PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
Thursday, September 15, 2005

Our annual meeting of stockholders will be held on Thursday, September 15, 2005 at the Conference Room on the Lower Level at 1400 Old Country Road, Westbury, New York at 10:00 a.m. Our Board of Directors is soliciting your proxy to vote your shares of common stock at the annual meeting. This proxy statement, which was prepared by our management for the Board, contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting and is first being sent to stockholders on or about July 22, 2005.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting for the election of nine directors for a term of 1 year or until their successors are elected and qualified.

In addition, our management will report on our performance during fiscal 2005 and respond to your questions.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on July 18, 2005. Each share of stock is entitled to one vote.

How do I vote?

You can vote in two ways:

1. By attending the meeting; or
2. By completing, signing and returning the enclosed proxy card.

Can I change my mind after I vote?

Yes, you may change your mind at any time before the polls close at the meeting. You can do this by (1) signing another proxy with a later date and returning it to us prior to the meeting, or (2) voting again at the meeting.

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted **FOR** the election of the nominee directors.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer & Trust Company, 800-937-5449.

Will my shares be voted if I do not provide my proxy?

Yes, if they are held in a brokerage account. Your shares may be voted under certain circumstances if they are held in the name of the brokerage firm. Brokerage firms generally have the authority to vote customers unvoted shares, which are called broker non-votes, on certain routine matters. Shares represented by broker non-votes will be counted as voted by the brokerage firm in the election of directors. When a brokerage firm votes its customer's unvoted shares, these shares are also counted for purposes of establishing a quorum.

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares as of July 18, 2005 must be present at the meeting, in person or by proxy. This is referred to as a quorum. On July 18, 2005, we had 5,564,842 shares issued and outstanding, excluding treasury shares.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Abstentions will have no effect on the voting outcome with respect to the election of directors.

In addition, we will provide Mr. Lorber with a tax gross-up payment to cover any excise tax due. In the event of termination due to Mr. Lorber's death or disability, he is entitled to receive an amount equal to his salary and annual bonuses for a three-year period, which bonus shall be equal to the average of the annual bonuses awarded to him during the three fiscal years preceding the fiscal year of termination.

In December 1992, we entered into an employment agreement with Wayne Norbitz, for a term expiring on December 31, 1996, providing for an annual base salary of \$288,750, as amended to date, and various benefits, including participation in our executive bonus program. The agreement also provides, among other things, that, if Mr. Norbitz is terminated without cause, we will pay Mr. Norbitz an amount equal to his then annual salary and benefits for a six-month period following delivery of the termination notice plus a severance benefit of one year's annual compensation. The agreement, as amended, provides that Mr. Norbitz shall have the right, exercisable for a six-month period, to terminate the agreement and receive an amount equal to three times his compensation during the most recent fiscal year, less \$100, in the event of a change in control of the company. The employment agreement was extended through December 31, 1997, on the original terms and automatically renews for successive one year periods unless 180 days prior written notice is delivered to Mr. Norbitz. No such non-extension notice has been delivered to date.

On September 30, 1999, in connection with our acquisition of Miami Subs, Miami Subs entered into an employment agreement with Donald L. Perlyn, for a term expiring on September 30, 2003, under which he currently receives annual base compensation of \$210,000, and certain other benefits, including participation in our executive bonus program. We guaranteed the obligations of Miami Subs under the agreement. The term of the agreement automatically extends for successive one year periods unless 180 days prior written notice is delivered by one party to the other. In the event that notice of non-extension is delivered, Mr. Perlyn is entitled to be paid an amount equal to his base salary as then in effect. The agreement also provides, among other things, that if Mr. Perlyn is terminated without cause, Mr. Perlyn will receive an amount equal to three times his base salary as in effect at the time of his termination. As amended, the agreement provides that in the event of a change in control of Nathans, Mr. Perlyn shall have the right, exercisable for a thirty-day period, to terminate the agreement and receive an amount equal to three times his base salary, together with a pro rata portion of his bonus, for the most recent fiscal year. No non-extension notice has been delivered to date.

