The material terms of the Option Agreement are set forth below.

Item 1.01 Entry Into a Material Definitive Agreement.

Edgar Filing: NOVADEL PHARMA INC - Form 8-K

Directorship: Pursuant to the Employment Agreement, the Company is required to use its best efforts to cause Dr. Egberts to be elected as a member of the Board at the next annual shareholder meeting and to include him in the management slate for election as a director at every annual shareholder meeting during the term of the Employment Agreement at which his term as a director would otherwise expire.

Base salary: Pursuant to the Employment Agreement, the Company will pay Dr. Egberts a base salary of \$350,000 per annum, payable in equal semi-monthly installments.

Bonuses: Upon assuming the title of President and Chief Executive Officer, Dr. Egberts will be eligible to receive an annual bonus of fifty percent (50%) of his base salary as target. The amount of such bonus will be tied to performance against objectives as approved by the Compensation Committee of the Board, and will be paid for each calendar year commencing with 2006. Upon the date on which Dr. Egberts assumes the position of President and Chief Executive Officer, he will receive an interim bonus for the period from September 26, 2005 through the date he assumes the position of President and Chief Executive Officer, in an amount equal to fifty percent (50%) of his pro-rated base salary for such period.

Stock Options: Pursuant to the Employment Agreement and the Option Agreement, on September 26, 2005, the Company granted Dr. Egberts options to purchase 1,622,700 shares of common stock of the Company, exercisable in three equal installments on September 26, 2006, September 26, 2007 and September 26, 2008, and expiring on September 25, 2010. The exercise price of each option is \$1.70. Pursuant to the Employment Agreement, the Company has also agreed to grant Dr. Egberts options to purchase an additional 400,000 shares of common stock of the Company upon the signing of a third party agreement which provides milestone opportunities in excess of \$30 million

in revenue, but no earlier than March 26, 2006. Such stock option grant will have a term of five (5) years and will vest ratably over a three-year period ending on the third anniversary of the grant.

Severance: If Dr. Egberts's employment were to be terminated by the Company prior to the expiration of term of the Employment Agreement or by Dr. Egberts for Good Reason (as defined in the Employment Agreement), Dr. Egberts would receive certain severance payments and benefits, which vary depending upon the reason for the termination of the Employment Agreement, and which are fully described in the Employment Agreement attached hereto. In addition, upon the termination, certain options would vest and certain options would be terminated either at the date of termination of the Employment Agreement or at a later date, varying in both cases, depending upon the reason for the termination, all as fully described in the Employment Agreement and the Option Agreement. If Dr. Egberts's Employment Agreement were to not be renewed at the expiration of the term thereof by the Company, Dr. Egberts would receive certain severance payments and benefits, as fully described in the Employment Agreement, and all of his outstanding options would be deemed to be vested and would expire 90 days after the date of nonrenewal.

The options are non-qualified, non-plan options and were issued pursuant to an exception from the rules of the American Stock Exchange that require shareholder approval of stock option and equity compensation plans, as an inducement material to Dr. Egberts's entering into the Employment Agreement with the Company.

The grant of the options to Dr. Egberts pursuant to the Option Agreement is exempt from the registration requirements of the Securities Act of 1933, as amended (the "Act"), pursuant to Section 4(2) thereof as a transaction not involving a public offering or, alternatively, registration was not required because the issuance of the options did not involve a "sale" under Section 2(a)(3) of the Act.
