THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR SET FORTH ABOVE.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee, the Special Compensation Committee, the Independent Directors Committee, the Special Transactions Committee and the Nominating Committee.

The Audit Committee is composed of Messrs. Rossi (Chairman), O'Neill and Kendall. The Audit Committee is responsible for monitoring the integrity of ACS' consolidated financial statements, its system of internal controls and the independence and performance of its internal and independent auditors. The Audit Committee recommends to the Board of Directors the selection of ACS' independent auditors. The Audit Committee consists of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. Messrs. Rossi and O'Neill are considered "independent" directors as defined by the New York Stock Exchange listing standards (the "Standards"). Mr. Kendall was not considered independent under the Standards because his termination of employment was less than three years ago. Because of his substantial business experience in government contracting and the importance of that expertise to the Audit Committee, Mr. Kendall has been elected by the Board of Directors to serve on the

6

9

Audit Committee pursuant to the "override provisions" set forth in the Standards. A copy of the current Audit Committee Charter is attached to this Proxy Statement as Appendix A. The Audit Committee also is responsible for recommending to the Board of Directors the appointment of ACS' independent public accountants and EDP auditors. The Report of the Audit Committee for fiscal year 2001 is included in this proxy statement on page 16.

The Compensation Committee was formed in May 1994. The members of the Compensation Committee are Messrs. Deason (Chairman), Rossi and O'Neill. The Compensation Committee is responsible for recommending to the Board of Directors policies and plans concerning the salaries, bonuses and other compensation of the executive officers of ACS, including reviewing the salaries of the executive officers and recommending bonuses and other forms of additional compensation for the executive officers. In connection with ACS' establishment of certain

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

procedures to comply with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended, so that compensation to executive officers whose annual compensation exceeds \$1 million may be deductible by ACS for federal income tax purposes, ACS formed the Special Compensation Committee in August 1996. The members of the Special Compensation Committee are Messrs. Rossi and O'Neill (Chairman). The Special Compensation Committee is responsible for reviewing the compensation of the executive officers whose annual compensation exceeds \$1 million, including reviewing and recommending salaries, bonuses and other forms of additional compensation. The Special Compensation Committee is also responsible for the grant of all awards under the stock option plans (other than those to outside directors). The Report of the Compensation Committee and Special Compensation Committee for fiscal year 2001 is included in this proxy statement on page 14.

The members of the Independent Directors Committee are Messrs. O'Neill and Rossi (Chairman). The Independent Directors Committee was formed in May 1994 to review annually the prices and terms of the services, forms and supplies provided between ACS and Precept Business Services, Inc. Precept Business Services, Inc. filed bankruptcy during ACS' fiscal year ending June 30, 2001 and ACS has discontinued acquiring services, forms and supplies from this vendor. See "Certain Transactions."

The Special Transactions Committee, which was formed in August 1997 and on which Mr. Deason serves, has the responsibility of considering, evaluating, and approving the terms of potential transactions resulting in the acquisition of assets, businesses, or stock of third parties for cash, ACS Class A common stock, or other consideration with a dollar value of up to 10% of ACS' consolidated assets. The Special Transaction Committee has delegated to the Chief Executive Officer the authority to consider, evaluate, and approve the terms of potential transactions resulting in the acquisition of assets, businesses, or stock of third parties for cash, ACS Class A common stock, or other consideration with a dollar value of up to \$25,000,000.

The Nominating Committee, which was formed in March 1999 and on which Mr. Deason serves, has the responsibility of considering, evaluating and recommending to the Board the slate of director nominees. Recommendations as to nominees will be considered by the Nominating Committee. Such recommendations can be submitted to the Nominating Committee by directing them to ACS' executive offices at 2828 North Haskell Avenue, Dallas, Texas 75204, to the attention of Darwin Deason.

During the fiscal year ended June 30, 2001, there were five meetings of ACS' Board of Directors. During the fiscal year, there were eight meetings held by the Audit Committee, five meetings held by the Compensation Committee, no meetings held by the Independent Directors Committee, two meetings held by the Special Transaction Committee, five meetings held by the Special Compensation Committee, and one meeting held by the Nominating Committee. All current directors attended at least 75% of the meetings of the Board and the Board committees of which they are members.

