**PROXY STATEMENT  
ANNUAL MEETING OF SHAREHOLDERS**

The Board of Directors (referred to as the Board ) of A.C. Moore Arts & Crafts, Inc. (referred to as A.C. Moore ) is soliciting proxies for use at the 2010 Annual Meeting of Shareholders (referred to as the 2010 Annual Meeting ) and any adjournment or postponement of the 2010 Annual Meeting. This proxy statement and accompanying proxy card are first being mailed or given to shareholders on or about May 3, 2010.

**QUESTIONS AND ANSWERS ABOUT THE 2010 ANNUAL MEETING AND VOTING**

**When is the 2010 Annual Meeting and where will it be held?**

The 2010 Annual Meeting will be held on Thursday, June 17, 2010, at 9:30 a.m., prevailing time, at A.C. Moore s corporate offices, located at 130 A.C. Moore Drive, Berlin, New Jersey 08009.

**What is the purpose of the 2010 Annual Meeting?**

At the 2010 Annual Meeting, shareholders will consider and act upon the matters outlined in the Notice of the 2010 Annual Meeting, including:

- election of two Class B directors;
- ratification of the appointment of PricewaterhouseCoopers LLP (referred to as PricewaterhouseCoopers ) as the independent registered public accounting firm of A.C. Moore for the fiscal year ending January 1, 2011;
- and
- such other business as may properly come before the 2010 Annual Meeting or any adjournment or postponement of the 2010 Annual Meeting.

The nominees for director are Michael J. Joyce and Neil A. McLachlan. All nominees currently serve as directors of A.C. Moore.

**Who is entitled to vote at the 2010 Annual Meeting?**

The Board has set April 30, 2010 as the record date for the 2010 Annual Meeting (referred to as the Record Date ). If you were a shareholder of record, as shown on the stock transfer books of A.C. Moore, at the close of business on the Record Date, you are entitled to receive the notice of, and to vote at, the 2010 Annual Meeting or any adjournment or postponement of the 2010 Annual Meeting. Each share of A.C. Moore common stock, no par value per share (referred to as Common Stock ), is entitled to one vote on each matter which may be brought before the 2010 Annual Meeting. On the Record Date, there were 24,749,544 shares of Common Stock issued and outstanding and, therefore, eligible to vote at the 2010 Annual Meeting.

**How many shares must be present to hold the 2010 Annual Meeting?**

The holders of a majority of the outstanding shares of Common Stock as of the Record Date must be present, in person or represented by proxy, at the 2010 Annual Meeting in order to hold the 2010 Annual Meeting and conduct business. This is called a quorum. If you submit a properly executed proxy card, vote by telephone or electronically through the Internet, then your shares will be counted as part of the quorum. All shares of A.C. Moore's Common Stock present in person or represented by proxy (including broker non-votes) and entitled to vote at the 2010 Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Certain proposals other than the ratification of the appointment of the independent registered public accounting firm, such as the election of directors are non-discretionary, and brokers which have received no instructions from their clients do not have discretion to vote on these items.

If the 2010 Annual Meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the 2010 Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened 2010 Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in the Notice of the 2010 Annual Meeting.

**What vote is required for the election of directors or for a proposal to be approved?**

The election of directors will be determined by a plurality vote and the two nominees receiving the most for votes will be elected. Approval of any other proposal will require the affirmative vote of a majority of the votes cast on the proposal.

**How do I vote my shares?**

In order to vote your shares, you may attend the 2010 Annual Meeting and vote in person, or vote by proxy. If your shares are held in street name (that is, if your stock is registered in the name of your broker, bank or other nominee) and you wish to vote at the 2010 Annual Meeting, you will need to contact your broker, bank or other nominee regarding how to vote at the 2010 Annual Meeting.

If you are a shareholder of record (that is, if your stock is registered in your name), you may vote by proxy, by telephone, electronically through the Internet, or by mail by following the instructions included with your proxy card. The deadline for shareholders of record to vote telephonically or electronically through the Internet is 11:59 p.m., prevailing time, on June 16, 2010.

A.C. Moore encourages you to take advantage of these ways to vote your shares for matters to be covered at the 2010 Annual Meeting. Set forth below is a summary of the three voting methods which shareholders of record may utilize to submit their votes by proxy.

**Vote by Telephone 1-866-578-5350.** Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your proxy card in hand when you call. You will be prompted to enter your control number(s) which are located on your proxy card and then follow the directions given.

**Vote Electronically through the Internet** [www.votestock.com](http://www.votestock.com). Use the Internet to vote your proxy 24 hours a day, 7 days a week. Have your proxy card in hand when you access the web site. You will be prompted to enter your control number(s) which are located on your proxy card to create and submit an electronic ballot.

**Vote by Mail.** Mark, sign and date your proxy card and return the card in the postage-paid envelope A.C. Moore has provided you.

**IF YOU VOTE BY TELEPHONE OR ELECTRONICALLY THROUGH THE INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**

Please note that although there is no charge to you for voting by telephone or electronically through the Internet, there may be costs associated with electronic access such as usage charges for Internet service providers and telephone companies. A.C. Moore does not cover these costs; they are solely your responsibility. The telephone and Internet voting procedures being made available to you are valid forms of granting proxies under the Pennsylvania Business Corporation Law of 1988, as amended.

If you hold your shares through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares.

**What if I do not specify how I want my shares voted?**

If you submit a signed proxy card or submit your proxy by telephone or electronically through the Internet but do not indicate how you want your shares voted, the persons named in the enclosed proxy will vote your shares of Common Stock for :

the election of each of the persons identified below in Proposal 1: Election of Directors as nominees for election as directors; and

the ratification of the appointment of PricewaterhouseCoopers as the independent registered public accounting firm of A.C. Moore for the fiscal year ending January 1, 2011.

With respect to any other matter that properly comes before the 2010 Annual Meeting, the persons named in the enclosed proxy will vote your shares of Common Stock in their discretion in accordance with their best judgment and in the manner they believe to be in the best interest of A.C. Moore.

**If I abstain from voting or withhold authority to vote for any proposal, will my shares be counted in the vote?**

Under the Pennsylvania Business Corporation Law of 1988, as amended, an abstention, withholding of authority to vote or broker non-vote is not considered a vote cast and therefore will have no effect on the vote and will not be counted in determining whether any proposal has received the required shareholder vote.

**Can I change my vote after submitting my proxy?**

Yes. You can change your vote at any time before your proxy is voted at the 2010 Annual Meeting. If you are a shareholder of record, you may revoke your proxy by:

- submitting a later-dated proxy by telephone, Internet or mail; or
  - attending the 2010 Annual Meeting and voting in person. Your attendance alone will not revoke your proxy.
- You must also vote in person at the 2010 Annual Meeting.

The last vote received chronologically will supersede any prior vote. The deadline for changing your vote telephonically or electronically through the Internet is 11:59 p.m., prevailing time, on June 16, 2010.

If you hold your shares in street name, you must contact your broker, bank or other nominee regarding how to change your vote.

**What does it mean if I receive more than one proxy card?**

If you receive more than one proxy card, it means that you hold shares that are registered in more than one account.

To ensure that all of your shares are counted in the vote at the 2010 Annual Meeting, you will need to vote the shares associated with each proxy card by telephone, Internet or mail.

**Who pays for the cost of the solicitation of proxies?**

A.C. Moore will bear the cost of this solicitation. In addition to solicitation by mail, officers, directors or employees of A.C. Moore may also solicit proxies in person or by telephone or facsimile without additional compensation. Upon request, A.C. Moore will pay the reasonable expenses incurred by record holders of Common Stock who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy materials and annual shareholder reports to the beneficial owners of the shares they hold of record.

