**Item 5. Other Events**

As discussed in the press release attached hereto as Exhibit 99.1, on April 12, 2002, we completed a structured loan sale transaction. PMC Commercial Trust ( PMC Commercial ) and PMC Capital, Inc. ( PMC Capital ), our affiliate, contributed primarily fixed-rate loans receivable of \$27.3 million and \$43.2 million, respectively, to a special purpose entity (the 2002 Joint Venture ). The 2002 Joint Venture issued, through a private placement, approximately \$63.5 million of its 2002 Loan-Backed Fixed Rate Notes (the 2002 L.P. Notes ). The 2002 L.P. Notes, issued at par, which have a stated maturity in 2023 and bear interest at 6.67%, are collateralized by the loans receivable contributed by PMC Commercial and PMC Capital to the 2002 Joint Venture. The 2002 L.P. Notes were rated Aaa by Moody's Investors Service, Inc.

As a result of the transaction, PMC Commercial received gross proceeds of approximately \$24.6 million which was utilized to fund the costs of the transaction, fund the initial required reserve balance and pay down its revolving credit facility. The remaining proceeds will be used to fund additional loans and for working capital.

**Item 7. Financial Statements and Exhibits**
