- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

EXPLANATORY NOTE

This Form 8-K/A amends the Current Report on Form 8-K of SmartPros Ltd. (["SmartPros"]) filed on July 8, 2008 (the ["Report"]) in connection with the consummation of the acquisition by SmartPros of all the issued and outstanding shares of Loscalzo Associates, P.A. (["Associates"]). The purpose of this amendment is to provide the financial statements of the businesses acquired as required by Item 9.01(a) and the pro forma financial information required by Item 9.01(b), which financial statements and information were excluded from the original filing in reliance on Items 9.01(a)(4) and 9.01(b)(2), respectively, of Form 8-K.

Item 1.01. Entry into a Material Definitive Agreement.

See disclosure under Item 2.01 below.

Item 2.01. Completion of Acquisition or Disposition of Assets.

Incorporated herein by reference to Item 2.01 of the Report.

Item 9.01. Financial Statements and Exhibits.

(a) **Financial Statements of Business Acquired.**

Filed herewith are the financial statements of Associates for the requisite periods.

(b) **Pro-forma Financial Information.**

Filed herewith are the proforma combined financial statements of SmartPros and Associates.

LOSCALZO ASSOCIATES, P.A.

Notes to Financial Statements

Six Months Ended June 30, 2008 and 2007

1. Description of Business and Summary of Significant Accounting Policies

Nature of operations - Loscalzo Associates, P.A. (the "Company"), a New Jersey corporation, was organized in 1981 for the purpose of developing and presenting training programs and performing consulting services to the accounting profession. These seminars are presented through state societies of CPAs, accounting firms, associations of accounting firms and corporations.

Basis of presentation - The financial statements have been prepared pursuant to Financial Accounting Standards Board ("FASB") Interpretation No. 46(R), "*Consolidation of Variable Interest Entities*". The consolidated financial statements include the accounts of Loscalzo Associates, P.A., and 130 Monmouth Street LLC. All material intercompany accounts and transactions have been eliminated. Loscalzo Associates, P.A. and 130 Monmouth Street LLC have common ownership.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition - Revenue for programs that include the delivery of instruction is recognized after delivery of the training program and/or services to the customer. Revenue relating to the sale of only training material is recognized when an order has been received and the manuals are shipped to the customer.

Cash and cash equivalents - All highly liquid investments with an original maturity of three months or less are considered cash equivalents. From time to time, the Company invests a portion of its excess cash in money market accounts and funds which are stated at cost which approximates market.

Concentration of credit risk - Financial instruments that subject the Company to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. From time to time, the cash balances exceed the federal depository insurance limit of \$100,000. At June 30, 2008, there was \$ 161,732 in excess of FDIC insurance limits. The Company's cash balances are deposited with high quality financial institutions. No single customer represents a significant concentration of sales or receivables.

Accounts receivable - Accounts receivable are stated at the amount billed to customers less an allowance for doubtful accounts, as deemed necessary by management. Management establishes an allowance, when deemed necessary, based on its history of past write-offs and collections and current credit conditions. During 2008 and 2007, no allowance for doubtful accounts was established since all accounts were deemed to be collectible.

Accounts receivable are generally considered to be past due if any portion of the receivable balance is outstanding for more than 90 days. Accounts will be written off as uncollectible if no payments are made after 180 days.

Shipping and handling costs - The Company includes shipping and handling costs billed to the customer in gross revenue and the related cost of shipping and handling in cost of revenues.

Property and equipment - Property and equipment is stated at cost and are depreciated using accelerated depreciation methods over their estimated useful lives, ranging from five to ten years. Accelerated methods established under federal income tax laws differ from generally accepted accounting principles; however, such differences are not considered material. The building is being depreciated over its estimated useful life of 40 years. Leasehold improvements are amortized on the straight-line method over the lesser of their

LOSCALZO ASSOCIATES, P.A.

Notes to Financial Statements

Six Months Ended June 30, 2008 and 2007

estimated useful lives or the life of the lease. Expenditures for repairs and maintenance are charged to expense as incurred.

