INFORMATION ABOUT VOTING

How are proxies being solicited?

This proxy solicitation is being made by and at the direction of the board of directors of the Company, and we will pay all expenses relating to the solicitation. In addition to the use of the mails, proxies may be solicited personally, by telephone or by other electronic means by officers, directors and employees of the Company and the Bank, who will not be compensated for such solicitation activities. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of shares held of record by such persons, and the Company will reimburse those persons for their reasonable expenses.

What is on the agenda for the annual meeting?

The agenda for the annual meeting includes the election of seven directors to the Company's board of directors, to serve until the 2013 annual meeting of shareholders and until their successors are elected and qualify and such other matters as may properly come before the annual meeting. We are not aware of any such other matters that may properly come before the annual meeting at the present time.

Who can vote?

You can vote at the annual meeting if you are a holder of our common stock on the record date. The record date is the close of business on April 14, 2010. Each share of common stock you own as of the record date entitles you to one vote for each director to be elected in the election of directors and one vote on any other matter as may properly come before the annual meeting. As of April 14, 2010, there were 5,206,932 shares of common stock outstanding and entitled to vote.

How do I vote if shares are held directly in my name?

If you hold your shares in certificate form and not through a bank, brokerage firm or other nominee, you may vote your shares in one of the following ways:

Voting By Mail. If you choose to vote by mail, complete the enclosed proxy, date and sign it, and return it in the postage-paid envelope provided.

In Person. If you choose to vote in person, come to the annual meeting and cast your vote. If you attend the meeting, you may vote your shares in person even if you have previously submitted a proxy.

Internet Voting. If you choose internet voting, visit www.voteproxy.com and follow the on-screen instructions. Have your proxy card available when you access the web page, and use the Company Number and Account number shown on your proxy card.

How do I vote if shares are held in street name or through a bank, brokerage firm or other nominee?

If you hold your shares in street name or through a bank, brokerage firm or other nominee, you will need to vote your shares by providing voting instructions to your bank, brokerage firm or other nominee, in accordance with the voting instruction form provided to you by your bank, brokerage firm or other nominee, or by obtaining a legal proxy from your bank, brokerage firm or other nominee authorizing you to vote those shares at the annual meeting. Only with a legal proxy from your bank, brokerage firm or other nominee can you cast your vote in person at the annual meeting.

How will my proxy be voted?

If you hold your shares directly in your name, unless you indicate differently on your proxy, we plan to vote signed and returned proxies **FOR** the election of the board's director nominees named in this proxy statement.

If you hold your shares of the Company's common stock in street name (that is, through a broker or other nominee), under applicable rules, brokers have the discretion to vote on routine matters, such as the ratification of the selection of accounting firms, but do not have discretion to vote on non-routine matters. Recent regulatory changes applicable to the New York Stock Exchange member brokerage firms (many of whom are the record holders of shares of AMEX-listed companies like us) have changed the matters that are considered routine matters: for example, the uncontested election of directors is no longer considered a routine matter. As a result, if you are a beneficial owner and hold shares in street name, but do not give your broker or other nominee instructions on how to vote your shares with respect to the election of directors, no votes will be cast on your behalf.

At or after the annual meeting, a judge of judges of elections will tabulate ballots cast by shareholders present and voting in person and votes cast by proxy.

What is a broker non-vote?

A broker non-vote occurs when a bank or brokerage firm holding shares on behalf of a shareholder does not receive voting instructions from the shareholder by a specified date before the annual meeting and the bank or brokerage firm is not permitted to vote those undirected shares on specified matters under applicable stock exchange rules. Thus, if you do not give your broker specific instructions, your shares may not be voted on those matters (so-called broker non-votes) and will not be counted in determining the number of shares necessary for approval. Broker non-votes are not considered to be votes cast and, therefore, generally have no effect on the outcome of elections of directors or other matters submitted to the shareholders. Shares represented by broker non-votes will be counted, however, in determining the number of shares of common stock represented in person or by proxy and entitled to vote.