PROPOSAL 2

APPROVAL OF PERFORMANCE-BASED INCENTIVE COMPENSATION FOR ACS' EXECUTIVE OFFICERS

The Internal Revenue Code limits ACS' tax deduction for expense in connection with compensation of its chief executive officer and its four other most highly-compensated executive officers for any fiscal year to the extent that the remuneration of such person exceeds \$1 million during such fiscal year,

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

excluding remuneration that qualifies as "performance-based compensation." Section 162(m) of the Internal Revenue Code provides that in order for remuneration to be treated as qualified performance-based compensation, the material terms of the performance goals must be disclosed to and approved by the stockholders of the employer.

At the Annual Meeting, the stockholders will be asked to approve the terms relating to incentive compensation to be paid to ACS' executive officers for fiscal year 2002. Executive officer compensation for fiscal year 2002 will consist of a base salary, stock option plan, and bonus compensation and will be based on criteria similar to criteria previously used for ACS' executive officers. There are approximately 10 executive officers who will participate in the incentive compensation plan. See "Executive Compensation and Other Information -- Compensation Committee Report on Executive Compensation." Executive officers (other than Mr. Rexford) will be entitled to receive varying ranges of up to 250% (up to 250% for the Chairman of the Board, up to 200% for the President and Chief Executive Officer, up to 175% for the Chief Operating Officer, and from 125% up to 150% for all other executive officers) of their base salaries upon achievement of bonus performance goals, which include ACS' achievement of pre-established growth performance goals in the following four targeted financial measures: consolidated revenues, consolidated earnings before interest, taxes and depreciation, consolidated pre-tax earnings and consolidated earnings per share. In addition to the above described bonus plan, for fiscal year 2002, there is an accelerator bonus plan which allows each of the executive officers to earn up to an additional 25% of their maximum bonus upon exceeding certain financial projections. The maximum bonus that any executive officer may receive for the fiscal year 2002 will be \$1,902,369. The bonus performance goals have been pre-established by the Compensation Committee and approved by the Board of Directors for all executive officers other than any executive officer whose compensation may exceed \$1 million. For any executive officer whose compensation may exceed \$1 million, bonus performance goals are previously established by the Special Compensation Committee, which consists solely of non-employee directors, and are then approved by the Board of Directors. ACS believes that the incentive-related provisions provide performance incentives that are and will be beneficial to ACS and its stockholders.

Since the amounts payable under the performance-based incentive compensation plan for the fiscal year ending June 30, 2002 are dependent on ACS' financial performance, the amounts are not currently determinable. However, the following table sets forth information regarding the amounts which would have been earned by each of the following executive officers if the plan had been in effect for the fiscal year ending June 30, 2001.

DIRECTOR'S COMPENSATION

Messrs. Rossi, O'Neill and Kendall, three of the members of the Board of Directors of ACS who were not employed by ACS in fiscal year 2001, receive compensation in the amount of \$3,000 for attendance at each Board meeting. Directors are reimbursed for their travel expenses incurred in connection with the meetings. On November 30, 1994 ACS granted to Mr. Rossi options to purchase 50,000 shares of Class A common stock. Mr. Rossi's options are fully vested and exercisable and Mr. Rossi has exercised options to purchase 10,000 shares of Class A common stock. On November 30, 1994 ACS granted to Mr. O'Neill options to purchase 20,000 shares of Class A common stock, and all of such options are fully vested and exercisable. On July 3, 2001 ACS granted to Mr. O'Neill options to purchase 30,000 shares of Class A common stock, none of which options are vested or exercisable. Mr. O'Neill has not exercised any options to purchase shares of Class A common stock. In addition, Mr. Kendall has an option covering 50,000 shares of Class A common stock which was awarded to him shortly after the acquisition by merger of ACS Government Services, Inc. in December 1997, in recognition of his duties after the merger with ACS and ACS Government Services, Inc. Mr. Kendall's options vest ratably over five years, but are not exercisable until the fifth year.