Income taxes - The Company prepares its tax returns on a cash basis. Deferred tax assets and liabilities are recognized for temporary differences between the financial reporting basis and the tax basis of the Company's assets and liabilities. Deferred taxes are recognized for the estimated taxes ultimately payable or recoverable based on enacted tax laws. Changes in enacted tax rates and laws are reflected in the financial statements in the periods they occur.

Advertising - The Company expenses the costs of advertising when the advertising first takes place. Advertising expense was \$1,757 and \$10,393 for the six months ended June 30, 2008 and 2007.

Sales tax - The Company collects sales tax. The amount received is credited to a liability account and as payments are made, this account is charged. At any point in time, this account represents the net amount owed to the applicable taxing authority for amounts collected but not yet remitted.

New accounting pronouncements - In February 2007, the FASB issued SFAS No. 159, "*The Fair Value Option for Financial Assets and Financial Liabilities*". SFAS No. 159 permits an entity to choose, at specified election dates, to measure eligible financial instruments and certain other items at fair value that are not currently required to be measured at fair value. An entity shall report unrealized gains and losses on items for which the fair value option has been elected in earnings at each subsequent reporting date. Upfront costs and fees related to items for which the fair value option is elected shall be recognized in earnings as incurred and not deferred. SFAS No. 159 also establishes presentation and disclosure requirements designed to facilitate comparisons between entities that choose different measurement attributes for similar types of assets and liabilities. SFAS No. 159 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. At the effective date, an entity may elect the fair value option for eligible items that exist at that date. The entity shall report the effect of the first remeasurement to fair value as a cumulative-effect adjustment to the opening balance of retained earnings. The Company believes that this pronouncement will not have a material effect on the consolidated financial statements.

In December 2007, the FASB issued SFAS No. 141R, "*Business Combinations*", which changes how business acquisitions are accounted. SFAS No. 141R requires the acquiring entity in a business combination to recognize all (and only) the assets acquired and liabilities assumed in the transaction and establishes the acquisition-date fair value as the measurement objective for all assets acquired and liabilities assumed in a business combination. Certain provisions of this standard will, among other things, impact the determination of acquisition-date fair value of consideration paid in a business combination (including contingent consideration); exclude transaction costs from acquisition accounting; and change accounting practices for acquired contingencies, acquisition-related restructuring costs, in-process research and development, indemnification assets, and tax benefits. SFAS No. 141R is effective for business combinations occurring after December 15, 2008. The Company believes that this pronouncement will not have a material effect on the consolidated financial statements.

In December 2007, the FASB issued SFAS No. 160, "*Noncontrolling Interests in Consolidated Financial Statements, an amendment of ARB No. 51*", which establishes new standards governing the accounting for and reporting of noncontrolling interests ("NCIs") in partially owned consolidated subsidiaries and the loss of control of subsidiaries. Certain provisions of this standard indicate, among other things, that NCIs (previously referred to as minority interests) be treated as a separate component of equity, not as a liability; that increases and decreases in the parent's ownership interest that leave control intact be treated as equity transactions, rather than as step acquisitions or dilution gains or losses; and that losses of a partially owned consolidated subsidiary be allocated to the NCI even when such allocation might result in a deficit balance. This standard also requires changes to certain presentation and disclosure requirements. SFAS No. 160 is effective beginning January 1, 2009. The provisions of the standard are to be applied to all NCIs prospectively, except for the presentation and disclosure requirements, which are to be applied retrospectively to all periods

LOSCALZO ASSOCIATES, P.A.**Notes to Financial Statements**

Six Months Ended June 30, 2008 and 2007

presented. The Company believes that this pronouncement will not have a material effect on the consolidated financial statements

2. Property and Equipment

The components of property and equipment are as follows:

<i>June 30,</i>	2008
Land and Building	\$ 342,654
Leasehold Improvements	9,650
Automobiles	32,827
Equipment	73,137
Furniture and Fixtures	5,250
	463,518
Less Accumulated Depreciation and Amortization	207,093
	\$ 256,425

Depreciation and amortization expense for the six months ended June 30, 2008 and 2007 were \$4,511 and \$5,322, respectively.

