judgment.

Record Date, Outstanding Voting Securities, Voting Rights

Only shareholders of record at the close of business on June 25, 2004 will be entitled to receive notice of, and vote at, the Meeting and any adjournments or postponements thereof. As of June 24, 2004, there were 8,205,422 ordinary shares outstanding and eligible to vote at the Meeting. At the Meeting, each shareholder of record will be entitled to one vote for each ordinary share held by him in respect of each matter to be voted upon. The ordinary shares have a par value of NIS 1.00 per share

The presence, in person or by proxy, of two or more persons entitled to vote upon the business to be transacted at the Meeting, each being a shareholder, a proxy for a shareholder or a representative of a corporation, holding together more than 33-1/3% of the outstanding ordinary shares, is necessary to constitute a quorum at the Meeting. Pursuant to our Articles of Association, if, within half an hour from the time appointed for the holding of a general meeting, a quorum is not present, the meeting shall stand adjourned until the same day in the next week at the same time and place or any time and hour as the Directors shall designate and state in a notice to the members, and if, at such adjourned meeting, a quorum is not present within half an hour from the time appointed for holding the meeting any two shareholders present in person or by proxy shall constitute a quorum. This proxy shall constitute notice of such adjourned meeting and no additional notice shall be provided by us to the shareholders.

An affirmative majority of the votes cast is required to approve each of the items to be presented at the Meeting, other than Proposals 1(b), 1(c) and 7. Under the Israeli Companies Law, Items 1(b) and 1(c) with respect to the election of each of Anat Winner and Shaul Kobrinsky as external directors, requires the affirmative vote of the holders of majority of the ordinary shares represented at the Meeting, in person or by proxy and voting thereon, provided that (i) at least one third of the non-controlling shareholders represented and voting at the Meeting are included in the majority; or (ii) that the total shareholdings of the non-controlling shareholders who vote against their election do not represent more than 1% of the voting rights in our company. Item 7 with respect to the authorization of Mr. Jacob Even-Ezra, our Chairman of the Board of Directors, to serve concurrently as our Chief Executive Officer, requires the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, provided that such majority vote includes at least two-thirds of the ordinary shares represented at the Meeting in person or by proxy that are held by non-controlling shareholders.

Abstentions and broker "non-votes" are not counted in determining the outcome of the matter being acted upon or for the purpose of determining the special majority requirements detailed above. They are counted only for determining a meeting quorum. A broker "non-vote" occurs when a nominee holding ordinary shares of our company for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

We will bear the cost of soliciting proxies. Solicitation of proxies will be primarily by mail, but proxies may also be solicited by directors, officers, and our employees (who will not be specifically compensated for such services), by telephone or otherwise. Brokerage houses and other custodians, nominees, and fiduciaries that forward proxies and proxy materials to beneficial owners of

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

ordinary shares will be reimbursed for their expenses by us.

I. ELECTION OF DIRECTORS AND EXTERNAL DIRECTORS (Item 1A, 1B and 1C on the Proxy Card)

Our Articles of Association provide for a Board of Directors consisting of no less than three and no more than eleven members, as may be determined from time to time at a general meeting of our shareholders. At this time, management is recommending six nominees for election as directors and two nominees for election as External Directors, as defined by the Israeli Companies Law, 5739-1999 (the "Companies Law"). It is intended that proxies (other than those directing the proxy holders not to vote for the listed nominees or for certain of them) will be voted for the election of the six nominees for election as directors and the two nominees for election as External Directors named in the following table. Messrs. Even-Ezra, Dekel, Kirsh, Nuss and Perry currently serve as our directors.

Each director, other than the External Directors, will hold office until the next Annual General Meeting and until such Director's successor shall have duly taken office, unless such director's office is earlier vacated under any relevant provisions of our Articles of Association or pursuant to the requirements of applicable law. All the members of our Board of Directors (except the external directors as detailed below) may be reelected upon completion of their term of office. The initial term of each External Director is three years and may be extended for an additional three years.

