2. to approve an amendment to HACI s amended and restated certificate of incorporation (the Charter) to provide for its perpetual existence and to permit a business combination with an entity engaged in the energy industry as its principal business despite the provisions in the Charter prohibiting HACI from consummating a business combination with an entity engaged in the energy industry as previously disclosed throughout the registration statement used to offer and sell HACI units in connection with HACI s initial public offering (the Charter Amendment Proposal);
3. to adopt the Purchase and IPO Reorganization Agreement, dated as of August 2, 2009 (the Acquisition Agreement), by and among HACI, Resolute Energy Corporation, a Delaware corporation (the Company), Resolute Subsidiary Corporation, a Delaware corporation, Resolute Aneth, LLC, a Delaware limited liability company, Resolute Holdings, LLC, a Delaware limited liability company, Resolute Holdings Sub, LLC, a Delaware limited liability company (Seller), and HH-HACI, L.P., a Delaware limited partnership, and to approve the transactions contemplated thereby, pursuant to which, through a series of transactions, holders of HACI common stock, par value \$0.0001 per share (HACI Common Stock) will acquire a majority of the outstanding common stock of the Company, par value \$0.0001 per share (the Company Common Stock), and the Company will acquire HACI and the business and operations of Seller (the Acquisition, and such proposal, the Acquisition Proposal);

HPCI and the Company undertake no obligation and do not intend to update these forward-looking statements to reflect events or circumstances occurring after the date of this notice. NOTICE OF APPRAISAL RIGHTS

In the event the Company's securities are not listed on a national securities exchange at the time the Acquisition is consummated, appraisal rights will be available to all HACI stockholders pursuant to Section 262 of the Delaware General Corporation Law (DGCL). Appraisal rights are not available to holders of HACI warrants. If appraisal rights are available, holders of shares of HACI Common Stock who continuously hold such shares through the effective time of the Acquisition, who do not vote in favor of the Acquisition Proposal and who properly demand appraisal of their shares will be entitled to appraisal rights in connection with the Acquisition under Section 262 of the DGCL. If the Company Common Stock is listed on a national securities exchange at the time the Acquisition is consummated, HACI stockholders will not be entitled to assert appraisal rights under Section 262.

Holders of Public Shares electing to exercise conversion rights will not be entitled to appraisal rights.

The following discussion is not a complete statement of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by the full text of Section 262, which is attached to this notice as Annex B. The following summary does not constitute any legal or other advice nor does it constitute a recommendation that stockholders exercise their appraisal rights, if any, under Section 262. All references in Section 262 and in this summary to a stockholder are to the record holder of the shares of HACI Common Stock as to which appraisal rights are asserted. A person having a beneficial interest in shares of HACI Common Stock held of record in the name of another person, such as a broker, fiduciary, depository or other nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect appraisal rights, if available.

In the event that appraisal rights are available, under Section 262, holders of shares of HACI Common Stock who continuously hold such shares through the effective time of the Acquisition, who do not vote in favor of the Acquisition Proposal and who otherwise follow the procedures set forth in Section 262 will be entitled to have their shares appraised by the Delaware Court of Chancery and to receive payment in cash of the fair value of the shares, exclusive of any element of value arising from the accomplishment or expectation of the Acquisition, together with interest, if any, as determined by the court.

Under Section 262, where a merger or consolidation agreement is to be submitted for adoption at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, must notify each of its stockholders entitled to appraisal rights that appraisal rights are available and include in the notice a copy of Section 262. To the extent appraisal rights are available in connection with the Acquisition, this notice shall constitute the notice, and the full text of Section 262 is attached to this notice as Annex B. In the event appraisal rights are available in connection with the Acquisition, any holder of HACI Common Stock who wishes to exercise appraisal rights, or who wishes to preserve such holder's right to do so, should review the following discussion and Annex B carefully because failure to timely and properly comply with the procedures specified will result in the loss of appraisal rights. Moreover, because of the complexity of the procedures for exercising the right to seek appraisal of shares of common stock, HACI believes that if a stockholder considers exercising such rights, such stockholder should seek the advice of legal counsel.

Filing Written Demand

If appraisal rights are available in connection with the Acquisition, any holder of HACI Common Stock wishing to exercise appraisal rights must deliver to HACI, before the vote on the Acquisition Proposal at the special meeting of HACI stockholders, a written demand for the appraisal of the stockholder's shares. A holder of shares of HACI Common Stock wishing to exercise appraisal rights must hold of record the shares on the date the written demand for appraisal is made and must continue to hold the shares of record through the effective time of the Acquisition. The stockholder must not vote in favor of the Acquisition Proposal. A proxy that is submitted and does not contain voting instructions will, unless revoked, be voted in favor of the Acquisition Proposal, and it will constitute a waiver of the

stockholder's right of appraisal and will nullify any previously delivered written demand for appraisal. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must submit a proxy containing instructions to vote against the Acquisition Proposal or abstain from voting on the Acquisition Proposal. Neither voting against the adoption of the

Acquisition Proposal nor abstaining from voting or failing to vote on the Acquisition Proposal will, in and of itself, constitute a written demand for appraisal satisfying the requirements of Section 262. The written demand for appraisal must be in addition to and separate from any proxy or vote on the Acquisition Proposal. The demand must reasonably inform HACI of the identity of the holder, as well as the intention of the holder to demand an appraisal of the fair value of the shares held by the holder. A stockholder's failure to deliver the written demand prior to the taking of the vote on the Acquisition Proposal at the special meeting of HACI stockholders will constitute a waiver of appraisal rights.