3. Related Party Transactions

The Company is leasing its office building from an affiliate company under a five year lease agreement. The Company pays monthly rent of \$5,000 to the affiliate. It also pays repairs and maintenance and operating costs related to the facility. Under FASB Interpretation 46(R), "*Consolidation of Variable Interest Entities*", the Company has consolidated the financial statements of 130 Monmouth Street LLC since it provides the majority of financial support. Selected information of 130 Monmouth Street LLC's balance sheet, as of June 30, 2008 and 2007, and its results of operations for the six months ended June 30, 2008 and 2007 are as follows:

	2008	2007
Total Assets	\$ 611,742	\$ 608,008
Total Liabilities	-	520,000
Members' Equity	611,742	88,008
Net Revenue	30,000	30,000
Net Income	1,831	6,140

From time to time, the Company borrows funds from the Company's sole stockholder. The loans are non-interest bearing demand obligations. At June 30, 2008 and 2007, the Company did not have any amounts outstanding relating to stockholder loans. The Company repaid loans outstanding during the six month period of \$67,525 and \$77,873 on January 2008 and February 2007 respectively.

The Company advances funds to the sole stockholder on a short term basis. These advances are non-interest bearing and are paid off within the year.

For the six months ended June 30, 2008 and 2007, the Company paid approximately \$41,700 and \$26,800, respectively, for training and consulting services performed by a related party.

LOSCALZO ASSOCIATES, P.A.**Notes to Financial Statements***Six Months Ended June 30, 2008 and 2007***4. Credit Line**

The Company had an available credit line of \$100,000, which was cancelled on June 30, 2008.

5. Pension Plan

The Company has a non-contributory defined contribution plan covering all employees. Contributions are made at the discretion of the Company. The Company had elected not to make a contribution for 2008.

6. Credit Line

Income tax benefit for the six months ended June 30, 2008 and 2007 consist of the following:

	2008	2007
Current:		
Federal	\$ -	\$ -
State	-	-
	-	-
Deferred:		
Federal	(107,000)	(94,000)
State	(19,000)	(17,000)
	(126,000)	(111,000)
	\$ (126,000)	\$ (111,000)

The Company has a net deferred tax liability of \$273,000 and a non-current deferred tax asset of \$123,000 as at June 30, 2008. The Company prepares its tax returns on a cash basis, but maintains its books on an accrual basis. As a result of the differences between these methods, timing differences occur between accounts receivables and payables, sale recorded for tax purposes but not on books and basis differences in certain investments, gives rise to a deferred tax liability. 130 Monmouth Street LLC files a separate tax return and income or losses from the entity passes through to its members. Therefore, no provision for taxes on its income has been included in the consolidated financial statements.

7. Stockholder's Equity

The Company has 1,000 shares of no par common stock authorized, of which 100 shares are issued and outstanding.

8. Subsequent Event

In July 2008, the Company was sold to SmartPros, Ltd., a public company whose stock is listed on NASDAQ (symbol SPRO) for approximately \$4,400,000 in cash.

Report of Independent Registered Public Accounting Firm

Board of Directors
Loscalzo Associates, P.A.
Red Bank, New Jersey

We have audited the accompanying consolidated balance sheets of Loscalzo Associates, P.A. (the "Company") as of December 31, 2007 and 2006, and the related consolidated statements of operations and retained earnings and cash flows for the years then ended. The consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall consolidated financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Loscalzo Associates, P.A. as of December 31, 2007 and 2006, and the results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

LOSCALZO ASSOCIATES, P.A.

Notes to Financial Statements

Years Ended December 31, 2007 and 2006

1. Description of Business and Summary of Significant Accounting Policies

Nature of operations - Loscalzo Associates, P.A. (the "Company"), a New Jersey corporation, was organized in 1981 for the purpose of developing and presenting training programs and performing consulting services to the accounting profession. These seminars are presented through state societies of CPAs, accounting firms, associations of accounting firms and corporations.

