Spark Merger Corp.
1100 Carr Road

(302) 791-8000

Spark Merger Corp. is a company formed by Concord on November 21, 2001 solely for use in the merger.

What You Will Receive in the Merger (page 16)

As a result of the merger each Logix membership unit that you own will be converted into the number of shares of Concord common stock determined in accordance with the merger agreement.

Holders of Logix membership units can generally expect to receive approximately 0.043658 shares of Concord common stock for each Logix

Edgar Filing: CONCORD EFS INC - Form S-4/A

membership unit held. In calculating the consideration payable to you, Concord will be entitled to rely on certain representations made by Logix. If these representations prove inaccurate, Concord will have the right to adjust the ratio at which Logix membership units are to be converted in the merger. The merger consideration is generally intended to provide to Logix members 1.1 million shares of Concord common stock minus, subject to an agreed-upon floor price for the Concord shares, the number of shares of Concord common stock which are equal in value to \$5,609,583.39. This amount is to be delivered by Concord at the closing in connection with the purchase by certain subsidiaries of Logix of all of the outstanding equity interests of HIS Financial Services Corporation (HIS) and EFTLogix, Inc., formerly known as RBSA, Incorporated (RBSA). The above formula represents an aggregate value of approximately \$31 million, based on an assumed Concord share price of \$28.22.

The table below sets forth an example of the exchange of Logix membership units into shares of Concord common stock as a result of the merger. If the merger had closed on February 6, 2002 and you owned 1,000 Logix membership units, then you would receive the following:

Example of Exchange Values:

If you own 1,000 Logix membership units	You would receive this many shares of Concord common stock (excluding shares subject to the indemnity fund)	You would receive this amount of cash in lieu of fractional shares	The indemnity agent will receive this many shares of Concord common stock

	41	\$18.57	2

The example above has been calculated on a fully-diluted basis based upon 20,757,103 Logix membership units being exchanged in the merger. This number reflects the number of Logix membership units outstanding as of the record date, less the 241,816 membership units held by HIS on that date, which will be canceled in connection with the merger rather than converted. If the total number of Logix membership units outstanding as of the merger is greater than 20,757,103, on a fully-diluted basis, the exchange ratio will be reduced accordingly.

The cash in lieu of fractional share amount listed in the previous table is only an example, as this number will be based on the per share Concord closing price on the date on which the merger occurs.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Under the merger agreement, Concord and its affiliates will be indemnified against any losses that may arise in the event of a breach by Logix of its warranties, covenants or obligations in the merger agreement or arising from claims of infringement relating to a certain patent. To meet this obligation, the parties will establish an indemnity fund. After the merger, Concord will cause 5% of the whole shares of Concord common stock issuable to Logix members in connection with the merger to be deposited with First Tennessee Bank National Association, as indemnity agent. The indemnity fund will be governed by a separate indemnity agreement, which is attached as Annex C.

Two member representatives, who will initially be A. Anthony Sdao and Kristin DelMonte, will represent the former Logix members whose shares of Concord common stock are held in the indemnity fund. The persons acting as the member representatives can be changed by Logix prior to the merger or by the holders of a majority in interest of the shares in the indemnity fund at any time upon not less than ten days' prior written notice to Concord and the indemnity agent. The indemnity fund and indemnification obligations will end one year after the effective time of the merger, except with respect to any pending or outstanding indemnity claims. At that time, if no indemnity claim has been made, the shares of Concord common stock in the indemnity fund will be released to the former holders of Logix membership units in accordance with the indemnity agreement.

The Special Meeting (page 11)

At the special meeting, the holders of Logix membership units will be asked to approve and adopt the merger agreement. The close of business on February 7, 2002 is the record date for determining whether you are entitled to vote at the special meeting. At that date, there were 20,998,919 Logix membership units outstanding. Each membership unit is entitled to one vote at the special meeting.

2

The vote of 70% of the outstanding Logix membership units is required to approve and adopt the merger agreement.

Voting Agreements (page 32)

As a condition to Concord's willingness to enter into the merger agreement, Concord has entered into separate voting agreements with certain of Logix's members. These members have agreed, without any additional consideration being paid to them, to vote all of their membership units in favor of the merger. Members owning, as of the record date, 18,030,011 membership units, representing approximately 86% of the Logix membership units then outstanding, have entered into such voting agreements with Concord.

APPROVAL AND ADOPTION OF THE MERGER AGREEMENT BY THE LOGIX MEMBERS IS THEREFORE ASSURED. HOWEVER, BECAUSE THERE ARE OTHER CONDITIONS TO CLOSING THAT HAVE NOT YET BEEN FULFILLED, THE CLOSING OF THE MERGER IS NOT ASSURED.

Concord's Reasons for the Merger (page 14)

Concord's purpose for engaging in the transactions contemplated by the merger agreement is to acquire control of, and the entire equity interest in,

Edgar Filing: CONCORD EFS INC - Form S-4/A

Logix. Concord believes that the acquisition of Logix will enhance Concord's existing business.

To review Concord's reasons for the merger in greater detail, see ''THE MERGER--Concord's Reasons for the Merger.''

Logix's Reasons for the Merger (page 14)

The Logix Board of Managers unanimously approved the merger agreement and the merger and recommends that you vote to approve and adopt the merger agreement. The Logix Board of Managers believes that the merger is fair to and in the best interests of Logix and its members. In reaching its decision, the Logix Board of Managers considered a number of factors, including the following:

- . the historical performance, business operations, financial condition and prospects of Concord;
- . the financial and other significant terms of the proposed merger, including the terms and conditions of the merger agreement;
- . the combination of expertise and resources of the two companies; and
- . the compatibility of management and businesses of Logix and Concord.

To review Logix's reasons for the merger in greater detail, see ''THE MERGER--Logix's Reasons for the Merger; Recommendation of the Logix Board of Managers.''

Interests of Certain Persons in the Merger (page 15)

In considering the recommendation of the Logix Board of Managers regarding the merger, you should be aware of the interests that certain officers and managers of Logix have in the merger that are different from your and their interests as members.

The current officers and managers of Logix will be indemnified by Concord with respect to acts or omissions occurring at or prior to the time of the merger, to the same extent as such persons are presently indemnified.

As a condition to the closing of the transactions contemplated by the merger agreement, Logix's employment agreement with A. Anthony Sdao, its President and a member of its Board of Managers, will be terminated and Mr. Sdao will execute an employment agreement with Spark Merger Corp., the surviving corporation. Mr. Sdao's position and duties will be determined by Concord subject to Mr. Sdao's reasonable approval. Under his new employment agreement, Mr. Sdao will be guaranteed a base salary of at least \$100,000.00 per year and will be eligible for the grant of options to purchase Concord common stock. If Mr. Sdao is terminated without cause or if he terminates his employment due to a material breach by Spark Merger Corp., under his new agreement he will be entitled to receive certain payments provided that he executes a release of claims against certain parties, including Concord and Spark Merger Corp. The agreement will also contain certain confidentiality, noncompetition, nonsolicitation and assignment of inventions provisions.

Additionally, at the closing Concord will pay to each of Mr. Sdao and Scott Bahneman, Logix's Vice President of Marketing and Business Development and a member of the Logix Board of Managers, certain amounts of fixed interest which had accrued under certain loans made by such individuals to Logix but had not

Edgar Filing: CONCORD EFS INC - Form S-4/A

been paid to such individuals by Logix.

Likewise, at the closing Concord will pay to Lana Rozendorf, a manager and Secretary of Logix, and her husband Vladimir Rozendorf, a Vice President of Logix, amounts due and owing to such individuals under a promissory note of Logix and additional amounts based upon commitments to such individuals contained in the operating agreement of TouchLogix, LLC, a subsidiary of Logix.

At the closing Concord will cause Spark Merger Corp. to pay to certain of its employees, some of whom are also officers and managers of Logix, all accrued and unpaid compensation owed by Logix to such individuals. The affected individuals are Todd Anderson, Kristin DelMonte, Daniel Lykken, and each of Lana and Vladimir Rozendorf, each of whom is an officer of Logix. Each of Messrs. Anderson and Lykken, Ms. DelMonte and Ms. Rozendorf is also a manager of Logix. Concord will also cause Spark Merger Corp. to forgive all principal and interest relating to certain indebtedness owed to Logix by each of Kristin DelMonte, Daniel Lykken and Brian Shanahan, each of whom is an officer and a manager of Logix.

In addition, after the closing, certain managers and members of management of Logix may receive options to acquire shares of Concord common stock. The individuals who will receive such options will be determined by the Board of Directors of Concord in its sole discretion after consultation with A. Anthony Sdao.

In connection with the merger, A. Anthony Sdao and Scott Bahneman will release all rights they have to the deferred salary owed to them by Logix in the aggregate amount of \$345,000.00 and Spark Merger Corp. will establish a \$345,000.00 bonus pool for employees of Logix designated by Concord who remain employees of Spark Merger Corp., the surviving corporation. Certain managers and members of management of Logix may receive allocations from this bonus pool. The bonus pool will be allocated by Concord in its sole discretion after consultation with A. Anthony Sdao and will be paid within 30 days after the closing of the merger.

The Logix Board of Managers recognized all the interests described above and concluded that these interests did not detract from the fairness of the merger to the Logix members. Please refer to page 15 for more information concerning the interests of Logix's managers and officers. See ''THE MERGER--Interests of Certain Persons in the Merger; Conflicts of Interest.''

Regulatory Approvals (page 33)

In order to consummate the merger, regulatory approval under the Bank Holding Company Act of 1956 must be obtained. Concord has filed the applicable notice with the Board of Governors of the Federal Reserve System. Also, the waiting period applicable to the consummation of the merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR Act) must be terminated or expire, if such filing under the HSR Act is required. In addition, the parties must comply with applicable Federal and state securities and corporate laws.

Conditions to the Merger (page 28)

Concord and Logix are not obligated to complete the merger unless a number of conditions are satisfied or waived by them. These include the following:

- . the holders of 70% of the outstanding Logix membership units must vote to approve and adopt the merger agreement;
- . the shares of Concord common stock to be issued in the merger and not previously listed must be authorized for quotation on the Nasdaq National Market System (Nasdaq);

Edgar Filing: CONCORD EFS INC - Form S-4/A

- . the relevant governmental authorities and other third parties must approve the merger;
- . there must be no law, injunction or order that makes the merger or any of the transactions contemplated by the merger agreement illegal;

4

- . the registration statement on Form S-4 of which this proxy statement and prospectus is a part shall be declared effective;
- . no governmental entity must have instituted any suit relating to the merger agreement or the transactions contemplated thereby;
- . Logix, Concord and Spark Merger Corp. must perform, in all material respects, all of their obligations under the merger agreement;
- . with certain exceptions, Concord and Logix must each certify to the other that its representations and warranties contained in the merger agreement are true and correct, in all material respects;
- . Concord must receive a certificate from officers of Logix as to Logix's then current capital structure;
- . each Logix member shall have executed a general release in favor of Logix, Concord and Spark Merger Corp.;
- . all of the outstanding equity interests of HIS and RBSA shall be acquired by Logix or one of its subsidiaries as provided in the merger agreement;
- . the indemnity agreement must be executed by the indemnity agent and the member representatives and delivered to Concord;
- . A. Anthony Sdao must be employed by Logix at the closing and execute a new employment agreement;
- . the board of directors of HIS shall have taken all actions necessary or appropriate to cause each outstanding option to purchase shares of HIS common stock, whether or not exercisable, to be fully vested and fully exercised on or prior to the closing and each holder of HIS stock options shall have become a party to a certain Purchase Option Agreement in favor of a subsidiary of Logix;
- . each holder of an equity interest in RBSA and certain other individuals shall have executed a general release in favor of Logix, RBSA, Concord and Spark Merger Corp.;
- . one of Logix's subsidiaries shall have modified or terminated, as designated by Concord, certain agreements between it and certain third parties on terms acceptable to Concord;
- . ATMI, Inc. shall have executed a general release in favor of Logix, Concord and Spark Merger Corp.;
- . each holder of an equity interest in HIS shall have executed a stock power and the President of HIS (who also owns HIS equity interests) shall have executed a general release in favor of HIS, Logix, Concord

Edgar Filing: CONCORD EFS INC - Form S-4/A

and Spark Merger Corp.;

- . a particular legal opinion rendered to Logix shall not have been amended or withdrawn;
- . Logix shall deliver a certificate to Concord concerning certain payments to be made at closing;
- . prior to closing, Lavinna Company, LLC shall either cease all manufacturing activity or Logix shall cause it to be merged into Logix; and
- . other customary contractual conditions specified in the merger agreement must be satisfied.

The party entitled to the benefit of some of these conditions may waive these conditions. Neither Concord nor Logix can make assurances that the conditions will be satisfied or waived or that the merger will occur. See ''THE MERGER AGREEMENT--What is Needed to Complete the Merger.''

5

Termination of the Merger Agreement (page 30)

Logix and Concord can agree at any time to terminate the merger agreement without completing the merger, and the merger agreement may be terminated by either company if any of the following occurs:

- . the other party materially breaches any of its representations, warranties or obligations under the merger agreement and does not cure such breach within 30 business days of receiving notice of it;
- . the merger is not completed by June 17, 2002; or
- . a court or other governmental authority seeks to prohibit the merger or the ownership, operation or control by Logix, Concord or any of their subsidiaries of any portion of their business or assets.

In addition, Concord may terminate the merger agreement if any of the following occurs:

- . Logix members do not approve the merger agreement;
- . the Logix Board of Managers fails to recommend or modifies or withdraws its recommendation in favor of the merger or its declaration that the merger is fair to and in the best interest of Logix and Logix's members;
- . if any other person or entity becomes the beneficial owner of 20% or more of the Logix membership units; or
- . if the Logix Board of Managers recommends in favor of any takeover proposal other than the merger with Concord or resolves to do so.

No Solicitation of Competing Transactions (page 27)

The merger agreement restricts Logix's ability to solicit, initiate, encourage or enter into any alternative acquisition transactions with third

Edgar Filing: CONCORD EFS INC - Form S-4/A

parties. Logix must promptly notify Concord if it receives offers, proposals or expressions of interest for any such alternative transactions.

Appraisal Rights (page 19)

The Colorado statutes under which the merger will be effectuated do not provide any dissenters' rights of appraisal for Logix members who object to the merger.

Certain United States Federal Income Tax Aspects (page 19)

Although the merger will be effectuated under the applicable corporate and limited liability company laws governing mergers, it is not a tax-free or tax-deferred transaction.

Tax matters are very complicated and the tax consequences of the merger to you will depend on the facts of your own situation. You should consult your tax advisor to understand fully the tax consequences of the merger to you. See ''THE MERGER--Certain United States Federal Income Tax Aspects.'' (page 19)

Accounting Treatment (page 21)

Concord expects to account for the merger under the "purchase" method of accounting.

Forward-Looking Statements May Prove Inaccurate; Risk Factors (page 21)

Concord and Logix have made forward-looking statements in this document and in documents to which we have referred you. These statements are made pursuant to the safe harbor provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements include assumptions as to how Concord and Logix may perform in the future. You will find many of these statements in the following sections:

- . ''THE MERGER--Concord's Reasons for the Merger'' (page 14)

THE SPECIAL MEETING

General

This proxy statement and prospectus is being furnished in connection with the solicitation of proxies by the Logix Board of Managers for use at the special meeting of holders of Logix membership units. This proxy statement and prospectus, the attached Notice of Special Meeting of Members and the enclosed form of proxy are first being mailed to members of Logix on or about February 7, 2002.

Matters to Be Considered at the Special Meeting

At the Logix special meeting, holders of Logix membership units will be asked to consider and vote on a proposal to approve and adopt the merger and the merger agreement.

After careful consideration, the Logix Board of Managers has unanimously declared that the merger agreement and the merger are advisable and fair to and in the best interests of Logix and its members. THE LOGIX BOARD OF MANAGERS HAS UNANIMOUSLY APPROVED THE MERGER AGREEMENT AND UNANIMOUSLY RECOMMENDS THAT HOLDERS OF LOGIX MEMBERSHIP UNITS VOTE TO APPROVE AND ADOPT THE MERGER AGREEMENT.

