The Audit Committee is responsible for, among other things, receiving and reviewing the recommendations of the independent auditors, reviewing consolidated financial statements of the Company, meeting periodically with the independent auditors and Company personnel with respect to the adequacy of internal accounting controls, resolving potential conflicts of interest and reviewing Company's accounting policies. Nomination of Directors

The Company does not have a standing committee for the nomination of directors due to the fact that the independent members of the Board, acting separately from the Board, nominate the members of the Board. The independent members of the Board determine the nominees for the Board with the advice and recommendations of the President of the Company. The Board will consider candidates for director put forward by shareholders.

Director nominees should possess the highest personal and professional ethics, integrity and values, and must be committed to representing the long-term interests of the stockholders. They must also have an inquisitive and objective perspective, practical wisdom and mature judgment. The Board seeks to identify candidates with diverse experience in business, management, marketing, finance, and other areas that are relevant to our activities. Additionally, director nominees should have sufficient time to effectively carry out their duties.

Stockholders may propose nominees for consideration by the Board by submitting the names, appropriate biographical information and qualifications in writing to: Robert Towers, Executive Vice President, Ark Restaurants Corp., 85 Fifth Avenue, New York, NY 10003. In considering any nominee proposed by a stockholder, the Board will reach a conclusion based on the criteria described above. After full consideration, the stockholder proponent will be notified of the decision of the Board. In order to be considered for inclusion in the proxy statement and form of proxy for the annual meeting of stockholders to be held in 2005, the name of the proposed nominee and the supporting documentation must be

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

received before September 30, 2004.

The Board has commenced efforts to identify candidates who meet our qualification criteria and are independent. As part of its efforts, the Board periodically invites prospective candidates to submit their qualifications for review by the independent members of the Board. The Company does not pay any third party to assist in the process of identifying or evaluating candidates. The Board has not rejected any director candidate put forward by a shareholder or group of shareholders who beneficially own more than 5% of the Company's Common Stock for at least one year at the time of the recommendation.

The Company does not have a policy with respect to the attendance of directors at the annual meeting of shareholders. At the last annual meeting of shareholders, a majority of the members of the Board were personally present at the meeting.

Stock Option Plan

The Company's 1996 Stock Option Plan, as amended, is the only equity compensation plan currently in effect and it was approved by the shareholders. The Plan permits the Company to grant options to purchase up to 650,000 shares of the Company's common stock. These options may be granted as incentive stock options, designed to meet the requirements of Section 422 of the Internal Revenue Code, or they may be "non-qualified" options that do not meet the requirements of that section.

The purpose of the Plan is to encourage stock ownership by the Company's employees, directors, officers, independent contractors and advisors of the Company and its subsidiaries and thereby enhance their proprietary interest in the Company. The Stock Option Committee determines which of the eligible directors, officers, employees, consultants and advisors receive stock options, the terms of the options, including applicable vesting periods, the number of shares for which options are granted, and the manner in which options may be exercised. The Stock Option Committee also determines the exercise price of each option. With respect to incentive stock options, the option price may not be less than 100% of the fair market value on the date of the grant; with

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

respect to non-qualified stock options, the exercise price may not be less than 85% of the fair market value on the date of the grant. In making such determinations, the Stock Option Committee may take into account the nature and period of service of eligible employees, their level of compensation, their past, present and potential contributions to the Company and such other factors as the Stock Option Committee deems relevant. Most of the options granted under the Plan expire within five years from the date of grant, or earlier.

If the Company's 2004 Stock Option Plan is approved by shareholders at the Meeting, the Board has voted to terminate the 1996 Stock Option Plan. This action would terminate the 257,000 authorized but unissued options under the plan. It would not affect any of the options previously issued under the plan.

EQUITY COMPENSATION PLAN INFORMATION

The following is a summary of the securities authorized for issuance under the 1996 Stock Option Plan at September 27, 2003:

Plan Category	(a) Number of securities to be issued upon exercise of outstanding options, warrants and rights	(b) Weighted-average exercise price of outstanding options, warrants and rights	(c) Number of securities remaining for issuance under the compensation plan
Equity compensation plans approved by shareholders(1)	393,000	\$7.91	
Equity compensation plans not approved by shareholders(2)	None	N/A	
Total	393,000	\$7.91	

The average exercise price of outstanding options, at September 27, 2003, was approximately \$7.91 per share. Of the 393,000 options outstanding on September 27, 2003, 296,000 were held by the Company's officers and directors.

