Who is Entitled to Vote?

We have fixed the close of business on January 4, 2008, as the record date for shareholders entitled to notice of and to vote at the Citizens Community Bancorp, Inc. annual meeting. Only holders of

record of Citizens Community Bancorp, Inc. common stock on that record date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Citizens Community Bancorp, Inc. common stock you own. On January 4, 2008, 6,815,989 shares of Citizens Community Bancorp, Inc. common stock were outstanding and entitled to vote at the annual meeting.

What if My Shares are Held in "Street Name" by a Broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to "non-discretionary" items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as "broker non-votes." The proposals to elect directors and ratify auditors described in this proxy statement are considered "discretionary" items under the Nasdaq Stock Market rules.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan be Voted?

We maintain an employee stock ownership plan ("ESOP") which owns 8.35% of Citizens Community Bancorp, Inc. common stock. Employees of Citizens Community Bancorp, Inc. and Citizens Community Federal participate in the ESOP. Each ESOP participant instructs the trustee of the plan how to vote the shares of Citizens Community Bancorp, Inc. common stock allocated to his or her account under the ESOP. If an ESOP participant properly executes the voting instruction card distributed by the ESOP trustee, the ESOP trustee will vote the participant's shares in accordance with the participant's instructions. Shares of Citizens Community Bancorp, Inc. common stock held in the ESOP, but not allocated to any participant's account, and allocated shares for which no voting instructions are received from participants, will be voted by the trustee in the same proportion as shares for which the trustees have received voting instructions.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Citizens Community Bancorp, Inc. common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What If a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held after May 14, 2008. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal I: Election of Directors.

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Citizens Community Bancorp, Inc. common stock. Pursuant to our charter, stockholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Our Board of Directors unanimously recommends that you vote "FOR" the election of each of management's director nominees.

Vote Required to Approve Proposal II: Approval of Citizens Community Bancorp, Inc. 2008 Equity Incentive Plan.

Approval of the Citizens Community Bancorp, Inc. 2008 Equity Incentive Plan requires the affirmative vote of the majority of shares cast, in person or by proxy, at the annual meeting by holders of Citizens Community Bancorp, Inc. Common Stock. Our board of directors unanimously recommends that you vote "FOR" the proposal to approve the 2008 Equity Incentive Plan.

Vote Required to Approve Proposal III: Ratification of the Appointment of Our Independent Auditors.

Ratification of the appointment of Wipfli LLP as our independent auditors for the fiscal year ending September 30, 2008, requires the affirmative vote of the majority of shares cast, in person or by proxy, at the annual meeting by holders of Citizens Community Bancorp, Inc. common stock. Our Board of Directors unanimously recommends that you vote "FOR" the proposal to ratify Wipfli LLP as our independent auditors for the fiscal year ending September 30, 2008.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. Shares of Citizens Community Bancorp, Inc. common stock can only be voted if the shareholder is present in person at the annual meeting or by proxy. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of Citizens Community Bancorp, Inc. common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to Citizens Community Bancorp, Inc. with no specific instruction as to how to vote at the annual meeting, the persons named in the proxy will vote the shares "FOR" the election of each of management's director nominees, "FOR" the proposal to approve the Citizens Community Bancorp, Inc. 2008 Equity Incentive Plan and "FOR" ratification of the appointment of Wipfli LLP as our independent auditors for the fiscal year ending September 30, 2008. Should any other matters be properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. No other matters are currently expected by the Board of Directors to be properly presented at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children--in which case you will receive three separate proxy cards to vote.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Corporate Secretary of Citizens Community Bancorp, Inc. in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

Edgar Filing: Citizens Community Bancorp Inc. - Form DEF 14A

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

Proxy Solicitation Costs.

We will pay the cost of soliciting proxies. In addition to this mailing, our directors, officers and employees may also solicit proxies personally, electronically or by telephone. We will also reimburse brokers and other nominees for their expenses in sending these materials to you and obtaining your voting instructions.

Citizens Community Bancorp, Inc. has retained Regan & Associates, Inc. as its proxy solicitor in connection with the annual meeting. The anticipated cost of this engagement is approximately \$6,000.

The Nasdaq independence definition includes a series of objective tests, such as that the director is not an employee of the company and has not engaged in various types of business dealings with the company. As further required by the Nasdaq rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and Citizens Community Bancorp, Inc. with regard to each director's business and personal activities as they may relate to Citizens Community Bancorp, Inc. and its management.

PROPOSAL II

APPROVAL OF CITIZENS COMMUNITY BANCORP, INC.

2008 EQUITY INCENTIVE PLAN

Purpose

The purpose of the Citizens Community Bancorp, Inc. 2008 Equity Incentive Plan ("Incentive Plan") is to promote the long-term success of Citizens Community Bancorp, Inc. and increase shareholder value by:

- attracting and retaining key employees and directors;
- encouraging directors and key employees to focus on long-range objectives; and
- further linking the interests of directors, officers and employees directly to the interests of the shareholders.

The Incentive Plan, if approved by shareholders, will provide Citizens Community Bancorp, Inc. with an additional tool to attract, motivate and retain the most qualified management and other personnel and link the interests of directors, officers and employees with the interests of shareholders. In furtherance of these objectives, our Board of Directors has adopted the Incentive Plan, subject to approval by the shareholders at this meeting.

The Incentive Plan will allow Citizens Community Bancorp, Inc. to grant or award stock options, stock appreciation rights, restricted stock and restricted stock units to directors, advisory directors, officers and other employees of Citizens Community Bancorp, Inc. or Citizens Community Federal. The Incentive Plan will become effective as of the date it is approved by the shareholders.

A summary of the Incentive Plan is set forth below. This summary is, however, qualified by and subject to the more complete information set forth in the Incentive Plan, a copy of which is attached to this document as Appendix A. We believe the Incentive Plan complies with the requirements of the Office of Thrift Supervision. The Office of Thrift Supervision does not endorse or approve the Incentive Plan in any manner.

If this plan is approved, and awards are granted under the plan, it may have a dilutive effect on Citizens Community Bancorp, Inc.'s shareholders and will impact Citizens Community Bancorp, Inc.'s net income and shareholders' equity, although the actual results cannot be determined until the plan is implemented.

Administration of the Incentive Plan

The Incentive Plan will be administered by a committee of the Board of Directors of Citizens Community Bancorp, Inc., consisting of at least two members, each of whom must be a "Non-Employee Director" and an "Outside Director," as those terms are described in the Incentive Plan (the "Incentive Plan Committee"). The Incentive Plan Committee will:

- select persons to receive stock options, stock appreciation rights and restricted stock awards from among the eligible participants;
- determine the types of awards and the number of shares to be awarded to participants;
- set the terms, conditions and provisions of the stock options or stock appreciation rights and restricted stock awards consistent with the terms of the Incentive Plan; and

- establish rules for the administration of the Incentive Plan.

The Incentive Plan Committee has the power to interpret the Incentive Plan and to make all other determinations necessary or advisable for its administration.

In granting awards under the Incentive Plan, the Incentive Plan Committee will consider, among other factors, the position and years of service of the individual, the value of the individual's services to Citizens Community Bancorp, Inc. and its subsidiaries and the added responsibilities of these individuals as employees, directors and officers of a public company.

Number of Shares That May Be Awarded

The aggregate number of shares of common stock of Citizens Community Bancorp, Inc. reserved and available for issuance under the Incentive Plan is 597,605, which represents 8.40% of the total outstanding shares. The fair market value of such shares is approximately \$5.1 million, based on the closing price of the common stock of Citizens Community Bancorp, Inc. on January 7, 2008. Only shares actually issued to participants or retained or surrendered to satisfy tax withholding obligations for awards under the Incentive Plan count against this total number of shares available under the Incentive Plan. The 597,605 shares of Citizens Community Bancorp, Inc. common stock available under the Incentive Plan are subject to adjustment in the event of certain business reorganizations.

