Icahn's present principal occupation or employment is serving as (i) Chief Executive Officer of Icahn Capital LP, a wholly owned subsidiary of Icahn Enterprises, through which Mr. Icahn manages various private investment funds, including Icahn Partners, Icahn Master, Icahn Master II and Icahn Master III, (ii) Chairman of the Board of Icahn Enterprises GP, the general partner of Icahn Enterprises, a New York Stock Exchange listed diversified holding company engaged in a variety of businesses, including investment management, metals, automotive, real estate, railcar, food packaging, casino gaming and home fashion, and (iii) Chairman of the Board and a director of Starfire Holding Corporation ("Starfire"), a holding company engaged in the business of investing in and/or holding securities of various entities, and as Chairman of the Board and a director of various of Starfire's subsidiaries.

The name, citizenship, present principal occupation or employment and business address of each director and executive officer of the Reporting Persons are set forth in Schedule A attached hereto.

None of the Reporting Persons nor any manager or executive officer of the Reporting Persons, has, during the past five years, (a) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (b) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting, or mandating activities subject to, Federal or State securities laws or a finding of any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Persons hold, in the aggregate, 19,895,841 Shares (including Shares underlying call options. See Item 5). The aggregate purchase price of the Shares purchased by the Reporting Persons collectively was approximately \$316.9 million (including commissions and premiums for the options to purchase Shares). The source of funding for the purchase of these Shares was the general working capital of the respective purchasers. The Shares are held by the Reporting Persons in margin accounts together with other securities. Such margin accounts may from time to time have debit balances. Part of the purchase price of the

Shares purchased by the Reporting Persons was obtained through margin borrowing. As of the close of business on June 16, 2010, the indebtedness of (i) High River's margin account was approximately \$234.0 million, (ii) Icahn Partners' margin account was approximately \$410.0 million, (iii) Icahn Master's margin account was approximately \$404.6 million, (iv) Icahn Master II's margin account was approximately \$95.3 million, and (v) Icahn Master III's margin account was approximately \$52.2 million.

Item 4. Purpose of Transaction

The Reporting Persons acquired the Shares that they beneficially own in the belief that the Shares were undervalued.

On June 10, 2011, the Reporting Persons delivered a letter to the Issuer (the "Notification Letter"), notifying the Issuer, as required by the Issuer's bylaws, that the Reporting Persons intend to appear at the Issuer's 2011 annual meeting of stockholders to nominate and seek to elect the four individuals named in the Notification Letter to the Issuer's nine-member board of directors. The Reporting Persons believe that their proposed nominees have impressive qualifications and that their experience, including on other pharma boards, would be extremely beneficial to the Issuer and, therefore, its stockholders. The bios of these proposed nominees are included in the Notification Letter filed herewith. On June 14, 2011, representatives of the Reporting Persons met with representatives of the Issuer and discussed the Reporting Persons' desire to have these four persons elected to the Issuer's board and matters relevant thereto. No agreements or understandings resulted from that meeting.

The Reporting Persons believe that recent events concerning the Issuer, together with the declining performance of the Shares over the past 7 years and the anticipated decline in the Issuer's results of operations due to the loss of patent protection on Lexapro, the Issuer's most significant drug, also warrant a change in the composition of the Issuer's board of directors. Additionally, in 2010, the Issuer disclosed that it pled guilty to a felony and misdemeanor charges and paid in excess of \$300 million to settle claims brought against it by the US Department of Justice and US Attorney's Office. The Issuer stated that these matters were resolved. However, this proved not to be the case. On April 13, 2011, the Issuer publicly disclosed that on April 12, 2011, Mr. Howard Solomon, the longtime Chairman and CEO of the Issuer, was notified by the Office of the Inspector General, Department of Health and Human Services (the "OIG-HHS") that the OIG-HHS was commencing an action to exclude him from participating in federal healthcare programs based on the matters that the Issuer previously disclosed were settled. The Issuer stated that should the OIG-HHS ultimately determine that Mr. Solomon should be excluded, Mr. Solomon would be required to step down as an officer of the Issuer unless his exclusion is enjoined by legal proceedings. The Issuer also disclosed on that same day (just one day after receiving the notification from the OIG-HHS) that Mr. Solomon plans to commence litigation to prevent any such exclusion and that the Issuer will support such litigation by Mr. Solomon. The Issuer indicated that it believes that these actions by the OIG-HHS are unprecedented.

