In addition, the Fund has retained [] to assist in the solicitation of proxies for a minimum fee of \$[] plus reimbursement of expenses. The Fund will pay the costs of the proxy solicitation and the expenses incurred in connection with preparing the Proxy Statement and its enclosures. The Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of its shares.

Under the Fund's Articles of Incorporation, Articles Supplementary, and the Investment Company Act of 1940, as amended (the "1940 Act"), holders of the Fund's outstanding Preferred Stock, voting as a separate class, are entitled to elect two Directors, and holders of the Fund's outstanding Common Stock and Preferred Stock, voting together as a single class, are entitled to elect the remaining Directors, subject to the provisions of the 1940 Act and the Fund's Articles of Incorporation, Articles Supplementary, and By-Laws. The holders of the Fund's outstanding Preferred Stock would be entitled to elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist as of the date of this Proxy Statement. Messrs. Colavita and Conn are currently the Directors elected solely by the holders of the Fund's Preferred Stock.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy "FOR" the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Director if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

The aggregate remuneration (not including out-of-pocket expenses) paid by the Fund to the Directors during the fiscal year ended December 31, 2007 amounted to \$66,448. AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee (the "Audit Committee") is to assist the Board of Directors in its oversight of (i) the quality and integrity of the Fund's financial statement reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls, and, as appropriate, the internal controls

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

of certain of its service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence, and performance. The Audit Committee also is required to prepare an audit committee report pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Audit Charter") that was most recently reviewed and approved by the Board of Directors on February 28, 2008.

Pursuant to the Audit Charter, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm, and overseeing the Fund's internal controls. The Audit Charter also

7

contains provisions relating to the pre-approval by the Audit Committee of certain non-audit services to be provided by PricewaterhouseCoopers LLP ("PricewaterhouseCoopers") to the Fund and to the Adviser and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing, and financial matters affecting the Fund. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Directors and to the Audit Committee, as representatives of shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 25, 2008, the Audit Committee reviewed and discussed with management of the Fund and PricewaterhouseCoopers the audited financial statements of the Fund as of and for the fiscal year ended December 31, 2007, and discussed the audit of such financial statements with the independent registered public accounting firm.

In addition, the Audit Committee discussed with the independent registered public accounting firm the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent registered public accounting firm as required by Statement of Auditing Standards No. 61, COMMUNICATIONS WITH AUDIT COMMITTEES, as currently modified or supplemented. The Audit Committee also received from the independent registered public accounting firm the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent registered public accounting firm and the Fund, and discussed the impact that any such relationships might have on the objectivity and independence of the independent registered public accounting firm.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2007.

SUBMITTED BY THE AUDIT COMMITTEE OF THE FUND'S BOARD OF DIRECTORS

The Audit Committee met twice during the fiscal year ended December 31, 2007. The Audit Committee is composed of three of the Fund's Independent Directors (as such term is defined by the New York Stock Exchange's listing standards (the "NYSE Listing Standards")), namely Messrs. Pustorino, Roeder, and Zizza. Each member of the Audit Committee has been determined by the Board of Directors to be financially literate.

NOMINATING COMMITTEE

The Board of Directors has a Nominating Committee composed of three Independent Directors (as such term is defined by the NYSE Listing Standards), namely Messrs. Colavita, Roeder, and Zizza. The Nominating Committee met once during the fiscal year ended December 31, 2007. The Nominating Committee is responsible for identifying and recommending to the Board of Directors individuals believed to be qualified to become Board members in the event that a position is vacated or created. The Nominating Committee will consider Director candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board of Directors, the qualifications of the candidate, and the interests of shareholders. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To recommend a candidate for consideration by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

- o The name of the shareholder and evidence of the shareholder's ownership of shares of the Fund, including the number of shares owned and the length of time of ownership;
- o The name of the candidate, the candidate's resume or a listing of

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

his or her qualifications to be a Director of the Fund, and the person's consent to be named as a Director if selected by the Nominating Committee and nominated by the Board of Directors; and

- o If requested by the Nominating Committee, a completed and signed director's questionnaire.

The shareholder recommendation and information described above must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC at One Corporate Center, Rye, NY 10580-1422, and must be received by the Secretary no less than 120 days prior to the anniversary date of the Fund's most recent annual meeting of shareholders or, if the meeting has moved by more than 30 days, a reasonable amount of time before the meeting.

