MEETINGS AND COMMITTEES, COMPENSATION, MANAGEMENT

Meetings and Committees

In the 2002 fiscal year, the Board of Directors held two regularly scheduled meetings and one special meeting. Each director, except for Mr. Andreas Stengos, attended at least 75% or more of the aggregate number of meetings held by the Board of Directors and the committees on which he served. For the fiscal year 2002, our Board of Directors had five standing committees: the Audit Committee, the Compensation Committee, the Special Benefits Committee, the Special Committee, and the Board Executive Committee, each briefly described below.

Audit Committee. The Audit Committee consisted of Messrs. Hasler, Poulos, and Stevens, each of whom was independent as defined and required by the National Association of Securities Dealers Marketplace Rules. The Audit Committee is responsible for selecting and overseeing the engagement of our independent certified public accountants and overseeing our financial reporting process. The Audit Committee held five meetings during the year ended December 31, 2002. The Audit Committee Report is set forth below.

Compensation Committee. The Compensation Committee consisted of Messrs. Horner, Hasler, Delikanakis, Andreas Stengos, and George Stengos. The Compensation Committee was responsible for matters of employee compensation and the granting of discretionary bonuses. The Compensation Committee held one meeting during the year ended December 31, 2002.

Special Benefits Committee. The Special Benefits Committee consisted of Messrs. Horner, Hasler, Poulos, and Stevens. The Special Benefits Committee was responsible for establishing: (a) the compensation and bonus plan for the Chief Executive Officer, (b) the compensation and bonus plan for other executives, and (c) administration of the Annual and Long-Term Incentive Plan and the granting of options. Only outside directors served on the Special Benefits Committee. The Special Benefits Committee held one meeting during the year ended December 31, 2002.

Special Committee. The Special Committee consisted of Messrs. Hasler, Horner, Poulos, and Stevens. The Special Committee had responsibility for considering and acting on any proposed transaction (a) between us and TOI or any affiliate of TOI, and (b) by any affiliate which may affect or involve us and in which one or more of our directors may have an actual or perceived interest in the transaction. The Special Committee was also responsible for nominations to the Board of Directors. The Special Committee (n/k/a the Independent Directors Committee) considers possible candidates from many sources, including stockholders, for nominees for directors. Only outside directors served on the Special Committee. The Special Committee held two meetings during the year ended December 31, 2002.

If a stockholder wishes to recommend a nominee for director, the recommendation should be sent to the Secretary by December 13, 2003 in accordance with the instructions set forth later in this proxy statement under Stockholder Proposals for 2004 Annual Meeting. All recommendations should be accompanied by a complete statement of such person's qualifications (including education, work experience, knowledge of TOUSA's industry, membership on the Board of Directors of another corporation, and civic activity) and an indication of the person's willingness to serve.

Board Executive Committee. The members of the Board Executive Committee are Messrs. Horner, Delikanakis, Mon, and George Stengos, as well as Tommy McAden as the non-director management representative. The Board Executive Committee has authority to consider and approve transactions, acquisitions, investments, operational matters, corporate management, financing, and other actions by us or our subsidiaries for transactions not exceeding \$20.0 million, and reports to the full Board of Directors. The Board Executive Committee did not hold any meetings during the year ended December 31, 2002.

In order to clarify the responsibilities and eliminate overlapping roles of certain Board committees, the Board of Directors decided on February 3, 2003 that the Compensation Committee and the Special Benefits Committee would be merged to form the Compensation and Benefits Committee and the Special

Table of Contents

Committee would be re-designated as the Independent Directors Committee. As of February 3, 2003, only independent directors will serve on these committees.

Family Relationships

Constantine Stengos is the father of both Andreas Stengos and George Stengos. Yannis Delikanakis is the son-in-law of Constantine Stengos and the brother-in-law of Andreas Stengos and George Stengos. We have no other familial relationships among the executive officers and directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers, and persons who own more than 10% of our outstanding common stock to file with the Securities and Exchange Commission reports of changes in their ownership of common stock. Directors, officers, and greater than 10% stockholders are also required to furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, during the year ended December 31, 2002, all Section 16(a) filing requirements applicable to our directors, officers, and greater than 10% stockholders were complied with, except that one transaction for TOI was inadvertently reported late and an initial report of beneficial ownership for each of Mr. Mon, Mr. McAden, Ms. Petersen, Mr. Kotler, Mr. Engelstein, and Mr. Upton was inadvertently filed late.