In light of:

- (i) the Issuer's poor performance over the past 7 years;
- (ii) the Issuer's failure to adequately prepare for the expiration of the Lexapro patent, which will result in a serious diminution in revenues; and
- (iii) the Issuer's expenditure of in excess of \$300 million to ostensibly settle matters that continue to plague the Issuer,

the Reporting Persons find it hard to understand why this board has indicated that it will continue to spend the shareholders' money to fight the government

on behalf of Mr. Solomon. Therefore, on June 17, 2011, the Reporting Persons made a request to the Issuer pursuant to Section 220 of the Delaware General Corporation Law seeking documents relevant to the action by the OIG-HHS to understand this board's rationale for its actions in these matters (the "220 Request"). The Reporting Persons may continue to seek to meet with the Issuer to discuss matters relating to the election of directors, the proposed exclusion action by the OIG-HHS and any other matters which the Reporting Persons believe would enhance shareholder value.

The Reporting Persons may, from time to time and at any time, acquire additional Shares and/or other equity, debt, notes, instruments or other securities and/or derivative securities relating thereto (collectively, "Securities") of the Issuer in the open market or otherwise. They reserve the right to dispose of any or all of their Securities in the open market or otherwise, at any time and from time to time, and to engage in any hedging or similar transactions with respect to the Securities.

A copy of the Notification Letter is filed herewith as an exhibit and incorporated herein by reference, and any descriptions herein of the Notification Letter are qualified in their entirety by reference to the Notification Letter. A copy of the 220 Request is filed herewith as an exhibit and incorporated herein by reference, and any descriptions herein of the 220 Request are qualified in their entirety by reference to the 220 Request.

The Record Holder also believes that each nominee is a strong stockholder-oriented individual who will help represent the best interests of the Corporation's stockholders.

In this Notice: (i) certain information relating to the Direct Beneficial Owners and the Beneficial Owner(s) (as defined in Annex A) is set forth in the body of this Notice and Annex A and Annex B; (ii) certain information relating to each Nominee is set forth in the body of this Notice and Annex B; and (iii) (A) the written consent of each Nominee both to the disclosure of certain information relating to such Nominee in any applicable solicitation made by the Corporation (as required by the Bylaws) and to being named in the proxy statement as a nominee and to serve as a director if elected and (B) a statement from each Nominee that, if elected, such Nominee intends to tender, promptly following such Nominee's election or reelection, an irrevocable resignation effective upon such Nominee's failure to receive the required vote for reelection at the next meeting at which such Nominee would face reelection and upon acceptance of such resignation by the board of directors of the Corporation, in accordance with the Corporation's Board Practice on Director Elections, is attached as Annex C. Each Nominee (other than Dr. Denner) is also party to an agreement substantially in the form attached hereto as Annex D, pursuant to which Icahn Capital LP, an affiliate of the Record Holder, has agreed to pay certain fees to such Nominee and to indemnify such Nominee with respect to certain costs incurred by such Nominee in connection with the proxy contest relating to the Annual Meeting (the "Nominee Agreement").

Each Nominee, Direct Beneficial Owner and Beneficial Owner has an interest in the election of directors at the Annual Meeting: (i) directly and/or indirectly through the beneficial ownership (if any) of Shares, as described on Annex A and any applicable attachments thereto, (ii) pursuant to the Nominee Agreement, if applicable, relating to such Nominee and Icahn Capital LP, and (iii) with respect to Dr. Denner, through his profit interests in the Shares held by the Direct Beneficial Owners and their affiliates as described below.

With respect to each Nominee, other than as disclosed in this Notice, (i) such Nominee is not, and, within the past year, was not a party to any contract, arrangement or understanding with any person with respect to any securities of the Corporation, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies; and (ii) neither such Nominee nor any of such Nominee's associates have any arrangement or understanding with any person with respect to (A) any future employment by the Corporation or its affiliates or (B) any future transactions to which the Corporation or any of its affiliates will or may be a party.

