PROXY STATEMENT
INTRODUCTION

This Proxy Statement, which is first being mailed to the holders of Class A Common Stock and Class B Common Stock of Erie Indemnity Company, or the Company, on or about March 22, 2006, is furnished to such holders to provide information regarding the Company. This Proxy Statement is also being furnished in connection with the solicitation of proxies by the Board of Directors of the Company from holders of Class B Common Stock to be voted at the Annual Meeting of Shareholders, or the Annual Meeting, and at any adjournment, postponement or continuation thereof. The Annual Meeting will be held at 9:30 a.m., local time, on Tuesday, April 18, 2006 at the Auditorium of the F.W. Hirt-Perry Square Building, 100 Erie Insurance Place (Sixth and French Streets), Erie, Pennsylvania 16530. Holders of Class B Common Stock will also receive a form of proxy in accordance with Securities and Exchange Commission, or SEC, rules.

Shares of Class B Common Stock represented by proxies in the accompanying form, if properly signed and returned, will be voted in accordance with the specifications made thereon by the holders of Class B Common Stock. Any proxy representing shares of Class B Common Stock not specifying to the contrary will be voted for the election of the candidates for director named below who were nominated by the Nominating and Governance Committee, or the Nominating Committee, of the Company's Board of Directors. See Other Matters for a discussion of certain discretionary voting authority. A holder of Class B Common Stock who signs and returns a proxy in the accompanying form may revoke it at any time before it is voted by giving written notice of revocation to the Secretary of the Company, by furnishing a duly executed proxy bearing a later date to the Secretary of the Company or by attending the Annual Meeting and advising the Secretary of the Company that such holder intends to vote in person.

The cost of solicitation of proxies in the accompanying form will be borne by the Company, including expenses in connection with preparing and mailing this Proxy Statement. Such solicitation will be made by mail and may also be made on behalf of the Company in person, by e-mail or by telephone by the Company's regular officers and employees, none of whom will receive special compensation for such services. The Company, upon request therefor, will also reimburse brokers, nominees, fiduciaries and custodians or persons holding shares of Class A Common Stock and Class B Common Stock in their names or in the names of nominees for their reasonable expenses in forwarding the Company's proxy material to beneficial owners.

Only holders of Class B Common Stock of record at the close of business on February 17, 2006 are entitled to vote at the Annual Meeting. Each share of Class B Common Stock is entitled to one vote on each matter to be considered at the Annual Meeting. Except as is otherwise provided in Sections 1756(b)(1) and (2) of the Pennsylvania Business Corporation Law of 1988, or the BCL, in the case of adjourned meetings, a majority of the outstanding shares of Class B Common Stock will constitute a quorum at the Annual Meeting for the election of directors. Cumulative voting rights do

Table of Contents

not exist with respect to the election of directors. The 15 candidates for election as a director who receive the largest number of votes cast by the holders of Class B Common Stock in person or by proxy at the Annual Meeting will be elected as directors. Shares of Class B Common Stock held by brokers or nominees as to which voting instructions have not been received from the beneficial owner or person otherwise entitled to vote and as to which the broker or nominee does not have discretionary voting power, i.e., broker nonvotes, will be treated as not present and not entitled to vote for nominees for election as directors. Abstentions will be treated as the withholding of authority to vote for nominees for election as directors. Abstentions from voting and broker nonvotes will have no effect on the election of directors because they will not represent votes cast at the Annual Meeting and directors are elected by a plurality of the votes cast.

As of the close of business on February 17, 2006, the Company had 60,453,535 shares of Class A Common Stock outstanding, which are not entitled to vote on any matters to be acted upon at the Annual Meeting, and 2,813 shares of Class B Common Stock outstanding, which have the exclusive right to vote on all matters to be acted upon at the Annual Meeting.

There are two H.O. Hirt Trusts, one for the benefit of F. William Hirt and one for the benefit of Susan Hirt Hagen. The H.O. Hirt Trusts collectively own 2,340 shares of Class B Common Stock, which, because such shares represent 83.19% of the outstanding shares of Class B Common Stock entitled to vote at the Annual Meeting, is sufficient to determine the outcome of any matter submitted to a vote of the holders of the Class B Common Stock, assuming all of the shares held by the H.O. Hirt Trusts are voted in the same manner. As of the record date for the Annual Meeting, the individual trustees of the H.O. Hirt Trusts are F. William Hirt, or Mr. Hirt, and Susan Hirt Hagen, or Mrs. Hagen, and the corporate trustee is Sentinel Trust Company, L.B.A., or Sentinel.

Under the provisions of the H.O. Hirt Trusts, the shares of Class B Common Stock held by the H.O. Hirt Trusts are to be voted as directed by a majority of trustees then in office. If at least a majority of the trustees then in office of both of the H.O. Hirt Trusts vote for the election of the 15 candidates for director named below, such candidates will be elected as directors of the Company even if all shares of Class B Common Stock other than those held by the H.O. Hirt Trusts do not vote for such candidates. The Company has not been advised as of the date of this Proxy Statement how the trustees of the H.O. Hirt Trusts intend to vote at the Annual Meeting.