#### **Director Nomination Process**

***Director Qualifications.*** The Nominating and Corporate Governance Committee is responsible for reviewing with the Board the appropriate characteristics, skills and experience for the Board as a whole and its individual members, with the objective of having a Board with diverse perspectives and skills. Though the Board does not have a formal policy regarding diversity, it is one of many criteria considered by the Board when evaluating candidates. Director candidates are generally selected on the basis of, including without limitation, character, expertise, judgment, professional achievements and background, understanding of areas relevant to the Company's business and general business environment, and ability to make independent, analytical inquiries. Directors must be willing to devote sufficient time to carrying out their duties and responsibilities, and should be committed to serving on the Board for an extended period of time. Additional special criteria apply to directors being considered to serve on a particular committee of the Board. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand A.C. Moore's financial statements.

**Director Nominee Selection Process.** In the case of an incumbent director whose term of office expires, the Nominating and Corporate Governance Committee reviews such director's service to A.C. Moore during the past term, including, but not limited to, the number of Board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves.

In the case of a new outside director candidate, the selection process includes the following steps:

- identification by the Nominating and Corporate Governance Committee based upon suggestions from current directors and executives and recommendations received from shareholders, and possible engagement of a director search firm;
- interviews by the Nominating and Corporate Governance Committee;
- reports to the Board by the Nominating and Corporate Governance Committee on the selection process;
- recommendations by the Nominating and Corporate Governance Committee; and
- formal nominations by the Board for inclusion in the slate of directors of their class to be considered for election at an annual meeting of shareholders.

The Nominating and Corporate Governance Committee will consider nominating properly submitted shareholder recommendations for director candidates. Director candidates recommended by shareholders are given the same consideration by the Nominating and Corporate Governance Committee as candidates suggested by directors and executive officers.

**Consideration of Director Candidates Recommended by Shareholders.** A shareholder who wishes to recommend a prospective director nominee should submit the shareholder's recommendation to the Chair of the Nominating and Corporate Governance Committee in writing c/o Amy Rhoades, Senior Vice President and General Counsel, A.C. Moore Arts & Crafts, Inc., 130 A.C. Moore Drive, Berlin, New Jersey 08009. The following information must be included in or attached to the letter:

- the name and address of the shareholder making the recommendation and each recommended nominee;
- a representation that the shareholder is a holder of record of capital stock of A.C. Moore entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons recommended for nomination;

a description of all arrangements and understandings between the shareholder and each recommended nominee and any other person or persons (naming such person or persons) pursuant to which the recommendation was made by the shareholder;

such other information regarding each recommended nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC if the nominee were to be nominated by the Board; and

the consent of each recommended nominee to serve as a director of A.C. Moore if so nominated and elected.

The deadline for submitting shareholder recommendations pursuant to the foregoing procedures for the 2011 annual meeting of shareholders is January 3, 2011. All shareholder recommendations which are late or non-conforming will be rejected by A.C. Moore.

In addition, under A.C. Moore's bylaws, shareholders are permitted to nominate directors to be elected at a meeting of shareholders by providing notice and the other required information specified in the bylaws. A.C. Moore's bylaws are available, at no cost, on A.C. Moore's website at [www.acmoore.com](http://www.acmoore.com), under About Us, Corporate Profile, or upon the shareholder's written request to Amy Rhoades, Senior Vice President and General Counsel, A.C. Moore Arts & Crafts, Inc., 130 A.C. Moore Drive, Berlin, New Jersey 08009. Nominations with respect to the 2011 annual meeting of shareholders must be received on or prior to January 3, 2011. All late or non-conforming nominations will be rejected.

### **AUDIT COMMITTEE REPORT**

On March 9, 2010, the Audit Committee met with management to review and discuss the audited financial statements as well as management's assessment of the effectiveness of internal control over financial reporting. Management represented to the Audit Committee that A.C. Moore's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee also conducted discussions with A.C. Moore's independent registered public accounting firm, PricewaterhouseCoopers LLP (PricewaterhouseCoopers), regarding the matters required by the Statement on Auditing Standards No. 61, as amended (AICPA Professional Standards, Vol. 1, AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. As required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, the Audit Committee has discussed with and received the required written disclosures and confirming letter from PricewaterhouseCoopers and has discussed with PricewaterhouseCoopers its independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements as well as management's assessment of the effectiveness of internal control over financial reporting be included in A.C. Moore's Annual Report on Form 10-K for the year ended January 2, 2010. This Audit Committee Report shall not be deemed incorporated by reference in any document previously or subsequently filed with the SEC that incorporates by reference all or any portion of this proxy statement, except to the extent that A.C. Moore specifically requests that the report be specifically incorporated by reference.

**Process and Procedures for Determining Director Compensation**

The Nominating and Corporate Governance Committee is responsible for determining director compensation, and may rely upon input from independent outside consultants engaged by the Board or the Nominating and Corporate Governance Committee, from time to time. The full Board, upon the recommendation of the Nominating and Corporate Governance Committee, approves director compensation.

Prior to January 2008, the Compensation Committee was responsible for determining director compensation. In February 2007, the Compensation Committee asked Hay Group, the independent outside compensation consultant

retained to assist the Compensation Committee in its analysis of A.C. Moore's executive compensation programs, to perform an analysis of A.C. Moore's non-employee director compensation and make recommendations to the Compensation Committee regarding any changes to director compensation, including the implementation of director stock ownership guidelines. Hay Group presented data on director compensation at comparable companies in A.C. Moore's market to the Compensation Committee. Hay Group worked directly with the Compensation Committee, receiving assignments and direction from the Compensation Committee Chair.

**Director Compensation**

**Fees.** Based on recommendations by Hay Group, in April 2007 the Board approved the following new compensation structure for non-employee directors:

- an annual cash retainer of \$35,000;
- an additional annual cash retainer of \$50,000 for the Chairman of the Board;
- an additional annual cash retainer of \$15,000 for the chair of the Audit Committee and \$10,000 for each other member of the Audit Committee;
- an additional annual cash retainer of \$10,000 for the chair of the Compensation Committee and \$5,000 for each other member of the Compensation Committee;
- an additional annual cash retainer of \$7,500 for the chair of the Nominating and Corporate Governance Committee and \$5,000 for each other member of the Nominating and Corporate Governance Committee;
- and
- an annual grant of restricted stock with a market value of approximately \$50,000 on the date of grant.

**Stock Ownership Guidelines for Directors.** Based on Hay Group's recommendations, the Board has approved the implementation of stock ownership guidelines for the non-employee directors. Requiring minimum levels of stock ownership by non-employee directors is consistent with the Board's objective of aligning director and shareholder interests.

**Directors Subject to Guidelines**

All Non-Employee Directors

Non-employee directors are expected to comply with these ownership requirements by the end of a five-year period beginning in 2007. Shares that are counted for purposes of satisfying ownership requirements are shares directly or indirectly owned and grants and awards under equity incentive plans (such as vested and unvested restricted stock). Stock options and stock appreciation rights (SARs) do not count towards satisfaction of the ownership requirements.

**Stock Grant to Non-Employee Directors.** Consistent with the compensation structure set forth above, on June 18, 2009, the non-employee directors were granted restricted stock with a market value of approximately \$50,000 on the date of grant, or 13,928 shares. The shares vest equally over three years from the date of grant.

## **COMPENSATION DISCUSSION AND ANALYSIS**

### **Our Philosophy**

Our compensation program is based on the principles and objectives set forth below.

We structure our compensation program to target the median of the market in which we compete for executive talent.

We develop compensation programs that emphasize pay-for-performance yet do not encourage executives to take imprudent risk.

We seek to retain and motivate a talented management team to continually maximize shareholder value.

We strive to ensure the compensation programs maintain an appropriate balance between base salary, annual and long-term stock-based incentive compensation.

We motivate our executives to achieve financial and operational goals by providing them with opportunities to earn annual incentive payments, at market amounts, based on above-market performance.

We strive to align the earnings prospects and interests of executives with those of our shareholders.

We believe our executives should have meaningful levels of ownership of A.C. Moore Common Stock.

