INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY. THE NECESSARY AUTHORIZATIONS AND APPROVALS HAVE ALREADY BEEN OBTAINED BY WRITTEN CONSENT OF THE MAJORITY STOCKHOLDERS. A VOTE OR WRITTEN CONSENT OF THE REMAINING STOCKHOLDERS IS NOT NECESSARY.

GENERAL INFORMATION

This Information Statement provides information about us and actions proposed by, and taken by written consent of, our majority stockholders. A copy of our 2010 Annual Report is also being provided with this Information Statement. The following questions and answers provide information about this Information Statement.

Why have I received notification about the availability of these materials?

We are required to provide this Information Statement to all holders of our voting stock on the record date, April 14, 2011, to inform them that on April 14, 2011, the majority stockholders, by written consent, took certain actions that normally require a meeting of stockholders as permitted under our Bylaws and Nevada law.

This Information Statement is being provided to you because you are a holder of our common stock, Series A Convertible Preferred Stock or Series B Convertible Preferred Stock as of the record date. As of the record date, 15,865,641 shares of our common stock, 4,392,286 shares of our Series A Convertible Preferred Stock and 69,726 shares of our Series B Convertible Preferred Stock were outstanding. Assuming conversion of all Series A and Series B Convertible Preferred Stock, the total common stock outstanding would have been 30,660,640 shares of common stock.

What actions did the majority holders of the voting stock approve or authorize?

1. The election of Robert Hart, Timothy M. Rice and Martin Woodall to our board of directors for a term of one year; and
2. The ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm.

How many votes were needed for the approval or authorization of these actions?

Directors are elected by a plurality of the votes cast. Therefore, the three director candidates that received the most

FOR votes are elected to the three seats on the board of directors that are being filled. The ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm requires the affirmative vote or written consent of a majority of the shares present in person or by proxy, or, if by a written consent, a majority of those shares entitled to vote at a meeting of stockholders.

Table of Contents

Who are the majority stockholders that authorized or approved these actions and what percent of the voting stock do they hold?

Radical Holdings LP recommended the three director candidates for election and Radical Holdings LP and Radical Investments LP, which are both affiliates of Mark Cuban, authorized or approved the election of these directors by written consent. As of the record date, Radical Holdings LP owned 3,004,486 shares of our common stock, 4,392,286 shares of our Series A Convertible Preferred Stock and 69,726 shares of our Series B Convertible Preferred Stock. As of the record date, Radical Investments LP owned 3,020,382 shares of our common stock.

Each share of our common stock is entitled to one vote on each matter. A holder of a share of our Series A and Series B Convertible Preferred Stock is entitled to vote on all matters required or permitted to be voted upon by our stockholders. Each holder of a share of our Series A or Series B Convertible Preferred Stock is entitled to the number of votes equal to the largest number of full shares of our common stock into which such Series A and Series B Convertible Preferred Stock held by that holder could be converted. As of the record date, Radical Holdings LP owned all of the outstanding shares of Series A and Series B Convertible Preferred Stock and the shares of Series A and Series B Convertible Preferred Stock were convertible into 14,563,804 and 231,195 shares of our common stock, respectively. Accordingly, Radical Holdings LP and Radical Investments LP held 67.9% of the voting power on the record date, which is sufficient to approve or authorize all of these actions.

Why is it that the majority stockholders can do this without having to hold a meeting and having to send out proxies to all stockholders?

Section 2.17 of our Bylaws and Section 78.320 of the Nevada Revised Statutes permit any corporate action, upon which a vote of stockholders is required or permitted, to be taken without a meeting, provided that written consents are received from stockholders having at least the requisite number of shares that would be necessary to authorize or take such action if a meeting was held at which all shares entitled to vote thereon were present and voted. Pursuant to applicable Nevada law, there are no dissenter's or appraisal rights relating to the matters acted upon by our majority stockholders and described in this Information Statement.

Is it necessary for me to do anything?

