PROXY STATEMENT

ABOUT THE MEETING

This proxy statement contains information relating to our 2003 Annual Meeting of Stockholders to be held on Tuesday, June 3, 2003, at 2:00 p.m. at the Company's headquarters located at 16313 N. Dale Mabry Highway, Tampa, Florida, and at any postponements or adjournments of the meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will elect seven directors to serve on our Board and will act upon any other business which may properly come before the meeting or any adjournment thereof. In addition, management will report on our performance for fiscal 2002 and respond to appropriate questions from stockholders. We are not currently aware of any other matters which will come before the meeting.

Proxies for use at the meeting are being solicited by the Board of Directors of Shells, chiefly by internet, telephone and mail. We began mailing this proxy statement, along with the proxy card, on or about May 5, 2003. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. To ensure adequate representation of shares and the presence of a quorum at the meeting, officers, agents and Shells employees may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile or in person to request that proxies be furnished. Shells will bear all expenses incurred in connection with this solicitation. We have no present plans to hire special employees or paid solicitors to assist in obtaining proxies, but reserve the option of doing so if it should appear that a quorum otherwise might not be obtained.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on April 30, 2003, the record date for the meeting, are entitled to receive notice of, and to participate in the Annual Meeting, or any postponements and adjournments of the meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares you held on that date at the Annual Meeting. Your proxy card shows the number of shares you held at the close of business on April 30, 2003.

What does it mean if I receive more than one proxy card?

If you received more than one proxy card, you have multiple accounts with your brokers or our transfer agent. Please vote all of these shares. We recommend that you contact your broker or our transfer

Table of Contents

agent to consolidate as many accounts as possible under the same name and address. You may contact our transfer agent, Continental Stock Transfer & Trust Company at (212) 509-4000.

What are the voting rights of the holders of Common Stock?

Each outstanding share of our Common Stock will be entitled to one vote on each matter to be acted upon at the meeting. On April 30, 2003, there were 4,631,375 shares of Common Stock outstanding.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock as of April 30, 2003 will constitute a quorum, thereby permitting the meeting to conduct its business. As stated earlier, there were 4,631,375 shares of Common Stock, representing the same number of votes, outstanding on April 30, 2003. Accordingly, the presence of holders representing at least 2,315,688 votes will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be counted in determining whether a quorum is present. Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under applicable Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the New York Stock Exchange.

How do I vote?

You may vote your shares by mailing the enclosed proxy card which gives detailed voting instructions. If you vote by mail, please complete and properly sign the enclosed proxy card and return it in the envelope we have provided. Your shares will be voted according to your instructions. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card or vote in person.

Alternatively, you may be able to vote by Internet or telephone. If your shares are held in a brokerage account in the name of your bank or broker (this is called street name), those shares are not included in the total number of shares listed as owned by you on the enclosed proxy card. Instead, your bank or broker will send you directions how to vote those shares. Many (but not all) brokerage firms and banks participate in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote for the election of the nominated slate of directors to serve for the ensuing year. These votes are in accordance with the recommendations of our Board. With respect to any other matter that properly comes before the meeting, the proxy holders will vote according to their best judgment.

Can I change my vote after I return my proxy card?

Edgar Filing: SHELLS SEAFOOD RESTAURANTS INC - Form DEF 14A

Yes. Even after you have submitted your proxy card or voted by Internet or telephone, you may change your vote at any time before the proxy is exercised, by filing with the Secretary of Shells either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and request to vote in person, although attendance at the meeting alone will not itself revoke a previously granted proxy.

Table of Contents**INFORMATION ABOUT OWNERSHIP OF OUR COMMON STOCK**

The following table sets forth certain information as of April 30, 2003 regarding the beneficial ownership of our Common Stock by (i) each person known by us to own beneficially more than 5% of the outstanding Common Stock; (ii) each current director (all of whom are standing for re-election); (iii) each executive officer named in the Summary Compensation Table appearing later in this proxy statement; and (iv) all of our directors and executive officers as a group. Except as otherwise specified, the named beneficial owner has the sole voting and investment power over the shares listed, and has an address c/o Shells Seafood Restaurants, Inc., 16313 N. Dale Mabry Highway, Suite 100, Tampa, FL 33618. For purposes of this table, beneficial ownership is determined according to the rules of the Securities and Exchange Commission (the "SEC"), which generally attributes beneficial ownership of securities to persons who possess sole or shared voting power and/or investment power with respect to those securities. Common Stock options and warrants which are presently exercisable or which become exercisable within 60 days of April 30, 2003 are considered beneficially owned shares of Common Stock.

