The cost of solicitation will be borne by the Company.

INFORMATION ON VOTING

RECORD DATE FOR NOTICE OF ANNUAL AND SPECIAL MEETING AND PROVISIONS RELATING TO VOTING

The Board of Directors has fixed April 23, 2004 as the record date for the Meeting. Accordingly, each holder of Common Shares of record on that date is entitled to one vote for each Common Share shown as registered in the shareholder's name on the list of shareholders prepared as of April 23, 2004.

APPOINTMENT AND DELIVERY OF PROXIES

The persons named in the accompanying Proxy are directors and officers of the Company. A shareholder has the right to appoint a person, who need not be a shareholder of the Company, other than the persons designated as proxyholders in the accompanying Proxy, to attend and act on behalf of the shareholder at the Meeting. To exercise this right, a shareholder may either insert such other person's name in the blank space provided in the accompanying Proxy, or complete another appropriate form of proxy.

To be valid, a Proxy must be dated and signed by the shareholder or his attorney authorized in writing. The Proxy, to be acted upon, must be deposited with the Company c/o its transfer agent, Computershare Trust Company of Canada, c/o Stock & Bond Transfer Dept., 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, by 4:30 p.m., Eastern Daylight Saving Time, on Wednesday, June 2, 2004 or 4:30 p.m. on the last business day prior to the date of any adjournment of the Meeting, or with the chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting prior to the commencement of the Meeting or the adjournment, as the case may be.

VOTING BY PROXY

For the purpose of voting by Proxy, proxies marked as "WITHHOLD" will be treated as present for the purpose of determining a quorum but will not be counted as having been voted in respect of any matter to which the instruction to "WITHHOLD" is indicated.

On any ballot that may be called for regarding the matters listed in the Notice of Annual and Special Meeting and in the Proxy, the Common Shares represented by the accompanying Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder indicated thereon by marking an "X" in the boxes provided for the purpose on the Proxy. Shares represented by broker "non-votes" will, however, be counted in determining whether there is a quorum.

EXERCISE OF DISCRETION BY PROXIES

The person appointed as proxyholder has discretionary authority and may vote the Common Shares represented thereby as such person considers best with respect to amendments or variations to matters identified in the Notice of Annual and Special Meeting, and with respect to any other matter which may properly come before the Meeting. ELECTION OF DIRECTORS

The Company's articles permit the Company to have between one and 15 directors, with the actual number determined by the Board of Directors. The number of directors presently in office is eight.

At the Meeting, shareholders will be asked to approve the election of directors, by ordinary resolution, which requires that a majority of the votes cast at the Meeting be in favour of the resolution for the election of nominees. IN THE ABSENCE OF ANY INSTRUCTION ON THE ACCOMPANYING PROXY, IT IS THE INTENTION OF THE PERSONS NAMED BY MANAGEMENT IN THE PROXY TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE RESOLUTION.

PENSION PLANS

The Company maintains defined contribution employee pension plans for its employees, including its executive officers. The Company makes contributions to these plans on behalf of employees in an amount up to 5% of their base salary subject to certain prescribed maximums. During the fiscal year ended December 31, 2003, the Company contributed an aggregate of \$23,400 to the Company's defined contribution employee pension plan qualified under Section 401(k) of the U.S. Internal Revenue Code on behalf of Messrs. Gelfond, Wechsler, Foster, Joyce, Lister and Keighley.

On July 12, 2000, the Company established a defined benefit pension plan covering its two Co-Chief Executive Officers. The plan provides for a lifetime retirement benefit from age 55 determined as 75% of the member's best average 60 consecutive months of earnings during the 120 months preceding retirement. Once benefit payments begin, the benefit is indexed annually to the cost of living and further provides for 100% continuance for life to the surviving spouse. The benefits were 50% vested as of July 12, 2000, the plan initiation date. The vesting percentage increases on a straight-line basis from inception until age 55. The vesting percentage of a member whose employment terminates other than by voluntary retirement shall be 100%. Also, upon the occurrence of a change in control of the Company prior to termination of a member's employment, the vesting percentage shall become 100%. The Company currently estimates that the annual benefits upon retirement at normal retirement age (as defined in the plan) will be approximately \$1.0 million for each of the Co-Chief Executive Officers. The Company intends to use the proceeds of life insurance policies which were taken out contemporaneously with the establishment of the plan to satisfy, in whole or in part, benefits due and payable under the plan.

