ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.**

Meetings and Committees of the Board

The Board of Directors held four meetings in 2002. Each director attended at least 75% of the meetings of the board and meetings of the committees of the board on which each director served, except for Mrs. Bailey who attended only two meetings of the board due to the fact that she was not elected to the board until July 2002. The Audit Committee reviews and reports to the Board of Directors on the scope and results of audits by the company's independent auditors and recommends a firm of certified independent public accountants to serve as the company's independent auditors, subject to nomination by the Board of Directors. The Audit Committee also discusses with the company's independent auditors the matters required to be discussed by auditing standards and reviews the independence of the auditors. Membership on the Audit Committee is restricted to directors who are independent of management and free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment as a committee. The Audit Committee had nine meetings in 2002.

The Compensation and Organization Committee consists of Messrs. Wendt, Summers and Soderberg. The Compensation and Organization Committee makes recommendations to the Board of Directors with respect to the company's general and specific compensation policies and administers the company's 1997 and 1998 stock option plans, the company's non-employee director stock incentive plan and the 2002 restricted stock plan. The Compensation and Organization Committee had four meetings in 2002.

The Corporate Governance and Nominating Committee was established in February 2003. The committee consists of Messrs. Soderberg and Wendt and Mrs. Bailey. Each director who is not a full-time employee of the company or any of its affiliates is paid a \$10,000 annual retainer. Non-employee directors also receive a (a) \$3,000 fee for attendance in person at meetings of the Board

Benefits under the plan are granted as options to purchase shares of the company's common stock or retainer stock awards. Retainer stock awards are stock awards granted to the director at his or her request in lieu of receiving all or a portion of the annual cash retainer described above. On the effective date of the plan and the date that an individual first becomes a non-employee director, each such director is automatically granted an option to purchase 5,000 shares of the company's common stock. Employment Agreements

On July 9, 1997, the company entered into an employment agreement with Mr. Voboril, the company's Chairman of the Board, President and Chief Executive Officer. This agreement expired on June 30, 2001 but automatically extends for additional one-year periods until the company or Mr. Voboril gives notice to terminate not less than twelve months prior to the proposed termination date. The company currently pays Mr. Voboril \$355,000 annually. The Compensation and Organization Committee and the Board of Directors has the right to increase Mr. Voboril's salary. Under this agreement, Mr. Voboril is entitled to receive a bonus equal to 100% of his current base salary if the company achieves financial targets set by the Board of Directors and reflected in the company's annual budget.

If the company terminates Mr. Voboril's employment without cause or if Mr. Voboril terminates his employment for good reason, as such terms are defined in the agreement, the company has agreed to pay to Mr. Voboril the greater of \$285,000 or his current annual base salary and a bonus for the year of termination equal to a percentage of his base salary. If the company terminates his employment without cause within six months before, or twelve months after, a change of control of the company, as that term is defined in the agreement, the company will pay Mr. Voboril an amount equal to his current annual salary and a bonus equal to 100% of his current base salary. In addition, all performance stock options held by Mr. Voboril will automatically vest and he will have the right to exercise all unexercised options.

If the company terminates Mr. Voboril's employment for cause, as that term is defined in the agreement, or if Mr. Voboril terminates his employment without good reason, the company will pay him his accrued base salary and other compensation that has accrued as of the termination date. However, the company will not pay Mr. Voboril an annual bonus if the company terminates his employment with cause, and any stock options granted to Mr. Voboril that have not vested will be forfeited and canceled. If the company terminates Mr. Voboril's employment for cause, the company may, at its election, purchase all of his shares and vested stock options at the lesser of the shares' cost or fair market value. So long as Mr. Voboril's employment is not terminated without cause, he has agreed not to solicit any of the company's employees or to compete, directly or indirectly, with the company during his employment and for two years after his employment ends.

Mr. Reinhold accepted employment with the company pursuant to the terms of an offer of employment letter, dated May 29, 2002, as amended. Under the terms of the offer letter, Mr. Reinhold receives an annual salary of \$275,000, and is entitled to one year of severance payments if his employment is involuntarily

terminated by the company or voluntarily terminated by him for good reason, as that term is defined in the change of control agreement between the company and Mr. Reinhold, excluding those provisions of the definition requiring a change of control event. The terms of this change of control agreement are described under the heading "Change of Control Agreements" in this proxy statement.

Mr. Almeida accepted employment with the company pursuant to the terms of an offer of employment letter dated November 27, 2002. Under the terms of the offer letter, Mr. Almeida receives an annual salary of \$300,000, and is entitled to one year of severance payments if his employment is involuntarily terminated by the company. The company is not required to make these severance payments if Mr. Almeida voluntarily terminates his employment, voluntarily retires, is discharged for cause or if his employment terminates due to his disability or death.

The company has not entered into employment agreements with its other Named Executive Officers.