Can I revoke my proxy or change my vote after submitting my proxy?

Yes. Any shareholder giving a proxy has the right to attend the annual meeting and vote in person. A proxy may be revoked prior to the annual meeting if a later-dated proxy or a written revocation is sent to the Company at Bancorp of New Jersey, Inc., 1365 Palisade Avenue, Fort Lee, New Jersey 07024, Attn.: Secretary, and received prior to the annual meeting. In addition, a proxy may be revoked at the annual meeting by filing a later-dated proxy or by filing a written notice of such revocation with the Secretary of the Company at the annual meeting prior to the voting of such proxy.

What constitutes a quorum at the annual meeting and how are votes counted?

We need a quorum of shareholders to hold a valid annual meeting. A quorum will be present if at least a majority of the outstanding shares of common stock are represented in person or by proxy at the annual meeting. Abstentions and broker non-votes are counted as present for the purpose of establishing a quorum.

How many votes are required for the election of directors?

Directors are elected by a plurality vote of shares of common stock cast in person or by proxy at the annual meeting. A plurality means that the individuals who receive the largest number of affirmative votes cast are elected as directors up to the maximum number of directors to be chosen at the annual meeting. Because the election of directors is based on a plurality of the votes cast, abstentions and broker non-votes have no effect on the outcome of the vote. Votes that are withheld from a director nominee will be excluded entirely from the vote for such nominee and will have no effect on the result. Shareholders are not entitled to cumulative voting in the election of directors.

How many votes are required for any other proposals that may properly come before the annual meeting?

Any other proposals that may properly come before the annual meeting will be approved if a majority of the votes cast are voted in favor of the action, unless the question is one upon which a larger or different vote is required by express provision of law or by our certificate of incorporation or our bylaws. Abstentions and broker non-votes on such other proposals are not considered votes cast on the proposals and, as such, have no effect on the approval of the proposals. We are not aware of any such other proposals that may properly come before the annual meeting at the present time.

ELECTION OF DIRECTORS

Our certificate of incorporation and bylaws provide that the number of directors constituting the entire board will be between five and 25, with the exact number to be determined from time to time by the board of directors. The board has fixed the number of directors constituting the entire board at 19.

Our certificate of incorporation and bylaws also provide that the directors will be divided into three classes, as nearly equal in number as possible, in respect to the time for which they severally hold office. At each annual meeting of shareholders, only one class of directors is to be elected and each class of directors so elected will serve for a term of approximately three years.

It is intended that the proxies solicited by the board of directors will be voted **FOR** the seven director nominees named below (unless the shareholder otherwise directs). If, for any reason, any nominee becomes unavailable for election or service on the board, the proxy solicited by the board of directors will be voted for such substituted nominee as is selected by the board of directors. The board has no reason to believe that any of the named nominees are not available or will not serve if elected.

Shaari, Anthony Siniscalchi and Mark Sokolich were determined to be independent, and all of the members of our audit and compensation committees were determined to be independent. During 2009, the independent members of the board of directors functioned as the Company's nominating committee. In determining independence, the board considered the amounts of legal, insurance agency and appraisal services provided by certain directors or entities in which they have interests, and determined that such transactions and relationships would not interfere with the directors' exercise of independent judgment in carrying out the responsibilities of a director. In connection with such services, the disinterested members of the board of directors reviewed the transactions and relationships, determined that each is on arm's-length terms, and approved each such transaction and relationship. No member of the audit committee had an interest in any such transaction or relationship. The members of the board who were determined to be not independent were Albert F. Buzzetti, Michael Lesler, Albert L. Buzzetti and Diane M. Spinner. Albert F. Buzzetti, Michael Lesler and Diane M. Spinner being employees of the Company and Albert L. Buzzetti being son of Albert F. Buzzetti.

Board Meetings

During 2009, the board of directors held 12 meetings. All of our directors attended at least 75% of board meetings and meetings of committees of the board on which such directors served.

