REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Savings Plan Committee
The Gillette Company Employees' Savings Plan:

We have audited the statements of net assets available for plan benefits of The Gillette Company Employees' Savings Plan (the Plan) as of December 31, 2004 and 2003, and the related statements of changes in net assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of The Gillette Company Employees' Savings Plan at December 31, 2004 and 2003, and the

Edgar Filing: GILLETTE CO - Form 11-K

changes in net assets available for plan benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

THE GILLETTE COMPANY
EMPLOYEES' SAVINGS PLAN

Notes to Financial Statements

December 31, 2004 and 2003

Description of the Plan

- (1) The Gillette Company Employees' Savings Plan (the Plan) is sponsored by The Gillette Company (the Company). The following provides only general information and participants should refer to the Plan document for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Regular employees of the Company and its participating subsidiaries are eligible to join the Plan on their date of hire.

(B) PARTICIPANT CONTRIBUTIONS

Eligible employees may voluntarily contribute from 2% to 10% of their compensation as matched savings and from 1% to 5% of their compensation as unmatched savings. All contributions must be in 1% increments.

All matched savings contributed by an employee are divided equally between tax deferred and taxed savings. Unmatched savings may be designated by an employee to be either tax deferred or taxed, but not both. Tax deferred contributions made by an employee in any plan year may not exceed the annual limit set by law, which was \$13,000 and \$12,000 for 2004 and 2003, respectively.

(C) EMPLOYER CONTRIBUTIONS

The Company contributes \$1.00 for every \$1.00 of each participant's matched savings for the first 5% of each participant's contribution and \$0.20 for every \$1.00 of the next 5% of each participant's contribution.

(D) VESTING

Participants are immediately vested in their own employee contributions plus the actual earnings thereon. Matching contributions from the

Edgar Filing: GILLETTE CO - Form 11-K

Company vest after the participant has completed the earliest of three years of service, two years from date of entry into the Plan, or the attainment of age 65. Participants are also 100% vested in the Company contributions credited to their accounts upon death, retirement, total, and permanent disability, or Company-initiated termination (other than for cause as determined by the Company).

(E) PARTICIPANTS' ACCOUNTS

A separate account is established for each participant at the time of enrollment in the Plan. The balance in each account is invested, in accordance with the directions given by the participant, in one or more of the Plan's investment fund offerings (the Funds). A participant may direct employee contributions in any of the following Funds:

GILLETTE COMPANY STOCK FUND

Invests in shares of The Gillette Company common stock.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the date of the financial statements, and the reported amounts of additions to and deductions from net assets available for plan benefits. Actual results could differ from those estimates.

(B) INVESTMENTS

Investments are allocations of the assets of The Gillette Company Master Savings Plan Trust (Savings Plan Trust) based upon the proportionate interest of the Plan in the Savings Plan Trust. See note 5 for a detailed description of the Savings Plan Trust.

Investments of the Savings Plan Trust are stated at fair value except for guaranteed and synthetic investment contracts which are valued at contract value which approximates fair value. Contract value represents contributions made under the contract plus interest at the contract rate. The crediting interest rate is variable for the synthetic contracts and is reset quarterly based upon the fair value of the underlying securities. The crediting interest rate is fixed for guaranteed contracts. The average yield for the years ended December 31, 2004 and 2003 is 4.49% and 5.06%, respectively, and the crediting interest rate as of December 31, 2004 and 2003 is 4.20% and 4.83%, respectively, for these investment contracts. Fair value for shares of Company common stock held in the Savings Plan Trust is defined as the closing price of the common stock as reported by the New York Stock Exchange. The fair value for all other investments is determined daily by the trustee on a per-share basis using security prices quoted on national exchanges, and amortized cost in the case of any short-term and money market securities held. Participant loans receivable are valued at cost, which approximates fair value.