Change of Control Agreements

The company has entered into change of control agreements with Messrs. Voboril, Reinhold, Almeida, DeAngelo, Brinkerhoff, Dr. Holmes and certain other officers of the company. These agreements provide for the continued employment of the executive for a period of two years following a change of control of the company, as that term is defined in the agreement. During this two year period, the executive would continue to be employed and compensated commensurate with his or her position and compensation prior to the change of control. The agreement terminates (i) upon the executive's death or disability, (ii) for cause or (iii) by election of the executive for good reason, as such terms are defined in the agreement.

If the company terminates the agreement other than for death, disability or cause, or the executive terminates the agreement for good reason after a change of control, then the executive will be paid an amount equal to (i) two times his or her highest annual salary for the three year period prior to the date of termination, (ii) the average annualized bonus paid to the executive during the three year period prior to the date of termination, (iii) two times the company's total contributions to the company's retirement plan with respect to the executive for the year preceding the termination, (iv) that portion, if any, of the company's contribution to the executive's 401(k), savings or other similar individual account plan that is not vested as of the date of termination, plus an amount that, when added to this unvested contribution, would be sufficient after applicable taxes to enable the executive to net an amount equal to this unvested contribution and (v) \$25,000 for outplacement services utilized by the executive. Moreover, all unvested stock options, stock appreciation rights and restricted stock held by the executive pursuant to any company stock plan, will immediately become fully vested and exercisable. The executive and his or her family are also entitled to continued coverage under the company's medical and other benefits plans for a period of two years on the same terms upon which such coverage was provided prior to such termination. The company will also make any additional tax gross-up payment to the executive as may be necessary to reimburse the executive for any federal or state excise tax liability with respect to any severance payment, other benefit or tax gross-up payment made under the change of control agreement.

Stock Plans

The company has two stock option plans that provide for the issuance of nonqualified and incentive stock options to its key employees and key employees of its subsidiaries. The terms of the company's 1997 stock option plan and 1998 stock option plan are substantially the same and both plans are administered by the company's Compensation and Organization Committee. The 1997 stock option plan authorizes the issuance of options to acquire up to 480,000 shares of common stock and the 1998 stock option plan authorizes the issuance of options to acquire up to 1,220,000 shares of common stock. Options granted under the 1997 and 1998 stock option plans generally vest over a three to five year period and the vesting period can be accelerated depending upon the achievement by the company of performance standards, including earnings targets. Options expire ten years from the date of the grant. Options are granted with exercise prices equal to the fair market value of the common stock on the date of the grant. Options generally are non-transferable, other than by will or the laws of descent and distribution and are exercisable only by the grantee while the grantee is alive. Both of the stock option plans contain a change in control provision. If a change in control of the company occurs, at the discretion of the

company's Compensation and Organization Committee, each option granted under the stock option plans may be terminated. If this occurs, the company must pay each optionholder an amount equal to the difference between the fair market value of each share and the exercise price per share. This amount would be payable upon the closing of a transaction that results in a change in control.

Incentive Compensation Plans

The company sponsors various incentive compensation programs, which provide for the payment of cash to key employees based upon achievement of specific earnings goals before incentive compensation expense.

Employee Stock Ownership Plan

The company sponsors an employee stock ownership plan, or ESOP, and related trust as a long-term benefit for substantially all of the company's employees, including the company's executive officers. There are two components to contributions under the ESOP. The first component is a defined contribution pension plan whose annual contribution equals 5% of each employee's compensation. Contributions to the ESOP are in the form of the company's common stock. The second component is a discretionary profit sharing contribution determined by the Board of Directors. This profit sharing contribution is also contributed to the ESOP in the form of shares of the company's common stock. The ESOP is subject to contribution limitations and vesting requirements.

COMPENSATION AND ORGANIZATION COMMITTEE REPORT

Overview. The Compensation and Organization Committee is comprised solely of directors who are not current or former employees of the company. In 2002, the Compensation and Organization Committee consisted of Messrs. Wendt, Summers and Soderberg. The Compensation and Organization Committee is responsible for establishing the compensation policies and administering the compensation programs for the company's executive officers.

Compensation and Organization Committee Objectives. The primary purpose of the Compensation and Organization Committee is to establish the company's executive and director compensation philosophy that will attract, retain and motivate superior executives and ensure that senior executives and directors of the company and its wholly-owned subsidiaries are compensated appropriately in a manner consistent with the compensation philosophy, internal equity considerations, competitive practice and the requirements of the appropriate regulatory bodies. In addition, the Compensation and Organization Committee is responsible for oversight and review of the reporting relationships of the senior executive staff, the quality of the executive team and the process of succession planning and management development within the company.

The executive compensation program is generally composed of base salary, discretionary performance bonus, and long-term incentives in the form of stock options and restricted stock awards. The compensation program also includes various benefits, including a deferred compensation program for some executives, as well as health insurance plans and programs, pension and profit sharing plans, that are also available to all of the company's full-time associates.

Base Salary. The Compensation and Organization Committee annually reviews and approves the base salaries of executive officers, taking into consideration individual performance, retention, the level of responsibility, the scope and complexity of the position, and competitive practices.

