EXPLANATORY NOTE

On March 27, 2003, Colgate-Palmolive Company (the Company) filed its definitive proxy statement with the Securities and Exchange Commission. Due to a clerical error, the information with respect to Stephen C. Patrick, the Chief Financial Officer of the Company, set forth under the caption Certain Relationships and Related Transactions on page 28 was incorrect. In fact, since January 1, 2002, the Company purchased from Mr. Patrick only 7,169 shares of common stock of the Company at a price of \$371,820 (equal to the then current aggregate fair market value of the shares), rather than the 35,014 shares for \$1,913,865 reflected in the Company's previously filed definitive proxy statement. These sales of an aggregate of 7,169 shares were correctly reported by Mr. Patrick in a timely manner on Forms 4 filed with the SEC and were made to satisfy tax withholding obligations, above the statutory amount withheld by the Company, in connection with stock option exercises by Mr. Patrick. Mr. Patrick's net share ownership increased as a result of these stock option exercises. The Certain Relationships and Related Transactions section of the Company's definitive proxy statement is hereby amended to reflect the facts set forth above.