Compensation Committee Interlocks and Insider Participation in 2002

Messrs. Horner, Hasler, Poulos, and Stevens comprised the Special Benefits Committee in 2002. None of these persons served as an officer or employee of ours or any of our subsidiaries during fiscal year 2002. There were no material transactions between us and any of the members of the Special Benefits Committee during fiscal year 2002.

Messrs. Horner, Hasler, Delikanakis, Andreas Stengos, and George Stengos comprised the Compensation Committee in 2002. Other than Messrs. Delikanakis and Andreas Stengos, who each served as non-employee officers of certain of our subsidiaries during fiscal year 2002, none of the other members of the Compensation Committee served as an officer or employee of ours or any of our subsidiaries. During 2002, we and our subsidiary TOUSA Homes, Inc. made payments of \$191.6 million on behalf of Technical Olympic S.A. pursuant to the Contractor Agreements described under Certain Relationships and Related Transactions. Mr. Andreas Stengos serves as a director and executive officer of Technical Olympic S.A. and Mr. Delikanakis served as an executive officer of Technical Olympic S.A. during fiscal year 2002.

As mentioned above, on February 3, 2003, these committees were merged to form the Compensation and Benefits Committee on which only independent directors may serve.

Compensation of Directors

For the fiscal year 2002, our outside directors received an annual fee of \$15,000 and \$2,000 per Board meeting attended and each was reimbursed for reasonable out-of-pocket expenses incurred for attendance at meetings. For 2003, each outside director, other than the senior outside director, will receive an annual cash fee of \$40,000, reimbursement of Board meeting expenses, and an annual equity award of either non-qualified stock options or restricted stock valued at \$40,000. Under our policy, the designated senior outside director shall receive an annual cash retainer of \$80,000, reimbursement of Board meeting expenses, and an annual equity award valued at \$80,000. For 2003, Mr. Horner was designated our senior outside director. Directors who also served as officers of ours did not receive any additional compensation for their services as directors during 2002.

Table of Contents**Consulting Agreement*****Lonnie M. Fedrick***

On January 1, 2003, Mr. Fedrick became a consultant to TOUSA. Prior to January 1, 2003, Mr. Fedrick served as President and Chief Executive Officer of the Company pursuant to the terms of an employment agreement between us that expired at the end of 2002. Upon recommendation of the Chief Executive Officer and approval of the Board of Directors or designated committee, Mr. Fedrick may receive a bonus or other compensation in his capacity as a consultant. During the term of the agreement, in addition to his service as a member of the Board of Directors, Mr. Fedrick will: (a) provide land review, acquisition, and development services for our Houston operations, (b) identify and acquire land in the greater Houston area, (c) perform other assignments requested by the Chairman of the Board of Directors or the Chief Executive Officer from time to time, (d) transition his network of contacts and local knowledge to Company management, and (e) provide other general business advisory services. COMMITTEE REPORT ON EXECUTIVE COMPENSATION

During the fiscal year ended December 31, 2002, our Special Benefits Committee was responsible for both the establishment and administration of the policies that govern annual compensation programs and for the compensation and bonus arrangement for the Chief Executive Officer and other top executive officers, as well as administration of our stock incentive program, while our Compensation Committee was responsible for the establishment of compensation of all other officers and employees. During 2002, the Special Benefits Committee was comprised of Messrs. Hasler, Poulos, and Stevens, and the Compensation Committee was comprised of Messrs. Horner, Hasler, Delikanakis, Andreas Stengos, and George Stengos. Commencing on February 3, 2003, our Board decided to merge the Special Benefits Committee and the Compensation Committee to form the Compensation and Benefits Committee, which is comprised solely of independent directors.

This report, regarding our compensation policies and the implementation of these policies during 2002, is furnished by the Special Benefits Committee.