Incentive Compensation. The company maintains a cash based key management incentive plan that includes a number of key company managers who receive annual incentive compensation based upon targeted financial performance goals and the achievement of these goals by the company. The range of these incentives varies depending upon the level of the manager and his/her ability to impact the company's performance, as well as the level of achievement of those financial goals by the company.

Stock Plans. The company has several stock option grant programs including company performance based vesting and long-term incentive plan vesting. The company also has a restricted stock plan, which is subject to stockholder approval as discussed below, for some executives that is also based on company performance vesting. These stock-option programs are used as both a recruiting tool for key managers, as well as a retention tool for executive officers. Performance-based options are tied to the company's financial performance goals and the achievement of those goals by the company. Long term incentive plan options are tied to executive officer retention periods with the company. The Compensation and Organization Committee approved, and recommended to the board for adoption, the company's 2002 restricted stock plan which is being submitted for stockholder approval at the company's 2003 Annual Meeting.

Compensation of the Chairman of the Board, President and Chief Executive Officer. Compensation of the company's Chairman of the Board, President and Chief Executive Officer, Edward F. Voboril, is determined pursuant to his employment agreement. Under the employment agreement, the company currently pays Mr. Voboril \$355,000 annually. The Compensation and Organization Committee and the Board of Directors have the right to increase his salary. Under the employment agreement, Mr. Voboril is entitled to a bonus equal to 100% of his current base salary if the company achieves financial targets set by the Board of Directors and reflected in the company's annual budget. In determining the level of base salary and bonus to be paid to Mr. Voboril in 2002, the Compensation and Organization Committee considered both the value of Mr. Voboril to the company and pay practices for comparable performance in the industry. For 2002, Mr. Voboril's base salary was increased to \$355,000 from \$340,000. Mr. Voboril earned total bonuses in 2002 of \$100,000 which were paid in 2003. The bonus is attributable to the company's achieving financial targets set by the Board of Directors and reflected in the company's annual budget during 2002 and Mr. Voboril's integral role in bringing about these results.

Stock Subject to the Plan. Subject to adjustment pursuant to the terms of the plan, 200,000 shares of stock are reserved and subject to issuance under the plan. At no time may the company have outstanding awards of common stock in excess of this maximum number of shares. To the extent permitted by law, the shares of stock attributable to the nonvested or otherwise unsettled portion of any award that is forfeited, canceled, expires or terminates for any reason without becoming vested or otherwise settled in full becomes available again for purposes of the plan.

Administration of the Plan. Subject to law and applicable listing standards, the Compensation and Organization Committee of the board administers the plan. The committee must consist of two or more directors of the company, all of whom must qualify as non-employee directors within the meaning of Rule 16b-3 of the Exchange Act. To the extent the board considers it desirable for compensation delivered pursuant to awards to be eligible to qualify for an exemption from the limit on tax deductibility of compensation under Section 162(m) of the Internal Revenue Code, or the Code, the committee must consist of two or more directors of the company, all of whom must qualify as outside directors within the meaning of Section 162(m) of the Code.

Powers of the Committee. Subject to the terms of the plan, the committee has full and final authority and sole discretion to (i) determine when and to whom and in what types and amounts awards should be granted and the terms and conditions applicable to each award, (ii) construe and interpret the plan and to make all determinations necessary or advisable for the administration of the plan, (iii) make, amend and rescind rules relating to the plan, (iv) determine the terms and conditions of all award agreements and, with the consent of the participant under certain circumstances, to amend any such award agreement at any time, (v) make such adjustments or modifications to awards to participants who are working outside the United States as are advisable to fulfill the purposes of the plan or to comply with applicable local law, and to authorize foreign subsidiaries to adopt their own plans, (vi) delegate to any member of the board or management of the company the power to recommend the grant of awards to specified categories of employees or management, provided that no such grants may be made to individuals who are then subject to Section 16 of the Exchange Act or who are considered to be a covered employee within the meaning of Section 162(m) of the Code, (vii) delegate to officers, employees or independent contractors of the company matters involving the routine administration of the plan and which are not specifically required by any provision of the plan to be performed by the committee, (viii) delegate its duties and responsibilities under the plan with respect to foreign subsidiary plans, except its duties and responsibilities with respect to individuals who are subject to Section 16 of the Exchange Act and (a) the acts of such delegates must be treated as acts of the committee and (b) such delegates must report to the committee regarding the delegated duties and responsibilities and (ix) take any other action with respect to any matters relating to the plan which it deems necessary or advisable.

Eligibility and Limits. Participants in the plan are selected by the committee. No participant may be granted awards that, in the aggregate, exceed 25,000 shares of stock in the calendar year of adoption of the plan by the board. Thereafter, in subsequent calendar years, no participant may be granted awards that, in the aggregate, exceed 5,000 shares of stock. No award may be granted on or after the earlier of the tenth anniversary of the date the plan is adopted or the date the plan is approved by the company's stockholders.