In connection with his employment by Mr. Icahn and his affiliated companies, Dr. Denner, among other employees, had a participatory interest in, among other things, the profits and fees derived by Mr. Icahn and/or his affiliates from Icahn Partners', Icahn Master's, Icahn Master II's and Icahn Master III's (collectively, the "Funds") ownership of the Shares. In the aggregate, Dr. Denner's profit interests and capital accounts in the Funds entitled him to less than 2% of the profits generated by the Funds' ownership of

the Shares. The foregoing with respect to the Shares has been superseded by the following as of the date of this Notice: Dr. Denner has a participatory interest in the profits attributable to the Shares beneficially owned by the Direct Beneficial Owners and their affiliates equal to 5% of an amount equal to (x) such profits minus (y) an amount equal to a return on the Direct Beneficial Owners' and their affiliates' investment in the Shares of 8% per annum, compounded annually.

Accordingly, all matters disclosed in any part of this Notice, including the Annexes and all attachments thereto should be deemed disclosed for all purposes of this Notice. All upper case terms appearing in the Annexes and all attachments thereto that are not defined in such Annexes and attachments shall have the meanings given in the body of this Notice or the Annexes, as applicable.

Except as to information regarding Dr. Denner's participatory interest in the profits attributable to the Shares (which is as of the close of business on June 10, 2011), information is set forth herein as of the close of business on June 9, 2011. Neither the delivery of this Notice nor any delivery by any Direct Beneficial Owner, Beneficial Owner, or Nominee of additional information to the Corporation from and after the date hereof shall be deemed to constitute an admission by any Direct Beneficial Owner, Beneficial Owner, Nominee or any of their respective affiliates (if any) that such delivery is required or that each and every item or any item of information is required or as to the legality or enforceability of any notice requirement or any other matter, or a waiver by any Direct Beneficial Owner, Beneficial Owner, Nominee or any of their respective affiliates (if any) of their right to contest or challenge, in any way, the validity or enforceability of any notice requirement or any other matter (including actions taken by the Board of Directors of the Corporation in anticipation of, or following receipt of, this Notice). Furthermore, this Notice assumes that the Board of Directors will nominate a total of nine director nominees for election to the Board of Directors at the Annual Meeting and if the Board of Directors of the Corporation increases the number of directors to be nominated and elected at the Annual Meeting or a special meeting called for a similar purpose, the Record Holder reserves the right to add additional director nominees in respect of each such additional directorship. In the event any statement or other information in this Notice is not correct, or to the extent any applicable information has been omitted from this Notice, the Direct Beneficial Owners, Beneficial Owners and Nominees reserve the right to correct and/or supplement any such statement or other information set forth in this Notice.

Reliance sought a temporary restraining order and preliminary and permanent injunctive relief to prevent defendants from purchasing the notes. The Court initially imposed a temporary restraining order. Defendants then supplemented the tender offer disclosures. The Court conducted a hearing on the disclosures and other matters raised by Reliance. It then denied plaintiff's motion for a preliminary injunction and ordered dissolution of its temporary restraining order following dissemination of the supplement. Reliance took an immediate appeal to the United States Court of Appeals for the Second Circuit and sought a stay to restrain defendants from purchasing notes during the pendency of the appeal. On January 30, 2001, the Court of Appeals denied plaintiff's stay application. On January 30, Reliance also sought a further temporary restraining order from the District Court. The Court considered the matter and reimposed its original restraint until noon the next day, at which time the restraint was dissolved. The appeal was argued on March 9 and denied on March 22, 2001.

Attached to this Annex D is the form of agreement to be entered into by the Nominees (other than Dr. Denner) and an affiliate of the Record Holder pursuant to which such affiliate has agreed to pay certain fees to such Nominees and to indemnify such Nominees with respect to certain costs incurred by such Nominees in connection with the proxy contest relating to the Annual Meeting.

ICAHN CAPITAL LP

June 9, 2011

To the undersigned potential nominee:

This will confirm our understanding as follows:

You agree that you are willing, should we so elect, to become a member of a slate of nominees (the "Slate") to stand for election as directors of Forest Laboratories, Inc. ("Forest Laboratories") in connection with a proxy contest with management of Forest Laboratories in respect of the election of directors of Forest Laboratories at the 2011 Annual Meeting of Shareholders of Forest Laboratories (the "Annual Meeting"), expected to be held in the Summer of 2011, or a special meeting of shareholders of Forest Laboratories called for a similar purpose (the "Proxy Contest").