Basis of presentation - The financial statements have been prepared pursuant to Financial Accounting Standards Board ("FASB") Interpretation No. 46R, "*Consolidation of Variable Interest Entities*". The consolidated financial statements include the accounts of Loscalzo Associates, P.A., and 130 Monmouth Street LLC. All material intercompany accounts and transactions have been eliminated. Loscalzo Associates, P.A. and 130 Monmouth Street LLC have common ownership.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition - Revenue for programs that include the delivery of instruction is recognized after delivery of the training program and/or services to the customer. Revenue relating to the sale of only training material is recognized when an order has been received and the manuals are shipped to the customer.

Cash and cash equivalents - All highly liquid investments with an original maturity of three months or less are considered cash equivalents. From time to time, the Company invests a portion of its excess cash in money market accounts and funds which are stated at cost which approximates market.

Concentration of credit risk - Financial instruments that subject the Company to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. From time to time, the cash balances exceed the federal depository insurance limit of \$100,000. At December 31, 2007 and 2006, there was no cash in excess of FDIC insurance. The Company's cash balances are deposited with high quality financial institutions. No single customer represents a significant concentration of sales or receivables.

Accounts receivable - Accounts receivable are stated at the amount billed to customers less an allowance for doubtful accounts, as deemed necessary by management. Management establishes an allowance, when deemed necessary, based on its history of past write-offs and collections and current credit conditions. During 2007 and 2006, no allowance for doubtful accounts was established since all accounts were deemed to be collectible.

Accounts receivable are generally considered to be past due if any portion of the receivable balance is outstanding for more than 90 days. Accounts will be written off as uncollectible if no payments are made after 180 days.

Shipping and handling costs - The Company includes shipping and handling costs billed to the customer in gross revenue and the related cost of shipping and handling in Cost of Revenues.

Property and equipment - Property and equipment is stated at cost and are depreciated using accelerated depreciation methods over their estimated useful lives, ranging from five to ten years. Accelerated methods established under federal income tax laws differ from generally accepted accounting principles; however, such differences are not considered material. The building is being depreciated over its estimated useful life of 40 years. Leasehold improvements are amortized on the straight-line method over the lesser of their estimated useful lives or the life of the lease. Expenditures for repairs and maintenance are charged to expense as incurred.

LOSCALZO ASSOCIATES, P.A.

Notes to Financial Statements

Years Ended December 31, 2007 and 2006

Income taxes - The Company prepares its tax returns on a cash basis. Deferred tax assets and liabilities are recognized for temporary differences between the financial reporting basis and the tax basis of the Company's assets and liabilities. Deferred taxes are recognized for the estimated taxes ultimately payable or recoverable based on enacted tax laws. Changes in enacted tax rates and laws are reflected in the financial statements in the periods they occur.

Advertising - The Company expenses the costs of advertising when the advertising first takes place. Advertising expense was \$12,541 and \$11,410 for the years ended December 31, 2007 and 2006, respectively.

Sales tax - The Company collects sales tax. The amount received is credited to a liability account and as payments are made, this account is charged. At any point in time, this account represents the net amount owed to the applicable taxing authority for amounts collected but not yet remitted.

New accounting pronouncements - In February 2007, the FASB issued SFAS No. 159, "*The Fair Value Option for Financial Assets and Financial Liabilities*". SFAS No. 159 permits an entity to choose, at specified election dates, to measure eligible financial instruments and certain other items at fair value that are not currently required to be measured at fair value. An entity shall report unrealized gains and losses on items for which the fair value option has been elected in earnings at each subsequent reporting date. Upfront costs and fees related to items for which the fair value option is elected shall be recognized in earnings as incurred and not deferred. SFAS No. 159 also establishes presentation and disclosure requirements designed to facilitate comparisons between entities that choose different measurement attributes for similar types of assets and liabilities. SFAS No. 159 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. At the effective date, an entity may elect the fair value option for eligible items that exist at that date. The entity shall report the effect of the first remeasurement to fair value as a cumulative-effect adjustment to the opening balance of retained earnings. The Company believes that this pronouncement will not have a material effect on the consolidated financial statements.