The Nominating Committee believes that the minimum qualifications for serving as a Director of the Fund are that the individual demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Directors' oversight of the business and affairs of the Fund and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Fund. The Nominating Committee also seeks to have the Board of Directors represent a diversity of backgrounds and experience.

The Fund's Nominating Committee adopted a charter on May 12, 2004, and amended the charter on November 17, 2004. The charter can be found on the Fund's website at www.gabelli.com.

OTHER BOARD-RELATED MATTERS

The Board of Directors has established the following procedures in order to facilitate communications between the Board and the shareholders of the Fund and other interested parties.

RECEIPT OF COMMUNICATIONS

Shareholders and other interested parties may contact the Board or any member of the Board by mail or electronically. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board member(s) with whom you wish to communicate by either name or title. All such correspondence should be sent c/o the Fund at Gabelli Funds, LLC, One Corporate Center, Rye, NY, 10580-1422. To communicate with the Board electronically, shareholders may go to the corporate website at www.gabelli.com under the heading "Contact Us/Board of Directors."

FORWARDING THE COMMUNICATIONS

All communications received will be opened by the office of the General Counsel of the Adviser for the sole purpose of determining whether the contents represent a message to one or more Directors. The office of the General Counsel will forward promptly to the addressee(s) any contents that relate to the Fund and that are not in the nature of advertising, promotions of a product or service, or patently offensive or otherwise objectionable material. In the case of communications to the Board of Directors or any committee or group of members of the Board, the General Counsel's office will make sufficient copies of the

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

contents to send to each Director who is a member of the group or committee to which the envelope or e-mail is addressed.

The Fund does not expect Directors or Nominees for election as Director to attend the Annual Meeting of Shareholders.

The following table sets forth certain information regarding the compensation of the Fund's Directors and officers for the fiscal year ended December 31, 2007. REQUIRED VOTE FOR PROPOSAL 1

The election of each of the listed Nominees for Director of the Fund requires the affirmative vote of the holders of a plurality of the applicable class or classes of Shares of the Fund represented at the Meeting if a quorum is present.

THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE COMMON AND PREFERRED SHAREHOLDERS VOTE "FOR" THE ELECTION OF EACH NOMINEE.

PROPOSAL 2: TO AMEND THE FUNDAMENTAL INVESTMENT RESTRICTION REGARDING BORROWING

GENERAL

The Fund, like all registered funds, is required by law to have policies governing certain of its investment practices that may only be changed by a vote of shareholders. These policies are considered "fundamental." After review, it has been determined that the Fund's investment restriction regarding borrowing money is more restrictive than the law requires.

At a meeting held on February 19, 2008, the Board of Directors reviewed the Fund's fundamental investment policy regarding borrowing money and concluded that the policy should be made less restrictive to provide the Adviser with additional flexibility in its management of the Fund (the "Amendment"). Importantly, while the proposed Amendment is intended to provide the Adviser with greater flexibility in managing the Fund, the Amendment will not affect the investment objectives of the Fund, which will remain unchanged, and the Fund will continue to be managed in accordance with the investment objectives, strategies and policies described in the prospectus and statement of additional information and in accordance with applicable law.

If the Amendment is approved, the Fund will continue to maintain important shareholder protections, while the Adviser will have greater flexibility in managing the Fund to respond to changing markets, new investment opportunities and futures changes in applicable law. The Amendment will allow the Fund to borrow to the extent permitted by the 1940 Act. It is possible that as the financial markets continue to evolve over time, the 1940 Act and the related rules may be further amended to address changed circumstances and new investment opportunities. It is also possible that the 1940 Act and the related rules could change for other reasons. For flexibility, the Amendment will be interpreted to refer to the 1940 Act and the related rules as they are in effect from time to time. This will allow the Fund to benefit from future changes in applicable law without seeking additional costly and time-consuming shareholder approvals. To the extent the Fund engages in new investment practices in connection with borrowing, the Fund may be subject to additional risks. Before a material change is made in the Fund's investment practices in response to the Amendment, the Fund's Board will be consulted.

The Amendment also refers to interpretations or modifications of, or relating to, the 1940 Act from the SEC or members of its staff, as well as interpretations or modifications of other authorities having jurisdiction over

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

the Fund. These authorities could include courts. From time to time the SEC and members of its staff issue formal or informal views on various provisions of the 1940 Act and the related rules, including through no-action letters and exemptive orders. The Amendment will be interpreted to refer to these interpretations or modifications as they are given from time to time. Again, this will allow the Fund the flexibility to benefit from future changes in the positions taken by regulators and others without the expense and delay of seeking further shareholder approvals.

