PART II

Information Required in the Registration Statement

Item 3. Incorporation of Documents by Reference.

Omeros Corporation (the Registrant) hereby incorporates by reference into this Registration Statement the following documents previously filed with the Securities and Exchange Commission (the Commission):

- (a) The Registrant's prospectus filed on October 8, 2009 pursuant to Rule 424(b) under the Securities Act, relating to the registration statement on Form S-1, as amended (File No. 333-148572), that contains audited financial statements as of the latest fiscal years for which such statements have been filed; and
-

- (b) The description of the Registrant's Common Stock contained in the Registrant's registration statement on Form 8-A (No. 001-34475) filed with the Commission on September 30, 2009 pursuant to Section 12(b) of the Securities Exchange Act of 1934, as amended (the Exchange Act), including any amendments or reports filed for the purpose of updating such description.

All reports and other documents filed pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which de-registers all securities then remaining unsold shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the shares of Common Stock offered hereby will be passed upon for the Registrant by Wilson Sonsini Goodrich & Rosati, Professional Corporation (WSGR). A member of WSGR beneficially holds an aggregate of 1,568 shares of the Registrant's Common Stock, which represents less than one percent of the Registrant's outstanding shares of Common Stock.

Item 6. Indemnification of Directors and Officers.

The Registrant's amended and restated articles of incorporation contain provisions that limit the liability of its directors for monetary damages to the fullest extent permitted by Washington law. Consequently, no director will be personally liable to the Registrant or its shareholders for monetary damages for any breach of fiduciary duties as a director, except liability for:

acts or omissions that involve intentional misconduct or a knowing violation of law;

unlawful distributions; or

any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled.

The Registrant's amended and restated articles of incorporation and amended and restated bylaws provide that the Registrant is required to indemnify its directors and officers, in each case to the fullest extent permitted by Washington law. Any repeal or modification to the Registrant's amended and restated articles of incorporation or amended and restated bylaws may not adversely affect any right or protection of a director or officer for or with respect to any acts or omissions of such director or officer occurring prior to such amendment or repeal. The Registrant's amended and restated bylaws also provide that the Registrant is obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit the Registrant to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether the Registrant would otherwise be permitted to indemnify him or her under the provisions of Washington law.

The Registrant has entered into and expects to continue to enter into agreements to indemnify its directors, executive officers and other employees as determined by the board of directors. With certain exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. The

Registrant believes that these charter provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. The Registrant also maintains directors' and officers' liability insurance.

The limitation of liability and indemnification provisions contained in the Registrant's amended and restated articles of incorporation and amended and restated bylaws may discourage shareholders from bringing a lawsuit against the Registrant's directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against the Registrant's directors and officers, even though an action, if successful, might benefit the Registrant and other shareholders. Further, a shareholder's investment may be adversely affected to the extent that the Registrant pays the costs of settlement and damage awards against directors and officers as required by these indemnification provisions.

Reference is also made to the underwriting agreement filed as Exhibit 1.1 to Registrant's registration statement on Form S-1, as amended (File No. 333-148572), pursuant to which the underwriters have agreed to indemnify the Registrant and its officers and directors for certain liabilities arising under the Securities Act and otherwise in connection with the Registrant's initial public offering of its Common Stock.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 Act, as amended (the "1933 Act"); (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated

by reference into this Registration Statement; (2) that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers, or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

SIGNATURES
