PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
April 25, 2001

GENERAL

This Proxy Statement is furnished to the shareholders of S.Y. BANCORP, INC. ("Bancorp") in connection with the solicitation of proxies by Bancorp's Board of Directors for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Wednesday, April 25, 2001, at 10:00 a.m., local time, at Stock Yards Bank & Trust Company's Exchange Building dining room, 1048 East Main Street, Louisville, Kentucky 40206. The approximate date on which this Proxy Statement and the accompanying proxy are first being sent or given to shareholders is March 23, 2001. The mailing address of Bancorp's principal executive offices is P.O. Box 32890, Louisville, Kentucky 40232-2890.

Only shareholders of record at the close of business on March 9, 2001, are entitled to notice of and to vote at the Annual Meeting.

Any valid and unrevoked proxy will be voted as specified in the proxy. If a shareholder does not specify otherwise, the shares represented by the shareholder's proxy will be voted (a) **FOR** approval of the action of the Board of Directors fixing the number of directors at thirteen (13) and **FOR** election of the persons named in this Proxy Statement as directors of Bancorp, in accordance with the terms and conditions set forth in this Proxy Statement; and (b) in their discretion, on any other matters that may properly come before the Annual Meeting, or any adjournment thereof, including matters incident to its conduct.

All expenses of preparing, printing, mailing, and delivering the proxy and all materials used in the solicitation thereof will be borne by Bancorp. In addition to the use of the mails, proxies may be solicited by personal interview, telephone and telefax by directors and officers of Bancorp, none of whom will receive additional compensation for such services. Bancorp has also requested brokerage houses, custodians, and nominees to forward soliciting materials to the beneficial owners of Bancorp's Common Stock, held of record by them and will pay the reasonable expenses of such persons for forwarding such materials.

Proxies may be revoked at any time before the taking of the vote at the Annual Meeting by written notice of revocation to the Secretary of Bancorp, by delivery of a later dated proxy or by voting in person at the meeting. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless the shareholder so attending so notifies the Secretary in writing prior to voting of the proxy.

RELATIONSHIP OF BANCORP AND THE BANK

Bancorp is a bank holding company within the meaning of the Bank Holding Company Act of 1956 and pursuant to that act is registered with the Board of Governors of the Federal Reserve System. Bancorp has one subsidiary. Stock Yards Bank & Trust Company ("the Bank") is wholly owned by Bancorp and engaged in the business of commercial banking. See "MEETINGS AND COMMITTEES OF THE BOARD".

1

VOTING AT THE ANNUAL MEETING

On March 9, 2001, the record date for the Annual Meeting fixed by Bancorp's Board of Directors, there were issued and outstanding, and entitled to vote at the Annual Meeting, 6,651,544 shares of Bancorp Common Stock. Bancorp has no class of stock other than Common Stock. The holders of a majority of the total shares of Bancorp Common Stock issued and outstanding and entitled to vote, whether present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. See note (3) to the tabulation under the heading, "PRINCIPAL HOLDERS OF BANCORP COMMON STOCK," for a discussion of shares held by the Bank in fiduciary capacities.

Each share of Bancorp Common Stock is entitled to one vote on all matters presented to the shareholders with the exception of the election of directors. In the election of directors, Kentucky's Constitution mandates that shareholders have cumulative voting rights. Under cumulative voting rights, each shareholder is entitled to cast as many votes in the aggregate as equal the number of shares of Bancorp Common Stock owned by him or her multiplied by the number of directors to be elected. Each shareholder, or his or her proxy, may cast all of his or her votes (as thus determined) for a single nominee for director or may distribute them among two or more nominees, in the shareholder's discretion.

Directors will be elected by a plurality of the total votes cast at the Annual Meeting. Assuming three directors are to be elected, a plurality means that the three nominees receiving the highest number of votes will be deemed elected.

Votes cast in person or by proxy at the Annual Meeting will be tabulated by the judges appointed for the meeting, who will conduct the voting and certify the results. The judges will also determine whether or not a quorum is present at the meeting. A shareholder entitled to vote for the election of directors may withhold authority to vote for all nominees for directors or may withhold authority to vote for certain nominees for directors. A shareholder may also abstain from voting on the proposals to fix the number of directors. Votes withheld from the election of any nominee for director and abstentions from any other proposal will be treated by the judges as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast for or against any matter. If a broker does not receive voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, those shares will not be considered as present and entitled to vote with respect to that matter.

