**PROXY STATEMENT**

**FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 24, 2007**

We are sending this Proxy Statement to the shareholders of Intelligent Systems Corporation (the company) in connection with the solicitation of proxies by the Board of Directors to be voted at the 2007 Annual Meeting of Shareholders (the Annual Meeting) of Intelligent Systems Corporation and any adjournment thereof. The Annual Meeting will be held on May 24, 2007 at our corporate offices located at 4355 Shackleford Road, Norcross, Georgia 30093 at 4:00 p.m. local time. We expect to first mail this Proxy Statement and the accompanying proxy to shareholders on or about April 13, 2007.

**VOTING**

**General**

The securities that can be voted at the Annual Meeting consist of common stock of Intelligent Systems Corporation, \$.01 par value per share. Each share entitles its owner to one vote on each matter submitted to the shareholders. There are no cumulative voting rights. The record of shareholders entitled to vote at the Annual Meeting was taken as of the close of business on Friday, April 6, 2007. On that date, we had outstanding and entitled to vote 4,478,971 shares of common stock with each share entitled to one vote.

**Quorum**

A majority of the outstanding shares of our common stock must be present, in person or by proxy, to constitute a quorum at the Annual Meeting. We will treat shares that are withheld or abstain from voting as present at the Annual Meeting for purposes of determining a quorum. If a broker, bank, custodian, nominee or other record holder of our common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, the shares held by that record holder (referred to as broker non-votes) will also be counted as present in determining whether we have a quorum.

**Proxies**

At the Annual Meeting, the persons named as proxies will vote all properly executed proxy cards delivered in connection with this solicitation and not revoked in accordance with the directions given. Shareholders should specify their choices with regard to the proposal to be voted upon on the accompanying proxy card. **If no specific instructions are given with regard to the matter to be voted upon, then the shares represented by a signed proxy card will be voted FOR the election of the director nominee.** If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment. Some of our shareholders hold their shares through a broker, bank, custodian or other nominee, rather than directly in their own name. This is commonly referred to as holding shares in street name. If you hold shares in street name, these proxy materials are being forwarded to you by your broker, bank, custodian or other nominee, which is considered, with respect to such shares, to be the shareholder of record. As the beneficial owner of shares held in street name, you have the right to direct the nominee how such shares should be voted. You also have the right to attend the Annual Meeting. However, since you are not the shareholder of record, you must first obtain a signed proxy from the shareholder of record giving you the right to vote the shares at the Annual Meeting. Your broker, bank, custodian or other nominee has enclosed or provided you a voting instruction card for you to use in directing the nominee how to vote your shares or obtain a proxy from the nominee.

You may revoke your proxy card in connection with this solicitation at any time prior to voting at the Annual Meeting by:

- giving written notice to the Secretary of the company at 4355 Shackleford Road, Norcross, Georgia 30093, for shareholders of record, or
- executing and delivering to the Secretary a later dated proxy or
- voting in person at the Annual Meeting.

You cannot revoke your proxy or voting instructions as to any matter upon which, prior to such revocation, a vote has been cast in accordance with the authority conferred by such proxy or voting instructions.

**Table of Contents**

We will pay all expenses incurred in connection with the solicitation of proxies. Such costs include charges by brokers, fiduciaries and custodians for forwarding proxy materials to beneficial owners of stock held in their names. We may solicit proxies by mail, telephone and personal contact by directors, officers, and employees of the company without additional compensation.

**Dissenters Rights of Appraisal**

There are no dissenter s rights of appraisal with respect to the matter being acted upon at the Annual Meeting.

**Security Ownership of Certain Beneficial Owners and Management**

The following table contains information concerning the only persons who are known to us to be beneficial owners of more than 5 percent of our common stock as of February 28, 2007, and the ownership of our common stock as of that date by each director, each executive officer named in the Summary Compensation Table and by all directors and officers as a group. #### **PROPOSAL 1 THE ELECTION OF ONE DIRECTOR**

##### **Nominee**

At the Annual Meeting of Shareholders, shareholders will elect one director to the Board of Directors to serve a three-year term until the 2010 Annual Meeting of Shareholders. The other directors' terms expire at the Annual Meeting of Shareholders listed in the following table for each category of directors, or until their earlier death, resignation or removal from office. Directors are elected by a plurality of the shares present and voting at the meeting. A plurality means that the individuals who receive the largest number of

votes cast are elected as director up to the maximum number of directors to be chosen at the meeting. Therefore, shares that are withheld or abstain from voting and broker non-votes will have no effect on the outcome of the vote. Unless contrary instructions are given, the persons named as proxies will vote the shares represented by a signed proxy card FOR the nominee.