EMPLOYMENT CONTRACTS

On November 3, 1998 the Company entered into renewal employment agreements (the "1998 Agreements") with each of Messrs. Gelfond and Wechsler ("the Executives") with effect from July 1, 1998 for a three-year term. Under the 1998 Agreements, each of the Executives is to perform such services with

Edgar Filing: IMAX CORP - Form DEF 14A

respect to the Company's business as may be reasonably requested from time to time by the Board of Directors and which are consistent with his position as Co-Chief Executive Officer. In addition, the Company is to use its best efforts to cause the Executives to be elected to the Board of Directors. In addition, a provision contained in their original employment agreements, dated March 1, 1994, was continued, whereby each of the Executives is also entitled to receive, upon a sale of the Company, a cash bonus in an amount equal to the product of (a) 0.375% and (b) the amount by which the sale or liquidation transaction imputes an equity value in excess of Cdn. \$150,000,000 to the Common Shares originally issued by the Company (on a fully diluted basis but excluding the Common Shares issued upon the conversion of the Class B convertible preferred shares of the Company formerly outstanding which were converted into Common Shares on June 16, 1994 and the Common Shares issuable upon the exercise of warrants owned by each of Messrs. Gelfond and Wechsler). Under the 1998 Agreements, the Company is to equalize the Executives to the taxes which each of the Executives would have paid had he earned his employment compensation and paid taxes thereon solely in the United States. The employment agreements also contain non-competition provisions.

In 2003, a payment of \$775,000 was made to each Executive to reflect the value of the cancellation of 100,000 of the phantom stock granted in 2000. Under the 2000 Amendments, the Company agreed to create a defined benefit plan, to provide retirement benefits for the Executives (see description of this plan under "Pension Plans" above). BUSINESS CONDUCT AND CORPORATE ETHICS POLICY

The Company has a Code of Ethics applicable to all employees, including the Company's Co-Chief Executive Officers, Chief Financial Officer and Controller and all other persons performing similar functions. A copy of the Code of Ethics is available, without charge, at www.imax.com or upon written request to the Company at IMAX Corporation, 2525 Speakman Drive, Mississauga, Ontario, Canada, L5K 1B1, Attention: Corporate Secretary. Any amendments to, or waivers of, the Code of Ethics, which specifically relate to any financial professional will be disclosed promptly following the date of such amendment or waiver.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2003, three members of the Board of Directors served as members of the Compensation Committee: Messrs. Girvan, Fuchs and Koffler (until September 10, 2003, when Mr. Koffler resigned from the Board of Directors).

The law firm of McCarthy Tetrault, of which Mr. Girvan is a senior partner, provided legal services to the Company on several matters in 2003 and is expected to provide legal services in 2004.

No executive officers of the Company serve on boards of directors or compensation committees of any other entities that had or have had one or more of its executive officers serving as a member of the Company's Board of Directors.

REPORT ON EXECUTIVE COMPENSATION

COMPOSITION OF COMPENSATION COMMITTEE

The Board of Directors constituted a Compensation Committee in November 1996. The current members of the Compensation Committee are Messrs. Girvan and Fuchs. As the Compensation Committee did not participate in executive

Edgar Filing: IMAX CORP - Form DEF 14A

compensation decisions in respect of 2003 other than the compensation of Messrs. Gelfond and Wechsler, the compensation of the Company's employees was established through guidelines set by the Board of Directors.