### **Compensation Committee Process**

The Compensation Committee of our Board determines our overall compensation philosophy. The Compensation Committee is also responsible for reviewing and recommending to the Board the elements of our executive officers compensation.

The Compensation Committee recommends to the full Board the Chief Executive Officer's overall compensation. The Compensation Committee and the other independent members of the Board discuss the Chief Executive Officer's compensation during an executive session based on their assessment of his individual performance and the financial and operating performance of A.C. Moore. Compensation for the other named executive officers is based on recommendations to the Compensation Committee from the Chief Executive Officer and other members of management, as appropriate. The Compensation Committee considers these recommendations based on individual responsibility, experience and overall performance. Generally, the full Board, upon the Compensation Committee's recommendation, approves the compensation and employment agreements of A.C. Moore's principal executive, financial and operating officers; and the Board has delegated to the Compensation Committee the authority to approve the compensation for all other executive officers. The process described in this section relates to fiscal 2009, when Mr. Lepley served as our Chief Executive Officer. We anticipate that the process will remain the same during fiscal 2010, with Mr. Jeffries as Acting Chief Executive Officer functioning in the same capacity as Mr. Lepley did with regard to compensation process.

During 2009, the Board and the Compensation Committee approved an amended and restated employment letter with Joseph A. Jeffries, our Executive Vice President and Chief Operating Officer. The Board also approved entry into employment letters with David Abelman, our Executive Vice President and Chief Marketing and Merchandising Officer who joined us in May 2009, and David Stern, our Executive Vice President and Chief Financial Officer who joined us June 2009. The terms of these agreements are discussed below under Agreements with Named Executive Officers. The Board and the Compensation Committee believe the terms of the compensation for the current executive officers and agreements with such executive officers are consistent with the practices of other similarly situated retailers.

In 2007, to assist the Compensation Committee in evaluating and developing a new executive compensation plan for A.C. Moore, including, but not limited to, developing the Annual Incentive Plan (referred to as the Annual Incentive Plan ) and Stock Incentive Plan, the Compensation Committee approved the retention of the Hay Group, an independent outside compensation consultant. The consultant worked with the Compensation Committee in 2007 to develop information and guidance concerning best practices and trends in executive compensation and to provide analysis of A.C. Moore's compensation programs based on retail market data. Hay Group provided retail market data to management and the Committee in 2008 relating to salary and long-term incentive grant levels. The Compensation Committee will consider retaining an independent compensation consultant again in the future as needed from time to time. No such consultant was retained during 2009 in light of the determination that there would be no executive officer salary increases or annual incentive plan for that year.

Generally, the Compensation Committee reviews the annual incentive plan and long-term incentive grants to management annually at its first meeting of the year. Base salaries for executive officers are generally reviewed in May of each year. The Compensation Committee will also meet periodically during the year to consider compensation programs and to gain relevant information and context for determining compensation for executives.

A.C. Moore believes that to attract and retain qualified management, pay levels (including base salary, incentive compensation and benefits) should be targeted at the 50th percentile or median of pay levels of comparable positions at comparable companies in the market. Actual compensation may vary from these targets based on several factors, including individual performance, experience, roles and responsibilities and A.C. Moore performance. In 2007, the Committee used survey data of pay levels provided by Hay Group from the following retail companies selected by the consultant as comparable to A.C. Moore to enable the Committee to conduct benchmarking: 99 Cents Only Stores, Books-A-Million, Build-A-Bear Workshop, Cato Corp., Cost Plus, Deb Shops, Golfsmith International, Gymboree, Hancock Fabrics, Hibbett Sporting Goods, Jo-Ann Stores, Inc., Kirkland's, Mother's Work, Pier 1 Imports, Shoe Carnival, Tuesday Morning and United Retail Group. Hay Group selected such companies as comparable to A.C. Moore based on their annual revenue and if they were specialty retailers that could compete with A.C. Moore for either customers or executive talent.

Retail market data is used, in part, to set compensation for the executive officers, but it is not the sole point of reference. Total compensation of executive officers is determined after reviewing the executive's performance, long-term potential, responsibilities and experience within the context of the market data. In addition to these factors, A.C. Moore also considers internal pay equity within the executive group. In this regard, we rely on information generated by our Human Resources department as well as information prepared from time to time by outside consultants.

The Compensation Committee takes into account the estimated accounting (pro forma expense) and the tax impact of all material changes to the executive compensation program and discusses such matters periodically during the year. In general, the policy of A.C. Moore and the Compensation Committee is to optimize the tax deductibility of executive compensation so long as deductibility is consistent with the objectives of executive compensation. The Compensation Committee has been advised that, based on current interpretations, awards under the 1997 Employee, Director and Consultant Stock Option Plan (referred to as the 1997 Plan ), the 2002 Stock Option Plan (referred to as the 2002 Plan ), the Stock Incentive Plan and the Annual Incentive Plan, should satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (referred to as the Code ). The Compensation Committee has also been advised that restricted stock awards which vest based on continued employment with A.C. Moore do not qualify as performance-based compensation, and so may not be tax-deductible under Code Section 162(m), unless the number of the restricted stock awards to be granted is based on the satisfaction of performance criteria.

### **Components of Compensation**

In line with our philosophy, A.C. Moore provides a compensation program with both fixed and variable components. Fixed compensation, which consists of base salary, is designed to attract and retain executive talent. Variable compensation, which consists of annual and long-term incentive programs, delivers potential awards to executives which are designed to motivate performance. In addition, A.C. Moore offers a limited number of benefits programs. The Committee believes that the balance of payment forms serve to substantially reduce the possibility that the compensation process could provide incentive to undertake imprudent risk. Performance is tied to attainment of specific objectives that the Committee believes will optimize achievement of A.C. Moore's overall business and financial plan but without promoting undue risk.

**Base Salary.** Base salaries are an important element of compensation and provide executives with a base level of income. In determining base pay, the Compensation Committee considers multiple factors, including the executive's responsibilities, individual performance against pre-determined objectives, base salary competitiveness as compared to the external market, internal equity and A.C. Moore's financial and operating performance. The Compensation Committee does not use a specific formula for evaluating the executive. Instead, executives are assessed primarily by the Chief Executive Officer based upon how they contributed to A.C. Moore's business in their areas of responsibility. As a result of A.C. Moore's overall performance in the fiscal year ended January 3, 2009 (referred to as fiscal 2008 ) and the economic recession, A.C. Moore determined for fiscal 2009 to not increase base salaries for any executive officers.

**Annual Incentives.** Annual cash bonuses under the Annual Incentive Plan, which was previously approved by shareholders, are intended to reward performance during the year, and therefore, can be highly variable from year to year. Hay Group, the outside compensation consultant retained in 2007, assisted the Committee and management in evaluating and developing the Annual Incentive Plan. The Annual Incentive Plan performance goals are based on A.C. Moore's budget and operating plan approved by the Board. The plan has a minimum level of achievement below which no bonuses may be paid as well as a maximum level that limits annual bonus payouts. Award levels at target generally reflect the median of the competitive market with the opportunity to earn more or less depending on actual financial performance of A.C. Moore and individual performance.

The Compensation Committee may make negative adjustments to reduce a potential award in whole or in part based on the Compensation Committee's assessment of individual performance by an executive against the established individual objectives.

The Compensation Committee and the Board also have the authority to award discretionary cash bonuses in addition to annual incentive awards, if in their judgment, there has been exceptional performance by an executive officer which has contributed to the overall operating results of A.C. Moore. The Board believes that the potential for such awards will help to motivate and retain more talented executive officers.

In February 2009, the Compensation Committee determined that, in light of the economic environment, there would be no executive Annual Incentive Plan for performance in fiscal 2009. Accordingly, no provision was made in A.C. Moore's 2009 financial plan for bonuses to senior management, including the executive officers. The Compensation Committee and the Board reserved the right to award discretionary bonuses for performance in 2009 if they determined that any such award had been earned. No named executive officer received such an award.