In December 2007, the FASB issued SFAS No. 141R, "*Business Combinations*", which changes how business acquisitions are accounted. SFAS No. 141R requires the acquiring entity in a business combination to recognize all (and only) the assets acquired and liabilities assumed in the transaction and establishes the acquisition-date fair value as the measurement objective for all assets acquired and liabilities assumed in a business combination. Certain provisions of this standard will, among other things, impact the determination of acquisition-date fair value of consideration paid in a business combination (including contingent consideration); exclude transaction costs from acquisition accounting; and change accounting practices for acquired contingencies, acquisition-related restructuring costs, in-process research and development, indemnification assets, and tax benefits. SFAS No. 141R is effective for business combinations occurring after December 15, 2008. The Company believes that this pronouncement will not have a material effect on the consolidated financial statements.

In December 2007, the FASB issued SFAS No. 160, "*Noncontrolling Interests in Consolidated Financial Statements, an amendment of ARB No. 51*", which establishes new standards governing the accounting for and reporting of noncontrolling interests ("NCIs") in partially owned consolidated subsidiaries and the loss of control of subsidiaries. Certain provisions of this standard indicate, among other things, that NCIs (previously referred to as minority interests) be treated as a separate component of equity, not as a liability; that increases and decreases in the parent's ownership interest that leave control intact be treated as equity transactions, rather than as step acquisitions or dilution gains or losses; and that losses of a partially owned consolidated subsidiary be allocated to the NCI even when such allocation might result in a deficit balance. This standard also requires changes to certain presentation and disclosure requirements. SFAS No. 160 is effective beginning January 1, 2009. The provisions of the standard are to be applied to all NCIs prospectively, except for the presentation and disclosure requirements, which are to be applied retrospectively to all periods presented. The Company believes that this pronouncement will not have a material effect on the consolidated financial statements.

LOSCALZO ASSOCIATES, P.A.**Notes to Financial Statements**

Years Ended December 31, 2007 and 2006

2. Property and Equipment

The components of property and equipment are as follows:

<i>December 31,</i>	2007	2006
Land and Building	\$ 342,654	\$ 342,654
Automobiles	32,827	32,827
Equipment	73,137	64,474
Furniture and Fixtures	5,250	5,250
	453,868	445,205
Less Accumulated Depreciation and Amortization	202,582	193,131
	\$ 251,286	\$ 252,074

Depreciation and amortization expense for the years ended December 31, 2007 and 2006 were approximately \$9,450 and \$8,355, respectively.

3. Related Party Transactions

The Company is leasing its office building from an affiliate company under a five year lease agreement. The Company pays monthly rent of \$5,000 to the affiliate. It also pays repairs and maintenance and operating costs related to the facility. Under FASB Interpretation 46(R), "*Consolidation of Variable Interest Entities*", the Company has consolidated the financial statements of 130 Monmouth Street LLC since it provides the majority of financial support. Selected information of 130 Monmouth Street LLC's balance sheet, as of December 31, 2007 and 2006, and its results of operations for the year ended December 31, 2007 and 2006 are as follows:

	2007	2006
Total Assets	\$ 613,596	\$ 601,867
Total Liabilities	520,000	520,000
Member's Equity	93,596	81,867
Net Revenue	60,000	45,000
Net Income	11,729	6,367

From time to time, the Company borrows funds from the Company's sole stockholder. The loans are non-interest bearing demand obligations. At December 31, 2007 and 2006, the outstanding balance was \$67,525 and \$19,373, respectively. These loans were repaid in January 2008 and February 2007, respectively.

The Company advances funds to the sole stockholder on a short-term basis. These advances are non-interest bearing and are paid off within the year. In 2007, \$74,500 was advanced over several months to the stockholder and paid off within nine months.

During the years ended December 31, 2007 and 2006, the Company paid approximately \$150,000 and \$132,000, respectively, for training and consulting services performed by a related party.