In the event any of such nominees should be unable to serve, the proxies will be voted for the election of such other person or persons as shall be determined by the persons named in the proxy in accordance with their best judgment. We are not aware of any reason why any one of the nominees, if elected, would be unable to serve as a director.

3

Under Companies Law, each external director is required to serve on the company's audit committee. In addition, at least one external director must serve on each of our company's other committees.

Under the Companies Law and our Articles of Association, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for the election as directors of Messrs. Even-Ezra, Dekel, Kirsh, Nuss, Perry and Livne. The approval of the election as External Directors of Mrs. Anat Winner and Mr. Shaul Kobrinsky will require the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and voting thereon, provided that (i) at least one third of the non-controlling shareholders represented and voting at the Meeting are included in the majority; or (ii) that the total shareholdings of the non-controlling shareholders who vote against their election do not represent more than 1% of the voting rights in our company.

The following information is supplied with respect to each person nominated and recommended to be elected by our Board of Directors and is based upon our records and information furnished to it by the nominees. Reference is made to "Security Ownership of Certain Beneficial Owners and Management" for information pertaining to share ownership by the nominees.

Alternate Directors

Our Articles of Association provide that any director may, by written notice to us, appoint another person to serve as an alternate director, subject to the approval of the Board of Directors. Pursuant to the Companies Law, such alternate director may not be a person who is a current director or an alternate director of the company. The appointment of an alternate director is for one meeting or for another specified period or until notice is given of the cancellation of the appointment. To our knowledge, no director currently intends to appoint any other person as an alternate director, except if the director is unable to attend a meeting of the Board of Directors.

Board Meetings and Committees; Approval of Certain Transactions

During 2003, the Board of Directors held eight meetings. We are subject to the provisions of the Companies Law, which became effective on February 1, 2000 superseding most of the provisions of the Israeli Companies Ordinance (New Version), 5743-1983. The Companies Law authorizes the Minister of Justice to adopt regulations exempting from the provisions described below companies, such as us, whose shares are traded on Israeli as well as non-Israeli exchanges/markets.

External Directors

Under the Companies Law, companies incorporated under the laws of Israel whose shares have been offered to the public in Israel or outside of Israel are required to appoint two external directors. The Companies Law requires that the external directors be residents of Israel. However, the Minister of Justice of

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

the State of Israel has promulgated regulations exempting certain qualifying foreign companies, such as us, from the applicability of certain provisions of the Companies Law. The Companies Regulations (Concessions for Public Companies Whose Shares are Registered in a Stock Exchange Outside Israel), 5760-2000, as amended, defines "double foreign company" as a public company whose shares (i) have been offered to the public outside of Israel or were registered on a stock exchange outside of Israel prior to February 1, 2000 and (ii) were registered on a stock exchange in Israel after such date. Pursuant to these regulations, an external director of a double foreign company need not be an Israeli resident.

5

The Companies Law provides that a person may not be appointed as an external director if the person or the person's relative, partner, employer or any entity under the person's control, has, as of the date of the person's appointment to serve as an external director, or had, during the two years preceding that date, any affiliation with the company, any entity controlling the company or any entity controlled by the company or by this controlling entity. The term affiliation includes (i) an employment relationship, (ii) a business or professional relationship maintained on a regular basis, (iii) control and (iv) service as an officer holder. The Companies Law further provides that if, at the time the external directors are appointed, a company's board of directors is comprised solely of members of the same gender, then at least one of the external directors must be of a different gender than the other directors.

No person may serve as an external director if the person's position or other business creates, or may create, a conflict of interest with the person's responsibilities as an external director. Until the lapse of two years from termination of office, a company may not engage an external director to serve as an office holder and cannot employ or receive services from that person, either directly or indirectly, including through a corporation controlled by that person.

External directors are to be elected by a majority vote at a shareholders' meeting, provided that either (i) the majority of shares voted at the meeting, including at least one third of the shares of non-controlling shareholders voted at the meeting, vote in favor of the election or (ii) the total number of shares voted against the election of the external director does not exceed one percent of the aggregate voting rights in the company.