The Incentive Plan provides for the use of authorized but unissued shares or treasury shares to fund awards. Treasury shares are previously issued shares of Citizens Community Bancorp, Inc. common stock that are no longer outstanding as a result of having been repurchased or otherwise reacquired by the company. We intend to fund awards under the Incentive Plan with treasury shares to the extent available. To the extent we use authorized but unissued shares, rather than treasury shares, to fund awards under the plan, the awards will have the effect of diluting the holdings of persons who own our common stock. Assuming all awards under the Incentive Plan are awarded and exercised through the use of authorized but unissued common stock, current shareholders would be diluted by approximately 7.75%.

Under the Incentive Plan, the Incentive Plan Committee may grant stock options and stock appreciation rights that, upon exercise, result in the issuance of 426,860 shares of Citizens Community Bancorp, Inc. common stock. This amount represents 6.00% of the amount of Citizens Community Bancorp, Inc. common stock currently outstanding. The Incentive Plan also provides that no person may be granted stock options and stock appreciation rights with respect to more than 106,715 shares of Citizens Community Bancorp, Inc. common stock. Under the Incentive Plan, the Incentive Plan Committee may grant restricted stock and restricted stock units for an aggregate of 170,745 shares of Citizens Community Bancorp, Inc. common stock. This amount represents 2.40% of the amount of shares outstanding. The Incentive Plan also provides that no person may be granted restricted stock or restricted stock units for more than 42,686 shares of Citizens Community Bancorp, Inc.

Eligibility to Receive Awards

The Incentive Plan Committee may grant awards under the Incentive Plan to directors, advisory directors, officers and employees of Citizens Community Bancorp, Inc. and its subsidiaries. The Incentive Plan Committee will select persons to receive awards among the eligible participants and determine the number of shares for each award granted. There are approximately 169 individuals who currently are eligible to receive awards under the Incentive Plan.

Terms and Conditions of Awards Under the Incentive Plan

Stock Options. The Incentive Plan Committee may grant stock options to purchase shares of Citizens Community Bancorp, Inc. common stock at a price that is not less than the fair market value of

the common stock on the date the option is granted. The fair market value is the last sale price as quoted on the NASDAQ Global Market.

Stock options may not be exercised later than 10 years after the grant date. Subject to the limitations imposed by the provisions of the Internal Revenue Code, certain of the options granted under the Incentive Plan to officers and employees may be designated as "incentive stock options." Incentive stock options may not be exercised later than 10 years after the grant date. Options that are not designated and do not otherwise qualify as incentive stock options are referred to in this document as "non-qualified stock options."

The Incentive Plan Committee will determine the time or times at which a stock option may be exercised in whole or in part and the method or methods by which, and the forms in which, payment of the exercise price with respect to the stock option may be made. Unless otherwise determined by the Incentive Plan Committee or set forth in the written award agreement evidencing the grant of the stock option, upon termination of service of the participant for any reason other than for cause, all stock options then currently exercisable by the participant shall remain exercisable for one year for terminations due to death or disability and three months for other terminations, or until the expiration of the stock option by its terms if sooner.

Stock options granted and outstanding will require an expense accrual by Citizens Community Bancorp, Inc. each quarter based on the anticipated value of the options. This valuation is based on a number of factors, including the vesting period for the options, the exercise price and the fair market value of the common stock.

Stock Appreciation Rights. The Incentive Plan Committee may grant stock appreciation rights, which give the recipient of the award the right to receive the excess of the market value of the shares represented by the stock appreciation rights on the date exercised over the exercise price. The exercise price may not be less than the fair market value of the common stock on the date the right is granted. Upon the exercise of a stock appreciation right, the holder will receive the amount due in shares of Citizens Community Bancorp, Inc. common stock. Stock appreciation rights may be related to stock options ("tandem stock appreciation rights"), in which case the exercise of one award will reduce to that extent the number of shares represented by the other award. Stock appreciation rights may not be exercised later than 10 years after the grant date.

Unless otherwise determined by the Incentive Plan Committee or set forth in the written award agreement evidencing the grant of the stock appreciation right, upon termination of service of the participant for any reason other than for cause, all stock appreciation rights then currently exercisable by the participant shall remain exercisable for one year for terminations due to death or disability and three months for other terminations, or until the expiration of the stock appreciation right by its terms if sooner.

The Incentive Plan Committee will determine the time or times at which a stock appreciation right may be exercised in whole or in part; however, except as described under "Acceleration of Vesting," all rights granted must vest over at least five years.

Stock appreciation rights will require an expense accrual by Citizens Community Bancorp, Inc. each year for the appreciation on the stock appreciation rights that it anticipates will be exercised. The amount of the accrual is dependent upon whether, and the extent to which, the stock appreciation rights are granted and the amount, if any, by which the market value of the stock appreciation rights exceeds the exercise price.

Restricted Stock Awards. The Incentive Plan Committee is authorized to grant restricted stock, which are shares of Citizens Community Bancorp, Inc. common stock subject to forfeiture and limits on transfer until the shares vest, and restricted stock units, which are rights to receive shares of Citizens Community Bancorp, Inc. common stock subject to similar limits as on restricted stock.

During the vesting period the recipient of restricted stock will have all the rights of a shareholder, including the power to vote and the right to receive dividends with respect to those shares. No such rights apply to restricted stock units, until shares are issued for those units. Shares of restricted stock and restricted stock units generally may not be sold, assigned, transferred, pledged or otherwise encumbered by the participant during the restricted period.

The Incentive Plan Committee has the right to determine any other terms and conditions, not inconsistent with the Incentive Plan, upon which a restricted stock award shall be granted.

Acceleration of Vesting

Upon a change in control of Citizens Community Bancorp, Inc. or upon the termination of the award recipients' service due to death or disability, all unvested awards under the Incentive Plan vest as of the date of that change in control or termination.

Subject to compliance with applicable OTS regulations, the Incentive Plan Committee also has the authority, in its discretion, to accelerate the time at which any or all of the restrictions will lapse with respect to any awards, or to remove any or all of such restrictions, whenever it may determine that this action is appropriate by reason of changes in applicable tax or other laws or other changes in circumstances occurring after the grant date.

Forfeiture of Awards

If the holder of an unvested award terminates service other than due to death, disability or a change in control, the unvested award will be forfeited by the holder. Upon any termination of service for cause, all stock options or stock appreciation rights not previously exercised shall be immediately forfeited by the holder.

Transferability of Awards

Stock options, stock appreciation rights and unvested restricted stock awards may be transferred upon the death of the holder to whom it was awarded, by will or the laws of inheritance. Stock options and stock appreciation rights may be transferred during the lifetime of the holder to whom it was awarded only pursuant to a qualified domestic relations order.

Amendment and Termination of the Incentive Plan

The Incentive Plan shall continue in effect for a term of 10 years, after which no further awards may be granted. The board of directors may at any time amend, suspend or terminate the Incentive Plan or any portion thereof, except to the extent shareholder approval is necessary or required for purposes of any applicable federal or state law or regulation or the rules of any stock exchange or automated quotation system on which our common stock may then be listed or quoted. Shareholder approval will generally be required with respect to an amendment to the Incentive Plan that will: (i) increase the aggregate number of securities that may be issued under the plan, except as specifically set forth under the plan; (ii) materially increase the benefits accruing to participants under the Incentive Plan; (iii) materially change the requirements as to eligibility for participation in the Incentive Plan; or (iv) change the class of persons eligible to participate in the Incentive Plan. No amendment, suspension or termination of the Incentive Plan, however, will impair the rights of any participant, without his or her consent, in any award already granted.