We have no formal policy with respect to director attendance at our annual meeting of shareholders. All of our directors except Rosario Luppino attended the Bank's 2009 annual meeting of shareholders.

Board Leadership Structure and role in Risk Oversight

Bancorp of New Jersey, Inc. has been led by Albert F. Buzzetti, who has served as Chairman and Chief Executive Officer since 2006. Our Board is comprised of Mr. Buzzetti and 18 other directors, of whom 15 are independent under NYSE and NASDAQ guidelines. The Board has three standing independent committees with separate chairpersons: the Audit Committee, a Nominating and Corporate Governance Committee, and a Compensation Committee. The Company also utilizes an Executive Committee for certain strategic and business related decisions. Our Audit Committee and Executive Committee are responsible for overseeing risk management and our full board engages in discussions of risk management and receives any reports on risk from executive management, other company officers, and the chair of the Audit Committee, if deemed necessary. Each of our other board committees also considers the risk within its area of responsibilities.

We have employed this same basic leadership structure since the approval of the Bank's charter in 2006. We believe that this leadership structure has been effective. We believe that having a combined Chairman/CEO and independent chairpersons for each of our Board committees provides the right form of leadership. We have a single leader for our company who can present a consistent vision, and is seen by our customers, business partners, investors, regulators, and other stakeholders as providing strong leadership for Bancorp of New Jersey, Inc. and in our industry. We believe that our Chairman/CEO together with our Audit Committee, Executive Committee, and the full board of directors, provide effective oversight of the risk management function.

Compensation As It Relates to Risk Management

The Compensation Committee oversees compensation policy and the compensation packages of our executive officers. The Company does not currently have any incentive based compensation packages. The Compensation Committee did review the compensation of our executive officers and none individually, or taken together, was reasonably likely to have a materially adverse effect on the Company and no compensation was determined to be excessive. No other forms of compensation were considered to encourage undue or unwarranted risk.

Board Committees

The board of directors of the Company conducts much of its business through committees of the board. During 2009, the board maintained standing audit and compensation committees, as well as an executive committee. The independent members of the board of directors functioned as the Company's nominating committee in 2009.

Audit Committee

The audit committee of the board of directors consisted of Directors Siniscalchi (Chair), Daily, Mauro and Paritz during the fiscal year ended December 31, 2009. Each member of the audit committee was independent under the requirements of NYSE Amex relating to audit committee members. The board of directors has determined that each of Messrs. Siniscalchi and Paritz qualifies as an audit committee financial expert, as defined under the rules of the Securities and Exchange Commission, or SEC. The audit committee met four (4) times in 2009.

The board of directors of the Company has designated a standing audit committee. The audit committee has adopted a formal charter, a current copy of which is available at the Company's website at www.bonj.net. The primary duties of the audit committee are:

- making suitable periodic examinations into the affairs of the Company, or causing such examinations to be made, including whether the Company is in a sound and solvent condition and whether adequate internal audit controls and procedures are being maintained;

- recommending to the board such changes in the manner of doing business or conducting the affairs of the Company as shall be deemed advisable;

- upon its own recommendation, employing a qualified firm of certified public accountants to make an audit and examination of the affairs of the Company at least once in each calendar year;

reviewing in detail all examinations of Federal and state regulatory authorities;

reviewing any changes in accounting policy proposed by management, the internal auditors or the certified public accountants;

making appropriate reports of its activities to the full board of directors;

reviewing quarterly and annual financial statements;

managing the risk management process in conjunction with the full board of directors and the Executive Committee; and

reviewing and approving related party transactions.

Audit Committee Report

In accordance with SEC regulations, the audit committee has prepared the following report. As part of its ongoing activities, the Audit Committee has:

reviewed and discussed the audited consolidated financial statements of the Company at and for the year ended December 31, 2009, with management;

discussed with ParenteBeard, LLC the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended; and

received the written disclosures and letter from ParenteBeard, LLC required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and discussed with BMC its independence.