Terms and Conditions of Awards. The number of shares of stock that may be granted is determined by the committee in its sole discretion, subject to the terms of the plan regarding the total number of shares available for grants under the plan. Each award is evidenced by an award agreement in such form as the committee deems appropriate, subject to the terms of the plan. The date an award is granted is the date on which the committee has approved the terms and conditions of the applicable award agreement and has determined the recipient of the award and the number of shares covered by the award. The committee may provide in any award agreement a vesting schedule which must specify when awards become vested. Awards are not transferable or assignable except by will or by the laws of descent and distribution. Awards must include any restrictions required under applicable state and federal securities law. The stock certificate for any award must bear evidence of any restrictions or conditions on such award. The committee may require a cash payment from the participant in an amount no greater than the aggregate par value of the shares of restricted stock awarded as determined at the date of grant in exchange for the grant of an award.

Vesting. Restricted stock awarded under the plan vests pursuant to the terms of each individual award agreement. Vesting of the restricted stock is either time-vested or performance-vested. Time-vested restricted stock vests 50% on the first anniversary of the date of the award and 50% on the second anniversary of the date of the award. Performance-vested restricted stock vests on the earlier to occur of (a) the date of the company's filing with the SEC of the company's audited financial statements relating to the first year in which the company's diluted earnings per share exceeds \$2.00 per share or (b) the seventh anniversary of the date of the award.

Treatment of Awards Upon Termination of Employment. Any award to a participant whose employment is terminated may be canceled or accelerated, as provided in the applicable award agreement or, in the absence of an applicable provision in such agreement, as the committee may determine.

Change in Control. Except as otherwise provided in an award agreement, if a change in control, as that term is defined in the plan, occurs, then the participant's restricted stock that was forfeitable, will become vested.

Escrow of Shares. Any certificates representing the shares of stock issued under the plan are issued in the participant's name, but, if the applicable award agreement so provides, the shares of stock will be held by a custodian designated by the committee, that may be a company employee. Each award agreement providing for transfer of shares of stock to a custodian must appoint the custodian as the attorney-in-fact for the participant for the term specified in the applicable award agreement, with full power and authority in the participant's name, place and stead to transfer, assign and convey to the company any shares of stock held by the custodian for such participant if the participant forfeits the shares under the terms of the award agreement. During the period that the custodian holds the shares, the participant is entitled to all rights, except as provided in the award agreement, applicable to shares of stock not so held. Any dividends declared on shares of stock held by the custodian will, as the committee may provide in the award agreement, be paid directly to the participant.

Restrictions on Transfer. Until vested, a participant does not have the right to make or permit to exist any disposition of the shares of restricted stock issued pursuant to the plan. The company will not recognize, or have the duty to recognize, any disposition not made in accordance with the plan.

Withholding of Taxes. Upon the vesting of any award, or, if the participant makes an election under Section 83(b) of the Code, the company will have the right to require the recipient to remit to the company an amount sufficient to satisfy any federal, state and local withholding tax requirements prior to the delivery of any certificate or certificates for such shares or the vesting of such award. A participant may pay the withholding tax in cash, or, if the applicable award agreement provides, a participant may also elect to have the number of shares of stock the participant is to receive reduced by, or with respect to an award, tender back to the company, the smallest number of whole shares of stock which, when multiplied by the fair market value of the shares as determined pursuant to the terms of the plan, is sufficient to satisfy federal, state and local, if any, withholding

taxes arising from exercise or payment of an award. A participant may make such a withholding election only if both (i) the withholding election must be made on or prior to the date on which the amount of tax required to be withheld is determined by executing and delivering to the company a properly completed notice of withholding election as prescribed by the committee and (ii) any withholding election made will be irrevocable; provided, however, that the committee may in its sole discretion disapprove and give no effect to the withholding election.

Changes in Capitalization, Merger or Liquidation. The number of shares of stock reserved for the grant of awards and the number of shares of restricted stock outstanding must be proportionately adjusted for any increase or decrease in the number of issued shares of stock resulting from a subdivision or combination of shares or the payment of a stock dividend in shares of stock to holders of outstanding shares of stock or any other increase or decrease in the number of shares of stock outstanding effected without receipt of consideration by the company. In the event of a merger, consolidation or other reorganization of the company or tender offer for shares of stock, the committee may make such adjustments with respect to awards and take such other action as it deems necessary or appropriate to reflect or in anticipation of such merger, consolidation, reorganization or tender offer, including, without limitation, the substitution of new awards, the termination or adjustment of outstanding awards, the acceleration of awards or the removal of restrictions on outstanding awards. Any such adjustment may provide, in the committee's discretion, for the elimination without payment therefor of any fractional shares that might otherwise become subject to any award. The existence of the plan and the awards granted pursuant to the plan will not affect in any way the right or power of the company to make or authorize any adjustment, reclassification, reorganization or other change in its capital or business structure, any merger or consolidation of the company, any issue of debt or equity securities having preferences or priorities as to the stock or the rights thereof, the dissolution or liquidation of the company, any sale or transfer of all or any part of its business or assets or any other corporate act or proceeding.

