**Item 8.01 Other Events.**

At the Schering-Plough Corporation 2006 Annual Meeting of shareholders, a shareholder proposal was considered that read:

RESOLVED: Shareholders recommend that our Board of Directors adopt a simple majority shareholder vote requirement and make it applicable to the greatest number of governance issues practicable. This proposal is focused on adoption of the lowest practicable majority vote requirements to the fullest extent practicable.

Earlier this year, Schering-Plough committed to conduct a survey on shareholder wishes on this matter in order to be clear about whether shareholders voting in favor of the resolution wanted any supermajority voting requirements reduced, or intended something else. In order to ensure that all shareholders who wish to be heard on this matter have a chance to do so, Schering-Plough has posted the survey on its Web site at [www.schering-plough.com](http://www.schering-plough.com). Shareholders are requested to send the survey for receipt no later than Tuesday, December 12, 2006.