The Company operates predominantly as a provider of management services to Erie Insurance Exchange, or the Exchange. The Company also operates as a property and casualty insurer through its subsidiaries. Since 1925, the Company has served as the attorney-in-fact for the policyholders of the Exchange. The Exchange is a reciprocal insurance exchange, which is an unincorporated association of individuals, partnerships and corporations that agree to insure one another. Each applicant for insurance from the Exchange signs a subscriber's agreement, which contains an appointment of the Company as the attorney-in-fact for the subscriber. As attorney-in-fact, the Company is required to perform certain services relating to the sales, underwriting and issuance of policies on behalf of the Exchange.

The Exchange and its property and casualty insurance subsidiary and the Company's three property and casualty insurance subsidiaries (collectively, the Property and Casualty Group) write personal and commercial lines property and casualty insurance coverages exclusively through

approximately 1,730 independent agencies comprised of more than 7,800 licensed representatives and pool their underwriting results. The financial results of the Company and the Exchange are not consolidated. As a result of the Exchange's 94.5% participation in the underwriting results of the Property and Casualty Group, the underwriting risk of the Property and Casualty Group's business is largely borne by the Exchange.

The Company charges the Exchange a management fee calculated as a percentage, limited to 25%, of the direct written premiums of the Property and Casualty Group. Management fees accounted for 74.4%, 73.7% and 71.6%, respectively, of the Company's revenues for the three years ended December 31, 2003, 2004 and 2005. The management fee rate was 24% in 2003, 23.5% from January 1, 2004 through June 30, 2004, 24% from July 1, 2004 through December 31, 2004 and 23.75% during 2005. Beginning January 1, 2006, the rate has been set at 24.75%.

The Company's property and casualty insurance subsidiaries are Erie Insurance Company, or Erie Insurance Co., Erie Insurance Company of New York, or Erie NY, and Erie Insurance Property & Casualty Company or EI P&C. In addition, the Company holds investments in both affiliated and unaffiliated entities, including a 21.63% interest in the common stock (EFL Common Stock) of Erie Family Life Insurance Company or EFL, a life insurance company. The Exchange owns 53.50% of EFL's Common Stock.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, requires that the officers and directors of a corporation, such as the Company, that has a class of equity securities registered under Section 12 of the Exchange Act, as well as persons who own 10% or more of a class of equity securities of such a corporation, file reports of their ownership of such securities, as well as statements of changes in such ownership, with the corporation and the SEC. Based upon written representations received by the Company from its officers and directors and 10% or greater shareholders, and the Company's review of the statements of changes of ownership filed with the Company by its officers and directors and 10% or greater shareholders during 2005, the Company believes that all such filings required during 2005 were made on a timely basis, except that John Sommerwerck, a senior vice president of the Company until November 30, 2005, inadvertently filed untimely a Form 4 Statement of Changes in Beneficial Ownership on January 28, 2005 for 12 shares of Class A Common Stock acquired on January 21, 2005 through an automatic dividend reinvestment plan and Samuel P. Black, III, an owner of more than 10% of the shares of Class B Common Stock until May 24, 2005, inadvertently filed untimely a Form 4 Statement of Changes in Beneficial Ownership on March 7, 2005 to report the transfer of 125,000 shares of Class A Common Stock to his former spouse on February 22, 2005 pursuant to a marital settlement agreement.

PROPOSAL 1 ELECTION OF DIRECTORS

Introduction

The election of directors of the Company by the holders of its Class B Common Stock is governed by provisions of the Pennsylvania Insurance Holding Companies Act or the Holding Companies Act, in addition to provisions of the BCL, the Pennsylvania Associations Code and the Company's Bylaws. The following discussion summarizes these statutory provisions and describes the process undertaken in connection with the nomination of candidates for election as directors by the holders of Class B Common Stock at the Annual Meeting.

Background of the Company's Nominating Committee

Section 1405(c)(4) of the Holding Companies Act, which applies to the Company, provides that the board of directors of a domestic insurer must establish one or more committees comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. Such committee or committees must have responsibility for, among other things, nominating candidates for director for election by the shareholders.

Section 3.09 of the Company's Bylaws is consistent with this statutory provision and provides that (i) the Company's Board of Directors must appoint annually a Nominating Committee that consists of not less than three directors who are not officers or employees of the Company or of any entity controlling, controlled by or under common control with the Company and who are not beneficial owners of a controlling interest in the voting securities of the Company and (ii) the Nominating Committee must, prior to each annual meeting of shareholders, determine and nominate candidates for the office of director of the Company to be elected by the holders of Class B Common Stock to serve terms as established by the Bylaws and until their successors are elected.

In accordance with this Bylaw provision, on April 19, 2005, the Company's Board of Directors designated a Nominating Committee consisting of Patricia Garrison-Corbin, Chair, Kaj Ahlmann, Wilson C. Cooney and John R. Graham. Consistent with the Holding Companies Act, none of these persons is an officer or employee of the Company or of any entity controlling, controlled by or under common control with the Company or a beneficial owner of a controlling interest in the voting stock of the Company or any such entity. Each member of the Nominating Committee is an independent director as defined in the rules of The Nasdaq Stock Market®, or Nasdaq.