When the Amendment provides that borrowing may be conducted as permitted by the 1940 Act, the policy will be interpreted to mean either that the 1940 Act expressly permits the practice or that the 1940 Act does not prohibit the practice.

Traditionally, the Fund has engaged in leverage through the issuance of preferred stock. If the Amendment is approved and the Board determines that it is in the best interests of Fund shareholders to do so, the Amendment would permit the Funds to engage in borrowings or other forms of leverage in order to potentially redeem the outstanding shares of any series of fixed or variable rate Preferred Stock, although it is not required to do so. The Board has not determined to redeem Preferred Stock and this proposal should not be interpreted to mean otherwise.

11

The Adviser has advised the Board of the Fund that the Amendment is neither expected to materially affect the manner in which the Fund is being managed at this time, nor materially affect the investment risks associated with the Fund. Specifically, the Adviser has no current intention of increasing the leverage of the Fund, which as of March 31, 2008 represented 23% of the Fund total assets. On this basis, the Board of the Fund recommends that shareholders of the Fund vote in favor of the Amendment as further discussed below.

PROPOSED AMENDMENT TO INVESTMENT RESTRICTION REGARDING BORROWING MONEY

The discussion below sets out the Fund's current investment restriction and the proposed amendment. A summary of the amended investment restriction, if approved, will be reflected in the Fund's shareholder report.

The Fund's current investment restriction regarding borrowing money states:

The Fund may not borrow money, except that the Fund may borrow from banks and other financial institutions on an unsecured basis, in an amount not exceeding 10% of its total assets, to finance the repurchase of its stock. The Fund also may borrow money on a secured basis from banks as a temporary measure for extraordinary or emergency purposes. Temporary borrowings may not exceed 5% of the value of the total assets of the Fund at the time the loan is made. The Fund may pledge up to 10% of the lesser of the cost or value of its total assets to secure temporary borrowings. The Fund will not borrow for investment purposes. Immediately after any borrowing, the Fund will maintain asset coverage of not less than 300% with respect to all borrowings. While the borrowing of the Fund exceeds 5% of its respective total assets, the Fund will make no further purchases of securities, although this limitation will not apply to repurchase transactions as described above.

If shareholders approve Proposal 2, the Fund's current investment

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

restriction relating to borrowing money will be revised to state:

The Fund may not borrow money, except as permitted by the 1940 Act, or interpretations or modifications by the SEC, SEC staff or other authority with appropriate jurisdiction.

DISCUSSION OF POLICY REGARDING BORROWING MONEY. All registered funds, like the Fund, are required to have a policy on borrowing money. At the present time, the 1940 Act generally requires a registered investment company to maintain asset coverage of 300% for so-called "senior securities" that represent indebtedness. This means that, generally speaking, for a registered investment company to borrow or otherwise issue debt (other than limited exceptions such as temporary borrowing or a borrowing for emergency purposes up to 5% of the investment company's total assets), the investment company must have total assets of at least twice the amount borrowed. A registered investment company that issues preferred stock must maintain asset coverage of at least 200% with respect to the preferred stock. Asset coverage means the ratio that the value of the fund's total assets, minus liabilities other than borrowings, bears to the aggregate amount of all borrowings. Certain widely used investment practices that involve a commitment by a fund to deliver money or securities in the future are not considered by the SEC to be senior securities. These include repurchase and reverse repurchase agreements, dollar rolls, options, futures and forward contracts, provided that in each case a fund segregates cash or liquid securities in an amount necessary to pay the obligation or the fund holds an offsetting commitment from another party.

The Amendment will not affect the Fund's existing abilities to engage in these practices. Similarly, the Amendment will be interpreted not to prevent collateral arrangements with respect to swaps, options, forward or futures contracts or other derivatives, or the posting of initial or variation margin.

The Amendment will permit the Fund to borrow money, and to engage in trading practices that may be considered to be borrowing, to the fullest extent permitted by the 1940 Act and related interpretations, as in effect from time to time. The Amendment will be interpreted to permit a Fund to engage in trading practices and investments that may be considered to be borrowing, such as reverse repurchase agreements, dollar rolls, options, futures, options on futures and forward contracts. In addition, short-term credits necessary for the settlement of securities transactions and arrangements with respect to securities lending will not be considered to be borrowings under the Amendment. Practices and investments that may involve leverage but are not considered to be borrowings are not subject to the Amendment.