**Long-Term Equity Incentives.** Long-term incentive equity awards are granted to executives under the Stock Incentive Plan previously approved by shareholders. The Chief Executive Officer and other members of management, as appropriate, recommend to the Compensation Committee the actual grants for approval based on performance potential and market data. The named executive officers and other members of management participate in this process in order to provide insight into performance of individuals over whom they have supervision and adjust the size of the grant accordingly. The Compensation Committee or the Board approves these grants. When approving the amount of the grants, the Compensation Committee takes into consideration individual and A.C. Moore performance, both within the context of market practices. As with other elements of compensation, A.C. Moore targets the median of the market with regard to the size of long-term equity grants.

Historically, prior to 2007, A.C. Moore relied on stock options as its primary long-term equity vehicle through grants under the 1997 and 2002 Plans. Option exercise prices are at the fair market value of our Common Stock on the date of grant.

A.C. Moore believes the Stock Incentive Plan, approved by A.C. Moore's shareholders in June 2007, provides flexibility in granting awards through a variety of equity vehicles. The Stock Incentive Plan permits grants of appreciation only vehicles (such as stock options or stock appreciation rights), full value vehicles (such as restricted stock or restricted stock units) and performance-based awards (such as performance shares or performance vested restricted stock). A.C. Moore intends that the types of equity awards granted, vesting schedules and the mix of equity vehicles used under the Stock Incentive Plan will directly support the objectives of A.C. Moore's compensation program. In addition, in reaching the decision as to what types of equity will be awarded under the Stock Incentive Plan, the Compensation Committee evaluates, among other considerations, industry long-term incentive practices and changes to the required accounting and tax treatment of equity awards. Awards may also be granted at the time of a special event, such as upon employment, or at the Compensation Committee's discretion.

In February 2009, the executive officers received a grant of PARS and SARs as the 2009 long-term incentive opportunity. The PARS vest in three equal annual installments or upon the Company's achievement of certain financial performance targets. The SARs vest in three equal annual installments, have a base price equal to the NASDAQ closing price per share on the grant date and have a seven-year term. In November 2009, the executive officers, with the exception of Mr. Lepley, received a grant of restricted stock as a special award for the purpose of retention. The grants of restricted stock vest in two equal annual installments.

**Retirement and Other Benefits.** The Chief Executive Officer and other named executive officers are eligible to participate in the full range and scope of retirement and health and insurance and other benefits plans, as are all other employees of A.C. Moore. A.C. Moore sponsors a 401(k) retirement plan for salaried and hourly employees. The 401(k) plan is a tax-qualified, defined contribution plan under which fixed contributions are made to the account of each participating employee each year. Under the 401(k) plan, a matching contribution is made in the amount of 25% of the first 6% of eligible compensation to a maximum of \$1,500 so long as an employee has reached 21 years of age and has three months of service. Participating employees may direct the investment of A.C. Moore matching and individual contributions into one or more of the investment options offered by the 401(k) plan. A.C. Moore believes that its employee benefit plans, including retirement plans and health and life insurance plans, are of the type commonly offered by other employers. These benefits form part of our compensation philosophy because A.C. Moore believes they are necessary in order to attract, motivate and retain talented executives.

In light of the downturn in the economy, including forecasts that the economy would be difficult in 2009, A.C. Moore determined to suspend the 401(k) plan matching contribution for the fiscal year ending January 2, 2010. A.C. Moore reevaluated this decision at the end of 2009 and determined to not reinstate the matching contribution for 2010. This decision will be reevaluated at the end of 2010.

**Employment, Change-in-Control and Severance Agreements**

The employment agreements or letters, which include change-in-control provisions, between A.C. Moore and the named executive officers are summarized in Agreements with Named Executive Officers below. A.C. Moore believes these agreements reflect market practice at the time they were signed or amended.

**Special Retention Award Opportunity**

On March 31, 2008, A.C. Moore's Board approved a special cash retention award for certain key employees. The purpose of the award was to maintain stability of A.C. Moore's leadership team by providing an incentive for these individuals to remain with A.C. Moore during the approximately 22-month period over which the award vested. A.C. Moore believed that the award was an important component of its compensation package to attempt to enable business strategy execution. The cash retention awards vested in full on January 31, 2010.

The terms of each cash retention award were set forth in an award agreement between A.C. Moore and the employee. The total cash amount of the special retention award was equal to 100% of the employee's then current base salary. The award vested on September 30, 2008 with respect to 25% of the total amount, on June 30, 2009 with respect to 25% of the total amount and on January 31, 2010 with respect to the remaining 50%. The right to receive any amount that vested was contingent on continuous full-time employment with A.C. Moore and continuing to meet performance expectations under A.C. Moore's internal review process, each through the respective vesting date.

Any unvested amounts would have been forfeited upon termination of full-time employment, except for termination due to death or permanent disability. For terminations for those reasons, the employee would have received an amount of the total award that varied depending on when the death or permanent disability occurs. The special retention award agreement also provided for automatic vesting of the awards on a change in control (as defined in the Stock Incentive Plan).

The total amounts of the special retention award, subject to the vesting requirements set forth above, for the following executive officers were: Rick A. Lepley \$550,000; Joseph A. Jeffries \$280,000; and Amy Rhoades \$179,580. Messrs. Lepley and Jeffries and Ms. Rhoades each received payouts upon vesting on September 30, 2008, June 30, 2009 and January 31, 2010. The total amount of the special retention award Mr. Zawoysky was entitled to receive was \$175,000. Mr. Zawoysky received 25% of this amount upon vesting on September 30, 2008. Mr. Zawoysky resigned from A.C. Moore in April 2009 and did not receive any of the remaining balance of his special retention award. The total amount of the special retention award Mr. Schriver was entitled to receive was \$155,000. Mr. Schriver received payouts upon vesting on September 30, 2008, June 30, 2009 and January 31, 2010.

**Stock Ownership Guidelines**

Consistent with its executive compensation philosophy and the principle of aligning executive and shareholder interests, A.C. Moore believes officers should retain minimum ownership levels of A.C. Moore's Common Stock. Upon recommendation of Hay Group, the following stock ownership guidelines were established by the Board in April 2007.

<b>Executive</b>	<b>Ownership Multiple of Base Salary</b>
Chief Executive Officer	Three (3) times
All Other Officers at the Vice President level and above	One (1) times

The Chief Executive Officer was expected to comply with these ownership requirements by the end of a five-year period beginning in 2007. A five-year compliance period for all other officers at the Vice President level and above began in 2008. Shares that are counted for purposes of satisfying ownership requirements are shares directly and indirectly owned, grants and awards under equity incentive plans (such as vested and unvested restricted stock), and shares held in the officer's account under A.C. Moore's 401(k) plan. Stock options and SARs do not count towards satisfaction of the ownership requirements.

In conclusion, this Compensation and Discussion Analysis provides material information about our compensation programs as required by SEC rules. **Equity Incentive Plans****Old Plans**

A.C. Moore's stock option plans consist of the 2002 Plan and the 1997 Plan (referred to together as the "Old Plans"). The purpose of the Old Plans was to encourage ownership of A.C. Moore's Common Stock by employees and directors of A.C. Moore (and by certain consultants in the case of the 1997 Plan) in order to attract such persons, induce them to work for the benefit of A.C. Moore and provide additional incentive for them to promote the success of A.C. Moore. Options granted under each plan were either incentive stock options intended to qualify under Section 422 of the Code, or options not intended to so qualify, except that incentive stock options could only be granted to employees. The maximum total number of shares of A.C. Moore's Common Stock for which awards could be granted under the 2002 Plan and 1997 Plan is 1,500,000 and 2,000,000 shares, respectively, subject to adjustment in a manner

determined by the Compensation Committee of the Board to reflect changes in A.C. Moore's Common Stock. Payment of the exercise price for options granted under the Old Plans may be made in cash, shares of Common Stock or a combination of both. All options granted pursuant to the Plans are exercisable in accordance with a vesting schedule and prior to an expiration date, each of which were set at the time of the issuance of the option.

