Interest accrued on this note for the six months ended June 30, 2004 was \$4,748 and \$7,122 for the same period in 2003.

The Company purchased the President's office furniture and antiques for a total price of \$105,650 in July 2002. This amount was set up on a note payable with interest only payable for 4 years at 6.75% with the principal amount due in July 2006 as a balloon payment. Interest paid on this note for the six months ended June 30, 2004 was \$3,566 and \$3,564 for the same period in 2003.

NOTE 9 – COMMITMENTS AND CONTINGENCIES.

Generally speaking, the Securities and Exchange Commission guidelines require a company to report any pending legal and/or regulatory proceedings that involves a claim for damages in excess of ten percent (10%) of its current assets. The litigation and proceedings discussed below do not necessarily meet this threshold, but are included in the interest of full disclosure. In general, the Company will vigorously defend itself against all claims to the fullest extent possible:

Pondella Hall for Hire, Inc., d/b/a Eight Hundred v. American Bingo and Gaming, Case No.: 97-2750, Circuit Court of the Twelfth Judicial Circuit in and for Manatee County, Florida. In July of 1995 the Company bought three Florida bingo centers from Phillip Furtney and two corporations related to Mr. Furtney (which corporations and Mr. Furtney are referred to collectively as "Furtney"). On June 12, 1997, Furtney filed a lawsuit against the Company in Florida, alleging breach of contract. Furtney alleged that the Company defaulted on its original purchase note and stock obligations under the purchase agreements. On July 12, 1997, the Company answered this lawsuit and filed a counterclaim against Furtney alleging, among other things, fraud, negligent misrepresentation, breach of express warranties, contractual indemnity and tortious interference with contractual rights. The Company believes that it was materially defrauded in its purchase of these three Florida bingo centers from Furtney in that Furtney made no disclosure to the Company of an ongoing criminal investigation of the operation of these bingo centers by the Florida State Attorney General's Office, and that Furtney was fully aware of this investigation. The state of Florida temporarily closed these three bingo centers, as well as several other centers formerly owned by Mr. Furtney, in November 1995. The Company sold these three bingo centers in December of 1995. In January of 1997, the Company and the State of Florida settled all matters regarding the Company's previous ownership and operation of these bingo centers. The Company believes that Furtney's lawsuit against the Company is completely without merit and that the Company will prevail in its counterclaim. The Company completed depositions of Mr. Furtney and a corporate representative of the Furtney controlled companies discussed above on September 20, 2000 and plans to pursue and defend this action vigorously. There can be no assurance of this result and a decision against the Company could have a material adverse effect on the financial position and operations of the Company. A court date has been set for September 2004.

Collins Entertainment Corp. v. Coats and Coats Rental Amusement, d/b/a Ponderosa Bingo and Shipwatch Bingo, Wayne Coats, individually, and American Bingo and Gaming Corp.; American Bingo and Gaming Corp. v. Coats and Coats Rental Amusement, d/b/a Ponderosa Bingo and Shipwatch Bingo, Wayne Coats, individually, Civil Action No. 97-CP-10-4685, South Carolina Court of Common Pleas, Charleston County. On October 9, 1997, Collins Entertainment, Inc., filed a lawsuit alleging the Defendants had engaged in civil conspiracy and tortiously interfered with the Plaintiff's contract, violating the South Carolina Unfair Trade Practices Act. The Plaintiff sought actual damages in excess of \$350,000 and an unspecified amount of punitive damages. The Company believed this lawsuit was completely without merit; however, a judgment was issued on February 12, 2001 in favor of the plaintiff. Damages of \$157,000 were awarded in addition to punitive damages of \$1,570,000. The Company appealed this decision with the South Carolina appellate court, and the judgment was affirmed. The Company applied for a re-hearing with the appellate court which threw out their original opinion. However, their new opinion also reaffirmed the judgment. The Company is now in the process of filing an appeal to the South Carolina Supreme Court. The total amount of the award was accrued for in the financial statements in 2000, and the actual damages of \$157,000 were paid in 2001.

