MEDAVANT ANNOUNCES RESIGNATION OF TWO BOARD MEMBERS

ATLANTA, GA. September 1, 2006-- MedAvant Healthcare Solutions (NASDAQ: PILL), a leader in healthcare technology and transaction services, today announced that James H. McGuire and Thomas E. Hodapp have resigned from the board of directors. The MedAvant board of directors now consists of Braden Kelly (acting Chairman), Gene Terry, Ed Cooperman, CEO John Lettko and recently appointed members Jim Hudak and Sam Schwartz.

John Lettko, MedAvant's CEO, noted, "We are grateful for Jim and Tom's contributions to the board, and we wish them well in their future endeavors. Lettko went on to add, "MedAvant has a strong board currently in place, particularly given the recent additions of Sam Schwartz and Jim Hudak. We are committed to having a strong and dedicated board that will oversee and nurture the company as it pursues its growth strategy."

About MedAvant Healthcare Solutions

MedAvant, a leader in healthcare technology services, provides healthcare transaction processing, medical cost containment services, business process outsourcing solutions and related value-added products to physicians, payers, pharmacies, medical laboratories, and other healthcare suppliers. To facilitate these services, MedAvant operates Phoenix(SM), a highly scalable and secure national information platform, which supports real-time direct connectivity and transaction processing between healthcare clients. For more information about MedAvant, please visit the Company's website at <http://www.medavanthealth.com>. MedAvant is a trade name of ProxyMed, Inc.

Forward-Looking Statement

FORWARD LOOKING STATEMENTS Statements in this release that are forward-looking statements are based on current expectations and assumptions that are subject to risks and uncertainties. In some cases, forward-looking statements can be identified by terminology such as may, should, potential, continue, expects, anticipates, plans, believes, estimates, and similar expressions. Actual results could differ materially from projected results because of factors such as: the soundness of MedAvant's business strategies relative to the perceived market opportunities; MedAvant's ability to successfully develop, market, sell, cross-sell, install and upgrade its clinical and financial transaction services and applications to current and new physicians, payers, medical laboratories and pharmacies; the ability to compete effectively on price and support services; MedAvant's ability and that of its business associates to perform satisfactorily under the terms of its contractual obligations, and to comply with various government rules regarding healthcare and patient privacy; entry into markets with vigorous competition, market acceptance of existing products and services, changes in licensing programs, product price discounts, delays in product development and related product release schedules, any of which may cause revenues and income to fall short of anticipated levels; the availability of competitive products or services; the continued ability to protect our intellectual property rights, implementation of operating cost structures

that align with revenue growth; uninsured losses; adverse results in legal disputes resulting in liabilities; unanticipated tax liabilities; the effects of a natural disaster or other catastrophic event beyond our control that results in the destruction; or disruption of any of our critical business or information technology systems. Any of these factors could cause the actual results to differ materially from the guidance given at this time. MedAvant refers you to the cautionary statements and risk factors set forth in the documents MedAvant files from time to time with the Securities and Exchange Commission, particularly MedAvant's form 10-K/A for the year ended December 31, 2005 and MedAvant's form 10-Q for the quarter ended June 30, 2006.

MedAvant does not assume any obligation to update information contained in this document. Although this release may remain available on MedAvant's website or elsewhere, its continued availability does not indicate that MedAvant is reaffirming or confirming any of the information contained therein.