The Financing Transaction

In January 2002, we raised \$2,000,000 in a private financing transaction, consisting of secured promissory notes and warrants to purchase Common Stock. The two investors in the financing transaction were Shells Investment Partners, L.L.C. (SIP) and Banyon Investment, LLC (Banyon). SIP is an entity comprised of Messrs. Gardner, Giordano and Newkirk, each of whom is currently a director and is nominee for director for the ensuing year. At the time of the transactions, none of Messrs. Gardner, Giordano and Newkirk were affiliated with us. Banyon is an entity associated with Philip R. Chapman, Chairman of our Board of Directors, and certain family members of Frederick R. Adler, a greater than 10% stockholder. The proceeds of the financing transaction are being used for working capital requirements.

In the financing, we issued to each of SIP and Banyon (i) a \$1 million secured promissory note due January 31, 2005 which bears interest at 15% per annum, of which 8% is payable monthly in arrears and 7% is deferred and payable when the principal is payable in full and (ii) a warrant to purchase 4,454,015 shares of Common Stock at an exercise price of \$0.16 per share. The warrants are exercisable from January 31, 2003 to January 31, 2005. If Banyon and SIP were to exercise the warrants in full, collectively, they would own 65.8% of the issued and outstanding shares of Common Stock on a fully diluted basis (exclusive of other shares or stock options which may be held by either of them or their members). Pursuant to an agreement, dated as of February 22, 2002, among SIP, Thomas R. Newkirk, John N. Giordano, J. Stephen Gardner and George W. Heaton, upon repayment by Shells of the \$1 million promissory note issued to SIP, Mr. Heaton is entitled to receive a portion of the warrants issued to SIP. If Shells repays the SIP note prior to January 31, 2004, Mr. Heaton is entitled to 40% of the SIP warrants. If Shells repays the SIP note after January 31, 2004, Mr. Heaton is entitled to 33.33% of the SIP warrants. George W. Heaton has assigned his rights under this agreement to Linn D. Heaton.

The Banyon investment consists of the personal funds of its members. The SIP investment consists of funds obtained through a \$700,000 revolving line of credit which matures on January 29, 2005 through Suntrust Bank, N.A. and the personal funds of its members. This revolving line of credit bears a 6.95% fixed interest rate with interest paid on a quarterly basis. A principal payment on the credit line of \$100,000 was required and paid on January 29, 2003 and an additional principal payment of \$100,000 is required on January 29, 2004.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

How is the Board Structured?

There are seven directors to be elected at the Annual Meeting, each of whom currently serves as a director of Shells. Directors are elected for a term of one year which expires at the next annual meeting of stockholders or at such other time as his or her successor is duly elected and qualified. Unless you specify otherwise, your proxy will be voted in favor of the seven persons named below. We have no reason to believe that any of the listed nominees will be unable to serve or that any vacancy will occur on the Board of Directors. However, in the event any of these nominees is unable to serve as a director, the shares represented by your proxy will be voted for the person, if any, who is designated by the Board to replace the nominee. All of the listed nominees have consented to be named and have indicated their intent to serve if elected.

In January 2002, in connection with the \$2 million financing transaction, we entered into an Investor Rights Agreement with SIP, Banyon and certain other stockholders. The Investor Rights Agreement fixes the composition of the Board at seven members and provides each of Banyon and SIP with the right to nominate three individuals to serve on the Board. This right will terminate with respect to each of Banyon and SIP on the earlier of (i) the date that such entity ceases to beneficially own at least 13% of our issued and outstanding stock, on a fully diluted basis, or (ii) the date that such entity's \$1 million promissory note has been paid in full. Banyon has appointed Philip R. Chapman, Michael R. Golding and Christopher D. Illick, and SIP has appointed Thomas R. Newkirk, J. Stephen Gardner and John N. Giordano, as their respective nominees to the Board.

