**Item 4. Description of Securities.**

Inapplicable.

**Item 5. Interests of Named Experts and Counsel.**

Inapplicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the General Corporation Law of the State of Delaware ( DGCL ) provides that a corporation may indemnify any of its directors or officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending, or completed action, suit or proceeding (civil, criminal, administrative or investigative) if such person acted in good faith, and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation. In actions brought by or in the right of the corporation, the DGCL provides that no indemnification may be made if the director or officer was adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought determines that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court deems proper.

In cases where the director or officer is successful on the merits or otherwise in the defense of any action, suit, or proceeding (or claims or issues therein), the DGCL mandates that the corporation indemnify the director or officer against expenses (including attorneys' fees) actually and reasonably incurred in the proceeding. In other cases,

**Table of Contents**

the DGCL provides that indemnification shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper as such person has met the applicable standard of conduct as described above. Such determination shall be made (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than quorum, (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders of the corporation. Expenses incurred by an officer or director may be paid by the corporation in advance of the final disposition of the relevant action, suit or proceeding, if and to the extent such advance upon receipt of an undertaking by or on behalf of such officer or director to repay such amount if it shall ultimately be determined that such person is not entitled to indemnification by the corporation.

Article IX of the Registrant's Certificate of Incorporation (the Certificate of Incorporation) provides that the directors of the Registrant shall not be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent otherwise required by the DGCL. Additionally, Article X of the Certificate of Incorporation also provides that the Registrant shall indemnify any of its directors or officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending, or completed action, suit or proceeding (civil, criminal, administrative or investigative) if such person acted in good faith, and in a manner that person reasonably believed to be in or not opposed to the best interests of the Registrant. The Certificate of Incorporation also provides that the Registrant shall not indemnify an officer or director seeking indemnification in connection with any action, suit, proceeding, claim or counterclaim (or part thereof) initiated by the officer or director unless the initiation thereof was approved by the Board of Directors of the Registrant. In actions brought by or in the right of the corporation the Certificate of Incorporation provides that no indemnification may be made if the director or officer was adjudged to be liable to the Registrant, unless and only to the extent that the court in which such action or suit was brought determines that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court deems proper. In cases where the director or officer is successful, on the merits or otherwise, in the defense of any action, suit, or proceeding (or claims or issues therein), the Certificate of Incorporation mandates that the Registrant indemnify the director or officer against expenses actually and reasonably incurred in the proceeding.

The Registrant's Amended and Restated Bylaws (the Bylaws) provide that the Registrant shall indemnify and hold harmless its officers and directors to the fullest extent permitted by the DGCL. Notwithstanding the preceding sentence, the Bylaws provide that the Registrant shall only indemnify an officer or director in connection with a suit or proceeding initiated by such officer or director if the proceeding was authorized by the Board of Directors of the Registrant. The Bylaws also provide that the Registrant shall pay all expenses (including attorneys' fees) incurred by any of its officer or directors; provided, however, that, to the extent required by the DGCL, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by such officer or director to repay all amounts advanced if it should be ultimately determined that the officer or director is not entitled to indemnification.

The Registrant has in effect a directors' and officers' liability insurance policy providing coverage for certain liabilities of the Registrant's officers and directors.

Item 7. Exemption from Registration Claimed.

None.

Item 8. Exhibits

See Exhibit Index.

Item 9. Undertakings

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate,

represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) of this Item 9 do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