Nominating Procedures

Under Section 2.07(a) of the Company's Bylaws, nominations of persons for election to the Board of Directors may be made at any meeting of holders of Class B Common Stock at which Directors are to be elected (i) by or at the direction of the Nominating Committee or (ii) by any holder of Class B Common Stock, provided the shareholder complies with the prior notice procedures specified in the Company's Bylaws.

Table of Contents

With respect to nominations by or at the direction of the Nominating Committee, except as is required by rules promulgated by Nasdaq, the SEC or the Holding Companies Act, there are no specific, minimum qualifications that must be met by a candidate for the Board of Directors, and the Nominating Committee may take into account such factors as it deems appropriate. The Nominating Committee generally bases its nominations on the general needs of the Company as well as the specific attributes of candidates that would add to the overall effectiveness of the Board. Specifically, among the significant factors that the Nominating Committee may take into consideration are judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other directors and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

In identifying and evaluating the individuals that it selects, or recommends that the Board of Directors select, as director nominees, the Nominating Committee utilizes the following process:

The Nominating Committee reviews the qualifications of any candidates who have been recommended by a holder of Class A Common Stock or Class B Common Stock in compliance with the Company's Bylaws; the procedures that a holder of Class A Common Stock or Class B Common Stock must follow to recommend a candidate to the Nominating Committee are described in greater detail in under Shareholder Proposals beginning on page 34.

The Nominating Committee also considers recommendations made by individual members of the Board of Directors or, if the Nominating Committee so determines, a search firm. The Nominating Committee may consider candidates who have been identified by management, but is not required to do so.

The Nominating Committee evaluates the performance and qualifications of individual members of the Board of Directors eligible for reelection by the holders of Class B Common Stock at the annual meeting of shareholders.

The Nominating Committee considers the suitability of each candidate, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors and the above discussed significant factors.

After such review and consideration, the Nominating Committee determines a slate of director nominees.

Table of Contents

Actions Taken for Nominations

The Nominating Committee met on February 1, 2006 for the purpose of evaluating the performance and qualifications of the current members of its Board of Directors and nominating candidates for election as directors by the holders of Class B Common Stock at the Annual Meeting. The Company's Bylaws provide that the Board of Directors shall consist of not less than 7, nor more than 16, directors, with the exact number to be fixed from time to time by resolution of the Board of Directors. The Nominating Committee recommended at its February 1, 2006 meeting that the size of the Company's Board of Directors remain at 13 persons and that all directors as of such date be nominated for election.

On February 1, 2006, the Board of Directors accepted the report of the Nominating Committee, set the number of directors to be elected at the Annual Meeting at 13 and approved the nomination of Kaj Ahlmann, John T. Baily, J. Ralph Borneman, Jr., Wilson C. Cooney, Patricia Garrison-Corbin, John R. Graham, Jonathan Hirt Hagen, Susan Hirt Hagen, C. Scott Hartz, F. William Hirt, Claude C. Lilly, III, Jeffrey A. Ludrof and Robert C. Wilburn for election as directors by the holders of Class B Common Stock at the Annual Meeting. The chairperson of the Board of Directors, or the chairperson's designee, endeavors to notify, or cause to be notified, all director candidates of its decision as to whether to nominate such individual for election to the Board of Directors. On February 1, 2006, the Company issued a press release for the purpose of announcing publicly the Nominating Committee's slate of director nominees in accordance with Section 2.07(a)(3) of the Company's Bylaws.

On January 23, 2006, D. Fort Flowers, Jr., President and Chief Executive Officer of Sentinel, a Co-Trustee of the H.O. Hirt Trusts, sent a memorandum to Mr. Hirt and Mrs. Hagen, the other Co-Trustees of the H.O. Hirt Trusts, with a copy to the Chair of the Nominating Committee, recommending that two candidates, Lucian L. Morrison and Thomas W. Palmer, be submitted to the Nominating Committee for consideration as candidates for election as directors of the Company. Subsequent to delivery of the memorandum, the Nominating Committee obtained information regarding these proposed candidates and interviewed each of them. At meetings of the Company's Board of Directors held during the week of February 20, 2006, the Board of Directors, in conjunction with the Nominating Committee, fixed the number of directors to be elected at the 2006 Annual Meeting at 15, and added Mr. Morrison and Mr. Palmer as candidates for election as directors at the 2006 Annual Meeting.

Table of Contents**Candidates for Election**

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the election of the nominees named below. With the exception of Lucian L. Morrison and Thomas W. Palmer, all of the nominees are currently directors of the Company. If a nominee becomes unavailable for any reason, it is intended that the proxies will be voted for a substitute nominee selected by the Nominating Committee of the Board of Directors. The Board of Directors has no reason to believe the nominees named will be unable to serve if elected. Any vacancy occurring on the Board of Directors for any reason may be filled by a majority vote of the directors then remaining in office until the next succeeding annual meeting of the Company's shareholders.

