery Foods headquarters from Irvine, California to Naperville, Illinois, further centralizing its shared services, and projects designed to reduce its manufacturing costs, the company expects to take pre-tax accounting charges estimated to be approximately \$183 million, including approximately \$75 million of non-cash charges. The company estimate of the accounting charges is as follows:

Type of Cost -----	Estimate (\$ millions) -----
Severance and related	\$ 37
Accelerated depreciation	54
Restructuring plan implementation costs	66
Assets impairments	14
Inventory charges	3
Contract and lease termination	1
Other	8

Total	\$ 183 =====

Projects identified to date are expected to be substantially completed by early fiscal 2008.

Item 2.06. Material Impairments

In addition to the divestiture of most of its refrigerated meat businesses, the company also announced plans to divest its domestic and imported cheese businesses. In connection with those divestitures, the company also expects it will record a pre-tax non-cash charge of approximately \$170 million to adjust the book value of the assets to be sold, including related goodwill. In addition, in connection with the sale of its Cook's Ham, seafood and other businesses, the company expects to record aggregate pre-tax gains in the range of \$100 million to \$110 million over the next several quarters.