The initial term of an external director is for three years and may be extended for an additional three years. Each external director is required to serve on the company's audit committee. Each other committee of a company's board of directors is required to include at least one external director.

Audit Committee

Our Audit Committee, which was established in accordance with Section 114 of the Israeli Companies Law and Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our Board of Directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, finding any defects in the business management of our company for which purpose the Audit Committee may consult with our independent auditors and internal auditor, proposing to the Board of Directors ways to correct such defects, approving related-party transactions as required by Israeli law, and such other duties as may be directed by our Board of Directors.

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

Our Audit Committee consists of three board members who satisfy the "independence" requirements of the Securities and Exchange Commission, Nasdaq and Israeli Law for audit committee members. Our Audit Committee is currently composed of Messrs. Menachem Meron, Itzhak Hoffi and Jacob Nuss. In the event that Mr. Shaul Kobrinsky and Mrs. Anat Winner are elected to serve as our external directors at this Meeting, they will replace Messrs Menachem Meron and Itzhak Hoffi on our Audit Committee. The Audit Committee meets at least once each quarter. Mr. Jacob Nuss is our Audit Committee's financial expert, as defined in Item 401 of Regulation S-K.

Under Israeli law, an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two external directors are serving as members of the audit committee and at least one of the external directors was present at the meeting in which an approval was granted.

The Audit Committee reviewed our audited financial statements for the year ended December 31, 2003 and members of the Committee met with both management and our independent auditors to discuss those financial statements. Management and our independent auditors have represented to the Audit Committee that the financial statements were prepared in accordance with the U.S. generally accepted accounting principles. Members of the Audit Committee have received from and discussed with our independent auditors their written disclosure and letter regarding their independence from our company

6

as required by Independence Standards Board Standard No. 1. Members of the Audit Committee also discussed with our independent auditors any matters required to be discussed by Statement on Auditing Standards No. 61. Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 20-F for the year ended December 31, 2003.

Internal Auditor

Under the Companies Law, the board of directors must appoint an internal auditor proposed by the audit committee. The role of the internal auditor is to examine whether a company's actions comply with the law, integrity and orderly business procedure. Under the Companies Law, the internal auditor may not be an interested party, office holder, affiliate, or a relative of an interested party, office holder or affiliate, nor may the internal auditor be the company's independent accountant or its representative. Mr. Daniel Spira, CPA (Isr.) is our internal auditor.

II. APPOINTMENT OF AUDITORS (Item 2 on the Proxy Card)

Shareholders will be asked to approve the appointment of Kost Forer Gabbay & Kasierer, a Member of Ernst & Young Global, and their affiliates, as our independent auditors for the year ending December 31, 2004 and to authorize the Audit Committee to fix the remuneration of the auditors in accordance with the volume and nature of their services. A representative of Kost Forer Gabbay & Kasierer is expected to be present at the Meeting and will be given an opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from shareholders. Kost Forer Gabbay & Kasierer were our auditors for the year ended December 31, 2003.

It is therefore proposed that at the Meeting our shareholders adopt the

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

following resolution:

"RESOLVED, that the appointment of Kost Forer Gabbay & Kasierer, a Member of Ernst & Young Global, and their affiliates, by our Audit Committee and the Board of Directors to conduct the annual audit of our financial statements for the year ending December 31, 2004, and to authorize the Audit Committee to fix their remuneration is ratified, confirmed and approved."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

Our Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent public accountants, Kost Forer Gabbay & Kasierer, a Member of Ernst & Young Global, and their affiliates. Pre-approval of an audit or non-audit service may be given as a general pre-approval, as part of the Audit Committee's approval of the scope of the engagement of our independent auditor, or on an individual basis. Any proposed services exceeding general pre-approved levels also requires specific pre-approval by our Audit Committee. The policy prohibits retention of the independent public accountants to perform the prohibited non-audit functions defined in Section 201 of the Sarbanes-Oxley Act or the rules of the SEC, and also requires the Audit Committee to consider whether proposed services are compatible with the independence of the public accountants.