In addition, pursuant to the terms of his employment agreement, David W. Head, our Company's President and Chief Executive Officer, has the right to be nominated for election to the Board. Mr. Head currently serves as a director.

William E. Hattaway, our former president, and George W. Heaton have been designated as Board observers, with the right to attend and observe all meetings of the Board. Neither Mr. Hattaway nor Mr. Heaton may vote on any matters which come before the Board for consideration.

Board Committees

The Board of Directors has standing Executive, Audit, and Stock Option and Compensation Committees.

The Executive Committee possesses all the powers and authority of the Board in the management of the business and affairs of our Company, except for certain powers which are specifically reserved by Delaware law to the entire Board or the stockholders. Messrs. Chapman and Newkirk are the current members of the Executive Committee. The Executive Committee did not meet in fiscal 2002.

The Audit Committee's responsibilities, which include reviewing our internal accounting procedures and consulting with and reviewing the services provided by the independent auditors, are described in the

Audit Committee Charter. The Audit Committee's Report appears later in this proxy statement. Messrs. Newkirk and Illick and Dr. Golding are the current members of the Audit Committee. The Audit Committee met 4 times in fiscal 2002.

The Stock Option and Compensation Committee is charged with reviewing compensation policies and practices, recommending compensation for executives and key employees and administering our stock option plans. During fiscal 2002, the Stock Option and Compensation Committee acted by unanimous written consent one time.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who beneficially own more than 10% of our Common Stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based upon a review of the copies of the forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2002, all Section 16(a) filing requirements applicable to executive officers, directors and greater than 10% beneficial owners were complied with on a timely basis.

What is the vote required to approve Proposal No. 1?

The seven nominees receiving the highest number of affirmative votes of the shares rightfully voted will be elected as directors. Only votes cast for a nominee will be counted, except that the accompanying proxy will be voted for all nominees in the absence of instructions to the contrary. Abstentions, broker non-votes and instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by a nominee will not be reduced by any of these actions.

What does the Board recommend?

THE BOARD OF DIRECTORS DEEMS THE ELECTION AS DIRECTORS OF THE SEVEN NOMINEES LISTED ABOVE TO BE IN THE BEST INTERESTS OF SHELLS AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THESE NOMINEES.

How do we compensate our Directors?

Edgar Filing: SHELLS SEAFOOD RESTAURANTS INC - Form DEF 14A

Prior to 2002, we had a policy of compensating directors, both generally and for their attendance at meetings of the Board of Directors. Under this policy, for fiscal 2001, each director received an annual option grant for 4,000 shares of Common Stock and was entitled to receive \$1,000 for each meeting that he attended in person and \$500 for each telephonic meeting attended, in addition to reimbursement for all out-of-pocket expenses incurred in connection with attending the meeting. In February 2002, as part of our

cash conservation program, we revised this policy to eliminate all cash compensation for attendance at Board meetings. Additionally, we eliminated the annual stock option awards. We will continue to compensate directors for reasonable expenses incurred in connection with attendance at meetings.

In February 2002, to replace the prior compensation package, we approved, subject to stockholder approval of the Shells Seafood Restaurants, Inc. 2002 Equity Incentive Plan (the "Equity Incentive Plan") a supplemental grant of an option to purchase 10,000 shares of Common Stock to each of Messrs. Chapman, Gardner, Giordano, Illick, Mandell and Newkirk and our two Board observers, Messrs. Hattaway and Heaton. Each option is exercisable at a price per share of \$0.42, the fair market value of the Common Stock on the date of grant. In April 2002, Dr. Michael R. Golding, was appointed to the Board of Directors to fill the vacancy created by the resignation of one of our directors. Upon Dr. Golding's appointment, he was granted (subject to stockholder approval of the Equity Incentive Plan) an option to purchase 10,000 shares of Common Stock at an exercise price of \$0.51 per share, the fair market value of the Common Stock on the date of the grant. All of these stock options vest over a two year period. The Equity Incentive Plan was approved by our stockholders at the 2002 Annual Meeting.