If the nominee withdraws for any reason or is not able to serve as a director, the proxy will be voted for another person designated by the Board of Directors as substitute nominee, but in no event will the proxy be voted for more than one nominee. The Board of Directors has no reason to believe that the nominee will not serve if elected.

The Board of Directors has nominated the person named in the following table to serve as a director of the company. The nominee is currently a director of the company. The nominee and other directors gave us the following information concerning their current age, other directorships, positions with the company, principal employment and shares of our common stock beneficially owned as of February 28, 2007.

The Board of Directors recommends that shareholders vote FOR the proposal to elect one nominee listed below as director of the company.

**Table of Contents**

There are no family relationships among any of the company's directors and executive officers.

There have been no events under any bankruptcy act, no criminal proceedings and no judgments or injunctions material to an evaluation of the ability and integrity of any director, executive officer or control person of the company during the past five years. There are no proceedings to which any director, officer, affiliate, any owner of record or beneficially of more than 5 percent of our common stock, or any security holder of the company is an adverse party to the company or has a material interest adverse to the company.

**Meetings and Committees of the Board of Directors**

The Board of Directors met five times during the year ended December 31, 2006 and acted by unanimous consent on two occasions. The Board of Directors has established an audit committee, a compensation committee, and a plan committee, but has no nominating committee. The Audit Committee of the Board of Directors met four times during 2006. During 2006, the Audit Committee consisted of Messrs. Peatman and Petit. In 2006, the Audit Committee appointed the company's independent auditor, met with the independent auditor to review its report on the 2005 audit and the 2006 quarterly reviews, and carried out a number of other responsibilities, as outlined in the Amended Audit Committee Charter.

Each of the members of the Audit Committee is independent, as such term is defined in the listing standards of the AMEX and the rules of the SEC, and the Audit Committee meets the composition requirements of AMEX's listing standards for Small Business Issuers (as defined by the rules of AMEX). The Board of Directors has determined that Mr. Petit is an audit committee financial expert as defined by the rules of the SEC, and is financially sophisticated as defined in the listing standards of AMEX. The Board of Directors based this determination, in part, on Mr. Petit's experience in actively supervising senior financial and accounting personnel and in overseeing the preparation of financial statements as the Chief Executive Officer and Chairman of a publicly-traded company. The publicly traded companies with which Mr. Petit is associated are larger and more complex than is the company.

The Board has a Compensation Committee consisting of the three independent directors, Messrs. Napier, Petit and Peatman. The Compensation Committee met once during 2006. The Compensation Committee reviews, makes recommendations and approves the appropriate compensation level for the officers of the company and any changes in the company's various benefit plans covering executive officers or directors. The Compensation Committee does not have a charter. In performing its work, the Compensation Committee has not relied on compensation consultants. From time to time, the Compensation Committee has sought input from publicly available data compiled by executive officers of the company relating to compensation paid to executive officers and directors in similar size, publicly traded companies in the same geographic area as the company is located. The Compensation Committee has also solicited input from the CEO with respect to compensation of non-CEO executive officers.

The Plan Committee, which did not meet in 2006, is responsible for administering the 2003 Stock Incentive Plan including selecting individuals who will receive stock option grants and determining the timing, pricing and amounts of the options granted. The Plan Committee has the same members as the Compensation Committee.

All directors attended all of the meetings of the Committees of the Board on which they serve and at least 80 percent of the meetings of the Board of Directors.

The company does not currently have a standing nominating committee. Please see "Nominations Process" below for information regarding the company's policies and procedures for director nominations.

Bonnie L. Herron	35,000	- 0 -	\$ 1.51	3/4/2013

All stock options shown above were issued on March 3, 2003 and vested in one third increments on the first, second and third anniversaries of the grant date. There were no options granted to officers in the three years ended December 31, 2006. The company does not have any Stock Award Plans.