At a meeting of the Board of Directors on February 1, 2006, the Nominating Committee recognized that Wilson C. Cooney, a director of the Company since 2003, will have exceeded the age 70 limitation in the Company's Bylaws at the time of his election. Following the recommendation of the Nominating Committee, the Board voted to waive the age limitation as it would apply to Mr. Cooney for the 2006 election of directors.

The names of the candidates for director nominated pursuant to the procedures discussed above, together with certain information regarding them, are as follows:

Name	Age as of 4/1/06	Principal Occupation for Past Five Years and Positions with Erie Insurance Group	Director of the Company Since 2003

Agreements with Executive Officers

During 2005, the Compensation Committee undertook a review of outstanding employment agreements with its senior executive officers. With the assistance of a compensation consultant, the employment agreements were revised for the following officers: Jeffrey A. Ludrof, President and Chief Executive Officer; Jan R. Van Gorder, Senior Executive Vice President, Secretary and General Counsel; Philip A. Garcia, Executive Vice President and Chief Financial Officer; John J. Brinling, Jr., Executive Vice President of EFL; Douglas F. Ziegler, Senior Vice President, Treasurer and Chief Investment Officer; Michael J. Krahe, Executive Vice President of Human Development and Leadership and Thomas B. Morgan, Executive Vice President of Insurance Operations. The revised employment

agreements have the following principal terms:

(a) The term of the contract for Mr. Ludrof will remain at four years, expiring on December 11, 2009. For all other of the above officers, the term of the contract was increased from two years to three years and will expire on December 11, 2008, unless the agreement is previously terminated in accordance with its terms, with or without Cause (as defined in the agreement), or due to the disability or death of the officer or notice of nonrenewal is given by the Company or the executive 30 days before any anniversary date;

(b) A minimum annual base salary at least equal to the executive's annual base salary at the time the agreement was executed, subject to periodic review to reflect the executive's performance and responsibilities, competitive compensation levels and the impact of inflation;

(c) The eligibility of the executive under the Company's incentive compensation programs and employee benefit plans;

(d) The establishment of the terms and conditions upon which the executive's employment may be terminated by the Company and the compensation of the executive in such circumstances. The agreements provide generally, among other things, that if the employment of an executive is terminated without Cause by the Company or by the executive for Good Reason (as defined in the agreement) then the executive shall be entitled to receive: (i) for the Chief Executive Officer an amount equal to the sum of three times the executive's highest annual base salary during the preceding three years, plus an amount equal to the sum of the higher of the Chief Executive Officer's target amount, or actual bonus paid under the Company's annual incentive plan for the three calendar years preceding the date of the termination of the Chief Executive Officer's employment divided by three; for the named Executive Vice Presidents, an amount equal to the sum of 2.75 times the executive's highest annual base salary during the preceding three years, plus an amount equal to the sum of the higher of the executive's target amount, or actual bonus paid under the Company's annual incentive plan for the three calendar years preceding the date of the termination of the

Table of Contents

executive's employment divided by three and for the Senior Vice President, 2.5 times the officer's highest annual base salary during the preceding three years, plus an amount equal to the sum of the higher of the officer's target amount, or actual bonus paid under the Company's annual incentive plan for the three calendar years preceding the date of the termination of the Senior Vice President's employment divided by three; (ii) any award or other compensation to which the executive is entitled under any Company LTIP; (iii) continuing participation in any employee benefit plans for a period of three years following a termination to the extent the executive and his or her dependents were eligible to participate in such programs immediately prior to the executive's termination; and (iv) immediate vesting and nonforfeitability of accrued benefits under the Company's Supplemental Retirement Plan for Certain Members of the Erie Insurance Group Retirement Plan for Employees (the "SERP"), including an unreduced benefit for early retirement before age 65, and a gross-up for income taxes on the annuity and/or lump sum payment of the retirement benefit. Under the prior agreements, all of the named executive officers received three times their highest based salary, and three times the highest bonus amount paid in the three prior years to termination. Based on the research and recommendation of the consultant to the Compensation Committee, the severance benefit multiple was reduced from 3 times to 2.75 times for the Executive Vice Presidents and 2.5 times for the Senior Vice President, consistent with the consultant's market research. In addition, the bonus component of the severance benefit was reduced from the highest award in the prior three years to the average of the bonus amount in the prior three years. Deferral options available under the previous agreements were eliminated to conform to the requirements of the American Jobs Creation Act;

(e) A cash payment (a "Gross-Up Payment") equal to the then current rate of tax under Section 4999 of the Internal Revenue Code of 1986, as amended, or the Code, multiplied by the total of the amounts paid or payable, including the Gross-Up Payment, which are deemed to be a part of an "excess parachute payment" as that term is defined in Sections 4999 and 280G of the Code;

(f) Provisions relating to confidentiality and nondisclosure following an executive's termination; and

(g) An agreement by the executive not to compete with the Company for a period of one year following his or her termination, unless such termination was effected by the Company without Cause.