Restrictions on Delivery and Sale of Shares, Legends. Each award is subject to the condition that if at any time the committee, in its discretion, determines that the listing, registration or qualification of the shares covered by such award upon any securities exchange or under any state or federal law is necessary or desirable as a condition of or in connection with the granting of such award or the purchase or delivery of shares thereunder, the delivery of any or all shares pursuant to such award may be withheld unless and until such listing, registration or qualification is effected. If a registration statement is not in effect under the Securities Act or any applicable state securities laws with respect to the shares of stock purchasable or otherwise deliverable under awards then outstanding, the committee may require, as a condition to the delivery of any shares pursuant to an award, that the participant or other recipient of an award represent, agree in writing that the shares received pursuant to the award are being acquired for investment and not with a view to distribution and that shares will not be disposed of except pursuant to an effective registration statement, unless the company receives an opinion of counsel that such disposition is exempt from such requirement under the Securities Act and any applicable state securities laws. The company may include on certificates representing shares delivered pursuant to an award such legends referring to the foregoing representations or restrictions or any other applicable restrictions on resale as the company, in its discretion, deems appropriate. The shares awarded under the plan will be registered under the Securities Act pursuant to a Registration Statement on Form S-8 to be filed by the company if the plan is approved by the company's shareholders.

Certain Federal Income Tax Consequences. The following is a brief and general summary of some United States federal income tax consequences applicable to the plan. The summary does not reflect any provisions of the income tax laws of any state, local or foreign taxing jurisdiction. Because the tax consequences of events and transactions under the plan depend upon various factors, including an individual's own tax status, each participant who receives an award under the plan should consult a tax advisor.

A participant will not recognize any income upon the award of restricted stock unless the participant makes an election under Section 83(b) of the Code in respect of such award, as described below. Unless a participant has made such an election, any dividends received by the participant prior to satisfaction of the terms and conditions applicable to the restricted stock will be treated as compensation taxable as ordinary income and the company will generally receive a corresponding deduction for compensation paid. If the participant has made an election under Section 83(b) of the Code in respect of the restricted stock, any dividends received by the participant in

respect of such award will be treated as a dividend taxable as ordinary income, and the company will not be entitled to a deduction in respect of any such dividend payment.

Unless the participant has made an election under Section 83(b) of the Code described below, at the time the terms and conditions applicable to the restricted stock are satisfied, a participant will recognize compensation taxable as ordinary income, and the company generally will be entitled to a deduction, in an amount equal to the then fair market value of the shares of common stock for which the terms and conditions applicable to the restricted stock award have been satisfied. The participant's tax basis for any such shares of common stock would be the fair market value on the date such terms and conditions are satisfied.

A participant may irrevocably elect under Section 83(b) of the Code to recognize compensation taxable as ordinary income, and the company generally will be entitled to a corresponding deduction, in an amount equal to the fair market value of such restricted shares (determined without regard to any restrictions thereon) on the date of grant. Such an election must be made by the participant not later than 30 days after the date of grant. If such an election is made, no income would be recognized by the participant (and the company will not be entitled to a corresponding deduction) at the time the applicable terms and conditions are satisfied. In that case, the participant's tax basis for the restricted shares received and for any shares of common stock subsequently held in respect thereof would be the fair market value of the restricted shares (determined without regard to any restrictions thereon) on the date of grant. If a participant makes such an election and subsequently all or part of the award is forfeited, the participant will not be entitled to a deduction as a result of such forfeiture.

The holding period for capital gain or loss purposes in respect of the common stock underlying an award of restricted shares will commence when the terms and conditions applicable to the restricted shares are satisfied, unless the participant makes a timely election under Section 83(b) of the Code. If an election under Section 83(b) of the Code is made, the holding period will commence immediately after the grant of such restricted shares. The recognition by an employee of compensation income with respect to an award under the plan will be subject to withholding for federal income and employment tax purposes. If an employee, to the extent permitted by the terms of the award, uses shares of common stock to satisfy the federal income and employment tax withholding obligation, or any similar withholding obligation for state and local tax obligations, the employee will recognize a capital gain or loss, short-term or long-term, depending on the tax basis and holding period for such shares of common stock.

Amendment of the Plan. The committee may amend the plan, provided that no amendment may be made, without the approval of the company's stockholders, that will (i) increase the total number of shares of stock reserved for awards under the plan, other than an increase resulting from an adjustment pursuant to the terms of the plan, (ii) modify the provisions of the plan relating to eligibility or (iii) materially increase the benefits accruing to participants under the plan. The rights and obligations under any award granted before amendment of the plan may not be adversely affected by amendment of the plan or such award without the consent of the participant.

Termination of the Plan. The board may at any time suspend or terminate the plan. The plan, unless sooner terminated by action of the board, will terminate at the close of business on the earlier of the tenth anniversary of the date the plan is adopted or the date the plan is approved by the company's stockholders. Awards may not be granted while the plan is suspended or after it is terminated. Rights and obligations under any award granted while the plan is in effect may not be altered or impaired by suspension or termination of the plan, except upon the consent of the person to whom the award was granted. The power of the committee to construe and administer any award granted prior to the termination or suspension of the plan continues after such termination or during such suspension.