Icahn Capital LP ("Icahn") agrees to pay the costs of the Proxy Contest.

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

In addition, upon our filing of a preliminary proxy statement with the SEC, which indicates that Icahn, or an affiliate thereof, intends to nominate you for election at the Annual Meeting, you will be entitled to be paid \$25,000 by Icahn unless you are elected to serve as a director of Forest Laboratories at the Annual Meeting or a special meeting of shareholders of Forest Laboratories called for a similar purpose or in connection with a settlement of the Proxy Contest by Icahn and Forest Laboratories, in which case you will not receive any payment from Icahn in connection with the Proxy Contest. Payment to you pursuant to this paragraph, if any, will be made by Icahn, subject to the terms hereof, upon the earliest of (i) the certification of the results of the election in respect of the Proxy Contest, (ii) the settlement of the Proxy Contest by Icahn and Forest Laboratories, or (iii) the withdrawal of the Proxy Contest by Icahn.

You understand that it may be difficult, if not impossible, to replace nominees who, such as yourself, have agreed to serve on the Slate and later change their minds and determine not to seek election. Accordingly, the Slate is relying upon your agreement to seek election. In that connection, you are being supplied with a questionnaire in which you will provide Icahn with information necessary for Icahn to make appropriate disclosure both to Forest Laboratories and for use in creating the proxy material to be sent to shareholders of Forest Laboratories and to be filed with the Securities and Exchange Commission. You have agreed that (i) you will immediately complete and sign the questionnaire and return it to Mark DiPaolo, Assistant General Counsel, Icahn Enterprises LP, 767 Fifth Avenue, Suite 4700, New York, NY 10153, Tel: (212) 702-4361, Fax: (212) 688-1158, Email: mdipaolo@sfire.com and (ii) your responses to the questions contained therein will be true and correct in all respects. In addition, you have agreed that, concurrently with your execution of this letter, you will execute the attached instrument directed to Forest Laboratories informing Forest Laboratories that you consent to being nominated by Icahn, or an affiliate thereof, for election as a director of Forest Laboratories and, if elected, consent to serving as a director of Forest Laboratories and consent to the disclosure of certain information relating to you as would be required to be disclosed in solicitations of proxies for your election as a director pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, in any such solicitation made by the Company. You also will make a statement in the attached instrument that if elected, you intend to tender, promptly following your election or reelection, an irrevocable resignation effective upon your failure to receive the required vote for reelection at the next meeting at which you would face reelection and upon acceptance of such resignation by the board of directors, in accordance with the Company's Board Practice on Director Elections. Upon being notified that we have chosen you, we may forward that instrument and your completed questionnaire (or summaries thereof) to Forest Laboratories.

Icahn hereby agrees that, so long as you actually serve on the Slate, Icahn will defend, indemnify and hold you harmless from and against any and all losses, damages, penalties, judgments, awards, liabilities, costs, expenses and disbursements (including, without limitation, reasonable attorneys' fees, costs, expenses and disbursements) incurred by you in the event that (i) you become a party, or are threatened to be made a party, to any civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal thereof relating solely to your role as a nominee for director of Forest Laboratories on the Slate (a "Proceeding") or (ii) you are called to testify or give a deposition in any Proceeding (whether or not you are a party or are threatened to be made a party to such Proceeding), including, in each case, the advancement to you of all reasonable attorneys' costs and expenses incurred by you in connection with any Proceeding. Your right of indemnification hereunder shall continue (i) in the event that Icahn determines to withdraw the Slate or remove you from the Slate and (ii) after the election has taken place but only for events which occur prior to such election and subsequent to the date hereof. Anything to the contrary herein notwithstanding, Icahn is not indemnifying you for any action taken by you or on your behalf which occurs prior to the date