No. No other votes or written consents are necessary or required. These actions will be effective on or about June 15, 2011, which is at least 40 days after the initial mailing of this Information Statement.

Who is paying for this Information Statement?

We are paying for the costs of preparing and, when applicable, mailing this Information Statement. We will also reimburse banks, brokers, custodians, nominees and fiduciaries for their reasonable charges and expenses to forward this Information Statement and its associated materials to the beneficial owners of our common stock, Series A and Series B Convertible Preferred Stock.

**ACTION ONE
ELECTION OF DIRECTORS**

General

Our majority stockholders recommended and elected the three director candidates named below. Our board of directors oversees the management of Immediatek on your behalf. The board of directors reviews our long-term strategic plans and exercises direct decision-making authority on key issues, such as the terms of material agreements. Just as important, our board of directors appoints the Chief Executive Officer, sets the scope of his authority to manage Immediatek's day-to-day operations and evaluates his performance. Information given in this Information Statement regarding directors, executive officers, officers or other persons holding specific positions or relationships with the Company is not included for any portion of the period during which such person did not hold any such position or relationship.

Directors Nominated and Elected (Terms expiring in 2012)

Robert Hart (age 50)	Mr. Hart has served as a director on our board of directors and the board of directors of DiscLive, since January 15, 2008. Mr. Hart has been the Secretary of Immediatek since January 15, 2008. Mr. Hart is also on the board of directors of IMKI Ventures, Inc. and Officeware Corporation. Mr. Hart is the Secretary of DiscLive and IMKI Ventures, Inc. Mr. Hart is currently, and for over five years has been, self-employed as an attorney. Since 2001 Mr. Hart has served as an officer and General Counsel to several companies owned and controlled by Mark Cuban, including Radical Management LLC, which is the general partner of Radical Holdings LP, which is the sole stockholder of our Series A and Series B Convertible Preferred Stock and Radical Investments Management LLC, which is the general partner of Radical Investments LP.
Timothy M. Rice (age 43)	Mr. Rice has served on the board of directors of Officeware Corporation since he founded the company on October 12, 1995. Mr. Rice has been the President of Officeware Corporation since that date as well. Since September 27, 2010, Mr. Rice has been the President and Chief Executive Officer of Immediatek as well. Officeware Corporation is a wholly-owned subsidiary of the Company. Prior to founding Officeware Corporation, Mr. Rice served as a software developer and systems consultant for Ingersoll-Rand, the Federal Aviation Administration, Nissan North America, The Limited and Investcorp Bank B.S.C. He also served as Product Lead for Microsoft Excel throughout the Microsoft Excel 5.0 development and release cycle.
Martin Woodall (age 57)	Mr. Woodall has served on our board of directors since he was appointed on September 27, 2010. Mr. Woodall is currently, and for the past five years has been, employed by Radical Ventures LLC. Radical Ventures LLC is an affiliate of Mark Cuban. Mr. Woodall also currently serves, and since 2004 has served, as an officer to companies owned and controlled by Mark Cuban. Such companies include Radical Management LLC, which is the general partner of Radical Holdings LP. Radical Holdings LP is the sole stockholder of the Series A and Series B Convertible Preferred Stock of Immediatek.

Table of Contents

Since June 8, 2006 (the closing of the issuance and sale of our Series A Convertible Preferred Stock), our board of directors has not been required under the rules of the American Stock Exchange to consist of at least a majority of independent directors because we became a controlled company under the rules of the American Stock Exchange. Our board of directors met six times, and acted by unanimous written consent three times, during 2010. There are no standing committees of our board of directors. Each of our directors attended all of the meetings of our board of directors during the times that they were directors. Because we have not held an annual stockholders meeting since 2000 and because our majority stockholder has sufficient voting power to take actions without a meeting of our stockholders, our board of directors has not adopted a formal policy with regard to director attendance at annual meetings of stockholders.

Effective Date

The above named persons will be elected to our board of directors effective 40 days following the initial mailing of the Notice of Internet Availability of Information Statement, or June 15, 2011.

