## PURSUANT TO GENERAL INSTRUCTION E

This registration statement on Form S-8 registers additional common shares for issuance under the Registrant's 1999 Stock Option Plan, as Amended April 5, 2006 (the "Plan"). Pursuant to the terms of the Plan, 1,000,000 additional shares were added to the Plan as a result of an amendment to the Plan approved by the Board of Directors on April 5, 2006, which was subsequently approved by shareholders on May 16, 2006. As a result of a two-for-one stock split approved by the Board of Directors payable to shareholders of record as of May 30, 2006 in the form of a stock dividend on June 14, 2006, the 1,000,000 common shares added to the Plan pursuant to the amendment was increased to 2,000,000 common shares. Pursuant to Rule 429(a) under the Securities Act, the reoffer prospectus included in this Registration Statement is a combined prospectus which also relates to any unsold common shares issued under the Plan to the selling shareholders named therein and registered under the Registrant's registration statement on Form S-8 (Registration No. 333-51494) filed by the Registrant with the SEC on December 8, 2000.

#### PLAN OF DISTRIBUTION

As used in this prospectus, selling shareholders includes the selling shareholders named above and their donees, pledgees, transferees or other successors in interest selling shares received from named selling shareholders as a gift, partnership distribution or other non-sale-related transfer after the date of this prospectus. We have been advised that the selling shareholders may effect sales of shares directly, or indirectly by or through underwriters, agents or broker-dealers, and that the shares may be sold by one or a combination of the following methods:

- o one or more block transactions, in which the broker or dealer so engaged will attempt to sell the common shares as agent but may position and resell a portion of the block as principal to facilitate the transaction, or in crosses, in which the same broker acts as an agent on both sides of the trade;
- o purchases by a broker-dealer or market maker, as principal, and resale by the broker-dealer for its account;
- o ordinary brokerage transactions or transactions in which a broker solicits purchases;
- o on the New York Stock Exchange or on any other national securities exchange or quotation service on which our common shares may be listed or quoted at the time of the sale;
- o in the over-the-counter market;
- o through the writing of options, whether the options are listed on an options exchange or otherwise;

- o through distributions to creditors and equity holders of the selling shareholders; or
- o any combination of the foregoing, or any other available means allowable under applicable law.

We will bear all costs, expenses and fees in connection with the registration and sale of the common shares covered by this prospectus, other than underwriting discounts and selling commissions. We will not receive any proceeds from the sale of the shares of our common shares covered hereby. The selling shareholders will bear all commissions and discounts, if any, attributable to sales of the shares. The selling shareholders may agree to indemnify any broker-dealer or agent that participates in transactions involving sales of the shares against certain liabilities, including liabilities arising under the Securities Act.

The selling shareholders may sell the shares covered by this prospectus from time to time, and may also decide not to sell all or any of the shares they are allowed to sell under this prospectus. The selling shareholders will act independently of us in making decisions regarding the timing, manner and size of each sale. The selling shareholders may effect sales by selling the shares directly to purchasers in individually negotiated transactions, or to or through broker-dealers, which may act as agents or principals. The selling shareholders may sell their shares at fixed prices, at market prices prevailing at the time of sale, at prices related to such prevailing market prices, at varying prices determined at the time of sale, or at privately negotiated prices.

Additionally, the selling shareholders may engage in hedging transactions with broker-dealers in connection with distributions of shares or otherwise. In those transactions, broker-dealers may engage in short sales of shares in the course of hedging the positions they assume with selling shareholders. The selling shareholders also may sell shares short and redeliver shares to close out such short positions. The selling shareholders may also enter into option or other transactions with broker-dealers which require the delivery of shares to the broker-dealer. The broker-dealer may then resell or otherwise transfer such shares pursuant to this prospectus. The selling shareholders also may loan or pledge shares to a broker-dealer. The broker-dealer may sell the shares so loaned or pledged pursuant to this prospectus.

The selling shareholders may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by the selling shareholders or borrowed from the selling shareholders or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from the selling shareholders in settlement of those derivatives to close out any related open

## Edgar Filing: LEUCADIA NATIONAL CORP - Form S-8

borrowings of stock. The third party in such sale transactions will be an underwriter and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment).