2

PRINCIPAL HOLDERS OF BANCORP COMMON STOCK

At January 31, 2001, Bancorp had 6,639,513 shares of Bancorp Common Stock issued and outstanding held by 770 shareholders of record. The following tabulation shows the amount and percent of Bancorp Common Stock owned beneficially at January 31, 2001, by those persons known by Bancorp to own, or be deemed to own, beneficially five percent (5%) or more of such stock. voting power and no current investment power. Bancorp has not undertaken the expense and effort of compiling the number of shares certain officers and employees of the Bank may hold other than directly in their own name.

ITEM 1.

ELECTION OF DIRECTORS

The Articles of Incorporation and Bylaws of Bancorp provide that the Board of Directors shall be composed of not less than nine (9) nor more than twenty-five (25) members. The bylaws provide that the exact number of members shall be fixed each year by the Board of Directors prior to the giving of notice of the Annual Meeting, subject to any later resolution adopted by the shareholders at the Annual Meeting. At its February 13, 2001 meeting, the Board of Directors fixed the number of directors at thirteen (13). The Board of Directors has recommended that the number of directors constituting the Board be fixed at thirteen for the ensuing year, subject to the approval of shareholders at the annual meeting. Assuming three directors are to be elected, there will be twelve (12) individuals serving on the Board following the date of the 2001 Annual Meeting.

Edgar Filing: S Y BANCORP INC - Form DEF 14A

Bancorp's Articles of Incorporation direct the Board of Directors to be classified into three classes of directors of as nearly equal size as possible with only one class of directors being elected each year. Accordingly, at the 2001 Annual Meeting, three Directors are to be elected to hold office for three-year terms, or until their successors are elected and qualified with the exception of Mr. Fischer who will be elected to a two year term, the end of which will coincide with his retirement from the Board, as required by Bancorp's bylaws. Unless otherwise instructed, it is intended that the shares represented by the enclosed proxy will be voted for the election of the nominees named below. Proxies may not be voted for a greater number of persons than the number of nominees named below.

At the Annual Meeting, a resolution will be submitted approving the action of the Board of Directors fixing the number of directors at thirteen (13), and, if such resolution is adopted, the three persons named in the following table will be nominated on behalf of the Board of Directors for election as directors of Bancorp. The affirmative vote of a majority of the shares of Bancorp Common Stock represented at the Annual Meeting in person or by proxy will be required for approval of the resolution fixing the number of directors.

In the event (1) any person or persons other than the following nominees are nominated as directors, or (2) the number of directors to be elected shall be less or more than three, the proxies named in the enclosed proxy, or their substitutes, shall have the right in their discretion to vote for some number less or more than all the nominees or for less or more than all of the aforesaid nominees. In the event any of the nominees becomes unwilling or unable to accept nomination or election, the said proxies shall have the right to vote for any substitute nominee in place of the nominee who has become unwilling or unable to accept nomination or election. The Board of Directors has no reason to believe that any of the nominees will be unavailable to serve as a director.

All of the nominees and continuing directors of Bancorp are currently serving as directors of the Bank and were elected to that position on April 26, 2000, by the written consent of Bancorp, the sole shareholder of the Bank. It is anticipated that, if elected as directors of Bancorp at the Annual Meeting, Bancorp, as the sole shareholder of the Bank, will, by written consent, elect the following nominees and continuing directors of Bancorp as directors of the Bank to serve a one year term.

4

There are no arrangements or understandings regarding the selection or election of any of the following nominees as directors of Bancorp. All nominations for membership on the Board of Directors of Bancorp originated with the Board of Directors.

MEETINGS AND COMMITTEES OF THE BOARD

Board Meetings

During 2000, the Board of Directors of Bancorp held a total of ten regularly scheduled and special meetings.

All directors of Bancorp are also directors of the Bank. During 2000, the Bank's Board of Directors held a total of thirteen regularly scheduled and special meetings.

All incumbent directors attended at least 75% of the aggregate number of meetings of the Board and the committees of which they were members, with the exception of Dr. Gall who attended 67% of the aggregate number of meetings of the Board and the committees of which he was a member.