12

REQUIRED VOTE FOR PROPOSAL 2

The approval of the Amendment to the Fund's fundamental investment restriction regarding borrowing is to be determined by (i) the vote of a "majority" of the outstanding shares of the Fund (holders of Common Stock and holders of Preferred Stock, voting together as a single class) and (ii) the vote of a "majority" of the outstanding preferred stock of the Fund (holders of Preferred Stock, voting as a separate class). Under the 1940 Act and for purposes of this proxy statement, this means that in each separate vote in (i) and (ii) above, to be approved, the Amendment must receive the affirmative vote of the lesser of (1) a majority of the outstanding shares of the Fund, or (2) 66 2/3% or more of the shares of the Fund represented at the Meeting if more than 50% of the outstanding shares of the Fund are present or represented by proxy at the Meeting. If the vote required to approve the proposal is not obtained, the

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

investment restriction will not be changed, and the Board will consider what other actions to take in the best interests of the Fund.

THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE COMMON AND PREFERRED STOCKHOLDERS VOTE "FOR" THE AMENDMENT.

ADDITIONAL INFORMATION

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PricewaterhouseCoopers, 300 Madison Avenue, New York, NY 10017, has been selected to serve as the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2008. PricewaterhouseCoopers acted as the Fund's independent registered public accounting firm for the fiscal year ended December 31, 2007. The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers in the Fund. A representative of PricewaterhouseCoopers will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

Set forth in the table below are audit fees and non-audit related fees billed to the Fund by PricewaterhouseCoopers for professional services received during and for the fiscal years ended December 31, 2006 and 2007, respectively.

FISCAL YEAR ENDED DECEMBER 31	AUDIT FEES	AUDIT-RELATED FEES*	TAX FEES**	ALL OTHER FEES
-----	-----	-----	-----	-----
2006	\$ 46,500	\$ 7,200	\$ 3,150	--
2007	\$ 48,800	\$ 7,200	\$ 4,000	--

* "Audit-Related Fees" are those estimated fees billed to the Fund by PricewaterhouseCoopers in connection with the preparation of Preferred Shares Reports to Moody's Investors Service, Inc. and Fitch Ratings.

** "Tax Fees" are those fees billed by PricewaterhouseCoopers in connection with tax compliance services, including primarily the review of the Fund's income tax returns.

The Fund's Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accounting firm to the Fund, and all non-audit services to be provided by the independent registered public accounting firm to the Fund's Adviser and service providers controlling, controlled by, or under common control with the Fund's Adviser ("affiliates") that provide on-going services to the Fund (a "Covered Services Provider"), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report his decision(s) to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services. The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related, and tax services described above for which PricewaterhouseCoopers billed the Fund fees for the fiscal years ended December 31, 2006 and December 31, 2007 were pre-approved by the Audit Committee.

For the fiscal year ended December 31, 2007, PricewaterhouseCoopers has represented to the Fund that it did not provide any non-audit services (or bill any fees for such services) to the Adviser or any affiliates thereof that provide services to the Fund.

THE INVESTMENT ADVISER AND ADMINISTRATOR

Gabelli Funds, LLC is the Fund's Adviser and Administrator and its business address is One Corporate Center, Rye, New York 10580-1422.

COMPLIANCE WITH THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's executive officers and Directors, executive officers and directors of the Adviser, certain other affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's securities to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of the copies of such forms it received for the fiscal year ended December 31, 2007, the Fund believes that during that year such persons complied with all such applicable filing requirements.

BROKER NON-VOTES AND ABSTENTIONS

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but that have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

The affirmative vote of a plurality of votes cast for each Nominee by the shareholders entitled to vote for a particular Nominee is necessary for the election of a Director. The affirmative vote of a "majority" of the votes by (i) holders of Common Stock and Preferred Stock, voting together as a single class, and (ii) holders of Preferred Stock, voting as a separate class, for the Amendment is necessary for its approval. Abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for Proposal 1, but will have the effect of a vote "against" Proposal 2. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report dated June 30, 2008.

OTHER MATTERS TO COME BEFORE THE MEETING

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRE 14A

The Directors of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying proxy will vote thereon in accordance with their judgment.

14

SHAREHOLDER PROPOSALS

All proposals by shareholders of the Fund which are intended to be presented at the Fund's next Annual Meeting of Shareholders to be held in 2009 must be received by the Fund for consideration for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than December 3, 2008. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal is referred to Rule 14a-8 under the 1934 Act.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE, AND RETURN THE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.