Federal Income Tax Consequences

Under current federal tax law, non-qualified stock options granted under the Incentive Plan will not result in any taxable income to the optionee at the time of grant or any tax deduction to Citizens

Community Bancorp, Inc. Upon the exercise of a non-qualified stock option, the excess of the market value of the shares acquired over their cost is taxable to the optionee as compensation income and is generally deductible by Citizens Community Bancorp, Inc. The optionee's tax basis for the shares is the market value of the shares at the time of exercise.

Neither the grant nor the exercise of an incentive stock option under the Incentive Plan will result in any federal tax consequences to either the optionee or Citizens Community Bancorp, Inc., although the difference between the market price on the date of exercise and the exercise price is an item of adjustment included for purposes of calculating the optionee's alternative minimum tax. Except as described below, at the time the optionee sells shares acquired pursuant to the exercise of an incentive stock option, the excess of the sale price over the exercise price will qualify as a long-term capital gain if the applicable holding period is satisfied. If the optionee disposes of the shares within two years of the date of grant or within one year of the date of exercise, an amount equal to the lesser of (i) the difference between the fair market value of the shares on the date of exercise and the exercise price, or (ii) the difference between the exercise price and the sale price will be taxed as ordinary income and Citizens Community Bancorp, Inc. will be entitled to a deduction in the same amount. The excess, if any, of the sale price over the sum of the exercise price and the amount taxed as ordinary income will qualify as long-term capital gain if the applicable holding period is satisfied. If the optionee exercises an incentive stock option more than three months after his or her termination of employment, he or she generally is deemed to have exercised a non-qualified stock option. The time frame in which to exercise an incentive stock option is extended in the event of the death or disability of the optionee.

The exercise of a stock appreciation right will result in the recognition of ordinary income by the recipient on the date of exercise in an amount of cash and/or the fair market value on that date of the shares acquired pursuant to the exercise. Citizens Community Bancorp, Inc. will be entitled to a corresponding deduction.

Recipients of shares granted under the Incentive Plan will recognize ordinary income on the date that the shares are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the shares on that date. In certain circumstances, a holder may elect to recognize ordinary income and determine the fair market value on the date of the grant of the restricted stock. Recipients of shares granted under the Incentive Plan will also recognize ordinary income equal to their dividend or dividend equivalent payments when these payments are received.

Proposed Awards Under the Incentive Plan

No awards have been proposed by the Board of Directors as of the date of this proxy statement.

Vote Required for Approval

Approval of the Incentive Plan requires the affirmative vote of a majority of the shares actually cast, in person or by proxy, on the matter at the annual meeting.

Your Board of Directors recommends that you vote "FOR" this proposal.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

We provide what we believe is a competitive total compensation package to our executive management team through a combination of base salary and broad-based benefits programs.

The Compensation Committee has full responsibility and discretion to evaluate and compensate our executive officers within the parameters of our compensation principles and philosophy. It oversees or administers all Company and Bank compensation plans and reviews Mr. Cooley's performance on an annual basis. Though the overall responsibility for setting compensation belongs to the Compensation Committee, Mr. Cooley assists the Committee in establishing compensation levels and forms for senior level employees, except himself. Mr. Cooley reviews all the other executive officers and provides the Compensation Committee with those reviews and compensation recommendations for all those other executive officers. Only the Committee establishes Mr. Cooley's compensation.

This Compensation Discussion and Analysis explains our compensation philosophy, policies and practices with respect to our chief executive officer, chief financial officer and the other four most highly-compensated executive officers, which are collectively referred to as the named executive officers.

The Objectives of our Executive Compensation Program

Our executive compensation programs are designed to achieve the following objectives:

- Attract and retain talented and experienced executives in the highly competitive banking industry;
- Motivate and reward executives whose knowledge, skills and performance are critical to our success;
- Provide a competitive compensation package which is weighted heavily towards pay for performance, and in which total compensation is primarily determined by company/team and individual results and, since our public offering,

the creation of shareholder value;

- Ensure fairness among the executive management team by recognizing the contributions each executive makes to our success;
- Foster a shared commitment among executives by coordinating their company/team and individual goals; and
 - Compensate our executives to manage our business to meet our long-range objectives.

• Our Executive Compensation Programs

Overall, our executive compensation programs are designed to be consistent with the objectives and principles set forth above. The basic elements of our executive compensation programs are summarized in the table below, followed by a more detailed discussion of each compensation program.

Element	Characteristics	Purpose
Base Salary	Fixed annual cash compensation; all executives are eligible for periodic increases in base salary based on performance; targeted at market pay levels.	Keep our annual compensation competitive with the market for skills and experience necessary to meet the requirements of the executive's role with us.
Annual cash incentive	Presently, Citizens does not provide performance incentives for executives.	
Retirement benefits	Tax-deferred 401(k) plan in which all employees can choose to defer compensation for retirement. We provide a matching contribution to eligible employees and employees can vest in Citizens Bank's contributions with each year of service with full vesting after 5 years of service. We do not allow employees to invest these savings in company stock. In March 2004, an ESOP feature was added to Citizens Community Federal. Shares of Citizens Community Bancorp, Inc. stock are allocated to all eligible employees with full vesting after 5 years of service. The Deferred Compensation Plan is a nonqualified voluntary deferral program that allows the named executive officers to defer a portion of their annual compensation. Deferred amounts and earnings are unfunded. The Supplemental Executive Retirement Plan (SERP) is an unfunded, non-contributory program. The SERP applies only to certain key employees.	Provide employees the opportunity to save for their retirement. Account balances are affected by contributions. Employees may direct the investment of their entire account balance, including employer contributions. The 401(k) Plan is described in more detail on page 22 of this proxy statement. To reward employees for the success of Citizens Community Federal and to create ownership among the employee population, aiding in recruitment and retention of employees. The ESOP is described in more detail on pages 22 and 23 of this proxy statement. Provides a tax-deferred retirement savings alternative. The Deferred Compensation Plan is described in more detail on page 21 of this proxy statement. The SERP supplements the total retirement benefits for certain key employees. The SERP is described in more detail on pages 22 and 25 of this proxy statement.
Health & welfare benefits	Fixed component. The same/comparable health and welfare benefits (medical, dental, vision, disability insurance and life insurance) are available for all full-time employees.	Provides benefits to meet the health and welfare needs of employees and their families

Continuation of health and welfare benefits may occur as part of severance upon certain terminations of employment.

Change in
Control and
Termination
Benefits

We have an employment agreement with the CEO and certain officers, including our named executive officers. The employment agreements provide for certain payments over a two to three year period in the event of a termination other than for cause, death or disability.

The employment agreements are designed to retain executives and provide continuity of management in the event of an actual or threatened change in control. The employment agreements are described in more detail on pages 21 and 22 of this proxy statement.

We consider market pay practices and practices of peer companies in determining the amounts to be paid. Compensation opportunities for our executive officers, including our named executive officers, are designed to be competitive with peer companies.

Determination of Appropriate Pay Levels

Pay Philosophy and Competitive Standing

We strive to provide a total compensation package that is competitive with total compensation provided by industry peer groups in order to attract and retain executives with the ability and the experience necessary to lead us and deliver strong performance to Citizens Community Federal.

We target base salaries to be within a range established for each position according to demand for the position in the marketplace, needs of our organization, experience and relationship to competitive market data surveys. We believe our executive compensation packages are reasonable when considering our business strategy, our compensation philosophy and the competitive market pay data.