MR. DEASON'S SUPPLEMENTAL EXECUTIVE RETIREMENT AGREEMENT AND EMPLOYMENT AGREEMENT; SEVERANCE AGREEMENTS FOR CERTAIN EXECUTIVE OFFICERS

In December 1998, ACS entered into a Supplemental Executive Retirement Agreement with Mr. Deason. Pursuant to the Supplemental Executive Retirement Agreement, which was reviewed and approved by the Special Compensation Committee, Mr. Deason will receive a benefit upon the occurrence of certain events equal to the excess of (i) an actuarially calculated amount based on a percentage of his average monthly compensation determined by his monthly compensation during the highest thirty-six consecutive calendar months from among the 120 consecutive calendar months ending on the earlier of his termination with ACS or his normal retirement date over (ii) the value of particular options granted to Mr. Deason (including 75,000 shares covered by options granted in October 1998 with an exercise price of \$23.08 per share). The percentage applied to the average monthly compensation will vary from 2% on June 30, 1999 to 56% on May 18, 2005. The events triggering the benefit are normal retirement, late retirement, total and permanent disability, death, resignation, change in control of ACS or termination for any reason other than cause. The benefit will be paid in a lump sum or, at the election of Mr. Deason, in monthly installments over a period not to exceed ten years. If the payment is caused by a change in control and at such time Mr. Deason would be subject to an excise tax under the Internal Revenue Code with respect to the benefit, the amount of the benefit will be grossed-up to offset this tax.

In March 1999, ACS also entered into an Employment Agreement with Mr. Deason. The Employment Agreement, which was previously reviewed and approved by the Special Compensation Committee and replaced an earlier severance agreement, has a term until May 18, 2004, unless extended in accordance with its terms or terminated earlier, either by Mr. Deason or by a unanimous vote of the Board of Directors (not including Mr. Deason). The Employment Agreement provides for a base salary of \$525,000 per year, subject to annual adjustments by a percentage equal to the average percentage adjustments to the annual salaries of the top five executive officers of ACS. The Employment Agreement also provides for an annual bonus based on the achievement of financial goals set for Mr. Deason by the Special Compensation Committee. This bonus can be up to 250% of Mr. Deason's base salary for that year. In addition, the Employment Agreement provides for severance benefits for Mr. Deason upon a change of control of ACS and for supplemental retirement benefits for Mr. Deason.

ACS has previously entered into severance agreements with its executive officers who are members of the Board of Directors (other than Mr. Deason), which upon the occurrence of certain events, will entitle the executive to receive a severance benefit. Under the severance agreements, one of the conditions to payment of the severance benefit is that one of the following triggering events must occur: (i) ACS undergoes a consolidation or merger in which ACS is not the surviving company or in which ACS common stock is converted into cash, securities or other property such that ACS holders of common stock do not have the same proportionate ownership of the surviving company's common stock as they held of ACS' common stock prior to the merger or consolidation; (ii) ACS sells, leases or transfers all or substantially all of its assets to a company in which ACS owns less than 80% of the outstanding voting securities; or (iii) ACS adopts or implements a plan or proposal to liquidate ACS. If the Board of Directors of ACS does not approve the consummation of any of such foregoing

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

triggering events, then each executive officer shall be entitled to receive the severance benefit. If the Board of Directors of ACS approves the consummation of the triggering event, then the executive's right to receive the severance benefit accrues only if, within three years of the consummation of the triggering event, (a) the executive is terminated without cause, (b) the executive is directly or indirectly removed from a position he held prior to the consummation of the triggering event, (c) the executive suffers a significant and adverse change in the nature or scope of his authority or responsibilities, (d) the executive believes in good faith that he has been rendered unable to carry out his responsibilities or has suffered a reduction of his authority or responsibilities, (e) the executive is required to travel significantly more than prior to the consummation of the triggering event, or (f) if ACS materially breaches the severance agreement.

12

15

The executive's right to receive such severance benefit also accrues if a person or entity (other than one or more trusts established by ACS for the benefit of employees of ACS or a person or entity that holds 15% or more of ACS' outstanding common stock on the date the particular severance agreement was entered into) becomes the beneficial owner of 15% or more of ACS' outstanding common stock, but only if during any period of 24 consecutive months there is a turnover of a majority of the board of directors. There shall be excluded from the determination of the turnover of directors, (i) those directors who are replaced by new directors who are approved by a vote of at least a majority of the directors (continuing director) who have been a member of the Board of Directors of ACS since August 5, 1997, (ii) a member of the board who succeeds an otherwise continuing director and who was elected, or nominated for election by ACS' stockholders, by a majority of the continuing directors then still in office, and (iii) any director elected, or nominated for election by ACS' stockholders to fill any vacancy or newly created directorship by a majority of the continuing directors still in office.