Compensation for all of the Company's employees, including its Named Executive Officers, is based on each employee's job responsibilities and on his or her individual performance over time. The Company's executive compensation program has three principal components: base salary, annual variable incentive compensation and stock options. The Company believes these components collectively provide a fair and competitive pay package and an appropriate relationship between an executive's compensation, the executive's performance and the Company's performance.

BASE SALARY

A salary range is established for each salaried position in the Company, including each Named Executive Officer position other than the Executives. The midpoint of each salary range is generally equal to the average salary of equivalent positions at other comparable companies. Each executive officer's base salary is determined by reviewing his or her sustained job performance over time, based on individual performance and performance of the business or staff unit over which the executive officer exercises responsibility. Business or staff unit performance is assessed on return on total capital, achievement of sales or production targets, effectiveness of cost-containment measures, progress toward implementation of process improvements and other factors relevant to each executive officer's position. The relative weight attributed to each factor, with respect to each executive officer, is an inherently subjective judgement.

ANNUAL INCENTIVE COMPENSATION

Certain employees of the Company, including most of its executive officers other than the Co-Chief Executive Officers, receive a portion of their annual compensation in the form of bonuses under the Management Incentive Plan. Bonuses are awarded under this plan provided annual operating objectives targets are achieved by the Company and provided that personal performance standards are achieved by the participating employees. An aggregate of \$1,539,987 has been paid to all employees participating in this plan in respect of 2003.

STOCK OPTIONS

The Company's long-term incentive compensation for executive officers and other key managers is provided through grants of stock options. The Company has a stock option plan (the "Stock Option Plan") under which the Company may grant options to officers, employees, consultants and eligible directors (the "Participants") to purchase Common Shares on terms that may be determined, within the limitations of the Stock Option Plan. The Stock Option Plan has received shareholder approval and is administered by the Option Committee of the Board of Directors. The number of stock options granted is determined by a competitive compensation analysis and is based on each individual's salary range and responsibility.

All grants pursuant to the Stock Option Plan are made with an exercise price equal to the fair market value of the Company's Common Shares on the date of grant. An option will be exercisable for a maximum period of 10 years from the date of grant, subject to earlier termination if the Participant's employment, consulting arrangement or term of office with the Company terminates. The Board of Directors determines vesting requirements. If a

Edgar Filing: IMAX CORP - Form DEF 14A

Participant's employment, consulting arrangement or term of office with the Company terminates for any reason, any options which have not vested will generally be surrendered for cancellation without any consideration being paid therefor. If the Participant's employment, consulting arrangement or term of office is terminated without cause or by reason of such Participant's resignation, death or permanent disability, the Participant (or the Participant's estate) will generally be entitled to exercise the Participant's vested options for a period thereafter. If the Participant's employment, consulting arrangement or term of office is terminated for cause, such Participant's vested options will be surrendered for cancellation without any consideration being paid therefor. If the Participant is a party to an employment agreement with the Company or any of its subsidiaries and breaches any of the restrictive covenants in such agreement, such Participant will be required to surrender all unexercised options for cancellation without any consideration being paid therefor and will be obligated to pay to the Company an amount equal to the aggregate profit realized by such Participant with respect to any prior option exercises. Options to purchase 5,677,806 Common Shares have been granted and are outstanding under the Stock Option Plan as of December 31, 2003. Of those outstanding options, 31.1%, or 1,765,638 options, have exercise prices above \$20 per option. Under the terms of the Stock Option Plan, the maximum number of Common Shares that the Company may issue under options is 7,877,601 Common Shares as of December 31, 2003. In 2003, 259,163 options were cancelled by or forfeited to the Company. During 2003, stock options were granted to certain of the Company's executive officers and other Stock Option Plan Participants. Certain Named Executive Officers received options to purchase Common Shares of the Company, as detailed in the "Options Granted" Table above. In determining the number of options to grant to the Named Executive Officers, consideration was given to information about stock option grants to executive officers in comparable companies and the number of options granted to other executive officers.