Determination of Executive Officer Compensation

Our compensation policies are intended to:

reward executives for long-term strategic management that results in the enhancement of stockholder values;

support a performance oriented environment which rewards achievement of both our internal goals and enhanced company performance as measured against performance levels of comparable companies in the industry; and

attract and retain executives whose abilities are critical to our long-term success and competitiveness.

Components of Executive Officer Compensation

For 2002, the executive compensation program consisted of three key components:

base salary;

incentive compensation (bonus); and

stock options.

Edgar Filing: TECHNICAL OLYMPIC USA INC - Form DEF 14A

Base salaries paid to Named Executive Officers were paid pursuant to agreements described in Employment Agreements above. Each Named Executive Officer's base salary was determined by the

Table of Contents

individual officer's level of responsibility and comparisons to similar positions within TOUSA as well as with other companies in the industry.

In 2002, the Special Benefits Committee evaluated and approved an annual bonus program for our senior officers. The program was designed to reward personal contribution and performance, measured as achievement of specified profit goals, regional contribution targets, and overall performance. Each bonus was also to be a percentage of the officer's base salary based on job position and experience with TOUSA. In the budgeting process, a profit goal or regional contribution target was set for each division and region. The amount of bonus earned by the officer will be determined with each factor and actual performance of such factor evaluated.

Minimum threshold performance criteria must be reached before any bonus awards will be granted. In addition, the individual performance of executive officers may be taken into consideration in making any awards.

Determination of Chief Executive Officer Compensation

Antonio B. Mon

In connection with our principal stockholders' decision to merge the operations and businesses of Newmark and Engle, we determined that it was necessary to bring on a new Chief Executive Officer who had significant experience in our industry. Upon review of industry compensation standards, we entered into an employment agreement with Mr. Mon, which provided for a base salary and an annual bonus that was strictly tied to the performance of the Company. We determined that the best way to align the interests of our Chief Executive Officer with the long-term interests of our stockholders was to align his annual bonus with the Company's results of operations, thereby providing meaningful downside risk and upside opportunity for variations in our financial performance. In addition to his base salary and annual bonus, the Special Benefits Committee determined that the compensation of our Chief Executive Officer should have an equity component to further align the Chief Executive Officer's interests with those of our stockholders by providing a direct link between executive compensation and long-term performance of TOUSA. Stock options were to be granted to our Chief Executive Officer at various premiums to then fair market price. In accordance with these policies, the Special Benefits Committee approved the employment agreement of Mr. Mon described under "Employment Agreements" above. During fiscal year 2002, Mr. Mon received stock options to purchase 1,756,364 shares of our common stock as shown on the Stock Option Grants Table pursuant to our incentive plan. The Special Benefits Committee also provided Mr. Mon with a bonus based upon the formula set forth in the employment agreement.

Lonnie M. Fedrick

As Chief Executive Officer from January 2002 to June 25, 2002, Mr. Fedrick was compensated during fiscal year 2002 pursuant to an employment agreement which expired on December 31, 2002. Mr. Fedrick was paid a base salary and an annual bonus in 2002. Mr. Fedrick's compensation was substantially related to the Company's performance because he received an annual bonus, determined pursuant to a specific formula, which was based on the achievement of defined net income levels by Newmark Home Corporation and its subsidiaries. Mr. Fedrick was entitled to receive a cash bonus based on his base salary multiplied by a percentage of an achieved target amount set by the Special Benefits Committee.

Annual and Long-Term Incentive Plan

The Plan provides that any employee, consultant, or director of the Company, its subsidiaries, its parent corporation, and affiliated entities is eligible to receive stock options, restricted stock, performance awards, phantom shares, bonus shares, or other stock-based awards, either separately or in combination. The number of shares of common stock with respect to which awards may be granted under the Plan is 4,000,000, subject to adjustment. The Plan is intended to promote the interests of the Company by encouraging employees, consultants, and directors of the Company, its parent corporation, its subsidiaries,

Table of Contents

and affiliated entities to acquire or increase their equity interest in the Company and to provide a means whereby they may develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to remain with and devote their best efforts to the Company's business, thereby advancing the interests of the Company and its stockholders. As of December 31, 2002, there were 2,195,455 awards granted under the Plan.