The severance benefit to be received by each executive includes a lump sum payment, equal to (a) three times the sum of (i) the executive's per annum base salary, plus (ii) the executive's bonus for the preceding fiscal year, plus (b) the executive's target bonus for the then-current fiscal year, pro rated to reflect the number of days the executive was employed by ACS in that fiscal year. In addition, ACS will, for up to three years after severance, continue to pay insurance benefits to the executive until the executive secures employment that provides replacement insurance, and ACS will continue to provide insurance benefits to the executive to the extent any new insurance the executive receives from a subsequent employer does not cover a pre-existing condition. Also, when determining any executive's eligibility for post-retirement benefits under any welfare benefit plan, the executive shall be credited with three years of participation and age credit. The executive is also entitled to receive additional payments to compensate for the effect of excise taxes imposed under Section 4999 of the Internal Revenue Code and any interest or penalties associated with these excise taxes upon payments made by ACS for the benefit of the executive.

These severance agreements may be terminated by ACS with one year advance written notice; however, if a triggering event is consummated prior to termination by ACS, then these agreements will remain in effect for at least three years plus any additional time necessary to give effect to the terms of the agreements.

STOCKHOLDER PROPOSAL:

PROPOSAL 3

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

Diversity of Board Candidates and Committee Members

Calvert Asset Management Company Inc., whose address is 4550 Montgomery Avenue, Bethesda, Maryland 20814, the holder of 200 shares of ACS' Class A common stock, has advised ACS that it plans to present the following resolution at the Annual Meeting. In accordance with applicable proxy regulations, the proposed resolution and supporting statement, for which ACS accepts no responsibility is set forth below.

WHEREAS:

We believe that Affiliated Computer Services is operating in an increasingly diverse global environment. The company can only benefit from the deliberate recruitment of qualified directors who reflect the people in the workforce and marketplace of the Twenty-first Century;

We believe the Department of Labor's 1995 Glass Ceiling Commission report "Good For Business: Making Full Use of the Nation's Human Capital" confirms that diversity and inclusiveness within corporations has a positive impact on the bottom line;

We believe that the board of directors of many publicly-owned companies have benefited from the perspectives brought to their decision-making by their well qualified board members of both genders and of diverse backgrounds;

We believe that Affiliated Computer Services currently has a distinguished board of nine persons. Unfortunately, this board does not include women or minority representatives; and

13

16

We believe that the board of directors, or its nominating committee should take every reasonable step to ensure that women and minorities are in the pool from which board nominees are chosen.

BE IT RESOLVED:

That the board of directors, or its nominating committee in its search for suitable board candidates make a greater effort to search for qualified women and minority candidates for nomination to the board of directors;

That the company provide to shareholders, at reasonable expense, a report which includes a description of:

- Efforts to encourage diversified representation on the board;
- Criteria for board qualification;
- The process of selecting board nominations; and
- The selection process for board committee members.

THE POSITION OF THE BOARD OF DIRECTORS WITH RESPECT TO PROPOSAL 3:

ACS is committed to racial and gender diversity throughout the company and has adopted employment policies regarding that commitment. The Board is always searching for the most qualified candidates, regardless of race, gender or any other classification, with the background, experience, knowledge, and skills to oversee the operations of a corporation as large and as complex as ACS. Historically, ACS has had very few changes in the makeup of the Board and additions to the board have generally occurred in the context of specific

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

significant transactions, such as mergers, in which specific individuals are added to the Board because of their specific industry knowledge. ACS believes the current makeup of the Board is appropriate for a company the size of ACS and is confident that as the company continues to grow all qualified candidates for director positions, regardless of race or gender, will be considered by our Nominating Committee. While ACS supports the principles underlying this stockholder proposal, we believe it would, if adopted, add additional administrative burden to the company without providing any benefit to its stockholders.