COMPENSATION OF CO-CHIEF EXECUTIVE OFFICERS

The Compensation Committee of the Board of Directors makes recommendations to the Board of Directors regarding the compensation of the Co-Chief Executive Officers, Messrs. Gelfond and Wechsler. The pay-for-performance philosophy of the Company's executive compensation program applies equally to the Co-Chief Executive Officers. The compensation of the Co-Chief Executive Officers was recommended by the Compensation Committee and approved by the Board of Directors after careful assessment of their personal contributions to the performance of the Company. The assessment of the Co-Chief Executive Officers' performance was based on a number of quantitative and qualitative factors, which included corporate financial results and strategic planning.

The foregoing Report on Executive Compensation, dated April 29, 2004, has been furnished by G.M. Girvan and M. Fuchs, as members of the Compensation Committee and by N.S. Braun, K.G. Copland, M. Fuchs, G.M. Girvan, D.W. Leebron and M.A. Utay, as members of the Board of Directors.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

As contemplated under Section 124 of the Canada Business Corporations Act, the Company has acquired insurance coverage with a yearly limit of \$70,000,000 in respect of potential claims against its directors and officers and in respect of losses for which the Company may be required or permitted by law to indemnify such directors and officers. The insurance, in respect of which a \$1,338,184 yearly premium was paid by the Company, includes a \$100,000 deductible for each claim under the policy other than claims made under U.S. securities law as to which a deductible of \$500,000 applies.

DIRECTORS' COMPENSATION

Directors are reimbursed for expenses incurred in attending meetings of the Board of Directors and Committees of the Board. In addition, members of the Board of Directors who are not also employees of the Company receive Cdn. \$20,000 per year (or may elect to receive options to purchase Common Shares of the Company in lieu of this payment) plus Cdn. \$1,500 for each meeting of the Board of Directors attended in person and Cdn. \$750 for each telephone meeting of the Board of Directors or meeting of any committee of the Board of Directors, whether participating in person or by telephone. In addition, each of the directors who are not also employees of the Company are granted options annually to purchase 8,000 Common Shares, in accordance with the Stock Option Plan, at an exercise price equal to the market value of the Common Shares of the Company on the date of grant which vest on the date of grant and expire on the earlier of the date which is two years after the termination of the Optionee's service as a director of the Company or seven years after the date of the grant.

CORPORATE GOVERNANCE

Over the last few years, there have been extensive regulatory changes based on reforms arising out of the Sarbanes Oxley Act of 2002 ("SOX"), the reforms of the SEC, the new listing requirements of the Nasdaq Stock Market, the newly promulgated and/or proposed reforms of the Ontario Securities Commission and the proposed amendments to the guidelines for improved corporate governance of the TSX (the "TSX Guidelines"). With shares listed on the TSX and Nasdaq, the Company reviews its governance policies and practices against these standards under the direction of its Board of Directors and Governance Committee.

The TSX passed a by-law in 1995 which requires companies incorporated in Canada and listed on the TSX to disclose their corporate governance practices in their annual meeting materials. This by-law contains a number of guidelines relating to corporate governance practices which have been considered in light of the unique opportunities and challenges facing the Company, as well as the nature of its share ownership. Appendix "A" to this Circular describes the Company's various governance practices with reference to the TSX Guidelines and,

Edgar Filing: IMAX CORP - Form DEF 14A

where applicable, with the Nasdaq rules, as these rules have been approved by the SEC.

The Board has assumed responsibility for identifying and recommending candidates for election to the Board and believes, considering the size and composition of the Board, that this is the most efficient means to identify nominees for election to the Board of Directors. Such candidates are then nominated for election by majority of independent directors. The Company had previously established a nominating committee in accordance with an agreement concerning various matters of corporate governance with a former shareholder. This shareholder disposed of its shares in the Company in 2003 and, subsequently, the committee was disbanded. The Board has not adopted a formal charter regarding the nominating function. The Board evaluates potential new candidates for the Board of Directors on an ongoing basis in light of opportunities and risks facing the Company, and the competencies, skills and personal qualities that are desirable to add value to the Company. Candidates are identified from a number of sources including recommendations from Board members.