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

hereof or subsequent to the Annual Meeting or such earlier time as you are no longer a nominee of the Slate for election to Forest Laboratories' Board of Directors or for any actions taken by you as a director of Forest Laboratories, if you are elected. Nothing herein shall be construed to provide you an indemnity: (i) in the event you are found to have engaged in a violation of any provision of state or federal law in connection with the Proxy Contest unless you demonstrate that your action was taken in good faith and in a manner you reasonably believed to be in or not opposed to the best interests of electing the Slate; or (ii) if you acted in a manner which constitutes gross negligence or willful misconduct. In the event that you shall make any claim for indemnification hereunder, you shall promptly notify Icahn in the event of any third-party claims actually made against you or known by you to be threatened. In addition, with respect to any such claim, Icahn shall be entitled to control your defense with counsel chosen by Icahn. Icahn shall not be responsible for any settlement of any claim against you covered by this indemnity without its prior written consent. However, Icahn may not enter into any settlement of any such claim without your consent unless such settlement includes a release of you from any and all liability in respect of such claim.

Each of us recognizes that should you be elected to the Board of Directors of Forest Laboratories all of your activities and decisions as a director will be governed by applicable law and subject to your fiduciary duty to the stockholders of Forest Laboratories and, as a result, that there is, and can be, no agreement between you and Icahn which governs the decisions which you will make as a director of Forest Laboratories.

Should the foregoing agree with your understanding, please so indicate in the space provided below, whereupon this letter will become a binding agreement between us.

Very truly yours,

Re: Inspection of Books and Records

Gentlemen:

High River Limited Partnership ("High River") is the record owner of 1000 shares of the common stock, ("Common Stock"), of Forest Laboratories, Inc., a Delaware corporation (the "Corporation"). High River, Icahn Partners LP, Icahn Partners Master Fund LP, Icahn Partners Master Fund II LP and Icahn Partners Master Fund III LP, are collectively described herein as the "Icahn Parties." Including the 1000 record shares held by High River, the Icahn Parties collectively are the beneficial holders of approximately 19.9 million shares of Common Stock costing approximately \$317,000,000, which they believe represents approximately 6.95% of the outstanding Common Stock. The Icahn Parties have been stockholders of the Corporation for approximately two years. Attached hereto as Exhibit A are true and correct redacted copies of brokerage statements evidencing the beneficial ownership of Common Stock by Icahn Partners Master Fund LP, Icahn Partners Master Fund II LP, Icahn Partners Master Fund III LP and Icahn Partners LP.

As common stockholders of the Corporation, the Icahn Parties hereby demand, pursuant to Section 220 of the General Corporation Law of the State of Delaware ("Section 220") and the common law of the State of Delaware, the right to inspect, no later than June 22, 2011, during normal business hours, the books and records of the Corporation requested herein, and to make copies or abstracts there from.

I. Purpose.

A. Factual Background.

In January 2004, the United States Department of Justice ("DOJ") and the United States Attorney's Office for the District of Massachusetts began an investigation into marketing, sales, and other activities allegedly undertaken by Forest Laboratories, Inc. (the "Company") in connection with Celexa, Lexapro, and a formulation of Levothroid that the Company ceased distributing in 2003. In September 2010, the Corporation announced that a subsidiary had pled guilty to federal felony and misdemeanor charges relating to this investigation. The announcement also revealed that the Corporation had paid various governmental entities in excess of \$300 million to settle related charges. Thereafter, the Corporation announced that it had settled derivative suits against its board of directors and certain of its officers, including Howard Solomon its CEO, stemming from the situation, and it appeared from the information disclosed to the shareholders that the Corporation had put this situation behind it. That, appearance, however, was false. In fact, despite the settlement and guilty plea something had caused the federal government to seek to change the Corporation's management.

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

On April 13, 2011, the Company issued a press release, the material part of which stated as follows:

NEW YORK, Apr 13, 2011 (BUSINESS WIRE) --

Forest Laboratories, Inc. (NYSE: FRX) today announced that Howard Solomon, Chairman, Chief Executive Officer and President, will challenge a potential action by the Office of the Inspector General, Department of Health and Human Services (HHS-OIG), to exclude him from participation in federal healthcare programs. Mr. Solomon was notified yesterday of the potential action in a letter from HHS-OIG.