Record Date

The record date for the determination of the members entitled to notice of and to vote at the special meeting shall be fixed as the date on which notice of the meeting is mailed or delivered. As of the close of business on the record date, there were 20,998,919 Logix membership units outstanding. No other voting interests of Logix are outstanding. Each holder of a Logix membership unit is entitled to one vote for each Logix membership unit held as of the record date.

As of the record date, the managers and executive officers of Logix beneficially owned 18,030,011 (approximately 86%) of the outstanding Logix membership units. Certain Logix members, including each of the managers, have

Edgar Filing: CONCORD EFS INC - Form S-4/A

signed voting agreements, without any additional consideration being paid to them, by which they have agreed to vote all of their Logix membership units in favor of approving and adopting the merger agreement.

Quorum

The presence at the special meeting, in person or by proxy, of the holders of the majority of outstanding Logix membership units constitutes a quorum for the transaction of business at the special meeting. Abstentions and non-votes will be considered present at the special meeting for the purpose of determining the presence of a quorum. If a quorum is not present, the special meeting may be adjourned from time to time (not to exceed 60 days) until a quorum is obtained.

Required Vote

Assuming a quorum is present, the affirmative vote of members holding at least 70% of the outstanding Logix membership units is required to approve and adopt the merger agreement. Abstentions and non-votes will have the same effect as a vote against the approval and adoption of the merger agreement.

As a condition of Concord's willingness to enter into the merger agreement, certain members of Logix have entered into voting agreements with Concord, each dated as of December 15, 2001. Under the voting agreements, each of these members has agreed, without any additional consideration being paid to it, to vote all of the Logix membership units held by it in favor of approving and adopting the merger agreement. As of the record date, these members in the aggregate beneficially held 18,030,011 (approximately 86%) of the outstanding Logix membership units.

11

APPROVAL AND ADOPTION OF THE MERGER AGREEMENT BY THE LOGIX MEMBERS IS THEREFORE ASSURED. HOWEVER, BECAUSE THERE ARE OTHER CONDITIONS TO CLOSING THAT HAVE NOT YET BEEN FULFILLED, CLOSING OF THE MERGER IS NOT ASSURED.

Proxies

This proxy statement and prospectus is accompanied by a form of proxy to be used at the Logix special meeting. Logix members are requested to complete, sign and date the accompanying proxy and promptly return it in the enclosed envelope or otherwise mail it to Logix.

Logix membership units represented by properly executed proxies will, unless revoked, be voted in accordance with the instructions indicated or, if no instructions are indicated, will be voted for approval and adoption of the merger agreement, and in the best judgment of the individuals named in the proxy on any other matters which may properly come before the special meeting.

You may revoke any proxy you have given at any time prior to its being voted by filing a notice of revocation or a duly executed proxy bearing a later date with the Secretary of Logix. You may also revoke your proxy by attending the special meeting and voting in person.

You may abstain from voting by properly marking the 'ABSTAIN' box on the proposal from which you wish to abstain. Your abstention will be counted as present for the purpose of determining the existence of a quorum. Abstentions will have the same effect as a vote against the approval and adoption of the merger agreement.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Solicitation of Proxies

Proxies are being solicited by and on behalf of the Logix Board of Managers. It is estimated that less than \$10,000.00 will be spent in connection with the solicitation of the Logix members. Concord and Logix will share equally all expenses related to the solicitation of proxies from Logix members, printing and filing this proxy statement and prospectus and all the SEC and other regulatory filing fees incurred in connection with this proxy statement and prospectus. See "THE MERGER AGREEMENT -- Fees and Expenses." In addition to soliciting proxies by mail, officers, managers, and employees of Logix, without receiving additional compensation, may solicit proxies by telephone, in person or by other means.

THE MERGER

Background of the Merger

Since its formation, Logix has acquired and developed technologies to differentiate itself as an electronic processor of payment services (credit, debit and electronic check processing), network services (ATM processing) and information services (identification verification and authentication). During this time, Logix has focused on technology development and acquisition, and integration of such technologies to deliver valuable business solutions to its customer base through multiple sales channels. To achieve this plan, Logix needed sufficient acquisition and development capital, as well as the operating capital to build and support its sales organization and targeted customer base. The past twenty-four months have been a period of substantial and rapid change in the availability of public and private capital to support this plan. Logix determined that the best alternative to independent growth was to combine with a strategic business partner that could support operations and deliver a mature and profitable product distribution channel, and thus, assist Logix in achieving its goal of entering into merchant contracts that provide revenue from Logix's suite of products.

12

During the late summer and fall of 2001, the Logix Board of Managers began a series of discussions concerning strategic partnerships with payment processing companies. The Logix Board of Managers established the following criteria for evaluating potential strategic partners:

- . a top 10 payment processor of credit / debit transactions;
- . ATM processing experience;
- . similarly targeted customer base including convenience stores, grocery stores and large retail chains;
- . a large, diversified and experienced sales force; and
- . a publicly held company with sufficient capital resources.

In late September 2001, Logix contacted Concord and other potential candidates to discuss a variety of strategic options.

During the week of October 8, 2001, Logix and Concord held conference calls to determine the potential benefits of a business combination.

On October 25, 2001, Logix and Concord met in Memphis, Tennessee to further discuss the benefits of a merger.

Edgar Filing: CONCORD EFS INC - Form S-4/A

On November 2, 2001, Logix entered into a non-binding preliminary term sheet outlining the proposed terms of the merger with Concord.

On November 12, 2001, Concord's legal counsel distributed the form of proposed merger agreement to Logix and its legal counsel.

On November 13 and 14, 2001, Concord conducted legal and business due diligence at Logix's offices.

On November 21, 2001, Concord received formal comments on the form of merger agreement from Logix's legal counsel.

From November 21, 2001 through December 11, 2001, Logix and Concord, as well as their respective legal counsel, held various discussions regarding the merger agreement and the other documents contemplated by the merger agreement. During this same period, management of Logix and Concord continued to discuss the financial and business terms of the proposed merger, including a meeting between management of Concord and Logix on December 13, 2001 in Memphis, Tennessee.

On December 11, 2001, the Logix Board of Managers unanimously determined that the form of merger agreement was in the best interests of the Logix members and unanimously approved the merger agreement and the other documents contemplated by the merger agreement, allowing for such changes to the form as the signing officer deemed appropriate. Concord's Board of Directors also approved the merger agreement and the other documents contemplated by the merger agreement.

Discussions continued to be held by management of Concord and Logix and their respective advisors from December 11 through December 15, 2001 as the final terms of the merger agreement and the other documents contemplated by the merger agreement were agreed upon.

Authorized officers of Logix, Concord and Spark Merger Corp. executed the merger agreement and other documents contemplated by the merger agreement on December 15, 2001.

The execution of the merger agreement was publicly announced on December 18, 2001.

13

Concord's Reasons for the Merger

Concord's purpose for engaging in the transactions contemplated by the merger agreement is to acquire control of, and the entire equity interest in, Logix. Concord believes that the acquisition of Logix will enhance Concord's existing business. The structure of the merger was established to achieve the business objectives of Concord in light of relevant financial, legal, tax and other considerations.

Logix's Reasons for the Merger; Recommendation of the Logix Board of Managers

The Logix Board of Managers believes the merger will be beneficial to Logix and in the best interests of the members and that its members should vote FOR the merger.

The merger has been recommended by the Logix Board of Managers in response to several developments with regard to Logix's business. The Logix Board of

Edgar Filing: CONCORD EFS INC - Form S-4/A

Managers believes that the environment for identification verification, electronic check conversion and the processing of off-premises ATMs will require the resources of a large, well established payment processor such as Concord.

The Logix Board of Managers believes that the merger will provide a mature customer base and the necessary human resources, including an experienced sales organization with multiple sales channels, to accelerate the rate at which Logix can grow its merchant account base. Furthermore, Logix expects to achieve competitive efficiencies on a per-transaction basis as a result of the merger. Additionally, fixed costs constitute a major part of Logix's processing costs and Logix believes that such costs will decline proportionately in relation to an increase in processing volume that may result from the merger.

The Logix Board of Managers also considered the following factors that it believes would contribute to the success of Logix as a part of the Concord organization, all of which it deemed favorable, in reaching its decision to approve the merger and the merger agreement:

- . the historical financial performance, business operations, financial condition and prospects of Concord;
- . the financial and other significant terms of the proposed merger, including the terms and conditions of the merger agreement;
- . the combination of expertise and resources of the two companies; and
- . the compatibility of management and businesses of Logix and Concord.

The Logix Board of Managers also considered potentially negative factors that could arise in connection with the merger. These included:

- . the substantial management time and effort required to effectuate the merger;
- . the transaction costs associated with the merger;
- . the risk that Concord may not be able to integrate the operations of Logix successfully;
- . the business risks of Concord's existing businesses;
- . the market risks of holding publicly traded stock; and
- . the fact that the merger consideration received by the Logix members generally is taxable.

If the merger is not completed, Logix will continue to pursue its existing business strategy. In addition, Logix may consider other business combination opportunities or financing alternatives if the merger is not completed.

The foregoing discussion of information and factors considered and given weight by the Logix Board of Managers is not intended to be exhaustive, but is believed to include all of the material factors considered by the Logix Board of Managers. In view of the variety of factors considered in connection with its evaluation of the merger, the Logix Board of Managers did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determinations and

Edgar Filing: CONCORD EFS INC - Form S-4/A

recommendations. In addition, individual members of Logix's Board of Managers may have given different weights to different factors.

The Logix Board of Managers has unanimously approved the merger agreement and unanimously recommends that you vote to approve and adopt the merger agreement and approve the merger.

Interests of Certain Persons in the Merger; Conflicts of Interest

In considering the recommendation of the Logix Board of Managers with respect to the merger, members of Logix should be aware that certain of Logix's managers and members of Logix's management have certain interests in the merger. The Logix Board of Managers was aware of these possible conflicts of interest and carefully considered them in reaching its determination that the merger was fair to the Logix members.

The current officers and managers of Logix will be indemnified by Concord with respect to acts or omissions of these persons occurring at or prior to the completion of the merger, to the same extent as these persons presently are indemnified under the charter documents of Logix and its subsidiaries.

Logix has an employment agreement with A. Anthony Sdao, its President and a member of its Board of Managers. As a condition to the closing, Mr. Sdao is required to enter into an employment agreement with Spark Merger Corp., the surviving corporation, which will supersede his current employment agreement with Logix. Mr. Sdao's new employment agreement will be for a term of two years, with automatic one year extensions unless either party gives prior notice of termination. Mr. Sdao's position and duties will be determined by Concord subject to Mr. Sdao's reasonable approval. Under his new employment agreement, Mr. Sdao will be guaranteed a base salary of at least \$100,000.00 per year and will be eligible for the grant of options to purchase Concord common stock. If Mr. Sdao is terminated without cause or if he terminates his employment due to a material breach by Spark Merger Corp., under his new agreement he will be entitled to receive certain payments and benefits, including continued vesting of options for a specified period, provided that he executes a release of claims against certain parties, including Concord and Spark Merger Corp. Under his current employment agreement, if Logix terminated his employment without cause, Mr. Sdao would be entitled to receive more limited guaranteed payments. The new employment agreement will also contain certain confidentiality, noncompetition, nonsolicitation and assignment of inventions provisions.

Additionally, at the closing Concord will pay to each of Mr. Sdao and Scott Bahneman, Logix's Vice President of Marketing and Business Development and a member of the Logix Board of Managers, \$101,438.36 and \$35,184.15, respectively, which amounts represent fixed interest which had accrued under certain loans made by such individuals to Logix but had not been paid to such individuals by Logix.

Likewise, at the closing Concord will pay to Lana Rozendorf, a manager and the Secretary of Logix, and her husband Vladimir Rozendorf, a Vice President of Logix, the principal amount of \$26,199.00 plus all accrued and unpaid interest due and owing to such individuals under a promissory note of Logix dated December 29, 1999. Concord will also pay \$29,307.00 to Lana Rozendorf and another \$29,307.00 to Vladimir Rozendorf in satisfaction of commitments to such individuals contained in the operating agreement of TouchLogix, LLC, a subsidiary of Logix.

Edgar Filing: CONCORD EFS INC - Form S-4/A

At the closing, Concord will cause Spark Merger Corp. to pay to certain of its employees, some of whom are also managers of Logix, all accrued and unpaid compensation owed by Logix to such individuals. The affected individuals and the amounts to be paid are: Todd Anderson (Logix's Chief Information Officer) \$105,751.00, Kristin DelMonte (Logix's Chief Operating Officer) \$45,502.00, Daniel Lykken (Logix's Chief Financial Officer and Vice President of Distribution) \$45,502.00, Lana Rozendorf (Logix's Secretary) \$6,000.00 and Vladimir Rozendorf (Vice President of Logix) \$6,000.00. Each of Messrs. Anderson and Lykken, Ms. DelMonte and Ms. Rozendorf is also a manager of Logix. Concord will also cause Spark Merger Corp. to forgive all principal and interest owing to Logix relating to those promissory notes of Kristin DelMonte, dated January 1, 2001, in the principal amount of \$200,000.00, Daniel Lykken, dated January 1, 2001, in the principal amount of \$250,000.00 and Brian Shanahan (Logix's Vice President of Eastern Sales and a manager), dated October 26, 2000, in the principal amount of \$28,000.00.

In addition, under the merger agreement, Concord has agreed to reserve 200,000 shares of its common stock for grants under its stock option plan to certain employees of Logix who remain employees of Spark Merger Corp., the surviving corporation. Such grants shall be determined by the Board of Directors of Concord in its sole discretion after consultation with A. Anthony Sdao, and may include grants to individuals who are managers and members of management of Logix. These options shall be granted after the closing of the merger.

In connection with the merger, A. Anthony Sdao and Scott Bahneman will release all rights they have to the deferred salary owed to them by Logix in the aggregate amount of \$345,000.00 on a pro rata basis based upon the amount of deferred salary owed to each of them by Logix, and Spark Merger Corp. will establish a \$345,000.00 bonus pool for employees of Logix designated by Concord who remain employees of Spark Merger Corp., the surviving corporation. Certain managers and members of management of Logix may receive allocations from this bonus pool. The bonus pool will be allocated by Concord in its sole discretion after consultation with A. Anthony Sdao and will be paid within 30 days after the closing of the merger.

Form of the Merger

If the holders of Logix membership units approve and adopt the merger agreement and all other conditions to the merger are satisfied or waived, Logix will be merged with and into Spark Merger Corp. Spark Merger Corp. will be the surviving corporation after the merger and will be a direct wholly owned subsidiary of Concord. Concord and Logix anticipate that the merger will occur as promptly as practicable after the special meeting, with the filing of a statement of merger with the Colorado Secretary of State.

Merger Consideration

The merger agreement provides that, upon consummation of the merger, as consideration for the merger, each Logix membership unit (other than membership units owned by HIS which will be canceled) will be converted into shares of Concord common stock according to the provisions of the merger agreement.

The merger consideration is generally intended to provide to the holders of Logix membership units 1.1 million shares of Concord common stock minus the number of shares of Concord common stock which are equal in value to \$5,609,583.39. This amount is to be delivered by Concord at the closing in connection with the purchase by certain subsidiaries of Logix of all of the outstanding equity interests of RBSA and HIS. Based upon the number of outstanding Logix membership units as of the date of the merger agreement, on a fully-diluted basis (but not including the Logix membership units held by HIS

Edgar Filing: CONCORD EFS INC - Form S-4/A

which will be canceled rather than converted), if the merger had closed on February 6, 2002, each Logix membership unit outstanding would be converted into the right to receive 0.043658 shares of Concord common stock. A greater number of Logix membership units outstanding as of the merger will result in a lower exchange ratio. The merger consideration is also generally intended to provide a minimum number of shares to holders of Logix membership units. This is accomplished by establishing a floor price for the Concord shares for purposes of calculating the number of such shares which are equal in value to \$5,609,583.39. For purposes of making this calculation, the Concord shares will be valued at

16

either \$27.50 or Concord's average price, whichever is greater. 'Concord's average price' means the weighted average (based upon trading volumes) of the high and low sales prices reported by Nasdaq for a share of Concord common stock during the 10 trading day period ending on the date of the merger.