Industry data from the survey undertaken by the compensation consultant confirmed the reasonableness of the term periods as revised.

Stock Options and Stock Appreciation Rights

The Company does not have a stock option plan, nor has it ever granted any stock option or stock appreciation right to any of the persons named in the Summary Compensation Table.

Long-Term Incentive Plans

In 1997, the Company adopted the Initial LTIP, which was designed to enhance the growth and profitability of the Company by providing the incentive of long-term rewards to key employees who are capable of having a significant impact on the performance of the Company, to attract and retain employees of outstanding competence and ability and to further align the interests of such

Table of Contents

employees with those of the shareholders of the Company. The Initial LTIP was approved by the holders of the Company's Class B Common Stock in 1997 as a performance-based plan under the Code, and its continuation was approved by the Company's shareholders at the 2002 Annual Meeting in satisfaction of the requirements of the Code. The Initial LTIP was amended at the 2003 Annual Meeting to increase the maximum value of the phantom share units that could be earned by a participant in any performance award from \$500,000 to \$1,000,000 and at the same time was reapproved by the Company's shareholders. Each participant is granted awards of phantom share units under the Initial LTIP based upon a target award calculated as a percentage of the participant's base salary. The total value of any phantom share units is determined at the end of the performance period based upon the growth in the Company's retained earnings. Each participant is then entitled to receive restricted shares of Class A Common Stock equal to the dollar value of the phantom share units at the end of the performance period. The vesting period for the restricted shares of Class A Common Stock issued to each executive is three years after the end of the performance period. If a participant ceases to be an employee prior to the end of the performance period for reasons other than retirement, death or disability, the participant forfeits all phantom share units awarded. If a participant ceases to be an employee after the end of the performance period but prior to the end of the vesting period for reasons other than retirement, death or disability, the participant forfeits all unvested restricted shares previously granted. Because the Board of Directors and holders of Class B Common Stock approved a new long-term incentive plan described below, no further awards will be made under the Initial LTIP and the last performance period under the Initial LTIP was 2003-2005.

In 2004, the Compensation Committee recommended the adoption of the New LTIP to replace the Initial LTIP. The Company's Board of Directors adopted the New LTIP and, in accordance with the Code and Nasdaq rules, the holders of Class B Common Stock approved the New LTIP at the Company's 2004 Annual Meeting. The New LTIP became effective March 2, 2004. The New LTIP is administered by the Compensation Committee of the Board of Directors. The Compensation Committee is authorized to grant restricted performance shares to participants. Restricted performance shares represent a right to receive shares of Class A Common Stock based on the achievement, or the level of achievement, during a specified performance period of one or more performance goals established by the Compensation Committee at the time of the award. At the time restricted performance shares are granted, the Compensation Committee will specify in writing:

the performance goals applicable to the award, the weighing of such goals and the performance period during which the achievement, or the level of achievement, of the performance goals are to be measured;

the number of shares of Class A Common Stock that may be earned by the participant based on the achievement, or the level of achievement, of the performance goals or the formula by which such amount shall be determined; and

such other terms and conditions as the Compensation Committee determines to be appropriate.

Following completion of the applicable performance period, the Compensation Committee will determine whether the applicable performance goals were achieved, or the level of such achievement, and the number of shares, if any, earned by the participant based upon such

Table of Contents

performance. The Company will then issue to the participant the number of shares of Class A Common Stock earned pursuant to the award of restricted performance shares for the relevant performance period. If a participant ceases to be an employee of the Company, its subsidiaries and affiliates prior to the end of a performance period by reason of death, disability or normal or early retirement (as defined in the Company's qualified pension plan for employees), the participant may receive all or such portion of his or her award as may be determined by the Compensation Committee in its discretion; however, a participant will not receive less than the total number of shares of Class A Common Stock earned pursuant to such restricted performance shares held by such participant based upon performance during the reduced performance period that is deemed to end on the last day of the year in which employment terminates. If a participant ceases to be an employee of the Company, its subsidiaries and affiliates prior to the end of a performance period for any reason other than death, disability or normal or early retirement, the participant may receive all or such portion of his or her award as may be determined by the Compensation Committee in its discretion. A participant who is terminated for cause is not entitled to receive payment of any award for any performance period. The maximum number of shares of Class A Common Stock that may be earned under the New LTIP by any single participant during any one calendar year is limited to 250,000 shares.

The following table sets forth target awards granted under the Initial LTIP and the New LTIP to each person named in the Summary Compensation Table, all current executive officers as a group and all employees other than the executive officers as a group (i) for the three-year performance period of 2005 to 2007 under the New LTIP, (ii) for the three year performance period of 2004 to 2006 under the New LTIP and (iii) for the three year performance period of 2003 to 2005 under the Initial LTIP.

The compensation covered by the Retirement Plans is the base salary reported in the Summary Compensation Table.

Under the Retirement Plans, credited years of service is capped at 30 years. Credited years of service for each of the individuals named in the Summary Compensation Table is as follows: Jeffrey A. Ludrof 25 years, Jan R. Van Gorder 25 years, Philip A. Garcia 25 years, Thomas B. Morgan 12 years and John J. Brinling, Jr. 30 years.