With the assistance of the American Community Banker's Salary survey, we collected and analyzed competitive market data. We compare compensation paid to our named executive officers with compensation paid to executive officers in comparable positions at similar companies (or "Comparison Group"). The Comparison Group includes companies from the banking and financial services industry in which we compete, particularly financial institutions and financial institution holding companies of similar size to Citizens Community Federal. This information is used to determine our competitive position among similar companies in the marketplace, and to assist us in setting our targeted pay at the desired range relative to our peers. All of our named executive officers' base salaries fall within the American Community Banker's compensation guidelines.

2007 Base Salary

Our base salary levels reflect a combination of factors, including competitive pay levels relative to peer groups discussed above, the executive's experience and tenure, our overall annual budget, the executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percent of total compensation.

As noted above, our compensation philosophy targets base salaries that are consistent with the market for comparable positions. The base salaries of our named executive officers compared to competitive benchmarking reflect our philosophy. Base salary increases are consistent with marketplace data and practice. Base pay increases granted to Ms. Johnson, Mr. Cruciani and Mr. Cooley for 2007 ranged from 3.0% to 9.0% and were established after considering job performance, internal pay alignment, and marketplace competitiveness.

Factors Considered in Decisions to Increase or Decrease Compensation Materially

In determining whether to increase or decrease compensation to our executive officers, including our named executive officers, annually we take into account the changes (if any) in the market pay levels based on our survey information, the contributions made by the executive officer, the performance of the executive officer, the increases or decreases in responsibilities and role of the executive officer. In addition, we consider the executive officers' current base salary in relation to the roles and responsibilities of their positions compared to market as identified through market data.

Impact of Accounting and Tax Treatments of Compensation

The accounting and tax treatment of compensation generally has not been a factor in determining the amounts of compensation for our executive officers. However, the Compensation Committee and management have considered the accounting and tax impact of various program designs to balance the potential cost of the Company with the benefit value to the executive.

With regard to Code Section 162(m), it is the Compensation Committee's intent to maximize deductibility of executive compensation while retaining some discretion needed to compensate executives in a manner commensurate with performance and the competitive landscape for executive talent. The

2008 Equity Incentive Plan is being submitted for approval by shareholders in this proxy statement, and permits the award of stock options, SARs and other equity awards that are fully deductible under Code Section 162(m).

With the adoption of FAS 123R, we do not expect accounting treatment of differing forms of equity awards to vary significantly and, therefore, accounting treatment is not expected to have a material effect on the selection of forms of equity compensation in the future.

Role of Executive Officers in Determining Compensation

The compensation committee meets outside the presence of all our executive officers, including the named executive officers, to consider appropriate compensation for our chief executive officer. For all other named executive officers, the committee meets outside the presence of all executive officers, except our chief executive officer. Mr. Cooley, our chief executive officer, or CEO, annually reviews each other named executive officer's performance with the committee and makes recommendations to the compensation committee with respect to the appropriate base salary. Based in part on these recommendations from our CEO and other considerations already discussed, the compensation committee approves the annual compensation package of our executive officers other than our CEO. The compensation committee also annually analyzes our CEO's performance and determines his base salary on its assessment of his performance along with guidance from the American Community Banker's Salary survey. The annual performance review discussion of our executive officers held with the CEO are considered by the compensation committee when making decisions on setting base salaries.

Non-qualified Deferred Compensation

Deferred Compensation Plan. As a result of the Bank's acquisition of Community Plus Savings Bank, the Bank maintains a deferred compensation plan that allows selected management and highly compensated employees to defer a portion of their current base salary into the plan until his or her termination of service, disability or a change in control. There is no limit regarding how much of a participants' compensation may be deferred. The plan earns money by adding 2% to cost of funds at the end of the calendar year. Currently, Mr. Ashley is the only participant in the plan.

Potential Termination and Change in Control Payments

In addition to the payments and benefits provided to the named executive officers upon their regular retirement, disability or death or upon the termination of their employment by the Bank for cause or by the officer voluntarily, which are described in this proxy statement, the named executive officers are entitled to additional benefits or accelerated vesting under our compensation plans upon a termination by the Bank without cause, a constructive termination, or a termination in connection with a change in control by the Company or the Bank.

Employment Agreements with Named Executives. Citizens Community Federal currently has rolling three-year employment agreements with Mr. Cooley, Mr. Zettler, Mr. Cruciani, and Ms. Johnson. Under these employment agreements, the salary levels for fiscal 2007 were \$241,725, \$115,009, \$116,417 and \$98,132, respectively. The agreements also provide for equitable participation by officers in Citizens Community Federal's employee benefit plans.

The agreements may be terminated by Citizens Community Federal at any time or by the executive if he or she is assigned duties inconsistent with their title, duties, responsibilities and status. In

the event that the officer's employment is terminated without cause or constructively terminated, Citizen Community Federal would be required to honor the terms of the agreement through the expiration of the contract, including payment of the then-current cash compensation.

The employment agreements include an agreement not to compete with Citizens Community Federal with regard to the delivery of financial services for a period of 12 months following termination of employment. The value of compensation and benefits payable under the agreements is capped so as to prevent imposition of the golden parachute sanctions under Sections 280G and 4999 of the Internal Revenue Code.

Supplemental Executive Retirement Plan. Our Supplemental Executive Retirement Plan ("SERP"), which provides benefits to our directors, also provides benefits to certain key employees selected by the Compensation Committee upon retirement. This plan is an unfunded, non-contributory defined benefit under which we will pay supplemental pension benefits to certain key employees upon retirement. Benefits are based on a formula that includes participants' past and future earnings and years of service. All executive officers in the Summary Compensation Table are participants in this plan. For a detailed description of the SERP, see the description on page 25 under "Non-Employee Director Compensation."

401(k) Plan. We offer our employees a 401(k) plan, which is a qualified, tax-exempt savings plan with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code. All employees who have attained age 21 and completed twelve months of continuous employment, during which they worked at least 1,000 hours, are eligible to participate.

Participants are permitted to make salary reduction contributions to the 401(k) Plan of up to 100% of their salary, up to a maximum of \$15,000 (\$20,000 for employees over 50 years of age). We match each contribution in an amount equal to 150% of the participant's 401(k) deferrals for the year up to 3% of their salary. All contributions made by participants are before-tax contributions. All participant contributions and earnings are fully and immediately vested. All matching contributions are vested at a rate of 20% per year after a two year period over a five-year period commencing after one year of employment with us. However, in the event of retirement at age 65 or older, permanent disability or death, a participant will automatically become 100% vested in the value of all matching contributions and earnings thereon, regardless of the number of years of employment.

Participants may invest amounts contributed to their 401(k) plan accounts in one or more investment options available under the 401(k) plan. Changes in investment directions among the funds are permitted on a periodic basis pursuant to procedures established by the plan administrator. Each participant receives a quarterly statement that provides information regarding, among other things, the market value of all investments and contributions made to the 401(k) plan on the participant's behalf. All named executive officers in the Summary Compensation Table received 3% contributions during our last fiscal year.

Employee Stock Ownership Plan. Citizens Community Federal established an employee stock ownership plan in 2004 for employees of Citizens Community Federal. The plan was continued during the second step conversion process in October of 2006 and now owns over 8% of the shares of common stock of Citizens Community Bancorp, Inc.

The employee stock ownership plan borrowed funds from the CCBI to purchase shares of common stock of this entity. The interest rate payable on these loans is fixed at the prime rate of interest at the time the loans were made, and that stock purchases with loan proceeds serves as collateral for this loan. Shares purchased by the employee stock ownership plan with the proceeds of the loan are held in a suspense account. As Citizens Community Federal repays those loans over a ten-year period, shares are released to participants' accounts.

In any plan year, we may make additional discretionary contributions for the benefit of plan participants in either cash or shares of common stock, which may be acquired through the purchase of outstanding shares in the market or from individual stockholders, upon the original issuance of additional shares by us or upon the sale of our treasury shares. These purchases, if made, would be funded through additional borrowings by the employee stock ownership plan or additional contributions by Citizens Community Federal. The timing, amount and manner of future contributions to the employee stock ownership plan will be affected by various factors, including prevailing regulatory policies, the requirements of applicable laws and regulations and market conditions.