Lenrich Associates LLC v. Littlefield Corporation, et al; Civil Action No. 00-CP-10-4742, South Carolina Court of Common Pleas, County of Charleston Lenrich Associates has brought this action against the Company based on a commercial lease guaranty that was signed by the Company. The tenant on the lease is Concessions Corp., a subsidiary of the Company and had been used as the location of the "Lucky II" facility, which was closed in early 2000. The lease expired in February 2003. Because rental payments under the lease are currently in arrears, Lenrich Associates sought to enforce the guaranty against the Company. The Company's liability under the guaranty is capped at the lesser of two years of fixed and additional rent or the amount of fixed and additional rent corresponding to the time period mandated by South Carolina law. A settlement agreement had been reached for \$147,500, which has been accrued for by the Company in June 2002. However, the plaintiff withdrew their support of the settlement agreement shortly thereafter. The Company has petitioned the court to enforce the settlement agreement and is currently awaiting this decision.

Littlefield Corp. v. Dye, Civil Action No. 2002-cp-08-478. The Company filed an action on March 6, 2002, in

Berkeley County, South Carolina for collection on a note signed by Danny C. Dye. The note, which was executed on December 10, 1998, was in the amount of \$80,000. The Company alleges that Dye still owes \$58,481.29 toward the principle balance, plus \$19,257.17 in accrued interest through December 31, 2002. On January 14, 2003, Mr. Dye amended his answer to assert counterclaims against the Company for fraudulent breach of contract and violation of the South Carolina Payment of Wages Act based on allegations that the Company failed to pay Dye amounts due under an employment contract. Mr. Dye has alleged that the Company owes him \$375,000 in unpaid salary and is seeking treble damages under the Payment of Wages Act for a total amount of \$1,250,000 in damages. The Company believes that the counterclaims are without merit and the Company plans to contest them vigorously.

George M. Harrison, et al. v. Littlefield Corporation Civil Action No. 4:04-1038-25 This action is currently pending in the United States District Court for the District of South Carolina, Florence Division. Plaintiffs were the owners of a parcel of real property in Darlington, South Carolina that was leased to Darlington Music Company, a former subsidiary of Littlefield Corporation. In 1990, Plaintiffs, who were also the owners of Darlington Music Company at that time, caused Darlington Music Company to enter into a 15-year lease of the real property they owned. Darlington Music Company was later acquired from Plaintiffs by Littlefield Corporation's predecessor, American Bingo & Gaming. This business continued to operate as a wholly-owned subsidiary until such time as changes in South Carolina law regarding video gaming required that the business be wound down. In May 2001, Plaintiffs later received a judgment in the amount of \$199,148.36 against Darlington Music Company for nonpayment of rent. Through this action, Plaintiffs are now attempting to enforce that judgment against Littlefield Corporation on the basis of various legal theories. Littlefield intends to vigorously defend this action and will also ask, if possible, to have the underlying judgment against its former subsidiary reexamined.

Matters Settled during this Quarter:

Brigham Limited Partnership v. Littlefield Corporation, f/n/a American Bingo & Gaming Corp., S.C.Properties II Corp. and Michael Mims; Civil Action No. 2000CP021280, South Carolina Court of Common Pleas. The alleged facts which gave rise to this litigation are as follows: Michael Mims leased certain property from Brigham. Subsequently S.C.Properties II, Inc., a wholly owned subsidiary of ours, obtained a sub-lease from Mims with the approval, in writing of Brigham. A letter of understanding was sent by and between Mims, Brigham and S.C. Properties which stated that SC Properties could terminate the sublease in the event video poker or bingo were legislatively prohibited from operating in the State of South Carolina. On June 30, 2000, video poker ("video games") became illegal in South Carolina and SC Properties gave notice of termination. Brigham sued for rent revenues not otherwise received in an undefined amount. In July 2003, this case was settled in our favor. At trial, we prevailed against both the landlord and Mr. Mims.