4. Credit Line

Edgar Filing: SmartPros Ltd. - Form 8-K/A

The Company has an available credit line of \$100,000. The interest rate was 8.5% and 7.8% at December 31, 2007 and 2006, respectively, with an outstanding balance of \$0 and \$90,000, respectively. The 2006 balance was paid off in January 2007. The credit line was cancelled on June 30, 2008.

F-15

LOSCALZO ASSOCIATES, P.A.**Notes to Financial Statements***Years Ended December 31, 2007 and 2006***5. Pension Plan**

The Company has a non-contributory defined contribution plan covering all employees. Contributions are made at the discretion of the Company. For the year ended December 31, 2007 and 2006, the pension contribution was \$74,302 and \$71,573, respectively, and the accrued profit sharing payable at December 31, 2007 and 2006 was \$74,271 and \$71,541, respectively.

6. Income Taxes

Income tax (benefit) expense for the years ended December 31, 2007 and 2006 consist of the following:

	2007		2006
Current:			
Federal	\$ 19,800	\$	-
State	5,600		3,600
	25,400		3,600
Deferred:			
Federal	(13,600)		(18,200)
State	(2,400)		(3,200)
	(16,000)		(21,400)
	\$ 9,400	\$	(17,800)

The Company has a current net deferred tax liability of \$323,000 and \$324,000, and a non-current net deferred tax asset of \$47,000 and \$32,000 as of December 31, 2007 and 2006, respectively. The Company prepares its tax returns on a cash basis, but maintains its books on an accrual basis. As a result of the differences between these methods, timing differences occur between accounts receivables and payables, sale recorded for tax purposes but not on books and basis differences in certain investments, gives rise to a deferred tax liability. 130 Monmouth Street LLC files a separate tax return and income or losses from the entity passes through to its members. Therefore, no provision for taxes on its income has been included in the consolidated financial statements.

7. Stockholder's Equity

The Company has 1,000 shares of no par common stock authorized, of which 100 shares are issued and outstanding.

8. Subsequent Event

In July 2008, the Company was sold to SmartPros, Ltd., a public company whose stock is listed on NASDAQ (symbol SPRO) for approximately \$4,400,000 in cash.

Effective July 3, 2008, SmartPros.Ltd (["SmartPros" or the "Company"]) completed the acquisition of Loscalzo Associates, P.A. (["Loscalzo"]). The following unaudited pro forma condensed consolidated statement of operations for the six months ended June 30, 2008 gives effect to the Loscalzo acquisition as if it occurred on January 1, 2008, the first day for the fiscal year of both companies. For the fiscal year ended December 31, 2007 the unaudited pro forma condensed consolidated statement of operations gives effect to the transaction as if it occurred on January 1, 2007. The accompanying unaudited pro forma condensed consolidated balance sheet as of June 30, 2008 gives effect to the Loscalzo acquisition as if it occurred on June 30, 2008.

These unaudited pro forma condensed consolidated financial statements should be read in conjunction with the historical financial statements and notes thereto of SmartPros.Ltd included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2007 and the Quarterly Report on Form 10-Q for the six month period ended June 30, 2008, which are included by reference in this Form 8K/A; and the accompanying Notes to the Unaudited Pro Forma Condensed Consolidated Financial Statements. Additionally, the consolidated financial statements of Loscalzo Associates, P.A. for the years ended December 31, 2006 and 2007 are included in this Form 8K/A.

The unaudited pro forma condensed consolidated financial statements reflect adjustments for pro forma events that are (1) directly attributable to the Loscalzo acquisition, (2) factually supportable, and (3) expected to have a continuing impact on the combined results. The unaudited pro forma financial statements were prepared using the purchase method of accounting with SmartPros treated as the acquiring company. SmartPros purchased all of the outstanding shares of Loscalzo. Accordingly, the consideration paid by SmartPros to complete the acquisition has been allocated preliminarily to the assets and liabilities acquired based on their estimated fair values as of the acquisition date. Any amount paid in excess has been treated as acquisition of intangible assets and goodwill.