The potential action emanates from matters that were settled by Forest in 2010 with no finding of knowledge or wrongdoing by Mr. Solomon. The only basis given in the letter notifying Mr. Solomon of the potential action is that he is "associated with" Forest. The letter gives Mr. Solomon 30 days to respond and say why he should not be excluded. Should HHS-OIG determine after that that Mr. Solomon be excluded, unless the effectiveness of such exclusion is enjoined by a court, Mr. Solomon would be required to step down from his present executive positions. Mr. Solomon plans to commence immediate litigation to prevent such exclusion from taking effect if HHS-OIG determines to proceed.

Board member and Chairman of the Audit Committee William J. Candee III, speaking on behalf of Forest's entire Board of Directors stated, "It would be completely unwarranted to exclude a senior executive against whom there has never been any allegation of wrongdoing whatsoever. Mr. Solomon has always set a tone of the highest integrity from the top. At Mr. Solomon's direction, the Company has significantly enhanced its sales force monitoring and compliance procedures. We believe the potential HHS-OIG action may well be beyond its legal authority."

Continued Mr. Candee, "At no time during the government's six year investigation of Forest was Mr. Solomon ever accused of any wrongdoing in connection with the matters settled in 2010. We are hopeful that HHS-OIG will decide that the facts and circumstances as to Mr. Solomon do not warrant an exercise of its exclusion authority."

Herschel S. Weinstein, Vice President and General Counsel stated, "Numerous other major pharmaceutical companies have plead guilty to much more egregious offenses, and none of them has faced the exclusion of a senior executive who has not himself been convicted of a crime or pleaded guilty to a crime. We believe that HHS-OIG is contemplating using a statute that has never before been used under these circumstances and would be exceeding the bounds of its authority."

Since the date that release was issued, the Corporation issued its Form 10-K for 2010. It expanded upon the statements of the press release:

"Mr. Howard Solomon, our Chairman, Chief Executive Officer and President, has received a notice from the OIGHHS indicating its intent to consider excluding Mr. Solomon from participating in federal healthcare programs. This potential action by the OIGHHS emanates from matters that we settled in 2010 with no finding of knowledge or wrongdoing by Mr. Solomon. Mr. Solomon has until June 13, 2011 to respond to this notice explaining why he should not be so excluded. Should the OIGHHS determine after such response that Mr. Solomon should be excluded, Mr. Solomon would be required to step down from his present executive positions unless the effectiveness of such exclusion is enjoined by legal proceedings. Mr. Solomon plans to commence litigation to prevent such exclusion from taking effect if OIGHHS determines to proceed. We do not believe any such exclusion of Mr. Solomon

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

is warranted and will support legal actions to challenge any such exclusion."

The Corporation's disclosures make three points clear: (1) the federal government had brought criminal and civil charges against the Corporation for claimed misconduct, and those charges were settled in September 2010; (2) contrary to public statements made by the Corporation that settlement did not resolve all outstanding issues and the federal government has now for reasons not disclosed by the Corporation demanded Mr. Solomon, the Corporation's Chairman, CEO and President, step down from those roles or the Corporation will be barred from doing business with the United States Government; and (3) the Corporation's board of directors fully supports Mr. Solomon in his battle with the Government and has ordered the Corporation to back him in his fight.

The board's support of Mr. Solomon comes despite declining performance of the Corporation over the past seven years. The price of the Common Stock peaked in February 2004 at almost \$76 per share. The current price is approximately \$38 per share, which means that shareholder value has been essentially cut in half during the last seven years. Analysts are predicting even further operational slippage as key drugs come off patent without immediate replacements. Earnings for the fiscal year ending March 31, 2011 were \$4.41 per share; the mean estimates for fiscal 2012 and 2013 are \$3.68 and \$1.21 per share respectively. Top line revenue is predicted to decline from \$4.42 billion to \$3.38 billion over the same period. From 2004 to the present a total of over \$10 billion in shareholder value has evaporated under the stewardship of Mr. Solomon and the board and corporate performance is still heading downhill.

Although the stockholders have lost huge amounts of money, the board ensured that Mr. Solomon greatly prospered over the same period. According to the Corporation's disclosures, Mr. Solomon received almost \$50 million in total compensation from 2004-2010. And that number is conservative. In 2004-2005 the Company reported two possible values for options grants, and the \$50 million number uses the lower of the two values for those years. If the higher figures were used, the reported compensation amount would increase to almost \$70 million. In addition, while the shareholders were suffering from large stock declines, Mr. Solomon was selling. In February 2007 he sold 4.3 million shares at an average price of \$52.60 per share, for a total of approximately \$226 million, although the board has since issued Mr. Solomon significant amounts of new options and shares. In other words, Mr. Solomon cashed out much of his stake in the Company just as tough times were beginning, and his present holdings almost entirely consist of options or shares directly granted by the Corporation or that resulted from the exercise of options granted by the Corporation.

