Item 3.02. Unregistered Sales of Equity Securities

On December 3, 2007, Ormat Technologies, Inc. (the Company) and its parent entity, Ormat Industries Ltd., entered into a subscription agreement relating to an unregistered sale of 693,750 shares of the Company's common stock, par value \$0.001 per share, to Ormat Industries Ltd., at \$48.02 per share. Also on December 3, 2007, the Company's majority stockholder, by written consent in lieu of a meeting, voted in favor of the approval and ratification of the share issuance, such that the share issuance complied with the requirement of Section 312.03 of the NYSE Listed Company Manual, which provides that shareholder approval is a prerequisite to issuing securities to a director, officer, or substantial security holder of the company (a Related Party), if the number of shares of common stock to be issued exceeds either one percent of the number of shares of common stock or one percent of the voting power outstanding before the issuance.

On December 6, 2007, the Company filed a preliminary Information Statement in relation to the share issuance and the shareholder action on Form 14C with the Securities and Exchange Commission (the Commission), and on December 18, 2007, the Company filed a definitive Information Statement on Form 14C with the Commission and circulated the definitive Information Statement to the Company's shareholders. Following the twenty-day waiting period after the circulation of the definitive Information Statement to the Company's shareholders, the unregistered sale of common stock under the subscription agreement became effective on January 8, 2008. The net proceeds to the Company from the unregistered sale, after deducting the Company's estimated expenses, were approximately \$33.3 million.

The unregistered sale complies with the requirements of Regulation S under the Securities Act of 1933, as amended (the Securities Act). We have sold these shares of common stock to Ormat Industries Ltd. (which is not a U.S. Person within the meaning of Regulation S) in an offshore transaction, and no selling efforts were made in the U.S. The shares of common stock issued in the unregistered sale will not be registered under the Securities Act, or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

The foregoing description of the subscription agreement is qualified in its entirety by reference to the subscription agreement attached hereto as Exhibit 3.1 and incorporated by reference herein.

Item 8.01. Other Events.
