Not applicable.

Item 33. Recent Sales of Unregistered Securities.

The following is a summary of transactions by us involving sales of our securities that were not registered under the Securities Act during the last three years preceding the date of this registration statement:

In November 2002, in connection with our reorganization, we cancelled our former notes, old common stock and stock options. Pursuant to our reorganization plan, we issued 41,000,000 shares of common stock and warrants to purchase 1,229,850 shares of our common stock that are presently exercisable through October 31, 2007 at an exercise price of \$10 per share. As of May 17, 2004, warrants to purchase 616,066 shares of common stock have been exercised. Shares of our common stock were issued in connection with the cancellation of our senior notes and pursuant to a \$205.0 million equity investment made by Fortress and Greenhill and those senior noteholders who elected shares of our common stock in lieu of cash. Under the prearranged plan of reorganization, Fortress and Greenhill purchased 22,526,598 shares of common stock for an aggregate purchase price of \$112.6 million and elected to receive an additional 9,040,166 shares of common stock in lieu of \$45.2 million of cash for the 10% senior notes due 2008 ("senior notes") they held making their total investment in the company in connection with the reorganization \$157.8 million (before Fortress' stock purchase from Abrams Capital Partners I, L.P., Abrams Capital Partners II, L.P., and Whitecrest Partners, L.P., affiliates of Abrams Capital LLC, our third largest stockholder, warrant exercise and the return of capital arising from the February 5, 2004 special distribution and the April 22, 2004 ordinary dividend). Other senior noteholders entitled to receive \$47.2 million of cash elected to receive 9,433,296 shares of common stock in lieu of cash, making the total equity investment \$205.0 million. The warrants were issued in cancellation of the 5½% convertible subordinated notes due 2007, to former stockholders with the receipt of certain releases and to plaintiffs in the settlement of a stockholder class action. Fortress was issued 24,381,646 shares and 418,050 warrants exercisable at \$10 pursuant to its equity investment and the cancellation of its senior and convertible notes. On April 5, 2004, Fortress exercised all of its warrants for 418,050 shares of common stock, at an exercise price of \$8.53 per share of common stock. Greenhill was issued 8,422,194 shares pursuant to its equity investment and the cancellation of its senior notes. The 18,473,402 shares of our common stock issued to holders of our senior notes in consideration for the cancellation of the notes, and the 1,229,850 warrants and the 615,776 shares of common stock issued pursuant to the exercise of warrants were issued pursuant to an exemption from registration under the Securities Act in reliance on the

II-1

provisions of Section 1145 of the United States Bankruptcy Code. The 22,526,598 shares of our common stock issued pursuant to the \$112.6 million equity investment made by Fortress and Greenhill were issued in a private transaction, entered into in connection with our reorganization plan, exempt from registration under the Securities Act by virtue of the exemption provided under Section 4(2) of the Securities Act.

From November 1, 2002 through May 17, 2004, we granted options, net of forfeitures, to purchase a total of 1,835,038 shares of common stock at an exercise price of \$4.26 per share, 2,040,038 options to purchase shares of common stock at an exercise price of \$8.53 per share and 615,000 options to purchase shares of common stock at an exercise price of either the offering price of the shares in this offering or \$25 if this offering is not consummated by December 31, 2004. These options were granted to employees and directors under our stock option plan. This includes options to purchase 820,000 shares of our common stock granted to Mr. Kevin Czinger, a former employee of Fortress Capital Finance LLC, who served on our board of directors from January 2003 until February 2004, and provided financial advisory services to us through March 2004. Of these options, 30% vested on January 9, 2003, 30% was scheduled to vest on December 31, 2004, and the remaining 40% was scheduled to vest on December 31, 2005. Half the options had an exercise price of \$5 per share and the remainder have an exercise price of \$10 per share. Pursuant to the terms of our stock option plan, the exercise price of the then outstanding options was adjusted from \$10 to \$8.53 per share and from \$5 to \$4.26 per share, due to the special distribution declared and paid to our stockholders on February 5, 2004. We terminated Mr. Czinger's agreement to provide financial advisory services in March 2004 and the vesting of the outstanding options was modified. Following this modification, he is entitled to exercise 246,000 shares at an exercise price of \$4.26 per share and 246,000 shares at an exercise price of \$8.53 per share until December 31, 2004. The remaining options to acquire 328,000 shares expired upon his termination pursuant to the terms of the award. These grants were exempt from the registration requirements of the Securities Act pursuant to Rule 701 under the Securities Act.

In March 2004, in connection with this offering and for purposes of compensating Fortress and Greenhill for their successful efforts in raising capital for us, we granted options to FRIT PINN LLC and Greenhill, or affiliates of such entities, to purchase shares of our common stock equal to an aggregate of 10% of the number of shares to be issued in this offering in the following amounts (1) for FRIT PINN LLC (or its affiliates), the right to acquire 560,000 shares which is equal to 8% of the number of shares to be issued in this offering (644,000 if the underwriters exercise their overallotment option in full) and (2) for Greenhill (or its affiliate), the right to acquire 140,000 shares which is equal to 2% of the number of shares to be issued in this offering at an exercise price per share equal to the initial public offering price of the shares in this offering (161,000 if the underwriters exercise their overallotment option in full). All of the options are immediately vested and exercisable and will remain exercisable for ten years. These grants were made in a private transaction exempt from registration under the Securities Act by virtue of the exemption provided under Section 4(2) of the Securities Act.