The benefits under the Retirement Plans are computed on the basis of straight-life annuity amounts and a life annuity with a ten year certain benefit. The benefits listed in the Pension Plan Table are not subject to deduction for Social Security or other offset amounts. The information in the foregoing table does not reflect certain limitations imposed by the Code. The Code prohibits the inclusion of earnings in excess of \$220,000 per year (adjusted periodically for cost of living increases) in the average earnings used to calculate benefits. The Code also limits the maximum annual pension (currently \$175,000, but adjusted periodically for cost of living increases) that can be paid to each eligible employee. The SERP provides benefits for senior management in excess of the earnings limitations imposed by the Code similar to those provided to all other full-time employees as if the Code limitations were not in effect. Those benefits are incorporated into the Pension Plan Table.

Director Compensation

The annual retainer for the Company's directors for services to all member companies of the Erie Insurance Group, including the Company, is \$25,000, plus \$1,500 for each meeting attended and \$1,500 for each committee meeting attended. Committee Chairpersons each receive an additional \$5,000, except for the Audit Committee Chairperson who receives \$8,500 and the Lead Director who receives \$20,000. The Company's share of the retainer in 2005 was 60%. In addition, all directors are reimbursed for their expenses incurred in attending meetings. Officers of the Company who serve as directors are not compensated for attendance at meetings of the Board of Directors and its committees. See also Certain Transactions. A director may elect prior to the end of a calendar year to defer receipt of up to 100% of the director's board compensation for the following year, including retainers, meeting fees and Chairperson and Lead Director fees. A deferred compensation account is maintained for each outside director who elects to defer board compensation. A director who defers board compensation may select hypothetical investment options for amounts in the director's deferred compensation account and such account is credited, including with hypothetical interest, based on the investment results of the hypothetical investment options selected.

The Company also maintains a deferred stock compensation plan for the Company's outside directors. The purpose of this plan is to further align the interests of outside directors with shareholders by providing for a portion of annual compensation for the directors' services in shares of the Company's Class A Common Stock. A deferred stock account is maintained for each outside director under the plan. The account is credited annually with a grant of shares of Class A Common Stock determined by dividing \$35,000 by the closing price of the Class A Common Stock on the first business day after the Company's annual meeting of shareholders. Each director vests in the grant 25% every three full calendar months over the course of a year, with the final 25% vesting on the date of the next annual meeting if the next annual meeting is held before the final three full calendar months have elapsed. Dividends paid by the Company are reinvested into each director's account with additional shares of the Company's Class A Common Stock and such credited shares vest immediately. The Company accounts for the fair value of its grants under the plan in accordance with FAS 148, Accounting for Stock Based Compensation. The annual charge related to this plan to the Company and its affiliates totaled approximately \$315,059 for 2005; the Company's share of this charge for 2005 was approximately \$189,036.

REPORT OF THE EXECUTIVE COMPENSATION AND DEVELOPMENT COMMITTEE

The following report of the Compensation Committee and the performance graph that immediately follows that report do not constitute soliciting material and shall not be deemed filed or incorporated by reference into any filing by the Company under the Securities Act of 1933, or the 1933 Act, or the Exchange Act, except to the extent that the Company specifically incorporates the report or the performance graph by reference therein.

The Compensation Committee is composed of three directors and operates pursuant to a charter approved by the Board of Directors which may be viewed on the Company's website at: <http://www.erieinsurance.com>. Each director is an independent outside director as defined by Nasdaq Corporate Governance Rule 4200(15) and the Holding Companies Act. In accordance with the Compensation Committee's charter and the Nasdaq rules, the Compensation Committee determines all compensation for the Company's executive officers.

The general philosophy of the Compensation Committee is to provide executive compensation designed to enhance shareholder value, including annual compensation, incentive compensation and equity-based compensation. To this end, the Compensation Committee reviews, designs and oversees compensation plans and incentives to link the financial interests of the Company's executive and senior officers to the interests of its shareholders, encourage support of the Company's annual and long term goals, tie executive compensation to the Company's performance, attract and retain talented leadership and encourage ownership of the Company's stock by executive and senior officers.

In making decisions affecting executive compensation, the Compensation Committee reviews the nature and scope of the officer's responsibilities as well as his or her effectiveness in supporting the Company's long term goals. The Compensation Committee also considers the compensation practices of other corporations that compete with the Company. Based upon these and other factors that it considers relevant, and in light of the Company's overall long term performance, the Compensation Committee has considered it appropriate and in the best interest of the shareholders and the Company to set overall executive compensation at a level that enables the Company to continue to attract, retain and motivate highly qualified executive personnel.

During 2005, the Compensation Committee met 12 times to review the compensation of senior management and undertake several initiatives relating to the development of executive officers and directors.