Prior to our revised policy, non-employee directors received annual stock options to purchase 4,000 shares of Common Stock, pursuant to the Shells Seafood Restaurants, Inc. Stock Option Plan for Non-employee Directors (the "Director Plan"). Options granted under the Director Plan vest equally on each of the first and second anniversaries of their grant date. Mr. Chapman received options to acquire 17,000 shares of Common Stock, Mr. Hattaway received options to acquire 4,000 shares of Common Stock, and Mr. Illick received options to acquire 15,000 shares of Common Stock, in the aggregate, under the Director Plan. In addition, we approved supplemental grants of options in February 2000 and April 2001 to purchase 4,000 shares and 5,000 shares, respectively, of Common Stock to each of the non-employee directors exercisable at a price per share of \$2.00 and \$0.45, respectively, the fair market value of the Common Stock on the date of each grant.

Employment Agreements

On April 2, 2001, we entered into a three-year employment agreement with David W. Head, pursuant to which he serves as our President and Chief Executive Officer. The employment agreement provided for an annual base salary of \$242,000 during fiscal 2001, supplemental discretionary bonuses, as determined by the Stock Option and Compensation Committee of the Board and an option to purchase 360,000 shares of Common Stock. The option vests at a rate of 7,500 shares per month. If there is a change in control of our Company (as defined in the employment agreement) during the first two years of the term of the employment agreement, 50% of the unvested portion of the option will vest upon the change in control. If a change in control occurs during the term of the employment agreement but after the end of the second year, the entire unvested portion of the option will vest upon the change in control. If at any time during the term of his employment agreement, Mr. Head's employment is terminated by us for any reason other than justifiable cause (as defined in the employment agreement) or death, subject to certain conditions, Mr. Head will be entitled to receive as severance pay his then effective base salary for one year or, if earlier, until Mr. Head's acceptance of other employment. If, within one year of a change in control of our Company, Mr. Head is terminated without justifiable cause, his responsibilities are significantly altered or

diminished or our principal location is relocated outside the State of Florida, any unvested portion of his 360,000 share stock option will vest. Throughout the term of the agreement, we have agreed to use our best efforts to nominate Mr. Head to serve as a member of our Board. At the expiration of its initial term, Mr. Head's employment agreement automatically renews for consecutive one-year terms unless either we or he gives notice to the other of an intention not to renew. During fiscal 2002, Mr. Head received an annual base salary of \$249,617, a bonus of \$24,200 and an option to purchase 664,000 shares of Common Stock which vests in equal installments over 48 months.

Mr. Nelson and Mr. Ritchey do not currently have employment agreements with the Company. However, Mr. Nelson has a letter agreement with the Board stating that in the event Mr. Nelson's employment is terminated without cause, Mr. Nelson will be entitled to receive severance payments for a period of 12 months following the termination in an amount equal to his then current salary as of such date.

Stock Option Plans

Currently, Shells has three stock option plans for employees, consisting of the 1996 Employee Stock Option Plan (the 1996 Plan), the 1995 Employee Stock Option Plan (the 1995 Plan), and the Equity Incentive Plan adopted by the stockholders at the 2002 Annual Meeting of Stockholders. The stock option plans authorize us to issue incentive stock options (ISOs), as defined in Section 422 of the Internal Revenue Code, and stock options that do not conform to the requirements of that Code section (Non-ISOs). The exercise price of each ISO may not be less than 100% of the fair market value of the Common Stock at the time of grant, except that in the case of a grant to an employee who owns (within the meaning of Section 422 of the Code) 10% or more of our outstanding stock, the exercise price cannot be less than 110% of such fair market value. The exercise price of each Non-ISO may not be less than the par value of the Common Stock. Options may not be exercised on or after the tenth anniversary (fifth anniversary in the case of an ISO granted to a 10% stockholder), of their grant. Options may not be transferred during the lifetime of an optionholder.

The 1996 Plan, the 1995 Plan, and the Equity Incentive Plan are administered by the Stock Option and Compensation Committee of the Board of Directors. Subject to the provisions of the stock option plans, the Stock Option and Compensation Committee has the authority to determine the individuals to whom the stock options are to be granted, the number of shares to be covered by each option, the option price, the type of option, the option period, the restrictions, if any, on the exercise of the option, the terms for the payment of the option price and other terms and conditions. Payment by optionholders upon exercise of an option may be made (as determined by the Stock Option and Compensation Committee) in cash, by promissory note or other such form of payment acceptable to the Stock Option and Compensation Committee, including shares of Common Stock.