Committees of Bancorp

Bancorp has a standing Audit Committee and Compensation Committee of the Board of Directors.

Bancorp's Board of Directors considers matters relating to the selection and nomination of directors, but there is no standing nominating committee of the Board of Directors. There are no formal procedures whereby a security holder may recommend nominees to the Board of Directors.

Compensation Committee. The Compensation Committee consists of four members of Bancorp's Board of Directors. The committee considers matters relating to the salary and other compensation of officers of the Bank and Bancorp. The members of the committee are James E. Carrico, Jack M. Crowner, Bruce P. Madison and Henry A. Meyer. The committee meets at least annually and held two meetings in 2000.

Audit Committee. The Board of Directors of S.Y. Bancorp, Inc. maintains an Audit Committee, which is comprised of four directors who are not officers of the Company. Under the rules of the American Stock Exchange, all of the members of the Audit Committee are independent. The Board of Directors has adopted a written charter for the Audit Committee, which is included as an Appendix to this Proxy Statement.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee, among other things, considers the appointment of the independent auditors for the Company, reviews with the auditors the plan and scope of the audit and audit fees, monitors the adequacy of reporting and internal controls and meets regularly with internal and independent auditors.

Report of Audit Committee

Edgar Filing: S Y BANCORP INC - Form DEF 14A

The Committee held six meetings during 2000. The Committee designs its meetings to facilitate and encourage private communication between the Committee, the internal auditor and the Company's independent public accountants, KPMG LLP.

During these meetings, the Committee reviewed and discussed the audited financial statements with management and KPMG LLP. The independent auditors are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America. They also discuss their judgments as to the quality, not just the acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. Audit

8

Committee Discussions with KPMG LLP also included the matters required by Statement on Auditing Standards No. 61. The Audit Committee received from KPMG LLP written disclosures and a letter regarding its independence as required by Independence Standards Board Standard No. 1.

The Audit Committee believes management maintains an effective system of internal controls which results in fairly presented financial statements. Based on these evaluations, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in S.Y. Bancorp, Inc.'s Annual Report on Form 10-K.

KPMG LLP's fees for the year 2000 were as follows:

Audit fees	\$	65,000
Financial information systems design and implementation	\$	0
Other fees (principally tax return compliance and related consultation)	\$	11,710

Officers, directors and greater than 10% shareholders are also required to furnish Bancorp with copies of all forms they file under this regulation. To Bancorp's knowledge, based solely on a review of the copies of such reports furnished to Bancorp and representations that no other reports were required, all Section 16(a) filing requirements applicable to all of its officers and directors were complied with during 2000.

9

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee is comprised of four members of the Board of Directors who are not, nor have they been, employees of Bancorp or the Bank.

It is the philosophy of the Committee to ensure the compensation of Bancorp's executive officers is adequate to attract and retain talented individuals with proven abilities to lead Bancorp and the Bank so growth and profitability are realized while maintaining stability and capital strength.

The Compensation Committee engages William M. Mercer, Inc. to conduct a study of the Bank's executive officers' compensation. This study involves identifying comparable banks based on size, complexity and demographics as well as identifying similar positions within each peer bank to compare with each of the Bank's executive officers. Factors considered when comparing other institutions' compensation information to that of the Bank include earnings per share, return on average assets and equity, and one and five year total shareholder return. These factors are used to determine the percentile the Compensation Committees should use to compare the Bank's executive officers' compensation with those of peer institutions. There is also a qualitative relationship between performance and executive officer compensation. The salary increases noted in

Edgar Filing: S Y BANCORP INC - Form DEF 14A

the Summary Compensation Table under the heading "COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS," were made in light of Bancorp's and the Bank's market and earnings growth and other favorable factors. Salaries are based on individual performance contributions within a competitive salary range. Pay levels are competitive within a range the Committee considers to be reasonable and necessary.