III. COMPENSATION AND TERMS OF EMPLOYMENT FOR CERTAIN OF OUR DIRECTORS AND OFFICERS (Item 3 on the Proxy Card)

The Companies Law requires that the compensation of directors, including options grants, be approved by the audit committee, the board of directors, and thereafter, the General Meeting of Shareholders. In addition, the Companies Law requires that the terms of employment of any director by the company in any other capacity be approved in the same manner.

Messrs. Nuss and Perry have served as our directors since 1993 and 2002, respectively. Our Audit Committee and Board of Directors determined to compensate Messrs. Nuss, Perry and Livne by paying them an annual fee of \$5,600 and a per meeting attendance fee of \$300, subject to shareholder approval.

Mr. Jacob Even-Ezra has served as our Chairman of the Board of Directors and Chief Executive Officer since 1984. Mr. Dekel has served as our President since 1990 and as our director since 1993.

Our Audit Committee and Board of Directors have determined to extend the appointment of Mr. Jacob Even-Ezra as the Chairman of our Board until January 2006 and as our Chief Executive Officer for such a period until a new Chief Executive Officer is appointed, subject to shareholder approval. In addition, our Audit Committee and Board of Directors have resolved, subject to shareholder approval, to change the terms of employment of Mr. Dekel by increasing his salary, which has not been increased since January 2001, by 7% per annum, and by granting him a one time bonus equal to 36% of his annual salary and to grant to Mr. Jacob Even-Ezra and Mr. Dekel, in their capacity as officers, options to purchase 50,000 and 40,000 ordinary shares of the company, respectively, exercisable at the market price at the date of the grant. These options will vest in January 2006. It is therefore proposed that at the Meeting our shareholders adopt the following resolution:

"RESOLVED, that the decisions of the Audit Committee and our Board of Directors to pay Messrs. Nuss, Perry and Livne annual remuneration of \$5,600 and a per meeting attendance fee of \$300, to extend the appointment of Mr. Jacob Even-Ezra as the Chairman of the Board until January 2006 and as the Chief Executive Officer for such a period until a new Chief Executive Officer is appointed, to increase Mr. Dekel's salary by 7% per annum, to pay Mr. Dekel a one time bonus equal to 36% of his annual salary and to grant to Mr. Jacob Even-Ezra and Mr. Dekel, in their capacity as officers, options to purchase 50,000 and 40,000 ordinary shares of the company, respectively, exercisable at the market price at the date of the grant and vesting in January 2006, are hereby ratified."

Under the Companies Law the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

IV. COMPENSATION FOR OUR EXTERNAL DIRECTORS (Item 4 on the Proxy Card)

Pursuant to the Companies Law, an external director is entitled to compensation and to reimbursement of expenses as provided in the Companies

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

Regulations (Rules Regarding Compensation to an External Director), 5760-2000, or the Companies Regulations, promulgated under the Companies Law. The Companies Regulations provide that an external director is entitled to receive from the company an annual fee and a per meeting attendance fee for his or her participation at a meeting of the board of directors or any board committee (including written resolutions, meetings of committees of the board of directors, or convened by our chief executive officer), up to the amounts specified in the Companies Regulations. An external director is otherwise prohibited from receiving any other consideration, directly or indirectly, in connection with his or her service as an external director. The Israeli Companies Law requires that the terms of compensation to external directors be approved by the audit committee, the board of directors, and thereafter, the general meeting of shareholders, unless such payments are determined according to the fixed amount specified in the Companies Regulations.

If Mrs. Anat Winner and Mr. Shaul Kobrinsky are elected at this Meeting as our external directors they will serve as our external directors for a three year term until the 2007 Annual General Meeting of Shareholders.

Our Audit Committee and our Board of Directors has resolved that the external directors shall be paid an annual fee of \$5,600 and a per meeting fee of \$300, which are within the limits set forth in the Companies Regulations. It is therefore proposed that at the Meeting our shareholders adopt the following resolution:

"RESOLVED that the payment of directors' fees to our external directors for their first term of service as of July 29, 2004 as approved by our Audit Committee and Board of Directors is hereby approved and confirmed."