If appraisal rights are available in connection with the Acquisition, only a holder of record of shares of HACI Common Stock is entitled to assert appraisal rights for the shares registered in that holder's name. A demand for appraisal in respect of shares of HACI Common Stock should be executed by or on behalf of the holder of record, fully and correctly, as the holder's name appears on the holder's stock certificates, should specify the holder's name and mailing address and the number of shares registered in the holder's name and must state that the person intends thereby to demand appraisal of the holder's shares in connection with the Acquisition. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of the demand should be made in that capacity, and if the shares are owned of record by more than one person, as in a joint tenancy and tenancy in common, the demand should be executed by or on behalf of all joint owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a holder of record; however, the agent must identify the record owner or owners and expressly disclose that, in executing the demand, the agent is acting as agent for the record owner or owners. If the shares are held in street name by a broker, bank or nominee, the broker, bank or nominee may exercise appraisal rights with respect to the shares held for one or more beneficial owners while not exercising the rights with respect to the shares held for other beneficial owners; in such case, however, the written demand should set forth the number of shares as to which appraisal is sought, and where no number of shares is expressly mentioned, the demand will be presumed to cover all shares of HACI Common Stock held in the name of the record owner. Stockholders who hold their shares in brokerage accounts or other nominee forms and who wish to exercise appraisal rights are urged to consult with their brokers to determine the appropriate procedures for the making of a demand for appraisal by such a nominee.

All written demands for appraisal pursuant to Section 262 should be sent or delivered to Hicks Acquisition Company I, Inc., Thomas O. Hicks, corporate secretary, 100 Crescent Court, Suite 1200, Dallas, Texas 75201.

Any holder of HACI Common Stock may withdraw his, her or its demand for appraisal and accept the consideration offered pursuant to the Acquisition Agreement by delivering to Company as the surviving entity of the Acquisition, a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the effective date of the Acquisition will require written approval of the surviving corporation. No appraisal proceeding in the Delaware Court of Chancery will be dismissed without the approval of the Delaware Court of Chancery, and such approval may be conditioned upon such terms as the Court deems just.

Notice by the Surviving Corporation

If appraisal rights are available in connection with the Acquisition, within 10 days after the effective time of the Acquisition, the Company, as the surviving corporation, must notify each holder of HACI Common Stock who has made a written demand for appraisal pursuant to Section 262, and who has not voted in favor of the Acquisition Proposal, that the Acquisition has become effective.

Filing a Petition for Appraisal

Within 120 days after the effective time of the Acquisition, but not thereafter, the Company, as the surviving entity of the Acquisition, or any holder of HACI Common Stock who has so complied with Section 262 and is entitled to

appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery and demanding a determination of the fair value of the shares held by all dissenting holders. The Company, as the surviving entity is under no obligation to and has

no present intention to file a petition, and holders should not assume that the Company will file a petition. Accordingly, it is the obligation of the holders of HACI Common Stock to initiate all necessary action to perfect their appraisal rights in respect of shares of HACI Common Stock within the time prescribed in Section 262.

Within 120 days after the effective time of the Acquisition, any holder of HACI Common Stock who has complied with the requirements for exercise of appraisal rights will be entitled, upon written request, to receive from the Company a statement setting forth the aggregate number of shares not voted in favor of the Acquisition Proposal and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed within 10 days after a written request therefor has been received by the surviving corporation.

If a petition for an appraisal is timely filed by a holder of shares of HACI Common Stock and a copy thereof is served upon the surviving corporation, the surviving corporation will then be obligated within 20 days to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached. After notice to the stockholders as required by the court, the Delaware Court of Chancery is empowered to conduct a hearing on the petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights thereunder. The Delaware Court of Chancery may require the stockholders who demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceeding, and if any stockholder fails to comply with the direction, the Court of Chancery may dismiss the proceedings as to such stockholder.

Determination of Fair Value

After determining the holders of HACI Common Stock entitled to appraisal, the Delaware Court of Chancery, through an appraisal proceeding, shall determine the fair value of their shares exclusive of any element of value arising from the accomplishment or expectation of the Acquisition, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining fair value, the Delaware Court of Chancery will take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Supreme Court of Delaware discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that proof of value by any techniques or methods that are generally considered acceptable in the financial community and otherwise admissible in court should be considered, and that fair price obviously requires consideration of all relevant factors involving the value of a company. The Delaware Supreme Court stated that, in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts that could be ascertained as of the date of the Acquisition that throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be exclusive of any element of value arising from the accomplishment or expectation of the merger. In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a narrow exclusion [that] does not encompass known elements of value, but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Supreme Court of Delaware also stated that elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered.