The company does not have any plans for executive officers that provide for the payment of retirement benefits. Effective January 1, 1992, the company adopted the Change in Control Plan for Officers so that if control of the company changes in the future, management would be free to act on behalf of the company and its shareholders without undue concern for the possible loss of future compensation. A change in control means either: (i) the accumulation by an unrelated person of beneficial ownership of more than 25 percent of the company's common stock, (ii) the sale of all or substantially all of the company's assets to an unrelated person, in a merger or otherwise, or (iii) a change of control within the meaning of any rules promulgated by the Securities and Exchange Commission. Under the Change in Control Plan, if the employment of an officer of the company terminates for any reason within 12 months after a change in control, the officer would receive a lump sum cash payment in an amount equal to twice the total of (i) such officer's base annual salary at the time of termination, (ii) the cash value of annual benefits, and (iii) such officer's bonus for the most recent year, if any. Additionally, upon a change in control, all options shall vest and the exercise period for all options becomes the longer of (i) one year after the date of termination or (ii) the exercise period specified in the officer's option agreement. The right to such benefits would lapse one year after the occurrence of the last change in control event to occur if there were no actual termination during that period. The named executive officers have been designated by the Board as participants in the Change in Control Plan. No amounts have been accrued or paid to any executive officer pursuant to the Change in Control Plan and there is no arrangement presently that would result in a change in control.

**Director Compensation**

The table below sets forth all compensation paid to non-executive directors in the year ended December 31, 2006. The company does not have a stock award plan or non-equity incentive plan for directors. The company has a Non-Employee Director Stock Option Plan (described below) but no stock option grants were made pursuant to such plan during 2006.

**Director Compensation**

Name	Fees Earned or	Option Awards	All Other	Total
	Paid in Cash \$	(1.) \$	Compensation \$	\$
James Napier	16,000			16,000
John Peatman	16,000			16,000

Parker Petit	16,000	16,000

1. At December 31, 2006, each non-executive director has an aggregate of 25,000 stock options outstanding, of which 23,000 are fully vested and exercisable.

All non-employee directors have the same compensation plan. Non-employee directors earn \$8,000 per year plus a fee of \$2,000 per meeting of the Board of Directors. There is no additional compensation for serving on a committee of the Board of Directors. Total compensation is capped at \$16,000 annually. Effective January 1, 1992, the company adopted the Outside Directors Retirement Plan which provides for each non-employee director, upon resignation from the Board after reaching the age of 65, to receive a lump sum

cash payment equal to \$5,000 for each full year of service as a director of the company (and its predecessors and successors) up to \$50,000. No amounts were paid to any director with respect to the Outside Directors Retirement Plan in 2006. At December 31, 2006, we have accrued \$145,000 for future payments under the Outside Directors Retirement Plan. Effective August 22, 2000, the company adopted the Non-Employee Director Stock Option Plan which provides for an initial grant to each director of 5,000 options to purchase common stock of the company and annual grants of 4,000 options on the date of each subsequent Annual Meeting. Options are granted at fair market value on the date of grant. In 2006, each director declined the annual grant of 4,000 shares in consideration of the company's failure to meet the continued listings standards of the American Stock Exchange.

***Audit Committee Report***

In March 2004, the Board of Directors amended the company's Audit Committee Charter. The Audit Committee Charter includes organization and membership requirements, a statement of policy and the Committee's authority and responsibilities. All members of the Audit Committee currently meet the independence and qualification standards set forth in the AMEX listing standards.

Management is responsible for our company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the company's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and for issuing a report thereon. As outlined in more detail in the Audit Committee Charter, the Audit Committee's responsibility is generally to approve all services provided by and compensation paid to the independent auditors; review the adequacy of the company's internal and disclosure controls and risk management practices; review and monitor the annual audit of the financial statements including the financial statements produced and notes thereto; review SEC filings containing the company's financial statements; regularly meet with the independent auditors and management in separate sessions; and authorize investigations into any matter within the scope of their responsibilities. During fiscal year 2006 and through March 31, 2007, among its other activities, the Audit Committee:

- engaged the independent auditors and established their compensation;
- reviewed and discussed with management and the independent auditors the audited financial statements of the company as of December 31, 2005 and 2006 and for the years then ended;
- discussed with the independent auditors their reviews of the quarterly unaudited financial statements of the company for fiscal 2006;
- discussed with the independent auditors the matters required to be discussed by PCAOB standards (SAS No. s 61, 89 and 90); and
- received from the independent auditors the written disclosures and written affirmation of their independence required by Independence Standards Board Standard No. 1 and discussed with the auditors the firm's independence.

Based upon the reviews and discussions summarized above, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

**AUDIT COMMITTEE**

Parker H. Petit (Chair)

John B. Peatman

***Nominations Process***

The Board of Directors has not appointed a standing nominating committee or adopted a formal nominating committee charter because the Board of Directors has determined that due to the size, make-up, independence, long tenure and low turnover of the current Board of Directors, there would be limited benefit to the company or its shareholders to do so. Currently, James V. Napier, Parker H. Petit and John B. Peatman, all of whom meet the applicable AMEX independence requirements, participate in the consideration of director nominees. They met once during 2006. Messrs. Napier, Petit and Peatman also nominate the officers of the company for election by the Board of Directors.

