Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information provided or incorporated by reference in Item 3 and Item 4 is hereby incorporated by reference herein.

Issuer's Partnership Agreement

The General Partner, as the sole general partner of the Issuer, and Holdings, as a limited partner of the Issuer, are party to the Partnership Agreement.

Cash Distributions

The Issuer's cash distribution policy will require it to pay cash distributions at an initial distribution rate of \$0.28750 per common unit per quarter (\$1.15 per common unit on an annualized basis) to the extent the Issuer has sufficient cash from operations after establishment of cash reserves and payment of fees and expenses, including payments to its general partner and its affiliates. The Issuer calls this quarterly distribution amount the minimum quarterly distribution, and the Issuer's ability to pay it is subject to various restrictions and other factors. The Issuer will adjust the minimum quarterly distribution for the period from the closing of the Offering through December 31, 2007, based on the actual length of that period.

Table of Contents

The Partnership Agreement requires the Issuer to distribute, at the end of each quarter, all of its cash on hand, less reserves established by the General Partner. The Issuer refers to this amount as available cash. The Partnership Agreement requires that the Issuer distribute all of its available cash each quarter in the following manner:

first, 98% to the holders of common units, pro rata, and 2% to the General Partner, until each outstanding common unit has received a minimum quarterly distribution for that quarter;

second, 98% to the holders of common units, pro rata, and 2% to the General Partner, until each outstanding common unit has received an amount equal to any arrearages in payment of the minimum quarterly distribution on the common units for any prior quarters during the subordination period;

third, 98% to the holders of subordinated units, pro rata, and 2% to the General Partner, until each subordinated unit has received a minimum quarterly distribution for that quarter; and

thereafter, in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

If cash distributions to the unitholders exceed \$0.3450 per unit in any quarter, the General Partner will receive, in addition to distributions on its 2% general partner interest, increasing percentages, up to 48%, of the cash the Issuer distributes in excess of that amount. These distributions are referred to as incentive distributions.

Conversion of Subordinated Units

The subordination period generally will end if the Issuer has earned and paid at least \$0.28750 per quarter on each outstanding limited partner unit and general partner unit for any three consecutive, non-overlapping four-quarter periods ending on or after December 31, 2010. If the Issuer has earned and paid at least \$0.43125 per quarter (150% of the minimum quarterly distribution) on each outstanding limited partner unit and general partner unit for each quarter in any four-quarter period ending on or after December 31, 2008, the subordination period will terminate automatically and all of the subordinated units will convert into an equal number of common units. The subordination period will also terminate automatically if the General Partner is removed other than for cause and the units held by the General Partner and its affiliates are not voted in favor of removal.

When the subordination period ends, all remaining subordinated units will convert into common units on a one-for-one basis, and the common units will no longer be entitled to arrearages.

Issuance of Additional Units

The Partnership Agreement authorizes the Issuer to issue an unlimited number of units for the consideration and on terms and conditions determined by the General Partner without unitholder approval.

Limited Voting Rights

The General Partner will control the Issuer and the unitholders will have only limited voting rights. Unitholders will have no right to elect the General Partner or its directors. The General Partner may not be removed, except by a vote of the holders of at least 66 2/3% of the Issuer's units, including units owned by the General Partner and its affiliates, other than general partner units. Upon consummation of the Offering, the General Partner and its affiliates will own an aggregate of approximately 66.1% of the common and subordinated units. This will give El Paso, as the indirect owner of 100% of the interests in the General Partner, the ability to prevent the General Partner's involuntary removal.

Table of Contents*Limited Call Right*

If at any time the General Partner and its affiliates own more than 75% of the outstanding common units, the General Partner has the right, but not the obligation, to purchase all of the remaining common units at a price not less than the then current market price of the common units.

Registration Rights

Pursuant to the Partnership Agreement, the Issuer has agreed to register for resale under the Securities Act and applicable state securities laws any common units, subordinated units or other partnership securities proposed to be sold by the General Partner or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following any withdrawal or removal of El Paso Pipeline GP Company, L.L.C. as general partner. The Issuer is obligated to pay all expenses incidental to the registration, excluding underwriting discounts and fees.

The General Partner's Limited Liability Company Agreement

Under the First Amended and Restated Limited Liability Company Agreement of the General Partner (the General Partner LLC Agreement), Holdco has the right to elect the members of the board of directors of the General Partner.

To the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