COMMITTEES OF THE BOARD

The Board of Directors has delegated some of its duties to four specific committees of the Board: Audit Committee, Compensation Committee, Governance Committee and Option Committee. Each of these committees are appointed annually and has a written mandate which sets out its principal duties and responsibilities.

AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Girvan, Copland and Utay. Nasdaq now requires that as of the date of the Meeting, all members of the Audit Committee must be independent directors as defined in Rule 4200 (a)(15) of the National Association of Securities Dealers ("NASD") listing standards and that they must have an understanding of financial statements and financial affairs. The Company is in the process of reconstituting the Audit Committee to ensure compliance with these rules by the required date. The Board had determined that Mr. Copland, an independent director, qualifies as an audit committee financial expert. The membership of the Audit Committee currently complies with the TSX Guidelines. The Audit Committee operates under a written mandate, the Audit Committee Charter, adopted by the Company's Board of Directors. A copy of the Audit Committee Charter is available at www.imax.com or upon written request to the Company at IMAX Corporation, 2525 Speakman Drive, Mississauga, Ontario, Canada, L5K 1B1, Attention: Corporate Secretary.

The Audit Committee meets with the external auditors of the Company, both with and without management present, to review the Company's accounting policies, its quarterly and year-end financial statement information and their presentation, and significant financial issues which may arise for the Company. The Audit Committee will review and assess the adequacy of the Audit Committee Charter on an annual basis.

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2003.

Based on the review and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K and the Company's Annual Information Form for the fiscal year ended December 31, 2003.

Edgar Filing: IMAX CORP - Form DEF 14A

the Company's principal operational and strategic risks and are continually working with management in the development of appropriate controls and procedures which constitute the Company's risk management systems. The Audit Committee has been delegated the responsibility to work with management and external professional advisors to review and if necessary improve, internal procedures and controls and to establish risk management processes. The principal risks to the business are identified in the Company's Annual Report on Form 10-K.

(c) Succession planning and monitoring senior management

The Company aligns with this Guideline. The Compensation Committee reviews and reports to the Board of Directors on succession issues relating to the Co-Chief Executive Officers. The Board of Directors, through the Compensation Committee, defines its expectations of the Co-Chief Executive Officers by establishing annual performance objectives, conducting annual performance assessments and establishing annual compensation and bonus levels based on actual performance to objectives. TSX CORPORATE GOVERNANCE GUIDELINE

COMMENTS

(e) Integrity of internal control and management information systems	The Company aligns with this Guideline. The Audit Committee is responsible for overseeing the Company's internal control structure over financial reporting. This responsibility includes monitoring and reviewing accounting controls, procedures and policies, information gathering systems and management reporting. The external auditors report to the Audit Committee, when requested, on matters relating to internal controls and procedures.
2. A majority of directors should be "unrelated" (free from conflict of interest)	The Company aligns with this Guideline. A majority of the directors (6 out of 8) are independent from management and free from any

Edgar Filing: IMAX CORP - Form DEF 14A

interest business or other relationship that could or could reasonably be perceived to, materially interfere with the director's ability to act in the Company's best interests (as such terms are used in the TSX Guidelines). The Board has determined that five of the six "unrelated directors" qualify as "independent directors", as that expression is defined in Rule 4200(a)(15) of the Nasdaq Rules.

3. Disclose, for each director, whether he or she is "related", and how that conclusion was reached

The Company aligns with this Guideline. A determination on an ongoing basis is made as to whether each director is an "unrelated director". In order to make that determination, all relationships of the directors with the Company are annually analyzed on the basis of answers given by each of the directors to a detailed questionnaire. Messrs. Wechsler and Gelfond cannot be qualified as "unrelated directors" since they are the Co-Chief Executive Officers of Company. The other directors, namely Messrs. In addition, the Audit Committee must meet separately with the Company's external auditors without management, at least once a year and more frequently as required, during which the Company's financial statements, internal controls and procedures are discussed.