The Equity Incentive Plan provides for grants of options to purchase shares of Common Stock, including ISOs and Non-ISOs, restricted stock units, the value of which is tied to shares of Common Stock, and other equity based awards related to Common Stock, including unrestricted shares of Common Stock, stock appreciation rights and dividend equivalents. The terms of the Equity Incentive Plan governing stock option grants are similar to those in the 1995 and 1996 Plans. Awards of restricted stock, restricted stock units and other types of equity based awards may be made in such amounts, and subject to such terms and conditions, as the Stock Option and Compensation Committee (which administers the Equity Incentive Plan) may determine.

Table of Contents

During fiscal 2002, the Board of Directors adopted a management incentive plan to provide incentive-based awards under the Equity Incentive Plan to persons designated as key management personnel. Currently there are 13 members of Shells' corporate management eligible to participate in this management incentive plan. Awards are made based upon the attainment of pre-determined performance targets, which comprise varying percentages of the total awards. Performance criteria include planned annual cash flow (60%), same store sales (15%), planned revenues (15%), and an evaluation of a person's performance (10%). Awards under this management incentive plan may be made, at the election of the Board or Stock Option and Compensation Committee, either in cash, shares of Common Stock or a combination of both. Under the management incentive plan, the Stock Option and Compensation Committee has the right to modify awards under the plan. A total of \$208,000 in value was awarded to management personnel under the management incentive plan with respect to fiscal 2002, one half of which was paid in each of stock and cash.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The information set forth below briefly describes certain transactions between our Company and certain parties who or which may be deemed to be affiliated with us.

Edgar Filing: SHELLS SEAFOOD RESTAURANTS INC - Form DEF 14A

On March 1, 1994, our wholly-owned subsidiary, Shells of Melbourne, Inc. entered into a joint venture agreement with WLH Investments, Inc., a corporation wholly-owned by Wanda L. Hattaway, wife of William E. Hattaway, our former president. The joint venture owns and operates the Shells restaurant located in Melbourne, Florida. The Joint Venture Agreement provides that WLH Investments receives a cumulative annual preferred return of 15% on the \$400,000 of capital contributed to the joint venture by WLH Investments. Shells of Melbourne will then be allocated an equal amount to this preferred return. The remaining net income of the joint venture will be allocated 51% to Shells of Melbourne and 49% to WLH

Table of Contents

Investments. Based upon these allocations, we paid \$60,000 to WLH Investments for its fiscal 2002 preferred return, and \$161,000 in net income allocations to WLH Investments during 2002. An additional \$28,000 in net income allocations was owed as of December 29, 2002.

In January 2002, we raised \$2,000,000 in the financing transaction described more fully earlier in this proxy statement under the heading Information about ownership of Our Common Stock The Financing Transaction. Both of the investment entities which participated in the financing transaction, SIP and Banyon, have members who are nominated for election to the Board of Directors. J. Stephen Gardner, John N. Giordano and Thomas R. Newkirk are members of SIP. Philip R. Chapman, our Chairman of the Board, and Catherine Adler, the spouse of Frederick R. Adler, one of our principal stockholders, are co-managing members of Banyon. Certain other family members of Frederick R. Adler also are members of Banyon. The financing transaction was approved by a special committee of the Board, comprised of the then disinterested members of the Board. Although we believe that the transaction was on terms no less favorable than would have been available from unaffiliated third parties in arm's length transactions, there can be no assurance that this is the case.

STOCK OPTION AND COMPENSATION COMMITTEE REPORT TO STOCKHOLDERS

REGARDING EXECUTIVE COMPENSATION

The report of the Stock Option and Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

What is our Executive Compensation Philosophy?

Shells manages and operates full service, mid-priced, casual dining seafood restaurants. One of our central goals is to ensure that the Company's remuneration policy enables it to attract, retain and reward capable employees who can contribute, both short and longer-term, to the success of the Company. Equity participation and a strong alignment to stockholders' interests are key elements of the Company's compensation philosophy.