(1) The 1996 Stock Option Plan, which was approved by shareholders, is the Company's only equity compensation plan currently in effect. If the Company's 2004 Stock Option Plan is approved by shareholders at the Meeting, the Board has voted to terminate the 1996 Stock Option Plan. This action would terminate the 257,000 authorized but unissued options under the plan. It would not affect any of the options previously issued under the plan.

(2) The Company has no equity compensation plan that was not approved by

shareholders.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

The Compensation Committee, consisting of Messrs. Lewin and Shulman and Ms. Allen, determines the compensation of the President and sets policies for and reviews with the President the compensation awarded to the other principal executives.

The Company's current executive officers consist of the President, Michael Weinstein, and Messrs. Pascal, Towers, Gordon and Stewart. The three elements of their compensation have been salary, bonus and stock options.

The President is the founder and Chief Executive Officer of the Company. He owns over 1,000,000 shares of Company stock (including exercisable options), approximately 33% of the outstanding shares. The Compensation Committee believes he is substantially motivated, both by reason of stock ownership and commitment to the Company, to act on behalf of all shareholders to optimize overall corporate performance. Accordingly, the Compensation Committee has not considered it necessary to specifically relate the President's compensation to corporate performance.

The President's annual salary was increased from \$521,630 in fiscal 2001, to \$594,048 in fiscal 2002 and \$654,721 in fiscal 2003. The President was also paid a bonus of \$33,000 in fiscal 2001, \$0 in fiscal 2002 and \$40,000 in fiscal 2003. In April 1999, he received an option to purchase 60,000 shares of Common Stock, and in December 2001 he received an option to purchase an additional 99,000 shares of Common Stock. The Compensation Committee believes the compensation paid to the President to be comparable or less than that generally paid to chief executive officers at comparable companies.

The Compensation Committee relies extensively on the views of the President in determining salaries paid to Messrs. Pascal, Towers, Gordon and Stewart. Their salary levels are believed to be competitive with amounts paid to executives with comparable qualifications, experience and responsibilities at companies of comparable size and also reflect assessments of past performance and expectations concerning future contributions to the Company and its business.

It is through the use of stock options that the Company has endeavored to relate corporate performance and compensation of the executives other than Mr. Weinstein. The Board believes that significant stock ownership is a major incentive in building shareholder wealth and aligning the interests of employees and shareholders. In January 1997, Messrs. Pascal and Towers received options to purchase 17,500 shares of Common Stock, and Mr. Gordon received options to purchase 25,000 shares, all of which expired on January 2, 2002. In April 1999, Messrs. Pascal, Towers and Gordon each received options to purchase 15,000 shares of Common Stock. In December 2001, Messrs. Towers and Pascal each received options to purchase 30,000 shares of Common Stock, and Mr. Gordon received options to purchase 32,000 shares. No stock options were granted in fiscal 2003.

Stock options are granted by the Company's Stock Option Committee consisting of Ms. Allen and Messrs. Lewin and Shulman. They consult with the Compensation Committee in awarding options to the Company's executives. All options granted under the Company's 1996 Stock Option Plan were granted at an exercise price equal to the market price on the date of grant.

This report is respectfully submitted by the Compensation Committee of the Board of Directors.

Bruce R. Lewin, Steven Shulman and Marcia Allen.

PROPOSAL 2: APPROVAL OF 2004 STOCK OPTION PLAN

The Company's 1996 Stock Option Plan, which expires in January 2006, has 257,000 shares remaining for issuance under the Plan. The Company wishes to be able to issue additional options to attract and retain qualified employees. Accordingly, the Board adopted the 2004 Stock Option Plan (the "2004 Plan") effective January 26, 2004, subject to approval by the Company's stockholders, pursuant to which the Company may issue options to acquire up to 450,000 shares of its Common Stock. The 2004 Plan is intended to encourage stock ownership by directors, officers, and employees of the Company and its subsidiaries and thereby enhance their proprietary interest in the Company.

The Board has voted to terminate the 1996 Stock Option Plan if shareholders of the Company approve the adoption of the 2004 Plan. The effect of terminating the 1996 Stock Option Plan and approving the 2004 Plan is as follows: (i) the Company will have the authority to issue options to purchase 450,000 shares of Common Stock and (ii) all options previously issued under the 1996 Stock Option Plan will remain outstanding in accordance with their terms.

A summary of the signification provisions of the 2004 Plan is set forth below. A complete copy of the 2004 Plan is attached as Attachment B to this Proxy Statement, and the following summary is qualified in its entirety by reference to the complete plan.

