Report of Independent Auditors

Employee Benefits Committee
Comerica Incorporated Preferred Savings Plan

We have audited the accompanying statements of assets available for benefits of the Comerica Incorporated Preferred Savings Plan as of December 30, 2001 and 2000 and the related statement of changes in assets available for benefits for the year ended December 30, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, information regarding the Plan's assets available for benefits at December 30, 2001 and 2000 and the changes therein for the year ended December 30, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were made for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2001 and reportable transactions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary

Edgar Filing: COMERICA INC /NEW/ - Form 11-K

information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Comerica Incorporated Preferred Savings Plan

Notes to Financial Statements (continued)

December 30, 2001 and 2000 and
Year ended December 30, 2001

1. DESCRIPTION OF THE PLAN

The Comerica Incorporated Preferred Savings Plan (the "Plan") is a defined contribution plan covering all eligible employees of Comerica Incorporated (the "Corporation") and certain subsidiaries.

On January 29, 2001, the Corporation acquired Imperial Bancorp. As a result, the assets from the Employee Stock Ownership Plan of Imperial Bancorp and the Salary Investment Plan of Imperial Bancorp transferred to the Plan on August 31, 2001 and September 17, 2001, respectively. Participants in the Imperial Bancorp Plans became eligible to contribute to the Plan as of July 1, 2001.

Information about the plan agreement, participants' investment alternatives and the vesting and benefit provisions is contained in the pamphlet "Comerica Incorporated Preferred Savings Plan." Copies of this pamphlet are available from the Human Resources office.

Participants may make annual contributions to the Plan on a pre-tax basis, not to exceed the lesser of 20% of the participant's annual compensation or the IRS allowed maximum (\$10,500 in 2001 and 2000).

The Corporation will match a percentage of the first \$3,000 of the participant's pre-tax contributions, as defined by the Plan. In addition, the Corporation may make discretionary contributions based upon attaining certain corporate financial performance measurements. Both the Corporation match and discretionary

contribution are invested in Comerica stock.

During 1999, the Plan was amended to add an Employee Stock Ownership Plan (ESOP) provision to the Plan. Participants' investments in Comerica Incorporated stock, including corporate matching contributions, are held in an ESOP account and dividends earned on Comerica stock are paid outside the Plan. Participants may elect to either reinvest the dividends in Comerica Incorporated stock within the Plan or receive the dividends as cash with their regular pay.

Contributions receivable represent amounts due from the Corporation under a performance match program which rewards employee results through a corporate contribution to participants' ESOP accounts.

Comerica Incorporated Preferred Savings Plan

Notes to Financial Statements (continued)

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants direct the investment of their accounts, excepting the nonparticipant directed investment in Comerica Incorporated common stock, among the investment funds offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

The Corporation has the right to amend or terminate the Plan at any time. In the event the Plan is terminated, all participants' accounts become fully vested and nonforfeitable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The fair values of the participation units owned by the Plan in mutual and collective trust funds are based on the net asset values on the last business day of the plan year.

Marketable securities are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the plan year; investments traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the average of the last reported bid and ask prices.

The fair value of investments in Comerica Incorporated common stock is based on the last reported sales price on the last business day of the plan year as traded on the New York Stock Exchange.

The participant loans are valued at their outstanding balances, which approximate fair value.

Administrative expenses incurred in connection with the operation of the Plan are borne by the Corporation.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

6. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service

Edgar Filing: COMERICA INC /NEW/ - Form 11-K

dated June 29, 1998, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Employee Benefits Committee believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

7. DIFFERENCES BETWEEN FINANCIAL STATEMENTS AND FORM 5500

Amounts allocated to withdrawn participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year-end but not yet paid. Amounts allocated on Form 5500 to withdrawn participants at December 30, 2001 and 2000, respectively, were \$1,866,414 and \$1,531,765.
