PROXY STATEMENT
for
ANNUAL MEETING OF SHAREHOLDERS
ETHYL CORPORATION

To be held May 22, 2003

Approximate date of mailing April 22, 2003

Proxies in the form enclosed are solicited by the Board of Directors for the Annual Meeting of Shareholders to be held on Thursday, May 22, 2003. Any person giving a proxy may revoke it at any time before it is voted by delivering a later dated proxy, or written notice of revocation, to the Secretary of the Corporation at the Corporation's address listed below, or by appearing at the annual meeting and voting in person. Attendance at the annual meeting will not itself revoke a proxy. A proxy, if executed and not revoked, will be voted, and, if it contains any specific instructions, will be voted in accordance with such instructions.

On March 19, 2003, the date for determining shareholders entitled to vote at the meeting, there were outstanding 16,689,009 shares of Ethyl Common Stock. Each share of Ethyl Common Stock is entitled to one vote. The holders of a majority of the shares of Ethyl Common Stock issued and outstanding as of the close of business on March 19, 2003 will constitute a quorum at the meeting.

The cost of the solicitation of proxies will be borne by the Corporation. In addition to the use of the mails, proxies may be solicited personally or by telephone by regular employees of the Corporation. Georgeson Shareholder Communications Inc. has been engaged to assist in the solicitation of proxies. The Corporation will pay that firm \$7,000 for its services and reimburse its out-of-pocket expenses for such items as mailing, copying, phone calls, faxes and other related matters, and will indemnify Georgeson Shareholder Communications Inc. against any losses arising out of that firm's proxy soliciting services on behalf of the Corporation.

Unless otherwise specified in the accompanying form of proxy, it is intended that votes will be cast in favor of all of the proposals set forth herein.

The Corporation's street address is 330 South Fourth Street, Richmond, Virginia 23219.

Eight meetings of the Corporation's Board of Directors were held during 2002.

Executive Committee. The Corporation's Executive Committee currently consists of Messrs. Bruce C. Gottwald, Berry, Thomas E. Gottwald and Scott. During 2002, the Executive Committee did not meet.

The Audit Committee reviews the Corporation's internal audit and financial reporting functions and the scope and results of the audit performed by the Corporation's independent accountants and matters relating thereto and reports thereon to the Board of Directors. The Audit Committee also reviews audit fees and recommends to the Board of Directors the engagement of the independent accountants of the Corporation. All the members of the Audit Committee are independent directors as defined by the rules of The New York Stock Exchange, the exchange on which shares of Ethyl Common Stock are listed.

Nominating and Governance Committee. On February 27, 2003, the Board expanded the role of the Nominating Committee to include not only the recommendation of candidates for election as directors and, in some cases, the election of officers, but also corporate governance matters. That committee was re-named the Nominating and Governance Committee. It currently consists of Messrs. Grosvenor, Berry and Bruce C. Gottwald. The Nominating Committee did not meet during 2002.

Edgar Filing: ETHYL CORP - Form DEF 14A

The Corporation's bylaws provide that a shareholder of the Corporation entitled to vote for the election of directors may nominate persons for election to the Board by mailing written notice to the Secretary of the Corporation not later than (a) with respect to an election to be held at an annual meeting of shareholders, 60 days prior to such meeting, and (b) with respect to an election to be held at a special meeting of shareholders for the election of directors, the close of business on the seventh day following the date on which notice of such meeting is first given to shareholders. Such shareholder's notice shall include (1) the name and address of the shareholder and of each person to be nominated, (2) a representation that the shareholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate each person specified, (3) a description of all understandings between the shareholder and each

nominee and any other person (naming such person) pursuant to which the nomination is to be made by the shareholder, (4) such other information regarding each nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated by the Board of Directors and (5) the consent of each nominee to serve as a director of the Corporation if so elected.

During 2002, the Bonus, Salary and Stock Option Committee met on six occasions. This committee approves the salaries of management-level employees. It also approves all bonus awards, certain consultant agreements and initial salaries of new management-level personnel and grants options under the Corporation's incentive stock option plan (the Incentive Stock Option Plan).

Compensation of Directors

During 2002, each non-employee director was paid (a) \$1,000 for attendance at each Board meeting and (b) \$600 for attendance at each meeting of a committee of the Board of which he or she is a member. In addition, each such director was paid a quarterly fee of \$3,000. Employee members of the Board of Directors were not paid separately for their service on the Board or its committees.