Purpose. The purpose of the 2004 Plan is to advance the interests of the Company and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Company and by motivating such persons to contribute to the growth and profitability of the Company.

Term of Plan. The 2004 Plan shall continue in effect until the earlier of its termination by the Board or the date on which all of the shares of Stock available for issuance under the Plan have been issued and all restrictions on such shares under the terms of the Plan and the agreements evidencing Options granted under the 2004 Plan have lapsed. However, all Options shall be granted, if at all, within ten (10) years from the earlier of the date the 2004 Plan is adopted by the Board or the date the 2004 Plan is duly approved by the stockholders of the Company.

Administration by the Board. The 2004 Plan shall be administered by the Stock Option Committee. The Stock Option Committee shall have the power to determine the persons to whom, and the time or times at which, Options shall be granted and the number of shares of Stock to be subject to each Option; to designate Options as Incentive Stock Options or Nonstatutory Stock Options; to determine the Fair Market Value of shares of Stock or other property; to determine the terms, conditions and restrictions applicable to each Option (which need not be identical) and any shares acquired upon the exercise thereof; to approve one or more forms of Option Agreement; to amend, modify, extend,

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

cancel or renew any Option or to waive any restrictions or conditions applicable to any Option or any shares acquired upon the exercise thereof; to accelerate, continue, extend or defer the exercisability of any Option or the vesting of any shares acquired upon the exercise thereof, including with respect to the period following an Optionee's termination of Service with the Company; to prescribe, amend or rescind rules, guidelines and policies relating to the 2004 Plan, or to adopt supplements to, or alternative versions of, the 2004 Plan; and to correct any defect, supply any omission or reconcile any inconsistency in the

13

2004 Plan or any Option Agreement and to make all other determinations and take such other actions with respect to the Plan or any Option as the Stock Option Committee may deem advisable to the extent not inconsistent with the provisions of the Plan or applicable law.

Maximum Number of Shares Issuable. The maximum aggregate number of shares of Stock that may be issued under the 2004 Plan shall be four hundred and fifty thousand (450,000) and shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof.

Persons Eligible for Options. Options may be granted only to employees and directors of the Company. Any person who is not an employee on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences Service.

Fair Market Value Limitation. To the extent that options designated as Incentive Stock Options become exercisable by an Optionee for the first time during any calendar year for stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portions of such options which exceed such amount shall be treated as Nonstatutory Stock Options.

Terms and Conditions of Options. Options shall be evidenced by Option Agreements specifying the number of shares of Stock covered thereby, in such form as the Board shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Option Agreement. The exercise price for each Option shall be established in the discretion of the Board; provided, however, that (a) the exercise price per share for an Incentive Stock Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, (b) the exercise price per share for a Nonstatutory Stock Option shall be not less than eighty-five percent (85%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (c) no Incentive Stock Option granted to a Ten Percent Owner Optionee shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option.

Exercisability and Term of Options. Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Board and set forth in the Option Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

Stock Option granted to a Ten Percent Owner Optionee shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, (c) no Option granted to a prospective Employee or prospective Director may become exercisable prior to the date on which such person commences Service with a Participating Company, and (d) with the exception of an Option granted to an Officer or a Director, no Option shall become exercisable at a rate less than twenty percent (20%) per year over a period of five (5) years from the effective date of grant of such Option, subject to the Optionee's continued Service.

Transferability of Options. During the lifetime of the Optionee, an Option shall be exercisable only by the Optionee or the Optionee's guardian or legal representative. No Option shall be assignable or transferable by the Optionee, except by will or by the laws of descent and distribution.

Termination or Amendment of Plan. The Board may terminate or amend the 2004 Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the 2004 Plan, (b) no change in the class of

14

persons eligible to receive Incentive Stock Options, and (c) no other amendment of the 2004 Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule.

Stockholder Approval. The 2004 Plan must be approved by the stockholders of the Company within twelve (12) months of the date of adoption thereof by the Board.

Required Vote. The affirmative vote of holders of a majority of the shares of Common Stock present, in person or by proxy, at the Annual Meeting is required to approve the 2004 Plan pursuant to the following resolution:

"RESOLVED, that the Company's 2004 Stock Option Plan be approved in the form annexed as Attachment B to the Company's Proxy Statement dated February 9, 2004."

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE COMPANY'S 2004 STOCK OPTION PLAN.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

It is proposed that shareholders ratify the appointment by the Board of J.H. Cohn LLP as independent auditors for the Company for the fiscal year ending October 2, 2004. The Company expects representatives of J.H. Cohn LLP to be present at the Meeting and available to respond to appropriate questions submitted by shareholders. Such representatives will also be accorded an opportunity at such time to make such statements as they may desire.

