### Item 3. Source and Amount of Funds or Other Consideration.

#### Innextel Class D Shares

On June 21, 2001, Innextel acquired 63,999,524 Class D Shares (the "Innextel Class D Shares") pursuant to the exercise of its redemption rights, as a shareholder of VenWorld (as defined below), under an Association Agreement dated as of August 1, 1991, as amended (the

9

"Association Agreement"), among GTE Corporation, T.I. Telefonica de Espana, S.A., AT&T International Inc., C.A. La Electricidad de Caracas, S.A.I.C.A.-S.A.C.A and Consorcio Inversionista Mercantil Cima, C.A., S.A.C.A., S.A.I.C.A. Under the Association Agreement, any shareholder of VenWorld may, subject to certain conditions, require that VenWorld redeem all or part of the VenWorld shares held by such shareholder in exchange for VenWorld distributing to such shareholder its pro rata interest in the Issuer's Class A shares held by VenWorld. No cash consideration was used to acquire the Innextel Class D Shares.

The Association Agreement sets forth certain rights and obligations with respect to the shareholders of VenWorld Telecom, C.A. ("VenWorld"), a company organized under the laws of Venezuela, and a holder of Class A shares of the Issuer. In 1991, VenWorld acquired 40% of the outstanding share capital of the Issuer from the Government of Venezuela. Until earlier this year, this interest represented approximately 43% of the equity share capital of the Issuer. VenWorld holds its interest in the Issuer through the ownership of Class A shares of the Issuer.

In accordance with the Issuer's bylaws, the Class A shares received by Innextel on the exercise of its redemption rights automatically converted into Class D Shares of the Issuer. Innextel continues to hold 136 shares of VenWorld which may, subject to the provisions of the Association Agreement, be redeemed at the option of Innextel for 476 Class A shares of the Issuer.

#### Onapo Class D Shares

On May 14, 2001, Onapo acquired 1,000 Class D Shares (the "Onapo Class D Shares") for Bs.2,250,000 in cash, or Bs.2,250 per share, using funds acquired from CEDC's working capital.

#### Onapo ADSs

On May 14, 2001, Onapo acquired 1,000 ADSs (the "Onapo ADSs") for

## Edgar Filing: NATIONAL TELEPHONE CO OF VENEZUELA - Form SC 13D

\$22,000 in cash, or \$22 per ADS, using funds acquired from CEDC's working capital.

### Item 4. Purpose of Transaction.

The Reporting Persons acquired beneficial ownership of the Inxtel Class D Shares because they considered that it was preferable to own directly this interest in the Issuer.

The Reporting Persons may, subject to applicable law, directly or through its affiliates, make additional purchases of Class D Shares or ADSs or other securities of the Issuer either in the open market, in private transactions or otherwise depending on such factors as the Reporting Persons may deem relevant at the time, including, among others, the Issuer's business, prospects, financial and other condition, the market

10

and prices for such securities, the availability of funds for such purchases, other opportunities available to the Reporting Persons, prospects for the Reporting Persons' own businesses, general economic and other conditions, including conditions in the Republic of Venezuela, stock market conditions and other future developments. Depending on similar factors, the Reporting Persons may decide to sell all or part of the Class D Shares or ADSs held or hereafter acquired, or may decide to retain such shares and ADSs. In addition, the Reporting Persons may decide to redeem its remaining interest in VenWorld.

AES intends to review its investment in the Issuer on a continuing basis and may directly or through its affiliates engage in discussions with the Issuer or shareholders of the Issuer or VenWorld concerning the business, operations, prospects and future plans of the Issuer and the Reporting Persons' investment in the Issuer. The Reporting Persons reserve the right to change their purpose in respect of the Class D Shares and ADSs, and take such actions as they deem appropriate in light of the circumstances existing at the time, including without limitation, the matters set forth above.

Except as indicated above, none of the Reporting Persons, and, to the best of the Reporting Persons' knowledge, none of the persons listed in Schedule A hereto, have any present plans or proposals that relate to or would result in any of the actions described in Subparagraphs (a) through (j) of Item 4 of Schedule 13D.