If between the date of the merger agreement and the effective time of the merger Concord changes the outstanding shares of Concord common stock into a different number of shares or a different class, by reason of any stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares, the merger agreement provides that the merger consideration paid to Logix members will be correspondingly adjusted to the extent appropriate to reflect these changes. In lieu of fractional shares of Concord common stock, Concord will pay to each holder who would otherwise be entitled to receive a fractional share an amount in cash equal to the product of (i) the last reported sale price per share of Concord common stock, as reported by Nasdaq, on the date of the effective time of the merger, and (ii) the fractional share interest to which such holder would otherwise be entitled.

Escrow

Under the merger agreement, Concord and its affiliates will be indemnified against losses and expenses incurred as a result of:

- . any breach or failure of Logix to perform any of its agreements, covenants or obligations contained in the merger agreement;
- . any breach of a warranty or inaccuracy of a representation of Logix contained in the merger agreement or in a certificate of Logix delivered to Concord pursuant to the merger agreement; and
- . any claims that Logix's or any of its subsidiaries' products or any use, sale, offer for sale or manufacture thereof or the conduct of Logix's or any of its subsidiaries' businesses infringes certain patents.

With respect to breaches of warranties or inaccuracies of representations of Logix, Concord and its affiliates will be indemnified only in the event that the aggregate losses and expenses borne by Concord and its affiliates with respect to such breaches and inaccuracies exceeds \$150,000.00 (in which event the full amount of such losses and expenses is indemnifiable), except with respect to certain representations and warranties for which the limitation is not applicable.

Indemnity Fund. Concord and its affiliates will be indemnified from an indemnity fund. The indemnity fund will be governed by an indemnity agreement and First Tennessee Bank National Association will act as indemnity agent. The

Edgar Filing: CONCORD EFS INC - Form S-4/A

indemnity agreement is attached to this proxy statement and prospectus substantially in the form of Annex C. The indemnity fund and indemnity obligations will end one year after the closing of the merger, except with respect to any pending or outstanding indemnity claims. At that time, if no indemnity claim has been made, the shares of Concord common stock in the indemnity fund will be released to the former holders of Logix membership units in accordance with the indemnity agreement. The members will have no right of contribution from Logix with respect to any losses or expenses claimed by Concord after the closing date. Nothing in the merger agreement limits the liability of Logix for any breach of any representation, warranty or covenant if the merger is not consummated.

Upon the surrender of a properly executed letter of transmittal transferring rights to the Logix membership units held by a member, 5% of the number of whole shares of Concord common stock issuable to such member as merger consideration will be delivered to the indemnity agent and will comprise the indemnity fund. Any additional shares of Concord common stock resulting from a stock split affecting the Concord common stock in the indemnity fund will remain a part of the indemnity fund. All dividends or distributions (other than stock or similar dividends) will be distributed to Concord stockholders whose shares are held in the indemnity fund (formerly Logix members) by the indemnity agent in accordance with the indemnity agreement. Under the indemnity agreement, those stockholders may, under certain circumstances, sell the shares of Concord common stock credited to them in the indemnity fund, but the proceeds of the sale must be maintained in the indemnity fund until it expires.

17

Member Representatives. The merger agreement establishes A. Anthony Sdao and Kristin DelMonte as the initial member representatives. The member representatives are appointed to act as the agents of the stockholders whose shares of Concord common stock are held in the indemnity fund (formerly Logix members) to take certain actions relating to the indemnity fund. The actions of the member representatives will be considered the binding actions of the stockholders whose shares of Concord common stock are held in the indemnity fund (formerly Logix members). The holders of a majority in interest of the shares of Concord common stock held in the indemnity fund may change the representatives upon ten days' prior written notice to Concord and the indemnity agent.

Maximum Payments and Remedies. Following the merger, the amount held in the indemnity fund will provide the sole and exclusive remedy for any and all damages Concord may suffer as the result of any breach of the merger agreement, any claim of misrepresentation against Logix in connection with the merger agreement or the merger or any claim of infringement related to certain patents.

Procedures for Surrender of Logix Membership Units

Concord will authorize its transfer agent to act as exchange agent. Concord will deposit with the exchange agent, into an exchange fund, for the benefit of holders of issued and outstanding Logix membership units, certificates representing the shares of Concord common stock issuable as a result of the merger and cash required to make payments in lieu of fractional shares.

As soon as practicable after the effective time of the merger, the exchange agent will mail a letter of transmittal, together with instructions, to the holders of record of Logix membership units. After receiving the letter of transmittal the Logix members will be able to surrender their membership units to the exchange agent utilizing the letter of transmittal, and will receive in

Edgar Filing: CONCORD EFS INC - Form S-4/A

exchange a certificate representing the number of whole shares of Concord common stock (and cash in lieu of any fractional shares) to which they are entitled, less any Concord shares distributed to the indemnity agent for deposit into the indemnity fund. The letter of transmittal will be accompanied by instructions specifying other details of the surrender. Logix members should not send anything to the exchange agent until they receive a letter of transmittal.

After the effective time of the merger and until surrendered, each Logix membership unit will represent only the right to receive upon surrender a certificate representing shares of Concord common stock and cash in lieu of fractional shares. No dividends or other distributions declared or made on Concord common stock with a record date after the effective time and no payment in lieu of fractional shares will be paid to the holder of any unsurrendered Logix membership units until the holder of record surrenders its Logix membership units as provided in the letter of transmittal. Subject to the effect of applicable laws, after a Logix member surrenders its Logix membership units, it will be paid, without interest, (i) at the time of surrender or as promptly as practicable thereafter, the amount of any cash payable in lieu of fractional shares of Concord common stock to which it is entitled and the amount of dividends or other distributions with a record date on or after the effective time of the merger previously paid with respect to whole shares of its Concord common stock, and (ii) at the appropriate payment date or as promptly as practicable thereafter, the amount of dividends or other distributions with a record date on or after the effective time of the merger but prior to surrender and with a payment date on or after surrender payable with respect to whole shares of its Concord common stock.

Concord and the exchange agent are entitled to deduct and withhold from the consideration otherwise payable such amounts as they are required to deduct and withhold under the Internal Revenue Code of 1986 or any provision of state, local or foreign tax law. Concord and Logix will treat any amounts so withheld as having been paid to the person in respect of whom such deduction and withholding was made.

18

Appraisal Rights

The Colorado statutes under which the merger will be effectuated do not provide any dissenters' rights of appraisal for Logix members who object to the merger.

Certain United States Federal Income Tax Aspects

Generally

The following discussion summarizes certain material United States federal income tax aspects of the merger. The discussion that follows is based on and subject to the Internal Revenue Code of 1986, as amended (the Code), treasury regulations thereunder, existing administrative interpretations and court decisions as of the date of this proxy statement and prospectus, all of which are subject to change (possibly with retroactive effect) and may be subject to differing interpretations. The following discussion does not address the effects of the Merger under any state, local or foreign tax laws. It also does not address all aspects of the federal income tax law that may potentially be relevant to Logix members in light of their individual circumstances, such as special tax rules that apply to financial institutions, broker-dealers or members that hold their interests in Logix as part of a "straddle" or other integrated investment.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Because individual circumstances may differ, each Logix member should consult his or her own tax advisor to determine the applicability of the rules discussed below and the particular federal income tax effects of the merger to such member, as well as the application and effect of state, local and other tax laws.

Tax Treatment of the Merger

Although the merger will be effectuated under the applicable corporate and limited liability company laws governing mergers, it is not a tax-free or tax-deferred transaction. For federal income tax purposes, the merger will be treated as occurring in two steps. First, Logix will be treated as selling all of its assets, subject to its liabilities, to Spark Merger Corp. in a fully taxable transaction, in exchange for the aggregate amount of Concord common stock that will be delivered in the merger, including fractional shares, and Concord will be deemed to redeem such fractional shares for the cash to be paid in lieu of delivering fractional shares to the members. Second, Logix will be treated as distributing such Concord common stock and cash to the Logix members in the complete liquidation of Logix. Each of these steps will have distinct tax consequences to the Logix members.

Tax Treatment of the Deemed Asset Sale

For federal income tax purposes, the amount and character of any income, gain or loss from the deemed asset sale will be determined by treating Logix as the seller. Because Logix is a partnership for federal income tax purposes, it will not generally be subject to tax on such income, gain or loss. Instead, the Logix members will be required to reflect their allocable share of such income, gain or loss on their federal income tax returns for their tax year within which the merger occurs.

As a result of the merger, Logix will recognize an amount of gain or loss equal to the difference between its adjusted tax basis in its assets and the sum of (i) the fair market value of the Concord common stock delivered in the merger, including fractional shares of common stock and common stock placed in the indemnity fund, and (ii) the amount of the Logix liabilities that are assumed by Spark Merger Corp. in the merger. In general, Logix's gain or loss on the sale of an asset will be capital gain or loss if Logix holds such asset as a capital asset. However, all or a portion of any gain recognized by Logix on the deemed sale of certain capital assets will be treated as ordinary income (for example, to the extent Logix has previously taken depreciation or amortization with respect to such asset) or as short-term capital gain (for example, to the extent Logix's holding period for the asset does not exceed one year).

Under the merger agreement, the allocation of the deemed purchase price among the assets of Logix will be determined by Concord. The allocation schedule is to be reasonable and determined in accordance with the applicable provisions of the Code.

Tax Treatment of the Deemed Liquidation

Immediately following the deemed asset sale, Logix will be treated as

Edgar Filing: CONCORD EFS INC - Form S-4/A

liquidating and distributing all of its remaining assets to its members. Pursuant to this deemed liquidation, the Logix members will be treated as exchanging all of their outstanding Logix membership units for the aggregate amount of Concord common stock delivered in the merger and any cash deemed to have been paid by Concord in redemption of fractional shares. In general, each Logix member will recognize gain or loss equal to the amount by which the fair market value of the Concord common stock (including such member's pro rata share of the Concord common stock placed in the indemnity fund) and cash received exceeds such member's adjusted tax basis in his or her Logix membership units. For purposes of calculating the gain or loss on the deemed liquidation of Logix, any allocation to a Logix member of income or gain resulting from the deemed sale of assets by Logix in the merger will increase, and any allocation of loss will decrease, such member's tax basis in his or her Logix membership units immediately prior to the deemed liquidation. Any gain or loss recognized by a Logix member on the liquidation will be capital gain or loss if the member holds his or her Logix membership units as a capital asset, and will be long-term gain or loss if the member has held his or her Logix membership units for more than one year on the closing date.

Indemnity Fund

Pursuant to the merger agreement, 5% of the aggregate number of shares of Concord common stock to be delivered in the merger will be deposited into the indemnity fund. For federal income tax purposes, each Logix member will be treated as owning a pro-rata portion of the Concord common stock deposited into the indemnity fund. As the tax owner, the member will be required to include in his or her gross income the member's share of any dividends or interest earned on the Concord common stock or other assets held in the indemnity fund, whether or not such amounts are currently distributed to the member. Moreover, any shares of Concord common stock that are surrendered to Concord pursuant to the indemnity agreement should relate back to the merger and be treated as a downward adjustment to the amount realized by Logix on the deemed sale of its assets. It can generally be expected that such adjustments would reduce the income or gain, or increase the loss, originally allocated to the members and would also reduce the amount of the liquidating distributions deemed to have been received by the members. In such event, the members should be entitled to reflect these adjustments on their federal income tax returns for the tax year in which these adjustments occur. In the event of a material adjustment of this nature, Concord intends to cause supplemental tax information to be distributed to the Logix members, describing adjustments in the income, gain or loss originally reported to them for the tax year in which the merger takes place.

Certifications

As a condition to the closing, each Logix member must provide a certificate of non-foreign status to Concord. Such certificate, attached in the form of Exhibit E to the merger agreement, requires each member to certify, under penalties of perjury, (i) that the member is not a nonresident alien for purposes of U.S. income taxation; (ii) the member's taxpayer identification number; and (iii) the member's home address. In the event that a member does not provide this certification, Logix may be required to withhold federal income tax on the deemed liquidation equal to 38.6% of such member's allocable share of any net income or gain on the deemed asset sale.

We intend this discussion to provide only a summary of the material United States federal income tax consequences of the merger. We do not intend that it be a complete analysis or description of all potential federal income tax consequences of the merger. In addition, as noted above, we do not address tax consequences that may vary with, or are contingent upon, individual circumstances. We strongly urge you to consult your tax advisor to determine your particular United States federal, state, local or foreign income or other tax consequences resulting from the merger, in light of your individual

circumstances.

20

Accounting Treatment

It is anticipated that the merger will be accounted for by Concord under the "purchase" method of accounting in accordance with generally accepted accounting principles.

Federal Securities Law Consequences

Logix members who are not affiliates of Logix before the merger will receive freely transferable shares of Concord common stock in the merger. However, shares of Concord common stock received by persons who are affiliates of Logix before the merger may be resold by them only in transactions permitted by the resale provisions of Rule 145 under the Securities Act of 1933, as amended (the Securities Act) or Rule 144 under the Securities Act in the case of those persons who become affiliates of Concord after the merger, or as otherwise permitted by the Securities Act.

Certain Other Effects of the Merger

After the merger, Logix members will become stockholders of Concord. Upon consummation of the merger, the certificate of incorporation and by-laws of Concord, in addition to the applicable provisions of Delaware law, will govern the rights of all former Logix members. For a description of the differences between the rights of Concord stockholders and Logix members, see "COMPARISON OF RIGHTS OF LOGIX MEMBERS AND CONCORD STOCKHOLDERS."

THE MERGER AGREEMENT

This section of the proxy statement and prospectus describes aspects of the merger, including the material provisions of the merger agreement. The following summary of the material terms and provisions of the merger agreement is qualified in its entirety by reference to the merger agreement. The merger agreement is attached as Annex A to this proxy statement and prospectus and is incorporated herein by reference. You are encouraged to read the merger agreement in its entirety for a fuller description of the merger.

The Merger

The merger agreement provides that Logix will be merged with and into Spark Merger Corp., a direct wholly owned subsidiary of Concord, at the effective time of the merger. Pursuant to the merger agreement, Spark Merger Corp. will be the surviving corporation and will be a direct wholly owned subsidiary of Concord. The Logix Board of Managers unanimously approved the merger agreement and the merger.

Structure of the Merger

According to the terms and conditions of the merger agreement and the Colorado Corporations and Associations Act and the Colorado Limited Liability Company Act, at the effective time of the merger, Logix will merge with and into Spark Merger Corp. Spark Merger Corp. will continue to exist as the surviving corporation under the laws of the State of Colorado. At the effective time of the merger, Logix will no longer exist as a separate entity. At the effective time of the merger, the articles of incorporation and by-laws of Spark Merger Corp. will become the articles of incorporation and by-laws of the surviving corporation.

Conversion and Exchange of Securities and Membership Units

At the effective time of the merger, each issued and outstanding share of Spark Merger Corp. common stock will be converted into one share of common stock of the surviving corporation.

At the effective time of the merger, each issued and outstanding Logix membership unit (other than any membership units owned by HIS, which will be canceled), will be converted into shares of Concord common stock according to the exchange ratio described under 'THE MERGER--Merger Consideration' and cash, without interest, in lieu of fractional shares of Concord common stock.

Effective Time

The merger will occur after all of the conditions in Article VI of the merger agreement have been fulfilled or, if permissible, waived. No later than

Edgar Filing: CONCORD EFS INC - Form S-4/A

the second business day after the satisfaction or waiver of the conditions in Article VI of the merger agreement, or such other date as Concord and Logix may agree, the parties will hold a scheduled closing. On the day the merger occurs, a statement of merger will be filed with the Secretary of State of the State of Colorado. The effective time of the merger will be the date and time of the filing, unless both Spark Merger Corp. and Logix mutually agree to designate a later date of effectiveness of the merger not more than 90 days after the date the statement of merger is filed, in which case the later date designated in the statement of merger will be the effective time.