Stockholders considering seeking appraisal should be aware that the fair value of their shares as so determined could be more than, the same as or less than the consideration they would receive pursuant to the Acquisition if they did not seek appraisal of their shares and that an investment banking opinion as to the fairness from a financial point of view of the consideration payable in a merger is not an opinion as to fair value under Section 262. Although HACI believes that the exchange of HACI Common Stock for Company Common Stock is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery, and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, this

consideration. Neither HACI nor the Company anticipate offering more than the applicable shares of Company Common Stock to any stockholder

of HACI exercising appraisal rights, and each of HACI and the Company reserves the right to assert, in any appraisal proceeding, that for purposes of Section 262, the fair value of a share of HACI Common Stock is less than the applicable shares of Company Common Stock, and that the methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered in the appraisal proceedings. In addition, Delaware courts have decided that the statutory appraisal remedy, depending on factual circumstances, may or may not be a dissenter's exclusive remedy. The Delaware Court of Chancery will also determine the amount of interest, if any, to be paid upon the amounts to be received by persons whose shares of HACI Common Stock have been appraised. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Acquisition through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective time of the Acquisition and the date of payment of the judgment. If a petition for appraisal is not timely filed, then the right to an appraisal will cease. The costs of the action (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Court and taxed upon the parties as the Court deems equitable under the circumstances. The Court may also order that all or a portion of the expenses incurred by a stockholder in connection with an appraisal, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts utilized in the appraisal proceeding, be charged pro rata against the value of all the shares entitled to be appraised.

If any stockholder who demands appraisal of shares of HACI Common Stock under Section 262 fails to perfect, or successfully withdraws or loses, such holder's right to appraisal, the stockholder's shares of HACI Common Stock will be deemed to have been converted at the effective time of the Acquisition into the right to receive Company Common Stock. A stockholder will fail to perfect, or lose or withdraw, the holder's right to appraisal if no petition for appraisal is filed within 120 days after the effective time of the Acquisition or if the stockholder delivers to the surviving corporation a written withdrawal of the holder's demand for appraisal and an acceptance of the Company Common Stock in accordance with Section 262.

From and after the effective time of the Acquisition, no dissenting stockholder shall have any rights of a stockholder of HACI with respect to that holder's shares for any purpose, except to receive payment of fair value and to receive payment of dividends or other distributions on the holder's shares of HACI Common Stock, if any, payable to stockholders of HACI of record as of a time prior to the effective time of the Acquisition; provided, however, that if a dissenting stockholder delivers to the surviving company a written withdrawal of the demand for an appraisal within 60 days after the effective time of the Acquisition, or subsequently with the written approval of the surviving company, then the right of that dissenting stockholder to an appraisal will cease and the dissenting stockholder will be entitled to receive only the Acquisition consideration in accordance with the terms of the Acquisition Agreement. Once a petition for appraisal is filed with the Delaware court, however, the appraisal proceeding may not be dismissed as to any stockholder of HACI without the approval of the court.

Failure to comply strictly with all of the procedures set forth in Section 262 of the DGCL may result in the loss of a stockholder's statutory appraisal rights. Consequently, any stockholder wishing to exercise appraisal rights is urged to consult legal counsel before attempting to exercise those rights.

STATEMENT OF AGREEMENT

In consideration of the mutual terms, conditions and other agreements set forth herein and intending to be legally bound hereby, the parties hereto hereby agree as follows:

ARTICLE I THE IPO REORGANIZATION AND SHARE PURCHASES

1.1 Closing. Unless this Agreement shall have been terminated and the transactions herein contemplated shall have been abandoned in accordance with Section 9.1, and subject to the satisfaction or waiver of the conditions set forth in ARTICLE VII, the closing of the transactions contemplated by this Agreement (the **Closing**) will take place at 9:00 a.m. Dallas time on the first Business Day following the satisfaction or waiver of each of the conditions set forth in ARTICLE VII hereof (the **Closing Date**), at the offices of Akin Gump Strauss Hauer & Feld LLP, 1700 Pacific Avenue, Suite 4100, Dallas, Texas 75201, unless another date, time or place is agreed to in writing by the parties hereto.

1.2 Purchase of Acquisition Interests. At the Closing, upon the terms and subject to the conditions of this Agreement, Buyer shall (a) purchase from Aneth, and Aneth shall sell and issue to Buyer, the Acquired Interest and (b) pay to Aneth by wire transfer in immediately available funds an aggregate amount equal to the Acquisition Consideration. Simultaneously therewith, Buyer and Seller shall enter into (and Seller shall cause all other members in Aneth to enter into) an amended operating agreement for Aneth in a form mutually agreeable to both parties; *provided, however*, that the operating agreement shall provide, among other terms, that all excess nonrecourse liabilities allocated under Treasury Regulations Section 1.752-3(a)(3) shall be allocated in accordance with the excess Section 704(c) method and shall provide for tax items to be allocated between Seller and IPO Corp. for the taxable year that includes the Contribution based upon a closing of the books.

1.3 Repayment of Debt under Credit Agreements. Immediately following the purchase described in Section 1.2, Aneth shall use the entire amount of the Acquisition Consideration received for the Acquired Interest to repay, by wire transfer in immediately available funds, in respect of certain amounts due under the Credit Agreements, in accordance with the terms thereof. As a result of such debt repayment, there shall be no amounts outstanding under the 2nd Lien Agreement. Immediately following such debt repayment, the parties hereto intend to effect the Contribution.