Compliance with Section 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for annual compensation over \$1.0 million paid to their Chief Executive Officer and certain other highly compensated executive officers. Generally, the Code excludes from the calculation of the \$1.0 million cap compensation that is based on the attainment of pre-established, objective performance goals. Where practicable, it is the Special Benefits Committee's policy to establish compensation practices that are both cost-efficient from a tax standpoint and effective as a compensation program. The Special Benefits Committee considers it important to be able to utilize the full range of incentive compensation tools, even though some compensation may not be fully deductible.

This report furnished by the Special Benefits Committee of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Tax Allocation Agreements

Pursuant to a Tax Allocation Agreement between us and TOI, effective for taxable periods commencing on or after December 15, 1999, and a Tax Allocation Agreement between TOI and Engle Holdings Corp., effective for tax periods commencing on or after November 22, 2000, our and Engle's earnings may be included in the consolidated federal income tax returns filed by TOI. The amount of our and Engle's liability to (or entitlement to payment from) TOI equals the amount of taxes that each would respectively owe (or refund that each would receive) had we or Engle, as the case may be, prepared its federal tax returns on a stand-alone basis. Pursuant to the Tax Allocation Agreements, TOI has agreed to indemnify us and Engle for payments which TOI has already received from us or Engle, respectively, or with respect to any tax liabilities of TOI or its affiliated entities other than us or Engle, as the case may be. With respect to the Tax Allocation Agreements, we made payments totaling \$37.7 million for the year ended December 31, 2002. The Tax Allocation Agreement between TOI and Engle was terminated after the merger.

Management Services Agreement

Pursuant to a Management Services Agreement between us and Techolym L.P., dated June 1, 2000, Techolym provided us with certain advisory, administrative, and other services. Techolym L.P. was merged into TOI on December 31, 2002. Under this agreement, TOI provides consultation with, and assistance to, our Board of Directors and management in connection with issues involving our business. In addition, as of January 1, 2001, TOI provided plan administration of a self-funded group medical and dental plan for us and our subsidiaries. We made payments totaling \$1.4 million for the year ended December 31, 2002, related to this agreement. In future years, TOI is entitled to receive the greater of (i) 107.5% of the actual consideration paid to TOI in the prior year and (ii) an amount equal to TOI's budgeted operating costs for those services that will actually be provided to us, subject to a maximum of 125% of the consideration paid in the prior year. We may terminate the Management Services Agreement upon 60 days' prior written notice.

Purchasing Agreements

In order to consolidate the purchasing function, we and our subsidiary TOUSA Homes, Inc. entered into non-exclusive purchasing agreements with Technical Olympic S.A., an affiliate of TOI, in November

Table of Contents

2000. Under the purchasing agreements, Technical Olympic S.A. would purchase certain materials and supplies necessary for operations on our respective behalves pursuant to third-party contracts assigned to Technical Olympic S.A. by us. These materials and supplies bought by Technical Olympic S.A. under the purchasing agreements are provided to us and TOUSA Homes, Inc. at cost. These agreements may be terminated upon 60 days prior notice. Technical Olympic S.A. purchased an aggregate of \$191.6 million of materials and supplies on behalf of us and TOUSA Homes, Inc. for the year ended December 31, 2002. Constantine Stengos, our Chairman of the Board of Directors, is President and Managing Director of Technical Olympic S.A. Yannis Delikanakis, one of our directors, is General Manager Real Estate of Technical Olympic S.A.

During the year ended December 31, 2002, one of our subsidiaries purchased approximately \$932,000 of lots from Willow Park Green, Ltd. Michael Stevens, one of our directors, has an indirect limited partnership interest in such entity.

Certain Land Bank Transactions

During 2001, Engle sold certain undeveloped real estate tracts to, and entered into a number of agreements, including option contracts and construction contracts, with an investment limited liability company owned by several of Engle's then current and former executive officers, including related trusts of management. As a result of the merger, we became the successor to Engle in these transactions. By their terms, we can cancel these agreements to purchase the land by forfeiture of the deposit. As of December 31, 2002, the remaining value of lots that we can acquire under the various agreements was approximately \$7.0 million. We believe that the terms of the agreements are comparable to those available from unaffiliated parties.