Any director retiring from the Board after age 60 with at least five years of service on the Board will receive \$12,000 per year for life, payable in quarterly installments. The service requirement for this benefit may be waived under certain circumstances. Any director retiring under other circumstances will receive \$12,000 per year, payable in quarterly installments, commencing no earlier than age 60, for a period not to exceed his years of service on the Board. The payment period limitation on this benefit may be waived in certain circumstances. Such retirement payments to former directors may be discontinued under certain circumstances.

Under the Directors' Stock Plan, each non-employee director is awarded on each July 1 that number of whole shares of Ethyl Common Stock that, when multiplied by the closing price of Ethyl Common Stock on the immediately preceding business day, as reported in *The Wall Street Journal*, shall as nearly as possible equal but not exceed \$2,000. The shares of Ethyl Common Stock awarded under the Directors' Stock Plan are nonforfeitable and the recipient directors immediately and fully vest in Ethyl Common Stock purchased under the Directors' Stock Plan. Subject only to such limitations on transfer as may be specified by applicable securities laws, directors may sell their shares under the Directors' Stock Plan at any time. The Directors' Stock Plan provides that no awards may be made after July 1, 2011.

Non-employee directors may defer, in ten percent increments, all or part of their retainer fee and meeting fees into either a deferred cash account or a deferred stock account (the Deferred Compensation Plan), or a percentage of the fees into each of the accounts, both of which are unfunded and maintained for recordkeeping purposes only. Distributions under the Deferred Compensation Plan, paid in a single sum or in up to ten annual installments, cannot begin within two years of the beginning of the deferral year. The maximum aggregate number of shares of Ethyl Common Stock that may be issued under the Deferred Compensation Plan is 100,000 shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Thomas E. Gottwald, Chief Executive Officer and director of the Corporation, is a son of Bruce C. Gottwald, Chairman of the Board of Directors of the Corporation. The members of the family of Bruce C. Gottwald may be deemed to be control persons of the Corporation.

Edgar Filing: ETHYL CORP - Form DEF 14A

On February 1, 2002, Bruce C. Gottwald made a loan to the Corporation in the amount of \$18,640,000 for a three year term at an interest rate of 8.5%. The monthly payments are interest only during the term of the loan,

with the principal amount coming due at maturity. The Corporation used the proceeds of the loan to pay down existing debt. The loan is non-recourse to the Corporation and is secured by a first deed of trust on the three buildings at 330 South Fourth Street, Richmond Virginia, that constitute the principal offices of the Corporation. An independent appraiser valued the three buildings at \$18,640,000. At the end of the loan term, the Corporation has the option to either convey the property to the lender in satisfaction of the debt or repay the debt. Should the corporation fail to repay the debt, the lender has a call right by which the lender can require that the Corporation convey the property to the lender in satisfaction of the debt.

In 2001, Old Town, LLC, which is owned by Bruce C. Gottwald and his brother Floyd D. Gottwald, Jr., each a beneficial owner of more than 5% of the Corporation's common stock, purchased Old Town Farm, consisting of approximately 1,600 acres of real property and related personal property, from the Corporation. The Corporation manages and maintains Old Town Farm in exchange for the right to use and make available for use by others the farm's facilities, primarily for customer meetings and other business related activities. The Corporation retains all revenue generated through the use of the farm. Old Town, LLC, pays all costs of capital improvements to Old Town Farm.

* Assumes attainment of age 65 in 2002 and Social Security Covered Compensation of \$39,444.

The benefit formula under the pension plans is based on the participant's final-average earnings, which are defined as the average of the highest three consecutive calendar years' earnings (base pay plus 50% of incentive bonuses paid in any fiscal year) during the 10 consecutive calendar years immediately preceding the date of determination. The years of pension benefit service for each of the executive officers named in the above compensation table as of December 31, 2002, are: Thomas E. Gottwald, 11; Warren Huang, 23; Newton A. Perry, 34; David A. Fiorenza, 28 and Alexander McLean, 14. Benefits under the pension plans are computed on the basis of a life annuity with 60 months guaranteed payments. The benefits listed in the above compensation table are not subject to deduction for Social Security. On December 31, 2000, Ethyl terminated its tax qualified defined benefit plan (the old plan) and implemented a new tax-qualified defined benefit plan with an identical formula on January 1, 2001 (the new plan). Benefits under the new plan are offset by benefits that were paid or payable under the old plan. For purposes of determining pension benefit service under the new plan, participants receive credit for years of pension benefit service earned under the old plan.