Approval by the shareholders of the appointment of independent auditors is not required, but the Board deems it desirable to submit this matter to

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

shareholders. If holders of a majority of the outstanding shares of Common Stock present and voting at the meeting do not approve the appointment of J.H. Cohn LLP, the selection of independent auditors will be reconsidered by the Board.

THE BOARD RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF J.H. COHN LLP AS INDEPENDENT AUDITORS FOR THE COMPANY.

Audit and Non-Audit Fees

Audit Related Fees. Audit related services include fees for SEC registration statement services, benefit plan audits, consultation on accounting standards or transactions, statutory audits, business acquisitions, and assessment of risk management controls in connection with the implementation of Section 404 of the Sarbanes-Oxley Act of 2002.

Tax Fees. Tax services include fees for tax compliance, tax advice and tax planning.

The Audit Committee considers whether the provision of these services is compatible with maintaining the auditor's independence, and has determined such services for fiscal 2003 and 2002 were compatible.

The Company has been advised by Deloitte & Touche LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

and overseeing the work of the independent auditor. The Audit Committee has established a policy regarding pre-approval of all audit and non-audit services provided by the independent auditor.

On an ongoing basis, management communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. On a periodic basis, management reports to the Audit Committee regarding the actual spending for such projects and services compared to the approved amounts. The projects and categories of service are as follows:

Audit -- Annual audit fees relate to services rendered in connection with the audit of the Company's consolidated financial statements and the quarterly reviews of financial statements included in the Company's Forms 10-Q.

Audit Related Services -- Audit related services include fees for SEC registration statement services, benefit plan audits, consultation on accounting standards or transactions, statutory audits, and business acquisitions.

With respect to other matters, brokers do not have authority under NASD rules to vote on their own initiative unless they have received instructions from beneficial owners. This is commonly referred to as a "broker non-vote."

This task can be delegated to the Chair of the Committee or the Chair's designee.

Clarification of Audit Committee's Role

The Committee's responsibility is one of oversight. It is the responsibility of the Company's management to prepare consolidated financial statements in accordance with applicable law and regulations and of the Company's independent auditor to audit those financial statements. 1. ESTABLISHMENT, PURPOSE AND TERM OF PLAN.

1.1 Establishment. The Ark Restaurants Corp. 2004 Stock Option Plan (the "Plan") is hereby established effective as of January 26, 2004.

1.2 Purpose. The purpose of the Plan is to advance the interests of the Participating Company Group and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Participating Company Group and by motivating such persons to contribute to the growth and profitability of the Participating Company Group.

1.3 Term of Plan. The Plan shall continue in effect until the earlier of its termination by the Board or the date on which all of the shares of Stock available for issuance under the Plan have been issued and all restrictions on such shares under the terms of the Plan and the agreements evidencing Options granted under the Plan have lapsed. However, all Options shall be granted, if at all, within ten (10) years from the earlier of the date the Plan is adopted by the Board or the date the Plan is duly approved by the stockholders of the Company.

The Company shall exercise its discretion as to whether an individual has become or has ceased to be an Employee and the effective date of such individual's employment or termination of employment, as the case may be. For purposes of an individual's rights, if any, under the Plan as of the time of the Company's determination, all such determinations by the Company shall be final, binding and conclusive, notwithstanding that the Company or any court of law or governmental agency subsequently makes a contrary determination.

prices of a share of Stock if the Stock is so quoted instead) as quoted on the Nasdaq National Market, The Nasdaq SmallCap Market or such other national or regional securities exchange or market system constituting the primary market for the Stock, as reported in The Wall Street Journal or such other source as the Company deems reliable. If the relevant date does not fall on a day on which the Stock has traded on such securities exchange or market system, the date on which the Fair Market Value shall be established shall be the last day on which the Stock was so traded prior to the relevant date, or such other appropriate day as shall be determined by the Board, in its discretion.

(ii) If, on such date, the Stock is not listed on a national or regional securities exchange or market system, the Fair Market Value of a share of Stock shall be as determined by the Board in good faith without regard to any restriction other than a restriction which, by its terms, will never lapse.