Shares released from the employee stock ownership plan are allocated to each eligible participant's employee stock ownership plan account based on the ratio of each such participant's compensation to the total compensation of all eligible employee stock ownership plan participants. Forfeitures are reallocated among remaining participating employees and may reduce any amount we might otherwise have contributed to the employee stock ownership plan. The account balances of participants within the employee stock ownership plan become 100% vested after five years of service. Credit for eligibility and vesting is given for years of service prior to adoption of the employee stock ownership plan. In the case of a "change in control," as defined in the employee stock ownership plan, which triggers a termination of the employee stock ownership plan, participants will become immediately fully vested in their account balances. Benefits are payable upon retirement or other separation from service. Our contributions to the employee stock ownership plan are not fixed, so benefits payable under the employee stock ownership plan cannot be estimated.

First Bankers Trust Company of Quincy, Illinois, serves as trustee of the employee stock ownership plan. Under the employee stock ownership plan, the trustee must vote all allocated shares held in the employee stock ownership plan in accordance with the instructions of the participating employees, and unallocated shares are voted in the same ratio on any matter as those allocated shares for which instructions are given.

GAAP requires that any third party borrowing by the employee stock ownership plan be reflected as a liability on Citizens Community Bancorp, Inc.'s balance sheet. Since the employee stock ownership plan borrows from Citizens Community Bancorp, Inc., such obligations are not treated as a liability, but are excluded from stockholders' equity until repaid. If the employee stock ownership plan purchases newly issued shares, total stockholders' equity would neither increase nor decrease, but per share stockholders' equity and per share net earnings would decrease as the newly issued shares are allocated to the employee stock ownership plan participants.

The employee stock ownership plan is subject to the requirements of ERISA and the regulations of the IRS and the Department of Labor thereunder. The IRS has provided a favorable determination that the employee stock ownership plan is a tax-qualified plan.

Other Stock Benefit Plans. On February 4, 2005, our executive officers were awarded options to purchase shares of common stock of Citizens Community Bancorp under Citizens Community Bancorp's 2004 Stock Option and Incentive Plan, at an exercise price equal to the fair market value of the common stock on the date of grant. These options are exercisable at a rate of 20% annually during continued service as an employee. Upon disability, death, or a change in control, these awards become 100% exercisable. On that same date, our executive officers were awarded restricted stock under the 2004 Recognition and Retention Plan. The restricted stock vests at a rate of 20% annually during continued service as an employee. Upon death, disability or a change in control, these awards become 100% exercisable. We have adopted, subject to shareholder approval, an equity incentive plan for the benefit of selected directors, officers and employees. See "Proposal II - Approval of the Citizens Community Bancorp, Inc. Equity Incentive Plan" in this proxy statement for a detailed description of the plan.

COMPENSATION OF DIRECTORS

Non-Employee Director Compensation

The following table provides compensation information for each member of our board of directors during the year ended September 30, 2007 (except for Mr. Cooley, whose compensation is reported as a named executive officer). No stock options were awarded to directors during 2007.

Name	Fees Earned or Paid in Cash	Change in Pension Value and Non Qualified Deferred Compensation Earnings	All Other Compensation(1)	Total
Richard McHugh	\$18,000	\$7,076	---	\$25,076
Thomas C. Kempen	8,000	(638)	---	7,362
Brian R. Schilling	7,333	1,688	---	9,021
Donna E. Talmage	8,000	(638)	---	7,362
David B. Westrate	8,000	4,419	---	2,419

1. No director received personal benefits or perquisites exceeding \$10,000 in the aggregate. The earnings on each director's deferred compensation account, excluding the above-market earnings reported in the preceding column, are reported in the footnotes below.

Each director, except the Chairman, receives a fee of \$666.66 per month for services on the boards of Citizens Community Bancorp, Inc, and Citizens Community Federal. The Chairman is paid \$1,500 per month for board and board committee service. Total fees paid to directors of CCBI and Citizens Community Federal during fiscal year ended September 30, 2007 were \$49,333.

Citizens Community Federal maintains a Supplemental Executive and Director's Retirement Plan, which is an unfunded, non-contributory defined benefit plan providing for supplemental pension benefits for certain key employees and directors. Benefits are based on a formula that includes participants' past and future earnings and years of service with Citizens Community Federal. This retirement plan is administered by the Compensation Committee, which selects participants in the plan. Director McHugh is credited with one month of service under the plan for each month served since August 1, 2002. The remaining directors are credited with one month of service under the plan for every two months of service since August 1, 2002. The benefits under the plan are monthly payments for the lesser of 120 months or actual months of service under the plan, rounded up to the next full quarter end. All of the non-employee directors are participants in the plan. Director McHugh has quarterly benefits of \$4,500 per quarter, and the remaining non-officer directors have quarterly benefits of \$2,000 per quarter. Unless a vesting schedule is included in a participant's plan agreement, each participating director is fully vested in the benefits under the plan upon executing the plan agreement. The benefits under the plan are unfunded and unsecured and are merely promised by Citizens Community Federal. We are under no obligation to fund the plan in advance; however, if we chose to do so, such funded amounts would be automatically expensed at the time of funding. We accrue for the new liability based on a present valuation calculation. Benefits are expensed on a straight line basis over the remaining months until eligible retirement.

Business Relationships and Transactions with Executive Officers, Directors and Related Persons

The Company and the Bank may engage in a transaction or series of transactions with our directors, executive officers and certain persons related to them. Except for loans by the Bank, which are governed by a separate policy, these transactions that qualify as “related party” transactions under applicable regulations of the Securities and Exchange Commission are subject to the review and approval of the Audit/Compliance Committee and ratification by the Board of Directors. All other transactions with executive officers, directors and related persons are approved by the Board of Directors. There were

no transactions or series of transactions of this nature during 2007, the amount of which exceeded \$120,000.

The Bank has a written policy of granting loans to officers and directors, which fully complies with all applicable federal regulations. Loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those of comparable transactions with non-insiders prevailing at the time, in accordance with the Bank's underwriting guidelines, and do not involve more than the normal risk of collectibility or present other unfavorable features. These loans to directors and executive officers are not made at preferential rates. No director, executive officer or any of their affiliates had aggregate indebtedness to the Bank at below market interest rate loans exceeding \$120,000 in the aggregate at September 30, 2007. Loans to all directors and executive officers and their associates totaled approximately \$26,589 at September 30, 2007, which was approximately 0.03% of the Company's consolidated stockholders' equity at that date. All loans to directors and executive officers were performing in accordance with their terms at September 30, 2007.

Section 4.1 Committee.

(a) The Plan shall be administered by a Committee appointed by the Board for that purpose and consisting of not less than two (2) members of the Board. Each member of the Committee shall be an "Outside Director" within the meaning of Section 162(m) of the Code or a successor rule or regulation, a "Non-Employee Director" within the meaning of Rule 16b-3(b)(3)(i) under the Exchange Act or a successor rule or regulation and an "Independent Director" under the corporate governance rules and regulations imposing independence standards on committees performing similar functions promulgated by any national securities exchange or quotation system on which Shares are listed.

(b) The act of a majority of the members present at a meeting duly called and held shall be the act of the Committee. Any decision or determination reduced to writing and signed by all members shall be as fully effective as if made by unanimous vote at a meeting duly called and held.

(c) The Committee's decisions and determinations under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated.

Section 4.2 Committee Powers.