Concord and Logix each anticipate that, if the merger is approved at the special meeting of Logix members, it will be consummated shortly thereafter. However, if any of the conditions required to be met prior to consummation of the merger have not been so met, the closing may be delayed. There can be no assurances as to if or when the conditions required to consummate the merger will be met or that the merger will be consummated.

22

Concord's obligation to make any such loan is subject to the conditions that Logix is not in breach in any material respect of any of its obligations under the merger agreement, and that Logix requests the loan no later than May 31, 2002. Any outstanding principal and

Edgar Filing: CONCORD EFS INC - Form S-4/A

interest under any such loan shall become payable on or before the earliest of (1) six months after the date of the merger agreement, (2) 20 business days after the merger agreement is terminated by Concord because Logix failed to comply in any material respect with any of its covenants or agreements contained in the merger agreement or because Logix has materially breached any of its representations or warranties which has the effect of making such representation and warranty not true and correct in all material respects, and in either case Logix has not cured such failure or breach within 30 business days of receiving notice of it, or (3) six months after the merger agreement is terminated by either Concord or Logix for any other reason.

No Solicitation by Logix

Under the terms of the merger agreement, Logix may not, and it will not permit or authorize any of its subsidiaries or any officers, directors, employees, and financial advisors, attorneys or other advisor or representative of Logix or any of its subsidiaries to:

27

- . prior to furnishing such non-public information to, or entering into discussions or negotiations with, such person, the Logix Board of Managers receives from such person an executed confidentiality agreement with terms not less favorable to Logix than those contained in its confidentiality agreement with Concord, and

Logix must promptly advise Concord of any takeover proposal or inquiries with respect to or which could lead to any takeover proposal, the material terms of such takeover proposal and the identity of the person making any such

time, but after the Logix members have approved any matters in connection with the merger agreement, no amendment may be made which by law requires further approval by such members without such further approval.

At any time prior to the effective time of the merger, Concord, Logix, and Spark Merger Corp. may, if signed in writing by such party:

- . extend the time for the performance of any of the obligations or other acts of the other parties to the merger agreement;

31

VOTING AGREEMENTS

The following is a summary of certain provisions of the form of voting agreement entered into between Concord and certain Logix members, a copy of which is attached to this proxy statement and prospectus as Annex B and is incorporated by reference into this proxy statement and prospectus. This summary is qualified in its entirety by reference to the voting agreement. Logix members are urged to read the form of voting agreement in its entirety.

Logix members owning approximately 86% of the outstanding Logix membership units have signed voting agreements with Concord.

The voting agreements provide, among other things, that each member that is a party to such voting agreements will:

- . at the special meeting, or in any other circumstance upon which approval of the merger or the merger agreement is sought, vote (or cause to be voted) its Logix membership units in favor of the merger, the adoption of the merger agreement, the approval of its terms, and each of the other transactions contemplated by the merger agreement and against (x) any merger agreement or merger (other than the merger agreement with Concord), consolidation, combination, sale of substantial assets, reorganization or any other takeover proposal or (y) any amendment of Logix's charter or operating agreement or other proposal or transaction involving Logix or any of its subsidiaries, which would in any manner impede, frustrate, prevent or nullify the merger, the merger agreement or any of the other transactions contemplated by the merger agreement or change in any manner the voting rights of any equity interests in Logix;
- . not (nor permit any affiliate, director, officer, employee or other representative to) directly or indirectly (i) solicit, initiate or knowingly encourage anyone to submit a takeover proposal (as defined above under "'THE MERGER AGREEMENT--No Solicitation by Logix'") or (ii) participate in any discussions or negotiations regarding, or furnish anyone with information with respect to, or take any other action to facilitate any inquiries or the making of any takeover proposal; and
- . cooperate with Concord to support and to consummate and make effective, in the most expeditious manner practicable, the merger and the other transactions contemplated by the merger agreement.

Edgar Filing: CONCORD EFS INC - Form S-4/A

Any successor, assignee or transferee of the member's Logix membership units will be bound by the terms of the voting agreement.

Each member's obligations under the voting agreement will terminate upon the earlier of the termination of the merger agreement or the effective time of the merger. However, if the merger agreement is terminated by Concord because of a material and wilful breach by Logix of any of its representations or warranties, because of a wilful failure of Logix to comply in any material respect with any of its covenants or agreements contained in the merger agreement, because of a failure of Logix's members to approve the merger agreement, because the Logix Board of Managers did not recommend or qualified, modified or withdrew its recommendation of the merger or declaration that the merger is advisable and fair to and in the best interests of Logix and its members or resolves to do so, because another person becomes the owner of 20% or more of Logix's outstanding membership units, or because the Logix Board of Managers recommends a takeover proposal to the Logix members or resolves to do so, then the obligations of each member under the voting agreement will not terminate until the first anniversary of such termination of the merger agreement.

32

REGULATORY MATTERS

In order to consummate the merger, regulatory approval under the Bank Holding Company Act of 1956 must be obtained. Concord has filed the applicable notice with the Board of Governors of the Federal Reserve System. Also, the waiting period applicable to the consummation of the merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR Act) must be terminated or expire, if such filing under the HSR Act is required. In addition, the parties must comply with applicable federal and state securities and corporate laws.

For information on how to obtain copies of the Concord Charter and by-laws, see "WHERE YOU CAN FIND MORE INFORMATION."

See ''SUMMARY SELECTED FINANCIAL DATA--Comparative Market Price Data.''

Voting Rights

Each holder of Concord common stock is entitled to one vote for each share held on any matter submitted to a vote of Concord stockholders, including the election of directors. Concord stockholders do not have cumulative voting rights for the election of directors. All elections and matters submitted to a vote of Concord stockholders are decided by the affirmative vote of a majority of the shares present (in person or by proxy) and entitled to vote, provided that a quorum is present, except as otherwise required by Delaware corporate law or the Concord Charter.

Under Delaware law, a corporation's certificate of incorporation may be amended by the affirmative vote of a majority of its outstanding shares entitled to vote upon the amendment, unless the corporation's certificate of incorporation or by-laws specifies a higher percentage. The Concord Charter does not provide for an affirmative vote differing from the statutory requirements.

Change of Control

The Delaware corporation statute, the Concord Charter and the Concord by-laws contain provisions that could discourage or make more difficult a change of control of Concord.

Concord Charter and By-laws. Under the Concord by-laws, special meetings of the stockholders may only be called by the Board, the Chairman of the Board, the President or any Vice President. Concord stockholders are not entitled to request a special meeting.

Delaware General Corporation Law. As a Delaware corporation, Concord is subject to the provisions of Section 203 of the Delaware corporation statute. Generally, this statute prohibits a publicly held Delaware corporation from engaging in a ''business combination'' (as defined in the statute) with an ''interested stockholder'' (as defined in the statute) for a period of three years after the time that such stockholder became an interested stockholder, unless:

- . prior to that time the corporation's board of directors has approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder,
- . upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction was commenced (excluding certain specified shares), or
- . at or after the time the stockholder became an interested stockholder, the business combination is approved by the corporation's board of directors and authorized by the affirmative vote at an annual or special meeting and not by written consent, of at least 66 2/3% of the outstanding voting stock of the corporation (excluding the stock owned by the interested stockholder).

The statute generally defines a ''business combination'' to include a merger, asset sale or other transaction resulting in a financial benefit to the interested stockholder. The statute generally defines an ''interested

Edgar Filing: CONCORD EFS INC - Form S-4/A

stockholder'' as a person or entity, other than the corporation and any direct or indirect majority owned

36

subsidiary of the corporation, who (i) owns 15% or more of a corporation's voting stock or (ii) is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the prior three-year period, and the affiliates or associates of such person. Section 203 expressly exempts from the requirements described above any business combination by a corporation with an interested stockholder who becomes an interested stockholder in a transaction approved by that corporation's board of directors.

Liquidation Rights

In the event of liquidation, dissolution or winding up of Concord, the holders of Concord common stock are entitled to share ratably in all assets of Concord available for distribution to such holders after the payment of all liabilities.

Preemption, Conversion and Redemption

The holders of Concord common stock have no preemptive rights to purchase additional securities issued by Concord or any conversion rights and the Concord common stock is not subject to calls or further assessments by Concord. The Concord stockholders have no rights to have their shares redeemed by Concord.

State Street Bank & Trust operating through Equiserve Limited Partnership, its service agent, is the transfer agent and registrar for Concord common stock.

COMPARISON OF RIGHTS OF LOGIX MEMBERS AND CONCORD STOCKHOLDERS

After consummation of the merger, the holders of Logix membership units who receive Concord common stock under the terms of the merger agreement will become stockholders of Concord. The rights of Logix members are presently governed by the Colorado Limited Liability Company Act, Logix's articles of organization (Logix Charter) and the Logix amended and restated operating agreement (Logix operating agreement). As stockholders of Concord, their rights following the consummation of the merger will instead be governed by the Delaware corporation statute, the Concord restated certificate of incorporation, as amended (Concord Charter), and the Concord by-laws. Certain differences between the rights of Concord stockholders and Logix members, under their respective governing statutes, charters and other organizational documents, are summarized below. This summary does not purport to be complete, and is qualified in its entirety by reference to the Concord Charter and by-laws, and the Delaware corporation statute, the Logix Charter and Logix operating agreement, and the Colorado limited liability company act.

Size of the Board and Qualifications of Directors/Managers

Edgar Filing: CONCORD EFS INC - Form S-4/A

Under the Logix operating agreement, there are to be no fewer than one, but no more than nine managers. Under the Concord by-laws, there are to be no fewer than one, but no more than 13 directors. There are no stated restrictions on Board composition, or on Board member eligibility for either Logix or Concord. However, see "--Quorum and Voting of Board Members" below.

Quorum and Voting of Board Members

Under the Logix operating agreement, managers holding a majority of the membership units represented on the Logix Board of Managers constitutes a quorum for transaction of business and, unless otherwise specifically

37

set forth, all decisions of the Logix Board of Managers are made by the affirmative vote of a majority of the membership units beneficially owned by the managers. Under the Concord by-laws, a majority of the directors constitutes a quorum for the transaction of business and, unless otherwise specifically provided by law, by the Concord Charter or its by-laws, the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors.

Board Meetings

Under both the Logix operating agreement and the Concord by-laws there are no location restrictions on any meetings of the Board, regular or special. Under the Logix operating agreement special meetings may be called by the Chief Executive Officer, the President or Secretary on the written request of one or more of the managers, and require three days notice. Under the Concord by-laws, special meetings may be called by the Chairman or the President, or by the Secretary after receiving a written request from two or more Board members, and require two days notice.

Removal of Directors/Managers

Under the Logix operating agreement, managers may be removed with or without cause by the holders of 70% of the Logix membership units. Under the Concord by-laws, a majority of the holders of Concord shares entitled to elect directors is required to remove directors.

Action by Committees

Under the Logix operating agreement, any committees of the Logix Board of Managers may take any action which the Board could otherwise take, except that no committee shall have the power to amend the Logix operating agreement and, unless a resolution of the Logix Board of Managers expressly provides, no committee shall have the power to declare a distribution. Concord's by-laws provide, consistent with Delaware law, that no committee may have the power or authority to amend the corporation's certificate of incorporation, adopt an agreement of merger or consolidation, recommend to the stockholders the sale, lease or exchange of all or substantially all of the corporation's property and assets, recommend to the stockholders a dissolution of the corporation or a revocation of a dissolution or amend the by-laws of the corporation.

Amendments to the Logix Charter and the Concord Charter

Neither the Logix charter and operating agreement nor the Concord Charter and by-laws provide for an affirmative vote differing from the applicable statutory requirements with respect to charter amendments. Colorado law requires that a proposed charter amendment be approved by written consent of

Edgar Filing: CONCORD EFS INC - Form S-4/A

all of a limited liability company's members. Delaware law requires that a proposed charter amendment be approved by a majority of the outstanding stock entitled to vote upon the amendment and, under certain circumstances, a majority of the outstanding stock of each class entitled to vote thereon.

Amendments to the Logix Operating Agreement or the Concord By-laws

With certain specified exceptions, the Logix operating agreement provides that any amendment to it requires the vote of 70% of the Logix membership units. Under the Concord by-laws, any amendment to the by-laws may be made by a majority of either the Board or the stockholders entitled to vote thereon.

Restrictions on Adoption of a Plan of Merger

Under the Logix operating agreement, a vote of 70% of the outstanding Logix membership units is required to adopt a plan of merger. The Concord Charter and by-laws do not contain a similar restriction.

38

Restrictions on Special Meetings of the Members/Stockholders

Under the Logix operating agreement, members holding at least 5% of the outstanding Logix membership units may call special meetings of the members. Under the Concord by-laws, special meetings may only be called by the Board, the Chairman of the Board, the President or any Vice President. Logix members will thus lose their ability to call special meetings if they approve the merger.

Also, under the Logix operating agreement, a special meeting of the members could occur at any place either within or outside the State of Colorado. Unless otherwise determined by the Board of Directors of Concord, under the Concord by-laws all meetings must occur in the State of Tennessee.

Notice of Meetings

THE LOGIX COMPANIES, LLC AND SUBSIDIARIES NOTES TO FINANCIAL CONSOLIDATED STATEMENT

NOTE 1--NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Logix Companies, LLC and Subsidiaries (the "Company" or "Logix") is a service provider for automated bank transaction machines ("ATMs"), credit and debit card transaction processing, automated check processing, customer identification ("ID") terminals and customer data bases. The Company also sells ATMs, credit card and ID terminals. The Company has been conducting business through various predecessor companies since 1999. Since inception, the Company has engaged in substantial research and development for new uses of ID and credit card terminals and in the acquisition of other companies engaged in similar or strategically related businesses. The Company's customers consist primarily of retail merchants and banks and are located in various states with a concentration in Pennsylvania and Colorado.

Liquidity and Financial Condition

From inception through December 31, 2000, the Company has had operating losses of approximately \$2,700,000. At December 31, 2000, the Company has a negative working capital of approximately \$1,600,000. Cash from equity investors and loans from the two majority owners have substantially funded operations, including research and development costs. The Company's ability to continue its operations is dependent on the continuation of such funding. The Company intends to raise additional equity funding from other private investing sources, though its ability to obtain such funding cannot be assured. Until the Company attains profitability, its future operations are dependent upon the

Edgar Filing: CONCORD EFS INC - Form S-4/A

availability of additional funds from the equity owner group and the ability of the Company to attract additional private capital. The ultimate outcome of this matter is not determinable at this time.

Basis of Consolidation

The consolidated financial statements include the accounts of The Logix Companies, LLC and its wholly owned subsidiaries. As of December 31, 2000, wholly owned subsidiaries consist of IDLogix, LLC, Lavinna Company, LLC, PaymentLogix, LLC, ATMLogix, LLC, CheckLogix, LLC and EFTLogix, LLC. All significant intercompany balances and transactions are eliminated.

Investment in Unconsolidated Companies

Investments in business entities in which the Company does not have a majority ownership or the ability to exercise significant influence over operating and financial policies, are accounted for using the equity method. Under the equity method, the Company records its share of the investee's net income or (loss) as an increase or (decrease) of its investment less its share of dividends or distributions from the investee. Investments in business entities in which the Company owns less than 20% of the company are recorded using the cost basis of the investment. Under the cost method, the Company's share of net income or loss is not recorded. The Company's share of the investee's dividends or distributions is recorded as income on the accrual basis.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Business Combinations

The Company has accounted for its purchases of other business entities using the purchase method of accounting. Under the purchase method, the Company records the estimated fair value of the assets and liabilities of the acquired business and any excess of the purchase price over the fair value is allocated to goodwill and

F-7

THE LOGIX COMPANIES, LLC AND SUBSIDIARIES NOTES TO FINANCIAL CONSOLIDATED STATEMENT

NOTE 1--NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Business Combinations (continued)

other intangible assets. Intangible assets may include items such as customer lists or non-compete agreements. The results of operations of the acquired businesses are included in operations of the Company from the date of acquisition.