Provisions of Statement of Financial Accounting Standards (["SFAS"]) No. 141, Business Combinations, establish criteria for determining when intangible assets should be recognized separately from goodwill. SFAS No. 142, ["Goodwill and Other Intangible Assets"] also provides, among other guidelines, that goodwill and intangible assets with indefinite lives will not be amortized, but rather tested for impairment on at least an annual basis. The Company is in the process of identifying intangible assets arising on account of this acquisition and will re-allocate the goodwill once this determination is complete.

The unaudited pro forma condensed consolidated statements of operations are presented for illustrative purposes only and are not indicative of what the expected results of

operations of SmartPros would have been had the acquisition been completed on the dates indicated above. Further, the unaudited pro forma condensed consolidated financial statements do not reflect one-time costs to fully merge and operate the combined organizations more efficiently, or anticipated synergies expected to result from the combination. You should not rely on the unaudited pro forma condensed consolidated statements of operations as being indicative of the historical results that would have been achieved had the companies always been combined or the future results that SmartPros will experience.

SmartPros. Ltd
Notes to Pro Forma Financial Statements

- a. The consolidated financial statements of Loscalzo include the financial position and results of operations of a variable interest entity ("VIE"). The VIE was not part of the acquisition, therefore all financial information related to the VIE has been eliminated from the consolidated financial statements of Loscalzo.

The assets and liabilities have been segregated below between those acquired and those relating to the VIE that have not been acquired.

	Loscalzo Associates (excluding VIE)	VIE	Consolidated as reported
The total purchase price has been allocated as follows:			
Cash	\$ 196,165	\$ 45,501	\$ 241,666
Accounts receivable	760,297	-	760,297
Prepaid expenses and other receivables	47,339	-	47,339
Total current assets	1,003,801	45,501	1,049,302
Property and equipment	11,493	244,932	256,425
Total assets acquired	1,015,294	290,433	1,305,727
Accounts payable and accrued expenses	119,296	-	119,296
Total liabilities assumed	119,296	-	119,296
Net assets acquired	\$ 895,998	\$ 290,433	\$ 1,186,431

The purchase price has been calculated as follows:

Consideration	\$ 4,369,566
Transaction related expenses	80,000
Total purchase price	\$ 4,449,566
Excess of the purchase price over net assets acquired (Goodwill)	\$ 3,553,568

(The excess has been allocated to goodwill, refer to Note d)

Reflects purchase price for the acquisition and also eliminates cash in the VIE of \$45,501 that has not been acquired in this transaction.

- c. Land and building of \$244,932 owned by VIE, not acquired in this transaction

Edgar Filing: SmartPros Ltd. - Form 8-K/A

- d. The Company allocated the excess of the purchase price over the net assets acquired to goodwill. The Company is in the process of identifying intangible assets arising as a result of this transaction. The identified intangible assets if any will be assigned values and amortized over their useful lives for assets with finite lives. Intangible assets with infinite lives will be tested for impairment annually. The goodwill of \$3,553,568 will be adjusted accordingly for intangible assets recognized during this process. The pro forma information does not include the effect of amortization expense (if any) arising on account of identifying intangible assets.
- e. Elimination of deferred taxes and current taxes payable, as a result of the acquisition.
- f. To reverse minority interest in VIE, not acquired in the transaction.
- g. To eliminate members' equity and retained earnings through acquisition date.
- h. To reflect additional compensation cost that will be incurred as a result of a signed employment agreement with a former consultant to Loscalzo.
- i. To reflect reduction in compensation cost to former sole shareholder and officer of Loscalzo as a result of an employment agreement entered into upon the acquisition.
- j. Estimated interest income adjustment reflect the use of cash towards payment of the purchase price assumed to occur on account of the acquisition.
- k. The Company estimated the tax effect of the pro forma adjustments using the Company's effective tax rate of 38%.
- l. Reversal of income from VIE, excluded from this transaction.
- m. Reversal of profit sharing plan expense of Loscalzo