All directors, officers and key employees (and certain consultants in the case of the 1997 Plan) were eligible to receive options under the Old Plans. The Old Plans are administered by the Compensation Committee or, at the option of the Board, the Board may administer the Old Plans. The Compensation Committee approved the optionees and determined the nature of the option granted, the number of shares subject to each option, the option vesting schedule and other terms and conditions of each option. The Compensation Committee could modify or amend each Plan, provided that without the consent of the participant, such action could not affect a participant's rights under previously granted options. With the consent of a participant, the Compensation Committee may amend outstanding options in a manner not inconsistent with the applicable Plan.

The Stock Incentive Plan described below effectively replaced the Old Plans and no further grants or awards are made under the Old Plans. All grants and awards are made under the shareholder-approved Stock Incentive Plan. The Old Plans will continue in effect until their respective expiration dates for the limited purpose of administering such plans.

***Stock Incentive Plan***

On June 7, 2007, A.C. Moore's shareholders approved the Stock Incentive Plan. The purpose of the Stock Incentive Plan is to provide incentives to attract, retain, motivate and reward non-employee directors, executive officers and other key employees of A.C. Moore by providing opportunities to receive shares of Common Stock or to receive monetary payments based on the value of such shares. The Stock Incentive Plan is intended to assist in further aligning the interests of participants in the Stock Incentive Plan with those of A.C. Moore's shareholders. On August 20, 2009, A.C. Moore's shareholders approved an amendment to the Stock Incentive Plan to increase the authorized number of shares and adopt provisions designed to reflect corporate governance best practices related to share counting, a fungible share limit, a seven-year limit on the term of any stock option of SAR granted and clarifying that a change in control under the Stock Incentive Plan will not be triggered unless the change in control has been consummated.

The following types of awards or any combination of them may be granted under the Stock Incentive Plan: (i) stock options (both incentive stock options and non-qualified options) to receive shares of Common Stock; (ii) stock appreciation rights, which entitle the grantee to receive an amount in cash, shares of Common Stock, or a combination of cash and shares of Common Stock, determined by reference to appreciation in Common Stock value; (iii) stock awards, which entitle the grantee to receive shares of Common Stock which may be subject to certain restrictions such as restrictions on transferability; (iv) performance awards, which entitle the grantee to receive, without payment, an award following the attainment of performance goals; and (v) stock units, which entitle the grantee to receive an amount in cash or, if the grantee and the Compensation Committee so agree, in shares of Common Stock or a combination of cash and shares of Common Stock, with or without other payments by the grantee, as may be determined by the Compensation Committee (each as described above is referred to as an Award and collectively, the Awards). In addition, other forms of awards valued in whole or in part by reference to A.C. Moore's Common Stock may be granted either alone or in addition to the foregoing Awards. Each Award is subject to such terms and conditions consistent with the Stock Incentive Plan, as determined by the Compensation Committee and as set forth in an Award agreement.

All non-employee directors, executive officers and other key employees of A.C. Moore or any of its affiliates who are significantly responsible for the success and future growth and profitability of A.C. Moore, as determined by the Compensation Committee, are eligible to be participants in the Stock Incentive Plan. The Stock Incentive Plan is administered by the Compensation Committee. Under the Stock Incentive Plan, the Compensation Committee has the power to interpret the Stock Incentive Plan and to adopt such rules and regulations as it considers necessary for purposes of administering the Stock Incentive Plan. The Compensation Committee is authorized to grant Awards to the participants in the Stock Incentive Plan and to determine the number and types of such Awards and the terms, conditions and limitations applicable to each such Award. The Compensation Committee may delegate its powers and authority under the Stock Incentive Plan to designated officers or employees of A.C. Moore. In addition, the independent members of the full Board may exercise any of the powers and authority of the Compensation Committee under the Stock Incentive Plan.

The aggregate number of shares of Common Stock that may be subject to Awards to be granted under the Stock Incentive Plan is 5,100,000 shares, subject to adjustments for stock splits, recapitalizations and other specified events. This share reserve will be increased by a number of shares of Common Stock equal to the number of shares of Common Stock that are issuable pursuant to option grants (referred to as the Existing Options ) outstanding under the Old Plans as of the effective date of the Stock Incentive Plan that but for the suspension of the Old Plans would otherwise have reverted to the share reserve of the Old Plans, as applicable, as a result of the expiration, termination, cancellation or forfeiture of such Existing Options.

#### **Annual Incentive Plan**

A.C. Moore's success depends, in large measure, on its ability to attract and reward talented employees with outstanding abilities and experience. To achieve this objective, the Board adopted the Annual Incentive Plan as a tool to attract and provide additional motivation to key employees to use their best efforts in performing their respective duties and obligations at A.C. Moore.

All present and future employees, including executive officers, of A.C. Moore will be eligible to receive awards under the Annual Incentive Plan. Participants in the Annual Incentive Plan will be selected, from time to time, by the Compensation Committee among such employees. The Annual Incentive Plan generally is administered by the Compensation Committee comprised of not less than two members who each qualifies as an outside director within the meaning of Code Section 162(m) and the regulations thereunder. The Compensation Committee has general authority to impose any limitation or condition upon an award the Compensation Committee deems appropriate to achieve the objectives of the award and the Annual Incentive Plan.

The Compensation Committee has the power and complete discretion to determine which employees will receive an award and the nature of the award, (ii) the amount of each award, (iii) the time or times when an award will be granted, (iv) whether a disability exists, (v) the terms and conditions applicable to awards, and (vi) any additional requirements relating to awards that the Compensation Committee deems appropriate.

The Compensation Committee will be entitled to make non-uniform and selective determinations and to establish non-uniform and selective performance criteria, performance goals and the weightings thereof.

#### **Agreements with Named Executive Officers**

We have entered into agreements, which include change of control provisions, with our current executive officers. In fiscal 2009, we entered into an amended and restated employment letter with Mr. Jeffries and employment letters with Messrs. Abelman and Stern. In November 2009, we also entered into a special award agreement with Mr. Stern. In March 2010, we entered into an agreement and release with Mr. Lepley in connection with his retirement, a special award agreement with Mr. Jeffries and an amendment to Mr. Abelman's employment letter.

The material terms of these agreements are described below.

The agreements with certain named executive officers provide enhanced payments and benefits in the event of a change of control. The basic rationale for this change of control protection is to diminish the potential distraction due to personal uncertainties and risks that inevitably arise when a change of control is threatened or pending. The termination benefits payable in connection with a change of control generally require a double trigger, which means that after a change of control (the first trigger) a covered executive's employment is either involuntarily terminated without cause or the executive resigns for good reason (as both terms are defined in the relevant agreement), either of which would constitute the second trigger. A double trigger was selected to increase the likelihood that an executive would remain with A.C. Moore after a change of control. The agreements also have a single trigger approach with regard to equity grants held on the date of a change in control, which means that all grants held on such date immediately vest and become exercisable, as applicable, upon a change in control. In addition, the Stock Incentive Plan contains a single trigger approach with regard to vesting of awards. The Annual Incentive Plan permits the Board, in its discretion, to accelerate vesting and payouts in the event of a change in control. In addition, the special award agreement with Mr. Jeffries provides for automatic vesting upon a change in control.

***Employment Letter with Joseph A. Jeffries, Acting Chief Executive Officer and Chief Operating Officer***

On November 28, 2007, A.C. Moore entered into an employment letter with Joseph A. Jeffries to serve as A.C. Moore's Executive Vice President of Operations effective as of November 28, 2007. Mr. Jeffries' current annual base salary is \$307,700.