1.4 Contribution. At the Closing, immediately following the debt repayment as described in Section 1.3, upon the terms and subject to the conditions of this Agreement, Seller shall contribute the Contribution Interest to IPO Corp. and in exchange therefor IPO Corp. shall issue to Seller the Contribution Consideration. As used herein, the **Contribution Consideration** means: (a) 9,200,000 shares of IPO Corp. Common Stock, less 200,000 shares for employee retention equity awards if directed by Seller, which, if forfeited, will be issued to Seller (**Retention Shares**); (b) warrants to purchase 4,600,000 shares of IPO Corp. Common Stock to be treated as Founders Warrants pursuant to the New Warrant Agreement to be entered into at the Closing (such warrants, the **Seller's Warrants**); and (c) 1,385,000 Earnout Shares. At the Closing, in addition to the Contribution Consideration, IPO Corp. shall issue the Retention Shares to or for the benefit of eligible employees of Seller, if directed by Seller.

1.5 Founder Transactions.

(a) At or immediately prior to the Closing, that certain Co-Investment Securities Purchase Agreement, dated as of September 26, 2007, by and between Buyer and Thomas O. Hicks (the *Co-Investment Agreement*) shall be terminated.

A-10

(b) At the Closing, immediately prior to the Merger, 7,335,000 shares of Buyer Common Stock held by Founder shall be cancelled, forfeited and retired.

(c) At the Closing, immediately prior to the Merger, 4,600,000 Founder's Warrants held by Founder shall be cancelled and forfeited. To permit the cancellation contemplated pursuant to this Section 1.5(b), the Founder's Warrants shall be amended by the Warrant Agreement Amendment.

(d) At the Closing, immediately prior to the Merger, Founder shall sell to Seller and Seller shall purchase from Founder 2,333,333 Sponsor's Warrants and, in exchange therefor, Seller shall pay Founder an aggregate amount equal to \$1,166,666.50 payable by wire transfer in immediately available funds. To permit the sale contemplated pursuant to this Section 1.5(d), the Sponsor's Warrants shall be amended by the Warrant Agreement Amendment.

1.6 The Merger.

(a) At the Closing, immediately following completion of the Acquisition and debt repayment and simultaneously with the Contribution, upon the terms and subject to the terms and conditions of this Agreement, Merger Sub shall merge with and into Buyer, with Buyer continuing as the surviving corporation and a wholly-owned subsidiary of IPO Corp, by filing a certificate of merger with respect to such Merger (the *Certificate of Merger*), which Certificate of Merger shall be in such form as is required by, and executed and acknowledged in accordance with the DGCL, and reasonably acceptable to Buyer, IPO Corp. and Seller, and the Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL. Buyer, as the surviving corporation of the Merger, is sometimes referred to herein as the *Surviving Corporation*. As used in this Agreement, the term *Merger Effective Time* shall mean the date and time when the Merger becomes effective.

(b) At the Merger Effective Time, each share of Buyer Common Stock issued and outstanding immediately prior to the Effective Time, other than any shares of Buyer Common Stock to be canceled pursuant to Section 1.5(b), shall be automatically converted into and become the right to receive one fully paid and nonassessable share of IPO Corp. Common Stock from IPO Corp. (the *Merger Consideration*); provided, that 1,865,000 shares of IPO Corp. Common Stock to be received by Founder in the Merger shall be restricted Earnout Shares. As a result of the Merger, at the Merger Effective Time, each holder of a Certificate shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration payable in respect of the shares of Buyer Common Stock represented by such Certificate immediately prior to the Merger Effective Time, all to be issued or paid, without interest, in consideration therefor upon the surrender of such Certificate in accordance with Section 1.8(b) (or, in the case of a lost, stolen or destroyed Certificate, Section 1.8(d)).

(c) Each share of Buyer Common Stock owned by Buyer, immediately prior to the Merger Effective Time shall automatically be extinguished without any conversion, and no consideration shall be delivered in respect thereof.

1.7 Warrants.

(a) Pursuant to the Merger, all Public Warrants shall, by operation of an amendment in substantially the form of Exhibit A hereto (the *Warrant Agreement Amendment*), be treated as follows:

(i) Each Public Warrant will be converted into either (x) the right to receive \$0.55 in cash (the *Cash Consideration*) or (y) a warrant to purchase one share of IPO Corp. Common Stock (the *New Warrant Consideration* and together with the Cash Consideration, the *Warrant Consideration*) pursuant to a warrant agreement in the form of Exhibit B hereto (the *New Warrant Agreement*), in each case as the holder of Public Warrants shall have elected or be deemed to have elected (an *Election*) in accordance with Section 1.7(a)(ii). All such Public Warrants, when so amended and converted, will automatically be retired and will cease to be outstanding, and the holder of a warrant certificate (a

Warrant Certificate) that, immediately prior to the Merger Effective Time, represented outstanding Public Warrants will cease to have any rights with respect thereto, except the right to receive,

A-11

upon the surrender of such Warrant Certificate the applicable Warrant Consideration (in each case, either that provided in clause (x) or clause (y) of this clause (i), as applicable).

(ii) Subject to the procedures in Section 1.8(e) and the limitations in Section 1.7(a)(iv), each holder of Public Warrants outstanding immediately prior to the Election Date who makes a valid Election to receive the New Warrant Consideration will be entitled to receive the New Warrant Consideration in respect of such Public Warrants (the *New Warrant Election Warrants*); *provided that*, notwithstanding anything in this Agreement to the contrary, a holder of a Public Warrant shall not be able to make a valid election to receive the New Warrant Consideration for any Public Warrants that it voted against the Warrant Agreement Amendment. All holders of Public Warrants immediately prior to the Election Date who do not make a valid Election for New Warrant Election Warrants will be deemed to have elected to receive the Cash Consideration in respect of their Public Warrants.