Subject to the terms and conditions of the Plan and such limitations as may be imposed by the Board, the Committee shall be responsible for the overall management and administration of the Plan and shall have such authority as shall be necessary or appropriate in order to carry out its responsibilities, including, without limitation, the authority:

A-4

to interpret and construe the Plan, and to determine all questions that may arise under the Plan as to eligibility for participation in the Plan, the number of Shares subject to Awards to be issued or granted, and the terms and conditions thereof;

with the consent of the Participant, to the extent deemed necessary by the Committee, amend or modify the terms of any outstanding Award or accelerate or defer the Vesting Date thereof;

to adopt rules and regulations and to prescribe forms for the operation and administration of the Plan; and

to take any other action not inconsistent with the provisions of the Plan that it may deem necessary or appropriate.

All decisions, determinations and other actions of the Committee made or taken in accordance with the terms of the Plan shall be final and conclusive and binding upon all parties having an interest therein.

ARTICLE V

STOCK OPTIONS

Section 5.1 Grant of Options.

(a) Subject to the limitations of the Plan, the Committee may, in its discretion, grant to a Participant an Option to purchase Shares. An Option must be designated as either an Incentive Stock Option or a Non-Qualified Stock Option and, if not designated as either, shall be a Non-Qualified Stock Option. Only employees of the Company or its Affiliates may receive Incentive Stock Options.

(b) Any Option granted shall be evidenced by an Award Agreement which shall:

specify the number of Shares covered by the Option;

specify the Exercise Price;

specify the Exercise Period;

specify the Vesting Date; and

contain such other terms and conditions not inconsistent with the Plan as the Committee may, in its discretion, prescribe.

Section 5.2 Size of Option.

Subject to the restrictions of the Plan, the number of Shares as to which a Participant may be granted Options shall be determined by the Committee, in its discretion.

Section 5.3 Exercise Price.

The price per Share at which an Option may be exercised shall be determined by the Committee, in its discretion, provided, however, that the Exercise Price shall not be less than the Fair Market Value of a Share on the date on which the Option is granted.

Section 5.4 Exercise Period.

The Exercise Period during which an Option may be exercised shall commence on the Vesting Date. It shall expire on the earliest of:

the date specified by the Committee in the Award Agreement;

A-5

the last day of the three-month period commencing on the date of the Participant's termination of Service, other than on account of death, Disability or a Termination for Cause;

the last day of the one-year period commencing on the date of the Participant's termination of Service due to death or Disability;

as of the time and on the date of the Participant's termination of Service due to a Termination for Cause; or

the last day of the ten-year period commencing on the date on which the Option was granted.

An Option that remains unexercised at the close of business on the last day of the Exercise Period shall be canceled without consideration at the close of business on that date.

Section 5.5 Vesting Date.

(a) The Vesting Date for each Option Award shall be determined by the Committee and specified in the Award Agreement.

(b) Unless otherwise determined by the Committee and specified in the Award Agreement:

if the Participant of an Option Award terminates Service prior to the Vesting Date for any reason other than death or Disability, any unvested Option shall be forfeited without consideration;

if the Participant of an Option Award terminates Service prior to the Vesting Date on account of death or Disability, the Vesting Date shall be accelerated to the date of the Participant's termination of Service; and

if a Change in Control occurs prior to the Vesting Date of an Option Award that is outstanding on the date of the Change in Control, the Vesting Date shall be accelerated to the earliest date of the Change in Control.

Section 5.6 Additional Restrictions on Incentive Stock Options.

An Option designated by the Committee to be an Incentive Stock Option shall be subject to the following provisions:

Notwithstanding any other provision of this Plan to the contrary, no Participant may receive an Incentive Stock Option under the Plan if such Participant, at the time the award is granted, owns (after application of the rules contained in Section 424(d) of the Code) stock possessing more than ten (10) percent of the total combined voting power of all classes of stock of the Company or its Affiliates, unless (i) the option price for such Incentive Stock Option is at least 110 percent of the Fair Market Value of the Shares subject to such Incentive Stock Option on the date of grant and (ii) such Option is not exercisable after the date five (5) years from the date such Incentive Stock Option is granted.

Each Participant who receives Shares upon exercise of an Option that is an Incentive Stock Option shall give the Company prompt notice of any sale of Shares prior to a date which is two years from the date the Option was granted or one year from the date the Option was exercised. Such sale shall disqualify the Option as an Incentive Stock Option.

The aggregate Fair Market Value (determined with respect to each Incentive Stock Option at the time such Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company or an Affiliate) shall not exceed \$100,000.

Any Option under this Plan which is designated by the Committee as an Incentive Stock Option but fails, for any reason, to meet the foregoing requirements shall be treated as a Non-Qualified Stock Option.

A-6

Section 5.7

Method of Exercise.

(a) Subject to the limitations of the Plan and the Award Agreement, an Option Holder may, at any time on or after the Vesting Date and during the Exercise Period, exercise his or her right to purchase all or any part of the Shares to which the Option relates; provided, however, that the minimum number of Shares which may be purchased at any time shall be 100, or, if less, the total number of Shares relating to the Option which remain un-purchased. An Option Holder shall exercise an Option to purchase Shares by:

giving written notice to the Committee, in such form and manner as the Committee may prescribe, of his or her intent to exercise the Option;

delivering to the Committee full payment for the Shares as to which the Option is to be exercised; and

satisfying such other conditions as may be prescribed in the Award Agreement.

(b) The Exercise Price of Shares to be purchased upon exercise of any Option shall be paid in full:

in cash (by certified or bank check or such other instrument as the Company may accept); or

if and to the extent permitted by the Committee, in the form of Shares already owned by the Option Holder for a period of more than six (6) months as of the exercise date and having an aggregate Fair Market Value on the date the Option is exercised equal to the aggregate Exercise Price to be paid; or

by a combination thereof.

Payment for any Shares to be purchased upon exercise of an Option may also be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds to pay the purchase price and applicable tax withholding amounts (if any), in which event the Shares acquired shall be delivered to the broker promptly following receipt of payment.

(c) When the requirements of this Section have been satisfied, the Committee shall take such action as is necessary to cause the issuance of a stock certificate evidencing the Option Holder's ownership of such Shares. The Person exercising the Option shall have no right to vote or to receive dividends, nor have any other rights with respect to the Shares, prior to the date the Shares are transferred to such Person on the stock transfer records of the Company, and no adjustments shall be made for any dividends or other rights for which the record date is prior to the date as of which the transfer is effected.

Section 5.8

Limitations on Options.

(a) An Option by its terms shall not be transferable by the Option Holder other than by will or the laws of descent and distribution, or pursuant to the terms of a Qualified Domestic Relations Order, and shall be exercisable, during the life of the Option Holder, only by the Option Holder or an alternate payee designated pursuant to such a Qualified Domestic Relations Order; provided, however, that a Participant may, at any time at or after the grant of a Non-Qualified Stock Option under the Plan, apply to the Committee for approval to transfer all or any portion of such Non-Qualified Stock Option which is then unexercised to such Participant's Family Member. The Committee may approve or withhold approval of such transfer in its sole and absolute discretion. If such transfer is approved, it shall be effected by written notice to the Company given in such form and manner as the Committee may prescribe and actually received by the Company prior to the death of the person giving it. Thereafter, the transferee shall have, with respect to such Non-Qualified Stock Option, all of the rights, privileges and obligations which would attach

thereunder to the Participant. If a privilege of the Option depends on the life, Service or other status of the Participant, such privilege of the Option for the transferee shall continue to depend upon the life, Service or other status of the Participant. The Committee shall have full and exclusive authority to interpret and apply the provisions of the Plan to transferees to the extent not specifically addressed herein.