Stockholder Approval. If the plan is approved by the company's stockholders, the plan will become effective as of November 15, 2002. This approval is a condition to the right of each eligible participant to receive any award granted under the plan. Any award granted under the plan prior to such approval will be effective as of the date of the grant (unless, with respect to any award, the committee specifies otherwise at the time of the grant), but no such award may be the subject of disposition prior to such stockholder approval. If stockholder approval is not obtained, the board will rescind the plan and cancel all awards made thereunder.

GENERAL TERMS

2.1 Purpose of the Plan. The Plan is intended to (a) provide an incentive to employees of the Company to stimulate their efforts toward the continued success of the Company and to operate and manage the business in a manner that will provide for the long-term growth and profitability of the Company; (b) encourage stock ownership by employees by providing them with a means to acquire a proprietary interest in the Company by acquiring shares of Stock; (c) provide incentives consistent with the Company's goals that are intended to optimize the profitability and growth of the Company; and (d) provide incentives for excellence in individual performance and to promote teamwork.

2.2 Stock Subject to the Plan. Subject to adjustment in accordance with Section 5.3, 200,000 shares of Stock (the *Maximum Plan Shares*) are hereby reserved and subject to issuance under the Plan. At no time shall the Company have outstanding Awards in excess of the *Maximum Plan Shares*. To the extent permitted by law, the shares of Stock attributable to the nonvested or otherwise unsettled portion of any Award that is forfeited, canceled, expires or terminates for any reason without becoming vested or otherwise settled in full shall again be available for purposes of the Plan.

2.3 Administration of the Plan. Subject to any requirements of law and applicable listing requirements of stock exchanges or NASDAQ, the Committee shall administer the Plan. The Committee shall consist of two or more directors of the Company, all of whom shall qualify as non-employee directors within the meaning of Rule 16b-3. To the extent the Board considers it desirable for compensation delivered pursuant to Awards to be eligible to qualify for an exemption from the limit on tax deductibility of compensation under Section 162(m) of the Code, the Committee shall consist of two or more directors of the Company, all of whom shall qualify as outside directors within the meaning of Section 162(m) of the Code. The number and members of the Committee shall from time to time be increased or decreased, and shall be subject to such conditions, in each case as the Board deems appropriate to permit transactions in Stock pursuant to the Plan to satisfy such conditions of Rule 16b-3 or Section 162(m) of the Code as then in effect.

2.4 Powers of the Committee. Subject to the express provisions of the Plan, the Committee has full and final authority and sole discretion as follows to:

(a) determine when, and to whom and in what types and amounts Awards should be granted and the terms and conditions applicable to each Award; including, without limitation, the amount, if any, that a Participant shall pay for Restricted Stock, whether and on what terms to permit or require the payment of cash dividends thereon to be deferred, when Restricted Stock shall be forfeited and whether such Stock shall be held in escrow;

(b) construe and interpret the Plan and to make all determinations necessary or advisable for the administration of the Plan;

(c) make, amend, and rescind rules relating to the Plan, including rules with respect to the forfeitability of Awards upon the Termination of Employment of a Participant;

(d) determine the terms and conditions of all Award Agreements and, with the consent of the Participant, to amend any such Award Agreement at any time, among other things, to permit transfers of such Awards to the extent permitted by the Plan, provided that the consent of the Participant shall not be required for any amendment which (A) does not adversely affect the rights of the Participant, or (B) is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any new applicable law or change in any existing applicable law;

(e) make such adjustments or modifications to Awards to Participants who are working outside the United States as are advisable to fulfill the purposes of the Plan or to comply with applicable local law, and to authorize foreign Subsidiaries to adopt their own plans;

(f) delegate to any member of the Board or management the power to recommend the grant of Awards from time to time to specified categories of employees or management, provided that no such grants shall be made to individuals who are then subject to Section 16 of the Exchange Act or then a covered employee within the meaning of Section 162(m) of the Code;

(g) delegate to officers, employees or independent contractors of the Company matters involving the routine administration of the Plan and which are not specifically required by any provision of this Plan to be performed by the Committee;

(h) delegate its duties and responsibilities under the Plan with respect to foreign subsidiary plans, except its duties and responsibilities with respect to individuals who are subject to Section 16 of the Exchange Act and (A) the acts of such delegates shall be treated as acts of the Committee and (B) such delegates shall report to the Committee regarding the delegated duties and responsibilities;

(i) take any other action with respect to any matters relating to the Plan which it deems necessary or advisable.

All determinations on any matter relating to the Plan or any Award may be made in the sole and absolute discretion of the Committee, and all such determinations of the Committee shall be final, conclusive and binding on all persons. No member of the Committee shall be liable for any action or determination made with respect to the Plan or any Award.

2.5 Eligibility and Limits. Participants in the Plan shall be selected by the Committee. No Participant may be granted Awards that, in the aggregate, will exceed 25,000 shares of Stock in the calendar year of adoption of the Plan by the Board of Directors.

Thereafter, in subsequent calendar years, no participant may be granted Awards that, in the aggregate, will exceed 5,000 shares of stock. No Award may be granted on or after the tenth anniversary of the date the Plan is adopted or the date such Plan is approved by the Company's Stockholders, whichever is earlier.