Based upon its review and the considerations and discussions referenced above, the audit committee recommended to the board of directors that our audited consolidated financial statements be included in the Company's annual report on Form 10-K, as filed with the SEC on March 30, 2010.

Submitted by the Audit Committee:

Anthony Siniscalchi, Chair

John K. Daily

Josephine Mauro

Joel P. Paritz

March 30, 2010

The foregoing Audit Committee Report shall not be deemed to be incorporated by reference into any filing made by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, notwithstanding any general statement contained in any such filing incorporating this proxy statement by reference, except to the extent the Company incorporates such report by specific reference.

Compensation Committee

During 2009, the compensation committee of the board of directors consisted of Directors Shaari (Chair), Bello, Blau, Leone and Lo Conte and met once.

The compensation committee has not adopted a formal charter. The primary duties of the compensation committee are:

adopting compensation policy;

reviewing and evaluating the compensation of the directors and executive officers, and recommending any modification in any such compensation;

requiring regular salary and benefit surveys comparing the Company with its competitors; and

approving all changes in the compensation package of executive officers.

Compensation Processes and Procedures

Our board of directors has delegated the sole authority to set the compensation of our executive officers to the compensation committee. While the committee may seek input from the chief executive officer with respect to the compensation of other executive officers, the committee may not delegate the authority to set the compensation of executive officers. The compensation committee may retain, but has not retained, a compensation consultant.

Nominations and Shareholder Communications

Nomination Process

The Bank commenced operations in May 2006 and adopted a holding company structure in July 2007. With three exceptions, the current board of directors of the Company remains comprised of organizers of the Bank. For this reason, the board has not yet designated a nominating committee to consider new director nominees. Until the board does designate such a committee, the independent members of the board of directors will participate in the consideration of director nominees.

The board of directors will consider director candidates recommended by shareholders. Any shareholder who wishes to recommend a director candidate for consideration may send notice to Bancorp of New Jersey, Inc., 1365 Palisade Avenue, Fort Lee, New Jersey 07024, Attention: Albert F. Buzzetti, Chairman of the Board. The notice should contain the information described in the section titled, Shareholder Proposals, on page 20. The board shall give director candidates recommended by shareholders the same consideration as director candidates recommended by other sources.

Minimum Qualifications

Our bylaws set forth certain minimum qualifications with respect to individuals who may serve on our board of directors. Generally, a person is not qualified to serve as a director if he or she:

is under indictment for, or has ever been convicted of, a criminal offense involving dishonesty, breach of trust or money laundering;

is a person against whom a federal or state bank regulatory agency has issued a cease and desist order for conduct involving an unsafe or unsound practice in conducting the affairs of an insured depository institution, dishonesty, breach of trust, or money laundering, which order is final and not subject to appeal;

has been found, in a final and unappealable decision by any federal or state regulatory agency or by any court, to have breached a fiduciary duty involving personal profit, or committed a reckless or willful violation of any law, rule or regulation governing banking, securities, commodities or insurance, or any final cease and desist order issued by a banking, securities, commodities or insurance regulatory agency;

is a member of a group (within the meaning of section 13(d)(3) of the Exchange Act) which includes a member who would be disqualified from serving as a director of the Company for one of the reasons set forth above; or

is a party (either directly or through an affiliate) to litigation or an administrative proceeding adverse to the corporation or any subsidiary of the corporation.

Shareholder Communications

Any shareholder who desires to send communications to our board of directors or to individual directors may do so by directing his or her communication to the following address: Bancorp of New Jersey, Inc., 1365 Palisade Avenue, Fort Lee, New Jersey 07024, Attention: Albert F. Buzzetti, Chairman of the Board. All shareholder communications, other than any communications we believe may pose a security risk, will be sent directly to board members.

* Includes payments made to the named executive officers for automobile allowances, reimbursements for unused vacation, and the discretionary employer matching 401-k contribution.