Under the Companies Law the affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution

V. DECLARATION OF CASH AND SHARE DIVIDEND (Item 5 on the Proxy Card)

Pursuant to our Articles of Association, distribution of dividends to our shareholders must be approved by the General Meeting of Shareholders. At a meeting held on December 28, 2003, our Board of Directors approved the payment to our shareholders of an interim cash dividend in the amount of \$0.05 per ordinary share to holders of the record as of January 12, 2004.

At a meeting held on April 28, 2004, our Board of Directors declared a 5% share dividend, payable to holders of our ordinary shares as of July 29, 2004, as a final dividend for the year ended December 31, 2003.

Shareholders should note that pursuant to our Articles of Association, the shareholders present at the Meeting may not declare a larger dividend than is recommended by our Board of Directors, but may declare a smaller dividend than is recommended by the Board of Directors.

It is therefore proposed that at the Meeting our shareholders adopt the following resolution:

"RESOLVED that the payment, to holders of our ordinary shares as of January 12, 2004, of an interim cash dividend in the amount of \$0.05 per ordinary share and the declaration of a 5% share dividend, to holders of our ordinary shares as of June 29, 2004, as a final dividend for the year

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

ended December 31, 2003, are hereby approved and confirmed."

9

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board recommends a vote FOR approval of the forgoing resolution.

VI. APPROVAL OF OUR NEW 2003 ISRAELI SHARE OPTION PLAN (Item 6 on the Proxy Card)

In 1993, we adopted a Stock Option Plan. As amended, this Stock Option Plan provides for the grant of options to purchase up to 1,269,212 of our ordinary shares to our employees, management, officers and directors and of our subsidiaries. In 2002, Section 102 of the Israeli Income Tax Ordinance [New Version] 1961 was amended effective as of January 1, 2003 and our existing plan does not comply with the newly amended provisions of Section 102. As of December 31, 2003, 223,216 options remain outstanding and 611,542 options remain available for grant under the original plan. We do not intend to grant any more options under our original plan, but rather intend to roll-over the remaining options available for grant into a new plan that conforms with the newly amended provisions of Section 102.

Our Audit Committee and Board of Directors have adopted, subject to shareholder approval, a new plan, the 2003 Israeli Share Option Plan, or the ISOP, which complies with the amended Section 102 and authorizes the grant of options to purchase up to 611,542 ordinary shares. Employees, officers directors and consultants of us or and our subsidiaries are eligible to participate in the ISOP. The ISOP has a term of ten years and will terminate in October 2013.

The provisions of our ISOP are designated to allow for the tax benefits promulgated under the Israeli Income Tax Ordinance [New Version]. Our Board of Directors has resolved that all options that will be granted to Israeli residents under the ISOP will be taxable under the "capital gains path." Pursuant to this path, the profit realized by an employee is taxed as a capital gain (25%) if the options or shares are held by a trustee for at least 24 months from the end of the tax year in which such options were granted. If the shares are sold before the elapse of such period, the profit is re-characterized as ordinary income. Our company will not be allowed a corresponding salary expense, even in the event the profit is taxed as ordinary income.

The Board of Directors or a committee of the Board of Directors, the Committee, if appointed, will administer the ISOP. The Board of Directors or the Committee will have the full power to and authority to, subject to limitation under the terms and provisions of any applicable law and subject to changes according to the Board's decisions:

- o designate participants;
- o determine the terms and provisions of the respective option agreements (which need not be identical), including, but not limited to, provisions concerning the time and the extent to which the options may be exercised and the nature and duration of restrictions as to the transferability or restrictions constituting substantial risk of forfeiture and to cancel or suspend awards, as necessary;
- o determine the purchase price of each share subject to an option;

Edgar Filing: MAGAL SECURITY SYSTEMS LTD - Form 6-K

- o designate the type of options;
- o make an election as to the type of Approved 102 option;
- o alter any restrictions and conditions of any options or shares subject to any options;
- o interpret the provisions and supervise the administration of the ISOP;
- o accelerate the right of an optionee to exercise in whole or in part, any previously granted option;
- o determine the purchase price of the option;
- o prescribe, amend and rescind rules and regulations relating to the ISOP; and
- o make all other determinations deemed necessary or advisable for the administration of the ISOP.