Mr. McLean, who was previously employed by Ethyl Petroleum Additives Limited, a subsidiary of the Corporation located in the United Kingdom, also participated in the Ethyl Petroleum Additives Limited Pension Plan (the Additives Plan). The formula under the Additives Plan is equal to 1.6667% times pensionable salary times years of service. Mr. McLean has 7.833 years of service under that plan. This accrued benefit as of April 30, 1997, is \$52,046 per year, payable at age 65. This amount has been converted from British pounds to U.S. dollars at the

Edgar Filing: ETHYL CORP - Form DEF 14A

conversion rate of 1£:\$1.6095 as of December 31, 2002. The amount payable under the Additives Plan is offset from the amount payable under the pension plan described above.

EXCESS BENEFIT PLANS

The Corporation maintains excess benefit plans (the Excess Plans) in the form of nonqualified pension plans that provide eligible individuals the difference between the benefits they actually accrue under the qualified employee pension and savings plans of the Corporation and the benefits they would have accrued under such plans but for the maximum benefit and annual addition limitations and the limitation on compensation that may be recognized thereunder under the Code. All benefits under the Excess Plans vest upon a Change in Control of the Corporation, as defined in the Excess Plans. Participants in the Excess Plans receive their benefits in the form elected under the qualified employee pension plans of the Corporation or under certain circumstances in a lump sum payment.

Mr. Walker, who retired as an officer and employee of the Corporation on January 31, 1998, received a series of payments that were equivalent to the present value of his accrued benefits under the Excess Plans plus any earnings on the funds designed for such payments. This arrangement is in lieu of any benefits under the Excess Plans.

BONUS, SALARY AND STOCK OPTION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Bonus, Salary and Stock Option Committee of the Board of Directors (the Committee), which performs the function of a compensation committee, consists of Messrs. Berry (Chairman), Grosvenor and Scott and Ms. Cothran. The Committee is delegated the power to administer the compensation program of the Corporation applicable to its executive officers, including the Chief Executive Officer. Accordingly, the Committee submits this report on executive compensation to the shareholders.

Overall Objectives

The objectives of the Corporation's executive compensation program are to:

Provide balanced, competitive total compensation that will enable the Corporation to attract, motivate and retain highly qualified executives;

Provide incentives for enhancing the profitability of the Corporation by rewarding executives for meeting individual and corporate goals; and

Align the financial interests of the executives closely to those of the shareholders by encouraging executive ownership of Ethyl Common Stock.

Elements of the Program

The Committee believes the interests of the shareholders will be best served if the compensation program consists of cash compensation and equity ownership, with a significant portion of compensation depending upon performance. The program includes: base salary, annual bonuses in cash and stock options. The Committee considers all elements of the program when setting appropriate compensation.

The Corporation seeks to maintain its executive compensation packages around the mid-range of those offered generally in the job markets in which the Corporation competes for talent and experience. More recently the Corporation has been concentrating on streamlining operations with the focus of employment and compensation decisions directed at reducing costs.

Base Salaries

Base salaries have been based on evaluations of past and current Corporation operating profits and individual contribution to the Corporation's success, market data for comparable positions and salary levels of the Corporation's peer group companies and alignment of salary and organization within the Corporation. The Committee considers each of the individual factors but does not assign a specific value to each factor, and a subjective element is acknowledged in evaluating each executive's contribution. The Committee believes that the Corporation's executive level compensation is within the range of compensation offered by peer group companies.

Annual Bonuses

The annual bonus program has been designed to motivate and reward performance measured against individual, division, department and corporate objectives. Annual bonus awards are determined by the Committee in conjunction with senior management, and are based on evaluation of the performance, level of responsibility and leadership of the individual executive in relation to overall corporate results. Based on these criteria, annual bonuses were awarded to certain executive officers. See page 6.

Additionally, effective January 1, 2003, the Corporation adopted a new Management Bonus Plan. This plan is intended to provide incentive and reward to employees who contribute to the success of the Corporation and its affiliates by their invention, ability, industry or exceptional services by making those employees participants in that success. Each employee of the Company is eligible to participate in the plan and receive a cash bonus award based on rules established by the Committee, which may include the satisfaction of certain criteria.

Stock Options

Under the Incentive Stock Option Plan approved by the shareholders, the Committee, in its discretion, may grant options to purchase shares of Ethyl Common Stock (with or without related SARs) to any officer or key employee of the Corporation or any subsidiary who has contributed or can be expected to contribute to the Corporation's profits and growth. The Committee determines the amount of the grant, the term of the options and the requisite conditions for exercise. In 2002, options were granted to one employee.