(iii) Notwithstanding anything in this Agreement to the contrary:

(A) the maximum number of Public Warrants to be converted into the right to receive the New Warrant Consideration will be equal to the Warrant Cap; and

(B) the minimum number of Public Warrants to be converted into the right to receive the Cash Consideration will be equal to (x) the number of Public Warrants outstanding immediately prior to the Effective Time less (y) the Warrant Cap.

(iv) Notwithstanding anything in this Agreement to the contrary, to the extent the aggregate number of New Warrant Election Warrants exceeds the Warrant Cap, the New Warrant Consideration will be prorated as follows:

(A) all Public Warrants for which Elections to receive the Cash Consideration have been made or deemed to have been made (the *Cash Election Warrants*) will be converted into the right to receive the Cash Consideration; and

(B) the New Warrant Election Warrants will be converted into the right to receive the Cash Consideration and the New Warrant Consideration in the following manner: (1) the number of New Warrant Election Warrants covered by each Form of Election to be converted into New Warrant Consideration will be determined by multiplying the number of New Warrant Election Warrants covered by such Form of Election by a fraction, (x) the numerator of which is the Warrant Cap and (y) the denominator of which is the aggregate number of New Warrant Election Warrants; and (2) all New Warrant Election Warrants not converted into New Warrant Consideration in accordance with clause (1) will be converted into the right to receive the Cash Consideration in respect thereof.

(b) Pursuant to the Merger, each Founder's Warrant and each Sponsor's Warrant, by operation of the Warrant Agreement Amendment, will be converted into a warrant to purchase one share of IPO Corp. Common Stock (the *New Founder's Warrants* and the *New Sponsor's Warrants*). All such Founder's Warrants and Sponsor's Warrants, when so converted, will automatically be retired and will cease to be outstanding, and the holder of a Warrant Certificate that, immediately prior to the effective time of the Merger, represented outstanding Founder's Warrants or Sponsor's Warrants will cease to have any rights with respect thereto, except the right to receive, upon the surrender of such Warrant Certificate, the New Founder's Warrants or New Sponsor's Warrants, as applicable. The New Founder's Warrants and New Sponsor's Warrants will have the terms and conditions set forth in the New Warrant Agreement.

1.8 Exchange of Shares and Certificates.

(a) Deposit with Exchange Agent. Prior to the Closing, Buyer, IPO Corp., Founder and Seller shall engage the Exchange Agent. At or prior to the Closing, IPO Corp. shall deposit with the Exchange Agent, in trust for the benefit of Seller and holders of shares of Buyer Common Stock and Buyer Warrants prior to the Closing, certificates

representing the shares of IPO Corp. Common Stock and warrants issuable pursuant to Sections 1.4 and 1.6 (or appropriate alternative arrangements shall be made if such securities will be issued in book-entry form).

A-12

(b) Exchange Procedures.

(i) As soon as reasonably practicable after the Closing, and in any event within three (3) Business Days after the Closing, IPO Corp. shall cause the Exchange Agent to distribute to Seller the number of shares of IPO Corp. Common Stock (including Earnout Shares) issuable pursuant to the Contribution.

(ii) As soon as reasonably practicable after the Closing, and in any event within three (3) Business Days after the Closing, IPO Corp. shall cause the Exchange Agent to mail to each holder of record of a certificate or certificates which immediately prior to the Closing represented outstanding shares of Buyer Common Stock (the *Certificates*), which at the Closing became entitled to receive shares of IPO Common Stock, pursuant to Section 1.6 hereof, instructions for use in obtaining certificates representing whole shares of IPO Corp. Common Stock (or alternative instructions if such shares will be issued in book-entry form). Upon delivery of the Certificate and any power of attorney or similar document as may reasonably be required by the Exchange Agent, the holder of such Certificates shall be entitled to receive that number of whole shares of IPO Corp. Common Stock to which such holder is entitled pursuant to Section 1.6.

(iii) Notwithstanding the time of delivery, the shares of IPO Corp. Common Stock distributed pursuant to this Section 1.8 shall be deemed issued at the time of the Closing.

(iv) All shares of IPO Corp. Common Stock issued or distributed in accordance with the terms of this ARTICLE I, shall be deemed to have been issued (or paid) in full satisfaction of all rights pertaining to the shares of Buyer Common Stock in connection with the Merger and/or the Contribution, as applicable.

(c) No Liability. None of Buyer, Parent, Aneth, IPO Corp. Seller, or the Exchange Agent or any of their respective directors, officers, employees and agents shall be liable to any Person in respect of any shares of IPO Corp. Common Stock (or dividends or distributions with respect thereto) delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(d) Lost, Stolen or Destroyed Certificates. In the event any Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, such shares or IPO Corp. Common Stock receivable pursuant to the Merger; *provided, however*, that IPO Corp. may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed Certificates to deliver an agreement of indemnification in a form reasonably satisfactory to IPO Corp., or a bond in such sum as IPO Corp. may reasonably direct as indemnity, against any claim that may be made against IPO Corp. or the Exchange Agent in respect of the Certificates alleged to have been lost, stolen or destroyed.

(e) Warrant Election/Exchange Procedures.