** Mr. Lesler was promoted to President and Chief Operating Officer in June, 2009.

We offer each of our named executive officers a competitive salary, a change in control agreement, option awards and benefits typical of an organization like the Company, which are offered to our employees, generally, such as medical insurance, group term life insurance and a 401(k) plan, as well as an automobile allowance. Bonus amounts represent purely discretionary compensation which is approved by the Compensation Committee. We also have entered into change in control agreements with each of our named executive officers. Those agreements are discussed below under the heading, Change In Control Agreements.

Options awards are intended to align the personal financial interests of our named executive officers with those of the Company, and to encourage our named executive officers to remain employed by the Company by providing them with a long term interest in our overall performance, as reflected by the performance of our common stock. In 2006, option awards were made primarily to attract talented management to, and to remain with, the Company. Accordingly, awards were made shortly after our 2006 Stock Option Plan was approved by our shareholders in October 2006. Each named executive officer received an option award to purchase 22,000 shares of our common stock at an exercise price of \$9.09 per share, as adjusted following our ten percent (10%) stock distribution in January 2007 and two for one stock split in December 2007. The referenced option awards were immediately exercisable with respect to fifty percent (50%) of the shares underlying the options and became exercisable with respect to the remaining fifty percent (50%) of the shares underlying the options on the first anniversary of the grant date, or November 1, 2007.

During November 2007, each named executive officer received an option award to purchase 15,000 shares of common stock at an exercise price of \$11.50 per share, as adjusted for the two for one stock split in December 2007. These options vest equally over a 5 year period.

Change In Control Agreements

We have entered into change in control agreements with each of our named executive officers and each such agreement is on substantially similar terms. Under the terms of the agreements, a named executive officer may receive a change in control payment in the event that he or she terminates his or her employment within 90 days following a change in control. As used in the agreement, a change in control means:

Any person acquiring securities representing more than 50% of the voting power of the securities of the Company or the Bank;

Any sale of all or substantially all of the assets of the Company or the Bank to a third party;

Any reorganization, merger, consolidation or similar transaction, unless the shareholders immediately prior to any such transaction hold securities representing a majority of the voting power of the entity surviving the transaction and the directors immediately prior to the transaction represent a majority of the directors of the entity surviving the transaction; and

Any other event designated a change in control by our board of directors.

The change in control payment which any named executive officer would be entitled to receive under his or her agreement would be a lump sum equal to 2.9 times the highest annual base salary he or she received in the year of termination and the two years immediately preceding. Assuming the triggering events for the change in control payments occurred on December 31, 2009, the estimated change in control payments which Mr. Buzzetti, Mr. Lesler, Mr. Faresich and Ms. Spinner would be entitled to receive would be \$594,500, \$536,500, \$536,500 and \$388,600, respectively. Any change in control payment would be made within 30 days following the recipient's date of termination.

Having recovered all start-up costs related to the organization of the Bank and the Company, and achieving a level of profitability during 2007, we began compensating non-employee Directors for board meetings and committee meetings in January, 2008. Non-employee directors received \$500.00 per each attendance at board meetings and \$250.00 for each attendance at committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Bank has made, and expects to continue to make, loans in the future to our directors and executive officers and their family members, and to firms, corporations, and other entities in which they and their family members maintain interests. All such loans require the prior approval of our board of directors. None of such loans are, as of the date of this proxy statement, or were at December 31, 2009, nonaccrual, past due, restructured or potential problems, and all of such loans were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Company or the Bank and did not involve more than the normal risk of collectibility or present other unfavorable features.

There were no other transactions in which any related person had or will have a direct or indirect material interest. Except for our code of conduct and ethics and our policies and procedures related to the approval of loans, we have not yet adopted any formal policies and procedures for the review, approval, or ratification of any transactions with related persons. However, any such transactions would be subject to review and oversight by our audit committee or a comparable body of disinterested members of the board of directors.