### Item 5. Interest in Securities of the Issuer.

(a) AES, Channon and CEDC beneficially own 64,000,524 Class D Shares and 1,000 ADSs respectively (being the Inxtel Class D Shares, the Onapo Class D Shares and the Onapo ADSs). Each ADS represents seven Class D Shares. The Reporting Persons calculate that such 64,000,524 Class D Shares and 1,000 ADSs represent approximately 14.6% of the total number of outstanding Class D Shares (including Class D Shares represented by ADSs), or approximately 6.9% of the total number of shares of capital stock of the Issuer.

Inxtel beneficially owns 63,999,524 Class D Shares (being the Inxtel Class D Shares). The Reporting Persons calculate that such 63,999,524 Class D Shares represent approximately 14.6% of the total number of outstanding Class D Shares (including Class D Shares represented by ADSs), or approximately 6.9% of the total number of outstanding shares of capital stock of the Issuer.

Servicios and Onapo beneficially own 1,000 Class D Shares and 1,000 ADSs respectively (being the Onapo Class D Shares and the Onapo ADSs). The Reporting Persons calculate that such 1,000 Class D Shares and 1,000 ADSs represent less than 0.1% of the total number of outstanding Class D Shares (including Class D Shares represented by ADSs), and less than 0.1% of the total number of outstanding shares of capital stock of the Issuer.

According to the Issuer's report on Form 20-F filed with the Securities and Exchange Commission on May 25, 2001, as of April 30, 2001, the Issuer had 926,037,385 shares of capital stock outstanding, of which approximately 373,845,612 were Class D Shares (including Class D Shares represented by ADSs). In calculating the percentages above, the Reporting Persons have assumed that the total number of shares of Issuer capital stock remains at 926,037,385, and have adjusted the number of Class D Shares and Class A shares outstanding for the redemption by Innextel of its interest in VenWorld. See Item 3. The Reporting Persons understand that certain other shareholders of VenWorld have redeemed their interest in VenWorld in exchange for Class A shares of the Issuer. However, the Reporting Persons have not made any adjustments to the numbers of Class D Shares or Class A shares outstanding which may have changed as a result of such redemptions.

To the best of the Reporting Persons' knowledge, none of the persons listed in Schedule A hereto beneficially owns any Class D Shares or ADSs except as set forth on such Schedule.

(b) The Reporting Persons have, and, to the best of the Reporting Persons' knowledge, the persons listed in Schedule A hereto as beneficially owning the shares specified, have, the sole power to vote, and the sole power to dispose of, such shares owned beneficially by them.

(c) In the past sixty days from the date of this Statement, none of the Reporting Persons, nor any of the persons listed on Schedule A, acquired Class D Shares and ADSs, except as follows:

Entity Effecting Transaction	Date of Transaction	Number of Class D Shares or ADSs Involved	Price Per Class D Share or ADS	Place and Manner of Transaction
Innextel	June 21, 2001	63,999,524 Class D Shares	N/A	Redemption of interest in VenWorld for Class D Shares (See Item 3)
Onapo	May 14, 2001	1,000 Class D Shares	Bs. 2,250 per share	Purchase in an open market transaction effected on the Caracas Stock Exchange
Onapo	May 14, 2001	1,000 ADSs	\$22 per ADS	Purchase in an open market transaction effected on the New York Stock Exchange

(d) The Class D Shares held by Inextel are currently pledged to the lenders under a loan agreement. In the event of a sale of such shares, the proceeds therefrom must be used to repay the outstanding amount under such loan agreement. Except as set forth herein, no person (other than those identified above) is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Class D Shares and ADSs listed above.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings, or Relationships With Respect to Securities of the Issuer.

