FOR IMMEDIATE RELEASE

**FAIRVEST, CANADA'S LEADING INDEPENDENT PROXY ADVISORY FIRM, REVERSES WHEATON
RIVER RECOMMENDATION**

**NOW RECOMMENDS WHEATON RIVER STOCKHOLDERS VOTE AGAINST IAMGOLD-WHEATON
RIVER
PLAN OF ARRANGEMENT**

**COEUR: REVERSAL BY ISS AFFILIATE SENDS STRONG MESSAGE TO WHEATON RIVER'S BOARD
THAT JUNE 8th MEETING SHOULD BE POSTPONED**

Coeur d'Alene, Idaho, June 4, 2004 Coeur d'Alene Mines Corporation (NYSE:CDE) today announced that Fairvest, Canada's leading independent proxy advisory firm and an affiliate of Institutional Shareholder Services (ISS), today reversed its previous recommendation to stockholders of Wheaton River Minerals Ltd. (TSX:WRM, AMEX:WHT). Fairvest now recommends that Wheaton River stockholders vote AGAINST the proposed Wheaton River-IAMGOLD Corporation (TSX:IMG, AMEX:IAG) plan of arrangement at the Special Meeting of Wheaton River Stockholders scheduled to be held on Tuesday, June 8, 2004.

Fairvest, an ISS company, recommendations are relied upon by hundreds of major institutional investment firms, mutual funds, and other fiduciaries throughout the Canada, U.S. and the world.

Dennis E. Wheeler, Chairman and Chief Executive Officer of Coeur d'Alene, said, "We are very pleased that Fairvest, an ISS company, reversed its previous decision and now recommends that Wheaton River stockholders vote AGAINST the proposed IAMGOLD-Wheaton River plan of arrangement. We believe today's decision recognizes that Coeur's revised proposal represents a significant premium to the IAMGOLD transaction. Wheaton River stockholders should act now and send a strong message to the Wheaton River Board that they want the opportunity to consider Coeur's superior merger proposal.

Fairvest, in its June 4th report, noted that Coeur's revised merger proposal represents a premium of 16% based on closing prices of Coeur's and Wheaton River's shares on June 2, 2004. Coeur noted that prior to Fairvest's June 4th recommendation, Fairvest had acknowledged that a sweetened offer of approximately 10-12% by Coeur would necessitate a review and possible revision of its previous recommendation.

Mr. Wheeler called upon the Wheaton River Board to either postpone the June 8 Special Meeting or waive today's early cutoff of 11:00 am ET to submit proxy votes for the meeting. We understand that this is the traditional practice to waive the deadline and we call upon the Wheaton River Board to make a public announcement immediately to this effect, added Mr. Wheeler.

In today's report recommending Wheaton River stockholders to now vote AGAINST the IAMGOLD transaction, Fairvest noted:

We recommend opposing the Wheaton merger on the basis that it imposes a deadline that precludes shareholders from exploring the benefits of another legitimate and possibly superior proposal.

We believe that shareholders need more time and information on the two options. With the deadline looming so close, we believe that the Wheaton board should be working to get more time for shareholders to evaluate their options.