Furthermore, an Optionee's Service with the Participating Company Group shall not be deemed to have terminated if the Optionee takes any military leave, sick leave, or other bona fide leave of absence approved in advance in writing by the Company; provided, however, that if any such leave exceeds ninety (90) days, on the ninety-first (91st) day of such leave the Optionee's Service shall be deemed to have terminated unless the Optionee's right to return to Service with the Participating Company Group is guaranteed by statute or contract. Notwithstanding the foregoing, unless otherwise designated by the Company or required by law, a leave of absence shall not be treated as Service for purposes of determining vesting under the Optionee's Option Agreement. The Optionee's Service shall be deemed to have terminated either upon an actual termination of Service or upon the corporation for which the Optionee performs Service ceasing to be a Participating Company. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

3. ADMINISTRATION.

3.1 Administration by the Board. The Plan shall be administered by the Board through the Committee. All questions of interpretation of the Plan or of any Option shall be determined by the Committee, and such determinations shall be final and binding upon all persons having an interest in the Plan or such Option.

3.2 Authority of Officers. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, determination or election which is the responsibility of or which is allocated to the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, determination or election.

3.3 Powers of the Committee. In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Committee shall have the full and final power and authority, in its discretion:

(a) to determine the persons to whom, and the time or times at which, Options shall be granted and the number of shares of Stock to be subject to each Option;

(b) to designate Options as Incentive Stock Options or Nonstatutory Stock Options;

(c) to determine the Fair Market Value of shares of Stock or other property;

(d) to determine the terms, conditions and restrictions applicable to each Option (which need not be identical) and any shares acquired upon the exercise thereof, including, without limitation, (i) the exercise price of the Option, (ii) the method of payment for shares purchased upon the exercise of the Option, (iii) the method for satisfaction of any tax withholding obligation arising in connection with the Option or such shares, including by the withholding obligation arising in connection with the Option or such shares, including by the withholding or delivery of shares of stock, (iv) the timing, terms and conditions of the exercisability of the Option or the vesting of any shares acquired upon the exercise thereof, (v) the time of the expiration of the Option, (vi) the effect of the Optionee's termination of Service with the Participating Company Group on any of the foregoing, and (vii) all other terms, conditions and restrictions applicable to the Option or such shares not inconsistent with the terms of the Plan;

(e) to approve one or more forms of Option Agreement;

(f) to amend, modify, extend, cancel or renew any Option or to waive any restrictions or conditions applicable to any Option or any shares acquired upon the exercise thereof;

(g) to accelerate, continue, extend or defer the exercisability of any Option or the vesting of any shares acquired upon the exercise thereof, including with respect to the period following an Optionee's termination of Service with the Participating Company Group;

(h) to prescribe, amend or rescind rules, guidelines and policies relating to the Plan, or to adopt supplements to, or alternative versions of, the Plan, including, without limitation, as the Board deems necessary or desirable to comply with the laws of, or to

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

accommodate the tax policy or custom of, foreign jurisdictions whose citizens may be granted Options; and

(i) to correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Option Agreement and to make all other determinations and take such other actions with respect to the Plan or any Option as the Board may deem advisable to the extent not inconsistent with the provisions of the Plan or applicable law.

4

3.4 Administration with Respect to Insiders. With respect to participation by Insiders in the Plan, at any time that any class of equity security of the Company is registered pursuant to Section 12 of the Exchange Act, the Plan shall be administered in compliance with the requirements, if any, of Rule 16b-3.

3.5 Indemnification. In addition to such other rights of indemnification as they may have as members of the Board or officers or employees of the Participating Company Group, members of the Board and any officers or employees of the Participating Company Group to whom authority to act for the Board or the Company is delegated shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any right granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matter as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in duties; provided, however, that within sixty (60) days after the institution of such action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at its own expense to handle and defend the same.

4. SHARES SUBJECT TO PLAN.

4.1 Maximum Number of Shares Issuable. Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the plan shall be four hundred and fifty thousand (450,000) and shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof. If an outstanding Option for any reason expires or is terminated or canceled or if shares of Stock are acquired upon the exercise of an Option subject to a Company repurchase option and are repurchased by the Company at the Optionee's exercise price, the shares of Stock allocable to the unexercised portion of such Option or such repurchased shares of Stock shall again be available for issuance under the Plan. However, except as adjusted pursuant to Section 4.2, in no event shall more than four hundred and fifty thousand (450,000) shares of Stock be available for issuance pursuant to the exercise of Incentive Stock Options (the "ISO Share Issuance Limit"). Notwithstanding the foregoing, at any such time as the offer and sale of securities pursuant to the Plan is subject to compliance with Section 260.140.45 of Title 10 of the California Code of

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

Regulations ("Section 260.140.5"), the total number of shares of Stock issuable upon the exercise of all outstanding Options (together with options outstanding under any other stock option plan of the Company) and the total number of shares provided for under any stock bonus or similar plan of the Company shall not exceed thirty percent (30%) (or such other higher percentage limitation as may be approved by the stockholders of the Company pursuant to Section 260.140.45) of the then outstanding shares of the Company as calculated in accordance with the conditions and exclusions of Section 260.140.45.