The Compensation Committee developed guidelines for an Executive Stock Retention Program beginning January 1, 2006. The program, which was approved by the Board of Directors, is designed to further align executives performance with the long-term performance of the Company through required retention of its Class A Common Stock. Under the terms of the plan, the Chief Executive Officer is required to maintain ownership of Class A Common Stock, the value of which is at least equal to three times the Chief Executive Officer's base salary. All other executive officers are required to maintain ownership of an amount of Class A Common Stock equal to at least 1.5 times their respective salaries. Shares of stock currently owned or acquired from compensation plans qualify for the ownership requirement.

Table of Contents

The Compensation Committee oversaw the implementation of a 360° feedback process for the Chief Executive Officer and executive officers. The 360° process is an assessment tool used to identify an executive's strengths and areas of improvement. The process was conducted by an independent consultant with expertise in facilitating such reviews.

The Compensation Committee is also responsible for oversight of the Company's management succession planning to ensure continuity of leadership. The Compensation Committee assesses executive development twice each year and reviews the results of its assessments with the Board of Directors on an annual basis.

Review of Executive Compensation

The Compensation Committee reviewed the compensation of the Chief Executive Officer and the next four most highly compensated executive officers. The review included an evaluation of current employment agreements, base salary, annual and long-term incentive awards and target compensation level by position. The Compensation Committee also considered competitive compensation information from businesses generally as well as other insurance companies. With respect to compensation for the Chief Executive Officer, the Compensation Committee, in concert with the Chief Executive Officer, established 2005 objectives for the Chief Executive Officer. Progress against these goals was reviewed by the Compensation Committee throughout the year and reported to the Board of Directors. The Compensation Committee reviewed the Chief Executive Officer's performance against these goals and recommended compensation adjustments for the Chief Executive Officer, in line with industry data.

Based on their review, the Compensation Committee modified current agreements with executive and senior officers, adjusting the severance multipliers to three times total cash compensation for the Chief Executive Officer, 2.75 times for other named executive officers and 2.5 times for senior officers. The reduced severance multipliers will be included in all future employment agreements.

Director Compensation

In 2005, the Compensation Committee engaged Towers Perrin to conduct a general and insurance industry specific competitive compensation analysis of director compensation. At the April 19, 2005 Board of Directors meeting, the Compensation Committee and the Board of Directors reviewed the findings and approved adjustments to director compensation.

Table of Contents

Pursuant to previously approved compensation arrangements for executive officers, the Company maintained split-dollar life insurance arrangements for the following former Chief Executive Officers: Mr. Hirt, the Chairman of the Board of Directors, and Thomas B. Hagen, the husband of Mrs. Hagen, a director of the Company and the father of Jonathan Hirt Hagen, a director of the Company. The Company also maintained split-dollar life insurance arrangements for two current executive officers: Jeffrey A. Ludrof, the Company's President and Chief Executive Officer and a director, and Jan R. Van Gorder, the Company's Senior Executive Vice President, Secretary and General Counsel and a director of the Company until April 2005. In 2003, the Company negotiated the termination of these split-dollar arrangements.

For all split-dollar insurance policies for which Thomas B. Hagen and Susan Hirt Hagen are the insureds, the policy owner in each case is an irrevocable trust created by the insured. With respect to the single life split-dollar insurance policies purchased in 1988 with Thomas B. Hagen or Susan Hirt Hagen as the insured, the policy owner entered into an agreement to reimburse the Company on December 31, 2003 for insurance premiums it previously advanced totaling \$258,008. Under the split-dollar agreement, this reimbursement was not due until the death of the insured for each policy. The owner of the policies borrowed against the policies to make this repayment. Beginning in 2004, the Company agreed to provide annually to the policy owners, as indemnification for the early repayment, an amount equal to the interest on the policy loans, grossed up for income taxes. The amount of this payment for 2005 was \$66,025.

With respect to the single life split-dollar insurance policy purchased in 1988 with Mr. Hirt as the insured, the policy owner entered into an agreement to reimburse the Company on December 31, 2003 for insurance premiums it previously advanced totaling \$256,662. Under the split-dollar agreement, this reimbursement was not due until the death of the insured. The owner of the policy borrowed against the policy to make this repayment. Beginning in 2004, the Company agreed to provide annually to the insured, as indemnification for the early repayment, an amount equal to the interest on the policy loan, grossed up for income taxes. These payments totaled \$43,105 and \$42,744 in 2006 and 2005, respectively. With respect to the second to die split-dollar life insurance policy purchased in 1990 with Mr. Hirt and his wife as the insureds, the policy owner entered into an agreement to reimburse the Company on December 31, 2003 for insurance premiums it previously advanced totaling \$914,304. Under the split-dollar agreement, this reimbursement was not due until the death of the respective insured. The owner of the policy borrowed against the policy to make this repayment. Beginning in 2004, the Company agreed to provide annually to the insureds, as indemnification for the early repayment, an amount equal to the average value of the economic benefit to the insureds for the next five years. This value was derived from the P.S. 58 rates provided by the Internal Revenue Service to measure the taxable economic benefit received by employees from the pure insurance protection provided by split-dollar plans and qualified retirement plans. These payments totaled \$71,242 and \$70,645 in 2006 and 2005, respectively.