## **Table of Contents**

The Board of Directors has not previously formed a policy with respect to consideration of candidates nominated by shareholders since there have been no such nominations. However, it is the Board's intent to consider any security holder nominees that may be properly and timely put forth in the future. The Board has not identified any specific, minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate size of the Board and the appropriate skills and characteristics of directors in the context of the current make-up of the Board and the requirements and needs of the company at a given time. Given the current composition, stability and size of the Board of Directors and the company and the fact that the director nominee is standing for re-election, the Board has not considered other candidates for election at the upcoming Annual Meeting of Shareholders. There is one vacancy on the Board of Directors at the present time due to the retirement of a director in 2003. The Board has not presently named a nominee for the vacant seat because it has decided that the size of the Board is appropriate at the present time, but it may do so in the future. Security holders wishing to nominate a candidate for consideration at the Annual Meeting of Shareholders in 2008 should submit the nominee's name, affiliation and other pertinent information along with a statement as to why such person should be considered for nomination. Such nominations should be addressed to the Board of Directors in care of the Secretary of the company and be received no later than 120 days before the date of the Annual Meeting of Shareholders. The Board will evaluate any such nominees in a manner similar to that for all director nominees.

### ***Communication Between Security Holders and the Board of Directors***

Security holders wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors identified by the security holder or, if no individual director is identified, to all members of the Board of Directors. The company has not in the past required members of the Board of Directors to attend each Annual Meeting of Shareholders because the formal meetings have been attended by very few shareholders, and have generally been very brief and procedural in nature. One of the company's directors attended the 2006 Annual Meeting of Shareholders. The board will continue to monitor shareholder interest and attendance at future meetings and reevaluate this policy as appropriate.

### **CODE OF ETHICS**

The company has adopted a Code of Ethics that applies to all directors, officers, and employees. The Code of Ethics is posted on our website at [www.intelsys.com](http://www.intelsys.com). The company discloses on its website, within the time required by the rules of the SEC, any waivers of, or amendments to, the Code of Ethics for the benefit of an executive officer.

### **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, and regulations of the Securities and Exchange Commission thereunder require our executive officers and directors and persons who own more than ten percent of our common stock, as well as certain affiliates of these persons, to file initial reports of ownership of our common stock and changes in such ownership with the Securities and Exchange Commission. The Securities and Exchange Commission also requires executive officers, directors and persons owning more than ten percent of our common stock to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us, we believe that, during the fiscal year ended December 31, 2006, the executive officers, directors, and persons owning more than ten percent of our common stock and affiliates of these persons have complied with all applicable filing requirements in a timely manner.

They will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions. The Audit Committee has not yet selected auditors for the current fiscal year ending December 31, 2007 because historically this decision is made in the second half of the year. **Audit-Related Fees** - These fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our Financial Statements and are not reported under **Audit Fees** . There were no such fees billed in the two years ended December 31, 2006.

**Fees for Tax Services** - We did not incur any fees for tax services by our independent auditors during the two years ended December 31, 2006.

**All Other Fees** - Tauber & Balsler billed us \$10,925 and \$1,942 for other services related to reviewing certain transactions involving the company during the years ended December 31, 2006 and 2005, respectively.

All such services were pre-approved by the Audit Committee in the two years ended December 31, 2006.

**SHAREHOLDERS PROPOSALS FOR ANNUAL MEETING IN 2008**

Shareholders who wish to submit a proposal for inclusion in our proxy statement for the 2008 Annual Meeting of Shareholders must submit such proposals so that they are received by the company no later than December 14, 2007. Such proposals must comply with Exchange Act Rule 14a-8 and all other applicable proxy rules and requirements contained in our bylaws relating to shareholder proposals to be included in our proxy materials. Shareholders intending to present proposals at the Annual Meeting of Shareholders in 2007 but who do not wish to submit the proposal for inclusion in our proxy statement pursuant to Rule 14a-8 should submit these proposals to the Secretary of the company by certified mail, return receipt requested, at our offices in Norcross, Georgia on or before December 14, 2007. Our bylaws contain an advance notice provision that states that, among other things, in order for business to be brought properly before an annual meeting of shareholders by a shareholder, the shareholder must have given timely notice of the business in writing to the Secretary of the company. To be timely under the Bylaws, a shareholder's notice must be received at our principal offices by December 14, 2007.