As part of the compensation package for our directors we will grant 5,000 shares pursuant to our Omnibus Stock Incentive Plan to each of Messrs. Robert H. Gidel, Douglas L. Jacobs, Howard Rubin and Mark Whiting on the first day following the consummation of this offering. These grants will be made in a private transaction exempt from registration under the Securities Act by virtue of the exemption provided under Section 4(2) of the Securities Act.

On March 15, 2004 we issued 222,713 shares of our common stock to Mr. W. Scot Lloyd pursuant to an exercise of stock options granted to him under our stock option plan prior to the termination of his employment on January 16, 2004. In addition, on April 8, 2004, we issued 15,376 shares of our common stock to Mr. Paul Nussbaum, pursuant to an exercise of stock options granted to him under our stock option plan prior to the termination of his employment on February 3, 2004. The shares of common stock issued to Mr. Lloyd and Mr. Nussbaum were exempt from the registration requirements of the Securities Act pursuant to Rule 701 under the Securities Act.

Item 34. Indemnification of Directors and Officers.

Section 102 of the Delaware General Corporation Law, as amended, allows a corporation to eliminate the personal liability of a director of a corporation to the corporation or its stockholders for

monetary damages for breach of fiduciary duty as a director, except where the director breached his or her duty of loyalty to the corporation or its stockholders, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock purchase or redemption in violation of Delaware corporate law or obtained an improper personal benefit.

Section 145 of the Delaware General Corporation Law provides, among other things, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the corporation's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit or proceeding. The power to indemnify applies (1) if such person is successful on the merits or otherwise in defense of any action, suit or proceeding or (2) if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The power to indemnify applies to actions brought by or in the right of the corporation as well, but only to the extent of defense expenses (including attorneys' fees but excluding amounts paid in settlement) actually and reasonably incurred and not to any satisfaction of judgment or settlement of the claim itself, and with the further limitation that in such actions no indemnification shall be made in the event of any adjudication of negligence or misconduct in the performance of his duties to the corporation, unless a court believes that in light of all the circumstances indemnification should apply.

Section 174 of the Delaware General Corporation Law provides, among other things, that a director who willfully and negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption may be held liable for such actions. A director who was either absent when the unlawful actions were approved or dissented at the time, may avoid liability by causing his or her dissent to such actions to be entered in the books containing the minutes of the meetings of the board of directors at the time the action occurred or immediately after the absent director receives notice of the unlawful acts.

Our amended and restated certificate of incorporation states that no director shall be liable to us or any of our stockholders for monetary damages for breach of fiduciary duty as director, except for breaches of the duty of loyalty, and for acts or omissions in bad faith or involving intentional misconduct or knowing violation of law. Directors are also not exempt from liability for any transaction from which he or she derived an improper personal benefit, or for violations of Section 174 of the Delaware Corporation Law. To the maximum extent permitted under Section 145 of the Delaware Corporation Law, our amended and restated certificate of incorporation authorizes us to indemnify any and all persons whom we have the power to indemnify under the law.

Our amended and restated bylaws indemnify, to the fullest extent permitted by the Delaware Corporation Law, each person who was or is made a party or is threatened to be made a party in any legal proceeding by reason of the fact that he or she is or was our director or officer. However, such indemnification is permitted only if such person acted in good faith, lawfully and not against our best interests. Indemnification is authorized on a case-by-case basis by (1) our board of directors by a majority vote of disinterested directors, (2) by a committee of the disinterested directors, (3) by independent legal counsel in a written opinion if (1) and (2) are not available, or if disinterested directors so direct, or (4) by the stockholders. Indemnification of former directors or officers shall be determined by any person authorized to act on the matter on our behalf. Expenses incurred by a director or officer in defending against such legal proceedings are payable before the final disposition of the action, provided that the director or officer undertakes to repay us if later determined that he or she is not entitled to indemnification.

We have entered into indemnification agreements (the "Indemnification Agreements") with certain of our directors and officers (individually, the "Indemnitee"). The Indemnification Agreements, among other things, provide for indemnification to the fullest extent permitted by law and our amended and restated certificate of incorporation and amended and restated by-laws against any and all expenses,

II-3

judgments, fines, penalties and amounts paid in settlement of any claim. The Indemnification Agreements provide for the advancement or payment of all expenses to the Indemnitee and for reimbursement to us if it is found that such Indemnitee is not entitled to such indemnification under applicable law and our amended and restated certificate of incorporation and amended and restated by-laws.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

We maintain directors' and officers' liability insurance for our officers and directors.

The partnership agreement of Global Signal OP provides that neither we, as special limited partner, nor Global Signal GP LLC, as managing general partner, nor any of our directors and officers or the directors and officers of Global Signal GP are liable to the partnership or to any of its partners as a result of errors in judgment or mistakes of fact or law or of any act or omission, if we, Global Signal GP, our director or our officer or a director or our officer of Global Signal GP act in good faith.

In addition, the partnership agreement requires our operating partnership to indemnify and hold us, as special limited partner, and our directors, officers and any other person we designate, and Global Signal GP LLC, as managing general partner, and its directors, officers and any other person it designates from and against any and all claims arising from operations of the operating partnership in which any such indemnitee may be involved, or is threatened to be involved, as a party or otherwise, unless it is established that:

- indemnitee acted with willful misconduct or a knowing violation of the law, or
- the indemnitee actually received an improper personal benefit in violation or breach of any provision of the Partnership Agreement,

The partnership agreement provides that no indemnitee may subject any partner of our operating partnership to personal liability with respect to the indemnification obligation.

Item 37. Undertakings.

(a) The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreement certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In

(c) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purposes of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