Broker-dealers or agents may receive compensation in the form of commissions, discounts or concessions from selling shareholders. Broker-dealers or agents may also receive compensation from the purchasers of shares for whom they act as agents or to whom they sell as principals, or both. Compensation as to a particular broker-dealer might be in excess of customary commissions and will be in amounts to be negotiated in connection with transactions involving shares. In effecting sales, broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in the resales.

In connection with sales of our common shares covered hereby, the selling shareholders and any broker-dealers or agents and any other participating broker-dealers who execute sales for the selling shareholders may be deemed to be "underwriters" within the meaning of the Securities Act. Accordingly, any profits realized by the selling shareholders and any compensation earned by such broker-dealers or agents may be deemed to be underwriting discounts and commissions. Because selling shareholders may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act, the selling shareholders will be subject to the prospectus delivery requirements of that act. We will make copies of this prospectus (as it may be amended or supplemented from time to time) available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements. In addition, any shares of a selling shareholder covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold in open market transactions under Rule 144 rather than pursuant to this prospectus.

The selling shareholders will be subject to applicable provisions of Regulation M of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations thereunder, which provisions may limit the timing of purchases and sales of any of our common shares by the selling shareholders. These restrictions may affect the marketability of such shares.

In order to comply with applicable securities laws of some states, the shares may be sold in those jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirements is available.

To the extent necessary, we may amend or supplement this prospectus from time to time to describe a specific plan of distribution. We will file a supplement to this prospectus, if required, upon being notified by a selling shareholder that any material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer. The supplement will disclose the name of each such selling shareholder and of the participating broker-dealer(s); the number of shares involved; the

price at which such shares were sold; the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable; that such broker-dealer(s) did not conduct any investigation to verify the information

#### ITEM 6. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

The registrant is a New York corporation. Sections 722 through 725 of the New York Business Corporation Law (the "Business Corporation Law") provide that a corporation may indemnify, with certain limitations and exceptions, a director or officer as follows: (1) in a derivative action, against his reasonable expenses, including attorneys' fees but excluding certain

settlement costs, actually and necessarily incurred by him in connection with the defense thereof, or an appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in (or in the case of service for another corporation, not opposed to) the best interests of the

corporation; and (2) in a civil or criminal non-derivative action or proceeding including a derivative action by another corporation, partnership or other enterprise in which any director or officer of the indemnifying corporation served in any capacity at the indemnifying corporation's request, against judgments, fines, settlement payments and reasonable expenses, including attorneys' fees, incurred as a result thereof, or any appeal therein, if such director or officer acted in good faith, for a purpose which he reasonably believed to be in (or, in the case of service for any other corporation, not opposed to) the best interests of the corporation and, in criminal actions and proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful. Such indemnification is a matter of right where the director or officer has been successful on the merits or otherwise, and otherwise may be granted upon corporate authorization or court award as provided in the statute.

Section 721 of the Business Corporation Law provides that indemnification arrangements can be established for directors and officers, by contract, by-law, charter provision, action of shareholders or board of directors, on terms other than those specifically provided by Article 7 of the Business Corporation Law, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he personally gained in fact a financial profit or other advantage to which he was not legally entitled. Article V of the Company's By-Laws provides for the indemnification, to the full extent authorized by law, of any person made or threatened to be made a party in any civil or criminal action or proceeding by reason of the fact that he, his testator or intestate is or was a director or officer of the Company.

Section 726 of the Business Corporation Law provides that a corporation may obtain insurance to indemnify itself and its directors and officers. The Company maintains an insurance policy providing both directors and officers liability coverage and corporate reimbursement coverage.

Article Sixth of the Company's Certificate of Incorporation contains a charter provision eliminating or limiting director liability for monetary damages arising from breaches of fiduciary duty, subject only to certain limitations imposed by statute.

### ITEM 9. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

## Edgar Filing: LEUCADIA NATIONAL CORP - Form S-8

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Sections 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

(4) that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Sections 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or

II-4

paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