The Association Agreement provides that all decisions of VenWorld relating to the operations of VenWorld and the Issuer will be decided by consensus of the shareholders of VenWorld, provided that if no consensus is reached, the views of investors holding a majority of the ownership interests in VenWorld will prevail, provided that resolutions on the following matters require the affirmative vote of shareholders of VenWorld holding at least 66-2/3% of VenWorld: (i) dissolution or liquidation of VenWorld or the decision of VenWorld to support the dissolution or liquidation of the Issuer; (ii) change in the corporate purpose of VenWorld or the decision of VenWorld to support a change in the corporate purpose of the Issuer; (iii) any merger or consolidation involving VenWorld or the decision of VenWorld to support any merger or consolidation involving the Issuer; (iv) sale or transfer of all or substantially all the assets of VenWorld or the decision of VenWorld to support the transfer of all or substantially all of the assets of the Issuer; (v) increase or decrease in the capital of VenWorld, or the decision of VenWorld to support an increase or decrease in the capital of the Issuer or to subscribe to any such increase; (vi) fixing of the general dividend policy of VenWorld, or the decision of VenWorld to support a particular general dividend policy of the Issuer; (vii) the incurrence by VenWorld of any indebtedness outside the ordinary course of business, or the decision of VenWorld to support the incurrence by the Issuer of indebtedness outside the ordinary course of business; (viii) any amendment to the Charter and bylaws (estatutos) of VenWorld; (ix) investment of VenWorld's funds in another entity or business or the decision of VenWorld to support the investment of the Issuer's funds in another entity or business; (x) authorizing any issuance, sale, purchase or redemption of VenWorld's equity securities or a decision of VenWorld to support the Issuer's authorizing any issuance, sale, purchase or redemption of the Issuer's equity securities; (xi) entry into any new line or field of business, other than related to telecommunications, or the discontinuance of any line or field of business, or a decision of VenWorld to support the Issuer's entry into any new line or field of business, other than related to telecommunications, or the discontinuance of any line or field of business; and (xii) appointment of auditors or VenWorld's decision to support a proposal by the Issuer to appoint auditors.

The Association Agreement also contains provisions providing for the election of directors of VenWorld and the Issuer. Pursuant to those provisions, representatives of CEDC currently serve as a director and such director's alternate on the Board of Directors of the Issuer.

## Edgar Filing: NATIONAL TELEPHONE CO OF VENEZUELA - Form SC 13D

Under the Association Agreement, every shareholder of VenWorld holds a pro rata right of first refusal with respect to any transfer of VenWorld shares by another shareholder of VenWorld. If the right of first refusal is not exercised, the shareholder of VenWorld who intends to transfer VenWorld shares may, subject to the provisions of the Association Agreement, including a provision requiring unanimous approval by the shareholders of VenWorld, which approval may not be unreasonably withheld, transfer such shares to a third party. Each shareholder of VenWorld may redeem all or part of its VenWorld shares in exchange for such shareholder's pro rata interest in the Class A shares held by VenWorld, provided that any shareholder of VenWorld wishing to exercise such redemption option must offer to sell the Issuer shares so redeemed to the other shareholders of VenWorld (who have a pro rata right to acquire such shares) at a price equal to 95% of the average market price for the shares of the Issuer during a period established under the Association Agreement.

The foregoing summary of the provisions of the Association Agreement is qualified in its entirety by reference to the provisions of the Association Agreement which is attached as Exhibit 1.1 to this Schedule 13D.

On May 28, 2001, the Comision Nacional de Valores de Venezuela (the "CNV") issued an order to the effect that acquisitions of shares of the Issuer pursuant to the redemption provisions of the Association Agreement are subject to Venezuelan tender offer regulations. Among other things, these regulations specify that acquisitions of 10% or more of the capital of a listed company in Venezuela (such as the Issuer) must be made through a public tender offer and that a controlling shareholder of a listed company in Venezuela may only acquire additional shares of such company pursuant to a public tender for at least 75% of the capital of such company. GTE Corporation has appealed this order of the CNV to the Venezuelan First Court on Administrative Matters (Corte Primera de lo Contencioso Administrativo). In addition, GTE Corporation has commenced an arbitration against, among others, C.A. La Electricidad de Caracas, S.A.I.C.A.-S.A.C.A. ("EDC") under the Association Agreement alleging breaches by EDC of its obligations under the Association Agreement, including breaches relating to the redemption of virtually all of Inextel's shares in VenWorld. See Item 3.

C.A. La Electricidad de Caracas, S A.I.C.A.-S.A.C.A. has entered into a letter agreement with Chase Securities, Inc., which provides for, among other things, in the event of a sale of the interest of VenWorld held by Inextel, or the Class D Shares received on redemption of such interest, a payment to be made to Chase Securities, Inc. based on the proceeds received upon such sale in excess of an agreed-upon amount.

Except as set forth above, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities of the Issuer, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