Base Salary. The salaries of the executive officers are determined substantially as described above with additional considerations. Factors affecting and considerations made for the Chief Executive Officer's salary are substantially the same as those for other executive officers. In addition to the process described above, the Committee considers the executive's leadership skills and managerial results. Among these considerations are consolidated financial performance and condition, growth of the Bank, regulators' conclusions, community involvement, the executive's ability to choose and lead his/her respective management teams and the recommendation of the Chief Executive Officer. Objective, subjective, quantitative and qualitative measures are used. The Committee reaches a conclusion as to an appropriate salary and presents it to the Board of Directors for discussion and approval. While peer group comparisons of salaries include companies which are also included in the indices used for the shareholder return performance graph on page 16 there is no direct correlation between the companies used in CEO compensation and companies included in that graph.

Annual Incentive Compensation. The objective of the Management Incentive Plan is to deliver competitive levels of compensation for the attainment of annual financial objectives and operating results. The Committee believes these to be primary drivers of stock price performance over time. The annual determination as to whether incentives will be paid is based upon the achievement of certain set goals for earnings growth, return on average assets and return on average equity. The Committee feels that in a time of significant expansion, there is potential for strong earnings growth as long as the process is managed with adequate focus on cost control. Therefore, the Committee established a tiered incentive program based upon the achievement of net income goals.

For the CEO and President, the formula requires at least a 10% increase in Bancorp's corporate earnings per share, over the prior year. The actual payment for 2000 was 38% of base pay for attaining a 19% increase in earnings per share. The incentive determination for Greg Hoeck and Nancy Davis was at a reduced percentage of the aforementioned formula. For Kathy Thompson the formula required at least a 10% increase in the Trust Department's operating income over the prior year. The actual payment for 2000 was 40% of base pay for attaining a 25% increase in operating profit.

10

Long Term Incentives. The Committee also believes the best interests of share holders to be served by providing those persons having responsibility for the management and growth of Bancorp and the Bank with an opportunity to increase their ownership of Bancorp Common Stock. Executive officers are granted options, from time to time, giving them the right to purchase Bancorp Common Stock at a specified price in the future. The number of stock options granted is based upon individual performance contributions and comparative practices. See the discussion under "COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS Stock Incentive Plan" page 12.

In summary, the Committee believes the total compensation program for Bancorp's executive officers is competitive with programs offered by similar institutions, and executive compensation is appropriate to further the goals and objectives of Bancorp and the Bank.

Key employees are those persons who, in the judgement of the Compensation Committee, are mainly responsible for the success of the Bank. Options under this plan are granted at the fair market value of Bancorp's Common Stock at the time of the grant.

All shareholders are shown for comparison purposes only. The potential realizable value to all shareholders is the aggregate net gain for all shareholders, assuming a hypothetical ten- year option if the price of Bancorp stock increases at the assumed annual rates shown in the table. Appreciation computed using actual strike price of options: \$21.00 for January, 2000 grants and \$20.63 for December, 2000 grants. There can be no assurance that Bancorp's Stock will perform at the assumed annual rates shown in the table. Bancorp neither makes nor endorses any prediction as to future stock performance. The potential realizable value of stock price appreciation for the option term related to the January 2000 option grant for all executive officers of Bancorp at 5% is \$397,500 and at 10% is \$1,007,400, which represents .45% of the total potential realizable value for all shareholders at 5% and 10%. Senior Officer Security Plan

The Bank has established a Senior Officer Security Plan (the "Security Plan") for a select group of management and highly compensated officers who contribute materially to the continued growth, development and future business success of the Bank. Life insurance owned and paid for by the Bank has been purchased on each covered officer. The Security Plan is designed so that if the assumptions made as to mortality experience, policy dividends and other factors are realized, the Bank will recover both the cost of benefits and after tax costs of the plan. The amount of benefits to be received under the Security Plan was determined by projecting each participant's current salary amount to that at his/her retirement date. His/her expected social security benefits and expected benefits under the defined contribution plans were also estimated. The Security Plan supplemental retirement benefit amount was determined to be the amount necessary to bring total retirement payments to an approximate 75% of his/her projected salary at retirement age.

Under the Security Plan, the following individuals listed in the Summary Compensation Table at page 11 will receive the following annual supplemental retirement benefits at their normal retirement age of 65:

David H Brooks	\$84,000 each year for 15 years
David P. Heintzman	\$136,500 each year for 15 years
Kathy C. Thompson	\$82,000 each year for 15 years

In addition, there are pre-retirement death and disability benefits provided by the Security Plan.