Merger Agreement

On June 25, 2002 we completed the merger with Engle. At the time of the merger, each issued and outstanding share of Engle common stock was exchanged for 1,724.08294 shares of Newmark common stock and we changed our name to Technical Olympic USA, Inc. At the date of the merger, there were 9,500 shares of Engle common stock issued and outstanding, all of which were held by TOI. As a result of the merger, 16,378,787 additional shares were issued to TOI. As a result of the exchange of equity interests in the merger, TOI currently owns 91.72% of our outstanding capital stock.

Prior to our engagement of Ernst & Young LLP, we had not consulted Ernst & Young LLP on any accounting issues.

The reports of BDO Seidman, LLP on the financial statements for the years ended December 31, 1999 and December 31, 2000 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principle.

In connection with its audits for the years ended December 31, 1999 and December 31, 2000 and the interim period through October 1, 2001, there had been no disagreements with BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of BDO Seidman, LLP would have caused them to make reference thereto in their report on the financial statements for such years.

During the years ended December 31, 1999 and December 31, 2000 and for the interim period through October 1, 2001, there were no reportable events of the type described in Item 304(a)(1)(v) of Regulation S-K.

We provided BDO Seidman, LLP with a copy of the foregoing disclosures. We filed with our Form 8-K, on October 5, 2001, as Exhibit 99.1, a copy of BDO Seidman, LLP's letter, dated October 3, 2001, stating its agreement with such statements.

GENERAL INFORMATION

Other Matters. The Board of Directors does not intend to present any matter for action at this meeting other than the matters described in this proxy statement. If any other matters properly come before the Annual Meeting, it is intended that the holders of the proxies hereby solicited will act in respect to such matters in accordance with their best judgment.

Multiple Stockholders Sharing the Same Address. Recent changes in the regulations regarding the delivery of copies of proxy materials and annual reports to stockholders permit us, banks, brokerage firms, and other nominees to send one annual report and proxy statement to multiple stockholders who share the same address under certain circumstances. This practice is known as householding. Stockholders who hold their shares through a bank, broker, or other nominee may have consented to reducing the number of copies of materials delivered to their address. In the event that a stockholder wishes to revoke a householding consent previously provided to a bank, broker, or other nominee, the stockholder must contact the bank, broker, or other nominee, as applicable, to revoke such consent. In the event that a stockholder wishes to receive a separate proxy statement for the 2003 Annual Meeting or a 2002 Annual Report, the stockholder may receive printed copies by contacting Technical Olympic USA, Inc., Attention: Secretary, at 4000 Hollywood Boulevard, Suite 500 N, Hollywood, Florida 33021 or by calling (954) 364-4000.

Any stockholders of record sharing an address who now receive multiple copies of our annual reports and proxy statements and who wish to receive only one copy of these materials per household in the future should also contact us by mail or telephone as instructed above. Any stockholders sharing an address whose shares of common stock are held by a bank, broker, or other nominee who now receive multiple copies of our annual reports and proxy statements, and who wish to receive only one copy of these materials per household, should contact the bank, broker, or other nominee to request that only one set of these materials be delivered in the future.

Stockholder Proposals for 2004 Annual Meeting. Stockholder proposals for inclusion in the proxy materials related to the 2004 Annual Meeting of Stockholders must be received by TOUSA at its principal executive offices, 4000 Hollywood Boulevard, Suite 500 N, Hollywood, Florida 33021 by December 13, 2003. Such proposals should be sent by certified mail, return receipt requested.

TOUSA must receive notice of any stockholder proposal to be submitted at the 2004 Annual Meeting of Stockholders (but not required to be included in our proxy statement) by February 26, 2004, or such proposal will be considered untimely pursuant to Rule 14a-4 and 14a-5(e) under the Exchange Act and the persons named in the proxies solicited by management may exercise discretionary voting authority with respect to such proposal.

Expenses of Solicitation. Proxies will be solicited by mail, telephone, or other means of communication. Solicitation also may be made by our directors, officers, and regular employees. The entire cost of solicitation will be borne by TOUSA.