Amortization of goodwill is provided on a straight-line basis over fifteen years. Amortization of merchant and customer contracts is provided on a

Edgar Filing: CONCORD EFS INC - Form S-4/A

straight-line basis over their estimated useful lives, ranging from four to ten years, based on the Company's estimate of the undiscounted cash flow. Amortization expense totaled \$10,094 for the year ended December 31, 2000.

Revenue and Cost of Service Recognition

Transaction processing revenues are recognized at the time the merchant's transactions are processed or the ATM is serviced. Costs of service are recognized at the time of processing and include interchange fees paid to the credit card issuing bank, VISA and MasterCard assessments, telecommunications expenses and merchant account processing fees.

Revenues related to the direct sale of ATM equipment, ID terminals and credit card authorization equipment are recognized when the equipment is delivered, installed and functioning. Costs of sales include costs of machines, components and machine assembly labor, if applicable.

Additional revenue sources include processing fees related to the ownership of ATM equipment and software applications. The cost of the equipment is depreciated over its estimated useful life.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash held in financial institutions and highly liquid investments with maturities of three months or less when purchased.

Restricted Cash

Restricted cash represents funds held-on-deposit with certain financial institutions pursuant to agreements to cover potential merchant losses. These amounts are included in the financial statements as "deposits" and totaled \$75,000 at December 31, 2000.

Financial Instruments and Concentration of Credit Risk

The Company's financial instruments at December 31, 2000 consist primarily of cash and cash equivalents, trade receivables, and loans payable to financial and lending institutions. Due to the short maturities of the cash and cash equivalents and the current nature of trade receivables, carrying amounts approximate the respective fair values. The loans payable are primarily variable rate instruments at terms the Company believes would be available if similar financing were obtained from another third party. As such, their carrying amounts also approximate their fair value.

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist principally of cash and cash equivalents and trade receivables.

The Company's cash and cash equivalents consist of demand deposits and interest-bearing accounts, held by numerous financial institutions, whose balances may periodically exceed insured limits for short periods of time.

THE LOGIX COMPANIES, LLC AND SUBSIDIARIES
NOTES TO FINANCIAL CONSOLIDATED STATEMENT

NOTE 1--NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Edgar Filing: CONCORD EFS INC - Form S-4/A

Financial Instruments and Concentration of Credit Risk (continued)

The Company has an agreement in place that allows a sweep of the account balances into an investment account not covered by the Federal Deposit Insurance Corporation.

Trade receivables are primarily comprised of amounts due from merchants and represent the discount earned, after related interchange fees, on transactions. Such balances are collected from the merchants and received through the clearing and settlement banks within thirty days following the end of each month. Concentrations of credit risk with respect to trade receivables are limited, due to the large number of entities comprising the customer base and the ongoing credit evaluations conducted to monitor the status of a customer's financial condition. The Company believes that the diversification of its merchant portfolio among industries and geographic regions reduces its risk of loss.

Allowance for Bad Debts

The Company's merchant customers have liability for charges disputed by cardholders. However, in the case of merchant insolvency, bankruptcy or other nonpayment, the Company may be liable for any such charges disputed by cardholders. The Company considers historical loss experience in establishing reserves for estimated credit losses on transactions processed. As of December 31, 2000, the reserve balance was \$0.

Inventory

Inventory consists of electronic ID terminals, credit card terminals and ATM equipment held for sale. The inventory is stated at the lower of cost or market, cost being determined using the first-in, first-out method.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Depreciation is provided using the straight-line method for financial reporting purposes and primarily accelerated methods for tax purposes. For financial reporting purposes, equipment is depreciated over three to ten years. Leasehold improvements and property acquired under capital leases are amortized over the useful life of the asset or the lease term, whichever is shorter. Expenditures for renewals and improvements that extend the useful life are added to the property and equipment accounts. The cost of point of sale equipment rented to merchants under operating leases is capitalized and depreciated over three years.

Income Taxes

The Company is taxed as a partnership under the Internal Revenue Code. In lieu of federal income taxes, the members of the LLC are taxed on their proportionate share of the LLC's taxable income. Therefore, no provision or liability for Federal or State income taxes related to the operations has been included in these financial statements.

Impairment of Long-lived Assets

In accordance with Statement of Financial Accounting Standard No. 121, "Accounting for the Impairment of Long-lived Assets and Long-lived Assets to be Disposed Of," all long-lived assets are evaluated for indications of impairment based on the undiscounted cash flows of the related business or merchant and customer

contracts purchased. If the evaluation indicates that the net carrying amount may not be recoverable, the impaired asset is written down to its estimated carrying value as determined by the discounted cash flows over the projected remaining life of the underlying assets. No impairment has been recorded as of December 31, 2000.

NOTE 2--NOTE RECEIVABLE

On August 21, 2000, the Company loaned \$500,000 to RBSI, an unrelated party, under a convertible promissory note. RBSI is in the business of ATM and EFT processing including transaction processing and management. The Company loaned an additional \$500,000 on September 20, 2000. Terms of the convertible promissory note included interest at 1.0% above the prime lending rate as published in the Wall Street Journal, three equal monthly payments of \$100,000 commencing November 21, 2000 and repayment of the remaining principal and any accrued interest due on February 21, 2001. The Company had the right, at any time after November 21, 2000, to convert any or all of the outstanding principal balance into shares of common stock of RBSA (a subsidiary of RBSI). As of December 31, 2000, the Company has recorded accrued interest relating to this note totaling \$35,265.

On January 21, 2001, the Company exchanged the entire principal balance and accrued interest totaling \$1,045,347, plus cash of \$204,653, for 615 shares of RBSA, which represented 41% of the outstanding common shares of RBSA. On May 15, 2001 the Company subscribed to purchase an additional 610 shares of RBSA, representing 12.23% of the outstanding common shares, paying cash of \$250,000 on June 4, 2001 and on June 22, 2001. In addition, the Company acquired an additional 16.67% of the outstanding common shares of RBSA from an officer of RBSA on May 18, 2001, bringing EFT's ownership to 69.9% of outstanding common shares. Purchase price for the 16.67% included cash of \$23,940 and a promissory note for \$181,060.50.

AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of December 15, 2001 (this "Agreement"), among Concord EFS, Inc., a Delaware corporation ("Parent"), Spark Merger Corp., a Colorado corporation and a direct wholly owned subsidiary of Parent ("Sub"), and The Logix Companies, LLC, a Colorado limited liability company (the "Company") (Sub and the Company being hereinafter collectively referred to as the "Constituent Companies").

W I T N E S S E T H:

WHEREAS, the respective Boards of Directors of Parent and Sub and the Board of Managers of the Company have approved and declared advisable the merger of Sub and the Company (the "Merger"), upon the terms and subject to the conditions set forth herein, whereby each issued and outstanding membership unit of the Company ("Company Membership Interest"), not owned directly or indirectly by Parent or the Company, will be converted into the right to receive shares of Common Stock, par value \$0.33 1/3 per share, of Parent ("Parent Common Stock");

WHEREAS, the Board of Directors of Parent and the Board of Managers of the Company have determined that the Merger is in furtherance of and consistent with their respective long-term business strategies and is in the best interest of their stockholders and members, respectively;

Edgar Filing: CONCORD EFS INC - Form S-4/A

WHEREAS, in order to induce Parent and Sub to enter into this Agreement, concurrently herewith the managers and certain members of the Company are entering into agreements with Parent dated as of the date hereof (the "Voting Agreements"), in the form of the attached Exhibit A, pursuant to which, among other things, each such member has agreed to vote in favor of this Agreement and the Merger; and

WHEREAS, in order to induce Parent and Sub to enter into this Agreement, before the Closing, Parent, the Indemnity Agent and the Member Representatives shall enter into the Indemnity Escrow Agreement (the "Indemnity Agreement") substantially in the form of the attached Exhibit B;

NOW, THEREFORE, in consideration of the premises, representations, warranties and agreements herein contained, the parties agree as follows:

A-1

ARTICLE I THE MERGER

Section 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the Colorado Corporations and Associations Act (the "CCAA") and the Colorado Limited Liability Company Act (the "CLLCA" and, together with the CCAA, the "CRS"), the Company shall be merged with and into Sub at the Effective Time. Following the Merger, the separate existence of the Company shall cease and Sub shall continue as the surviving corporation (the "Surviving Corporation") and shall succeed to and assume all the rights and obligations of the Company in accordance with the CRS. Notwithstanding anything to the contrary herein, at the election of Parent, any Subsidiary of Parent may be substituted for Sub as a Constituent Company in the Merger; provided that such substituted corporation is a Colorado corporation which is formed solely for the purpose of engaging in the transactions contemplated by this Agreement and has engaged in no other business activities. In such event, the parties agree to execute an appropriate amendment to this Agreement, in form and substance reasonably satisfactory to Parent and the Company, in order to reflect such substitution.

Section 1.2 Effective Time. The Merger shall become effective when a Statement of Merger (the "Statement of Merger"), executed in accordance with the relevant provisions of the CRS, is filed with the Secretary of State of the State of Colorado; provided, however, that, upon mutual consent of the Constituent Companies, the Statement of Merger may provide for a later date of effectiveness of the Merger not more than 90 days after the date the Statement of Merger is filed. When used in this Agreement, the term "Effective Time" shall mean the date and time at which the Statement of Merger is accepted for recording or such later time established by the Statement of Merger. The filing of the Statement of Merger shall be made on the date of the Closing.

Section 1.3 Effects of the Merger. The Merger shall have the effects set forth in Section 204 of the CCAA.

Section 1.4 Charter and Bylaws; Directors and Officers.

- (a) At the Effective Time, the Articles of Incorporation of Sub (the "Sub Charter"), as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable law. At the Effective Time, the Bylaws of Sub, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation until thereafter changed or amended as provided therein or

Parent shall promptly deliver or cause to be delivered, upon delivery to the Exchange Agent of the Transmittal Letter by any Company Member, duly executed, in exchange therefor (i) to such Company Member (x) one or more certificates representing ninety-five percent (95%) of the aggregate number of whole shares of Parent Common Stock into which the Company Membership Interests owned by such Company Member shall have been converted pursuant to Section 1.5(c), and (y) one hundred percent (100%) of the cash in lieu of any fractional share in accordance with Section 1.8, and one hundred percent (100%) of certain dividends and other distributions in accordance with Section 1.7; and (ii) in accordance with Section 8.1, to the Indemnity Agent, for deposit in the Indemnity Fund (as defined in the Indemnity Agreement), one or more certificates representing the remaining five percent (5%) of such number of whole shares of Parent Common Stock (all such shares held by the Indemnity Agent being collectively referred to as the "Indemnity Shares") and one hundred percent (100%) of certain dividends and other distributions in accordance with Section 1.7.

Section 1.7 Dividends; Transfer Taxes; Withholding. No dividends or other distributions that are declared on or after the Effective Time on Parent Common Stock, or are payable to the holders of record thereof on or after the Effective Time, will be paid to any Person entitled by reason of the Merger to receive a certificate representing Parent Common Stock until such Person delivers the related Transmittal Letter, as provided in Section 1.6, and no cash payment in lieu of fractional shares will be paid to any such Person pursuant to Section 1.8 until such Person shall so deliver the related Transmittal Letter. Subject to the effect of applicable law, there shall be paid to each record holder of a new certificate representing such Parent Common Stock: (i) at the time of the delivery of such Transmittal Letter or as promptly as practicable thereafter, one hundred percent (100%) of the amount of any dividends or other distributions theretofore paid with respect to the shares of Parent Common Stock represented by such new certificate and having a record date on or after the Effective Time and a payment

Parent Common Stock is to be paid to or issued in a name other than that in which the Company Membership Interests surrendered in exchange therefor are registered, it shall be a condition of such exchange that evidence of the proper transfer of such Company Membership Interests shall be presented and that the Person requesting such exchange shall pay to Parent any transfer or other taxes required by reason of the issuance of certificates for such shares of Parent Common Stock in a name other than that of the registered holder of such Company Membership Interests or shall establish to the satisfaction of Parent that such tax has been paid or is not applicable. Parent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any Person such amounts as Parent is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code") or under any provision of state, local or foreign tax law. To the extent that amounts are so withheld by Parent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person who otherwise would have received the payment in respect of which such deduction and withholding was made by Parent.

Section 1.8 No Fractional Securities. No certificates or scrip representing fractional shares of Parent Common Stock shall be issued upon the delivery of Transmittal Letters for the exchange of Company Membership Interests pursuant to this Article I; no Parent dividend or other distribution or stock split shall relate to any fractional share; and no fractional share shall entitle the owner thereof to vote or to any other rights of a security holder of Parent. In lieu of any such fractional share, (x) each Company Member who would otherwise have been entitled to a fraction of a share of Parent Common Stock upon delivery of the Transmittal Letter for exchange pursuant to this Article I will be paid an amount in cash (without interest), rounded down to the nearest cent, determined by multiplying (i) the last reported sale price per share of Parent Common Stock on The Nasdaq National Market ("Nasdaq") on the date of the Effective Time (or, if the shares of Parent Common Stock do not trade on Nasdaq on such date, the first date of trading of shares of Parent Common Stock on Nasdaq after the Effective Time) by (ii) the fractional interest of a share of Parent Common Stock to which such holder would otherwise be entitled.

Section 1.9 Abandoned Property. Neither Parent nor the Surviving Corporation shall be liable to any former holder of any Company Membership Interest for any consideration payable in accordance with this Article I which is delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Section 1.10 Adjustment of Exchange Ratio. In the event of any reclassification, stock split, stock dividend or other similar change with respect to Parent Common Stock or any change or conversion of Parent Common Stock into other securities (or if a record date with respect to any of the foregoing should occur) prior to the Effective Time, appropriate and proportionate adjustments, if any, shall be made to the Exchange Ratio, and all references to the Exchange Ratio in this Agreement shall be deemed to be to the Exchange Ratio, as so adjusted.

Section 1.11 No Further Ownership Rights in Company Membership Interests. All shares of Parent Common Stock issued upon the surrender for exchange of Company Membership Interests in accordance with

A-4

the terms hereof (including any cash paid pursuant to Section 1.8) shall be deemed to have been issued in full satisfaction of all rights pertaining to the

Section 1.12 Closing of Company Transfer Books. If, after the Effective Time, Transmittal Letters are presented to the Surviving Corporation or Parent, the related Company Membership Interests shall be canceled and exchanged as provided in this Article I.

Section 1.13 Further Assurances. If at any time after the Effective Time the Surviving Corporation shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation its right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of either of the Constituent Companies, or (b) otherwise to carry out the purposes of this Agreement, the Surviving Corporation and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of either of the Constituent Companies, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of either Constituent Company, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm the Surviving Corporation's right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of such Constituent Company and otherwise to carry out the purposes of this Agreement.

Section 1.14 Loans. Parent agrees that, if the Closing has not occurred on or before the date that is 60 days after the date hereof, at any time or from time to time after such date it will make a loan or loans to the Company in an aggregate principal amount of up to \$500,000. Parent's obligation to make any such loan is subject to the conditions precedent that the Company (i) is not in breach in any material respect of any of its obligations under this Agreement, and (ii) requests such loan no later than May 31, 2002. Each loan shall be in an amount of at least \$100,000. The loans shall be evidenced by a single promissory note, in the form of the attached Exhibit H (the "Company Note") which shall be executed by the Company on the date of the first such loan to the Company. The Company shall give Parent at least five business days' irrevocable written notice of the Company's intention to receive a loan from Parent. Such notice shall specify the amount of the loan, the date on which the loan will be made by Parent and the wire transfer instructions for the Company bank account to which Parent shall transfer an amount of funds equal to the full amount of such loan, and shall certify that as of the date of such notice, no Event of Default (as defined in the Company Note) exists. The Company's acceptance of any loan shall constitute the Company's reaffirmation that as of the date of such loan, no Event of Default exists. Subject to the foregoing terms and conditions of this Section and so long as the Company is not in default in any material respect of its obligations under this Agreement or the Company Note, Parent shall make such loan in accordance with such notice. Each of Parent and Sub is a corporation duly organized, validly existing and in good standing under the laws of the States of Delaware and Colorado, respectively, and has the requisite corporate power and authority to carry on its business as now being conducted.