EMPLOYEES' SAVINGS PLAN

Notes to Financial Statements

December 31, 2004 and 2003

(6) ADMINISTRATIVE EXPENSES

The Company bears all trustee and administrative costs of maintaining the Plan and investment expenses associated with the Gillette Company Stock Fund. Investment expenses associated with all other funds offered as investment options under the Plan, including the Fidelity Short Term Investment Fund effective May 1, 2003, are deducted from the assets of each of those funds.

(7) INCOME TAXES

A favorable tax determination letter was received from the Internal Revenue Service on March 13, 2002 stating that the existing Plan and its underlying trust qualified under Section 401(a) of the Internal Revenue Code of 1986 (the Code) as a profit sharing plan, and is exempt from Federal income taxes. Further, the features of the Plan relating to tax-deferred savings qualified under Section 401(k) of the Code. The Plan has been amended since receiving the determination letter. However, the Company and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code.

(8) ESOP TRANSFERS

Edgar Filing: GILLETTE CO - Form 11-K

Shares of the Gillette Company Stock Fund allocated to the ESOP accounts of participants not eligible for Company subsidized retiree medical benefits, valued at \$42,129,642, were transferred to a special account under this Plan on April 1, 2003.

In 2004, transfers consisted primarily of accumulated ESOP assets of participants terminated in prior years who did not elect payout of their ESOP balances.

In the future, transfers from ESOP will occur if participants are terminated and do not elect payout of their ESOP balances within one full fiscal quarter from the date of their termination.

(9) PLAN TRANSFER

On August 2, 2004, \$849,838 was transferred to the Plan from Zooth, Inc.'s 401(k) Plan as part of the acquisition of Zooth, Inc. Zooth, Inc. was acquired by the Company as of June 4, 2004.

(10) PARTY-IN-INTEREST TRANSACTIONS

Fidelity Investments, a wholly owned subsidiary of FMR Corporation, manages several of the Plan's investment options as detailed in note 1(e). Fidelity Management Trust Company and Fidelity Investments Institutional Operations Company, both wholly owned subsidiaries of FMR Corporation, are the Plan's trustee and recordkeeper, respectively. Therefore, transactions between Fidelity Investments and both the trustee and the recordkeeper qualify as party-in-interest transactions.

(11) PLAN AMENDMENTS

Effective December 1, 2003 through November 2004, accounts of \$5,000 or less were automatically distributed to participants or beneficiaries. This is no longer effective as of November 2004.

Effective December 1, 2003 through November 2004, a terminated employee, their spouse or domestic partner beneficiary could continue to make loan payments directly to the Trustee until the loan is fully repaid. Repayment of the loan must be made over a period not to exceed five years from the date the loan was originally issued. This is no longer effective as of November 2004.

(12) SUBSEQUENT EVENTS

On January 27, 2005, The Procter & Gamble Company, an Ohio corporation (P&G), Aquarium Acquisition Corp., a wholly owned subsidiary of P&G and a Delaware corporation (Merger Sub), and the Company, a Delaware corporation, entered into an Agreement and Plan of Merger (the Merger Agreement). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into the Company (the Merger), continuing as the surviving corporation.

Edgar Filing: GILLETTE CO - Form 11-K

Consummation of the Merger is subject to customary conditions, including (i) approval of the holders of Gillette common stock, (ii) approval of the holders of P&G common stock, (iii) absence of any law or order prohibiting the closing, (iv) expiration or termination of the applicable Hart-Scott-Rodino waiting period and certain other regulatory approvals, (v) subject to certain exceptions, the accuracy of representations and warranties, (vi) the absence of any material adverse effect with respect to each party's business and (vii) the delivery of customary opinions from counsel to the Company and counsel to P&G that the Merger will qualify as a tax-free reorganization for federal income tax purposes.

The Company has stated as of the close of the merger, Plan participants' shares of Gillette common stock will be converted into P&G common stock using the same ratio (0.975 share of P&G for each Gillette share) that will apply to all other Gillette shareholders.

The accompanying financial statements have been prepared assuming the Company and the Plan continue on a stand-alone basis and do not reflect any adjustments or disclosures that may be required upon consummation of the Merger.
