In connection with Navios Maritime Acquisition Corporation's (the Company) initial acquisition of vessels in July 2010, the company agreed to acquire two newbuilding LR1 tankers with delivery scheduled in the second half of 2012. The Company, on December 6, 2010, entered into a term loan Facility Agreement of up to \$52.0 million (divided into two tranches of \$26.0 million, consisting of 5 advances under each tranche) with EFG Eurobank Ergasias S.A. (the Facility Agreement) to partially finance the acquisition costs. Each tranche of the Facility Agreement is repayable in 32 equal quarterly installments of approximately \$0.35 million each with a final balloon payment of approximately \$15.0 million to be paid on the last repayment date. The repayment of each tranche starts three months after the drawdown date of each advance of the respective vessel. The loan bears interest at an annual rate of LIBOR plus 3%. The loan also requires compliance with certain financial covenants. Among other events, it will be an event of default under the Facility Agreement if the financial covenants are not complied with or the number of shares of common stock controlled by Navios Maritime Holdings Inc., Angeliki Frangou and their respective affiliates, in the aggregate, is less than 20% of the then outstanding shares of common stock. The Facility Agreement is attached hereto as Exhibit 10.1 to this Report and is incorporated herein by reference.

This Report on Form 6-K is hereby incorporated by reference into the Navios Maritime Acquisition Corporation Registration Statements on Form F-3, File Nos. 333-151707 and 333-169320.
