INTRODUCTORY STATEMENT

This Tender Offer Statement on Schedule TO (this "Schedule TO") is being filed by EPIX Pharmaceuticals, Inc., a Delaware corporation (the "Company"), pursuant to Rule 13e-4 of the Securities Exchange Act of 1934, as amended, in connection with its exchange offer (the "Exchange Offer") (i) 339 shares of common stock, par value \$0.01 per share ("common stock"), plus (ii) a cash payment of \$180.00 (the consideration referenced in clauses (i) and (ii), the "Closing Consideration"), plus (iii) one (1) contingent value right ("Contingent Value Right"), as described below, for each \$1,000 principal amount of the Company's outstanding 3.00% Convertible Senior Notes due 2024 (the "Notes"), upon the terms and subject to the conditions set forth in the Company's offer to exchange and consent solicitation, dated April 7, 2009 (the "Offer to Exchange and Consent Solicitation") and in the related Exchange Offer materials (which Offer to Exchange and Consent Solicitation and related Exchange Offer materials, as amended or supplemented from time to time, collectively constitute the "Offer Documents"). Each Contingent Value Right represents the contractual right to receive additional payments, subject to certain exceptions, if after completion of the Exchange Offer the Company consummates any exchange, redemption, repurchase, prepayment or similar event on account of, or with respect to, any Notes not tendered in the Exchange Offer within a specified time period and which results in aggregate cash or non-cash payments for such Notes in excess of the sum of (a) \$180.00, (b) the lower of (i) \$170.00 and (ii) the fair market value of 339 shares of common stock as of the date of consummation of the Exchange Offer and (c) any prior payments made by the Company pursuant to such Contingent Value Right, for each \$1,000 of aggregate principal amount outstanding of the Notes. For purposes of the Exchange Offer, the Closing Consideration together with the Contingent Value Rights is referred to as the "Exchange Consideration." The Exchange Consideration will be in full satisfaction of the principal amount of, and any accrued but unpaid interest through the consummation of the Exchange Offer on, the Notes so tendered and accepted.

The Notes were issued pursuant to the Indenture between the Company, as Issuer, and U.S. Bank National Association, as Indenture Trustee, dated as of June 7, 2004, as amended by the First Supplemental Indenture, dated as of January 7, 2005. The Notes are the obligation of the Company and each \$1,000 of Notes is convertible into 22.39 shares of common stock, representing a conversion price of approximately \$44.66 per share of common stock.

The Exchange Offer expires at 5:00 p.m., New York City time, on May 4, 2009, which date the Company refers to as the Expiration Date, unless the Offer to Exchange and Consent Solicitation is extended by the Company with the consent of the holders of at least 75% in outstanding principal amount of the Notes. This Schedule TO is intended to satisfy the disclosure requirements of Rule 13e-4(c) under the Securities Exchange Act of 1934, as amended.

Holders of the Notes should read the Offer Documents in their entirety. As permitted by General Instruction F to Schedule TO, all of the information set forth in the Offer Documents is incorporated by reference into this Schedule TO.