Stock Option and Incentive Plans

We maintain various stock plans under which options vest as determined at the time of grant by the Board of Directors or the Compensation Committee, other than the Outside Director Plan under which options vest over a period of two years. In addition, we may grant up to 100,000 shares of restricted stock under the 2002 Stock Incentive Plan. Restricted stock will be subject to such restrictions as the Compensation Committee may impose; provided, that the term of the restriction cannot be less than one year unless otherwise determined by the Compensation Committee. The term of each option is generally ten years and is determined at the time of grant by the Board of Directors or the Compensation Committee. The purchase price of the shares of common stock subject to each option granted is not less than 100% of the fair market value of our common stock at the date of grant, except that under the 2001 Stock Option Plan the exercise price can be no less than 85% nor greater than 110% of the fair market value at the date of grant. The term of each option is generally ten years and is determined at the time of grant by the Board of Directors or the Compensation Committee. All of our stock plans provide that the Compensation Committee may adjust the number of shares under outstanding awards and for which future awards may be granted in the event of reorganization, stock split, reverse split, stock dividend, exchange or combination of shares, merger or any other change in capitalization. The participants in these plans are officers, directors and employees of, or consultants to, the company and its subsidiaries or affiliates, except that only non-employee directors received grants under the Outside Direction Plan. All of our equity stock plans were submitted to and approved by stockholders other than the 1998 Stock Option Plan. In addition, there was no stockholder vote with respect to the issuance to Howard Lorber of a warrant for 150,000 shares.

The following table sets forth information regarding our equity plans and other outstanding convertible securities:

401(k) Savings Plan

We sponsor a retirement plan intended to be qualified under Section 401(k) of the Internal Revenue Code of 1986. All non-union employees over age 21 who have been employed by us for at least one year are eligible to participate in the plan. Employees may contribute to the plan on a tax deferred basis up to 15% of their total annual salary, but in no event more than the maximum permitted by the Internal Revenue Code (\$18,000 in calendar 2005, including \$4,000 catch-up contributions for employees 50 and over). Company contributions are discretionary. For the plan year ended December 31, 2004, we elected to make matching contributions at the rate of \$.25 per dollar contributed by each employee vesting at the cumulative rate of 20% per year of service starting one year after commencement of service and, accordingly, after six years of an employee's service with us, matching contributions are fully vested. As of March 27, 2005, approximately 58 employees had elected to participate in the plan. For the fiscal year ended March 27, 2005, we contributed approximately \$22,000 to the 401(k) plan, of which \$1,487 was a matching contribution for Mr. Norbitz and \$1,204 was a matching contribution for Mr. DeVos.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

During fiscal 2005, our Compensation Committee consisted of Messrs. Eide, Leistner and Genson. None of the Compensation Committee members are employees of the Company or any of its subsidiaries.

Filings made by companies with the Securities and Exchange Commission sometimes incorporate information by reference. This means the company is referring you to information that has been previously filed with the SEC and that this information should be considered as part of the filing you are reading. The

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Policy

Nathan's cash compensation package for its executive officers consists of two components: (1) base salary; and (2) annual performance-based bonuses. Nathan's also provides stock option grants to its executive officers as a means to promote ownership in the company.

Nathan's Compensation Committee is composed of directors who are not employees of Nathan's. The Compensation Committee is responsible for the approval and administration of the base salary level and annual bonus compensation programs, as well as the grant of stock options to executive officers and other key employees. In determining executive compensation levels, the Compensation Committee considers salary and bonus levels which will attract and retain qualified executives when considered with the other components of Nathan's compensation structure and rewarding executive officers for continuous improvement in their respective areas which contribute to continual increases in shareholder value.

Nathan's philosophy for granting stock options is based on the principles of encouraging executive officers to remain with Nathan's and to encourage ownership in Nathan's. This provides executive officers with a long-term interest in Nathan's overall performance and gives them an incentive to manage with a view toward maximizing long-term shareholder value.

Nathan's used the services of GK Partners, a compensation consulting firm, in establishing the compensation of Howard M. Lorber, the Chairman of the Board.

Base Salary

The base compensation of each of Messrs. Lorber, Norbitz and Perlyn is established by contract. Messrs. Lorber and Norbitz annually assess the performance of all other executive officers and Nathan's financial results. Based on such assessment, Mr. Norbitz or Mr. Lorber may recommend salary increases. Any recommendations regarding officer compensation are subject to the terms of any existing employment agreements. Any salary increases are reviewed and subject to approval by the Compensation Committee.

In determining executive officer salaries, the Compensation Committee reviews recommendations from Messrs. Lorber and Norbitz, including management's performance evaluations and Nathan's financial condition.

For more information regarding the compensation and employment arrangements of Messrs. Lorber and Norbitz and other executive officers, see Management Employment Contracts .

Annual Bonuses

Executive officers and other key employees are eligible to earn annual bonuses.

Management establishes performance goals for Nathan's growth and profitability. Based on these goals, management makes recommendations to the Compensation Committee as to the level of attainment of financial performance objectives necessary for bonus awards to be made to the executive officers. Management also evaluates whether each executive officer has met his specific objectives. These objectives are both quantitative in nature, such as sales and revenue goals and cost containment; and qualitative in nature, such as the development and retention of key personnel, assessment and development of quality products and services, and management effectiveness. The amount of the bonus paid to the executive for the prior fiscal year is also taken into consideration. If all of the company and individual goals are completely met, management generally recommends that the executive officer receive a bonus in an amount equal to or in excess of his prior year's bonus. To the extent either the company or the individual's goals are only partially met, management generally recommends that a lesser bonus be paid.