The Company's executive compensation program consists of three parts: base salary, bonus and stock options. In awarding salary increases and bonuses, we considered whether the compensation package as a whole adequately compensated each executive for Shells' performance during fiscal 2002 and that executive's contribution to this performance.

Base Salaries of Executive Officers

Base salary represents the fixed component of the executive compensation program. The Company's practice generally is to maintain base salaries at approximately competitive industry averages. Determinations of base salary levels are established on an annual review of marketplace competitiveness with similar restaurant companies. Periodic increases in base salary relate to individual contributions to the Company's overall performance and relative marketplace competitiveness.

Bonus

Bonuses represent the variable component of the executive compensation program that is tied to the Company's performance and individual achievement. To the extent deemed appropriate, our policy is to

Table of Contents

grant bonuses as a portion of the compensation paid to Shells' management personnel. In determining bonuses, we consider factors such as performance of the Company during the year and the individual's contribution to that performance. During fiscal 2002, we adopted an executive and management bonus program specifying criteria relating to the Company's financial performance as well as the individual's contributions to Shells during the year. During fiscal 2003 Shells paid an aggregate of \$208,000 in cash and stock bonuses with respect to 2002 performance.

Stock Options

We believe that an important goal of the executive compensation program should be to provide executives and key employees who have significant responsibility for the management, growth and future success of the Company with an opportunity to increase their ownership in Shells and the potential for financial gain from increases in the Company's stock price. This approach ensures that the interests of the stockholders, executives and employees will be closely aligned. Therefore, executive officers and other key employees of the Company are granted stock options which give them a right to purchase shares of Common Stock at a specified price in the future. The grant of options is based primarily on an employee's potential contribution to Shells' growth and financial results. In determining the size of option grants, we also consider the number of options owned by such officer, the number and exercise price of options previously granted and currently outstanding, and the aggregate size of the current option grants. Options generally are granted at the prevailing market value of the Common Stock and will only have value if the Company's stock price increases. Generally, grants of options vest over time, and the individual must be employed by Shells for the options to vest.

How is Shells' President Compensated?

On April 2, 2001, Shells entered into a three-year employment agreement with David W. Head, pursuant to which he serves as President and Chief Executive Officer. The employment agreement provided for an annual base compensation of \$249,617 during fiscal 2002 and supplemental discretionary bonuses, as determined by the Stock Option and Compensation Committee. During fiscal 2002, Mr. Head received a bonus of \$24,200 and an option to purchase 664,000 shares of Common Stock which vests in equal installments over 48 months. In addition, under the management incentive plan, Mr. Head received \$70,355 in 2003 with respect to 2002 performance. When he joined Shells in April 2001, Mr. Head was granted an option to purchase 360,000 shares of Common Stock, which vest generally at a rate of 7,500 shares per month. In determining Mr. Head's compensation we considered the pay practices of other companies in the restaurant industry as well as past performance and his potential contribution to the Company's future performance. A more complete description of Mr. Head's employment agreement and the management incentive plan are set out earlier in the proxy statement under the heading "Executive Compensation Employment Agreements."

Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal control. On behalf of the Board, the Audit Committee reviews and monitors the financial reporting process, the systems of internal control, the audit process, the independence and performance of the independent accountants and the process for monitoring compliance with laws and regulations, among other things. Mr. Illick and Dr. Golding satisfy the definition of independent directors as that term is defined by Rule 4200(a)(15) of the National Association of Securities Dealers Listing Standards. Mr. Newkirk may not be an independent director pursuant to that definition. On May 17, 2000, the Company adopted a written charter for the Audit Committee.

The Audit Committee reviewed the Company's financial statements with management and the Board of Directors and discussed with Kirkland Russ Murphy & Tapp P.A. (Kirkland Russ), the Company's independent auditors for the fiscal year ended December 29, 2002, the matters required to be discussed by Statement of Auditing Standard No. 61. The Audit Committee received from Kirkland Russ the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed with them their independence. The Audit Committee has reviewed the audit fees of Kirkland Russ and any non-audit services and fees, to assure compliance with Shells' and the Committee's policies restricting the independent accountants from performing services that might impair their independence.

After reviewing and discussing the financial statements, and in reliance on the matters reviewed and discussed above, and without other independent verification, the Audit Committee recommended that the audited consolidated financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended December 29, 2002.