(i) Public Warrants.

(A) Buyer will authorize the Exchange Agent to receive Elections and to act as exchange agent hereunder with respect to the Merger.

(B) Buyer will prepare, for use by the holders of Public Warrants in surrendering Warrant Certificates, a form (the *Form of Election*) pursuant to which each holder of Public Warrants may make an Election. The Form of Election will be delivered to such Warrant holders by means and at a time upon which Buyer and IPO Corp. will mutually agree.

(C) An Election will have been properly made only if a Form of Election properly completed and signed and accompanied by the Public Warrant certificate or certificates to which such Form of Election relates (1) is received by the Exchange Agent prior to the date and time of the special meeting of warrant holders being held to approve the Warrant Agreement Amendment (the *Election Date* and the *Special Meeting of Warrantholders*) or (2) is delivered to the Exchange Agent at the Special Meeting of Warrantholders.

A-13

(D) Any Public Warrant holder may at any time prior to the Election Date change such holder's Election if the Exchange Agent receives (1) prior to the Election Date written notice of such change accompanied by a properly completed Form of Election or (2) at the Special Meeting of Warrantholders a new, properly completed Form of Election. The Company will have the right in its sole discretion to permit changes in Elections after the Election Date.

(E) Buyer will have the right to make rules, not inconsistent with the terms of this Agreement or the Warrant Amendment Agreement, governing the validity of Forms of Election, the manner and extent to which Elections are to be taken into account in making the determinations prescribed by this section, the issuance and delivery of certificates for the new warrants to purchase IPO Corp. Common Stock into which the Public Warrants are exchangeable in the Merger, and the payment for Public Warrants converted into the right to receive the Cash Consideration in the Merger.

(F) In connection with the above procedures, (1) the holders of Warrant Certificates evidencing Public Warrants will surrender such certificates to the Exchange Agent, (2) upon surrender of a Warrant Certificate the holder thereof will be entitled to receive the applicable Warrant Consideration, and (3) the Warrant Certificates so surrendered will forthwith be canceled.

(ii) Founder's Warrants and Sponsor's Warrants. As soon as practicable after the closing of the Merger, (a) the holders of Warrant Certificates evidencing Founder's Warrants and Sponsor's Warrants will surrender such Warrant Certificates to IPO Corp., (b) upon surrender of a Warrant Certificate pursuant to this section the holder thereof will be entitled to receive the New Founder's Warrants or the New Sponsor's Warrants, as applicable, and (c) the Warrant Certificates so surrendered will forthwith be canceled.

(iii) Lost, Stolen or Destroyed Warrant Certificates. In the event any Warrant Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Warrant Certificates, upon the making of an affidavit of that fact by the holder thereof, such warrants receivable pursuant to the Merger; *provided, however*, that IPO Corp. may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed Warrant Certificates to deliver an agreement of indemnification in a form reasonably satisfactory to IPO Corp., or a bond in such sum as IPO Corp. may reasonably direct as indemnity, against any claim that may be made against IPO Corp. or the Exchange Agent in respect of the Warrant Certificates alleged to have been lost, stolen or destroyed.

1.9 Charters and Bylaws of IPO Corp. IPO Corp.'s certificate of incorporation and bylaws shall be amended and restated prior to the Contribution and Merger, and IPO Corp.'s certificate of incorporation and bylaws shall be as set forth on Exhibit C hereto and Exhibit D hereto, respectively, and shall continue to be the certificate of incorporation and bylaws of IPO Corp. until thereafter amended in accordance with the provisions thereof and applicable Law.

1.10 Board of Directors. On or prior to the Closing, the boards of directors of IPO Corp. and the Surviving Corporation shall cause the number of directors that will comprise the full board of directors of IPO Corp. and the Surviving Corporation, respectively, at the Closing to be as set forth on Schedule 1.10. The members of the board of directors of IPO Corp. and the Surviving Corporation at the Closing shall be determined in accordance with Schedule 1.10; *provided*, that appropriate provisions shall be made for a staggered board of IPO Corp. as set forth therein.

6.9 Indemnification of Directors and Officers.

(a) The certificate of incorporation and by-laws (or operating agreement or other equivalent governing instruments) of IPO Corp. and each of its Subsidiaries shall contain provisions no less favorable with respect to indemnification than are set forth in the certificate of incorporation and by-laws, operating agreement, or equivalent instruments, as applicable, of such Persons as of the date hereof, which provisions shall not be amended, repealed or otherwise modified for a period of six (6) years after the Closing Date in any manner that would adversely affect the rights thereunder of individuals who at or prior to the Closing Date were directors, officers, managers, managing members, agents or employees of Seller or any of the Companies or who were otherwise entitled to indemnification pursuant to the certificate of incorporation and bylaws (or equivalent governing instruments) of such Persons. IPO Corp. shall cause (including, without limitation, by paying premiums on the current insurance policies) to be maintained in effect for six (6) years after the Closing Date the current policies of the directors and officers liability or equivalent insurance maintained by or on behalf of Seller and the Companies with respect to matters occurring prior to the Closing; *provided*, that IPO Corp. may substitute therefor policies of at least the same coverage containing terms and conditions that are not less advantageous than the existing policies (including with respect to the period covered). (b) Each party will advise the other parties, promptly after it receives notice thereof, of any request by the SEC for amendment of the Proxy/Registration Statement. If, at any time prior to the Closing, any information relating to Buyer, IPO Corp. or Seller or any of their respective Affiliates, officers or directors, is discovered by any of such parties and such information should be set forth in an amendment or supplement to the Proxy/Registration Statement so that any of such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party discovering such information shall promptly notify the other parties hereto and, to the extent required by Law, an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and disseminated to the stockholders of Buyer.