SECTION 3

TERMS OF AWARDS

3.1 *Terms and Conditions of Awards.*

(a) The number of shares of Stock as to which an Award shall be granted shall be determined by the Committee in its sole discretion, subject to the provisions of Sections 2.2 and 2.5 as to the total number of shares available for grants under the Plan.

(b) Each Award shall be evidenced by an Award Agreement in such form as the Committee may determine is appropriate, subject to the provisions of the Plan.

(c) The date an Award is granted shall be the date on which the Committee has approved the terms and conditions of the Award Agreement and has determined the recipient of the Award and the number of shares covered by the Award.

(d) The Committee may provide in any Award Agreement a vesting schedule. The vesting schedule shall specify when such Awards shall become Vested.

(e) Awards shall not be transferable or assignable except by will or by the laws of descent and distribution.

(f) Awards shall include any restrictions required under applicable state and federal securities law.

(g) The stock certificate for any Award shall bear evidence of any restrictions or conditions on such Award.

(h) The Committee may require a cash payment from the Participant in an amount no greater than the aggregate par value of the shares of Restricted Stock awarded determined at the date of grant in exchange for the grant of an Award.

3.2 *Treatment of Awards Upon Termination of Employment.* Any Award under this Plan to a Participant who incurs a Termination of Employment may be canceled or accelerated, as provided in the Award Agreement or, in the absence of such provision, as the Committee may determine.

3.3 *Change in Control.* Except as otherwise provided in an Award Agreement, if a Change in Control occurs, then the Participant's Restricted Stock that was forfeitable shall become Vested.

SECTION 4

RESTRICTIONS OF STOCK

4.1 *Escrow of Shares.* Any certificates representing the shares of Stock issued under the Plan shall be issued in the Participant's name, but, if the Award Agreement so provides, the shares of Stock shall be held by a custodian designated by the Committee (the "Custodian"), which may be a Company employee. Each Award Agreement providing for transfer of shares of Stock to the Custodian shall appoint the Custodian as the attorney-in-fact for the Participant for the term specified in the Award Agreement, with full power and authority in the Participant's name, place and stead to transfer, assign and convey to the Company any shares of Stock held by the Custodian for such Participant, if the Participant forfeits the shares under the terms of the Award Agreement. During the period that the Custodian holds the shares subject to this Section, the Participant shall be entitled to all rights, except as provided in the Award Agreement, applicable to shares of Stock not so held. Any dividends declared on shares of Stock held by the Custodian shall, as the Committee may provide in the Award Agreement, be paid directly to the Participant.

4.2 *Restrictions on Transfer.* Until Vested, a Participant shall not have the right to make or permit to exist any Disposition of the shares of Restricted Stock issued pursuant to the Plan. The Company shall not recognize, or have the duty to recognize, any Disposition not made in accordance with the Plan.

SECTION 5

GENERAL PROVISIONS

5.1 *Withholding of Taxes.* Upon the vesting of any Award, or, if the Participant makes an election under Section 83(b) of the Code, the Company shall have the right to require the recipient to remit to the Company an amount sufficient to satisfy any federal, state and local withholding tax requirements prior to the delivery of any certificate or certificates for such shares or the vesting of such Award. A Participant may pay the withholding tax in cash, or, if the Award Agreement provides, a Participant may also elect to have the number of shares of Stock he is to receive reduced by, or with respect to an Award, tender back to the Company, the smallest number of whole shares of Stock which, when multiplied by the Fair Market Value of the shares determined as of the Tax Date (defined below), is sufficient to satisfy federal, state and local, if any, withholding taxes arising from exercise or payment of an Award (a *Withholding Election*). A Participant may make a *Withholding Election* only if both of the following conditions are met:

(a) The *Withholding Election* must be made on or prior to the date on which the amount of tax required to be withheld is determined (the *Tax Date*) by executing and delivering to the Company a properly completed notice of *Withholding Election* as prescribed by the Committee; and

(b) Any *Withholding Election* made will be irrevocable; however, the Committee may in its sole discretion approve and give no effect to the *Withholding Election*.

5.2 *Notification.* If the Participant, in connection with the grant of Restricted Stock, makes the election permitted under Section 83(b) of the Code to include in such Participant's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service, in addition to filing any notification required to regulations issued under Section 83(b) of the Code. The Committee may, in connection with the grant of an Award or at any time thereafter prior to such election being made, prohibit a Participant from making the election under Section 83(b) of the Code.

5.3 *Changes in Capitalization, Merger, or Liquidation.*

(a) The number of shares of Stock reserved for the grant of Awards and the number of shares of Restricted Stock outstanding shall be proportionately adjusted for any increase or decrease in the number of issued shares of Stock resulting from a subdivision or combination of shares or the payment of a stock dividend in shares of Stock to holders of outstanding shares of Stock or any other increase or decrease in the number of shares of Stock outstanding effected without receipt of consideration by the Company.