10

The Board of Directors or the Committee may not, without the consent of the optionee, alter or in any way impair the rights of such optionee under any award previously granted. The purchase price of each share subject to an option will be determined by the Board of Directors or the Committee (if permissible under the Israeli Companies Law) in its sole and absolute discretion.

Options are not assignable or transferable by the optionee. No option or any right with respect thereto, purchasable hereunder, whether fully paid or not, may be assignable, transferable or given as collateral or any right with respect to it given to any third party whatsoever, except as specifically allowed under the ISOP, and during the lifetime of the optionee each optionee's rights to purchase shares may only be exercised by the optionee. Generally, an option may be exercised as long as the optionee is employed by, or providing services to, the company or any of its affiliates, to the extent the options have vested.

The Board of Directors believes that the approval of the ISOP at this Meeting will (i) provide us with the means to attract and retain talented personnel; (ii) result in our saving cash, which would otherwise be required to maintain our current employees, officers and directors and attract and adequately reward additional employees, officers and directors; and (iii) enable us to remain competitive in our industry.

It is therefore proposed that at the Meeting our shareholders adopt the following resolution:

"RESOLVED, the 2003 Israeli Stock Option Plan authorizing the grant of options to purchase up to 611,542 ordinary shares, par value NIS 1.00 per share, be and is hereby adopted and approved."

Under the Companies Law the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

VII. AUTHORIZATION OF THE CHAIRMAN OF THE BOARD OF DIRECTORS TO SERVE CONCURRENTLY AS CHIEF EXECUTIVE OFFICER (Item 7 on the Proxy Card)

The Companies Law provides that the chairman of the board of directors of a public company may not hold the office of chief executive officer or exercise any of the powers of the chief executive officer (as determined by the Companies Law). However, the Companies Law also provides that the general meeting of shareholders may authorize the chairman of the board to serve as the chief executive officer of such public company for a period of up to three years, commencing on the date of such authorization. Mr. Jacob Even-Ezra was authorized to serve as our Chief Executive Officer in addition to his position as Chairman of the Board for three years, at a general meeting of shareholders held on May 16, 2001. The Audit Committee and our Board of Directors believes that it is in the best interests of our company and its shareholders that it be granted authority to re-appoint Mr. Even-Ezra as Chairman of the Board of Directors, while he concurrently serves as our Chief Executive Officer. The authorization will be for a term that will not exceed three years.

It is therefore proposed that at the Meeting our shareholders adopt the following resolution:

"RESOLVED, that the Board of Directors is authorized to appoint Mr. Jacob Even-Ezra to serve as both Chairman of the Board of Directors and our Chief Executive Officer for a term not to exceed three years."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, provided that such majority vote includes at least two-thirds of the ordinary shares represented at the Meeting in person or by proxy that are held by non-controlling shareholders (excluding the votes of the abstaining shareholders), will be necessary for shareholder approval of the foregoing resolution.

11

The Board recommends a vote FOR approval of the forgoing resolution.

VIII. REVIEW OF THE DIRECTORS' REPORT, CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT

At the Meeting, our Directors' Report, Consolidated Financial Statements and Auditor's Report for the year ended December 31, 2003 will be presented. We will hold a discussion with respect to the financial statements at the Meeting. This Item 8 will not involve a vote of the shareholders.

The Board of Directors knows of no business that is to be brought before the meeting other than as set forth in the Notice of Annual General Meeting of Shareholders. If any other matters properly come before the Meeting, the persons named in the enclosed form of proxy will vote in accordance with their best judgment on such matters.