REPORT OF THE COMPENSATION COMMITTEE AND SPECIAL COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee has been responsible for approving compensation for ACS' senior executives, including recommending to the Board of Directors policies and plans concerning the salaries, bonuses and other compensation for all executive officers, except that such approval and recommendation with respect to salaries, bonus and other compensation for Mr. Deason, Mr. Rich and Mr. King are the responsibility of the Special Compensation Committee. The objective of ACS' executive compensation program is to attract and retain qualified, motivated executives and to closely align their financial interests with both the short and long-term interests of ACS' stockholders. The executive compensation program is intended to provide ACS' executive officers with overall levels of compensation that are competitive within the information industry, as well as within a broader spectrum of companies of size and complexity.

The Special Compensation Committee determines the base salary for the CEO, based upon the financial performance of ACS, and upon the contribution, performance, and the pay levels of similarly positioned executives in comparable companies. Evaluation of these factors is subjective, and no fixed, relative weights are assigned to the criteria considered.

The three principal components of ACS' executive compensation program are base salary, annual incentive bonus opportunities and stock options.

14

17

BASE SALARIES

Each executive officer's base salary is reviewed annually and is subject to adjustment on the basis of individual, corporate and, in some instances, business unit performance, as well as competitive and inflationary considerations.

INCENTIVE BONUS

Incentive bonus payments for executive officers are made at the end of each fiscal year based upon the achievement of some or all of the following: consolidated financial criteria (which can include consolidated revenues, consolidated earnings before interest, taxes and depreciation, consolidated pre-tax earnings and consolidated earnings per share), business unit financial criteria, and the attainment of individual goals. Such criteria and goals are established by the Chairman of the Board and CEO of ACS, subject to approval by the Compensation Committee of the Board of Directors, at the beginning of each fiscal year (or, in the cases of the Chairman and the Chief Executive Officer, subject to the approval of the Special Compensation Committee). During fiscal year 2001, ACS achieved 100% of such measures of consolidated financial criteria.

For fiscal year 2001, executive officers were eligible to receive maximum bonuses of between 125% and 250% of salary provided the set goals

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

and criteria were met.

In addition to the above described bonus plan, for fiscal year 2002, there is an accelerator bonus plan which allows each of the executive officers to earn up to an additional 25% of their maximum annual bonus upon exceeding certain consolidated financial criteria. During fiscal year 2001, ACS achieved none of such measures of consolidated financial criteria under the accelerator bonus plan, and no payments were made under the accelerator bonus plan.

STOCK OPTION PLAN

ACS' 1997 Stock Incentive Plan ("Stock Option Plan") is administered by the Special Compensation Committee. The Special Compensation Committee approves the individuals eligible to receive grants of options under the Stock Option Plan, the type of option granted, the number of shares of Class A common stock subject to a grant and the terms of the grant, including exercise price, exercise date and any restrictions on exercise. The Special Compensation Committee also has been responsible for determining the advisability and terms of any buyout of options previously granted, reductions in the exercise prices of previously granted options and the terms of any deferred grant of options granted under the Stock Option Plan.

15

18

The Stock Option Plan also provides for the issuance of stock purchase rights. When the Special Compensation Committee determines to grant a stock purchase right, it will advise the recipient of the grant of the terms and conditions of the grant, including any restrictions on the grant, the number of shares subject to the grant, the exercise price of the grant and the time within which the grant must be accepted by the recipient. The maximum amount of time that a recipient may have to accept the grant is 30 days. The purchase price of stock acquired pursuant to a stock purchase right shall not be less than 50% of the fair market value of ACS' Class A common stock at the time of grant. There have been no stock purchase rights granted through June 30, 2001.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the financial reporting process of ACS, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. ACS' independent auditors are responsible for auditing those financial statements. The Audit Committee of the Board of Directors (the "Committee") has the responsibility to monitor and review these processes. The Committee relies, without independent verification, on the information provided and on the representations made by management and the internal and independent auditors.