Section 2.2 Capital Structure. As of the date hereof, the authorized capital stock of Parent consists of 750,000,000 shares of Parent Common Stock. At the close of business on November 30, 2001, (i) 506,576,046 shares of Parent Common Stock were issued and outstanding, (ii) no shares of Parent Common Stock were held in the treasury of Parent or by Subsidiaries of Parent, and (iii) 47,206,385 shares of Parent Common Stock were reserved for issuance pursuant to outstanding options, warrants or other rights to purchase or otherwise acquire shares of Parent Common Stock under Parent's plans or other arrangements or pursuant to any plans or arrangements assumed by Parent in connection with any acquisition, business combination or similar transaction (collectively, the "Parent Stock Plans"). As of the date of this Agreement, except as set forth above, except for the issuance of shares of Parent Common Stock pursuant to the Parent Stock Plans, no shares of capital stock or other voting securities of Parent were issued, reserved for issuance or outstanding. All of the shares of Parent Common Stock issuable upon conversion of Company Membership Interests at the Effective Time in accordance with Section 1.5(c) of this Agreement will be, when so issued, duly authorized, validly issued, fully paid and nonassessable and free of preemptive rights.

For purposes of this Agreement, "Subsidiary" means any corporation, partnership, limited liability company, joint venture, trust, association or other entity of which Parent or the Company, as the case may be (either alone or through or together with any other Subsidiary), owns, directly or indirectly, 50% or more of the stock or other equity interests the holders of which are generally entitled to vote for the election of the Board of Directors or other governing body of such corporation, partnership, limited liability company, joint venture or other entity. Parent has the requisite corporate power and authority to enter into this Agreement and the Parent Ancillary Agreements, to consummate the transactions contemplated hereby and thereby and to effect the Share Issuance. The Share Issuance and the filing of a registration statement on Form S-4 with the Securities Exchange Commission ("SEC") by Parent under the Securities Act of 1933, as amended (together with the rules and regulations promulgated thereunder, the "Securities Act"), for the purpose of registering shares of Parent Common Stock to be issued in the Merger (together with any amendments or supplements thereto, whether prior to or after the effective date thereof, the "Registration Statement") have been duly authorized by Parent's Board of Directors.

This Agreement has been duly executed and delivered by the Company. The Company Ancillary Agreements executed as of the date hereof have each been duly executed and delivered by the Company, and no other corporate action on the part of the Company is necessary in connection therewith. Assuming the valid authorization, execution and delivery by the other parties thereto and the validity and binding effect hereof and thereof on the other parties thereto, this Agreement constitutes the valid and binding obligation of the Company enforceable against it in accordance with its terms, and each of the Company Ancillary Agreements upon execution and delivery thereof by the Company will constitute the valid and binding obligation of the Company enforceable against it in accordance with its terms, except to the extent as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

No filing or registration with, or authorization, consent or approval of, any Governmental Entity is required by or with respect to the Company or any of its Subsidiaries in connection with the execution and delivery of this Agreement or the Company Ancillary Agreements by the Company or is necessary for the consummation of the Merger by the Company and the other transactions contemplated by this Agreement or the Company Ancillary Agreements (including the Acquisition Transactions), except for (i) in connection, or in compliance with, the provisions of the HSR Act, (ii) the filing of the Statement of Merger with the Secretary of State of the State of Colorado and appropriate documents with the relevant authorities of other states in which the Company or any of its Subsidiaries is qualified to do business, (iii) State Takeover Approvals, (iv) applicable requirements, if any, of Blue Sky Laws, (v) applicable requirements, if any, under foreign laws, and (vi) such other consents, orders, authorizations, registrations, declarations and filings the failure of which to be obtained or made would not, individually or in the aggregate, have a Material Adverse Effect on the Company, materially impair the ability of the Company or its Subsidiaries to perform their respective obligations hereunder or, in the case of the Company, under the Company Ancillary Agreements, or prevent the consummation of any of the transactions contemplated hereby or thereby by the Company or its Subsidiaries.

Edgar Filing: CONCORD EFS INC - Form S-4/A

(or another institution selected by Parent with the reasonable consent of the Company) as Indemnity Fund and collateral agent (the "Indemnity Agent"). Such deposit shall constitute the initial Indemnity Fund and shall be governed by the terms set forth herein and in the Indemnity Agreement. All dividends and distributions in respect of the Indemnity Shares, whether in cash, additional Parent Common Stock or other property, received by the Indemnity Agent shall be distributed currently to the Company Members in accordance with the Indemnity Agreement; provided, that stock dividends made to effect stock splits or similar events shall be retained by the Indemnity Agent as part of the Indemnity Fund. The Indemnity Fund shall be available to indemnify, hold harmless and reimburse any Parent Group Member from any Loss or Expense indemnifiable under this Article VIII and as provided in the Indemnity Agreement.

- (b) Nothing in this Agreement shall limit the liability of the Company for any breach of any representation, warranty or covenant contained in this Agreement if this Agreement shall be terminated, provided that resort to the Indemnity Fund shall be the exclusive remedy of the Parent Group Members for any breaches and misrepresentations following the Effective Time other than for fraud.
- (c) As used in this Agreement, (i) "Expense" means any and all expenses incurred in connection with investigating, defending or asserting any claim, action, suit or proceeding incident to any matter indemnified against hereunder (including court filing fees, court costs, arbitration fees or costs, witness fees and reasonable fees and disbursements of legal counsel, investigators, expert witnesses, consultants, accountants and other professionals), (ii) "Loss" means any and all losses, costs, obligations, liabilities, settlement payments, awards, judgments, fines, Taxes, penalties, damages, expenses, deficiencies or other charges, and (iii) "Parent Group Members" means Parent and its Affiliates and their respective successors and assigns, including, after the Effective Time, the Surviving Corporation.

Section 8.2 Indemnification from Indemnity Fund. (a) Subject to Section 8.1 and except as set forth in Schedule 8.2, from and after the Effective Time, each Parent Group Member shall be indemnified, held harmless and reimbursed from the Indemnity Fund from and against any and all Loss and Expense incurred by such Parent Group Member in connection with or arising from:

- (i) any breach or failure to perform by the Company of any of its agreements, covenants or obligations in this Agreement;
- (ii) any breach of any warranty or the inaccuracy of any representation of the Company contained in this Agreement or any certificate delivered by or on behalf of the Company pursuant to this Agreement; or
- (iii) any claims that the Company's or any of its Subsidiaries' products or any use, sale, offer for sale or manufacture thereof or the conduct of the Company's or any of its Subsidiaries' businesses infringes the patent(s) identified in Section 8.2 of the Company Letter;

provided, however, that the Indemnity Fund shall be used to indemnify and hold harmless hereunder with respect to the matters set forth in clause (ii) of this Section 8.2(a) (other than Sections 3.1, 3.2, 3.3, 3.20 and 3.28, the certificate delivered pursuant to Section 6.3(a) to the extent it

Edgar Filing: CONCORD EFS INC - Form S-4/A

relates to such Sections, and the certificates delivered pursuant to Section 6.3(d), as to which this proviso shall not apply) only in the event that the aggregate amount (without duplication) of Losses and Expenses borne by the Parent Group

A-39

Members with respect thereto exceeds \$150,000 in the aggregate, in which event the Indemnity Fund shall be used to indemnify the Parent Group Members for the full amount of such Losses and Expenses. Any payment pursuant to this Section 8.2 shall be made in the form of a transfer from the Indemnity Fund to the applicable Parent Group Member(s) pursuant to the Indemnity Agreement.

- (b) The Company acknowledges that Parent and the Company have agreed that Parent will acquire all of the outstanding Company Membership Interests in exchange for the aggregate merger consideration payable by Parent pursuant to Section 1.5. The Company further acknowledges that the information set forth in the certificate delivered pursuant to Section 6.3(d) will be used as the basis for determining the Exchange Ratio. In the event of any inaccuracy in the certificate delivered pursuant to Section 6.3(d), Parent will be entitled (but not obligated) to recalculate and adjust the Exchange Ratio accordingly and receive a sufficient number of shares of Parent Common Stock from the Indemnity Fund in order that the total number of shares of Parent Common Stock issued and outstanding by virtue of this Agreement would be as would have resulted in such certificate had been true and correct. Notwithstanding anything else to the contrary contained in this Agreement, in no event shall the aggregate merger consideration payable by Parent, Sub or the Surviving Corporation to the holders of equity interests in the Company in connection with the Merger or the transactions contemplated hereby exceed such consideration payable assuming such certificate is correct.
- (c) The indemnification provided for in this Article VIII shall terminate one year after the Effective Time (and no claims shall be made by any Parent Group Member under this Section 8.2 thereafter), except that such indemnification shall continue as to any Loss or Expense in connection with which a Claim Notice is given in accordance with the requirements of Section 8.4 on or prior to the date such indemnification obligation would otherwise terminate in accordance with this Section 8.2, as to which the indemnification obligation hereunder shall continue until the liability to be satisfied from the Indemnity Fund shall have been determined pursuant to this Article VIII, and all Parent Group Members shall have been reimbursed out of the Indemnity Fund for such Loss or Expense in accordance with the terms hereof.

Section 8.3 Termination of Indemnity Fund. Upon termination of the indemnification obligations under this Article VIII and reimbursement of the Parent Group Members of Losses and Expenses payable in respect thereof hereunder, the Indemnity Fund shall terminate and shall be distributed in accordance with the Indemnity Agreement after payment of any amounts therefrom due to the Indemnity Agent.

Section 8.4 Notice and Determination of Claims.

- (a) If any Parent Group Member wishes to make a claim for indemnification to be satisfied from the Indemnity Fund, such Parent Group Member

Edgar Filing: CONCORD EFS INC - Form S-4/A

(individually or collectively, the "Claiming Party") shall so notify the Indemnity Agent in writing (the "Claim Notice") of the facts giving rise to such claim for indemnification hereunder. The Claim Notice shall be accompanied by a certificate of the Claiming Party attesting to the Claiming Party's contemporaneous delivery of a duplicate copy of the Claim Notice to the Member Representatives. Such Claim Notice shall describe in reasonable detail (to the extent then known) the Loss or Expense and the method of computation of such Loss or Expense and contain a reference to the provisions of this Agreement in respect of which such Loss or Expense shall have occurred. If the Claiming Party is not Parent, the Claim Notice must be accompanied by a certificate from Parent confirming that the Claiming Party is a Parent Group Member. At the time of delivery of any Claim Notice to the Indemnity Agent, a duplicate copy of such Claim Notice shall be delivered by the Claiming Party to the Member Representatives.

- (b) Unless the Member Representatives shall have delivered an Objection in accordance with Section 8.4(c), the Indemnity Agent shall, on the twentieth day (or such earlier day as the Member Representatives shall authorize in writing to the Indemnity Agent) after receipt of a Claim Notice

A-40

with respect to indemnification for a specified amount, deliver to Parent, for its account or for the account of each Parent Group Member named in the Claim Notice, such portion of the Indemnity Fund, valued in accordance with the Indemnity Agreement, with a value equal to the specified amount.

- (c) Until the twentieth day following delivery of a Claim Notice, the Member Representatives may deliver to the Indemnity Agent a written objection (an "Objection") to the claim made in such Claim Notice. At the time of delivery of any Objection to the Indemnity Agent, a duplicate copy of such Objection shall be delivered to the Claiming Party.
- (d) Upon receipt of an Objection properly made, the Indemnity Agent shall (i) deliver to Parent, for its account or for the account of each Parent Group Member named in the Claim Notice, such portion of the Indemnity Fund, valued in accordance with the Indemnity Agreement, with a value equal to that portion of the amount subject to the Claim Notice, if any, which is not disputed by the Member Representatives and (ii) designate and segregate out of the Indemnity Fund a portion thereof, valued in accordance with the Indemnity Agreement, with a value equal to the amount subject to the Claim Notice which is disputed by the Member Representatives. Thereafter, the Indemnity Agent shall not dispose of such segregated portion of the Indemnity Fund until the Indemnity Agent shall have received a certified copy of the final decision of the arbitrators as contemplated by Section 8.5, or the Indemnity Agent shall have received a copy of the written agreement between the Claiming Party and the Member Representatives resolving such dispute and setting forth the amount, if any, which such Claiming Party is entitled to receive. The Indemnity Agent will deliver to Parent, for its account or for the account of each Parent Group Member entitled to payment, such portion of the Indemnity Fund, valued in accordance with the Indemnity Agreement, with a value equal to the amount that the Claiming Party is entitled to receive as set forth in the arbitration decision after the expiration of ten (10)

Edgar Filing: CONCORD EFS INC - Form S-4/A

business days from the receipt of such decision or, in the event that the amount to which the Claiming Party is entitled is established pursuant to an agreement between the Claiming Party and the Member Representatives, promptly after the Indemnity Agent's receipt of such agreement.

Section 8.5 Resolution of Conflicts; Arbitration.

- (a) The Claiming Party shall deliver a written response to the Member Representatives in respect of any Objection properly delivered by the Member Representatives. If after twenty (20) days following delivery of such response there remains a dispute as to any claims, the Member Representatives and the Claiming Party shall attempt in good faith for sixty (60) days to agree upon the rights of the respective parties with respect to each of such claims. If the Member Representatives and the Claiming Party should so agree, a memorandum setting forth such agreement shall be prepared and signed by both and shall be furnished to the Indemnity Agent. The Indemnity Agent shall be entitled to rely on any such memorandum and shall distribute the Parent Common Stock or other property from the Indemnity Fund in accordance with the terms thereof.
- (b) If no such agreement can be reached after good faith negotiation, either the Claiming Party or the Member Representatives may, by written notice to the other, demand arbitration of the matter unless the amount of the Loss or Expense is at issue in pending litigation with a third party, in which event arbitration shall not be commenced until such amount is ascertained or both parties agree to arbitration; and in either such event the matter shall be settled by arbitration conducted by three arbitrators. Within fifteen (15) days after such written notice is sent, Parent and the Member Representatives shall each select one arbitrator, and the two arbitrators so selected shall select a third arbitrator. The decision of the arbitrators as to the validity and amount of any claim in the related Claim Notice shall be binding, and conclusive, and notwithstanding anything in this Section 8.5, the Indemnity Agent shall be entitled to act in accordance with such decision and make or withhold payments out of the Indemnity Fund in accordance therewith.

A-41

- (c) Judgment upon any award rendered by the arbitrators may be entered in any court having jurisdiction. Any such arbitration shall be held in Denver, Colorado under the commercial rules then in effect of the American Arbitration Association. The non-prevailing party to an arbitration shall pay its own expenses, the fees of each arbitrator, the administrative fee of the American Arbitration Association, and the expenses, including attorneys' fees and costs, reasonably incurred by the other party to the arbitration.

Section 8.6 Member Representatives.

- (a) The "Member Representatives" shall be A. Anthony Sdao and Kristin DelMonte, who may be replaced by the Company prior to the Effective Time. Each of the Member Representatives shall be constituted and appointed as agent for and on behalf of the Company Members to give and receive notices and communications, to authorize delivery to Parent Group Members of the Parent Common Stock or other property from the Indemnity Fund in satisfaction of claims by Parent Group

Edgar Filing: CONCORD EFS INC - Form S-4/A

Members, to object to such deliveries, to agree to, negotiate, enter into settlements and compromises of, and demand arbitration and comply with orders of courts and awards of arbitrators with respect to such claims, and to take all actions necessary or appropriate in the judgment of the Member Representatives in connection with the foregoing. The Persons designated to serve as the Member Representatives may be changed by the holders of a majority in interest of the Indemnity Fund from time to time upon not less than 10 days' prior written notice to Parent and the Indemnity Agent. No bond shall be required of the Member Representatives, and the Member Representatives shall receive no compensation for their services. Any expenses incurred by the Member Representatives in connection with their services hereunder shall be reimbursed from the Indemnity Fund upon presentation of appropriate expense documentation as and to the extent provided in Section 6 of the Indemnity Agreement.

