Internet Gold Raises Ownership Interest in TIPO.co.il to 52%

Thursday October 19, 1:00 am ET

Beginning Q4, TIPO to be Consolidated Into IGLD's Results

PETACH TIKVA, Israel, October 19 /PRNewswire-FirstCall/ -- Internet Gold (Nasdaq NMS: IGLD and TASE: IGLD) today announced that its subsidiary, Smile.Media, has acquired an additional 2% equity interest in Hype Interactive Media Ltd. ("Hype"), the owner and operator of TIPO (tipo.co.il), Israel's most popular children's portal. With a total ownership of 52%, Internet Gold will begin consolidating Hype's results into its financial reports as of the fourth quarter of 2006.

Launched in 2003, tipo.co.il offers a broad selection of exciting content and applications for children and youth, including web-based email, instant messaging, chat-rooms and forums, as well as personal website building and hosting services. Approximately 650,000 individual users visit the site each month, making it Israel's #1 children's portal with an average of 40 million page views per month. With the goal of expanding its traffic and user base, tipo.co.il continuously adds new offerings and actively co-operates with major Israeli media and commerce groups. For example, during the past few months, tipo.co.il launched Hebrew-language Nickleodeon and Jetix channels, two for-pay content-branded channels and a free Internet-based telephony service.

"This acquisition is another step in our strategy to enhance Smile.Media's positioning within Israel's rapidly growing Internet Advertising market," said Mr. Eli Holtzman, CEO of Internet Gold. "We are very pleased with tipo.co.il's progress over the past year, including the high market share that it has achieved in the children/youth demographic, resulting in a significant increase in advertising and content revenues. Having secured a controlling interest, we will continue to work closely with our partners, the portal's founding team, to continue increasing its revenues and strategic relationships."