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

The eight meetings (four of which were special meetings to approve the release of the quarterly earnings) held by the Committee during the 2001 fiscal year were designed, among other things, to facilitate and encourage communication among the Committee, management, the internal auditors and ACS' independent auditors, PricewaterhouseCoopers LLP ("PwC"). The Committee discussed with ACS' internal and independent auditors the overall scope and plans for their respective audits. The Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations and their evaluations of ACS' internal controls. The Committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended June 30, 2001 with management, internal auditors and PwC. The Committee also discussed with the independent auditors matters required to be discussed with audit committees under auditing standards generally accepted in the United States of America, including, among other things, matters related to the conduct of the audit of ACS' consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

ACS' independent auditors also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent auditors their independence from ACS. When considering PwC's independence, the Committee considered whether PwC's provision of services to ACS beyond those rendered in connection with their audit and review of the ACS' consolidated financial statements was

16

19

compatible with maintaining auditor independence. The Committee also reviewed, among other things, the amount of fees paid to PwC for audit and non-audit services.

Based on our review and these meetings, discussions and reports, and subject to the limitations on the Committee's role and responsibilities referred to above and in the Audit Committee Charter, the Committee recommended to the Board of Directors that ACS' audited consolidated financial statements for the fiscal year ended June 30, 2001 be included in ACS' Annual Report on Form 10-K. The Committee has also recommended the selection of ACS' independent auditors, and, based on this recommendation, the Board has selected PwC as ACS' independent auditors for the fiscal year ending June 30, 2002.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form DEF 14A

For information on Compensation Committee interlocks and insider participation, see "Certain Transactions."

CERTAIN TRANSACTIONS

In connection with the tax free spin off of Precept Business Services, Inc. ("Precept") from ACS on June 30, 1994, ACS and Precept entered into a reciprocal services agreement pursuant to which Precept would sell business forms and supplies, and provide courier and certain other administrative services to ACS, and ACS would provide office space and certain administrative services to Precept. Precept filed a petition in bankruptcy during ACS' 2001 fiscal year and ACS has discontinued acquiring products and services from Precept. Mr. Deason, who was a director of Precept and held voting control has resigned from the Board of Precept. Also, Douglas Deason, one of Mr. Deason's sons, who was the President and Chief Executive Officer and a director of Precept resigned his officer and director positions prior to the filing of the bankruptcy. The costs incurred by ACS for product delivered and services provided by Precept covered by such reciprocal services agreement, which are believed to approximate fair market value, were approximately \$1.4 million for fiscal year 2001.

Mr. Deason and ACS, along with two other investors, are the stockholders in DDH Aviation, Inc., a corporate airplane brokerage firm organized in late 1997. DDH has a \$47 million line of credit with Citicorp USA, Inc., for which Mr. Deason and ACS, in exchange for warrants to acquire additional voting stock, act as guarantors. ACS guaranteed up to approximately \$11.5 million of the line of credit and Mr. Deason has guaranteed up to approximately \$16.5 million of the line of credit. Assuming that all warrants are exercised and all shares to be issued to certain key employees of DDH (upon the attainment of certain performance goals) have been issued, Mr. Deason owns approximately 44% of the equity interests in DDH and ACS owns approximately 6%. Mr. Deason is one of the five directors of DDH, as well as its Chairman of the Board. ACS has access to aircraft from DDH. On August 21, 2001, ACS entered into an Agreement for Purchase with DDH for the purchase of a Challenger 600 aircraft. The purchase price of the aircraft is \$8.5 million, which includes refurbishment of the interior and exterior of the aircraft. A deposit of \$1.7 million was made with DDH when ACS executed the agreement and an additional deposit of \$2.5 million will be due on October 1, 2001, with the balance due when the aircraft is delivered to ACS, which should occur in the second calendar quarter of ACS' 2002 fiscal year.

APPENDIX A

CHARTER OF THE AUDIT COMMITTEE
OF THE ACS BOARD OF DIRECTORS

AS REVISED AND ADOPTED ON AUGUST 23, 2000

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.

Review and appraise the audit efforts of the Corporation's independent accountants and internal auditing department.

Provide an open avenue of communication among the independent accountants, financial and senior management, the internal audit department, and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of at least three (3) directors as determined by the Board, each of whom shall be independent directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Committee shall have accounting or related financial management expertise. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee

The Committee may ask members of management or others to attend meetings and provide pertinent information as necessary. As part of its job to foster open communication, the Committee should meet at least annually with management, the director of any internal audit departments and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chair should meet with the independent accountants and management quarterly to review the Corporation's financials consistent with section IV Paragraphs 4. and 6. below.
