**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

**ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF REGISTRANT.**

On May 26, 2005, Platinum Underwriters Holdings, Ltd. ( Platinum Holdings ) and Platinum Underwriters Finance, Inc., a subsidiary of Platinum Holdings ( Platinum Finance ), entered into an indenture, dated as of May 26, 2005, with JPMorgan Chase Bank, N.A., as supplemented by a supplemental indenture, dated as of May 26, 2005, with JPMorgan Chase Bank, N.A. (together, the Indenture ).

The Indenture provides for the issuance by Platinum Finance of \$250 million aggregate principal amount of 7.50% Notes due 2017 (the Notes ) guaranteed by Platinum Holdings. Interest is payable on the Notes on each June 1 and December 1 commencing on December 1, 2005. The Notes were issued in a transaction exempt from the registration requirements under the Securities Act of 1933, as amended (the Securities Act ). The Notes were sold only to qualified institutional buyers in reliance on Rule 144A of the Securities Act and to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act.

Platinum Finance may redeem the Notes, at its option, at any time in whole, or from time to time in part, prior to maturity. The redemption price will be equal to the greater of: (i) 100 percent of the principal amount of the Notes and (ii) the sum of the present values of the remaining scheduled payments of principal and interest, discounted to the redemption date on a semiannual basis at a comparable treasury rate plus 50 basis points, plus in each case, interest accrued but not paid to the date of redemption.

Under the Indenture, an event of default is defined as (i) default in the payment of any interest on the Notes, or any additional amounts payable with respect thereto, when such interest becomes or such additional amounts become due and payable, and continuance of such default for a period of 30 days; (ii) default in the payment of the principal of or any premium, if any, on the Notes, or any additional amounts payable with respect thereto, when such principal or premium becomes or such additional amounts become due and payable either at maturity, upon any redemption, by declaration of acceleration or otherwise; (iii) default in the performance, or breach, of any covenant or warranty (other than the covenant relating to amalgamation, consolidation, merger or sale of assets), of Platinum Holdings or Platinum Finance contained in the Indenture, and the continuance of such default or breach for a period of 60 days after there has been given written notice as provided in the Indenture; (iv) default in the payment at maturity of indebtedness of Platinum Holdings, Platinum Finance or any designated subsidiary in excess of \$50 million, or if any event of default (as defined in any mortgage, indenture or instrument under which there may be issued, or by which there may be secured or evidenced, any Indebtedness of Platinum Holdings, Platinum Finance or any designated subsidiary)

**Table of Contents**

occurs and results in acceleration of more than \$50 million in principal amount of such Indebtedness of Platinum Holdings, Platinum Finance or any designated subsidiary (after giving effect to any applicable grace period); (v) Platinum Holdings, Platinum Finance or any designated subsidiary shall fail within 60 days to pay, bond or otherwise discharge any uninsured judgment or court order for the payment of money in excess of \$50 million, which is not stayed on appeal or is not otherwise being appropriately contested in good faith; (vi) certain events relating to the bankruptcy, insolvency or reorganization of Platinum Holdings, Platinum Finance or a designated subsidiary; (vii) default by Platinum Holdings or Platinum Finance in the performance or breach of the conditions relating to amalgamation, consolidation, merger or sale of assets; or (viii) the guarantee ceases to be in full force and effect or Platinum Holdings, or any person acting on its behalf, denies or disaffirms the obligations of Platinum Holdings under the Indenture or the guarantee. Designated subsidiary means for this purpose any present or future consolidated subsidiary of Platinum Holdings, the consolidated book value of which constitutes at least 20% of the consolidated book value of Platinum Holdings.

Under a registration rights agreement executed in connection with the offering of Notes (the Notes Registration Rights Agreement ), Platinum Holdings and Platinum Finance will (i) file a registration statement within 90 days after the issue date of the Notes enabling holders to exchange the Notes for publicly registered notes; (ii) use reasonable best efforts to cause the registration statement to become or be declared effective within 180 days after the issue date of the Notes; (iii) use reasonable best efforts to commence and complete the exchange offer within 45 days after the effective date of the registration statement and keep the exchange offer open for a period of not less than 30 days after notice is mailed to holders; and (iv) file a shelf registration statement for the resale of the Notes if, under the circumstances specified in the registration rights agreement, Platinum Holdings and Platinum Finance are unable to effect the exchange offer. If Platinum Holdings and Platinum Finance do not comply with certain obligations under the registration rights agreement, additional interest shall accrue at a per annum rate of 0.25% of the aggregate principal amount of the outstanding Notes during the first 90-day period following the occurrence of such registration default and at a per annum rate of 0.50% thereafter for any remaining period in which a registration default continues.

The above descriptions of the Indenture and Notes Registration Rights Agreement do not purport to be complete statements of the parties' rights and obligations under the agreements and the transactions contemplated by the agreements. The above descriptions are qualified in their entirety by reference to the agreements, copies of which are attached to this Current Report on Form 8-K as Exhibit 4.1, Exhibit 4.2 and Exhibit 4.3 and are incorporated herein by reference.

**ITEM 8.01 OTHER EVENTS.**