Director Compensation

We currently do not pay our directors a fee for attending scheduled and special meetings of the board of directors. However, we reimburse each director for reasonable travel expenses related to that director's attendance at meetings of the board of directors.

None of our directors were compensated for their services during 2010. However, our directors who served as named executive officers were compensated for such services. *See* Management Executive Compensation below.

Board Committees

Due to the limited size of our board of directors, our board of directors has not created any standing committees of the board of directors. Accordingly, our board of directors performs the roles of the audit committee, compensation committee and nominating committee.

Audit Committee Function. We do not have a standing audit committee. Accordingly, our board of directors selects our independent registered public accounting firm, reviews our filings with the Securities and Exchange Commission, reviews the results and scope of audit and other services provided by our independent registered public accounting firm, including fees, reviews and evaluates our audit and control functions and investigates other areas of concern that may be manifested in our financial reports or underlying accounting controls and systems. Because we do not maintain a standing audit committee, we do not have a written audit committee charter. We have reviewed the education, experience and other qualifications of each member currently serving on, and those nominated and elected to, our board of directors. After that review, we have determined that no member of our board of directors meets the Securities and Exchange Commission's definition of an audit committee financial expert and that no member is independent for audit committee purposes under the applicable rules promulgated by the Securities and Exchange Commission and the American Stock Exchange. We, however, are endeavoring to find a suitable person who qualifies as an audit committee financial expert and is independent and is willing to serve on our board of directors despite our size and the fact that we do not currently compensate directors.

Table of Contents

Compensation Committee Functions. We do not have a standing compensation committee. Accordingly, our board of directors performs the functions of a compensation committee. Because we do not maintain a standing compensation committee, we do not have a written compensation committee charter. We do not believe that it is necessary to have a compensation committee because, unless the directors designated by the holders of the shares of the Series A Convertible Preferred Stock (the Designated Directors) originally issued under the Series A Securities Purchase Agreement control our board of directors and except as otherwise required by law or by our articles of incorporation, we cannot, and we are required to cause our subsidiaries not to, without the consent of the holders of at least 75% of the shares of the Series A Convertible Preferred Stock originally issued under the Series A Securities Purchase Agreement then outstanding:

increase the salary of any officer or employee or pay any bonus to any officer, director or employee not contemplated in a budget or bonus plan approved by the Designated Directors; or

retain, terminate or enter into any salary or employment negotiations or employment agreement with any employee or any future employee.

Because the compensation arrangements which we enter into generally must be approved by the Designated Directors and because Radical Holdings LP (the owner of such Preferred Stock) (and its affiliates) own the majority of our voting stock, we believe that compensation of our officers and employees is aligned with the interests of our stockholders. We have not retained compensation consultants in setting or establishing compensation levels by Immediatek or by our management.

Nominating Committee Functions. See Nominations of Directors below.

Nominations of Directors

We do not have a standing nominating committee or a committee performing similar functions. Accordingly, our board of directors serves as our nominating committee. Because we do not maintain a standing nominating committee, we do not have a written nominating committee charter. Additionally, in accordance with the Investor s Rights Agreement that we entered into with Radical Holdings LP, for so long as any shares of the Series A Convertible Preferred Stock originally issued under the Series A Securities Purchase Agreement remain outstanding, the holders of a majority-in-interest of the shares of the Series A Convertible Preferred Stock originally issued under the Series A Securities Purchase Agreement have the right to designate all the persons to serve as directors on our board of directors and the boards of directors of DiscLive, IMKI Ventures, Inc. and Officeware Corporation. For that reason, our board of directors believes that it is not necessary for us to have a nominating committee. We have, however, adopted the nomination policy described below.

Our board of directors has not promulgated any minimum qualifications that nominees must meet in order to be considered. In identifying individuals qualified to become members of our board of directors, our board of directors will take into account all factors it considers appropriate, which may include experience, accomplishments, education, understanding of the business and the industry in which we operate, specific skills, general business acumen and the highest personal and professional integrity. Our board of directors will first consider the nominees of Radical Holdings LP pursuant to its rights. Generally, our board of directors will next consider the current members of the board of directors because they meet the criteria listed above and possess an in-depth knowledge of us, our history, strengths, weaknesses, goals and objectives. Each of the current directors has specific experience and qualifications that led to the conclusion that such director should serve as a director on our board of directors. Due to the limited size of our board, we do not have a diversity policy.

We believe that our directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of the stockholders. They must also have an inquisitive and objective perspective, practical wisdom and mature judgment. Based upon our businesses and structure, the below are the key experience, qualifications and skills our directors bring to our board of directors:

Leadership experience. We believe that directors with experience in significant leadership positions provide us with special insights. These people generally possess extraordinary leadership qualities and the ability to identify and develop those qualities in others. They demonstrate a practical understanding of organizations, processes, strategy, risk management and the methods to drive change and growth. We believe that each of our directors has experience in significant leadership positions.

Table of Contents

Technology experience. As a technology company and leading innovator, we seek directors with backgrounds in technology because our success depends on developing and investing in new technologies and access to new ideas. We believe that both Mr. Woodall and Mr. Rice have significant experience in developing and marketing new technologies.

Financial and financial reporting experience. We believe that an understanding of financial and financial reporting processes is important for our directors. We measure our operating and strategic performance by reference to financial targets. We expect all of our directors to be financially knowledgeable, though directors are not expected to meet the Securities and Exchange Commission's definition of an audit committee financial expert.

Legal. We believe that an understanding of legal reporting processes is important for our directors.

While we retain and rely upon outside legal counsel, we recognize the importance of Mr. Hart's legal experience as an attorney with relation to regulatory reporting processes and other legal matters.

None of the members nominated and elected to our board of directors are considered to be independent directors, as set forth by the definition contained in the rules of the American Stock Exchange, the rules we have selected to follow to determine independence. Radical Holdings LP, the sole stockholder of the Series A and Series B Convertible Preferred Stock, recommended the nominees to our board of directors in connection with the rights granted to it. Our board of directors will consider stockholder recommendations for candidates to serve on our board of directors. Nominees proposed by our stockholders will be evaluated in the same manner as nominees proposed by our board of directors. Recommendations of director candidates by stockholders should be forwarded to our Secretary. Our Bylaws require that stockholders give advance notice and furnish certain information to us in order to nominate a person for election as a director. *See* the discussion under "Submission of Stockholder Proposals" "Director Nominations" on page 20.

Board Structure and Risk Oversight

Timothy Rice is our President and CEO. Robert Hart serves as the Chairman of the Board. We believe that this structure is appropriate for us because it allows Mr. Rice to speak for and lead Immediatek, as well as manage the day-to-day operations of the Company, while Mr. Hart, through his role as the Chairman of the Board and in conjunction with our majority stockholder, provides effective oversight through such stockholder's ownership of all of the Series A Preferred Stock and ability to designate all of our directors.

Our board of directors has overall responsibility for risk oversight. Throughout the year, the board of directors dedicate a portion of their meetings to review and discuss specific risk topics in greater detail. Strategic and operational risks are presented and discussed in the context of the President's report on operations to the board of directors at regularly scheduled board meetings and at presentations to the board of directors by our other employees and consultants. The board of directors' risk oversight process builds upon management's risk assessment and mitigation processes. The small size of Immediatek allows our board of directors to develop in-depth knowledge of different facets of the business. This in-depth knowledge, coupled with exposure to and frequent communication with our management, assists the board of directors in performing its oversight responsibilities, including risk management, in an effective manner.

Stockholder Communications with the Board of Directors

A copy of this code has been filed as an exhibit to our Annual Report on Form 10-KSB for the year ended December 31, 2007, and is also available upon written request from our Secretary, on our website at www.immediatek.com, or by emailing us at publicfilingsinfo@immediatek.com. Mr. Divinia ceased being employed by the Company in 2010. On April 1, 2010, Mr. Rice and Mr. Jaitly entered into employment agreements with Officeware Corporation. Those agreements have a four year term terminating on March 31, 2014. Upon the termination of Mr. Rice or Mr. Jaitly other than for cause (as described in each employment agreement) Officeware Corporation will pay the lesser of either (i) the amount of salary owed under the agreement or (ii) one year's annual salary. The agreements do not provide for payments triggered upon a change in control of the Company or Officeware Corporation. The employment agreements provide for a set annual salary and an annual compensation review. During the annual compensation review the Board first determines whether the Gross Profit Margin (as defined in each employment agreement) was 30% or greater for the recent fiscal year ended December 31. If so, the Board then determines whether the Company's revenues (as adjusted per the terms of each employment agreement) have increased and surpassed any of the stated hurdles (increases of 30-50%, or more, in adjusted revenues) contained in each employment agreement. If Mr. Rice and Mr. Jaitly have been able to achieve the stated growth rates in a given year of employment, the Board then increases their salary from between 5% to 10% for

the following year. Such increases are cumulative and are available each year. The Board determined that the for the fiscal year ended 2010, that Mr. Rice and Mr. Jaitly had not achieved the stated growth rates and therefore no salary increase was approved for 2011. A copy of each of the employment agreements was filed as exhibits to the Company's Current Report on Form 8-K filed on April 1, 2010 and incorporated herein by reference.

Review, Approval or Ratification of Transactions with Related Parties. During 2010, our board of directors reviewed and did not object to any of the related party transactions reported in this proxy statement. Our board of directors recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and therefore follows the procedures described below to address such risks. Our board of directors is required to review all related party transactions. Immediatek is prohibited from entering or continuing a material related party transaction that has not been reviewed and approved or ratified by the board of directors. Additionally, in transactions where an executive officer is related to any of our goods or services provider, the board of directors must approve the transaction. In reviewing a related party transaction the board of directors considers all of the relevant factors surrounding the transaction including:

- (1) whether there is a valid business reason for us to enter into the related party transaction consistent with the best interests of Immediatek and our stockholders;
- (2) whether the transaction is negotiated on an arm's length basis on terms comparable to those provided to unrelated third parties or on terms comparable to those provided to employees generally;
- (3) whether the board of directors determines that it has been duly apprised of all significant conflicts that may exist or may otherwise arise on account of the transaction, and it believes, nonetheless, that we are warranted in entering into the related party transaction and have developed an appropriate plan to manage the potential conflicts of interest;
- (4) whether the rates or charges involved in the transaction are determined by competitive bids, or the transaction involves rates or charges fixed in conformity with law or governmental authority; and/or
- (5) whether the interest of the related party or that of a member of the immediate family of the related party arises solely from the ownership of our class of equity securities and all holders of our equity securities received the same benefit on a pro-rata basis.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires directors and certain officers, and persons who beneficially own more than ten percent (10%) of our stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Directors, certain officers and greater than ten percent (10%) beneficial owners are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

Table of Contents

Based solely on a review of the copies of such forms received by us, we believe that during the year ended December 31, 2010, no director, officer, beneficial owner of more than ten percent of its outstanding common shares, or any other person subject to Section 16 of the Exchange Act, failed to file on a timely basis, with the exception of one Form 4 for each of Messrs. Cuban and Hart and Radical Holdings LP and Radical Investments LP (all related to the acquisition of shares in conjunction with the Officeware Corporation transaction). All necessary forms were subsequently filed.

We believe that no other Forms 5 for certain directors, officers and greater than ten percent (10%) beneficial owners were required to be filed with the Securities and Exchange Commission for the period ended December 31, 2010.

Audit Report

Our board of directors performed the functions of an audit committee for the fiscal year ended December 31, 2010, and continues to perform such functions. Accordingly, we do not currently operate under an audit committee charter. During 2010, our board of directors consisted of the following persons: initially, Robert Hart and Darin Divinia, effective May 20, 2010, Timothy Rice joined the board, and on September 27, 2010 Darin Divinia resigned from the board and Martin Woodall joined the board. None of those directors were independent under the rules promulgated by the Securities and Exchange Commission and the rules of the American Stock Exchange applicable to audit committees.

Management is responsible for our internal controls and the financial reporting process. Hein & Associates LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards. The board of directors' responsibility is to monitor and oversee the financial reporting processes.

In this context, our board of directors reviewed and discussed the audited financial statements with both management and Hein & Associates LLP. Specifically, our board of directors has discussed with Hein & Associates LLP the matters required to be discussed by statement of Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU ss.380), as amended and adopted by the Public Company Accounting Oversight Board.

Our board of directors received from Hein & Associates LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with Hein & Associates LLP the issue of its independence from us.

Based on our board of directors' review of the audited financial statements and its discussions with management and Hein & Associates LLP noted above, our board of directors recommended and approved the inclusion of the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2010.

This report has been furnished by the current members of our board of directors, Timothy Rice, Martin Woodall and Robert Hart.

ACTION TWO
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

KBA Group LLP served as our independent registered public accounting firm for 2008 and part of 2009. Hein & Associates LLP served as our independent registered public accounting firm for the remainder of 2009 and 2010 and has been selected to serve as our independent registered public accounting firm for 2011, unless our board of directors subsequently determines that a change is desirable.

During the two most recent fiscal years prior to their retention as our auditors, we had not consulted with Hein & Associates LLP regarding:

- the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements, and neither written nor oral advice was provided that was an important factor considered by us in reaching a decision as to the accounting for an auditing or financial reporting issue; or
- any matter that was the subject of a disagreement with KBA Group LLP or event identified in response to paragraph (a)(1)(iv) of Item 304 of Regulation S-K.

Action

While stockholder ratification is not required for the selection of Hein & Associates LLP as our independent registered public accounting firm, the selection was ratified solely with a view toward soliciting the stockholders opinion on the matter, which opinion will be taken into consideration by the board of directors in its future deliberations.

Resignation of KBA Group LLP

Effective June 1, 2009, KBA Group LLP joined BKD, LLP. As a result, on June 19, 2009, KBA Group LLP resigned as our independent registered public accounting firm, and our board of directors accepted the resignation.

The audit report of KBA Group LLP on our financial statements for the years ended December 31, 2008 and December 31, 2007 expressed an unqualified opinion and included an explanatory paragraph relating to our ability to continue as a going concern due to significant recurring losses. Such audit reports did not contain any other adverse opinion or disclaimer of opinion or qualification.

During the two most recent fiscal years prior to their resignation, there were no disagreements with KBA Group LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of KBA Group LLP, would have caused such entity to make reference to such disagreements in its reports. During our two most recent fiscal years prior to their resignation, no reportable events (as described in Item 304(a)(1)(v) of Regulation S-K) occurred that would be required to be disclosed in this report.

Vote Required; Manner of Approval

The ratification, where required or permitted, of the appointment of Hein & Associates LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the shares present in person or by proxy or, if by written consent, a majority of the shares entitled to vote at a meeting of stockholders. Section 2.17 of our Bylaws and Section 78.320 of the Nevada Revised Statutes permit any corporate action, upon which a vote of stockholders is required or permitted, to be taken without a meeting, provided that written consents are received from stockholders having at least the requisite number of shares that would be necessary to authorize or take such action if a meeting was held at which all shares entitled to vote thereon were present and voted. Accordingly, the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm may be effected by a written consent executed by stockholders representing at least a majority of our outstanding stock entitled to vote. Because Radical Holdings LP and Radical Investments LP represent 67.9% of our outstanding voting stock on the record date, the written consent that they delivered on April 14, 2011, is sufficient to ratify the appointment and no further vote, approval or consent of stockholders is required to approve or authorize this action.

Table of Contents

OUR BOARD OF DIRECTORS RECOMMENDED A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF HEIN & ASSOCIATES LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Effective Date

The ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm will be effective 40 days following the initial mailing of the Notice of Internet Availability of Information Statement, or June 15, 2011.

Audit Fees

Fees billed by KBA Group LLP for the reviews of the quarterly financial statements included in our Forms 10-Q during 2009 totaled \$10,875. Fees billed by Hein & Associates LLP for the audits of our 2010 and 2009 annual financial statements, included in our 2010 and 2009 Annual Reports on Form 10-K and the reviews of the quarterly financial statements included in our Forms 10-Q during 2010 and 2009 amounted to \$82,619 and \$61,805 for those two years, respectively.

Audit-Related Fees

Except as disclosed, no other assurance or audit related services that were reasonably related to the performance of the audit or review of our financial statements were billed by KBA Group LLP. Fees billed by Hein & Associates LLP primarily related to the Officeware Corporation transaction and work related to our internal controls totaled \$3,253 and \$52,618 during 2010 and 2009, respectively.

Tax Fees

Fees totaling \$7,875 were billed by KBA Group LLP for tax compliance, tax advice and tax planning for 2009. Fees totaling \$12,075 were billed by Hein & Associates LLP for tax compliance, tax advice and tax planning for 2010.

All Other Fees

In 2009 and 2010, neither KBA Group LLP nor Hein & Associates LLP billed us for any other services.

Board of Directors Policy Regarding Pre-approval of Non-Audit Services

Our board of directors pre-approves the nature and estimated amount of non-audit services to be provided to us by our independent registered public accounting firm, taking into consideration the impact that the rendition of such services could have on auditor independence. Specifically, our board of directors has pre-approved the use of Hein & Associates LLP for detailed, specific types of services within the following categories of non-audit services: merger and acquisition due diligence and audit services related to the Officeware Corporation merger, internal control reviews, tax compliance and advisory services.

SUBMISSION OF STOCKHOLDER PROPOSALS

Stockholder Proposals

We anticipate that in lieu of an annual meeting of stockholders for the year ending December 31, 2011, our majority stockholders will submit a written consent in April 2012. Any stockholder who wishes to present a proposal for action prior to the submission of a written consent by the majority stockholders and who wishes to have it set forth in the information statement prepared by us, must deliver such proposal to our Secretary at our principal executive offices, no later than December 2, 2011, in such form as is required under regulations promulgated by the Securities and Exchange Commission.

In the event that we hold an annual meeting of stockholders next year, with respect to any proposal that is not submitted for inclusion in that proxy statement, but is instead sought to be presented directly at the annual meeting of stockholders, the stockholder must deliver or mail a notice of the stockholder proposal, together with all of the information and materials discussed below, to our Secretary, which notice must be received at our principal executive offices not earlier than December 2, 2011, and not later than February 1, 2012.

In order to be eligible to submit a stockholder proposal notice, the stockholder must be a stockholder of record at the time of giving the notice of the proposal and entitled to vote at the meeting. The stockholder proposal notice must set forth for each matter proposed to be brought before the meeting:

- a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and, in the event that such business includes a proposal regarding the amendment of either our Articles of Incorporation or Bylaws, the language of the proposed amendment;

- the name and address, as they appear on our books, of the stockholder proposing such business;

- a representation of the stockholder as to the class and number of shares of our capital stock that are beneficially owned by such stockholder, and the stockholder's intent to appear in person or by proxy at the meeting to propose such business;

- a list of the names and addresses of other beneficial owners of shares of our capital stock, if any, with whom such stockholder is acting in concert, and the number of shares of each class of our capital stock beneficially owned by each such beneficial owner; and

- any material interest of the stockholder in such proposal or business.

Within fourteen days after the stockholder proposal notice, together with all of the information and materials discussed immediately above, has been submitted to our Secretary, our Secretary and board of directors will determine whether the items submitted are in the form and within the time indicated and will provide notice in writing to the person submitting the stockholder proposal of their determination. In the event that the stockholder fails to submit a required item in the form and within the time indicated, Securities and Exchange Commission rules permit our management to vote proxies in its discretion on the matter at the meeting.