A-7

(b) The Company's obligation to deliver Shares with respect to an Option shall, if the Committee so requests, be conditioned upon the receipt of a representation as to the investment intention of the Option Holder to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of applicable federal, state or local law. It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to:

the admission of such Shares to listing on any stock exchange or trading on any automated quotation system on which Shares may then be listed or traded; or

the completion of such registration or other qualification under any state or federal law, rule or regulation as the Committee shall determine to be necessary or advisable.

(c) An Option Holder may designate a Beneficiary to receive any Options that may be exercised after his death. Such designation and any change or revocation of such designation shall be made in writing in the form and manner prescribed by the Committee. In the event that the designated Beneficiary dies prior to the Option Holder, or in the event that no Beneficiary has been designated, any Options that may be exercised following the Option Holder's death shall be transferred to the Option Holder's estate. If the Option Holder and his or her Beneficiary shall die in circumstances that cause the Committee, in its discretion, to be uncertain which shall have been the first to die, the Option Holder shall be deemed to have survived the Beneficiary.

Section 5.9 Prohibition Against Option Repricing.

Except as provided in Section 9.3, neither the Committee nor the Board shall have the right or authority following the grant of an Option pursuant to the Plan to amend or modify the Exercise Price of any such Option, or to cancel the Option at a time when the Exercise Price is less than the Fair Market Value of the Shares, in exchange for another Option or Award.

ARTICLE VI

STOCK APPRECIATION RIGHTS

Section 6.1 Grant of Stock Appreciation Rights.

(a) Subject to the limitations of the Plan, the Committee may, in its discretion, grant to a Participant a Stock Appreciation Right. A Stock Appreciation Right must be designated as either a tandem Stock Appreciation Right or a stand-alone Stock Appreciation Right and, if not so designated, shall be deemed to be a stand-alone Stock Appreciation Right. A tandem Stock Appreciation Right may only be granted at the same time as the Option to which it relates. The exercise of a tandem Stock Appreciation Right shall cancel the related Option for a like number of Shares and the exercise of a related Option shall cancel a tandem Stock Appreciation Right for a like number of Shares.

(b) Any Stock Appreciation Right granted shall be evidenced by an Award Agreement which shall:

specify the number of Shares covered by the Stock Appreciation Right;

specify the Exercise Price;

specify the Exercise Period;

specify the Vesting Date;

Section 6.3 Exercise Price.

The price per Share at which a Stock Appreciation Right may be exercised shall be determined by the Committee, in its discretion, provided, however, that the Exercise Price shall not be less than the Fair Market Value of a Share on the date on which the Stock Appreciation Right is granted.

Section 6.4 Exercise Period.

The Exercise Period during which a Stock Appreciation Right may be exercised shall commence on the Vesting Date. It shall expire on the earliest of:

the date specified by the Committee in the Award Agreement;

the last day of the three-month period commencing on the date of the Participant's termination of Service, other than on account of death, Disability or a Termination for Cause;

the last day of the one-year period commencing on the date of the Participant's termination of Service due to death or Disability;

as of the time and on the date of the Participant's termination of Service due to a Termination for Cause; or

the last day of the ten-year period commencing on the date on which the Stock Appreciation Right was granted.

A Stock Appreciation Right that remains unexercised at the close of business on the last day of the Exercise Period shall be canceled without consideration at the close of business on that date.

Section 6.5 Vesting Date.

(a) The Vesting Date for each Stock Appreciation Right Award shall be determined by the Committee and specified in the Award Agreement.

(b) Unless otherwise determined by the Committee and specified in the Award Agreement:

if the Participant of a Stock Appreciation Right Award terminates Service prior to the Vesting Date for any reason other than death or Disability, any unvested Award shall be forfeited without consideration;

if the Participant of a Stock Appreciation Right Award terminates Service prior to the Vesting Date on account of death or Disability, the Vesting Date shall be accelerated to the date of the Participant's termination of Service; and

if a Change in Control occurs prior to the Vesting Date of a Stock Appreciation Right Award that is outstanding on the date of the Change in Control, the Vesting Date shall be accelerated to the earliest date of the Change in Control.

Section 6.6 Method of Exercise.

(a) Subject to the limitations of the Plan and the Award Agreement, a Participant may, at any time on or after the Vesting Date and during the Exercise Period, exercise his or her Stock Appreciation Right as to all or any part of the Shares to which the Stock Appreciation Right relates; provided, however, that the minimum number of Shares as to which a Stock Appreciation Right may be exercised shall be 100, or, if less, the total number of Shares relating to the Stock Appreciation Right which remain unexercised. A Stock Appreciation Right Holder shall exercise a Stock Appreciation Right by:

giving written notice to the Committee, in such form and manner as the Committee may prescribe, of his or her intent to exercise the Stock Appreciation Right; and

satisfying such other conditions as may be prescribed in the Award Agreement.

A-9

(b) When the requirements of this Section have been satisfied, the Committee shall take such action as is necessary to cause the remittance to the Stock Appreciation Right Holder (or, in the event of his or her death, his or her Beneficiary) of a number of Shares with an aggregate Fair Market Value equal to the excess (if any) of (i) the Fair Market Value of a Share on the date of exercise over (ii) the Exercise Price per Share, times the number of Stock Appreciation Rights exercised. The Person exercising the Stock Appreciation Right shall have no right to vote or to receive dividends, nor have any other rights with respect to the Shares, prior to the date the Shares are transferred to such Person on the stock transfer records of the Company, and no adjustments shall be made for any dividends or other rights for which the record date is prior to the date as of which the transfer is effected.

Section 6.7

Limitations on Stock Appreciation Rights.

(a) A Stock Appreciation Right by its terms shall not be transferable by the Stock Appreciation Right Holder other than by will or the laws of descent and distribution, or pursuant to the terms of a Qualified Domestic Relations Order, and shall be exercisable, during the life of the Stock Appreciation Right Holder, only by the Stock Appreciation Right Holder or an alternate payee designated pursuant to such a Qualified Domestic Relations Order; provided, however, that a Participant may, at any time at or after the grant of a Stock Appreciation Right under the Plan, apply to the Committee for approval to transfer all or any portion of such Stock Appreciation Right which is then unexercised to such Participant's Family Member. The Committee may approve or withhold approval of such transfer in its sole and absolute discretion. If such transfer is approved, it shall be effected by written notice to the Company given in such form and manner as the Committee may prescribe and actually received by the Company prior to the death of the person giving it. Thereafter, the transferee shall have, with respect to such Stock Appreciation Right, all of the rights, privileges and obligations which would attach thereunder to the Participant. If a privilege of the Stock Appreciation Right depends on the life, Service or other status of the Participant, such privilege of the Stock Appreciation Right for the transferee shall continue to depend upon the life, Service or other status of the Participant. The Committee shall have full and exclusive authority to interpret and apply the provisions of the Plan to transferees to the extent not specifically addressed herein.

(b) The Company's obligation to deliver Shares with respect to a Stock Appreciation Right shall, if the Committee so requests, be conditioned upon the receipt of a representation as to the investment intention of the Stock Appreciation Right Holder to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of applicable federal, state or local law. It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to:

the admission of such Shares to listing on any stock exchange or trading on any automated quotation system on which Shares may then be listed or traded; or

the completion of such registration or other qualification under any state or federal law, rule or regulation as the Committee shall determine to be necessary or advisable.

(c) A Stock Appreciation Right Holder may designate a Beneficiary to receive any Stock Appreciation Right that may be exercised after his death. Such designation and any change or revocation of such designation shall be made in writing in the form and manner prescribed by the Committee. In the event that the designated Beneficiary dies prior to the Stock Appreciation Right Holder, or in the event that no Beneficiary has been designated, any Stock Appreciation Rights that may be exercised following the Stock Appreciation Right Holder's death shall be transferred to the Stock Appreciation Right Holder's estate. If the Stock Appreciation Right Holder and his or her Beneficiary shall die in circumstances that cause the Committee, in its discretion, to be uncertain which shall have been the first to die, the Stock Appreciation Right Holder shall be deemed to have survived the Beneficiary.