4.2 Adjustments for Changes in Capital Structure. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the Company, appropriate adjustments shall be made in the number and class of shares subject to the Plan and to any outstanding Options, in the ISO Share Issuance Limit set forth in Section 4.1, and in the exercise price per share of any outstanding Options. If a majority of the shares which are of the same class as the shares that are subject to outstanding Options are exchanged for, converted into, or otherwise become (whether or not pursuant to an Ownership Change Event, as defined in Section 8.1) shares of another corporation (the "New Shares"), the Board may unilaterally amend the outstanding Options to provide that such Options are exercisable for New Shares. In the event of any such amendment, the number of shares subject to, and the exercise price per share of, the outstanding Options shall be adjusted in a fair and equitable manner as determined by the Board, in its discretion. Notwithstanding the foregoing, any fractional share resulting from an adjustment pursuant to this Section 4.2 shall be rounded down to

5

the nearest whole number, and in no event may the exercise price of any Option be decreased to an amount less than the par value, if any, of the stock subject to the Option. The adjustments determined by the Board pursuant to this Section 4.2 shall be final, binding and conclusive.

5. ELIGIBILITY AND OPTION LIMITATIONS.

5.1 Persons Eligible for Options. Options may be granted only to Employees and Directors. For purposes of the foregoing sentence, "Employees" and "Directors" shall include prospective Employees and prospective Directors to whom Options are granted in connection with written offers of an employment or other service relationship with the Participating Company Group. Eligible persons may be granted more than one (1) Option. However, eligibility in accordance with this Section shall not entitle any person to be granted an Option, or, having been granted an Option, to be granted an additional Option.

5.2 Option Grant Restrictions. Any person who is not an Employee on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences Service with a Participating Company, with an exercise price determined as of such date in accordance with Section 6.1.

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

5.3 Fair Market Value Limitation. To the extent that options designated as Incentive Stock Options (granted under all stock option plans of the Participating Company Group, including the Plan) become exercisable by an Optionee for the first time during any calendar year for stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portions of such options which exceed such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section 5.3, options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of stock shall be determined as of the time the option with respect to such stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section 5.3, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section 5.3, the Optionee may designate which portion of such Option the Optionee is exercising. In the absence of such designation, the Optionee shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the exercise of the Option.

6. TERMS AND CONDITIONS OF OPTIONS.

Options shall be evidenced by Option Agreements specifying the number of shares of Stock covered thereby, in such form as the Board shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Option Agreement. Option Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

6.1 Exercise Price. The exercise price for each Option shall be established in the discretion of the Board; provided, however, that (a) the exercise price per share for an Incentive Stock Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, (b) the exercise price per share for a Nonstatutory Stock Option shall be not less than eighty-five percent (85%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (c) no Incentive Stock Option granted to a Ten Percent Owner Optionee shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonstatutory Stock Option) may be granted with an exercise price lower than the minimum exercise price set forth above if such

6

Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.

6.2 Exercisability and Term of Options. Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms,

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

conditions, performance criteria and restrictions as shall be determined by the Board and set forth in the Option Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner Optionee shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option granted to a prospective Employee or prospective Director may become exercisable prior to the date on which such person commences Service with a Participating Company. Subject to the foregoing, unless otherwise specified by the Board in the grant of an Option, any Option granted hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

6.3 Payment of Exercise Price.

(a) Forms of Consideration Authorized. Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Optionee having a Fair Market Value not less than the exercise price, (iii) by delivery of a properly executed notice together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a "Cashless Exercise"), (iv) provided that the Optionee is an Employee (unless otherwise not prohibited by law, including, without limitation, any regulation promulgated by the Board of Governors of the Federal Reserve System) and in the Company's sole discretion at the time the Option is exercised, by delivery of the Optionee's promissory note in a form approved by the Company for the aggregate exercise price, (v) by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law, or (vi) by any combination thereof. The Board may at any time or from time to time, by approval of or by amendment to the standard forms of Option Agreement described in Section 7, or by other means, grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.

(b) Limitations on Forms of Consideration.

(i) Tender of Stock. Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock. Unless otherwise provided by the Board, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Optionee for more than six (6) months (and not used for another Option exercise by attestation during such period) or were not acquired, directly or indirectly, from the Company.