At the end of each year, the Compensation Committee reviews the extent to which the company has actually attained its performance goals. The Compensation Committee also reviews recommendations by management regarding the extent to which each executive officer has met his individual objectives, regardless of whether such objectives are quantitative. The Committee makes its determination regarding executive officer bonuses based on the recommendations of management, the earnings of the company and taking into consideration the amount of the executive's bonus for the prior year. Specific relative weights are not assigned to each factor.

Stock Option Grants

Options to purchase common stock may be granted annually to executive officers and key employees under Nathan's various stock option plans. Grants are made at an option price of 100% of the market value on the date of grant. Nathan's philosophy in granting stock options is to increase executive officer ownership in Nathan's. Executive officers are incentivized to manage with a view toward maximizing long-term shareholder value. In determining the total number of options to be granted annually to all recipients, including executive officers, the Compensation Committee considers the number of options already held by the executive officer which are in or near-the-money and the performance of Nathan's during the immediately preceding year.

Compensation of Chief Executive Officer

Under the employment agreement between Nathan's and Howard M. Lorber, Chairman of the Board and Chief Executive Officer, Mr. Lorber receives a base salary of \$250,000 and an incentive bonus equal to five percent (5%) of the company's consolidated pre-tax earnings in excess of \$5,000,000. In light of this employment agreement, the Compensation Committee was not required to make any decision regarding Mr. Lorber's cash compensation.

AUDIT COMMITTEE REPORT

As required by its written charter, which sets forth its responsibilities and duties, the Audit Committee reviewed and discussed the audited financial statements with Nathan's management and discussed with Grant Thornton LLP, Nathan's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended.

The Audit Committee has received from Grant Thornton the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee has discussed with Grant Thornton that firm's independence. Based upon these discussions with management and the independent registered public accounting firm, the Audit Committee recommended to Nathan's that the audited consolidated financial statements for Nathan's be included in Nathan's Annual Report on Form 10-K for the fiscal year ended March 27, 2005 for filing with the Securities and Exchange Commission.

The Audit Committee has also reviewed and discussed the fees paid to Grant Thornton during the last fiscal year for audit and non-audit services, which are set forth below under "Audit Fees," and has discussed with the independent registered public accounting firm its independence.

The Audit Committee:

Robert J. Eide, Chairman
Barry Leistner
Brian S. Genson

Independence of Audit Committee

We have an Audit Committee established in accordance with Section 3(a)(58) of Exchange Act. Our Audit Committee consists of Robert J. Eide (Chairman), Barry Leistner and Brian S. Genson, each of whom is independent, as defined by Rule 4200(a)(15) of the NASD listing standards and for the purposes of Securities Exchange Act Rule 10A-3.

Audit Committee Financial Expert

We currently do not have an audit committee financial expert. Nevertheless, the Audit Committee has available to it the financial education and experience of Charles Raich, an independent director under NASD listing standards, to perform the functions of an audit committee financial expert. Mr. Raich has the financial education and experience necessary to qualify as an audit committee financial expert; however, Mr. Raich is ineligible to serve on the Audit Committee because as managing partner of Raich, Ende, Malter & Co., LLP, an independent public accounting firm which received fees from Nathans in respect of tax services (an aggregate \$127,000 in fiscal 2005), Mr. Raich is deemed to receive indirect compensation from Nathans. Therefore, Mr. Raich is not independent for the purposes of Securities Exchange Act Rule 10A-3.

Audit Committee Pre-Approval:

The Audit Committee has pre-approved all audit services and permitted non-audit services provided by the independent registered public accounting firm, and the compensation, fees and terms for such services. The Committee also has determined not to adopt any blanket pre-approval policy but instead to require that the Committee pre-approve the compensation and terms of service for audit services provided by the independent registered public accounting firm and any changes in terms and compensation resulting from changes in audit scope, company structure

or other matters. The Committee has also determined to require pre-approval by the Audit Committee or its Chairman of the compensation and terms of service for any permitted non-audit services provided by the independent registered public accounting firm.

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities to file report of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NASD. These officers, directors and greater than ten percent beneficial owners are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC and NASD.

Based solely on our review of the copies of the forms we have received, we believe that all our executive officers, directors and greater than ten percent of beneficial owners complied on a timely basis with all filing requirements applicable to them with respect to transactions during fiscal year 2005.

Matter to be Considered at the Meeting

The Board of Directors does not intend to present to the meeting any matters not referred to in the form of proxy.