On August 6, 2008, A.C. Moore and Mr. Jeffries entered into the first amendment to his employment letter. Pursuant to the amendment, Mr. Jeffries' title was changed from Executive Vice President of Operations to Executive Vice President and Chief Operating Officer. In addition, the amendment provides for an automatic one-year term from the date of a change of control (as defined in the amendment), during which Mr. Jeffries is guaranteed a base salary equal to 12 times his highest monthly base salary during the 12-months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates his employment other than for cause, death or disability or Mr. Jeffries terminates for good reason, Mr. Jeffries is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Mr. Jeffries will also receive insurance benefits during this period. For termination due to death or disability, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminates for cause or Mr. Jeffries terminates without good reason following a change of control, he is entitled to base salary through the date of termination. The amendment provides that Mr. Jeffries' options, SARs and restricted stock vest immediately upon a change of control. If Mr. Jeffries' employment is terminated without cause following a change in control, he will have until the earlier of the original option or SAR term or 18 months after the termination date to exercise the options or SARs.

Mr. Jeffries' employment letter contains restrictive covenants relating to confidentiality, non-competition and non-solicitation. Mr. Jeffries may not compete with, solicit employees from or interfere with business relationships of A.C. Moore for 12 months following the termination of his employment. The non-competition provision prohibits Mr. Jeffries from engaging in any business competing with A.C. Moore's business as such business exists or is in process on the date of the termination of Mr. Jeffries' employment, within any geographical area in which A.C. Moore engages or actively plans to engage in such business.

On August 10, 2009, A.C. Moore entered into an amended and restated employment letter with Mr. Jeffries (the restated employment letter). The restated employment letter restated and continued the terms and conditions of Mr. Jeffries' employment letter dated November 28, 2007, as amended by the first amendment to his employment letter dated August 6, 2008.

If A.C. Moore terminates Mr. Jeffries' employment without cause under the restated employment letter, he is entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date plus pro rata bonus (as defined in the restated employment letter). In the event Mr. Jeffries remains unemployed after six months from his termination date, he will receive an additional month of severance and insurance benefits for each month he remains unemployed, up to a maximum of six additional months.

***Special Award Agreement with Mr. Jeffries***

On March 29, 2010, in connection with Mr. Jeffries' appointment as Acting Chief Executive Officer effective March 31, 2010, A.C. Moore entered into a special award agreement with him. The award agreement provides that Mr. Jeffries will receive a cash lump sum payment of \$75,000 on September 30, 2010. His right to receive the award is contingent on continuous full-time employment with A.C. Moore and continuing to meet performance expectations under A.C. Moore's internal review process, each through September 30, 2010. The award agreement provides for automatic vesting of the award on a change in control (as defined in the Stock Incentive Plan).

***Employment Letter with David Stern, Executive Vice President and Chief Financial Officer***

On May 13, 2009, A.C. Moore entered into an employment letter with David Stern to serve as the Company's Executive Vice President and Chief Financial Officer. His start date with the Company was June 8, 2009. Mr. Stern's current annual base salary is \$275,000.

On the start date, Mr. Stern received a cash sign-on lump sum retention bonus of \$75,000. Mr. Stern will earn one-twenty fourth of this sign-on bonus for each month after receipt that he remains employed by the Company. If A.C. Moore terminates his employment for cause (as defined in the employment letter), Mr. Stern must repay the unearned portions of the sign-on bonus. If Mr. Stern terminates his employment for good reason (as defined in the employment letter), he will be deemed to have earned one-hundred percent of the sign-on bonus. On his start date, Mr. Stern was granted 35,000 PARS and 26,000 SARs under A.C. Moore's 2007 Stock Incentive Plan.

Mr. Stern received relocation benefits, including without limitation, reimbursement for commission costs on the sale of his house, closing costs in an amount not to exceed \$3,000 on the purchase of a home, payment for temporary housing for the 120-day period following his start date and bi-weekly round trip travel for him or his spouse in connection with his relocation for the 120-day period following his start date. Mr. Stern earns one-twenty fourth of the amount of the relocation benefits for each month that he remains employed by A.C. Moore. If his employment is terminated by A.C. Moore for cause or by him without good reason, he must repay the unearned portion of the relocation benefits. In the event that Mr. Stern's employment is terminated without cause (as defined below) or by him with good reason after the payment of the relocation benefits, he will be deemed to have earned one hundred percent of the relocation benefits.

The termination and change of control provisions in Mr. Stern's employment letter are identical to those in Mr. Jeffries' agreement.

Mr. Stern's employment letter contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Jeffries.

***Special Award Agreement with Mr. Stern***

On November 24, 2009, A.C. Moore entered into a special award agreement with Mr. Stern pursuant to which A.C. Moore paid him a cash retention award in the amount of \$125,000. Mr. Stern will earn one-twelfth of the award for each month (or portion of the month) after receipt that he remains employed by A.C. Moore. If A.C. Moore terminates Mr. Stern's employment for cause or he terminates his employment without good reason (each as defined in the employment letter between Mr. Stern and A.C. Moore dated May 13, 2009), Mr. Stern must repay the unearned portions of the award. If A.C. Moore terminates Mr. Stern's employment without cause or he terminates his employment for good reason (each as defined in the employment letter), Mr. Stern will be deemed to have earned one-hundred percent of the award.

***Employment Letter with David Abelman, Executive Vice President and Chief Marketing and Merchandising Officer***

On May 7, 2009, A.C. Moore entered into an employment letter with David Abelman to serve as the Company's Executive Vice President and Chief Marketing and Merchandising Officer. His start date with the Company was May 7, 2009. Mr. Abelman's current annual base salary is \$300,000.

On the start date, Mr. Abelman received a cash sign-on lump sum retention bonus of \$200,000. Mr. Abelman will earn one-twenty fourth of this sign-on bonus for each month after receipt that he remains employed by the Company. If A.C. Moore terminates his employment for cause (as defined in the employment letter), Mr. Abelman must repay the unearned portions of the sign-on bonus. If Mr. Abelman terminates his employment for good reason (as defined in the employment letter), he will be deemed to have earned one-hundred percent of the sign-on bonus. On his start date, Mr. Abelman was granted 35,000 PARS and 26,000 SARs under A.C. Moore's 2007 Stock Incentive Plan.

Mr. Abelman will receive relocation benefits, including without limitation, reimbursement for commission costs on the sale of his house, closing costs in an amount not to exceed \$3,000 on the purchase of a home, payment for temporary housing for the 120-day period following his start date and bi-weekly round trip travel for him or his spouse in connection with his relocation for the 120-day period following his start date. Mr. Abelman earns one-twenty fourth of the amount of the relocation benefits for each month that he remains employed by A.C. Moore. If his employment is terminated by A.C. Moore for cause or by him without good reason, he must repay the unearned portion of the relocation benefits. In the event that Mr. Abelman's employment is terminated without cause (as defined below) or by him with good reason after the payment of the relocation benefits, he will be deemed to have earned one hundred percent of the relocation benefits.

The termination and change of control provisions in Mr. Abelman's employment letter are identical to those in Mr. Jeffries' and Mr. Stern's agreements.

Mr. Abelman's employment letter contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Jeffries and Mr. Stern.

On March 16, 2010, A.C. Moore entered into Amendment One (the "amendment") to Mr. Abelman's employment letter. The amendment extends the time during which A.C. Moore will reimburse Mr. Abelman for moving costs, closing costs on the purchase of a new house and commission costs on the sale of his house from September 2010 to March 16, 2011. In addition, the amendment provides that through the earlier of March 16, 2011 or such date on which Mr. Abelman's family relocates, A.C. Moore will pay him \$5,000 per month, less applicable tax and withholdings, to offset housing and travel expenses.

***Employment Agreement with Amy Rhoades, Senior Vice President and General Counsel***

On July 24, 2006, A.C. Moore entered into an employment agreement with Amy Rhoades to serve as A.C. Moore's Vice President and General Counsel effective July 24, 2006. Ms. Rhoades' current annual base salary is \$210,000. She was appointed Senior Vice President and General Counsel effective November 10, 2009.