Section 6.8

Prohibition Against Stock Appreciation Right Repricing.

Except as provided in Section 9.3, neither the Committee nor the Board shall have the right or authority following the grant of a Stock Appreciation Right pursuant to the Plan to amend or modify the Exercise Price of any

A-10

such Stock Appreciation Right or to cancel the Stock Appreciation Right at a time when the Exercise Price is less than the Fair Market Value of the Shares, in exchange for another Stock Appreciation Right or Award.

ARTICLE VII

RESTRICTED STOCK AWARDS

Section 7.1 In General.

(a) Each Restricted Stock Award shall be evidenced by an Award Agreement which shall specify:

the number of Shares or Share Units covered by the Restricted Stock Award;

the amount, if any, which the Participant shall be required to pay to the Company in consideration for the issuance of such Shares or Share Units;

the date of grant of the Restricted Stock Award;

the Vesting Date for the Restricted Stock Award;

as to Restricted Stock Awards awarding Shares, the rights of the Participant with respect to dividends, voting rights and other rights and preferences associated with such Shares; and

as to Restricted Stock Awards awarding Share Units, the rights of the Participant with respect to attributes of the Share Units which are the equivalent of dividends and other rights and preferences associated with Shares and the circumstances, if any, prior to the Vesting Date pursuant to which Share Units shall be converted to Shares;

and contain such other terms and conditions not inconsistent with the Plan as the Committee may, in its discretion, prescribe.

(b) All Restricted Stock Awards consisting of Shares shall be in the form of issued and outstanding Shares that shall be registered in the name of the Participant and held by the Committee, together with an irrevocable stock power executed by the Participant in favor of the Committee or its designee, pending the vesting or forfeiture of the Restricted Stock Award. The certificates evidencing the Shares shall at all times prior to the applicable Vesting Date bear the following legend:

The common stock evidenced hereby is subject to the terms of an Award Agreement between Citizens Community Bancorp, Inc. and [Name of Participant] dated [Award Date] made pursuant to the terms of the Citizens Community Bancorp, Inc. 2008 Equity Incentive Plan, copies of which are on file at the executive offices of Citizens Community Bancorp, Inc. and may not be sold, encumbered, hypothecated or otherwise transferred, except in accordance with the terms of such Plan and Award Agreement.

or such other restrictive legend as the Committee, in its discretion, may specify.

(c) Unless otherwise set forth in the Award Agreement, a Restricted Stock Award by its terms shall not be transferable by the Participant other than by will or by the laws of descent and distribution, and the Shares distributed pursuant to such Award shall be distributable, during the lifetime of the Participant, only to the Participant.

Section 7.2 Vesting Date.

- (a) The Vesting Date for each Restricted Stock Award shall be determined by the Committee and specified in the Award Agreement.
- (b) Unless otherwise determined by the Committee and specified in the Award Agreement:

A-11

if the Participant of a Restricted Stock Award terminates Service prior to the Vesting Date for any reason other than death or Disability, any unvested Shares or Share Units shall be forfeited without consideration;

if the Participant of a Restricted Stock Award terminates Service prior to the Vesting Date on account of death or Disability, the Vesting Date shall be accelerated to the date of termination of the Participant's Service with the Company; and

if a Change in Control occurs prior to the Vesting Date of a Restricted Stock Award that is outstanding on the date of the Change in Control, the Vesting Date shall be accelerated to the earliest date of the Change in Control.

Section 7.3 Dividend Rights.

Unless otherwise set forth in the Award Agreement, any dividends or distributions declared and paid with respect to Shares subject to a Restricted Stock Award, whether or not in cash, or an equivalent amount in the case of a Restricted Stock Award awarding Share Units, shall be paid to the Participant at the same time they are paid to all other shareholders of the Company.

Section 7.4 Voting Rights.

Unless otherwise set forth in the Award Agreement, voting rights appurtenant to the Shares subject to the Restricted Stock Award shall be exercised by the Participant.

Section 7.5 Designation of Beneficiary.

A Participant who has received a Restricted Stock Award may designate a Beneficiary to receive any unvested Shares or Shares distributed in satisfaction of any unvested Share Units that become vested on the date of the Participant's death. Such designation (and any change or revocation of such designation) shall be made in writing in the form and manner prescribed by the Committee. In the event that the Beneficiary designated by a Participant dies prior to the Participant, or in the event that no Beneficiary has been designated, any vested Shares that become available for distribution on the Participant's death shall be paid to the executor or administrator of the Participant's estate.

Section 7.6 Manner of Distribution of Awards.

The Company's obligation to deliver Shares with respect to a Restricted Stock Award shall, if the Committee so requests, be conditioned upon the receipt of a representation as to the investment intention of the Participant or Beneficiary to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of applicable federal, state or local law. It may be provided that any such representation shall become inoperative upon a registration of the Shares or upon the occurrence of any other event eliminating the necessity of such representation. The Company shall not be required to deliver any Shares under the Plan prior to (i) the admission of such Shares to listing on any stock exchange or trading on any automated quotation system on which Shares may then be listed or traded, or (ii) the completion of such registration or other qualification under any state or federal law, rule or regulation as the Committee shall determine to be necessary or advisable.

ARTICLE VIII

SPECIAL TAX PROVISION

Section 8.1 Tax Withholding Rights.

Where any Person is entitled to receive Shares, the Company shall have the right to require such Person to pay to the Company the amount of any tax which the Company is required to withhold with respect to such Shares, or, in lieu

thereof, to retain, or to sell without notice, a sufficient number of Shares to cover the minimum amount required to be withheld.

A-12

ARTICLE IX
AMENDMENT AND TERMINATION

Section 9.1 Termination

The Board may suspend or terminate the Plan in whole or in part at any time prior to the tenth anniversary of the Effective Date by giving written notice of such suspension or termination to the Committee. Unless sooner terminated, the Plan shall terminate automatically on the tenth anniversary of the Effective Date. In the event of any suspension or termination of the Plan, all Awards previously granted under the Plan that are outstanding on the date of such suspension or termination of the Plan shall remain outstanding and exercisable for the period and on the terms and conditions set forth in the Award Agreements evidencing such Awards.

Section 9.2 Amendment.

The Board may amend or revise the Plan in whole or in part at any time; provided, however, that, to the extent required to comply with Section 162(m) of the Code or the corporate governance standards imposed under the listing or trading requirements imposed by any national securities exchange or automated quotation system on which the Company lists or seeks to list or trade Shares, no such amendment or revision shall be effective if it amends a material term of the Plan unless approved by the holders of a majority of the votes cast on a proposal to approve such amendment or revision. To the extent OTS regulations are changed subsequent to the Effective Date, the Board shall have the right but not the obligation, to amend or revise the Plan without shareholder approval to conform to the revised regulations.

Section 9.3 Adjustments in the Event of Business Reorganization.

In the event any recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, exchange of Shares or other securities, stock dividend or other special and nonrecurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or other similar corporate transaction or event, affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Participants under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of:

the number and kind of securities deemed to be available thereafter for grants of Awards in the aggregate to all Participants;

the number and kind of securities that may be delivered or deliverable in respect of outstanding Awards; and

the Exercise Price of Options and Stock Appreciation Rights.

In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including, without limitation, cancellation of Awards in exchange for the in-the-money value, if any, of the vested portion thereof, or substitution of Awards using stock of a successor or other entity) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence) affecting the Company or any Affiliate or the financial statements of the Company or any Affiliate, or in response to changes in applicable laws, regulations, or accounting principles.

ARTICLE X