NOTE 10 – SEGMENTS.

The Company's Chief Operating Decision Maker ("CODM"), the President and CEO, evaluates performance and allocates resources based on a measure of segment profit or loss from operations.

The Company has identified three operating segments based on the different nature of the services and legislative monitoring and, in general, the type of customers for those services in the current and prior years. The entertainment segment encompasses bingo center services provided to charitable organizations in South Carolina, Texas and Alabama. The amusements segment represented operations of the Company's amusement arcades in Alabama, which were terminated in January 2003. The Hospitality segment is the tent rental business (acquired November 2000) and the party rental and catering businesses in Austin, Texas, which were acquired in July and August of 2001.

A summary of the segment financial information reported to the CODM is as follows:

June 30, 2004

	<u>Entertainment Amusements Hospitality Adjustment Consolidated</u>

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

Our Company was formed in 1994 as a Delaware corporation to consummate the acquisition of charitable bingo centers and video gaming operations, and completed the initial public offering in December of 1994. We operate primarily through wholly owned subsidiaries in Texas, Alabama and South Carolina.

The following discussion should be read in conjunction with our Form 10-KSB and the consolidated financial statements for the years ended December 31, 2003 and 2002; the Form 10-QSB for the quarters ended March 31, 2004 and 2003, June 30, 2003 and September 30, 2003; and the consolidated financial statements and related notes for the six months ended June 30, 2004. The statements in this Quarterly Report on Form 10-QSB relating to matters that are not historical facts, including, but not limited to statements found in this “Management Discussion and Analysis of Financial Condition and Results of Operations”, are forward-looking statements that involve a number of risks and uncertainties. Factors that could cause actual future results to differ materially from those expressed in such forward-looking statements include, but are not limited to the impact of government regulation and taxation, customer attendance, spending, competition, general economic conditions, and other risks and uncertainties as discussed in this Quarterly Report and the 2003 Annual report on Form 10-KSB.

We intend to grow our business through acquisitions and the selective start up of charitable bingo halls in markets in which we currently operate and other attractive markets.

Results of Operations

Net income for the six months ended June 30 of 2004 was \$260,685, which equated to basic and fully diluted earnings per share of \$.03. Net income for the six months ended June 30 2003 was \$80,583, which equated to basic and fully diluted losses per share of \$0.01. The weighted average number of basic Common Stock shares outstanding totaled 8,362,360 in the first six months of 2004 as compared to 8,276,379 in the first six months of 2003. The increase in net income is a result of cost cutting initiatives that have been implemented over the past year.

Revenues

The Company generated consolidated revenues of approximately \$4,945,000 during the period ended June 30, 2004 as compared with approximately \$5,153,000 in the comparable period of the prior fiscal year, representing a decrease of approximately \$208,000 or 4%. The decline comes from continued competition with Indian casinos and a horse race track in Alabama and in Word of Mouth, which continues to rebound from a difficult economic situation.

Entertainment (bingo) rental and other revenues totaled approximately \$3,250,000, or 66% of revenues, for the first six months of 2004, as compared to approximately \$3,336,000, or 65% of total revenues, for the first six months of 2003. During the first six months of 2004, approximately 19% of the Company's bingo related revenues were generated in South Carolina, 17% in Alabama and 64% in Texas, compared to 18%, 22% and 60%, respectively, in the first six months of 2003. The Hospitality segment generated revenues of approximately \$1,679,000, or 34% of revenues for the first six months of 2004, compared to approximately \$1,806,000, or 35% of revenues, for the same period in 2003. Amusements revenues were approximately \$0 for the first six months of 2004, compared to \$84,000 in 2003, or less than 2% of revenues. The Company was forced to close all remaining arcades in Alabama at the end of January 2003 and this division has been discontinued.