Ms. Rhoades' employment agreement was amended on November 15, 2006 and November 19, 2007. Ms. Rhoades' employment agreement has an initial term of one year to be extended automatically for successive one year terms, unless either party provides written notice of termination at least 60 days prior to the end of the term.

If A.C. Moore terminates her employment without cause or Ms. Rhoades terminates for good reason or there is a non-renewal of the employment agreement, Ms. Rhoades is entitled to receive base salary, pro rata bonus, vested and earned but unpaid amounts under A.C. Moore's incentive plans through the twelfth-month anniversary of the termination date. If A.C. Moore terminates for cause or Ms. Rhoades terminates without good reason, Ms. Rhoades is entitled to receive base salary through the termination date but will not be entitled to payment of a pro rata bonus. If termination occurs due to death or disability, Ms. Rhoades or her estate will be entitled to receive the sum of her base salary through the termination date, her pro rata annual bonus and vested and earned but unpaid amounts under incentive plans and other programs.

The change of control provisions in Ms. Rhoades' employment agreement are identical to those contained in the employment letters of Messrs. Jeffries, Stern and Abelman.

Mr. Rhoades' employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Jeffries, Mr. Stern and Mr. Abelman.

***Employment Agreement with Rick A. Lepley, Former President and Chief Executive Officer***

On June 1, 2006, A.C. Moore entered into an employment agreement with Mr. Lepley to serve as A.C. Moore's Chief Executive Officer effective as of June 1, 2006. The employment agreement was amended on November 15, 2006 and November 19, 2007. Mr. Lepley's employment agreement had an initial term of three years to be extended automatically for successive one year terms, unless either party provided written notice of termination at least six months prior to the end of the term. In December 2008, A.C. Moore and Mr. Lepley entered into an amendment to Mr. Lepley's agreement pursuant to which Mr. Lepley's employment as Chief Executive Officer was extended through December 31, 2010.

Mr. Lepley received an annual base salary of \$550,000, which was increased to \$575,000 in 2008. Pursuant to the December 2008 amendment, Mr. Lepley was granted 150,000 SARs. The December 2008 amendment also provided that if Mr. Lepley's employment was terminated without cause or for good reason (as defined in his employment agreement), if termination occurred from January 1, 2009 through December 31, 2009, he would have been entitled to his then current base salary from the date of termination for the remaining months of the employment term through December 31, 2010 plus his pro rata bonus (as defined in the employment agreement) and, if termination occurred during any other time during the employment term, his base salary through the twelfth month anniversary of termination plus his pro rata bonus.

Upon a change of control (as defined in his employment agreement), Mr. Lepley would have received an automatic two-year employment term from the date of the change of control, during which his base salary, annual bonus and other benefits are guaranteed to be at least at the level which he received in the 12 months prior to the change of control. If during this two-year term A.C. Moore terminated Mr. Lepley's employment other than for cause, death or disability or Mr. Lepley terminated for good reason, Mr. Lepley would have been entitled to receive a lump sum cash payment equal to the aggregate of his base salary through the date of termination, two times the pro rata portion of his annual bonus and two times the amount of his base salary. For termination due to death or disability following a change of control, he or his estate would have received a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and a pro rata bonus determined in the same manner as if there were no change of control. If A.C. Moore terminated for cause or Mr. Lepley terminated without good reason following a change of control, he would have been entitled to base salary through the date of termination. In addition, all options, SARs and restricted stock held by Mr. Lepley on the date of a change of control would have immediately vested and remained exercisable for different periods of time depending upon continued employment. If Mr. Lepley's employment was terminated without cause following the change of control, he would have had until the earlier of the end of the original option or SAR term and 18 months after the termination date to exercise the options and SARs. Upon a termination without cause following a change of control, all SARs and restricted stock to which Mr. Lepley would be entitled to receive would immediately be deemed granted and vested and Mr. Lepley would have had 18 months after the termination date to exercise these SARs.

If any payments to Mr. Lepley upon a change in control as described above would constitute an excess payment under Code Section 280G and be subject to the excise tax imposed by Code Section 4999 on such excess payments, Mr. Lepley was entitled to a tax gross-up payment of such amount that would leave him in the same tax position as if no such excise tax (including related penalties or interest) was applicable. However, in connection with a review of its executive compensation practices, in August 2009, A.C. Moore determined that, effective immediately, it will not enter into any agreements with any new executives or material amendments to existing agreements providing for excise tax gross-up provisions with respect to payments contingent upon a change in control.

***Agreement and Release with Mr. Lepley***

On March 29, 2010, A.C. Moore and Mr. Lepley entered into an agreement and release (the separation agreement). Mr. Lepley's retirement as an officer and member of the Board was effective March 31, 2010. The separation agreement provides that A.C. Moore will pay Mr. Lepley \$645,890, an amount equal to one year's compensation at his current rate plus pro rata bonus. Half of this payment will be made in October 2010, with the remainder in six subsequent equal monthly installments. A.C. Moore will also pay Mr. Lepley a consulting fee of \$53,824 in 12 equal monthly installments. In addition, Mr. Lepley will receive reimbursement for health insurance benefits for 12 months following the effective date, payment of \$12,000 for relocation and moving costs, and payment of up to \$10,000 in legal fees for review of the agreement. The separation agreement amends Mr. Lepley's SARs agreement, dated December 3, 2008, to provide that all unvested SARs under the SARs agreement vested as of March 31, 2010 and Mr. Lepley will have until February 20, 2012 to exercise the SARs. Mr. Lepley was originally granted 150,000 SARs pursuant to the SARs agreement, 50,000 of which vested on December 3, 2009.

The separation agreement includes restrictive covenants relating to confidentiality, non-competition and non-solicitation. Mr. Lepley may not compete with, solicit employees from or interfere with the business relationships of A.C. Moore for a period of 12 months following the effective date. The parties also agreed to mutual non-disparagement obligations. The separation agreement provides for Mr. Lepley's general release of A.C. Moore from claims.

***Employment Letter with Michael G. Zawoysky, Former Chief Financial Officer***

On September 24, 2008, A.C. Moore entered into an amended and restated employment letter with Michael G. Zawoysky to serve as A.C. Moore's Executive Vice President and Chief Financial Officer. Mr. Zawoysky resigned from this position effective April 24, 2009 to pursue an opportunity in the private equity sector. Upon his resignation, pursuant to the terms of his employment letter, he did not qualify to receive any payments or benefits upon termination or change in control.

Mr. Zawoysky received an annual base salary of \$250,000. On September 24, 2008, in connection with entry into the employment letter, Mr. Zawoysky was granted 7,500 shares of PARS and 25,000 SARs.

The termination and change of control provisions in Mr. Zawoysky's employment letter were identical to those in the agreements with Messrs. Jeffries, Stern and Abelman.

Mr. Zawoysky's employment letter contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for the current executive officers.

***Letter Agreement with Rodney Schriver, Vice President and Controller***

On October 17, 2008, A.C. Moore and Mr. Schriver entered into a letter agreement which provides that if A.C. Moore terminates his employment without cause, Mr. Schriver will be entitled to receive base salary through the sixth-month anniversary of the termination date.

**Tabular Information Relating to Potential Payments or Benefits upon Termination and Change in Control**

The following tables quantify the potential termination and change in control payment and benefit amounts for Messrs. Jeffries, Stern, Abelman, and Schriver and Ms. Rhoades pursuant to their agreements, assuming a hypothetical triggering event had occurred as of January 2, 2010. The terms and conditions of the post-employment provisions for Messrs. Jeffries, Stern, Abelman and Schriver and Ms. Rhoades are described in detail above under Agreements with Named Executive Officers.

