On August 5, 2010, Western Gas Partners, LP (the Partnership) filed a Current Report on Form 8-K (the Initial Report) to report, among other things, the closing of its acquisition of certain midstream assets from affiliates of Anadarko Petroleum Corporation (Anadarko), consisting of a 100% ownership interest in Kerr-McGee Gathering LLC, which owns the Wattenberg gathering system and related facilities, including the Fort Lupton processing plant. These assets, located in the Denver-Julesburg Basin, north and east of Denver, Colorado, are referred to collectively as the Wattenberg assets and the acquisition as the Wattenberg acquisition. The consideration paid by the Partnership for the Wattenberg acquisition consisted of (i) \$473.1 million in cash, which was funded with \$250.0 million of borrowings under a bank-syndicated unsecured term loan, \$200.0 million of borrowings under the Partnership's revolving credit facility and \$23.1 million cash on hand; as well as (ii) the issuance of 1,048,196 common units and 21,392 general partner units of the Partnership to affiliates of Anadarko. The terms of the Wattenberg acquisition were approved by the Board of Directors of the Partnership's general partner and by the Board's special committee. The Wattenberg acquisition closed on August 2, 2010 with an effective date for accounting purposes of July 1, 2010.

On September 30, 2010, the Partnership filed a Current Report on Form 8-K/A (the Amendment) amending and supplementing the Initial Report to include the audited and unaudited financial statements of the Wattenberg assets and the unaudited pro forma financial statements of the Partnership required by Items 9.01(a) and 9.01(b) of Form 8-K and to include exhibits under Item 9.01(d) of Form 8-K. No other modifications to the Initial Report were made by the Amendment.

On September 29, 2010, the Partnership and Anadarko closed a series of related transactions through which the Partnership acquired a 10% member interest in White Cliffs Pipeline L.L.C. (White Cliffs). Specifically, the Partnership acquired Anadarko's 100% ownership interest in Anadarko Wattenberg Company, LLC (AWC) for \$20.0 million in cash (the AWC acquisition). AWC owned a 0.4% interest in White Cliffs and held an option to increase its interest in White Cliffs. Also, in a series of concurrent transactions, AWC acquired an additional 9.6% interest in White Cliffs from a third party for \$18.0 million in cash, subject to post-closing adjustments. White Cliffs owns a crude oil pipeline that originates in Platteville, Colorado and terminates in Cushing, Oklahoma and became operational in June 2009. The Partnership's acquisition of the 0.4% interest in White Cliffs and related purchase option from Anadarko and the acquisition of an additional 9.6% interest in White Cliffs were funded with cash on hand and are referred to collectively as the White Cliffs acquisition. The Partnership's interest in White Cliffs is referred to as the White Cliffs investment.

Due to Anadarko's control of the Partnership through its ownership of the general partner, the Wattenberg acquisition and the AWC acquisition are considered transfers of net assets between entities under common control. As a result, the Partnership is required to revise its financial statements to include the activities of the Wattenberg assets and AWC, including the 0.4% interest in White Cliffs, as of the date of common control. As such, Exhibits 12.1, 99.1, 99.2 and 99.3 included in this Current Report on Form 8-K give retroactive effect to (i) the Wattenberg acquisition as if the Partnership owned the Wattenberg assets since August 10, 2006, the date Anadarko acquired the Wattenberg assets in conjunction with its acquisition of Kerr McGee Corporation, and (ii) the AWC acquisition as if the Partnership owned AWC, including the 0.4% interest in White Cliffs, since January 29, 2007, the date Anadarko made its initial investment in White Cliffs.

The terms AWC, AWC acquisition, Wattenberg acquisition, Wattenberg assets, White Cliffs, White Cliffs acquisition and White Cliffs investment, as used in Exhibits 99.1 and 99.2 attached hereto, are defined above in this Current Report on Form 8-K. In addition, the terms Partnership Assets and Affiliates, as originally defined in the 2009 10-K and as used in Exhibits 99.1 and 99.2 attached hereto, are redefined in this Current Report on Form 8-K. Specifically, the Partnership Assets refer collectively to the initial assets, Powder River assets, Chipeta assets (each as defined under *Note 1 Description of Business and Basis of Presentation Offerings and acquisitions* under Exhibit 99.3 of this Current Report on Form 8-K), Granger assets, Wattenberg assets and the White Cliffs investment. Affiliates refers to wholly owned and partially owned subsidiaries of Anadarko, excluding the Partnership, and also refers to Fort Union Gas Gathering, L.L.C. and White Cliffs. Otherwise, references to defined terms used in Exhibits 99.1 and 99.2 should be made to the original 2009 Form 10-K filed with the SEC on March 11, 2010.

Edgar Filing: Western Gas Partners LP - Form 8-K

The Partnership previously completed the acquisition of certain midstream assets from Anadarko pursuant to a Contribution Agreement dated as of January 29, 2010 with an effective date for accounting purposes of January 1, 2010 by which the Partnership acquired a 100% ownership interest in the following assets located in Southwestern Wyoming: (i) the Granger gathering system with related compressors and other facilities, and (ii) gas processing facilities consisting of two cryogenic trains, two refrigeration trains, a natural gas liquids (NGL) fractionation facility and ancillary equipment. These assets are referred to collectively as the Granger assets and the acquisition as the Granger acquisition. On May 4, 2010, the Partnership revised the 2009 Form 10-K by filing a Current Report on Form 8-K to recast the Partnership's financial