Gross Margins

Gross margin was approximately \$1,072,000 or 22% of revenues in the first six months of 2004 versus approximately \$1,069,000 or 21% in the first six months of 2003, up 1%. The bingo division gross margins were 40% of revenues, up 3 percent from the same period last year. The hospitality business increased their gross margin loss percentage by approximately 4%. The economy has been slow to rebound for the hospitality services.

Amusements had a gross gain of 0% for the first six months of 2004, compared to 6% in the same period in 2003. This reduction is due to discontinuing this operating division.

Costs and Expenses

Depreciation and amortization expense totaled approximately \$465,000 in the first six months of 2004 compared to about \$470,000 in the first six months of 2003, a decrease of about \$5,000

General and administrative expenses, excluding related depreciation expense, totaled approximately \$634,000 in the first six months of 2004, compared to approximately \$706,000 in 2003. Most of this decrease can be attributable to a reduction of wage expense from the elimination of 2 positions in late 2003 and a reduction in legal expenses.

Other expenses totaled approximately \$90,000 for the first six months of 2004, as compared to approximately \$224,000 for the first six months of 2003. Most of the expense in the prior year came from a loss on the sale of investments and the write off of abandoned assets.

Liquidity and Capital Resources

Cash and cash equivalents at June 30, 2004 totaled approximately \$579,000 and represented approximately 4% of the Company's total assets of approximately \$15,705,000. Cash flows provided by operating activities for the six months ended June 30, 2004 were approximately \$792,000 compared to \$444,000 in the same period of 2003, an increase of about \$348,000. Cash flows from operating activities in the first six months of 2004 were comprised of the Company's net income of approximately \$261,000 increased for non-cash amounts of loss on sale of fixed assets of approximately \$6,000, increased by depreciation expense and intangible asset amortization of approximately \$465,000, and increased by net changes in operating assets and liabilities of approximately \$110,000. Cash flows from operating activities of approximately \$444,000 in the first six months of 2003 were comprised of the Company's depreciation expense of approximately \$480,000, and net decreases in operating assets and liabilities of approximately \$160,000, decreased by

a net loss for the period of approximately \$81,000.

Net cash provided by investing activities totaled approximately \$240,000 for the six months ended June 30, 2004, compared to approximately \$440,000 used in the six months ended June 30, 2003. Cash provided by investing activities in the first six months of 2004 were from the sale of equity securities of about \$521,000 and property and equipment sales proceeds of about \$3,000, reduced by property and equipment purchases of approximately \$247,000, and the purchase of intangibles of \$38,000. In the same six months of 2003, cash used in investing activities consisted primarily of the sale of equity securities in the amount of approximately \$425,000 and from selling fixed assets in the amount of approximately \$204,000, offset by property and equipment expenditures of about \$189,000.

Cash used by financing activities in the first six months of 2004 totaled approximately \$739,000, and included approximately \$5,000 of collections of subscribed receivables and approximately \$743,000 in payments on notes and lease payable obligations. Cash used related to financing activities in 2003 included approximately \$825,000 in payments on notes payable and capital lease obligations, offset by the collection of subscribed receivables and proceeds from capital lease, totaling approximately \$90,000.

Current assets totaled approximately \$1,266,000 at June 30, 2004, which results in negative working capital of approximately \$3,210,000 and a current ratio of .28 to 1. At June 30, 2004, the Company had approximately \$15,705,000 in total assets with total liabilities and contingencies of approximately \$7,404,000 and approximately \$8,301,000 of shareholders equity. Total assets include approximately \$579,000 in cash, \$3,000 in investments, \$448,000 of net accounts receivable, \$8,029,000 of property and equipment, \$4,979,000 of goodwill and intangible assets, \$845,000 in notes receivable and \$822,000 of other assets. Total liabilities primarily consist of notes and capital lease obligations of approximately \$4,304,000 and accrued liabilities and reserves of about \$3,100,000. Out of the reserves, \$1,738,000 is the reserve for the punitive damages resulting from a lawsuit judgment that the Company is appealing.