Tabular information for Messrs. Zawoysky and Lepley is not included below, as potential payment scenarios to them can no longer occur. Upon his resignation, pursuant to the terms of his employment letter, Mr. Zawoysky did not qualify to receive any payments or benefits. Upon his retirement, Mr. Lepley received payments and benefits under the separation agreement as described above.

Under the Stock Incentive Plan, all named executive officers may receive benefits in the event of death, disability and retirement. All unvested awards immediately vest in full upon the occurrence of a change in control under the Stock Incentive Plan. In addition, Ms. Rhoades and Mr. Schriver receive benefits under the Old Plans in the event of death or disability. The Stock Incentive Plan and the Old Plans do not discriminate in terms of scope, terms or operation in favor of executive officers and these benefits are available generally to all participants.

## **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

### **Compensation Committee Interlocks and Insider Participation**

The following persons served as members of the Compensation Committee in fiscal 2009: Lori J. Schafer, Joseph F. Coradino, Michael J. Joyce and Neil A. McLachlan. No person who served as a member of the Compensation Committee during fiscal 2009 was a current or former officer or employee of A.C. Moore or engaged in certain transactions with A.C. Moore required to be disclosed by regulations of the SEC except as disclosed below under

Related Party Transactions. Additionally, there were no compensation committee interlocks during fiscal 2009, which generally means that no executive officer of A.C. Moore served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of A.C. Moore.

### **Related Party Transactions Policy and Procedures**

In April 2007, the Board adopted a written Related Party Transactions Policy and Procedures. This policy applies to transactions or arrangements in which A.C. Moore is a participant and a related party (namely directors, nominees for director, executive officers, 5% shareholders and their respective immediate family members) with a direct or indirect material interest in the transaction, including transactions requiring disclosure under Item 404(a) of Regulation S-K. Under this policy, no related party transaction can occur unless it is approved or ratified by the Audit Committee or approved by the disinterested members of the Board. The Audit Committee is primarily responsible for reviewing and approving related party transactions, and in doing so, will consider all matters it deems appropriate, including, but not limited to, the dollar value of the proposed transaction, the relative benefits to be obtained and obligations to be incurred by A.C. Moore, and whether the terms of the transaction are comparable to those available to third parties.

### **Related Party Transactions**

Neil A. McLachlan, a member of A.C. Moore's Board, is President of the Consumer & Office Products Group of MeadWestvaco Corporation. A.C. Moore purchased \$78,994 of merchandise to sell in its stores from MeadWestvaco Corporation in the fiscal year ended January 2, 2010. Mr. McLachlan was not involved in these transactions and did not receive any compensation for these transactions.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires A.C. Moore's directors and executive officers, and persons who beneficially own more than ten percent of A.C. Moore's Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of A.C. Moore. Executive officers, directors and greater than ten percent shareholders are required by regulation of the SEC to furnish A.C. Moore with copies of all Section 16(a) reports they file.

To A.C. Moore's knowledge, based solely on a review of the copies of such reports furnished to A.C. Moore and written representations that no other reports were required, all Section 16(a) filing requirements applicable to A.C. Moore's executive officers, directors and greater than ten percent beneficial owners were complied with during fiscal 2009.

**PROPOSAL 2**  
**RATIFICATION OF APPOINTMENT OF**  
**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

A.C. Moore's independent registered public accounting firm for the fiscal year ended January 2, 2010 was the firm of PricewaterhouseCoopers. The Audit Committee of the Board has appointed PricewaterhouseCoopers LLP to serve as A.C. Moore's independent registered public accounting firm for the fiscal year ending January 1, 2011. Shareholders will be asked to ratify this appointment. Although action by the shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of the appointment of the independent registered public accounting firm to provide a forum for shareholders to express their views with regard to the Audit Committee's appointment. If the shareholders do not ratify the appointment of PricewaterhouseCoopers, the selection of the independent registered public accounting firm may be reconsidered by the Audit Committee; provided, however, the Audit Committee retains the right to continue to engage PricewaterhouseCoopers. Notwithstanding the ratification of PricewaterhouseCoopers as A.C. Moore's independent registered public accounting firm for the fiscal year ending January 1, 2011, the Audit Committee retains the right to replace PricewaterhouseCoopers at any time without shareholder approval. A representative of PricewaterhouseCoopers is expected to be present at the 2010 Annual Meeting and to be available to respond to appropriate questions. The representative will have the opportunity to make a statement if he or she so desires.

**Principal Accountant Fees and Services**

Aggregate fees for professional services rendered for A.C. Moore by PricewaterhouseCoopers as of or for the fiscal years ended January 2, 2010 and January 3, 2009 were:

<b>Services Rendered<sup>(1)</sup></b>	<b>01/02/2010</b>	<b>01/03/2009</b>
Audit Fees	\$ 570,381	\$ 729,110
Audit Related Fees		
Tax Fees		8,000
All Other Fees		
<b>Total</b>	<b>\$ 570,381</b>	<b>\$ 737,110</b>

(1) The aggregate fees included are fees billed for the fiscal years.

Audit fees for the fiscal years ended January 2, 2010 and January 3, 2009 were for professional services rendered for the audits of the consolidated financial statements of A.C. Moore and for the audit of A.C. Moore's internal control over financial reporting as required by the Sarbanes-Oxley Act of 2002, quarterly reviews, issuance of consents, and assistance with review of documents filed with the SEC.

Tax fees consist of fees for tax compliance efforts.

The Audit Committee has considered and determined that the services provided by PricewaterhouseCoopers are compatible with PricewaterhouseCoopers maintaining its independence.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee pre-approved all of the

audit and non-audit services provided to A.C. Moore by PricewaterhouseCoopers in fiscal 2009 and fiscal 2008.

**THE BOARD RECOMMENDS THAT YOU VOTE FOR APPROVAL OF PROPOSAL 2.**

In connection with such matters, the persons named in the enclosed proxy will vote in accordance with their best judgment.

### **HOUSEHOLDING**

In order to reduce printing costs and postage fees, A.C. Moore has adopted the process called "householding" for mailing its annual report and proxy statement to "street name holders," which refers to shareholders whose shares are held in a stock brokerage account or by a bank or other nominee. This means that street name holders who share the same last name and address will receive only one copy of A.C. Moore's annual report and proxy statement, unless A.C. Moore receives contrary instructions from a street name holder at that address. A.C. Moore will continue to mail a proxy card to each shareholder of record.

If you prefer to receive multiple copies of A.C. Moore's proxy statement and annual report at the same address, you may obtain additional copies by writing to A.C. Moore Arts & Crafts, Inc. Attention: Amy Rhoades, Senior Vice President and General Counsel, 130 A.C. Moore Drive, Berlin, New Jersey 08009 or by calling (856) 768-4930. Eligible shareholders of record receiving multiple copies of the annual report and proxy statement can request householding by contacting A.C. Moore in the same manner.

### **SHAREHOLDER PROPOSALS**

Moore Arts & Crafts, Inc., 130 A.C. Moore Drive, Berlin, New Jersey 08009, Attention: Amy Rhoades, Senior Vice President and General Counsel. Each nomination or proposal must include the information required by the bylaws. All late or nonconforming nominations or proposals will be rejected.

Shareholder proposals for the 2011 annual meeting of shareholders must be submitted to A.C. Moore on or prior to January 3, 2011 to receive consideration for inclusion in A.C. Moore's proxy statement relating to the 2011 annual meeting of shareholders. Any such proposal must also comply with the proxy rules under the Exchange Act, including Rule 14a-8.

In addition, shareholders are notified that the deadline for providing A.C. Moore timely notice of any shareholder proposal to be submitted outside of the Rule 14a-8 process for consideration at A.C. Moore's 2011 annual meeting of shareholders is January 3, 2011. As to all such matters which A.C. Moore does not have notice on or prior to January 3, 2011, discretionary authority shall be granted to the persons designated in A.C. Moore's proxy statement related to the 2011 annual meeting of shareholders to vote on such proposal.