B. Mr. Solomon's Curious Board.

The Government's action against Mr. Solomon is apparently unprecedented. It appears that never before has the Government insisted that a chief executive officer resign in order for a company to be allowed to continue to do business with the Government. It is difficult to understand why a board would richly reward a chief executive for the performance that Mr. Solomon has delivered over the past seven years. It is even more difficult to understand how any board of directors would risk a company to support a CEO with such a track record in a confrontation with the Government.

The Corporation, however, does not have the type of board found at a typical public company. It currently has 9 directors, who-together with Mr. Solomon and the rest of executive management-collectively own only approximately 3% of the Corporation's stock, and most of that stock has been received in the forms of options or other stock grants. The directors have invested very little of their own cash in the Corporation.

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

The following table lists the current directors, their positions with the Corporation, their ages and length of tenure on the board.

| DIRECTOR ----- | POSITION WITH FOREST ----- | AGE --- | YEAR JOINED BOARD ----- |
|-------------------------|------------------------------------|------------|----------------------------|
| Howard Solomon | Chairman and CEO (since 1977) | 83 | 1964 |
| William J. Candee, III | Co-Chairman; Audit Comm. Chair | 84 | 1959 |
| George S. Cohan | | 87 | 1977 |
| Dan L. Goldwasser | | 71 | 1977 |
| Kenneth E. Goodman | Former President and COO | 63 | 1998 |
| Lester B. Salans, MD | | 75 | 1998 |
| Lawrence S. Olanoff, MD | Just-Resigned President and COO | 59 | 2006 |
| Nesli Basgoz, MD | | 53 | 2006 |
| Peter J. Zimetbaum, MD | | 47 | 2009 |

As can be seen, three of the Corporation's directors have served on the board with Mr. Solomon for over thirty years each, and all but one of the board members were directors during the past years in which shareholder value was vaporized and Mr. Solomon received large amounts of compensation. Overall, the average length of board service of the directors is almost 23 years.

Given the directors' relatively small holdings of stock, extraordinary average length of tenure on the board and habit of rewarding Mr. Solomon while the stockholders suffered, the possibility obviously exists that many of the directors cannot view Mr. Solomon's performance objectively. Thus, it would be extremely difficult for them to not support Mr. Solomon in his fight with the Government even if that fight is not in the Corporation's or stockholders' best interests. Indeed, it is necessary to ask whether there has been a fundamental failure of board leadership and supervision as the directors have put their personal loyalty and friendship to Mr. Solomon above their fiduciary duties to the Corporation and its stockholders.

If the Corporation's scant public disclosures are correct, the board has now irrevocably committed to supporting Mr. Solomon in his battle against the Government. Given that commitment, it is now up to the stockholders to decide if these are the best directors to be the stewards of Forest Laboratories' fate at this critical time. To make that decision, though, the stockholders need far more information about what is going on and why it is occurring than they have received. The Corporation's public disclosures about this affair have been opaque, inaccurate and seemingly designed to reveal the least possible information. The stockholders have not even been informed of the charges against Mr. Solomon. Thus, the stockholders have been denied even the most basic information necessary to determine whether the board is following a proper and appropriate course in its dealings with the Government or whether it is risking the Corporation to protect the CEO.

C. The Legal Standard and the Unanswered Questions.

Section 220 permits the stockholders of a corporation to investigate corporate mismanagement for the purposes of, among other things, "mounting a proxy fight to elect new directors;" "bring[ing] corporate misconduct to light;" or bringing litigation to redress wrongdoing, so long as there is a credible basis to believe such wrongdoing or mismanagement occurred. Here there is no doubt that there is a credible basis to believe that wrongdoing has occurred—a corporate subsidiary has pled guilty to a felony, the Corporation paid over \$300 million in fines and reimbursement and the Government is demanding that the Chairman and CEO be removed from his offices.

