(the Company) to offer \$175 million aggregate principal amount of senior secured notes due 2016 (the Notes) in an offering pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended (the Securities Act) and enter into a new asset-based revolving credit facility (see Item 8.01 Other Events below), the Company intends to disclose certain information attached hereto as Exhibit 99.1. The information attached hereto as Exhibit 99.1, some of which has not been previously reported, is excerpted from a confidential offering memorandum that is being circulated in connection with such private offering. At December 31, 2010, the Company expects to have approximately \$30 to \$35 million in cash and cash equivalents and no borrowings outstanding under its new asset-based revolving credit facility (other than approximately \$2.2 million of letters of credit that will be rolled over to the new revolving credit facility from the Company's existing senior secured credit facility). The information in this Item 7.01, including Exhibit 99.1, is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference into any filing under the Securities Act except as shall be expressly set forth by specific reference in such filing. The furnishing of this information pursuant to Item 7.01 shall not be deemed an admission by the Company as to the materiality of such information.

Item 8.01 Other Events

On November 19, 2010, the Company issued a press release announcing its intention to offer \$175 million aggregate principal amount of senior secured notes due 2016 in an offering pursuant to Rule 144A and Regulation S under the Securities Act and enter into a new asset-based revolving credit facility. Pursuant to Rule 135c under the Securities Act, a copy of such press release is attached as Exhibit 99.2 hereto and is incorporated herein by reference. The press release attached hereto as Exhibit 99.2 shall not constitute an offer to sell, or the solicitation of an offer to buy, any of the Notes, nor shall there be any sale of the Notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state. The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements of the Securities Act and applicable state securities laws.