(c) Each of Buyer, IPO Corp. and Seller shall use its reasonable best efforts to have the Proxy/Registration Statement cleared by the SEC as promptly as practicable. As soon as practicable following its clearance by the SEC, Buyer shall distribute the Proxy/Registration Statement to its stockholders and holders of Buyer Warrants and shall in accordance with its certificate of incorporation, bylaws and the DGCL solicit proxies from its stockholders to vote in favor of all of the proposals contained in the Proxy/Registration Statement and shall use reasonable best efforts to obtain the Buyer Stockholder Approval and the Warrant Amendment Approval.

It is accordingly agreed that in the event of a failure by a party to perform its obligations under this Agreement, the non-breaching party shall be entitled to specific performance through injunctive relief, without the necessity of posting a bond, to prevent breaches of the provisions and to enforce specifically the provisions of this Section 6.11 in addition to any other remedy to which such party may be entitled, at law or in equity.

(b) No Injunction. At the Closing Date, there shall be no Law, injunction, restraining order or decree of any nature of any court or Governmental Authority of competent jurisdiction that is in effect that restrains or prohibits the consummation of the transactions contemplated by this Agreement; *provided, however*, that the parties invoking this condition shall use their best efforts to have such injunction, order or decree vacated or denied.

(b) Accuracy of Representations and Warranties of Seller. The representations and warranties of Seller contained in ARTICLE III, disregarding all qualifications contained herein relating to materiality or Material Adverse Effect, shall be true and correct on and as of the Closing Date with the same force and effect as though such representations and warranties had been made on the Closing Date (except for such representations and warranties which by their express provisions are made as of an earlier date, in which case they shall be true and correct as of such date), except to the extent that the failure of such representations and warranties to be true and correct would not, individually or in the aggregate, have a Material Adverse Effect on IPO Corp. and its Subsidiaries.

(c) Performance of Agreement. Each of Parent, Seller, IPO Corp., Merger Sub and Aneth shall have performed in all material respects all obligations and agreements, and complied in all material respects with all covenants and conditions, contained in this Agreement to be performed or complied with by each of them prior to or on the Closing Date.

For purposes of this Section 7.2(f), material Indebtedness shall mean the Credit Agreement and all Indebtedness in an outstanding amount over \$2,000,000 in the aggregate.

(g) Hedging Arrangements. Seller shall have taken such actions with respect to its hedging arrangements such that the average fixed price on the Companies' crude oil swaps in Year 2010 on 3,650 barrels of crude oil per day is \$67.00 or more per barrel (*Hedging Arrangements*).

(h) Marketing. Seller or the Companies have not entered into any agreement, or amendment to an agreement, with respect to their crude oil marketing arrangements that would reasonably be expected to have a Material Adverse Effect on IPO Corp., and its Subsidiaries as of Closing.

A-45

(b) Performance of Agreements. Buyer shall have performed in all material respects all obligations and agreements, and complied in all material respects with all covenants and conditions, contained in this Agreement to be performed or complied with by it prior to or on the Closing Date.

From and after the Closing, the Companies will continue to be bound by the terms of the collective bargaining agreements set forth in Schedule 8.1 (the *Collective Bargaining Agreements*), and will comply with their obligations under such Collective Bargaining Agreements and all other statutory bargaining obligations.

ARTICLE IX MISCELLANEOUS

9.1 Termination and Abandonment.

(a) General. Without prejudice to other remedies which may be available to the parties by Law or this Agreement, this Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing:

(i) by mutual written consent of Buyer and Seller;

(ii) by Buyer or Seller by giving written notice to the other Person if a Law, injunction, restraining order or decree of any nature of any Governmental Authority of competent jurisdiction is issued that prohibits the consummation of the transactions contemplated by this Agreement and such injunction, restraining order or decree is final and non-appealable or is not resolved in Buyer's favor prior to September 29, 2009 (a *Final Order*); *provided, however*, that the party seeking to terminate this Agreement pursuant to this clause (ii) shall have used its reasonable best efforts to have such Law, injunction, order or decree vacated or denied;

(iii) by Buyer or Seller by giving written notice to the other Person if the Buyer Stockholder Approval or the Warrant Amendment Approval shall not have been obtained at the Buyer Stockholder Meeting;

(iv) by either Seller or Buyer by giving written notice to the other Person if the Closing shall not have occurred by September 29, 2009; *provided* that the foregoing right to terminate this Agreement under this clause (iv) shall not be available to any Person whose failure or inability to fulfill any

A-46

obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or before such date;

(v) by Seller, upon written notice to Buyer, upon a material breach of any representation, warranty, covenant or agreement on the part of Buyer set forth in this Agreement such that, if occurring or continuing on the Closing Date, the conditions set forth in Section 7.3(a) or Section 7.3(b) would not be satisfied and such breach shall be incapable of being cured or shall not have been cured within thirty (30) days after written notice thereof shall have been received by Buyer; or

(vi) by Buyer, upon written notice to Seller, upon a material breach of any representation, warranty, covenant or agreement on the part of Parent, Aneth or Seller set forth in this Agreement such that, if occurring or continuing on the Closing Date, the conditions set forth in Section 7.2(a), Section 7.2(b) or Section 7.2(c), would not be satisfied and such breach shall be incapable of being cured or shall not have been cured within thirty (30) days after written notice thereof shall have been received by Seller.