(ii) Cashless Exercise. The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any

program or procedures for the exercise of Options by

7

means of a Cashless Exercise.

(iii) Payment by Promissory Note. No promissory note shall be permitted if the exercise of an Option using a promissory note would be a violation of any law. Any permitted promissory note shall be on such terms as the Board shall determine.

6.4 Tax Withholding. The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable upon the exercise of an Option, or to accept from the Optionee the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to such Option or the shares acquired upon the exercise thereof. Alternatively or in addition, in its discretion, the Company shall have the right to require the Optionee, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise, to make adequate provision for any such tax withholding obligations of the Participating Company Group arising in connection with the Option or the shares acquired upon the exercise thereof. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates. The Company shall have no obligation to deliver shares of Stock or to release shares of Stock from an escrow established pursuant to the Option Agreement until the Participating Company Group's tax withholding obligations have been satisfied by the Optionee.

6.5 Repurchase Rights. Shares issued under the Plan may be subject to a right of first refusal, one or more repurchase options, or other conditions and restrictions as determined by the Board in its discretion at the time the Option is granted. The Company shall have the right to assign at any time any right of first refusal or repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Optionee shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

6.6 Effect of Termination of Service.

(a) Option Exercisability. Subject to earlier termination of the Option as otherwise provided herein and unless otherwise provided by the Board in the grant of an Option and set forth in the Option Agreement, an Option shall be exercisable after an Optionee's termination of Service only during the applicable time period determined in accordance with this Section 6.6 and thereafter shall terminate:

(i) Disability. If the Optionee's Service terminates

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

because of the Disability of the Optionee, the Option, to the extent unexercised and exercisable on the date on which the Optionee's Service terminated, may be exercised by the Optionee (or the Optionee's guardian or legal representative) at any time prior to the expiration of twelve (12) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Optionee's Service terminated, but in any event no later than the date of expiration of the Option's term as set forth in the Option Agreement evidencing such Option (the "Option Expiration Date").

(ii) Death. If the Optionee's Service terminates because of the death of the Optionee, the Option, to the extent unexercised and exercisable on the date on which the Optionee's Service terminated, may be exercised by the Optionee's legal representative or other person who acquired the right to exercise the Option by reason of the Optionee's death at any time prior to the expiration of twelve

8

(12) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Optionee's Service terminated, but in any event no later than the Option Expiration Date.

(iii) Other Termination of Service. If the Optionee's Service terminates for any reason, except Disability or death, the Option, to the extent unexercised and exercisable by the Optionee on the date on which the Optionee's Service terminated, may be exercised by the Optionee at any time prior to the expiration of three (3) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Optionee's Service terminated, but in any event no later than the Option Expiration Date.

(b) Extension if Optionee Subject to Section 16(b). Notwithstanding the foregoing, if a sale within the applicable time periods set forth in Section 6.6(a) of shares acquired upon the exercise of the Option would subject the Optionee to suit under Section 16(b) of the Exchange Act, the Option shall remain exercisable until the earliest to occur of (i) the tenth (10th) day following the date on which a sale of such shares by the Optionee would no longer be subject to such suit, (ii) the one hundred and ninetieth (190th) day after the Optionee's termination of Service, or (iii) the Option Expiration Date.

6.7 Transferability of Options. During the lifetime of the Optionee, an Option shall be exercisable only by the Optionee or the Optionee's guardian or legal representative. No Option shall be assignable or transferable by the Optionee, except by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Board, in its discretion, and set forth in the Option Agreement evidencing such Option, a Nonstatutory Stock Option shall be assignable or transferable subject to the

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

applicable limitations, if any, described in Section 260.140.41 of Title 10 of the California Code of Regulations, Rule 701 under the Securities Act, and the General Instructions to Form S-8 Registration Statement under the Securities Act.

7. STANDARD FORMS OF OPTION AGREEMENT.

7.1 Option Agreement. Unless otherwise provided by the Board at the time the Option is granted, an Option shall comply with and be subject to the terms and conditions set forth in the form of Option Agreement approved by the Board concurrently with its adoption of the Plan and as amended from time to time.

7.2 Authority to Vary Terms. The Board shall have the authority from time to time to vary the terms of any standard form of Option Agreement described in this Section 7 either in connection with the grant or amendment of an individual Option or in connection with the authorization of a new standard form or forms; provided, however, that the terms and conditions of any such new, revised or amended standard form or forms of Option Agreement are not inconsistent with the terms of the Plan.