Effective May 1, 2003, the Company entered into leases expiring on April 30, 2006 for each floor of a three-story office building, with a lower level basement, in Erie, Pennsylvania. The lower level basement area is owned by Historic Square Properties, a general partnership in which Jan R. Van Gorder, the Company's Senior Executive Vice President, Secretary and General Counsel, and a director of the Company until April 2005, is a general partner with an approximately one-third economic interest. This lease transaction for the office building was authorized by the Board of

Directors; Mr. Van Gorder recused himself from discussion of and voting on the lease transaction. In addition, the interests of Mr. Van Gorder in the office building were disclosed to the Board of Directors prior to its approval of the lease transaction. The amount of rent paid by the Company to Historic Square Properties during 2005 was \$32,000. In addition, the Company made property tax reimbursement payments to Historic Square Properties in the amount of \$3,593 during 2005. On August 29, 2005, the Company exercised its option to extend the term of the leases to April 30, 2009.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Pursuant to the Company's Bylaws, the Audit Committee has sole authority to engage the Company's independent registered public accountants. The Audit Committee annually considers the selection of the Company's independent registered public accountants. The Audit Committee selected Ernst & Young LLP to be the Company's independent registered public accountants for the fiscal years ended December 31, 2005 and 2004 and Ernst & Young LLP served in that capacity for the fiscal years ended December 31, 2005 and 2004.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing by the Company under the 1933 Act or the Exchange Act, except to the extent the Company specifically incorporates this report by reference therein.

The Audit Committee of the Board of Directors oversees the quality and integrity of the accounting, auditing and financial reporting practices of the Company. The Board of Directors has adopted a written charter for the Audit Committee, which may be viewed on the Company's website at: <http://www.erieinsurance.com>. The Audit Committee is presently comprised of five directors, all of whom are independent directors as defined in the Nasdaq and SEC rules and all of whom satisfy the financial literacy requirements thereof. In addition, the Board of Directors has determined that one member of the Audit Committee, Mr. Baily, satisfies the financial expertise requirements and has the requisite experience as defined by rules of the SEC. The Audit Committee's charter states that members may not simultaneously serve on the audit committees of more than two other public companies without approval of the Board of Directors. Mr. Baily, Mr. Graham and Mr. Lilly serve on the audit committees of more than two other public companies and they have received the requisite approval to do so from the Board of Directors.

The Audit Committee, which met six times during 2005, has the responsibility, consistent with the requirements of Section 1405(c)(4) of the Holding Companies Act and the Company's Bylaws, for the selection of independent registered public accountants, reviewing the scope and results of the audit and reviewing the adequacy of the Company's accounting, financial, internal and operating controls.

The Audit Committee oversees the Company's Internal Audit Department, and accordingly reviews and approves its audit plans, reviews its audit reports, and evaluates its performance.

Table of Contents

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Audit Committee reviewed and discussed the Company's audited consolidated financial statements for the year ended December 31, 2005 with management.

Throughout 2005, management completed its documentation, testing and evaluation of the Company's system of internal control over financial reporting as required by Section 404 of Sarbanes-Oxley and related regulations. The Audit Committee was kept apprised of the progress of the evaluation through periodic updates from management and Ernst & Young LLP and provided oversight to management throughout the process. The Audit Committee reviewed management's report on the effectiveness of the Company's internal control over financial reporting. The Audit Committee also reviewed Ernst & Young LLP's reported opinion on management's assessment of the effectiveness of internal control over financial reporting and its own opinion on the effectiveness of internal control over financial reporting based on its audit.

The Audit Committee discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, the Audit Committee received and reviewed the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board No. 1, *Independence Discussions with Audit Committees*, and has discussed with the independent registered public accountants their independence.

The Audit Committee reviews its charter annually. The Audit Committee has also established a procedure whereby persons with complaints or concerns about accounting, internal control or auditing matters may contact the Audit Committee.

Based upon the discussions and reviews referred to above, the Audit Committee recommended to the Board of Directors that (1) the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10 K for the year ended December 31, 2005 to be filed with the SEC, and (2) the Board of Directors accept management's report on its assessment on the effectiveness of the Company's internal control over financial reporting.

Table of Contents**AUDIT FEES**

The Audit Committee approves the fees and other significant compensation to be paid to the independent registered public accountants for the purpose of preparing or issuing an audit report or related work. The Company provides appropriate funding, as determined by the Audit Committee, for payment of fees and other significant compensation to the independent registered public accountants. The Audit Committee also preapproves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent registered public accountants, subject to the de minimis exceptions for non-audit services described in the Exchange Act. The Audit Committee delegated to the Audit Committee Chair preapproval authority for additional audit and non-audit services subject to subsequent approval by the full Audit Committee at its next scheduled meeting.

The Audit Committee reviewed and discussed with Ernst & Young LLP the following fees for services, none of which were deemed to be for consulting services, rendered for the 2005 and 2004 fiscal years and considered the compatibility of non-audit services with Ernst & Young LLP's independence:
