Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K and Exhibit 99.1 hereto may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to the Trust's business that is not historical information. As a general matter, forward-looking statements are those focused upon future or anticipated events or trends and expectations and beliefs relating to matters that are not historical in nature. The words believe, expect, plan, intend, estimate, or anticipate and similar expressions, as well as future or conditional verbs such as should, would, and could, often identify forward-looking statements. The Trust believes there is a reasonable basis for its expectations and beliefs, but they are inherently uncertain, and the Trust may not realize its expectations and its beliefs may not prove correct.