CODE OF ETHICS

We have adopted a code of conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and other senior financial officers. Our code of conduct and ethics is available under the heading, Corporate Governance, at our Internet website, www.bonj.net.

AUDIT-RELATED INFORMATION

Relationship with Independent Auditors

The audit committee selected Beard Miller Company LLP (Beard) as the independent registered public accounting firm for the Company for the fiscal years ending December 31, 2008, and ParenteBeard LLC (ParenteBeard) as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2009.

On October 1, 2009, we were notified that the audit practice of Beard, an independent registered public accounting firm, was combined with ParenteBeard in a transaction pursuant to which Beard combined its operations with ParenteBeard and certain of the professional staff and partners of Beard joined ParenteBeard either as employees or partners of ParenteBeard. On October 1, 2009, Beard resigned and notified us that the client-auditor relationship between us and Beard had ceased. Upon the cessation of the client-auditor relationship between us and Beard, with the approval of our audit committee, ParenteBeard was engaged as the Company's independent registered public accounting firm.

Prior to engaging ParenteBeard, we did not consult with ParenteBeard regarding the application of accounting principles to a specific completed or contemplated transaction or regarding the type of audit opinions that might be rendered by ParenteBeard on our financial statements, and ParenteBeard did not provide any written or oral advice that was an important factor considered by us in reaching a decision as to any such accounting, auditing, or financial reporting issue.

The report of independent registered public accounting firm of Beard regarding our financial statements for the fiscal years ended December 31, 2008 and 2007 did not contain any adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the years ended December 31, 2008, 2007, and 2006, and during the interim period from December 31, 2008 through October 1, 2009, the date of resignation, there were no disagreements with Beard on any matter of accounting principles or practices, financial statements disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Beard would have caused it to make reference to such disagreements in its report.

We have approved ParenteBeard LLC as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2010. ParenteBeard LLC has advised the Company that one or more of its representatives will be present at the 2010 annual meeting to make a statement if they so desire and to respond to appropriate questions.

The following table presents the aggregate fees, billed or expected to be billed, by ParenteBeard and Beard, respectively, the Company's principal accountant, for the fiscal years ended December 31, 2009 and 2008.

2.

Audit-Related Fees consist of the aggregate fees billed for assurance and related services by ParenteBeard LLC that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under Audit Fees. There were no audit-related fees paid during 2009 or 2008.

3. Tax Fees consist of the aggregate fees billed for professional services rendered by ParenteBeard LLC for tax compliance, tax advice, and tax planning. The services comprising the fees disclosed under this category include the preparation of state and federal tax returns as well as assisting with calculating estimated tax payments.

The audit committee's charter includes a formal policy concerning the pre-approval of audit and non-audit services (including the fees and terms thereof) to be provided by the independent registered accounting firm of the Company, subject to the de minimis exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which are approved by the audit committee prior to the completion of the audit. The policy requires that all services to be performed by ParenteBeard LLC, including audit services, audit-related services and permitted non-audit services, be pre-approved by the audit committee. The chairperson of the audit committee is authorized to execute any engagement letter or agreement with ParenteBeard LLC for and on behalf of the Company. All services rendered by ParenteBeard LLC are permissible under applicable laws and regulations, and the audit committee pre-approved all audit, audit-related and non-audit services performed by ParenteBeard LLC during 2009. The audit committee has considered whether the provision of services after the audit services (as specified above) is compatible with maintaining ParenteBeard LLC's independence and has determined that provision of such services has not adversely affected ParenteBeard LLC's independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities (ten-percent holders) to file reports of ownership and changes in ownership with the SEC. Officers, directors and ten-percent holders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file. During 2009, each of seven directors filed one untimely Form 4 with the SEC reporting warrant exercises. Except as set forth in the preceding sentence, to the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2009, each of the Company's officers, directors, and greater than ten-percent holders complied with all Section 16(a) filing requirements applicable to him or it.