8. CHANGE IN CONTROL.

8.1 Definitions.

(a) An "Ownership Change Event" shall be deemed to have occurred if any of the following occurs with respect to the Company: (i) the direct or indirect sale or exchange in a single or series of related transactions by the stockholders of the Company of more than fifty percent (50%) of the voting stock of the Company; (ii) a merger or consolidation in which the Company is a party; (iii) the sale, exchange, or transfer of all or substantially all of the assets of the Company; or (iv) a liquidation or dissolution of the Company.

9

(b) A "Change in Control" shall mean an Ownership Change Event or a series of related Ownership Change Events (collectively, a "Transaction") wherein the stockholders of the Company immediately before the Transaction do not retain immediately after the Transaction, in substantially the same proportions as their ownership of shares of the Company's voting stock immediately before the Transaction, direct or indirect beneficial ownership of more than fifty percent (50%) of the total combined voting power of the outstanding voting securities of the Company or, in the case of a Transaction described in Section 8.1(a)(iii), the corporation or other business entity to which the assets of the Company were transferred (the "Transferee"), as the case may be.

8.2 Effect of Change in Control on Options. In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the "Acquiring Corporation"), may, without the consent of any Optionee, either assume the Company's rights and obligations under outstanding Options or substitute for outstanding Options substantially equivalent options for the Acquiring

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

Corporation's stock. In the event the Acquiring Corporation elects not to assume or substitute for outstanding Options in connection with a Change in Control, the vesting of each such outstanding Option and any shares acquired upon the exercise thereof held by Optionees whose Service has not terminated prior to such date shall be accelerated, effective as of the date ten (10) days prior to the date of the Change in Control, to such extent, if any, as shall have been determined by the Board, in its discretion, and set forth in the Option Agreement evidencing such Option. The vesting of any Option thereof that was permissible solely by reason of this Section 8.2 and the provisions of such Option Agreement shall be conditioned upon the consummation of the Change in Control. Any Options which are neither assumed or substituted for by the Acquiring Corporation in connection with the Change in Control nor exercised as of the date of the Change in Control shall terminate and cease to be outstanding effective as of the date of the Change in Control. Notwithstanding the foregoing, shares acquired upon exercise of an Option prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of the Option Agreement evidencing such Option except as otherwise provided in such Option Agreement. Furthermore, notwithstanding the foregoing, if the corporation the stock of which is subject to the outstanding Options immediately prior to an Ownership Change Event described in Section 8.1(a)(i) constituting a Change in Control is the surviving or continuing corporation and immediately after such Ownership Change Event less than fifty percent (50%) of the total combined voting power of its voting stock is held by another corporation or by other corporations that are members of an affiliated group within the meaning of Section 1504(a) of the Code without regard to the provisions of Section 1504(b) of the Code, the outstanding Options shall not terminate unless the Board otherwise provides in its discretion.

9. COMPLIANCE WITH SECURITIES LAW.

The grant of Options and the issuance of shares of Stock upon exercise of Options shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities. Options may not be exercised if the issuance of shares of Stock upon exercise would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Option may be exercised unless (a) a registration statement under the Securities Act shall at the time of exercise of the Option be in effect with respect to the shares issuable upon exercise of the Option or (b) in the opinion of legal counsel of the Company, the shares issuable upon exercise of the Option may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to the exercise of any Option, the Company may require the Optionee to satisfy any qualifications that may be necessary or appropriate,

to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

10. TERMINATION OR AMENDMENT OF PLAN.

The Board may terminate or amend the Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.2), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule. No termination or amendment of the Plan shall affect any then outstanding Option unless expressly provided by the Board. In any event, no termination or amendment of the Plan may adversely affect any then outstanding Option without the consent of the Optionee, unless such termination or amendment is required to enable an Option designated as an Incentive Stock Option to qualify as an Incentive Stock Option or is necessary to comply with any applicable law, regulation or rule.

11. STOCKHOLDER APPROVAL.

The Plan or any increase in the maximum aggregate number of shares of Stock issuable thereunder as provided in Section 4.1 (the "Authorized Shares") shall be approved by the stockholders of the Company within twelve (12) months of the date of adoption thereof by the Board. Option granted prior to stockholder approval of the Plan or in excess of the Authorized Shares previously approved by the stockholders shall become exercisable no earlier than the date of stockholder approval of the Plan or such increase in the Authorized Shares, as the case may be.

IN WITNESS WHEREOF, the undersigned Secretary of the Company certifies that the foregoing sets forth the Ark Restaurants Corp. 2004 Stock Option Plan as duly adopted by the Board on January 26, 2004.