CEO Compensation

In keeping with the objective of improving long-term performance and shareholder value, the Chief Executive Officer, who is also a major shareholder, strongly advocates pay for performance. The CEO asked not to be considered for a salary increase or a bonus for 2001. The Committee believes that the CEO took necessary strategic steps to meet the challenges of a difficult market environment in 2002. Despite these challenges, because of the CEO's performance in the area of cost and debt reduction, as well as the improvements in some markets, the Committee has awarded the CEO a bonus of \$120,000 for 2002. The Committee believes that the CEO's total compensation for 2002 is within the range of CEO compensation offered by peer group companies.

Section 162(m)

Section 162(m) of the Code provides certain criteria for the tax deductibility of compensation in excess of \$1 million paid to the Corporation's executive officers. To meet the criteria applicable to performance-based compensation (as defined in Section 162(m) of the Code), certain of the Corporation's benefit plans would have to be amended to limit the Committee's discretion to determine individual awards based on individual performance factors and other factors as the Committee may determine, from time to time, to be relevant.

The Committee believes that the flexibility on awards is an important feature of the plans and one that serves the best interests of the Corporation by allowing the Committee to recognize and motivate individual executive officers as circumstances warrant. Further, in 2002, there was no compensation subject to the loss of tax deductibility. Consequently, the Committee does not propose at the present time to amend any plan to comply with the performance-based criteria.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Audit Committee") is composed of four independent directors and operates under a written charter adopted by the Board of Directors. Management is responsible for the Corporation's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to report thereon to the Board of Directors. The Audit Committee also reviews audit fees and recommends to the Board of Directors, subject to shareholder ratification, the selection of the Corporation's independent accountants. In this context, the Audit Committee has met and held discussions with management and PricewaterhouseCoopers LLP, the Corporation's independent accountants.

Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and PricewaterhouseCoopers.

The Audit Committee has discussed with PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Accounting Standards), including the scope of the auditor's responsibilities, significant accounting adjustments and any disagreements with management.

The Audit Committee also has received the written disclosures and the letter from PricewaterhouseCoopers relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with PricewaterhouseCoopers that firm's independence from the Corporation.

Based upon the Audit Committee's discussions with management and PricewaterhouseCoopers and the Audit Committee's review of the representation of management and the report of PricewaterhouseCoopers to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

During the fiscal year ended December 31, 2002, PricewaterhouseCoopers billed the Corporation the fees set forth below in connection with services rendered by that firm to the Corporation.

Audit Fees. For professional services rendered by PricewaterhouseCoopers for the audit of the Corporation's annual financial statements for the fiscal year ended December 31, 2002, and the reviews of the financial statements included in the Corporation's Quarterly Reports on Form 10-Q for the fiscal year ended December 31, 2002, PricewaterhouseCoopers billed the Corporation fees in the aggregate amount of \$768,849.

Financial Information Systems Design and Implementation Fees. For the fiscal year ended December 31, 2002 there were no fees billed by PricewaterhouseCoopers for professional services rendered in connection with financial information systems design and implementation.

Edgar Filing: ETHYL CORP - Form DEF 14A

All Other Fees. For professional services other than those described above for the fiscal year ended December 31, 2002, PriceWaterhouseCoopers billed the Corporation fees in the aggregate amount of \$455,983, primarily for services relating to taxes and the extension of the Corporation's credit facility. To ensure compliance with the Securities and Exchanges Commission's new requirements relating to the independence of the external auditors, the Corporation has engaged Keiter, Stephens, Hurst, Gary and Shreaves to assist the Corporation with the performance of internal audit procedures for 2002 and 2003.

As a part of its deliberations, the Audit Committee has considered whether the provision of services described above under Financial Information Systems Design and Implementation Fees and All Other Fees is compatible with maintaining the independence of PricewaterhouseCoopers.

DESIGNATION OF AUDITORS

PROPOSAL 2

The Board of Directors has designated PricewaterhouseCoopers LLP, certified public accountants, as the Corporation's independent auditors for the year 2003, subject to shareholder approval. Coopers & Lybrand, L.L.P., which was the predecessor of PricewaterhouseCoopers, has audited the Corporation's financial statements since 1962 and those of the former Ethyl Corporation (Delaware) from 1947 to 1962. A representative of PricewaterhouseCoopers is expected to be present at the annual meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

PricewaterhouseCoopers' principal function is to audit the consolidated financial statements of the Corporation and its subsidiaries and, in connection with that audit, to review certain related filings with the Securities and Exchange Commission and to conduct limited reviews of the financial statements included in the Corporation's quarterly reports.