- (b) The Member Representatives shall not be liable to the Company Members for any act done or omitted hereunder or under the Indemnity Agreement as Member Representatives while acting in good faith and in the exercise of reasonable judgment, and any act done or omitted pursuant to the written advice of counsel shall be conclusive evidence of such good faith. The Company Members shall severally indemnify the Member Representatives and hold them harmless from and against any loss, liability or expense incurred without gross negligence or bad faith on the part of the Member Representatives and arising out of or in connection with the acceptance and administration of their duties hereunder.
- (c) The Member Representatives shall treat confidentially and not disclose any nonpublic information from or about the Company to anyone (except on a need to know basis to individuals who agree to treat such information confidentially).

Section 8.7 Actions of the Member Representatives. A decision, act, consent or instruction of the Member Representatives shall constitute a decision of all Company Members for whom shares of Parent Common Stock otherwise issuable to them are deposited in the Indemnity Fund and shall be final, binding and conclusive upon each such Company Member, and the Indemnity Agent and Parent may rely upon any decision, act, consent or instruction of the Member Representatives as being the decision, act, consent or instruction of each and every such Company Member. The Indemnity Agent and each Parent Group Member are hereby relieved from any liability to any Person for any acts done by them in accordance with such decision, act, consent or instruction of the Member Representatives. For purposes of this Agreement and the Indemnity Agreement any action by a majority of the then Member Representatives shall be deemed to be the action of and binding upon all of the Member Representatives.

Section 8.8 Third-Party Claims. In the event Parent becomes aware of a third-party claim which Parent believes may result in a demand against the Indemnity Fund, Parent shall promptly notify the Member Representatives of such claim, and the Member Representatives shall be entitled, at their expense, to participate

A-42

in any defense of such claim. Parent shall have the right in its discretion to settle any such claim; provided, however, that Parent may not effect the settlement of any such claims without the consent of the Member Representatives, which consent shall not be unreasonably withheld. In the event that the Member Representatives have consented to any such settlement, the

Edgar Filing: CONCORD EFS INC - Form S-4/A

Member Representatives shall have no power or authority to object under Section 8.4 or any other provision of this Article VIII to the amount paid in such settlement.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements set forth herein, the Member agrees as follows:

1. Covenants of Member. Until the termination of the Member's obligations in accordance with Section 4, Member agrees as follows:

(a) At the Member Meeting (or at any adjournment thereof) or in any other circumstances upon which a vote, consent or other approval with respect to the Merger or the Merger Agreement is sought, the Member shall vote (or cause to be voted) the Subject Shares in favor of the Merger, the adoption of the Merger Agreement and the approval of the terms thereof and each of the other transactions contemplated by the Merger Agreement.

(b) At any meeting of Company Members (or at any adjournment thereof) or in any other circumstances upon which the Member's vote, consent or other approval is sought, the Member shall vote (or cause to be voted) the Subject Shares against (i) any merger agreement or merger (other than the Merger Agreement and the Merger), consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Company or any subsidiary thereof or any other Takeover Proposal or (ii) any amendment of the Company's Articles of Organization or Company Operating Agreement or other proposal or transaction involving the Company or any of its Subsidiaries, which amendment or other proposal or transaction would in any manner impede, frustrate, prevent or nullify the Merger, the Merger Agreement or any of the other transactions contemplated by the Merger Agreement or change in any manner the voting rights of any equity interests in the Company. The Member further agrees not to commit or agree to take any action inconsistent with the foregoing.

B-1

(c) The Member shall not, nor shall the Member permit any Affiliate, director, officer, employee or other representative of the Member to, (i) directly or indirectly solicit, initiate or knowingly encourage the submission of, any Takeover Proposal or (ii) directly or indirectly participate in any discussions or negotiations regarding, or furnish to any person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Takeover Proposal.

(d) The Member shall cooperate with Parent to support and to consummate and make effective, in the most expeditious manner practicable, the Merger and the other transactions contemplated by the Merger Agreement.

2. Representations and Warranties. The Member represents and warrants to Parent as follows:

(a) The Member is the record and beneficial owner of, and has good title to, the Subject Shares. The Member does not own, of record or beneficially, any membership interest or other equity interest of the Company other than the Subject Shares. The Member has the sole right to vote, and the sole power of disposition with respect to, the Subject Shares, and none of the Subject Shares is subject to any voting trust, proxy or other agreement, arrangement or restriction with respect to the voting or disposition of such Subject Shares, except as contemplated by this Agreement.

(b) This Agreement has been duly executed and delivered by the Member. Assuming the due authorization, execution and delivery of this Agreement by Parent, this Agreement constitutes the valid and binding agreement of the

Edgar Filing: CONCORD EFS INC - Form S-4/A

Member enforceable against the Member in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws of general application which may affect the enforcement of creditors' rights generally and by general equitable principles. The execution and delivery of this Agreement by the Member does not and will not conflict with any agreement, order or other instrument binding upon the Member, nor require the Member to make or obtain any regulatory filing or approval.

3. Affiliate Letter. The Member agrees to execute and deliver on a timely basis an Affiliate Letter in the form of Exhibit D to the Merger Agreement, when and if requested by Parent.

4. Termination. The obligations of the Member hereunder shall terminate upon the earlier of the termination of the Merger Agreement pursuant to Section 7.1 thereof or the Effective Time; provided that in the event the Merger Agreement is terminated (i) by Parent pursuant to Section 7.1(b) or 7.1(c) thereof, but only in the event of a wilful breach by the Company, or (ii) pursuant to Section 7.1(e) or 7.1(f) thereof, the obligations of the Member hereunder shall terminate on the first anniversary of the termination of the Merger Agreement. No such termination shall relieve the Member from any liability in connection with this Agreement incurred prior to such termination.

5. Further Assurances. The Member will, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as Parent may reasonably request for the purpose of effectively carrying out the transactions contemplated by this Agreement.

6. Successors, Assigns and Transferees Bound. Any successor, assignee or transferee (including a successor, assignee or transferee as a result of the death of the Member, such as an executor or heir) shall be bound by the terms hereof, and the Member shall take any and all actions necessary to obtain the written confirmation from such successor, assignee or transferee that it is bound by the terms hereof.

B-2

7. Remedies. The Member acknowledges that money damages would be both incalculable and an insufficient remedy for any breach of this Agreement by it and that any such breach would cause Parent irreparable harm. Accordingly, the Member agrees that in the event of any breach or threatened breach of this Agreement, Parent, in addition to any other remedies at law or in equity it may have, shall be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance.

8. Severability. The invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity or enforceability of any other provision of this Agreement in such jurisdiction, or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

9. Amendment. This Agreement may be amended only by means of a written instrument executed and delivered by both the Member and Parent.

10. Governing Law. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of Colorado, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

Edgar Filing: CONCORD EFS INC - Form S-4/A

11. Capitalized Terms. Capitalized terms used in this Agreement that are not defined herein shall have such meanings as set forth in the Merger Agreement.

12. Counterparts. For the convenience of the parties, this Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

13. No Limitation on Actions of the Member as Manager. In the event the Member is a manager of the Company, notwithstanding anything to the contrary in this Agreement, nothing in this Agreement is intended or shall be construed to require the Member to take or in any way limit any action that the Member may take to discharge the Member's fiduciary duties as a manager of the Company.

WHEREAS, the Indemnity Agent has agreed to hold the Indemnity Fund pursuant to the terms of this Indemnity Agreement;

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, the parties hereto agree as follows:

Section 2. Deposit of Indemnity Shares and Use of Indemnity Fund.

- a. Promptly after the Effective Time, the Indemnity Shares shall be deposited by Parent in escrow with the Indemnity Agent. The Indemnity Agent shall establish a separate subaccount for each Company Member ("Subaccount") and credit to such Subaccount the number of Indemnity Shares set forth opposite the name of such Company Member on Annex A hereto.
- b. Immediately after receipt from Parent of the Indemnity Shares, the Indemnity Agent shall confirm to the Parent and the Member Representatives such receipt in writing.
- c. The Indemnity Agent agrees to hold, pay and disburse the Indemnity Fund and to act as Indemnity Agent in accordance with the terms, conditions and provisions of this Indemnity Agreement.
- d. All dividends and distributions in respect of the Indemnity Shares, whether in cash, additional Parent Common Stock or other property received by the Indemnity Agent shall be distributed currently to the Company Members; provided that stock dividends made to effect stock splits or similar events shall be retained by the Indemnity Agent as part of the Indemnity Fund and credited proportionately to the

Edgar Filing: CONCORD EFS INC - Form S-4/A

Subaccounts to which the Indemnity Shares are credited, and shall be considered part of the Indemnity Shares for purposes of this Indemnity Agreement. In the event the Indemnity Shares are reclassified or otherwise changed into or exchanged for other securities, property or cash pursuant to any merger, consolidation, sale of assets and liquidation or other transaction, the securities, cash or other property received by the Indemnity Agent in respect of the Indemnity Shares shall be retained by it as part of the Indemnity Fund, credited proportionately to the Subaccounts to which the Indemnity Shares are credited and, in the case of securities, registered in the name of the Indemnity Agent or its nominee. All cash, property, Parent Common Stock and other securities received and retained by the Indemnity Agent as described in this Subsection 2(d) are referred to herein as "Distributions". The provisions of this Section 2 shall apply to successive Distributions.

- e. Each Company Member shall have the right to vote all Indemnity Shares credited to such Company Member's Subaccount. The Indemnity Agent will forward to each Company Member to whose Subaccount any Indemnity Shares are credited all notices of stockholders' meetings, proxy statements and reports to stockholders received by the Indemnity Agent in respect thereof and will either (i) vote the Indemnity Shares credited to such Company Member's Subaccount only in accordance with written instructions received from such Company Member, or (ii) forward to such Company Member a signed proxy enabling the Company Member to vote such Indemnity Shares. The Indemnity Agent shall be reimbursed for the cost of such forwarding in accordance with Section 8(d).

Section 3. Release of Indemnity Shares for Sale.

- a. Subject to Section 3(d), a Company Member may deliver to the Indemnity Agent and to Parent a written notice (a "Sale Notice") directing the Indemnity Agent to deliver all or a specified number of the Indemnity Shares (the "Sold Shares") credited to such Company Member's Subaccount to a broker or dealer for purposes of sale, against receipt by the Indemnity Agent of the proceeds of such sale, after deducting the commissions and other charges of the broker or dealer effecting such sale (the "Sale Proceeds"). The Sale Notice shall state: (i) that a specified number of Indemnity Shares have been sold to or through the broker-dealer named therein, (ii) the sale price per share and the aggregate Sale Proceeds, and (iii) the date of payment for and delivery of the Sold Shares, which shall not be less than five business days after delivery of the Sale Notice.
- b. If the Sale Proceeds as set forth in the Sale Notice are less than 100% of the Current Market Value (as defined in Section 5(b)) of the Sold Shares as of the date of sale, the Indemnity Agent shall not deliver the Sold Shares unless it receives, in addition to the Sale Proceeds, cash in an amount equal to the difference between the Current Market Value of the Sold Shares as of the date of sale and such Sale Proceeds; provided, however, that if the Current Market Value of the Sold Shares as of the date of sale shall be less than the Average Closing Price, then the Indemnity Agent shall not deliver the Sold Shares

C-2

unless it receives, in addition to the Sale Proceeds, cash in an amount equal to the difference between the Average Closing Price and such Sale Proceeds; and provided further, that in the event of any reclassification, stock split or stock dividend with respect to Parent

Edgar Filing: CONCORD EFS INC - Form S-4/A

Common Stock or any change or conversion of Parent Common Stock into other securities, appropriate and proportionate adjustments, if any, shall be made to the "Average Closing Price".

- c. The Sale Proceeds and additional cash, if any, received by the Indemnity Agent in respect of Sold Shares shall be retained in the Indemnity Fund in accordance with this Indemnity Agreement and credited to the Subaccount of the selling Company Member.
- d. Sold Shares subject to transfer restrictions for securities law purposes, as indicated by a legend placed on the certificates representing such Sold Shares, shall not be transferred pursuant to Section 3 except in accordance with the Company Affiliate Letter or any other agreement creating such restriction, as the case may be, executed by the Company Member requesting such sale.

Section 4. Disposition of Indemnity Fund.

- a. Each Parent Group Member shall be entitled to receive payment directly from the Indemnity Agent out of the Indemnity Fund in the amount which, at any time and from time to time, such Parent Group Member is entitled to be indemnified, reimbursed and held harmless from the Indemnity Fund as provided in Article VIII of the Merger Agreement (including Sections 8.4 and 8.5 thereof), the terms of which are incorporated herein by reference and a copy of which is attached hereto as Annex B.
- b. The Indemnity Agent shall not dispose of all or any portion of the Indemnity Fund other than as provided in this Indemnity Agreement.

Section 5. Payment and Valuation.

- a. Payments, deliveries or designations from the Indemnity Fund made pursuant to any Claim Notice shall be made, on a Subaccount by Subaccount basis, first from any cash, second from any Permitted Investments, and third from any Indemnity Shares. For purposes of such payment, delivery or designation, Indemnity Shares and Permitted Investments shall be valued at the Current Market Value of such Indemnity Shares and Permitted Investments as determined in accordance with Section 5(b). To the extent that any payment, delivery or designation is made pursuant to this Indemnity Agreement in the form of securities, such payment, delivery or designation shall be rounded to the nearest whole number of such securities, and no fractional securities shall be paid, delivered or designated.
- b. The "Current Market Value" of the Indemnity Shares or any other security, including any Permitted Investment, in the Indemnity Fund shall be the average of the closing prices of such security for each of the ten trading days immediately preceding such date. The closing price of any such security on any trading day shall be: (i) if such security is listed on a national market securities exchange or quoted in The Nasdaq National Market System, the last reported sale price, or if no sale occurred on that day the mean between the closing bid and asked prices, of such security on such exchange (or the principal exchange if listed on more than one) or in The Nasdaq National Market System, as the case may be, (ii) if such security is not listed or quoted as described in clause (i), the mean between the reported high bid and low asked prices of such security on such date as reported in the financial press or by the National Quotation Bureau Incorporated, or (ii) if neither clause (i) nor clause (ii) applies, the market value of such security on such day as determined in good faith by the Board of Directors of Parent. Upon request of the Indemnity Agent, the Parent shall deliver to it a notice setting forth its good faith calculation of the Current

Edgar Filing: CONCORD EFS INC - Form S-4/A

Market Value of the Sold Shares or the Indemnity Shares, which calculation shall be binding on all parties.

- c. Payments and deliveries pursuant to a Claim Notice shall be charged to and withdrawn from each Subaccount in proportion to the original respective balances in each, unless the Indemnity Agent is restrained, enjoined or stayed by law or court order from withdrawing assets from a Subaccount, in

C-3

which case the amount which would have been drawn from such Subaccount shall be allocated pro rata among and withdrawn from the remaining Subaccounts as to which the Indemnity Agent is not so restrained, enjoined or stayed. If the Indemnity Agent ceases to be so restrained, enjoined or stayed, then, to the extent practicable, such remaining Subaccounts from which such amount was withdrawn shall be credited, pro rata, with the amount of such withdrawal through a deduction from the Subaccount that was the subject of such restraint, injunction or stay.

Section 6. Delivery of Indemnity Fund Upon Termination.