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

The board's action in immediately supporting Mr. Solomon - despite his track record over the past seven years - also raises a credible basis to believe that it too engaged in mismanagement or wrongdoing as do the Corporation's obfuscating and misleading public statements about the situation.

In deciding how the Corporation should be governed going forward the stockholders need answers to the following fundamental but unanswered questions.

First, what has the Government told the Corporation about why it is seeking such an unprecedented remedy against Mr. Solomon and why did the September settlement not resolve all such matters?

Second, why did the board immediately back Mr. Solomon? The press release that stated that the board was backing him was issued only one day after the Corporation purportedly was informed of the issue, which implies either that the Corporation was already aware of the possibility that the Government might take action against Mr. Solomon but did not disclose that to the stockholders or that the board acted with very little information and even less time to consider the import of what it was doing in publicly backing Mr. Solomon.

Third, does the Corporation in fact have adequate grounds to contest the Government's actions here?

Fourth, regardless of the background facts is it actually in the interest of the Corporation and all of its stockholders to fight the Government under these circumstances? Is Mr. Solomon, whose last seven years of stewardship has resulted in a drop in shareholder value of 50%, really so critical to the success of the Corporation that it justifies the risks the board is taking?

Finally, is this board so compromised or complicit with regard to Mr. Solomon that it has become potentially liable for its own violations of duty?

D. Why the Icahn Parties Need to Review the Documents.

As long-term stockholders, the Icahn Parties believe that this is an intolerable situation that is patently unfair to the Corporation's stockholders. As the Corporation is aware, pursuant to the Corporation's by-laws the Icahn Parties have delivered the necessary papers to nominate alternative directors at the Corporation's annual meeting, which should be held in approximately August 2011. The purpose of this demand is:

(1) to enable the Icahn Parties to review the information requested below and, if appropriate, to share it with their fellow stockholders in connection with the 2011 annual meeting of stockholders, and to use such information to support the election of directors nominated by the Icahn Parties in opposition to the Corporation's slate of directors;

(2) to help the Icahn Parties determine which among the directors are the least independent and engaged so that the Icahn Parties might seek to replace those directors and retain the members of the board who are best suited to help manage the Corporation going forward;

(3) to determine whether the board breached its duties to the Corporation and its stockholders when it determined to support Mr. Solomon in his personal fight with the Government; and

(4) to determine whether litigation should be brought on behalf of the Corporation and/or its stockholders against Mr. Solomon and members of the board of directors.

II. Documents Requested.

Edgar Filing: FOREST LABORATORIES INC - Form DFAN14A

The Icahn Parties therefore request the Corporation to produce to them the following documents:

- a) The HHS-OIG letter referred to in the press release quoted above that was delivered to the Corporation on or about April 12, 2011 and any other documents from HHS-OIG or counsel for the government in this matter dealing with Mr. Solomon, and any responses by Mr. Solomon or the Corporation thereto.
- b) Any document indicating that the Corporation was aware of the possibility that HHS-OIG (or other governmental agency) might seek such a, or similar, sanction against Mr. Solomon prior to April 12, 2011 (including any prior correspondence with HHS-OIG or its counsel relating to such subject).
- c) All documents provided to the board of directors or a committee thereof on this subject.
- d) All board or committee minutes in which this subject is discussed, including any minutes, resolutions or consents pursuant to which the board or any committee thereof concluded that it did not believe any such exclusion of Mr. Solomon [wa]s warranted and w[ould] support legal actions to challenge any such exclusion.

The undersigned will bear the reasonable costs incurred by the Corporation in connection with the production of the above information.

The undersigned hereby authorizes Stephen Jenkins, Esq. and Richard D. Heins, Esq. of Ashby & Geddes, Wilmington, DE and their respective partners, associates, employees and any other persons designated by Stephen Jenkins or Richard D. Heins, acting together, singly or in combination, to conduct, as their agents, the inspection and copying requested herein and otherwise act on behalf of the undersigned pursuant to the attached power of attorney. Please advise the undersigned's counsel, Marc Weitzen, at (212) 702-4388, or Mark DiPaolo at (212) 702-4361 as promptly as practicable when and where the items demanded above will be made available to the undersigned.