(b) In the event of a merger, consolidation or other reorganization of the Company or tender offer for shares of Stock, the Committee may make such adjustments with respect to Awards and take such other action as it deems necessary or appropriate to reflect or in anticipation of such merger, consolidation, reorganization or tender offer, including, without limitation, the substitution of new Awards, the termination or adjustment of outstanding Awards, the acceleration of Awards or the removal of restrictions on outstanding Awards. Any adjustment pursuant to this Section 5.3 may provide, in the Committee's discretion, for the elimination without payment therefor of any fractional shares that might otherwise become subject to any Award.

(c) The existence of the Plan and the Awards granted pursuant to the Plan shall not affect in any way the right or power of the Company to make or authorize any adjustment, reclassification, reorganization or other change in its capital or business structure, any merger or consolidation of the Company, any issue of debt or equity securities having preferences or priorities as to the Stock or the rights thereof the dissolution or liquidation of the Company, any sale or transfer of all or any part of its business or assets, or any other corporate act or proceeding.

5.4 *Right to Terminate Employment.* Nothing in the Plan or in any Award shall confer upon any Participant the right to continue as an employee or officer of the Company or any of its affiliates or affect the right of the Company or any of its affiliates to terminate the Participant's employment at any time.

5.5 Restrictions on Delivery and Sale of Shares, Legends. Each Award is subject to the condition that if at any time the Committee, in its discretion, shall determine that the listing, registration or qualification of the shares covered by such Award upon any securities exchange or under any state or federal law is necessary or desirable as a condition of or in connection with the granting of such Award or the purchase or delivery of shares thereunder, the delivery of any or all shares pursuant to such Award may be withheld unless and until such listing, registration or qualification shall have been effected. If a registration statement is not in effect under the Securities Act of 1933 or any applicable state securities laws with respect to the shares of Stock purchasable or otherwise deliverable under Awards then outstanding, the Committee may require, as a condition of exercise of any Option or as a condition to any other delivery of Stock pursuant to an Award, that the Participant or other recipient of an Award represent, in writing, that the shares received pursuant to the Award are being acquired for investment and not with a view to distribution and agree that shares will not be disposed of except pursuant to an effective registration statement, unless the Company shall have received an opinion of counsel that such disposition is exempt from such requirement under the Securities Act of 1933 and any applicable state securities laws. The Company may include on certificates representing shares delivered pursuant to an Award such legends referring to the foregoing representations or restrictions or any other applicable restrictions on resale as the Company, in its discretion, shall deem appropriate.

The Company shall pay all issue or transfer taxes with respect to the issuance or transfer of shares of Stock, as well as all fees and expenses necessarily incurred by the Company in connection with such issuance or transfer. All shares of Stock issued as provided herein shall be fully paid and non-assessable to the extent permitted by law.

5.6 Non-Alienation of Benefits. Other than as specifically provided in an Award Agreement, no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge; and any attempt to do so shall be void. No such benefit shall, prior to receipt by the Participant, be in any manner liable for or subject to the debts, contracts, liabilities, engagements or torts of the Participant.

5.7 Amendment of the Plan. The Committee may, from time to time, amend the Plan, provided that no amendment shall be made, without the approval of the stockholders of the Company, that will (i) increase the total number of shares of Stock reserved for Awards under the Plan, other than an increase resulting from an adjustment provided for in Section 5.3, (ii) modify the provisions of the Plan relating to eligibility, or (iii) materially increase the benefits accruing to Participants under the Plan. The rights and obligations under any Award granted before amendment of the Plan shall not be adversely affected by amendment of the Plan or such Award without the consent of the Participant.

5.8 Termination of the Plan. The Board may at any time suspend or terminate the Plan. The Plan, unless sooner terminated by action of the Board, shall terminate at the close of business on the date specified in Section 2.5. Awards may not be granted while the Plan is suspended or after it is terminated. Rights and obligations under any Award granted while the Plan is in effect shall not be altered or impaired by suspension or termination of the Plan, except upon the consent of the person to whom the Award was granted. The power of the Committee to construe and administer any Award granted prior to the termination or suspension of the Plan nevertheless shall continue after such termination or during such suspension.

5.9 Stockholder Approval. The Plan shall become effective at 9:00 a.m., Eastern Standard Time, on the Effective Date, provided the Plan is approved by the stockholders of the Company at an annual meeting or any special meeting of stockholders of the Company within 12 months of the Effective Date, and such approval of stockholders shall be a condition to the right of each eligible employee and consultant to receive any Award under the Plan. Any Award granted under the Plan prior to such approval of stockholders shall be effective as of the date of the grant (unless, with respect to any Award, the Committee specifies otherwise at the time of the grant), but no such Award may be the subject of Disposition prior to such stockholder approval, and if stockholders fail to approve the Plan as specified hereunder, any such Award shall be cancelled.

5.10 Governing Law. The Plan and such Awards as may be granted thereunder and all related matters shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware from time to time obtaining.

5.11 Partial Invalidity. The invalidity or illegality of any provision hereof shall not be deemed to affect the validity of any other provision.