- a. On the first anniversary of the Effective Time, or earlier if Parent so elects, in whole or in part, pursuant to Section 8.2(c) of the Merger Agreement in a written notice delivered to the Indemnity Agent and the Member Representatives (the "Distribution Date"), the Indemnity Agent shall deliver to the Exchange Agent (or, if the agreement appointing the Exchange Agent shall then have terminated, to Parent) an amount (the "Distribution Amount") equal to (A) the amount remaining in the Indemnity Fund, less (B) any amount designated as subject to a Claim pursuant to such Claim Notice to the extent such Claim has not been resolved prior to such date, and less (C) any amount previously designated in writing by the Member Representatives to the Indemnity Agent (with a copy delivered to Parent) as amounts that should be withheld to cover their expenses incurred in connection with their activities hereunder (to the extent the Indemnity Agent shall then have received written notice from the Member Representatives to such effect in accordance with Section 9(b)). Upon its receipt of such Distribution Amount, the Exchange Agent or Parent, as the case may be, shall disburse the Distribution Amount from each Subaccount to the Company Member for which such Subaccount was established. No certificates or scrip representing fractional shares of Parent Common Stock or any other security shall be issued upon the disbursement of the Distribution Amount. In lieu of any such fractional share, each Company Member who would otherwise have been entitled to a fraction of a share of Parent Common Stock or other security upon disbursement of the Distribution Amount will be paid an amount in cash (without interest), rounded to the nearest cent, determined by multiplying (i) the Current Market Value of such Parent Common Stock or such other securities as of the Distribution Date by (ii) the fractional interest to which such holder would otherwise be entitled.
- b. Any amounts retained in escrow after the Distribution Date shall be held by the Indemnity Agent and shall first be used to indemnify the Parent Group Members, subject to the terms and conditions of this Indemnity Agreement, and upon resolution and payment out of the Indemnity Fund of all pending Claims, any remaining amounts in escrow shall be transferred to the Member Representatives with respect to out of pocket expenses incurred by them in connection with their activities hereunder (to the extent the Indemnity Agent shall then have received written notice from

Edgar Filing: CONCORD EFS INC - Form S-4/A

the Member Representatives to such effect in accordance with Section 9(b)), and any remaining amounts shall be distributed to the Exchange Agent (or, if the agreement appointing the Exchange Agent shall then have terminated, to Parent), who shall disburse such portion in the manner set forth in Section 6(a).

- c. Upon distribution of the entire amount of the Indemnity Fund, the Indemnity Agent shall give the Exchange Agent or Parent, as the case may be, notice to such effect. Such notice shall be given to the following address, or to such other address as Parent may designate:

Concord EFS, Inc.
1100 Carr Road
Wilmington, DE 19809
Attention: General Counsel

Upon such distribution, this Indemnity Agreement shall be terminated.

C-4

- d. At any time prior to final termination of this Indemnity Agreement, the Indemnity Agent shall, if so instructed in a writing signed by Parent and the Member Representatives, release from the Indemnity Fund to Parent or the Exchange Agent, as directed, the portion of the Indemnity Fund specified in such writing.

Section 7. Permitted Investments; Interest.

The Indemnity Agent is hereby authorized and directed to hold the Indemnity Fund in a segregated escrow account and to disburse such Indemnity Fund only in accordance with the terms of this Indemnity Agreement. From the date hereof until the date of disbursement of the Indemnity Fund pursuant to Section 6 of this Indemnity Agreement, the Indemnity Agent is authorized and directed to invest and reinvest the cash portion, if any, of the Indemnity Fund in any of the following investments (each a "Permitted Investment") in each case pursuant to joint instructions of the Parent and the Member Representatives: (i) readily marketable obligations maturing within six (6) months after the date of acquisition thereof issued by the United States of America or any agency or instrumentality thereof; (ii) readily marketable obligations maturing within six (6) months after the date of acquisition thereof issued by any state or municipality within the United States of America, or any political subdivision, agency or instrumentality thereof, rated "A" or better by either Standard & Poor's Corporation or Moody's Investors Service Inc.; (iii) readily marketable commercial paper maturing within one hundred eighty (180) days after the date of issuance thereof which has the highest credit rating of either Standard & Poor's Corporation or Moody's Investors Service, Inc.; or (iv) 6 month certificates of deposit issued by any bank incorporated and doing business pursuant to the laws of the United States of America or any state thereof having combined capital and surplus of at least \$500,000,000. In the event the Indemnity Agent does not receive joint instructions from Parent and the Member Representatives to invest or reinvest the cash portion of the Indemnity Fund, the Indemnity Agent agrees to invest and reinvest such funds in Money Market Fund, or a successor or similar fund agreed to by Parent and the Member Representatives in writing, which invests in direct obligations of, or obligations fully guaranteed as to principal and interest by the United States Government and repurchase agreements with respect to such securities. Permitted Investments and interest accruing on, and any profit resulting from, such investments shall be added to, and become a part of, the Indemnity Fund pursuant to this Indemnity Agreement and shall be allocated among the Subaccounts of the Company Members based on the Permitted Investments credited

Edgar Filing: CONCORD EFS INC - Form S-4/A

to the Subaccount of each. For purposes of this Indemnity Agreement, "interest" on the Indemnity Fund shall include all proceeds thereof and investment earnings with respect thereto. All Permitted Investments shall be registered in the name of the Indemnity Agent. The Indemnity Agent shall have full power and authority to sell any and all Permitted Investments held by it under this Indemnity Agreement as necessary to make disbursements under this Indemnity Agreement, and may use its Bond Department to effect such sales. The Indemnity Agent, Parent, the Surviving Corporation and the Member Representatives shall not be responsible for any unrealized profit or realized loss realized on such investments.

Section 8. Liability and Compensation of Indemnity Agent.

- a. The duties and obligations of the Indemnity Agent hereunder shall be determined solely by the express provisions of this Indemnity Agreement, and no implied duties or obligations shall be read into this Indemnity Agreement against the Indemnity Agent. The Indemnity Agent shall, in determining its duties hereunder, be under no obligation to refer to any other documents between or among the parties related in any way to this Indemnity Agreement (except to the extent that this Indemnity Agreement specifically refers to or incorporates by reference provisions of any other document), it being specifically understood that the following provisions are accepted by all of the parties hereto. Parent shall indemnify and hold the Indemnity Agent harmless from and against any and all liability and expense which may arise out of any action taken or omitted by the Indemnity Agent in accordance with this Indemnity Agreement, except such liability and expense as may result from the gross negligence or willful misconduct of the Indemnity Agent. The reasonable costs and expenses of the Indemnity Agent to enforce its indemnification rights under this Section 8(a) shall also be paid by Parent. This right to indemnification shall survive the termination of this Indemnity Agreement and removal or resignation of the Indemnity Agent. With respect to any claims or actions against the Indemnity Agent which are

C-5

indemnified by Parent under this Section 8(a), Parent shall have the right to retain sole control over the defense, settlement, investigation and preparation related to such claims or actions; provided that (i) the Indemnity Agent may employ its own counsel to defend such a claim or action if it reasonably concludes, based on the advice of counsel, that there are defenses available to it which are different from or additional to those available to Parent and (ii) neither Parent nor the Indemnity Agent shall settle or compromise any such claim or action without the consent of the other, which consent shall not be unreasonably withheld or delayed.

- b. The Indemnity Agent shall not be liable to any person by reason of any error of judgment or for any act done or step taken or omitted by it, or for any mistake of fact or law or anything which it may do or refrain from doing in connection herewith unless caused by or arising out of its own gross negligence or willful misconduct.
- c. The Indemnity Agent shall be entitled to rely on, and shall be protected in acting in reliance upon, any instructions or directions furnished to it in writing signed by both Parent and all the then Member Representatives pursuant to any provision of this Indemnity Agreement and shall be entitled to treat as genuine, and as the document it purports to be, any letter, paper or other document furnished to it by

Edgar Filing: CONCORD EFS INC - Form S-4/A

any Parent Group Member or the Member Representatives, and believed by the Indemnity Agent to be genuine and to have been signed and presented by the proper party or parties. In performing its obligations hereunder, the Indemnity Agent may consult with counsel to the Indemnity Agent and shall be entitled to rely on, and shall be protected in acting in reliance upon, the advice or opinion of such counsel.

- d. The Indemnity Agent shall be entitled to its customary fee for the performance of services by the Indemnity Agent hereunder for each year or portion thereof that any portion of the Indemnity Fund remains in escrow and shall be reimbursed for reasonable costs and expenses incurred by it in connection with the performance of such services (such fees, costs and expenses are hereinafter referred to as the "Indemnity Agent's Compensation"). The Indemnity Agent shall render statements to Parent setting forth in detail the Indemnity Agent's Compensation and the basis upon which the Indemnity Agent's Compensation was computed. The Indemnity Agent's Compensation shall be paid by Parent. To the extent Indemnity Agent's Compensation is not paid by Parent, the foregoing shall be paid from the Indemnity Fund after written notice from the Indemnity Agent to Parent.
 - e. The Indemnity Agent may resign at any time by giving sixty (60) days prior written notice to Parent and the Member Representatives; provided that such resignation shall not be effective unless and until a successor Indemnity Agent has been appointed and accepts such position pursuant to the terms of this Section 8(e). In such event, Parent and the Member Representatives shall appoint a successor Indemnity Agent or, if Parent and the Member Representatives are unable to agree upon a successor Indemnity Agent within sixty (60) days after such notice, the Indemnity Agent shall be entitled to (i) appoint its own successor, provided that such successor is a reputable national banking association or (ii) at the equal expense of Parent and the Member Representatives, petition any court of competent jurisdiction for the appointment of a successor Indemnity Agent. Such appointment, whether by Parent and the Member Representatives, on the one hand, or the Indemnity Agent, on the other hand, shall be effective on the effective date of the aforesaid resignation (the "Indemnity Transfer Date"). On the Indemnity Transfer Date, all right title and interest to the Indemnity Fund, including interest thereon, shall be transferred to the successor Indemnity Agent and this Indemnity Agreement shall be assigned by the Indemnity Agent to such successor Indemnity Agent, and thereafter, the resigning Indemnity Agent shall be released from any further obligations hereunder. The Indemnity Agent shall continue to serve until its successor is appointed, accepts this Indemnity Agreement and receives the transferred Indemnity Fund.
 - f. The Indemnity Agent shall not have any right, claim or interest in any portion of the Indemnity Fund except in its capacity as Indemnity Agent hereunder.
- C-6
- g. It is understood and agreed that in the event any disagreement among Parent and the Member Representatives results in adverse claims or demands being made in connection with the Indemnity Fund, or in the event the Indemnity Agent in good faith is in doubt as to what action it should take hereunder, the Indemnity Agent shall retain the Indemnity Fund until the Indemnity Agent shall have received (i) an enforceable final order of a court of competent jurisdiction which is not subject to further appeal directing delivery of the Indemnity Fund or (ii) a

Edgar Filing: CONCORD EFS INC - Form S-4/A

written agreement executed by Parent and the Member Representatives directing delivery of the Indemnity Fund, in which event Indemnity Agent shall disburse the Indemnity Fund in accordance with such order or agreement. Any court order referred to in clause (i) immediately above shall be accompanied by a legal opinion of counsel for the presenting party satisfactory to the Indemnity Agent to the effect that said court order or judgment is final and enforceable and is not subject to further appeal. The Indemnity Agent shall act on such court order and legal opinion without further question.

Section 9. Member Representatives.

- a. Pursuant to the Merger Agreement, the Member Representatives shall act as agents of the Company Members and are entitled to give and receive notices and communications, to authorize delivery to the Parent Group Members of the Parent Common Stock or other property from the Indemnity Fund in satisfaction of claims by the Parent Group Members, to object to such deliveries in accordance with the terms of this Indemnity Agreement, to agree to, negotiate, enter into settlements and compromises of, and demand arbitration and comply with orders of courts and awards of arbitrators with respect to such claims, and to take all actions necessary or appropriate in the judgment of the Member Representatives in connection with the foregoing. The persons designated to be Member Representatives may be changed in accordance with the provisions set forth in the Merger Agreement.
- b. At least five (5) days prior to the Distribution Date, the Member Representatives shall deliver notice to the Indemnity Agent and Parent setting forth the amount of the reasonable expenses incurred by the Member Representatives in connection with their duties under the Merger Agreement and hereunder (the "Member Representatives' Expenses"), which expenses shall be reimbursed from the Indemnity Fund in accordance with the provision of Section 6.
- c. Neither Parent, any Parent Group Member nor the Indemnity Agent shall be responsible or liable for any acts or omissions of any Member Representative in such Member Representative's capacity as such, and each of them may rely on any action or writing of all the then Member Representatives as being binding on all Member Representatives for all purposes.
- d. A decision, act, consent or instruction of the Member Representatives shall constitute a decision of all Company Members for whom shares of Parent Common Stock otherwise issuable to them are deposited in the Indemnity Fund and shall be final, binding and conclusive upon each such Company Member, and the Indemnity Agent and Parent may rely upon any decision, act, consent or instruction of the Member Representatives as being the decision, act, consent or instruction of each and every such Company Member. The Indemnity Agent and each Parent Group Member are hereby relieved from any liability to any person for any acts done by them in accordance with such decision, act, consent or instruction of the Member Representatives. For purposes of this Indemnity Agreement any action by a majority of the then Member Representatives shall be deemed to be the action of and binding upon all of the Member Representatives.

Section 10. Taxes.

All dividends, distributions, interest and gains earned or realized on the Indemnity Fund ("Earnings") and credited to a Subaccount shall be accounted for by the Indemnity Agent separately from the Indemnity Fund and, notwithstanding any provisions of this Indemnity Agreement, shall be treated as having been received by the Company Members to whose Subaccount the Earnings are credited

Edgar Filing: CONCORD EFS INC - Form S-4/A

for tax purposes. Annex A hereto sets forth a list of each Company Member's address and Taxpayer Identification Number. The Indemnity Agent annually

C-7

shall file information returns with the United States Internal Revenue Service and payee statements with the Company Members, documenting such Earnings. The Company Members shall provide to the Indemnity Agent all forms and information necessary to complete such information returns and payee statements. In the event the Indemnity Agent becomes liable for the payment of taxes, including withholding taxes, relating to Earnings or any payment made hereunder, the Indemnity Agent may deduct such taxes from the Indemnity Fund.

Section 11. Representations and Warranties.

- a. Each of Parent and the Indemnity Agent represents and warrants to each of the other parties hereto that it is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation; that it has the power and authority to execute and deliver this Indemnity Agreement and to perform its obligations hereunder; that the execution, delivery and performance of this Indemnity Agreement by it has been duly authorized and approved by all necessary action; that this Indemnity Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms; and that the execution, delivery and performance of this Indemnity Agreement by it will not result in a breach of or loss of rights under or constitute a default under or a violation of any trust (constructive or other), agreement, judgment, decree, order or other instrument to which it is a party or it or its properties or assets may be bound.
- b. PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (DGCL) empowers a Delaware corporation to indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer or director of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or

Edgar Filing: CONCORD EFS INC - Form S-4/A

agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer or director acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, and, for criminal proceedings, had no reasonable cause to believe his conduct was unlawful. A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation in the performance of his duty. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director actually and reasonably incurred.

In accordance with the DGCL, the registrant's Restated Certificate of Incorporation, as amended, contains a provision to limit the personal liability of the registrant's directors for violation of their fiduciary duty. This provision eliminates each director's liability to the registrant or its stockholders for monetary damages except to the extent provided by the DGCL (i) for any breach of the director's duty of loyalty to the registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under section 174 of the DGCL providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions, or (iv) for any transactions from which a director derived an improper personal benefit. The effect of this provision is to eliminate the personal liability of directors for monetary damages for actions involving a breach of their fiduciary duty of care, including any such actions involving gross negligence.

The registrant's by-laws provide for indemnification of the registrant's officers and directors to the fullest extent permitted by applicable law. In addition, the registrant maintains insurance policies which provide coverage for its officers and directors in certain situations where the registrant cannot directly indemnify such officers or directors.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act), that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

II-2

(c) (1) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called

Edgar Filing: CONCORD EFS INC - Form S-4/A

for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus (i) that is filed pursuant to the paragraph immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(f) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