Senior Executive Severance Agreement

The Bank has established a Senior Executive Severance Agreement (the "Severance Agreement") for certain Executive Officers of the Bank. Bancorp and the Bank have concluded it to be in the best interests of Bancorp, its Shareholders and the Bank to take reasonable steps to help assure key executives of the Bank that they will be treated fairly in the event of a tender offer or takeover bid, or an actual Change in Control. It is important, should Bancorp receive take over or acquisition proposals from third parties, that Bancorp be able to call upon the key executives of the Bank for their advice and assessment of whether such proposals are in the best interests of shareholders, free of the influences of their personal employment situations. This severance agreement was not entered into because of any belief by management that a Change in Control of Bancorp was imminent.

The Severance Agreement provides that, in the event (1) an executive is forced to resign following a Change in Control of Bancorp or (2) an executive voluntarily terminates employment with the Bank for up to three years following a Change in Control, the Bank will pay the executive a

14

severance payment equal to 299 percent of the executive's annual salary. Should voluntary termination occur between 24 and 36 months following the Change in Control, the executive will receive only $\frac{2}{3}$ of the severance payment. Furthermore, if the executive is 58 years old or more at the date of the severance payment, the amount of the payment is reduced. As the executive approaches retirement age of 65 years, the severance payment decreases proportionately to zero at age 65. The severance agreement also provides that the Bank pay legal fees and expenses incurred in contesting any termination or enforcing the severance agreement.

In the event of receipt of severance payments by an executive officer, the executive officer, for a period of eighteen months will not solicit customers of the Bank, divert from the Bank any customer of the Bank or solicit for employment any employee of the Bank.

Director Compensation

Directors of Bancorp receive no compensation for attendance at regular or special meetings of the board if the meetings are held immediately before or after a regular or special meeting of the Board of Directors of the Bank. However, Bancorp's directors are paid \$700 for each meeting of Bancorp's Board of Directors attended if the meeting is not held immediately before or after a meeting of the Board of Directors of the Bank. Bancorp's directors, who are also directors of the Bank, are paid \$700 for each Bank board meeting attended. Non-employee directors receive an annual retainer of \$2,400.

Non-employee directors of Bancorp and the Bank who are members of the various committees of the Board of Directors are also paid the following fees: \$200 per meeting attended Bank's Loan Committee, \$200 increased to \$300 per meeting of Bancorp's Audit Committee and the Bank's Compensation and Trust Committees.

Non-employee directors receive a one time grant of options to purchase 1,000 shares of Bancorp Common Stock. These options are granted at the fair market value of Bancorp Common Stock at the time of the grant and are adjusted for subsequent stock splits, stock dividends, etc.

TRANSACTIONS WITH MANAGEMENT AND OTHERS

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with certain directors and officers of Bancorp and the Bank and their associates, as well as with corporations or organizations with which they are connected as directors, officers,

shareholders or partners, on substantially the same terms (including interest rates and collateral) as those prevailing at the time for comparable transactions with other persons. In the opinion of management of Bancorp and the Bank, such transactions do not involve more than the normal risk of collectibility or present other unfavorable features.

At December 31, 2000, loans to directors and officers of Bancorp and the Bank and their associates totaled \$3,634,000, equaling 6.0% of the Bancorp's consolidated stockholders' equity.

The Board of Directors will decide, subject to the rules of the Securities and Exchange Commission, whether such proposals are appropriate for inclusion in the proxy statement and form of proxy.

In addition, Bancorp's Bylaws impose certain advance notice requirements on a shareholder nominating a director or submitting a proposal to an Annual Meeting. Such notice must be submitted to the secretary of Bancorp no earlier than 90, nor later than 60, days before an Annual Meeting, and must contain the information prescribed by the Bylaws, copies of which are available from the secretary. These requirements apply even if the shareholder does not desire to have his or her nomination or proposal included in Bancorp's proxy statement.

OTHER MATTERS

The officers and directors of Bancorp do not know of any matters to be presented for shareholder approval at the Annual Meeting other than those described in this Proxy Statement. If any other matters should come before the Annual Meeting, the Board of Directors intends that the persons named in the enclosed form of proxy, or their substitutes, will vote such proxy in accordance with their best judgment on such matters.