(b) Procedure Upon Termination. In the event of the termination and abandonment of this Agreement, written notice thereof shall promptly be given to the other parties hereto and this Agreement shall terminate and the transactions contemplated hereby shall be abandoned without further action by any of the parties hereto; *provided, however*, that nothing herein shall relieve any party from liability for any intentional or knowing breach of any provision hereof.

(c) Payment of Expenses.

(i) If this Agreement is terminated by Buyer or Seller pursuant to Section 9.1(a)(iii) or Section 9.1(a)(ii) if due to a Final Order issued due to a violation of Article II of the Buyer Certificate of Incorporation, or by Seller pursuant to Section 9.1(a)(v), Buyer shall pay to Seller the documented out of pocket expenses of Parent, Seller, IPO Corp., Aneth, and all of the Companies (not to exceed \$1,000,000); *provided, however*, such aggregate amount shall be limited to the amount that Seller and its Affiliates would have been able to collect from Buyer, as limited by Section 9.19.

(ii) If this Agreement is terminated by Buyer pursuant to Section 9.1(a)(vi), Seller shall pay to Buyer the documented out of pocket expenses of Buyer (not to exceed \$1,000,000); *provided, however*, such aggregate amount shall be limited to the amount that Seller and its Affiliates would have been able to collect from Buyer, as limited by Section 9.19, had Seller terminated the Agreement pursuant to Section 9.1(a)(v).

(iii) If a party elects to terminate this Agreement as a result of a termination contemplated by the foregoing provisions of this Section 9.1(c), this Section 9.1(c) shall constitute the sole remedy and entire liability and damages of the parties as a result of a termination of this Agreement; *provided, however*, in the case of a breach by Seller of Section 6.11 that gives right to termination of this Agreement by Buyer pursuant to Section 9.1(a)(vi) and Buyer elects to terminate this Agreement but rejects and waives payment from Seller under this Section 9.1(c), then this Section 9.1(c) shall not constitute the sole remedy and entire liability and damages of the parties under this Agreement.

(d) Survival of Certain Provisions. The respective obligations of the parties hereto pursuant to Section 6.1(d), except as otherwise provided in the Confidentiality Agreement, Section 6.6 and this ARTICLE IX shall survive any termination of this Agreement.

(c) Cooperation on Tax Matters. Seller, the Companies and Buyer shall reasonably cooperate, and shall cause their respective Affiliates, officers, employees, agents, auditors and other representatives to reasonably cooperate, in preparing and filing all Tax Returns and in resolving all disputes and audits with respect to all taxable periods relating to Taxes, including by maintaining and making available to each other all records necessary in connection with Taxes and making employees available on a mutually convenient basis to provide additional information or explanation of any material provided hereunder or to testify at proceedings relating to any Tax claim. Parent, IPO Corp. and Founder will cooperate in the preparation of the Form 1065 for Aneth for its taxable year that includes the Effective Time, and no such return shall be filed without the consent of each of Parent, IPO Corp. and Founder, which shall not be unreasonably withheld, conditioned or delayed. Parent and Seller shall jointly control (at each party's own expense) any defense or settlement, compromise, admission, or acknowledgment of any Tax audit or controversy relating to Tax items of any of the Companies or their assets for Tax periods and partial Tax periods ended on or prior to the Effective Time that could materially affect Parent, Seller or any member of Parent; *provided, however*, that Parent and Seller must consult, in good faith, with Founder before taking any action with respect to the conduct of such settlement, compromise, admission or acknowledgment. No such Tax audit or controversy shall be settled or compromised without the prior written approval (which shall not be unreasonably withheld, conditioned or delayed) of each of Parent, Seller and Founder.

The Parties agree to report the transactions contemplated hereby consistent with this treatment, except to the extent required by a final determination pursuant to Section 1313 of the Code.

(e) Tax Representation. Other than with respect to the Retention Shares, each of Founder, Parent and Seller represents and warrants that it has, and at the Effective Time will have, no binding obligation, or fixed or definite plan or intention, to dispose, for U.S. federal income tax purposes, of any IPO Corp. Common Stock received in the Contribution or Merger, as applicable, other than to distribute shares of IPO Corp. to its members or partners and that it has no knowledge of any binding obligation, or fixed or definite plan or fixed or definite intention, of its partners or members to dispose of Common Stock received in any such distribution. Subject to applicable Law, this Agreement may be amended, modified and supplemented by a written instrument authorized and executed on behalf of Buyer, Parent and Seller at any time prior to the Closing Date with respect to any of the terms contained herein. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and executed by the party so waiving. Except as provided in the preceding sentence, no action taken pursuant to this Agreement, including without limitation, any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representations, warranties, covenants, or agreements contained herein, and in any documents delivered or to be delivered pursuant to this Agreement and in connection with the Closing hereunder. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other or subsequent breach.

SECTION 262 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a

B-1

provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a

determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any

B-2

stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such

B-3

stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
